Resolution of Declaration of Need for Fully Qualified Educators**April 18, 2023****Human Resources Division****Action Proposed:**

Declare the potential number, type, and subject of emergency permits that may be needed for the ensuing school year and to specify the target languages for emergency bilingual authorizations needed to serve the dual language programs in the District (Attachment A). Below is a list of the estimated number of permits being requested under this Declaration of Need:

Document Type	Number Requested
Emergency CLAD Permit	400
Emergency Bilingual Authorization Permit	75
Emergency Resource Permit	5
Emergency Teacher Librarian Services Permit	60
Multiple Subject Limited Assignment Permit	10
Single Subject Limited Assignment Permit	140
Special Education Limited Assignment Permit	120

It is requested that the Declaration of Need be approved at the April 18, 2023, meeting of the Board of Education declaring a need for fully qualified teachers and the continued use of emergency permits in the situations described herein.

Background:

Senate Bill 435 (Watson), enacted in January 1988 requires school districts that utilize emergency permits to seek the approval of the governing board annually at a public meeting. In November 1993, Senate Bill 148 (Bergeson) and the resulting Title 5 regulations established an additional requirement to this process. School districts are required to annually submit to the Commission on Teacher Credentialing (CTC) a Declaration of Need for Fully Qualified Educators that has been adopted by the local Board of Education. It is important to note that the emergency permits covered by this Declaration of Need are requested as add on authorizations for fully credentialed teachers. This Declaration does not support the hiring of non-credentialed teachers.

For approximately the past 18 years, a major emphasis has been placed on ensuring that all teachers are appropriately certified to teach English learners (ELs). The progress of this endeavor is exemplified by the drastic reduction in teachers with no EL authorization from over 7,000 in 2005 to approximately 24 K-12 teachers as of March 2023. There are currently 408 teachers with emergency Cross-cultural, Language and Academic Development (CLAD) certificates or emergency Bilingual Cross-cultural, Language and Academic Development (BCLAD) certificates. These teachers are enrolled in classes or taking the appropriate examinations to earn the full EL authorization. The District continues to dismiss teachers who do not take the necessary steps to obtain the EL authorization. Meanwhile, the District continues to support teachers who are

in the process of completing coursework or preparing for the exam. The Emergency CLAD and BCLAD permits are the means provided to temporarily certify teachers who are progressing toward full certification.

Additionally, a limited number of emergency permits are used to certify credentialed special education teachers as resource specialists, and credentialed general education teachers as teacher librarians, while they complete the necessary coursework toward additional certification. To date, we have 0 resource specialist permits and 45 teacher librarian emergency permits issued by LAUSD.

Limited Assignment Permits are requested by school site administrators to authorize credentialed teachers to teach subjects outside of their certification area. Examples of such practice can occur at schools where teachers with practical experience and expertise often teach electives that are related to the school's theme or in elementary and secondary dual language programs. In addition, these permits are also utilized to assist in meeting our special education teacher need. A teacher who is currently credentialed to teach students with Mild/Moderate eligibilities can, through the use of such a permit, earn a legally authorizing document to also serve students with Moderate/Severe eligibilities. The teacher shortage in high need general education academic areas has also resulted in the need to utilize these permits, as credentialed teachers pursue coursework or passage of exams to add subject areas to their existing credential(s). Such permits are closely monitored and are only issued at the request of the school principal and with the consent of the affected teacher. To date, 256 Limited Assignment Permits have been issued. The Limited Assignment Permit requires that the teacher pursue coursework or pass exams in the subject area of the permit in order to qualify for a renewal. The end result is that the teacher will pass the needed coursework and/or exams to add the authorization to their credential.

Expected Outcomes:

Certificated staff serving under one of the legal authorizations referenced in this Declaration of Need will be provided with guidance on how to earn the full authorization so that it can be added to their credential document. This will result in a stronger teaching force and a richer instructional program for our students.

Board Options and Consequences:

Education Code 44300(a)(3) sets forth the requirements for the Declaration of Need and requires the annual justification to be made in the form of a motion adopted by the governing board of the district at a regularly scheduled meeting of the governing board. The motion may not be part of the consent agenda and shall be entered in the minutes of the meeting.

If the Declaration of Need is not approved, we will not be able to legally authorize teachers in the various areas referenced. This will potentially result in increased misassignments and less instructional options for our students.

Policy Implications:

This action does not change District policy.

Budget Impact:

There is no impact on the District's budget.

Student Impact:

The goal of the Human Resources Division is to insure that there is an appropriately authorized teacher in every classroom. The Declaration of Needs affords the District the ability to legally authorize certificated staff in additional subject areas while they pass the coursework and/or exams necessary to add additional authorizations to their credential.
