Authorization of a Resolution of the Board of Education Approving the Sale and Issuance of Not-to-Exceed \$850 million of General Obligation Bonds (the “General Obligation Bonds” or “GO Bonds”) and the Forms of the Documents Necessary for the Issuance of the GO Bonds

June 13, 2023

Office of the Chief Business Officer

Action Proposed:

1. Approve the Resolution (Attachment A) in connection with the issuance of the General Obligation Bonds (the “General Obligation Bonds Resolution”) which will:
 - a. Authorize the issuance of not to exceed \$850 million of aggregate General Obligation Bonds under the Measure Q or Measure RR or a combination thereof;
 - b. Approve the forms of documents necessary for the issuance of the General Obligation Bonds, including a Bond Purchase Agreement, a Continuing Disclosure Certificate and an Official Statement (Attachments B - D);
 - c. Authorize the sale of the GO Bonds by the negotiated method of sale in light of current market conditions, the District’s declining enrollment and budget uncertainty, the debt structuring flexibility afforded by this method and the ability to include a retail order period and meaningful roles for underwriting firms of various sizes; and
 - d. Approve and direct certain actions to be taken in connection with the issuance of the General Obligation Bonds.

Background:

This Board Report seeks Board approval of the General Obligation Bonds Resolution, which is a resolution that authorizes the issuance of up to \$850 million of GO Bonds under Measure Q or Measure RR or a combination thereof to finance projects authorized under the respective measure and the form of documents necessary to issue the GO Bonds. The General Obligation Bonds Resolution authorizes the Chief Business Officer, Deputy Chief Business Officer and Controller to effect the issuance of the GO Bonds and carry out all necessary acts related to the transaction or transactions. In addition, consistent with the District’s practice for prior GO Bonds, the General Obligation Bonds Resolution provides for a request to the Board of Supervisors of the County to adopt a corresponding resolution providing for the issuance of the GO Bonds pursuant to the Education Code. The GO Bonds are currently expected to be sold in Fall 2023.

Based on the District’s Debt Management Policy, as determined by the Office of the Chief Business Officer, the General Obligation Bonds Resolution also authorizes the sale of the GO Bonds through the negotiated method of sale in light of current market conditions, the District’s declining enrollment and budget uncertainty, the debt structuring flexibility provided, and the ability to include a retail order period and provide meaningful roles for underwriting firms of various sizes. Finance, in accordance with the procedures established in the Debt Management Policy, has completed the process of selecting certain members of the financing team from the respective legal counsel and municipal advisor benches. The financing team for the upcoming transaction will include Hawkins Delafield & Wood LLP, as Bond Counsel and Tax Counsel; Orrick, Herrington & Sutcliffe LLP, as Disclosure Counsel; and Public Resources Advisory Group, as Municipal Advisor. In addition, U.S.

File #: Rep-294-22/23, Version: 1

Bank Trust Company, National Association will serve as Paying Agent. The Chief Business Officer shall designate the underwriters and their roles as senior manager(s), co-senior manager(s) and co-managers, in accordance with the Debt Management Policy.

In compliance with Government Code Section 5852.1 and Education Code Section 15146, the Board of Education has obtained from Public Resources Advisory Group, as the District's Municipal Advisor, the required costs of issuance estimates, and such estimates are disclosed in Exhibit A of the General Obligation Bonds Resolution. The costs of issuance for this sale will include a reimbursement to the District's General Fund for the remaining portion of the costs related to the District's Measure RR election that was not reimbursed in the COI associated with the November 2022 GO bond sale. The remaining portion of the election costs is \$1,225,420 of the \$8,657,691.98 total costs.

The GO Bonds are general obligation bonds of the District secured by and payable from *ad valorem** property taxes to be levied within the jurisdiction of the District pursuant to the California Constitution and State law and as authorized by voters within the District pursuant to Measure Q and Measure RR.

Expected Outcomes:

Approval of the issuance of the General Obligation Bonds will enable the District to enter the market to finance approved capital projects.

Board Options and Consequences:

Should the Board not approve this item, staff will not be authorized to proceed with the issuance of GO Bonds to finance approved capital projects.

Policy Implications:

This action is in compliance with the relevant criteria set forth in Article 1 and Sections 3.02 and 4.12 of the Debt Management Policy.

Budget Impact:

There will be no impact on the District's General Fund. The identified projects will be funded with bond proceeds, and debt service will be repaid by *ad valorem* property tax revenues, not the District's general fund revenues.

Student Impact:

The issuance of the General Obligation Bonds will improve the District's capital facilities and information technology resources for the benefit of the students.

**Ad valorem* refers to taxes levied on the assessed value of property by local government units including counties, municipalities, and school districts.

File #: Rep-294-22/23, Version: 1

Equity Impact:

Component	Score	Score Rationale
Recognition	4	The proceeds from the GO Bond transaction will be used to fund identified capital projects within the District, which include areas that have had historical inequities.
Resource Prioritization	4	GO Bond proceeds will be allocated to fund identified capital projects that specifically address student needs.
Results	4	Since proceeds from the GO Bond issuance will be used for capital projects designed to modernize and elevate student experience within communities that have experienced historical inequities, it should result in closing opportunity and achievement gaps.
TOTAL	12	

Issues and Analysis:

Based on current market conditions, the District expects to sell the General Obligation Bonds in Fall 2023 to finance the identified projects.

RESOLUTION OF THE BOARD OF EDUCATION OF THE LOS ANGELES UNIFIED SCHOOL DISTRICT PRESCRIBING THE TERMS OF SALE OF NOT TO EXCEED \$850,000,000 AGGREGATE PRINCIPAL AMOUNT OF BONDS OF LOS ANGELES UNIFIED SCHOOL DISTRICT UNDER THE DISTRICT'S MEASURE Q AND/OR MEASURE RR BOND AUTHORIZATIONS, OR ANY COMBINATION THEREOF IN ONE OR MORE SERIES OR SUBSERIES AND IN THE FORM OF TAX-EXEMPT OR FEDERALLY TAXABLE BONDS, REQUESTING THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES TO ISSUE AND SELL THE BONDS BY A NEGOTIATED SALE PURSUANT TO ONE OR MORE BOND PURCHASE AGREEMENTS DURING FISCAL YEAR 2023-24, APPROVING THE FORM OF AND AUTHORIZING THE EXECUTION AND DELIVERY OF ONE OR MORE BOND PURCHASE AGREEMENTS AND CONTINUING DISCLOSURE CERTIFICATES, APPROVING THE FORM AND AUTHORIZING THE DISTRIBUTION, OF AN OFFICIAL STATEMENT FOR THE BONDS, AND AUTHORIZING THE EXECUTION OF NECESSARY DOCUMENTS AND CERTIFICATES AND RELATED ACTIONS IN CONNECTION THEREWITH

WHEREAS, an election was duly called and regularly held in the Los Angeles Unified School District, County of Los Angeles, California (the "District") on November 4, 2008, pursuant to Section 1(b)(3) of Article XIII A of the State of California (the "State") Constitution and Chapter 1.5 of Title 1, Division 1, Part 10 of the California Education Code (the "Education Code") of the State (the "Act"), and thereafter canvassed pursuant to law ("Measure Q"); and

WHEREAS, at such election there was submitted to and approved by the requisite approval of at least 55% of the qualified electors of the District voting on the measure in the election a question as to the issuance and sale of general obligation bonds of the District for various purposes set forth in the ballot submitted to the voters, in the maximum amount of \$7.00 billion, payable from the levy of an *ad valorem* tax against taxable property in the District (the "Measure Q Authorization") and the District has previously issued \$3,750,955,000 of such general obligation bonds under the Measure Q Authorization; and

WHEREAS, an election was duly called and regularly held in the District on November 3, 2020, pursuant to Section 1(b)(3) of Article XIII A of the State Constitution and the Act, and thereafter canvassed pursuant to law ("Measure RR," and together with Measure Q, the "Measures"); and

WHEREAS, at such election there was submitted to and approved by the requisite approval of at least 55% of the qualified electors of the District voting on the measure in the election a question as to the issuance and sale of general obligation bonds of the District for various purposes set forth in the ballot submitted to the voters, in the maximum amount of \$7.00 billion, payable from the levy of an *ad valorem* tax against taxable property in the District (the "Measure RR Authorization") and the District has previously issued \$700,000,000 of such general obligation bonds under the Measure RR Authorization; and

WHEREAS, this Board of Education of the District (the "Board of Education") deems it necessary and desirable that the Board of Supervisors (the "Board of Supervisors") for the County of Los Angeles (the "County") authorize and consummate the sale of bonds in one or more series

or subseries, by individual Measure or combined series or subseries of multiple Measures pursuant to Section 15231 of the Education Code, and in the form of tax-exempt or federally taxable bonds, or any combination thereof, in an aggregate principal amount not exceeding \$850,000,000 (bonds issued as a separate series or subseries individually under the Measure Q Authorization and/or in combination with bonds authorized under the Measure RR Authorization, the “Measure Q Bonds” and bonds issued as a separate series or subseries individually under the Measure RR Authorization and/or in combination with bonds authorized under the Measure Q Authorization, the “Measure RR Bonds” and, together with the Measure Q Bonds, the “Bonds”); and

WHEREAS, this Board of Education deems it necessary and desirable that the Measure Q Bonds and/or the Measure RR Bonds be issued for the purpose of financing projects authorized to be financed under the Measure Q Authorization and the Measure RR Authorization, respectively; and

WHEREAS, this Board of Education deems it necessary and desirable to authorize the sale of the Bonds by a negotiated sale pursuant to one or more Bond Purchase Agreements (each such Bond Purchase Agreement, in the form presented to this meeting, with such changes, insertions and omissions as are made pursuant to this Resolution; and

WHEREAS, Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 (as amended, “Rule 15c2-12”) requires that, in order to be able to purchase or sell the Bonds, the underwriter thereof must have reasonably determined that the District has undertaken in a written agreement or contract for the benefit of the holders of the Bonds; and

WHEREAS, in order to cause such requirement to be satisfied, the District desires to execute and deliver one or more Continuing Disclosure Certificates (each such Continuing Disclosure Certificate, in the form presented to this meeting, with such changes, insertions and omissions as are made pursuant to this Resolution, being referred to herein as a “Continuing Disclosure Certificate”); and

WHEREAS, a form of the Preliminary Official Statement to be distributed in connection with a public offering of the initial series of Bonds has been prepared (such Preliminary Official Statement, in the form presented to this meeting, with such changes, insertions and omissions as are made pursuant to this Resolution, being referred to herein as the “Preliminary Official Statement”); and

WHEREAS, Section 5852.1 of the California Government Code (the “Government Code”) requires that the Board of Education obtain from an underwriter or financial advisor and disclose, prior to authorization of the issuance of bonds with a term of greater than 13 months, good faith estimates of the following information in a meeting open to the public: (a) the true interest cost of the bonds, (b) the sum of all fees and charges paid to third parties with respect to the bonds, (c) the amount of proceeds of the bonds expected to be received net of the fees and charges paid to third parties and any reserves or capitalized interest paid or funded with proceeds of the bonds, and (d) the sum total of all debt service payments on the bonds calculated to the final maturity of the bonds plus the fees and charges paid to third parties not paid with the proceeds of the bonds; and

WHEREAS, Section 15146(b)(1)(D) of the Education Code requires that the Board of Education include in this Resolution an estimate of the costs associated with the issuance of the Bonds and Section 15146(d) of the Education Code requires that after the sale of the Bonds present the actual cost information for the sale at its next scheduled public meeting; and

WHEREAS, in compliance with Section 5852.1 of the Government Code and Section 15146(b)(1)(D) of the Education Code, the Board of Education has obtained from Public Resources Advisory Group, as the District's municipal advisor (the "Municipal Advisor"), the information set forth in Exhibit A attached hereto; and

WHEREAS, there have been prepared and submitted to this meeting the forms of:

- (a) the Bond Purchase Agreement;
- (b) the Continuing Disclosure Certificate; and
- (c) the Preliminary Official Statement; and

WHEREAS, the District desires that the County levy and collect a tax on all taxable property within the District sufficient to provide for payment of the Bonds, and intends by the adoption of this Resolution to notify the Board of Supervisors of the County, the Auditor-Controller of the County, the Treasurer and Tax Collector of the County and other officials of the County that they should take such actions as shall be necessary to provide for the levy and collection of such a tax and payment of principal of and interest on the Bonds, all pursuant to Sections 15250 and 15251 of the Education Code; and

WHEREAS, all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed precedent to and in connection with the consummation of the actions authorized hereby do exist, have happened and have been performed in regular and due time, form and manner as required by law, and the District is now duly authorized and empowered, pursuant to each and every requirement of law, to consummate such actions for the purpose, in the manner and upon the terms herein provided;

NOW, THEREFORE, THE BOARD OF EDUCATION OF LOS ANGELES UNIFIED SCHOOL DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER, AS FOLLOWS:

Section 1. Recitals. All of the above recitals are true and correct.

