Los Angeles/Orange Counties Building and Construction Trades Council (Unit E) 2020-2022 Memorandum of Understanding and 2022-2025 Memorandum of Understanding
June 13, 2023
Office of Labor Relations

Action Proposed:

- 1) Adoption of the 2020-2022 Memorandum of Understanding (Attachment A) with Los Angeles/ Orange Counties Building and Construction Trades Council (Unit E).
- 2) Adoption of the 2022-2025 Memorandum of Understanding (Attachment B) with Los Angeles/ Orange Counties Building and Construction Trades Council (Unit E).

Background:

The District and the Union presented proposals to the public at a regular meeting of the Board of Education. The public had an opportunity to be informed about these proposals and to express itself to the Board of Education. Since that time, representatives for the parties have met and negotiated as required by law. The parties reached tentative agreement on May 26, 2023.

The 2020-2022 agreement (Attachment A) provides for: a \$2,000 on time payment for 154 employees that were employed during that time period and are still active upon Board adoption in classifications (Attachment C) which did not receive an increase to their base salary in the 2019-2020 Reopener.

For 2020-2021, a \$2,500 Retention and Appreciation Bonus; for 2021-2022; a 5% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2021.

The 2022-2025 agreement (Attachment B) provides for: 2022-2023, a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2022 and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2023; for 2023-2024, a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2023 and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2024, and for 2024-2025, a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2024 and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2025.

The 2020-2022 and 2022-2025 on schedule wage increases impact approximately 86 Unit E classifications (Attachment D) and approximately 1,302 Full Time Equivalent (FTEs) Building Council represented positions, 1,334 of which are currently filled, 356 are vacant.

Copies of the Memorandum of Understanding are available for public review through the Office of Labor Relations.

Expected Outcomes:

- 1) Adoption of the 2020-2022 Memorandum of Understanding (Attachment A) with Los Angeles/ Orange Counties Building and Construction Trades Council (Unit E)
- 2) Adoption of the 2022-2025 Memorandum of Understanding (Attachment B) with Los Angeles/ Orange Counties Building and Construction Trades Council (Unit E).

Board Options and Consequences:

If the Board adopts the attached Tentative Agreements with the Building Council, which are joint recommendations of the bargaining parties, they will be implemented. If the Board does not adopt these agreements, they will not be implemented, and the parties would resume negotiations of the 2020-2022 and 2022-2025 Successor Agreements.

Additionally, the stipend for closing out the limited economic 2019-2020 Reopener impacts 37 Building Council classifications that did not receive increased on going wages in 2019-2020 (Attachment C), and approximately 154 Full-Time Equivalent (FTEs) Building Council represented positions.

The 2020-2022 and 2022-2025 Successor on schedule wage increases impact approximately 86 Unit E classifications (Attachment D) and approximately 1,302 Full Time Equivalent (FTEs) Building Council represented positions, 1,334 of which are currently filled, 356 are vacant.

Policy Implications:

This Memorandum of Understanding amends the provisions of the 2017-2020 Successor Agreements between the District and Building Council and therefore becomes policy upon adoption by the Board and ratification by Building Council membership. The leadership of the Union has signed the agreements. These agreements are pending AB 1200 certification and ratification by union membership.

Budget Impact:

The budget impact for this agreement and memo are detailed in the attached AB 1200 Reports.

Student Impact:

This Agreement will assist the District in attaining its goals for students by providing competitive compensation to attract and retain the highest quality employees.

Equity Impact:

Component	Score	Score Rationale
Recognition	1	Wages are applied to all classifications, without differentiation based on SENI index, student population or historical inequities.
Resource Prioritization	2	Wages for classifications incentivize employees to serve as leaders. Students need talented school and District leaders to improve outcomes.
Results	2	Higher wages will attract and retain talented staff with background, education and desire necessary to address opportunity and/or achievement gaps.

11.0 Limited Term Employees: The District shall not employ limited term employees (as defined in Personnel Commission Rule 500) in classifications in this Unit, when to do so would directly cause the layoff of regular employees in this Unit.

12.0 The District agrees to provide to new regular employees, at the time of their orientation, any written materials furnished by the Council which explain the role of the exclusive representative. The District Office of Labor Relations reserves the right to review and approve the materials submitted by the Council, but said approval shall not be unreasonably withheld.