Section 2. Definitions. For the purposes of this Resolution, unless the context otherwise requires, the terms defined in this Section shall, for all purposes of this Resolution, have the meanings specified herein. Unless the context otherwise indicates, words importing the singular number shall include the plural number and vice versa.

"Authorized Officer" shall mean any of the Chief Business Officer, the Deputy Chief Business Officer and the Controller.

"Board of Education" shall mean the Board of Education of the District.

“Board of Supervisors” shall mean the Board of Supervisors of the County.

“Bond Purchase Agreement” shall mean the applicable Bond Purchase Agreement relating to the sale of a series or subseries of the Bonds by and among the County, the District and the underwriters in accordance with the provisions hereof.

“Book-Entry Bonds” shall mean the Bonds of any series registered in the name of the nominee of DTC, or any successor securities depository for the Bonds, as the registered owner thereof.

“Chief Business Officer” shall mean the Chief Business Officer of the District or any designee of the Chief Business Officer of the District.

“Code” shall mean the Internal Revenue Code of 1986.

“Continuing Disclosure Certificate” shall mean the applicable Continuing Disclosure Certificate executed and delivered by the District relating to any series or subseries of the Bonds.

“Controller” shall mean the Controller of the District or any designee of the Controller of the District.

“County” shall mean the County of Los Angeles.

“County Auditor-Controller” shall mean the Auditor-Controller of the County or any authorized deputy thereof.

“County Resolution” shall mean the resolution of the Board of Supervisors authorizing the issuance of the Bonds approved in this Resolution.

“County Treasurer” shall mean the Treasurer and Tax Collector of the County or any authorized deputy thereof.

“Deputy Chief Business Officer” shall mean the Deputy Chief Business Officer of the District or any designee of the Deputy Chief Business Officer of the District.

“District” shall mean the Los Angeles Unified School District.

“DTC” shall mean The Depository Trust Company, New York, New York, and its successors and assigns.

“Interest Payment Date” shall mean each January 1 and July 1 of each year until the final maturity of the Bonds and the final maturity date of the Bonds or such dates as shall be set forth in the related Bond Purchase Agreement.

“Interest and Sinking Fund” shall mean each interest and sinking fund of the District, designated to correspond to the applicable general obligation bonds or general obligation refunding bonds of the District and related voter-approved bond measure of the District established for such bonds and used only for payment of principal of and interest on such bonds.

“Investment Agreements” shall mean, collectively, investment agreements, guaranteed investment contracts, float contracts or other investment products subject to the requirements set forth in Section 12 hereof.

“Letter of Representations” shall mean the blanket letter of representations from the District to DTC with respect to the Bonds, as such blanket letter of representations may be amended, supplemented or otherwise modified and in effect from time to time.

“Opinion of Tax Counsel” shall mean an opinion of counsel of nationally recognized standing in the field of law relating to municipal bonds qualified to conclude whether an action or proposed action or the failure to act or the proposed failure to act for which the opinion is required will affect the exclusion of interest on the Tax-Exempt Bonds from gross income for federal income tax purposes.

“Owner” shall mean with respect to any Bond, the Person in whose name such Bond is registered on the Registration Books.

“Paying Agent” shall mean the County Treasurer or any bank, trust company, national banking association or other financial institution appointed as authenticating agent, bond registrar, transfer agent and paying agent for the Bonds in the manner provided in the County Resolution.

“Person” shall mean an individual, corporation, limited liability company, firm, association, partnership, trust, or other legal entity or group of entities, including a governmental entity or any agency or political subdivision thereof.

“Registration Books” shall mean the records maintained by the Paying Agent for the registration of ownership and registration of transfer of the Bonds, as defined in the County Resolution.

“Record Date” shall mean, with respect to any Interest Payment Date for Bonds, the close of business on the 15th day of the month preceding an Interest Payment Date for such Bonds or such other date or dates as shall be set forth in the related Bond Purchase Agreement.

“Resolution” shall mean this resolution of the Board of Education of the District adopted on June 13, 2023.

“Rule 15c2-12” shall mean Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended.

“State” shall mean the State of California.

“Tax Certificate” shall mean the applicable Tax Certificate with respect to the Bonds issued as Tax-Exempt Bonds, executed by the District, dated the date of issuance of such Bonds.

“Tax-Exempt Bonds” shall mean the series or subseries of the Measure Q Bonds and the Measure RR Bonds or any combination thereof bearing interest that is excluded from the gross income of the holders thereof for federal income tax purposes, whether or not such interest is includable as an item of tax preference or otherwise includable directly or indirectly for purposes

of calculating other tax liabilities, including any alternative minimum tax or environmental tax under the Code.

“Taxable Bonds” shall mean the series or subseries of the Measure Q Bonds and the Measure RR Bonds or any combination thereof bearing interest that is included in gross income for federal income tax purposes under Section 103 of the Code.

Section 3. Request for Sale of Bonds; Purpose of Bonds. (a) *Request for Sale.* The Board of Supervisors, pursuant to Education Code Section 15140 *et seq.*, is hereby requested to sell by negotiated sale Bonds under the Measures, in one or more series or subseries, by individual Measure or combined series or subseries of multiple Measures pursuant to Section 15231 of the Education Code, or any combination thereof, in an aggregate principal amount not exceeding \$850,000,000, and to designate each series or subseries of the Bonds as the “Los Angeles Unified School District (County of Los Angeles, California) General Obligation Bonds,” with appropriate election, series, subseries and other designations, all as may be set forth in the related Bond Purchase Agreement.

Pursuant to this Resolution, the Board of Supervisors of the County is requested to adopt a resolution providing for the issuance of the bonds and the terms of the sale of the Bonds in accordance with the particular terms and manner set forth herein and, with respect to such necessary or desirable terms as are not specified herein, as the Board of Supervisors shall otherwise see fit to determine. With respect to such necessary or desirable terms as are not finally determined by the County Resolution, the Board of Supervisors is hereby requested to provide for such terms to be finally determined and set forth in each Bond Purchase Agreement.

(b) *Purpose of Bonds.* The proceeds of the Measure Q Bonds and the Measure RR Bonds, exclusive of any premium and accrued interest received, shall be applied to finance projects authorized to be financed under the Measure Q Authorization and the Measure RR Authorization, respectively, and to pay all necessary legal, financial, engineering and contingent costs in connection therewith.

Section 4. Terms of Bonds. (a) *Date of Bonds.* The Bonds shall be issued as set forth in the County Resolution. Each Bond of a series or subseries shall be dated its date of delivery, or such other date as shall be set forth in the Bond Purchase Agreement relating to such series or subseries of Bonds.

(b) *Denominations.* The Bonds shall be issued in denominations of \$5,000 principal amount or any integral multiple thereof or such other denominations as shall be designated in the related Bond Purchase Agreement.

(c) *Maturity.* Each series or subseries of Bonds shall mature on the dates, in each of the years, in the principal amounts and in the aggregate principal amount as shall be set forth in the related Bond Purchase Agreement. No Bond shall mature later than the date which is 25 years from the date of such Bond, to be determined as provided in subsection (a) of this Section.

(d) *Interest.* The Bonds shall bear interest at an interest rate or rates not to exceed 8.00% per annum, payable on the Interest Payment Dates in each year computed on the basis of a 360-day year of 12 30-day months (or on such other basis as shall be set forth in the related Bond

Purchase Agreement). Each Bond shall bear interest from the Interest Payment Date for such Bond next preceding the date of authentication thereof, unless it is authenticated as of a date during the period from the Record Date next preceding an Interest Payment Date for such Bond to such Interest Payment Date, inclusive, in which event it shall bear interest from such Interest Payment Date, or unless it is authenticated on or before the Record Date preceding the first Interest Payment Date for such Bond, in which event it shall bear interest from its dated date; provided, however, that if, at the time of authentication of any Bond, interest is in default on any outstanding Bonds of such series or subseries, such Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment on the outstanding Bonds of such series or subseries. If provided in the related Bond Purchase Agreement, Bonds may have different interest rates for separately defined periods of the term thereof as set forth in such Bond Purchase Agreement.

(e) *Tax-Exempt or Taxable Bonds.* The Bonds may be issued as Tax-Exempt Bonds or Taxable Bonds. The Board of Education hereby finds and determines that, pursuant to Section 5903 of the California Government Code, the interest payable on any portion of the Bonds issued as Taxable Bonds will be subject to federal income taxation under the Code in existence on the date of issuance of such Bonds.

Section 5. Payment of Bonds. (a) *Request for Tax Levy.* The money for the payment of principal, redemption premium, if any, and interest on the Bonds shall be raised by taxation upon all taxable property in the District and provision shall be made for the levy and collection of such taxes in the manner provided by law and for such payment out of the related Interest and Sinking Fund of the District. The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of property taxes in each year sufficient to pay all principal and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds. The District hereby requests the Board of Supervisors to annually levy a tax upon all taxable property in the District sufficient to redeem the Bonds of each Measure, and to pay the principal, redemption premium, if any, and interest thereon as and when the same become due.

(b) *Interest and Sinking Fund.* Principal, redemption premium, if any, and interest due on Bonds of a Measure shall be paid from the Interest and Sinking Fund of the District established for such Bonds and Measure as provided in Section 15146 of the Education Code. The tax levied for each Measure is levied specifically for the purpose of paying Bonds of such Measure issued to finance the projects specified in such Measure and for no other purpose.

(c) *Obligation of the District.* No part of any fund or account of the County is pledged or obligated to the payment of the Bonds. The obligation for repayment of the Bonds is the sole obligation of the District.

(d) *Pledge of Taxes.* The District hereby pledges, and grants a lien on and security interest in, all revenues from the property taxes collected from the levy by the Board of Supervisors with respect to each voter-approved bond measure of the District for payment of bonds issued under such measure of the District and all amounts on deposit in any Interest and Sinking Fund of the District for the payment of the principal or redemption price of and interest on such bonds. This pledge and grant shall be valid and binding from the date hereof for the benefit of the owners of such bonds and successors thereto. The property taxes and amounts held in each Interest and

Sinking Fund of the District shall be immediately subject to this pledge and grant, and this pledge and grant shall constitute a lien and security interest which shall immediately attach to the property taxes and amounts held in such Interest and Sinking Fund of the District to secure the payment of such bonds and shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge or grant, and without the need of any physical delivery, recordation, filing, or further act. This pledge and grant is an agreement between the District and the owners of each series of Bonds and of each issue of outstanding general obligation bonds and general obligation refunding bonds to provide security for each series of Bonds and all such other general obligation bonds and general obligation refunding bonds of the District in addition to any statutory lien that may exist, and each such issue of general obligation bonds and general obligation refunding bonds of the District are or were issued to finance or refinance, as applicable, one or more of the projects specified in the applicable voter-approved measure and not to finance the general purposes of the District. For the avoidance of doubt, in accordance with Section 15251 of the Education Code, such bonds are also automatically secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the applicable Measure.

(e) *Insurance.* The payment of principal of and interest on all or a portion of any series of Bonds may be secured by a municipal bond insurance policy as shall be described in the related Bond Purchase Agreement. The related Bond Purchase may provide that no municipal bond insurance policy shall be obtained. The Authorized Officers are each hereby authorized to apply for, or cause to be applied for, municipal bond insurance for each series of Bonds and to execute and deliver a contract or contracts in order to obtain such insurance if doing so puts such series of Bonds (or portion thereof) and the marketing thereof on an economically advantageous basis, and is deemed to be in the best interests of the District, such determination to be conclusively evidenced by such Authorized Officer's execution and delivery of such contract.

(f) *Designation of Paying Agent.* The County Treasurer is designated to act as the initial Paying Agent. The County Treasurer is authorized to enter into a contract with a bank or trust company doing business in and having a corporate trust office in Los Angeles, California, with at least \$100,000,000 in net assets, to perform the services of the Paying Agent. If at any time the County Treasurer shall resign or be removed as the Paying Agent, the Authorized Officers are authorized with the prior consent of the County Treasurer to appoint any successor Paying Agent. If no successor Paying Agent is appointed by an Authorized Officer in a timely manner, the County Treasurer shall appoint a successor Paying Agent without further action by any Authorized Officer. The successor Paying Agent shall be a bank or trust company doing business in and having a corporate trust office in the County, with at least \$100,000,000 in net assets.

Section 6. Redemption. (a) *Optional Redemption.* The Bonds of each series or subseries may be subject to redemption, at the option of the District, on the dates and terms as shall be designated in the related Bond Purchase Agreement. The related Bond Purchase Agreement provide that the Bonds of a series or subseries shall not be subject to optional redemption.

(b) *Selection.* If less than all of the Bonds of a series or subseries, if any, are subject to such redemption and are called for redemption, such Bonds shall be redeemed as directed by the District (or as otherwise set forth in the related Bond Purchase Agreement), and if less than all of the Bonds of any given maturity of a series or subseries are called for redemption, the portions of

such Bonds of a given maturity to be redeemed shall be determined by lot in any manner deemed fair by the Paying Agent (or as otherwise set forth in the related Bond Purchase Agreement).

(c) *Mandatory Sinking Fund Redemption.* The Bonds of a series or subseries, if any, which are designated in the related Bond Purchase Agreement as term bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot or as otherwise directed by the District (or as otherwise set forth in the related Bond Purchase Agreement), from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in such Bond Purchase Agreement. Unless otherwise provided in the related Bond Purchase Agreement, the principal amount of each mandatory sinking fund payment of any maturity of a series or subseries shall be reduced proportionately or as otherwise directed by the District by the amount of any Bonds of that maturity and series or subseries redeemed in accordance with subsection (a) of this Section prior to the mandatory sinking fund payment date (or as otherwise set forth in the related Bond Purchase Agreement). The related Bond Purchase Agreement may provide that the Bonds of a series or subseries shall not be subject to mandatory sinking fund redemption. The Board of Supervisors is hereby requested to authorize the County Auditor-Controller to create such sinking funds or accounts for the term Bonds as shall be necessary to accomplish the purposes of this Section.

Section 7. Sale of the Bonds. (a) *Method of Sale.* This Board of Education deems it necessary and desirable considering among other factors, current volatile market conditions, debt structuring flexibility, the District's declining enrollment and budget uncertainty, the ability to include a retail order period to garner additional investor interest, and the ability to provide meaningful roles for underwriting firms of various sizes, and requests the County to authorize and provide for the sale of each series or subseries of Bonds by negotiated sale pursuant to one or more Bond Purchase Agreements to be entered into with the underwriters selected as herein provided; provided, however, that, in each case, (1) the interest rate on any Bond shall not be in excess of 8.00% per annum, (2) the true interest cost for each applicable series of Bonds shall not be in excess of 6.50%, (3) the ratio of total debt service to principal of the each series of Bonds shall not exceed four to one, (4) the underwriters' compensation shall not exceed 1.00% of the principal amount of the corresponding Bonds, and (5) the Bonds shall otherwise conform to the limitations specified herein. The Chief Business Officer shall designate which underwriters shall act as senior manager(s), co-senior manager(s) and co-manager(s) in accordance with the Debt Management Policy.

(b) *Good Faith and Costs of Issuance Estimates.* In accordance with Section 5852.1 of the Government Code and subsection (b)(1)(D) of Section 15146 of the Education Code, estimates of the costs of issuance and good faith estimates of the following have been obtained from the Municipal Advisor and are set forth on Exhibit A attached hereto: (1) the true interest cost of the Bonds, (2) the sum of all fees and charges paid to third parties with respect to the Bonds, (3) the amount of proceeds of the Bonds expected to be received net of the fees and charges paid to third parties and any reserves or capitalized interest paid or funded with proceeds of the Bonds, and (4) the sum total of all debt service payments on the Bonds calculated to the final maturity of the Bonds plus the fees and charges paid to third parties not paid with the proceeds of the Bonds. In accordance with Section 15146(d) of the Education Code, the actual costs associated with each issuance of a series of Bonds shall be presented to this Board of Education at its next scheduled public meeting following the sale of a series of Bonds.

(c) *Cost of Issuance.* In accordance with subsection (h) of Section 15146 of the Education Code, the Authorized Officers are each hereby authorized to cause to be deposited in a costs of issuance account, which may be held by a bank, national banking association or trust company meeting the qualifications necessary to be a paying agent set forth in Section 5 hereof, as cost of issuance administrator, proceeds of sale of the Bonds (exclusive of any premium or accrued interest received) in an amount not exceeding 2.00% of the principal amount of the Bonds sold, as shall be set forth in the related Bond Purchase Agreement for the purposes of paying the costs associated with the issuance of the Bonds.

Section 8. Bond Purchase Agreement. The form of Bond Purchase Agreement, submitted to and on file with the Executive Officer of this Board of Education, is hereby approved. The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, for and in the name of the District, to execute and deliver one or more Bond Purchase Agreements in the form presented to this meeting, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the applicable Bond Purchase Agreement by such Authorized Officer; provided that the terms of the applicable series or subseries of Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution. The Board of Supervisors of the County is hereby requested to cause each Bond Purchase Agreement to be executed and delivered by the County, as is determined by the District and the County Treasurer to be in the best interest of the District, subject to such changes, insertions and omissions as may be acceptable to the District and to the Board of Supervisors or the County officer to whom execution of the Bond Purchase Agreement is delegated.

Section 9. Continuing Disclosure Certificate. The form of Continuing Disclosure Certificate submitted to and on file with the Executive Officer of this Board of Education is hereby approved. Any Authorized Officer is hereby authorized on behalf of the District to execute one or more Continuing Disclosure Certificates with respect to the Bonds in substantially the form on file with the Board of Education, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the applicable Continuing Disclosure Certificate by such Authorized Officer. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of each Continuing Disclosure Certificate.

Section 10. Authorization of Preliminary Official Statement and Official Statements.
 (a) *Preliminary Official Statement.* The form of the Preliminary Official Statement relating to the initial issue of Bonds to be publicly offered submitted to and on file with the Executive Officer of this Board of Education, with such changes as any Authorized Officer acting singly may approve, is hereby approved, and the use of such Preliminary Official Statement in connection with the offering and sale of such Bonds is hereby authorized and approved. The Authorized Officers are each hereby authorized to certify on behalf of the District that such Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12). If it is necessary to make substantial changes to the Preliminary Official Statement hereby approved, this Board of Education shall review a revised draft of such Preliminary Official Statement with accompanying directions and instructions to members of this Board of Education to review such revised

Preliminary Official Statement. For subsequent Series of Bonds publicly offered, the preparation of a Preliminary Official Statement with respect to each such subsequent Series of Bonds, similar in form and content to the Preliminary Official Statement relating to the first Series of Bonds with such changes as shall be deemed necessary, is hereby authorized and approved, and the certification of its finality within the meaning of Rule 15c2-12 by an Authorized Officer and its use in connection with the offering and sale of each such subsequent Series of Bonds, are also hereby authorized, following the distribution to this Board of Education of a substantially complete draft of a Preliminary Official Statement relating to such Series of Bonds with accompanying directions and instructions to members of this Board of Education to review such Preliminary Official Statement.

(b) *Official Statement.* The preparation and delivery of an Official Statement with respect to the Bonds publicly offered (the “Official Statement”), and its use by the underwriters in connection with the offering and sale of such Bonds, is hereby authorized and approved. Such Official Statement shall be in substantially the form of the Preliminary Official Statement distributed in connection with the public offering of such Bonds with such changes, insertions and omissions as may be approved by an Authorized Officer, such approval to be conclusively evidenced by the execution and delivery thereof. The Authorized Officers are each hereby authorized and directed, for and in the name of and on behalf of the District, to execute each final Official Statement, and any amendment or supplement thereto, for and in the name of the District

Section 11. Deposit and Investment of Proceeds. (a) *Deposit of Proceeds.* Except as permitted by Section 7 hereof, the proceeds of sale of the Bonds, exclusive of any premium and accrued interest received, shall be deposited in the County treasury and credited to the building fund of the District (the “Building Fund”). The District shall have sole responsibility that such proceeds be used for the purposes of the applicable Measure for which the Bonds are being issued. Any premium and accrued interest received shall be deposited in the related Interest and Sinking Fund within the County treasury.

(b) *Investment of Proceeds.* All funds held by the County Treasurer hereunder on behalf of the District shall be invested by the County Treasurer or its agent in the County Investment Pool, any investment authorized pursuant to Sections 53601 and 53635 of the California Government Code, or in any Investment Agreement; provided that such agreements comply with the requirements of Section 148 of the Code, to the extent applicable to the related series or subseries of Bonds, and with the requirements of each rating agency then rating the Bonds necessary in order to maintain the then-current rating on the Bonds.

Subject to a determination by the Chief Business Officer, any Authorized Officer may request the County Treasurer to invest funds held in an Interest and Sinking Fund of the District and in the Building Fund of the District in specific Investment Agreements. Pursuant to Section 5922 of the California Government Code, this Board of Education hereby finds and determines that the Investment Agreements will reduce the amount and duration of interest rate risk with respect to amounts invested pursuant to the Investment Agreements and are designed to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the Bonds or enhance the relationship between risk and return with respect to investments of proceeds of the Bonds and funds held to pay the Bonds.

(c) *Excess Proceeds.* Any excess proceeds of Bonds on deposit in the Building Fund not needed for the authorized purposes set forth herein for which such Bonds are being issued shall be transferred to the applicable Interest and Sinking Fund and applied to the payment of principal of, premium, if any, and interest on the related Bonds.

Section 12. Tax Covenants. (a) *General.* The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on any Tax-Exempt Bonds under Section 103 of the Code. Without limiting the generality of the foregoing, the District hereby covenants that it will comply with the requirements of the Tax Certificate to be executed by the District on the date of issuance of any Tax-Exempt Bonds (each, a “Tax Certificate”). The provisions of this subsection (a) shall survive payment in full or defeasance of the Tax-Exempt Bonds.

(b) *Yield Restriction.* In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the County Treasurer on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the County Treasurer in writing, and the District shall make its best efforts to ensure that the County Treasurer shall take such action as may be necessary in accordance with such instructions.

(c) *Reliance on Opinion of Tax Counsel.* Notwithstanding any provision of this Section, if the District shall provide to the County Treasurer an Opinion of Tax Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on Bonds not issued as Taxable Bonds under Section 103 of the Code, the County Treasurer may conclusively rely on such Opinion of Tax Counsel in complying with the requirements of this Section and of each Tax Certificate with respect to the Bonds not issued as Taxable Bonds, and the covenants hereunder shall be deemed to be modified to that extent.

Section 13. Professional Services. In connection with the issuance of the Bonds, Public Resources Advisory Group is hereby appointed to serve as Municipal Advisor (the “Municipal Advisor”) to the District, Hawkins Delafield & Wood LLP is hereby appointed to serve as Bond Counsel and Tax Counsel to the District and Orrick Herrington & Sutcliffe LLP is hereby appointed to serve as Disclosure Counsel to the District.