Employees' daily hours of work and shifts shall be assigned as required to meet the operational needs of the District.

An employee's written request to their immediate administrator for up to seven (7) additional days of notice shall be granted.

1.3 Emergencies: Nothing herein shall be construed to limit the authority of the District to make temporary assignments of employees to different or additional locations, shifts, or work duties for the purpose of meeting emergencies. Emergencies shall be defined as Acts of God, flood, fire, power failure, other circumstances beyond the control of the District or an official emergency declared by the Board of Education. Emergency assignments shall not extend beyond the period of such emergency.

1.4 Nothing contained herein precludes the District from establishing a ten (10) hours per day, forty (40) hours per week, four (4) consecutive-day schedule, or a 9/80 schedule for classifications or for employees within certain classifications, or any other similar flexible workweek, provided, however, that certain benefits such as holidays and bereavement leave, shall be granted on a properly pro-rated basis so as not to advantage or disadvantage such employees in relation to others assigned the same number of hours per week. Such a schedule change, however, will not occur without the concurrence of the employees as ascertained through the Council.

1.5 Nothing contained herein shall be construed as a guarantee by the District of a certain number of paid hours per day or days per week.

2.0 Overtime: An employee shall be compensated at the rate of one and one-half (1 ½) times the regular rate of pay for the employee's classification for the following work authorized and performed:

b. Hours worked in excess of forty (40) in any workweek.

Article IX - Hours and Overtime

2.1 When an employee is authorized and required to work on any day recognized as a holiday under this Agreement, he/she shall be compensated, in addition to regular pay received for the holiday, at the rate of one and one-half (1 ½) times the regular rate of pay for actual hours worked.

2.2 There shall be a system established that will ensure that scheduled overtime is equitably distributed among qualified craft employees who are in the same classification and organizational work location and who volunteer to be on the call-back list. Upon request, employees shall have access to the scheduled overtime rotation list.

2.3 To the extent provided by applicable law, for the purpose of computing hours worked in a workweek, holiday, vacation, or paid leaves of absence shall be considered as time worked by the employee. Notwithstanding any other provision of this Agreement, in assigning overtime, the District retains the rights to assign overtime.

2.4 Compensation for Scheduled Overtime: Any employee required to perform work on a scheduled overtime basis on the employee's scheduled day off shall receive a minimum of four (4) hours pay at the overtime rate.

3.2 Except as provided in 3.3 below, non-flat-rated employees who work one-half or more of their assigned time between 5:00 p.m. and midnight shall receive a shift differential of one step on the salary schedule for their class. Article IX - Hours and Overtime

appropriate administrator at any time other than during the first or last hour of the assignment, but whenever practicable it shall be scheduled at approximately the half-way point of the work schedule. Employees who are interrupted during their meal period and who are required to perform duties will be considered on duty for the duration of the interruption and such time will count as time worked.

6.0 Rest Period: Employees shall be granted one paid rest period of twenty (20) minutes or two rest periods of ten (10) minutes. The rest period shall be scheduled by the appropriate administrator but not during the first or last hour of the assignment. The rest period shall not be used to lengthen the lunch period or shorten the workday.

ARTICLE XIX

REIMBURSEMENT FOR MILEAGE EXPENSES

1.0 Employees shall be reimbursed for mileage expenses in accordance with the District established procedures except as set forth below.

2.0 Mileage Rate: Employees who use their personal vehicle for District business shall be reimbursed the Internal Revenue Service established standard business rate for all miles driven in District service.

3.0 Daily Flat Rate: In recognition of the fact that many unit employees regularly use their own vehicle to haul District materials, tools, supplies and equipment, employees assigned to one of the classes below shall be eligible for "flat rate" mileage in addition to the per mile reimbursement specified in 2.0 above. Flat rate mileage shall be authorized for eligible field assigned employees for each day or part of a day of such use of their personal vehicle. Those eligible employees regularly assigned shall receive flat rate mileage each day their personal vehicle is driven in District service. The rates shall be \$9.00 ~~\$8.00~~ per day for a passenger car or station wagon, and \$12.00 ~~\$11.00~~ per day for a pick-up truck or van. In the event that Maintenance & Operations receives the anticipated 3% increase in the ~~2015-2016~~ 2023 year in the *Ongoing & Major Maintenance Account* (RMA: Education Code Section 17070.5), effective July 1, 2015, the amount for vehicles hauling in excess of 200 pounds shall increase to \$15.00 ~~\$14.00~~ per day for District authorized materials, tools, supplies and equipment. Disputes regarding the weight of materials, tools, supplies and equipment shall be subject to expedited arbitration.