Section 14. Delegation of Authority. Each Authorized Officer is hereby authorized and directed to, or to authorize in writing any officer or employee of the District to, execute and deliver, for and on behalf of the District, any and all documents and instruments and to do and cause to be done any and all acts and things necessary or advisable in order to consummate the transactions contemplated by this Resolution and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, each Bond Purchase Agreement and each Continuing Disclosure Certificate. Without limiting the generality of the foregoing, the President of this Board of Education, the Executive Officer of this Board of Education and any Authorized Officer are hereby authorized and directed to execute and deliver any and all agreements, certificates and representations, including but not limited to (i) signature certificates, no litigation certificates, and certificates concerning the contents of the Preliminary Official Statement and the Official Statement, (ii) representation letters to The Depository Trust Company, (iii) each Tax Certificate,

(iv) any other certificates proposed to be delivered in connection with the sale or issuance of the Bonds, (v) any Investment Agreements entered into pursuant to the authority granted hereunder, and (vi) any other agreements, letters, certificates or representations, which any of them deem necessary and desirable to accomplish the transactions authorized herein.

Section 15. Approval of Actions. All actions heretofore taken by the officers and agents of this Board of Education with respect to the Bonds are hereby approved, confirmed and ratified.

Section 16. Filing with the County. Pursuant to Section 15140 of the Education Code of the State, the Executive Officer of this Board of Education is hereby authorized and directed to file a certified copy of this Resolution with the Executive Officer-Clerk of the Board of Supervisors of the County, the County Auditor-Controller and the County Treasurer.

Section 17. Severability. In the event any provision of this Resolution shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 18. Contract with Bondholders. The provisions of this Resolution shall be a contract with each and every owner of Bonds and the duties of the District and of the Board of Education and the officers of the District shall be enforceable by any owner of Bonds by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction.

Section 19. Amendments. This Resolution may be modified or amended without the consent of the Owners in order to cure ambiguities or provide clarification, provided that such modification or amendment does not materially adversely affect the rights of Owners of Bonds. For any other purpose, this Resolution may be modified or amended only with the consent of the Owners of a majority of the aggregate principal amount of all Bonds then outstanding. No such modification or amendment shall extend the maturity of, reduce the interest rate or redemption premium on or principal amount of Bonds or reduce the percentage of consent required for amendment hereof without the express consent of all the Owners so affected.

Section 20. Effective Date. This Resolution shall take effect from and after its adoption.

PASSED AND ADOPTED this 13th day of June, 2023, by the Board of Education of the Los Angeles Unified School District.

EXHIBIT A

GOVERNMENT CODE SECTION 5852.1 DISCLOSURE AND COSTS OF ISSUANCE ESTIMATES

In accordance with Section 5852.1(a)(1) of the California Government Code and Section 15146(b)(1)(D) of the California Education Code, the following information was obtained from Public Resources Advisory Group, as the District's Municipal Advisor, with respect to the bonds approved in the attached Resolution (the "Bonds") assuming the principal amount of the Bonds is \$850,000,000.00:

1. *True Interest Cost of the Bonds.* Based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the true interest cost of the Bonds, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the Bonds, is 3.80%.

2. *Finance Charge of the Bonds.* Based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the finance charge of the Bonds, which means the sum of all fees and charges paid to third parties (or costs associated with the Bonds), is \$3,452,926.09, as follows:

a)	Rating Agency – Moody's	\$94,250.00
b)	Rating Agency – Fitch	90,000.00
c)	Rating Agency – Kroll	90,000.00
d)	Bond Counsel	100,000.00
e)	Disclosure Counsel	130,000.00
f)	Municipal Advisor	90,000.00
g)	Underwriters' Discount	1,469,911.11
h)	Reimbursement of Election Costs	1,225,240.00
i)	Other Expenses	163,524.98

3. *Amount of Proceeds to be received.* Based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the amount of proceeds expected to be received by the District for sale of the Bonds less the finance charge of the Bonds described in paragraph 2 above and any reserves or capitalized interest paid or funded with proceeds of the Bonds, is \$946,763,082.24.

4. *Total Payment Amount.* Based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the total payment amount, which means the sum total of all payments the District will make to pay debt service on the Bonds plus the finance charge of the Bonds described in paragraph 2 above not paid with the proceeds of the Bonds, calculated to the final maturity of the Bonds, is \$1,320,260,814.59.

Attention is directed to the fact that the foregoing information constitutes good faith estimates only. The actual interest cost, finance charges, amount of proceeds and total payment amount may vary from the estimates above due to variations from these estimates in the timing of

Bond sales, the amount of Bonds sold, the amortization of the Bonds sold and market interest rates at the time of each sale. The date or dates of sale and the amount of Bonds sold will be determined by the District based on need for project funds and other factors. The actual interest rates at which the Bonds will be sold will depend on the bond market at the time of each sale. The actual amortization of the Bonds will also depend, in part, on market interest rates at the time of each sale. Market interest rates are affected by economic and other factors beyond the District's control. The Board of Education has approved the issuance of each series of Bonds with a maximum true interest cost of 6.50%.

EXECUTIVE OFFICER'S CERTIFICATE

I, Michael McLean, Executive Officer of the Board of Education of the Los Angeles Unified School District, County of Los Angeles, California, hereby certify as follows:

The attached is a full, true and correct copy of a resolution duly adopted at a regular meeting of said Board of Education of said District duly and regularly held at the regular meeting place thereof on June 13, 2023, at which meeting all of the members of said Board of Education had due notice and at which a quorum thereof was present; and at said meeting said resolution was adopted by the following vote:

AYES:

NOES:

ABSTAIN:

ABSENT:

An agenda of said meeting was posted at least 72 hours before said meeting at 333 South Beaudry Avenue, Los Angeles, California, a location freely accessible to members of the public, and a brief description of said resolution appeared on said agenda. A copy of said agenda is attached hereto.

I have carefully compared the same with the adopted resolution on file and of record in my office. Said resolution has not been amended, modified or rescinded since the date of its adoption, and the same is now in full force and effect.

WITNESS my hand this 13th day of June, 2023.

General Obligation Bonds, Series _ (202_)
(Dedicated Unlimited *Ad Valorem* Property Tax Bonds)

BOND PURCHASE AGREEMENT

[Sale Date]

County of Los Angeles
 437 Kenneth Hahn Hall of Administration
 Treasurer and Tax Collector
 500 West Temple Street
 Los Angeles, California 90012

Los Angeles Unified School District
 c/o Office of the Chief Business Officer
 333 S. Beaudry Avenue, 26th Floor
 Los Angeles, California 90017

Ladies and Gentlemen:

The undersigned, [Representatives], on their own behalf and as representatives (the “Representatives”) of the Underwriters identified on the signature page hereof (collectively, the “Underwriters”), hereby offer to enter into this Bond Purchase Agreement (the “Purchase Agreement”) with the County of Los Angeles, California (the “County”) and the Los Angeles Unified School District (the “District”), which, upon your acceptance hereof, will be binding upon the County, the District and the Underwriters. By execution of this Purchase Agreement, the County acknowledges the terms hereof and recognizes that it will be bound by certain of the provisions hereof, and to the extent binding on the County, acknowledges and agrees to such terms. This offer is made subject to the written acceptance of this Purchase Agreement by the County and the District and delivery of such acceptance to us at or prior to 11:59 PM, California Time, on the date hereof.

1. Purchase and Sale of the Bonds. (a) Upon the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Underwriters hereby agree to purchase from the County for reoffering to the public, and the County hereby agrees to sell in the name and on behalf of the District to the Underwriters for such purpose, all (but not less than all) of the District’s \$[PA] General Obligation Bonds, Series __ (202_) (Dedicated Unlimited *Ad Valorem* Property Tax Bonds) [(Federally Taxable)] (the “Bonds”). The Bonds shall be issued in the form of current interest bonds in such principal amounts as set forth in Exhibit A hereto and shall be issued in fully registered form in the authorized denominations of

\$5,000 or any integral multiple thereof. Interest on the Bonds is payable on each January 1 and July 1 to maturity, commencing July 1, 20__.

(b) The Underwriters shall purchase the Bonds at a price of \$[Purchase Price] (the “Purchase Price”) (which represents the aggregate principal amount of the Bonds, plus a net original issue premium of \$[Premium], and less Underwriters’ discount in the amount of \$[Discount]). From the Purchase Price for the Bonds, the Underwriters shall withhold and hereby agree to wire on the Closing Date (as defined below) \$[Costs of Issuance] in immediately available funds to U.S. Bank National Association, as costs administrator, to pay the costs of issuance of the Bonds as provided in Section 15 of this Purchase Agreement.

(c) Any authority, discretion, or other power conferred upon the Underwriters by this Purchase Agreement shall be exercised by the Representatives alone.

2. The Bonds. (a) The Bonds shall be dated their date of delivery, shall bear interest at the rates, shall mature in the years and amounts and shall have the redemption provisions as set forth in Exhibit A hereto. The Bonds shall otherwise be as described in, and shall be issued and secured pursuant to the provisions of (i) Section 1(b)(3) of Article XIII A of the California Constitution and Chapters 1 and 1.5 of Part 10 of Division 1 of Title 1 of the California Education Code, commencing with Section 15100 *et seq.* (collectively, the “Bond Law”), (ii) a Resolution of the Board of Education of the District (the “Board of Education”) adopted on [District Resolution Date] (the “District Resolution”), and (iii) a resolution of the Board of Supervisors of the County (the “Board of Supervisors”), adopted on [County Resolution Date], authorizing the issuance of the Bonds on behalf of the District and certain related documents and actions (the “County Resolution” and together with the District Resolution, the “Resolutions”). The Bonds were authorized under and pursuant to bond authorization approved by more than 55% of the voters of the District voting at elections held on November 4, 2008 (“Measure Q”), and November 3, 2020 (“Measure RR,” and together with Measure Q, the “Measures”). The proceeds of the Bonds will, after payment of costs of issuance therefor and capitalized interest relating thereto, fund certain school projects authorized by the Measures.

(b) Upon the written acceptance of this Purchase Agreement by the County and the District, the Representatives, on behalf of the Underwriters, shall deliver, within twenty-four (24) hours of such acceptance, by federal funds wire transfer (to the County’s account at a bank having an office located in the State of California (the “State”) and having a demand account relationship with the County and payable in immediately available funds), for the account of the County, the amount of \$[Good Faith Deposit], as a good-faith deposit (“Good Faith Deposit”) for the performance by the Underwriters of their obligations to accept and pay for the Bonds at Closing (as defined herein) in accordance with the provisions of this Purchase Agreement. Upon receipt, such amount shall be held by the County pending Closing (except as provided below), although the proceeds thereof may be invested by the County pending the Closing. At the Closing, the Underwriters shall pay or cause to be paid the Purchase Price of the Bonds, less the amount of such Good Faith Deposit, without accrued interest, and thereupon the County shall apply the amount of the Good Faith Deposit, to the payment of the balance of such Purchase Price. In the event of the County’s inability to deliver the Bonds at the Closing, or if the County or the District is unable to satisfy the conditions to the Underwriters’ obligations contained herein (unless such conditions are waived by the Underwriters), or if the Underwriters’ obligations shall be terminated

for any reason permitted hereby, the County shall forthwith return the amount of the Good Faith Deposit, without accrued interest, to the Representatives immediately and, subject to Section 15 of this Purchase Agreement, such return shall constitute a full release and discharge of all claims by the Underwriters against the County and the District arising out of the transactions contemplated by this Purchase Agreement. In the event that the Underwriters fail (other than for a reason permitted hereby) to accept and pay for the Bonds at the Closing as herein provided, the proceeds of the Good Faith Deposit, shall be retained and applied by the County and the District in full and complete liquidated damages (and not as a penalty) for such failure and as a discharge of all damages suffered on the part of the County and the District as a result of such failure.

(c) The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Agreement, the Bond Law and the Resolutions. The Bonds shall be in definitive form, shall bear CUSIP numbers and shall be in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”).

3. Use of Documents. The District and the County (as appropriate) hereby authorize the Underwriters to use, in connection with the offer and sale of the Bonds, the Resolutions, this Purchase Agreement, a Preliminary Official Statement and an Official Statement (both as defined herein) and all information contained herein and therein and all of the documents, certificates or statements furnished by the District or the County to the Underwriters in connection with the transactions contemplated by this Purchase Agreement.

4. Public Offering of the Bonds; Establishment of Issue Price. (a) The Representatives, on behalf of the Underwriters agree to make a bona fide initial public offering of all the Bonds at prices no higher than, or yields not lower than, those set forth on Exhibit A hereto. Subsequent to such initial public offering but subject to the provisions set forth below, the Underwriters reserve the right to lower such initial offering prices as the Underwriters deems necessary in connection with the marketing of the Bonds; provided, however, that the Underwriters shall not change the interest rates set forth in Exhibit A. Subject to the provisions set forth below, the Underwriters may offer and sell the Bonds to certain dealers (including dealers depositing the Bonds into investment trusts) and others at prices lower than the initial public offering price or prices set forth on Exhibit A hereto. The Underwriters also reserve the right to (i) over-allot or effect transactions which stabilize or maintain the market price of the Bonds at levels above those that might otherwise prevail in the open market and (ii) discontinue such stabilizing, if commenced, at any time without prior notice. The Representatives, on behalf of the Underwriters, agree to assist the District in establishing the issue price of the Bonds maturing on and after _____ (the “Tax-Exempt Bonds”) and shall execute and deliver to the District at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Representatives, the District and Bond Counsel (as defined herein), to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Tax-Exempt Bonds. All actions to be taken by the District under this section to establish the issue price of the Tax-Exempt Bonds may be taken on behalf of the District by the District’s municipal advisor, Public Resources Advisory Group (the “Municipal Advisor”) and any notice or report to be provided to the District may be provided to the District’s Municipal Advisor.

(b) Except as otherwise set forth in Exhibit A attached hereto, the District will treat the first (meaning single) price at which 10% of each maturity of the Tax-Exempt Bonds (the “10% test”) is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the 10% test). At or promptly after the execution of this Purchase Agreement, the Representatives shall report to the District the price or prices at which the Underwriters have sold to the public each maturity of Tax-Exempt Bonds.

(c) The Representatives confirm that the Underwriters have offered the Tax-Exempt Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Exhibit A attached hereto, except as otherwise set forth therein. Exhibit A also sets forth, as of the date of this Purchase Agreement, the maturities, if any, of the Tax-Exempt Bonds for which the Representatives represent that (i) the 10% test has been satisfied and (ii) the 10% test has not been satisfied and for which the District and the Representatives, on behalf of the Underwriters, agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Tax-Exempt Bonds, the Underwriters will neither offer nor sell unsold Tax-Exempt Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriters have sold at least 10% of that maturity of the Tax-Exempt Bonds to the public at a price that is no higher than the initial offering price to the public.

[The District acknowledges that, in making the representation set forth in this subsection, the Representatives will rely on (i) the agreement of each Underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Tax-Exempt Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an Underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Tax-Exempt Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires. The District further acknowledges that each Underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no Underwriter shall be liable for the failure of any other Underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Tax-Exempt Bonds.]

(d) The Representatives confirm that:

(1) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the Representatives are a party) relating to the initial sale of the Tax-Exempt Bonds to the public, together with the related pricing wires, contains or will contain language obligating each Underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A)(i) report the prices at which it sells to the public the unsold Tax-Exempt Bonds of each maturity allotted to it until it is notified by the Representatives that either the 10% test has been satisfied as to the Tax-Exempt Bonds of that maturity or all Tax-Exempt Bonds of that maturity have been sold to the public and (ii) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Representatives and as set forth in the related pricing wires, (B) promptly notify the Representatives of any sale of the Tax-Exempt Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the sale of the Tax-Exempt Bonds to the public (each such term used as defined below), and (C) acknowledge that, unless advised by the Underwriter, dealer or broker-dealer, the Representative shall assume that each order submitted by the dealer or broker-dealer is a sale to the public; and

(2) any agreement among underwriters relating to the initial sale of the Tax-Exempt Bonds to the public, together with the related pricing wires, contains or will contain language obligating each Underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Tax-Exempt Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Tax-Exempt Bonds of each maturity allotted to it until it is notified by the Representatives or the Underwriter that either the 10% test has been satisfied as to the Tax-Exempt Bonds of that maturity or all Tax-Exempt Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Representatives or the Underwriter and as set forth in the related pricing wires.

(e) The Underwriters acknowledge that sales of any Tax-Exempt Bonds to any person that is a related party to an Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(1) “public” means any person other than an underwriter or a related party;

(2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Tax-Exempt Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Tax-Exempt Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Tax-Exempt Bonds to the public);

(3) a purchaser of any of the Tax-Exempt Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii)

more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

(4) “sale date” means the date of execution of this Purchase Agreement by all parties.]

5. Review of Official Statement. (a) The Underwriters hereby represent that they have received and reviewed the official statement in preliminary form with respect to the Bonds, dated [POS Date] (the “Preliminary Official Statement”). The District represents that it has deemed the Preliminary Official Statement to be final as of its date, except for either revisions to or additions of the initial public offering prices, interest rates, yields, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, ratings, credit enhancement and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities and Exchange Act of 1934, as amended (“Rule 15c2-12”).

(b) The Underwriters agree that prior to the time the final official statement (the “Official Statement”) relating to the Bonds is available, the Underwriters will make available to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) or electronic copy posted on an accessible website not later than the next business day following the date upon which each such request is received.

(c) The Underwriters agree to file the Official Statement with the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access system within one business day after receipt thereof from the District, but in no event later than the Closing Date (as defined below).

(d) References herein to the Preliminary Official Statement and the Official Statement include the cover page through all appendices, exhibits, reports and statements included therein or attached thereto, as the same may be amended or supplemented from time to time.

6. Closing. (a) At 8:30 a.m., California Time, on [Closing Date], or at such other time or on such other date as shall have been mutually agreed upon by the parties hereto (the “Closing,” or the “Closing Date”), the District will direct U.S. Bank National Association, as agent to the Treasurer and Tax Collector of the County (the “Treasurer”), as paying agent for the Bonds (the “Paying Agent”) to deliver to the Underwriters, through the facilities of DTC, or at such other place as the District and the Underwriters may mutually agree upon, the Bonds duly executed and in fully registered, book-entry form, and will cause the other documents hereinafter mentioned pertaining to the Bonds to be delivered at the offices of Hawkins Delafield & Wood LLP, Bond Counsel to the District (“Bond Counsel”), in Los Angeles, California, or at such other place as shall have been mutually agreed upon by the parties hereto.

(b) Upon fulfillment of all conditions to Closing herein, the Underwriters will accept such delivery and pay the Purchase Price thereof in immediately available funds (by check, wire transfer or such other manner of payment as the Representatives and the Treasurer shall reasonably agree upon) to the order of the County and U.S. Bank National Association, as cost administrator, as provided by Section 1 hereof, less the Good Faith Deposit, as provided by Section 2 hereof.

7. Representations, Warranties and Agreements of the District. The District hereby represents, warrants and agrees with the Underwriters that:

(a) The District is a unified school district validly existing under the laws of the State, with the power to issue the Bonds pursuant to the Bond Law.

(b) (i) At or prior to the Closing, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the District has full legal right, power and authority to execute and deliver this Purchase Agreement and the Continuing Disclosure Certificate (as defined below), to adopt the District Resolution, to issue and to deliver the Bonds, and to perform its obligations under each such document or instrument (collectively, the "District Documents"), and to carry out and effectuate the transactions contemplated by the District Documents; (iii) the execution and delivery or adoption of, and the performance by the District of its obligations contained in, the Bonds and the other District Documents have been duly authorized and such authorization shall be in full force and effect at the time of the Closing; (iv) this Purchase Agreement constitutes, and each of the Bonds, when issued, authenticated, delivered and sold to the Underwriters as provided herein, and each of the other District Documents, when duly executed and delivered, will constitute, a valid and legally binding obligation of the District, enforceable against the District in accordance with its terms; and (v) the District has duly authorized the consummation by it of all transactions contemplated by the District Documents.

(c) No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions as may be necessary to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriters may reasonably request, or which have not been taken or obtained; provided, however, that the District shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

(d) The District is not in breach of or in default under any applicable constitutional provision, law or administrative regulation of the State or the United States relating to the issuance of the Bonds or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute, in any manner which

would adversely affect the transactions contemplated hereby, a default or event of default by the District under any of the foregoing.

(e) The issuance of the Bonds, the adoption, execution, delivery and performance of the District Documents, and the compliance with the provisions of the District Documents do not conflict with or result in on the part of the District a violation or breach of, or default under, any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, where such conflict, violation, breach or default, individually or in the aggregate, shall result in a material adverse change to the District that materially and adversely affects the ability of the Underwriters to market the Bonds or enforce contracts of sale on the Bonds.

(f) As of the time of acceptance hereof, except as provided in the Preliminary Official Statement and the Official Statement, no action, suit, proceeding, hearing or investigation is pending (in which service of process has been completed against the District) or, to the best knowledge of the District, threatened against the District: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices or the titles of the officials of the District to such offices; (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, or the levy of any taxes contemplated by the District Resolution, or in any way contesting or affecting the validity or enforceability of the Bonds or the other District Documents or contesting the powers of the District or its authority with respect to the Bonds or the other District Documents; (iii) contesting the completeness or accuracy of the Preliminary Official Statement; or (iv) in which a final adverse decision could (a) materially adversely affect the operations of the District or the consummation of the transactions contemplated by the District Documents, (b) declare this Purchase Agreement to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Tax-Exempt Bonds from gross income for federal income tax purposes or the exemption of the interest paid on the Bonds from State personal income taxation.

(g) Between the date hereof and the Closing, without the prior written consent of the Representatives, the District will not have issued in the name of the District any bonds, notes or other obligations for borrowed money except for such borrowing as may be described in or contemplated by the Preliminary Official Statement and the Official Statement.

(h) The Preliminary Official Statement was as of its date (excluding information permitted to be omitted pursuant to Rule 15c2-12), and the Official Statement is, and at all times subsequent to the date of the Official Statement (or in the case of any amendment to the Official Statement pursuant to Section 7(l) of this Purchase Agreement, at the date of the delivery of the Official Statement, as amended) up to and including the Closing will be, true and correct in all material respects, and the Preliminary Official Statement contains and the Official Statement as of its date and up to and including the

Closing will contain, no untrue statement of any material fact and as of its date and up to and including the Closing will not, omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. At the time of the Closing, there shall not have been any material adverse changes in the financial condition of the District since the date of the Official Statement.

(i) To assist the Underwriters in complying with Rule 15c2-12, the District will undertake, pursuant to the District Resolution and the Continuing Disclosure Certificate dated the Closing Date (the “Continuing Disclosure Certificate”), to provide annual reports and notices of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will be set forth in the Official Statement. Except as disclosed in the Preliminary Official Statement and the Official Statement, the District has not failed to comply in all material respects with any prior disclosure undertakings pursuant to Rule 15c2-12 in the last five years.

(j) Any certificates signed by any officer of the District and delivered to the Underwriters shall be deemed a representation and warranty by the District to the Underwriters, but not by the person signing the same in such person’s individual capacity, as to the statements made therein.

(k) Preparation and distribution of the Preliminary Official Statement and the Official Statement have been duly authorized by the District, and at the time of delivery of the Official Statement (or in the case of any amendment to the Official Statement pursuant to Section 7(l) of this Purchase Agreement, at the time of the delivery of the Official Statement, as amended) to the Underwriters and at all times subsequent thereto up to and including the Closing Date, the information contained therein (excluding the statements and information in APPENDIX C – “BOOK-ENTRY ONLY SYSTEM” and any information provided by the Underwriters in writing for inclusion in the Official Statement) will be true and correct in all material respects and such information will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(l) The District agrees that if at any time before the Closing any event occurs as a result of which the Official Statement as then in effect would include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, then the District shall promptly prepare or cause to be prepared and furnish (at the expense of the District) an amendment or supplement to the Official Statement that will correct such statement or omission. The District will advise the Underwriters promptly of any proposal to so amend or supplement the Official Statement and will effect such amendment or supplement in a form and manner approved by the Representatives.