b. Long-term Salary Differentials as designated in this Article shall be based on the special requirements of a particular position or the authorized use of special skills by a particular incumbent and for which payment shall be continued during paid absences of the employee.

c. Short-term Salary Differentials as designated in this Article shall be for the performance of a specific task that is not assigned to a particular position or incumbent on a continuing basis and for which payment shall not be continued during paid absences of the employee.

2.1 Shift Differentials shall be granted as described in Article IX, Section 3.0, Hours and Overtime, and shall be considered long-term differentials. An employee regularly assigned to a work shift for which a salary differential is paid shall not lose such compensation if temporarily assigned, for twenty (20) working days or less, to a work shift not entitled to such compensation.

2.2 Spray Painting Differential: Employees in the Painter class performing four (4) or more hours of spray painting work in one day shall be granted a short-term salary differential for which compensation shall be at that rate specified for Spray Painter in Appendix B of this Agreement. 2.4 Senior/Supervisory Differential in Job Cost Payroll Classes:

A salary differential shall be paid to employees assigned during a temporary absence of a senior or supervisor from a position on the Job Cost Payroll, subject to the following:

a. Assignments under this Section will be made at the district's discretion. However, if at the time the assignment is made, the assignment is anticipated to last more than twenty (20) consecutive working days, the assignment may be made at the District's discretion only upon District certification that (1) there is no appropriate senior or supervisor eligibility list or, (2) employees on the appropriate senior or supervisor eligibility list are not available.

b. The employee must perform the higher-level duties for at least five (5) working days in a pay period or at least five (5) consecutive working days.

c. The discretionary assignment of any one employee to perform the higher level duties shall not exceed ninety (90) consecutive working days in duration. Payment of the differential authorized under this Section shall be continued during paid absences of the employee, if any, whenever the assignment is for more than twenty (20) consecutive working days.

d. The amount of the salary differential shall be five percent (5%) for an employee assigned as a senior in a directly related higher class; fifteen (15%) percent for an employee regularly assigned in a qualified journey-level class who is assigned as a supervisor in a directly related class. For an employee regularly assigned in a senior class who is assigned as a supervisor or craft technical supervisor in a directly related class, the employee shall be paid the lesser of a nine and one-half (9½ %) percent differential OR the regular rate for the supervisor or craft technical supervisor classes to be expressed as a percentage above the employee's current salary rounded to the nearest tenth (1/10) of a percent. The "regular rate" shall be either the flat rate for the supervisory/craft technical supervisor class or the step which is next highest to the employee's rate in the senior class. 3.0 Salary Placement: Entry level placement on the salary schedule shall be the lowest step of the schedule authorized by the District for the classification or at the hourly rate established for the classification.

4.0 Step Advancement on the Salary Schedule:

a. A probationary or permanent regular employee, including a flat hourly rate employee who changes to a rate on the salary schedule, shall be advanced to the next highest step as of the pay period following completion of 130 days in paid status in regular assignment(s) in the class, and to higher steps in subsequent years as of the numbered pay period corresponding to the pay period of the last advancement providing the employee completed 130 days in paid status in the interim period.

b. A day in paid status for purposes of this section shall be defined as the employee's average number of assigned hours per day, including:

- 1) Limited term assignments in the same, equal or higher class.
- 2) In the event of demotion following promotion to a regular position time spent in a higher class.
- 3) Time spent on leave resulting from an industrial accident or illness leave.

5.0 Salary Placement Upon Promotion or Reclassification: Upon promotion or reclassification to a higher class, an employee shall advance to that step of the new salary schedule which is at least 2.75 percent above his/her rate of pay established for the higher class. Such employee shall then receive a step advancement, if applicable, effective as of the first day of the pay period after completion of 130 days in paid status in regular assignments in the higher class, exclusive of overtime. A new cycle for subsequent step advancement will thus be established.