(m) The audited financial statements of the District for the fiscal year ended June 30, 2022 (which is included as APPENDIX B to the Official Statement) were prepared in accordance with generally accepted accounting principles consistently applied and fairly present the financial position and results of operation of the District for the period and at

the date set forth therein, and there has been no material adverse change in the business, affairs, financial position, results of operations or condition, financial or otherwise, of the District since the date of such financial statements, except as otherwise disclosed in the Official Statement.

(n) The District Resolution has been duly adopted, has not been modified, repealed or rescinded in any respect, and is in full force and effect.

8. Representations, Warranties and Agreements of the County. The County hereby represents, warrants and agrees with the Underwriters that:

(a) The County has the power under the laws of the State to issue the Bonds pursuant to the Bond Law.

(b) (i) At or prior to the Closing, the County will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the County has full legal right, power and authority to execute and deliver this Purchase Agreement, to adopt the County Resolution, to issue and deliver the Bonds to the Underwriters on behalf of the District and to perform its obligations under each such document or instrument (collectively, the “County Documents”), and to carry out and effectuate the transactions contemplated by the County Documents; (iii) the execution and delivery or adoption of, and the performance by the County of its obligations contained in, the Bonds and the other County Documents have been duly authorized and such authorization shall be in full force and effect at the time of the Closing; (iv) this Purchase Agreement constitutes, and each of the other County Documents, when duly executed and delivered in accordance with the County Resolution, will constitute, a valid and legally binding obligation of the County, enforceable against the County in accordance with its terms; and (v) the County has duly authorized the consummation by it of all transactions contemplated by the County Documents.

(c) No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the consummation of the other transactions effected or contemplated herein or hereby, except for such actions as may be necessary to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriters may reasonably request, or which have not been taken or obtained; provided, however, that the County shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

(d) To the best knowledge of the County, the County is not in breach of or default under any applicable constitutional provision, law or administrative regulation of the State or the United States or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the County is a party or to which the County or any of its property or assets is otherwise subject, which breach or default would materially adversely affect the County’s ability to enter into or perform its obligations under this Purchase Agreement.

(e) To the best knowledge of the County, the issuance of the Bonds, the adoption, execution, delivery and performance of the County Documents, and the compliance with the provisions of the County Documents do not conflict with or result in on the part of the County a violation or breach of, or default under, any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the County is a party or to which the County or any of its property or assets is otherwise subject, where such conflict, violation, breach or default, individually or in the aggregate, shall result in a material adverse change to the County that materially and adversely affects the ability of the Underwriters to market the Bonds or enforce contracts of sale on the Bonds.

(f) As of the time of acceptance hereof, except as will be provided in the Official Statement, to the best knowledge of the County, no action, suit, proceeding, hearing or investigation is pending (in which service of process has been completed against the County) or threatened against the County: (i) in any way affecting the existence of the County or in any way challenging the respective powers of the several offices or the titles of the officials of the County to such offices; (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, or the levy of any taxes contemplated by the County Resolution, or in any way contesting or affecting the validity or enforceability of the Bonds or the County Documents or contesting the powers of the County or its authority with respect to the Bonds or the County Documents; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the County or the consummation of the transactions contemplated by the County Documents or the Bonds or (b) declare the County Documents or the Bonds to be invalid or unenforceable in whole or in material part.

(g) Between the date hereof and the Closing, without the prior written consent of the Underwriters, the County will not have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowing as may be described in or contemplated by the Official Statement.

(h) Any certificates signed by any officer of the County and delivered to the Underwriters shall be deemed a representation and warranty by the County to the Underwriters, but not by the person signing the same in such person's individual capacity, as to the statements made therein.

9. Covenants of the County and the District. The County and the District respectively covenant and agree with the Underwriters that:

(a) The County and the District will furnish such information, execute such instruments, and take such other action in cooperation with the Underwriters if and as the Underwriters may reasonably request in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions as the Underwriters may reasonably request; provided, however, that the District and the County shall not be required to consent to service of process in any jurisdiction in which they are not so subject as of the date hereof.

(b) The District hereby agrees to deliver or cause to be delivered to the Underwriters, not later than the earlier of (i) the third (3rd) business day preceding the Closing Date or (ii) the seventh (7th) business day following the date this Purchase Agreement is signed, the Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriters, the County and the District, (a) in “designated electronic format” (as defined in Rule G-32 of the Municipal Securities Rulemaking Board), and (b) in printed form in such reasonable quantities as may be requested by the Underwriters in order to permit the Underwriters to comply with paragraph (b)(4) of Rule 15c2-12 and with the rules of the Municipal Securities Rulemaking Board.

(c) The District hereby agrees to promptly notify the Underwriters of any event or occurrence that may affect the accuracy or completeness of any information set forth in the Official Statement relating to the District until the date which is twenty-five (25) days following the Closing.

(d) If at any time prior to the expiration of 25 days following the “end of the underwriting period” (as defined in Rule 15c2-12), any event known to the District or the County relating to or affecting the District, the County or the Bonds occurs which might cause the Official Statement to contain any untrue statement of a material fact or to omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, the District or the County will promptly notify the Underwriters in writing of the circumstances and details of such event. If, as a result of such event or any other event, it is necessary, in the reasonable opinion of Orrick, Herrington & Sutcliffe LLP, Disclosure Counsel to the District (“Disclosure Counsel”), or the Representatives, to amend or supplement the Official Statement so that the Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, and if either shall have so advised the District, the District will forthwith cooperate with the Underwriters in the prompt preparation and furnishing to the Underwriters, at the expense of the District, of a reasonable number of copies of an amendment of or a supplement to the Official Statement, in form and substance satisfactory to the Underwriters, which will so amend or supplement the Official Statement so that, as amended or supplemented, it will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. The District and the County will presume that unless otherwise notified in writing by the Representatives, the end of the underwriting period will occur on the date of delivery of the Bonds.

(e) To assist the Underwriters in complying with Rule 15c2-12 and for the benefit of the holders and beneficial owners of the Bonds, the District will undertake to provide annual reports and notices of certain events pursuant to the Continuing Disclosure Certificate.

10. Representations, Warranties and Agreements of the Underwriters. The Underwriters represent to and agree with the District and the County that, as of the date hereof and as of the date of Closing:

(a) The Representatives are duly authorized and has been duly authorized by the Underwriters, pursuant to an agreement among the Underwriters (the “AAU”), to execute this Purchase Agreement, to act hereunder on behalf of the Underwriters and to take all actions, and waive any condition or requirement, required or permitted to be taken or waived hereunder by the Representatives or the Underwriters.

(b) Based on representations in the AAU, the Underwriters have, and have had, no financial advisory relationship (as such term is defined in California Government Code Section 53590) with the District or the County with respect to the Bonds, and no investment firm controlling, controlled by or under common control with any of the Underwriters has or has had any such financial advisory relationship (as such term is defined in California Government Code Section 53590).

(c) The Underwriters shall comply with all statutes, rules and regulations of all governmental entities in connection with the offering and sale of the Bonds.

11. Division of Responsibility Between District and County. It is specifically acknowledged and agreed by and between the District and the County that the County shall have no responsibility or liability to ensure or provide compliance with those provisions of this Purchase Agreement which are to be performed solely by the District and the District shall have no responsibility or liability to ensure or provide compliance with those provisions of this Purchase Agreement which are to be performed solely by the County.

12. Underwriters Not Acting as Agents, Advisors or Fiduciaries. The County and the District acknowledge and agree that:

(a) the Underwriters are not acting as municipal advisors within the meaning of Section 15B of the Securities and Exchange Act of 1934, as amended;

(b) the primary role of the Underwriters, as underwriters, is to purchase securities, for resale to investors, in an arm’s-length commercial transaction between the County, the District, and the Underwriters and the Underwriters have financial and other interests that differ from those of the County and the District;

(c) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriters are and have been acting solely as principals and are not acting as the agents, municipal advisors, financial advisors or fiduciaries of the County or the District, nor have the Underwriters assumed an advisory or fiduciary responsibility in favor of the County or the District;

(d) the only contractual obligations the Underwriters have to the County or the District with respect to the transaction contemplated hereby are set forth in this Purchase Agreement; and

(e) the County and the District have consulted their own legal, financial, municipal and other advisors to the extent they have deemed appropriate.

13. Conditions to Closing. The Underwriters have entered into this Purchase Agreement in reliance upon the representations and warranties of the County and the District contained herein and the performance by the District and the County of their respective obligations hereunder, both as of the date hereof and as of the date of Closing. The Underwriters' obligations under this Purchase Agreement are and shall be subject, at the option of the Underwriters, to the following further conditions at the Closing:

(a) The representations and warranties of the County and the District contained herein shall be true, complete and correct at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriters at the Closing pursuant hereto shall be true, complete and correct on the date of the Closing; and the County and the District shall be in compliance with each of the respective agreements made by them in this Purchase Agreement.

(b) At the time of the Closing, (i) the District Documents and the County Documents shall be in full force and effect and the Resolutions and the Official Statement shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriters; (ii) all actions under the Bond Law which, in the opinion of Bond Counsel, shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; (iii) the County and the District shall have adopted, and there shall be in full force and effect such additional resolutions, agreements, opinions and certificates (including with respect to the Tax-Exempt Bonds such certificates as may be required by regulations of the Internal Revenue Service in order to establish the tax-exempt character of the interest on the Tax-Exempt Bonds), as shall be satisfactory in form and substance to Bond Counsel to the District and to the Underwriters, and there shall have been taken in connection therewith and in connection with the execution and delivery of the Bonds all such actions as shall, in the reasonable opinion of each, be necessary in connection with the transactions contemplated hereby; (iv) all actions under the Resolutions which, in the opinion of Bond Counsel to the District, shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; (v) the Bonds shall have been duly authorized, executed and delivered; and (vi) the District and the County shall perform or have performed all of their respective obligations required under or specified in the District Documents and the County Documents to be performed at or prior to the Closing.

(c) No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Purchase Agreement (and not reversed on appeal or otherwise set aside), or to the best knowledge of the County or the District, be pending (in which service of process has been completed against the County or the District) or threatened which has any of the effects described in Section 7. F. or Section 8. F. hereof or contests in any way the completeness or accuracy of either the Preliminary Official Statement or the Official Statement.

(d) Between the date hereof and the Closing, the market for or the market price or marketability of the Bonds or the ability of the Underwriters to enforce contracts for the sale of the Bonds at the initial offering prices set forth in the Official Statement, shall not have been materially adversely affected by reason of any of the following:

(1) legislation enacted by the Congress of the United States, or by the legislature of the State, or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court of the United States or the State or by the United States Tax Court, or an order, ruling, regulation (final, temporary or proposed) or official statement issued or made:

(i) by or on behalf of the United States Treasury Department, or by or on behalf of the Internal Revenue Service or other federal or State authority, which would have the purpose or effect of changing, directly or indirectly, the federal income tax consequences with respect to the Tax-Exempt Bonds or State tax consequences of interest on obligations of the general character of the Bonds in the hands of the holders thereof; or

(ii) by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended, or that the Resolutions are not exempt from qualification under the Trust Indenture Act of 1939, as amended;

(2) the declaration of war or engagement in major military hostilities or escalation of hostilities by the United States or the occurrence of any other national or international emergency or calamity or crisis relating to the effective operation of the government or the financial community in the United States;

(3) the declaration of a general banking moratorium by federal, New York or State authorities having jurisdiction, or the general suspension of trading on any national securities exchange or fixing of minimum or maximum prices for trading or maximum ranges for prices for securities on any national securities exchange, whether by virtue or a determination by that exchange or by order of the Securities and Exchange Commission or any other governmental authority having jurisdiction, or a material disruption in commercial banking or securities settlement or clearance services shall have occurred;

(4) the imposition by the New York Stock Exchange, other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds, or obligations of the general character of the Bonds, or securities generally, or the material increase of any such restrictions now in force;

(5) an order, decree or injunction of any court of competent jurisdiction, or order, filing, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities laws, as amended and then in effect or any proceeding shall have been commenced, against the District or the County, in connection with Bonds or obligations of the general character of the Bonds of the District or the County, by the Securities and Exchange Commission or other governmental agency having jurisdiction over the issue, offering or sale thereof;

(6) any rating of the Bonds has been downgraded, suspended or withdrawn by a national rating service that rated the Bonds or a negative qualification (e.g., “credit watch” or “negative outlook” designation) or other announcement has been made by a national rating service that rated the Bonds that the Bonds are under review without indication of a potentially favorable result, which, in the reasonable opinion of the Representatives, materially adversely affects the marketability or market price of the Bonds;

(7) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriters, makes untrue in any material adverse respect any statement or information set forth in the Official Statement, or has the effect that the Official Statement contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading; or

(8) except as disclosed in or contemplated by the Official Statement, any material adverse change in the affairs of the District.