5.1 Off-cycle Pay Warrant: A permanent regular employee who does not receive a scheduled pay warrant or receives an underpayment of at least thirty five (35%) of their normal net pay because of problems involving assignment, time reporting, or payroll processing, may request an Off-cycle Pay Warrant for hours reported and approved by the employee's work location. An employee who has received 65% or more of the core hours payment will not be entitled to an off-cycle payment. Core hours include regular, illness, vacation, miscellaneous time, bereavement, personal necessity, Kin care. It does not include overtime, Z time, differentials, longevity, and mileage. warrant made available for pick-up within five (5) work days following the request unless the employee requests that the warrant be mailed.

a. An Off-cycle Pay Warrant cannot be made for a pay warrant that has been issued but is subsequently unaccounted for (e.g., lost, delayed in route, stolen after receipt, etc.) or in cases where garnishments, tax liens or the like are being processed.

b. In the case of a salary warrant issued and mailed but later lost or stolen, a replacement warrant will be issued no later than seven (7) calendar days after the employee submits a Lost Warrant Affidavit form to the Payroll Services Branch.

c. The District will provide notification to an employee in the event of a garnishment or tax lien.

6.0 All employees shall receive semi-monthly payment of wages and salaries.

6.1 Salary Overpayments: Except as set forth in Article XIII, (Leaves) Section 12.0 (c), when a salary overpayment error has been discovered, the Payroll Administration Branch will notify the employee in writing of the amount and circumstances related to the overpayment and will recommend a suggested method for recovery of the overpayment.

a. For cases in which the amount and circumstances are such that it is probable that the employee was unaware of a salary overpayment, \$200 per pay period will be the normal limit on repayment deductions. However, in such cases the repayment may be accelerated upon termination of paid status or may be larger than \$200 per pay period if necessary to recover the full overpayment within a two-year period.

b. The employee and Buildings and Trades may request consideration of alternative methods for recovery of over-payments provided that the time frame for recovery does not exceed the period of time during which the over-payment occurred. If no request is made for an alternative method of recovery within ten (10) calendar days, the recovery shall commence effective with the next pay period using the method recommended by the District in its written notice to the employee.

c. Where the amount and circumstances are such that the employee knew or should have known that there was an overpayment, the recovery payment will be as much as the entire amount. In such cases, however, the District will notify the employee and work out a suitable recovery payment schedule which may be as much as the entire amount within one pay period.

Appendix A – Wages and Salaries

Recovery of temporary disability overpayments is handled separately from the above repayment provisions.

7.0 Longevity Increment: All unit members who have completed the required years of District Service, as define below, shall be eligible to receive a longevity increment.

7.1 The longevity increment shall become effective on the first day of the second Special School Month following completion of the qualifying number of years of service.

7.2 A "year of service" for the purpose of the longevity increment shall be defined as paid service in regular status for 130 days or more within the fiscal year, including time served in probationary or permanent certificated service; however, total assignment hours annually shall not exceed 2080 hours for years of service credit.

7.3 The longevity increment shall be part of the employee's basic wage for the purpose of computing overtime but shall not affect salary allocation upon promotion or reclassification to a higher class. Employees paid less than eight (8) hours per day shall receive a proportionate amount of the applicable increment.

7.4 The longevity increment schedule for years of qualifying District service shall be:

\$.15625 per hour after 10 years
\$.18750 per hour after 15 years
\$.21875 per hour after 20 years
\$.28125 per hour after 25 years
\$.31250 per hour after 30 years
\$.34375 per hour after 35 years

There shall be an additional \$5.00 per pay period increment for each additional five (5) years of qualifying District service.

8.0 Commuting Incentive:

a. District-approved rideshare participants shall be guaranteed a ride home by the District should a family emergency develop or the District require that they work beyond their normal shift.

b. District-approved rideshare participants who are required to use a vehicle in the performance of their job shall receive priority for use of a Board vehicle.

9.0 Effective July 1, 2019, any bargaining unit member in Maintenance and Operations who works a 10:00 am-6:30 pm shift shall be entitled to a 2.75% differential.