(e) At or prior to the date of the Closing, the Underwriters shall have received the following documents, in each case dated as of the Closing Date unless otherwise specified herein and satisfactory in form and substance to the Underwriters:

(1) the approving opinion of Bond Counsel with respect to the Bonds, dated the Closing Date and addressed to the District, substantially in the form attached as APPENDIX D to the Preliminary Official Statement;

(2) a reliance letter from Bond Counsel to the effect that the Underwriters may rely upon the approving opinion of Bond Counsel described in E. (1) above;

(3) a supplemental opinion of Bond Counsel in a form acceptable to the Underwriters, dated the Closing Date and addressed to the Underwriters, to the effect that:

(i) assuming due authorization, execution and delivery by all the parties thereto, the Resolution, this Purchase Agreement and the Continuing

Disclosure Certificate have each been duly authorized, executed and delivered by the respective parties thereto and constitute legal, valid and binding obligations of the District and are enforceable in accordance with their respective terms, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium or other laws affecting generally the enforcement of creditors' rights and except as their enforcement may be subject to the application of equitable principles and the exercise of judicial discretion in appropriate cases if equitable remedies are sought (provided that no opinion need be rendered regarding the adequacy of the Continuing Disclosure Certificate for purposes of the Rule) and by limitations on the enforcement of legal remedies against public agencies in the State;

(ii) the statements contained in the Official Statement under the captions "The Bonds" (excluding any and all information relating to The Depository Trust Company and its book-entry system and the County Treasury Pool set forth in Appendix F), "Security and Sources of Payment for the Bonds – General Description" and "Tax Matters," excluding any material that may be treated as included under such captions by cross-reference, to the extent they purport to summarize certain provisions of the Bonds, the Resolutions and the exclusion from gross income of interest on the Tax-Exempt Bonds for federal income tax purposes or the exemption of interest on the Bonds for State income tax purposes, fairly and accurately summarize the matters purported to be summarized thereto; and

(iii) the Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended, and the County Resolution is exempt from qualification pursuant to the Trust Indenture Act of 1939, as amended;

(4) the Continuing Disclosure Certificate signed by an appropriate official of the District and in form and substance reasonably satisfactory to the Underwriters;

(5) a certificate signed by an appropriate official of the District to the effect that (i) such official is authorized to execute this Purchase Agreement, the Official Statement and the Continuing Disclosure Certificate; (ii) the representations, agreements and warranties of the District herein are true and correct as of the date of Closing; (iii) the District has complied with all the terms of the District Documents to be complied with by the District prior to or concurrently with the Closing and the District Documents are in full force and effect; (iv) no litigation is pending (with service of process having been accomplished) or, to the best of the District's knowledge, threatened (either in State or federal courts): (A) seeking to restrain or enjoin the execution, sale or delivery of any of the Bonds, (B) in any way contesting or affecting the authority for the execution, sale or delivery of the Bonds, the Official Statement, the Continuing Disclosure Certificate or this Purchase Agreement, or (C) in any way contesting the existence or powers of the District; (v) such official has reviewed the Official Statement and on such basis certifies that the

Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading; (vi) each of the conditions listed in Section 13 of this Purchase Agreement required to be satisfied by the District has been satisfied on the date thereof and the District is not aware of any other condition of this Purchase Agreement that has not been satisfied on the date thereof; and (vii) the Bonds being delivered on the date of the Closing to the Underwriters under this Purchase Agreement substantially conform to the descriptions thereof contained in the Resolutions, the Official Statement and this Purchase Agreement;

(6) a certificate signed by an appropriate official of the County to the effect that (i) such official is authorized to execute and to approve this Purchase Agreement; (ii) the representations, agreements and warranties of the County herein are true and correct as of the date of Closing; (iii) the County has complied with all the terms of the County Documents to be complied with by the County prior to or concurrently with the Closing; (iv) to the best of the County's knowledge, no litigation is pending (with service of process having been accomplished) or threatened (either in State or federal courts): (A) seeking to restrain or enjoin the execution, sale or delivery of any of the Bonds, (B) in any way contesting or affecting the authority for the execution, sale or delivery of the Bonds or this Purchase Agreement, or (C) in any way contesting the existence or powers of the County with respect to the Bonds; (v) each of the conditions listed in Section 13 of this Purchase Agreement required to be satisfied by the County has been satisfied on the date thereof and the County is not aware of any other condition of this Purchase Agreement that has not been satisfied on the date thereof; and (vii) the Bonds being delivered on the date of the Closing to the Underwriters under this Purchase Agreement substantially conform to the descriptions thereof contained in the County Resolution and this Purchase Agreement;

(7) a certificate of the Paying Agent, or its agent, as applicable, dated the date of the Closing, signed by a duly authorized officer of the Paying Agent, or its agent, as applicable, and in form and substance satisfactory to the Underwriters, to the effect that:

(i) to the best of such officer's knowledge, the representations and agreements of the Paying Agent in the Master Paying Agent Services Contract, dated as of July 1, 2019 (the "Paying Agent Agreement"), between the County and the Paying Agent, are true and correct as of the date of the Closing;

(ii) the Paying Agent Agreement has been duly authorized, executed and delivered and, assuming due execution by the other parties thereto, is enforceable against the Paying Agent in accordance with its terms; and

- (iii) to the best of such officer's knowledge, no litigation is pending or threatened (either in State or federal courts) (A) seeking to restrain or enjoin the delivery by the Paying Agent of any of the Bonds, or (B) in any way contesting or affecting any authority of the Paying Agent for the delivery of the Bonds or the validity or enforceability of the Bonds or the Paying Agent Agreement;
- (8) a tax certificate of the District in form satisfactory to Bond Counsel with respect to the Tax-Exempt Bonds;
- (9) evidence satisfactory to the Underwriters that any ratings described in the Official Statement are in full force and effect as of the Closing Date;
- (10) the opinion of General Counsel to the District, addressed to the District, the County and the Underwriters, dated the Closing Date, to the effect that:
 - (i) the District is a unified school district validly existing under the Constitution and the laws of the State;
 - (ii) the District has the full right and lawful authority to enter into and perform its duties and obligations under the District Documents and to authorize the issuance and sale of the Bonds;
 - (iii) to the best knowledge of General Counsel to the District, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court or public body, pending, or to such counsel's knowledge, threatened against the District contesting in any way the completeness or accuracy of the Official Statement or the due adoption of the District Resolution, and there is no breach or default by the District under any other instruments which is caused by the issuance of the Bonds or the execution and delivery of this Purchase Agreement or the Continuing Disclosure Certificate;
 - (iv) General Counsel to the District is not representing the District in connection with any litigation of any nature to restrain or enjoin the execution, delivery or performance of the District Documents, the Bonds or any of the proceedings taken with respect to the issuance of the Bonds, the application of monies to the payment of the Bonds or in any manner questioning the proceedings and authority under which the Bonds were authorized or challenging the validity of the Bonds, the existence or boundaries of the District or the title of the officials of the District who have acted with respect to the proceedings for the issuance of the Bonds on behalf of the District to their respective offices; and
 - (v) the Official Statement has been duly approved by the District;

(11) the opinion of County Counsel for the County (“County Counsel”), as counsel to the Board of Supervisors, addressed to the County, the District and the Underwriters, dated the Closing Date, to the effect that:

(i) the County is a political subdivision of the State, duly organized and validly existing under the Constitution and the laws of the State;

(ii) the County Resolution approving and authorizing the execution and delivery of this Purchase Agreement and the sale and issuance of the Bonds was duly adopted at a meeting of the Board of Supervisors, which was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting at the time of adoption of the County Resolution, and the County Resolution has not been modified, amended, rescinded or revoked and is in full force and effect on the date thereof;

(iii) to the best knowledge of County Counsel, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public authority or body, pending or threatened against the County in which service of process has been completed (a) affecting the existence of the County or the titles of its officers who have acted with respect to the proceedings for issuance and sale of the Bonds to their respective offices; (b) seeking to prohibit, restrain or enjoin the execution, delivery or performance of this Purchase Agreement or the issuance of the Bonds or in any way contesting or affecting the validity or enforceability of the Bonds or the County Documents; (c) contesting the powers of the County or its authority to enter into, adopt or perform its obligations under the County Documents; or (d) seeking to restrain or enjoin the levy or collection of tax revenues pledged for payment of the Bonds, or the application thereof to such payment; and

(iv) this Purchase Agreement has been duly authorized, executed and delivered by the County and the Bonds have been duly authorized by the County, executed by the County on behalf of the District and delivered by the County and, assuming due authorization, execution and delivery by the other parties thereto, this Purchase Agreement constitutes a legal, valid and binding obligation of the County enforceable against the County in accordance with its terms;

provided that any County Counsel opinions regarding the enforcement of the County Documents and the Bonds may be expressly limited by the effect of bankruptcy, insolvency or other laws affecting the enforcement of creditors’ rights generally and by the application of equitable principles if equitable remedies are sought and by the limitations on legal remedies imposed on actions against counties in the State;

(12) the opinion of [UC Counsel], counsel for the Underwriters (“Underwriters’ Counsel”), dated the date of Closing and addressed to the Underwriters, satisfactory in form and substance to the Underwriters;

(13) the letters of Disclosure Counsel substantially in the forms attached hereto as Exhibit C, subject to the satisfaction of the Underwriters, dated the date of Closing and addressed separately to the District and the Underwriters;

(14) a certificate, together with a fully executed copy of each of the District Resolution, of the Executive Officer of the Board of Education to the effect that:

(i) such copy is a true and correct copy of the District Resolution; and

(ii) that the District Resolution was duly adopted, has not been modified, amended, rescinded or revoked and is in full force and effect on the date of the Closing;

(15) an original or copy of the County Resolution, certified by the Executive Officer - Clerk of the Board of Supervisors;

(16) a certificate of the appropriate official of the District evidencing the District’s determination respecting the Preliminary Official Statement in accordance with Rule 15c2-12;

(17) a transcript of all proceedings relating to the authorization, issuance and delivery of the Bonds; and

(18) such additional legal opinions, certificates, proceedings, instruments and other documents as the Underwriters may reasonably request to evidence compliance (i) by the County, the District and the Paying Agent (and its agent, if applicable) with legal requirements, (ii) the truth and accuracy, as of the time of Closing, of the representations of the County and the District herein contained, and (iii) the due performance or satisfaction by the County, the District and the Paying Agent (and its agent, if applicable) at or prior to such time of all agreements then to be performed and all conditions then to be satisfied by them.

If the County and/or the District shall be unable to satisfy the conditions to the Underwriters’ obligations contained in this Purchase Agreement or if the Underwriters’ obligations shall be terminated for any reason permitted by this Purchase Agreement, this Purchase Agreement may be canceled by the Underwriters at, or at any time prior to, the time of Closing. Notice of such cancellation shall be given to the County and the District in writing, or by telephone or electronic communication, confirmed in writing. Notwithstanding any provision herein to the contrary, the performance of any and all obligations of the County and the District hereunder and the performance of any and all conditions contained herein for the benefit of the Underwriters may be waived by the Representatives in writing at their sole discretion.

14. Conditions to Obligations of the District. The performance by the County and the District of their obligations is conditioned upon (i) the performance by the Underwriters of their obligations hereunder and (ii) receipt by the District and the Underwriters of opinions and certificates being delivered at the Closing by persons and entities other than the County and the District.

15. Expenses. On the Closing Date, the Underwriters will wire \$_____ from the proceeds of the Bonds and as a portion of the Purchase Price of the Bonds as provided in Section 1 hereof to U.S. Bank National Association, as costs administrator, to be used to pay costs of issuance of the Bonds, including, but not limited to the following at the direction of the District: (i) the costs of the preparation and reproduction of the Resolutions; (ii) the fees and disbursements of Bond Counsel, Disclosure Counsel and the Municipal Advisor; (iii) the cost of the preparation, printing and delivery of the Bonds; (iv) the fees for Bond ratings, including all necessary expenses for travel outside of California; (v) the cost of the printing and distribution of the Preliminary Official Statement and the Official Statement, and any supplement or amendment thereto; (vi) costs, fees and expenses related to the presentation to investors; (vii) the initial fees of the Paying Agent; and (viii) all other fees and expenses incident to the issuance and sale of the Bonds or the performance of its obligations hereunder. All out-of-pocket expenses of the Underwriters, including California Debt and Investment Advisory Commission fees, CUSIP Service Bureau registration fees, Underwriters' Counsel fees, Municipal Securities Rulemaking Board fees, expenses for travel and other expenses of the Underwriters, shall be paid by the Underwriters; provided, however, that the District shall pay for expenses incurred on behalf of the District employees in connection with implementing this Purchase Agreement, including, but not limited to, meals, transportation, and lodging of District employees, if any.

16. Terms and Conditions of Bonds. By executing this Purchase Agreement, the Treasurer is exercising the authority granted to him under the County Resolution to determine the terms of the Bonds (which terms are set forth in Exhibit A hereto).

17. Notices. Any notice or other communication to be given under this Purchase Agreement (other than the acceptance hereof as specified in the first paragraph hereof) may be given by delivering the same in writing if to the County, to the Treasurer and Tax Collector of the County of Los Angeles at 437 Kenneth Hahn Hall of Administration, 500 West Temple Street, Los Angeles, California 90012; if to the District, to the Chief Business Officer of the Los Angeles Unified School District, 333 S. Beaudry Avenue, 26th Floor, Los Angeles, California 90017, or if to the Representatives, to [Underwriter], [Address] Attention: _____.

18. Severability. In the event any provision of this Purchase Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

19. Parties in Interest; Survival of Representations and Warranties. This Purchase Agreement when accepted by the County and the District in writing as heretofore specified shall constitute the entire agreement among the County, the District and the Underwriters with respect to the transaction contemplated by this Purchase Agreement. This Purchase Agreement is made solely for the benefit of the County, the District and the Underwriters (including the successors or assigns of the Underwriters). No person shall acquire or have any rights hereunder or by virtue

hereof. All the representations, warranties and agreements of the County and the District in this Purchase Agreement shall survive, unless waived by the Underwriters, regardless of (a) any investigation or any statement in respect thereof made by or on behalf of the Underwriters, (b) delivery of and payment by the Underwriters for the Bonds hereunder and (c) any termination of this Purchase Agreement.

20. Execution in Counterparts. This Purchase Agreement may be executed in several counterparts, each of which shall be regarded as an original and all of which shall constitute but one and the same document.

21. Applicable Law. This Purchase Agreement shall be interpreted, governed and enforced in accordance with the law of the State applicable to contracts made and performed in such State.

EXHIBIT B

FORM OF CERTIFICATE OF THE REPRESENTATIVES

[REPRESENTATIVES]] have acted as the representative of the Underwriters listed in the Bond Purchase Agreement (collectively, the “Representative”) entered into in connection with the sale and issuance by the Los Angeles Unified School District (the “District”) of the Los Angeles Unified School District (County of Los Angeles, California) General Obligation Bonds, Series _ (20__) (Dedicated Unlimited *Ad Valorem* Property Tax Bonds) maturing on the dates set forth on Schedule 1 hereto in the principal amount of \$_____ (the “Bonds”) being issued on the date hereof, and the Representatives hereby certify and represent on behalf of itself and such other Underwriters the following:

1. As of [Sale Date] (the “Sale Date”), all of the Bonds were the subject of a bona fide offering to the Public at the respective prices or yields set forth on the inside cover page of the District’s Official Statement in respect of the Bonds dated [Sale Date] (each, an “Initial Offering Price”), which are the same prices or yields shown on the final pricing wire for the offering of the Bonds attached hereto as Schedule 1.

2. As of the Sale Date, [except for the Maturities [**IDENTIFY UN/UNDERSOLD MATURITIES**] (the “Unsold Maturities”), shown on Schedule 2 attached hereto,] the first price at which 10 percent of each Maturity of the Bonds was sold by the Underwriters to the Public is set forth on Schedule 1.

3. [**HOLD THE PRICE - REPRESENTATIVES ALLOTTED UNSOLD MATURITIES**] On and following the Sale Date, with respect to the initial sales of the Unsold Maturities, the Representatives: (i) have retained the unsold principal amounts of the bonds of the Unsold Maturities as shown in Schedule 2 attached hereto and not allocated any such Unsold Maturities to any other Underwriter, and (ii) has neither offered nor sold any such Unsold Maturities to any person at a price that is higher or yield lower than the Initial Offering Price during the period starting on the Sale Date and ending on the earlier of the following: (a) the close of the fifth business day after the Sale Date, or (b) the date on which at least 10 percent of the bonds of the Unsold Maturity has been sold to the Public at a price that is at or below the Initial Offering Price. OR:

4. [**HOLD THE PRICE - SYNDICATE RETAINS BONDS**] On and following the Sale Date, with respect to the initial sales of the Unsold Maturities, the Underwriters have neither offered nor sold any Unsold Maturities to any person at a price higher than or a yield lower than the respective Initial Offering Price for a period of time starting on the Sale Date and ending on the earlier of the following: (a) the close of the fifth business day after the Sale Date, or (b) the date on which at least 10 percent of the bonds of the Unsold Maturity has been sold to the Public at a price that is at or below the Initial Offering Price.

5. The agreement among Underwriters, each selling group agreement and each retail distribution agreement (to which the Representatives are parties) relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains language obligating each Underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a

party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the Public the unsold Bonds of each Maturity allotted to it until it is notified by the Representative that at least 10 percent of such Maturity of the Bonds was sold by the Underwriters to the Public at a single price, and (B) with respect to the Unsold Maturities, if any, comply with the hold-the-offering-price rule, as described above, if and for so long as directed by the Representatives and as set forth in the related pricing wires.

6. The agreement among Underwriters relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains language obligating each Underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the Public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the Public the unsold Bonds of each Maturity allotted to it until it is notified by the Underwriter that at least 10 percent of such Maturity of the Bonds was sold by the Underwriters to the Public at a single price, and (B) with respect to the Unsold Maturities, if any, comply with the hold-the-offering-price rule, as described above, if and for so long as directed by the Representative and as set forth in the related pricing wires.

For purposes of this Certificate, the following definitions apply:

- (a) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.
- (b) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.
- (c) *Related Party* means any entity if an Underwriter and such entity are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).
- (d) *Underwriter* means (i) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The Representatives understand that the foregoing information will be relied upon by the District with respect to certain of the representations set forth in the District's Tax Certificate and Agreement to which this certificate is included as Exhibit ____ and with respect to compliance with the federal income tax rules affecting the Bonds, and by Hawkins Delafield & Wood LLP, as bond counsel to the District, in connection with providing an opinion as to the exclusion from gross income of interest on the Bonds pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the District from time to time relating to the Bonds. The Representatives are certifying only as to facts in existence on the date hereof. Nothing herein represents the Representatives' interpretation of any laws; in particular the Treasury Regulations under the Code, or the application of any laws to these facts. The certifications contained herein are not necessarily based on personal knowledge, but may instead be based on either inquiry deemed adequate by the undersigned or institutional knowledge (or both) regarding the matters set forth herein. Although certain information furnished in this Certificate has been derived from other Underwriters and cannot be independently verified by us, we have no reason to believe it to be untrue in any material respect.

EXHIBIT C**FORM OF LETTERS OF DISCLOSURE COUNSEL**

CONTINUING DISCLOSURE CERTIFICATE

This Continuing Disclosure Certificate (the “Disclosure Certificate”) is executed and delivered by the Los Angeles Unified School District (the “District”) in connection with the issuance of its Bonds (defined herein), which are being issued pursuant to the laws of the State of California and the Resolution (defined herein). The District covenants and agrees as follows:

Section 1. Purpose of the Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the District and the Dissemination Agent for the benefit of the Holders and Beneficial Owners of the Bonds and in order to assist the Participating Underwriters in complying with Securities and Exchange Commission Rule 15c2-12(b)(5).

Section 2. Definitions. In addition to the definitions set forth in the Resolution, which apply to any capitalized term used in this Disclosure Certificate unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

“Annual Report” shall mean any Annual Report provided by the District pursuant to, and as described in, Sections 4 and 5 of this Disclosure Certificate.

“Beneficial Owner” shall mean any person who (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

“Bonds” shall mean the General Obligation Bonds, Series QRR (2023) (Dedicated Unlimited *Ad Valorem* Property Tax Bonds).

“County” shall mean the County of Los Angeles, California.

“CUSIP Numbers” shall mean the Committee on Uniform Security Identification Procedure’s unique identification number for each public issue of a security.

“Dissemination Agent” shall mean Digital Assurance Certification, L.L.C., or any successor Dissemination Agent designated in writing by the District and which has filed with the District a written acceptance of such designation.

“Disclosure Counsel” shall mean an attorney-at-law, or a firm of such attorneys, of nationally recognized standing in matters pertaining to the disclosure obligations under the Rule, duly admitted to the practice of law before the highest court of any state of the United States of America.

“EMMA System” shall mean the MSRB’s Electronic Municipal Market Access system, the current internet address of which is <http://emma.msrb.org>.

“Financial Obligation” shall mean, for purposes of the Listed Events set out in Section 6(b)(xv) and Section 6(b)(xvi), a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii). The term “Financial Obligation” shall not include

municipal securities (as defined in the Securities Exchange Act of 1934, as amended) as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule.

“Holder” shall mean either the registered owners of the Bonds, or if the Bonds are registered in the name of The Depository Trust Company or another recognized depository, any applicable participant in such depository system.

“Listed Events” shall mean any of the events listed in Section 6(b) of this Disclosure Certificate.

“MSRB” shall mean the Municipal Securities Rulemaking Board established pursuant to Section 15B(b)(1) of the Securities Exchange Act of 1934, or any successor thereto or to the functions of the MSRB contemplated by this Disclosure Certificate.

“Official Statement” shall mean the Official Statement dated _____, 2023, with respect to the Bonds.

“Participating Underwriters” shall mean the original underwriters of the Bonds required to comply with the Rule in connection with offering of the Bonds.

“Resolution” shall mean collectively, the resolution adopted by the Board of Education of the District on [June 13], 2023, and a resolution adopted by the Board of Supervisors of the County on [____], 2023.

“Rule” shall mean Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

Section 3. Transmission of Notices, Documents and Information. (a) Unless otherwise required by the MSRB, all notices, documents and information provided to the MSRB shall be provided to the EMMA System.

(b) All notices, documents and information provided to the MSRB shall be provided in an electronic format as prescribed by the MSRB.

Section 4. Provision of Annual Reports. (a) The District shall, or shall cause the Dissemination Agent to, not later than 240 days following the end of the District’s fiscal year (currently ending June 30), commencing with the report for the 2022-23 fiscal year (which is due not later than February 25, 2024), provide to the MSRB through its EMMA System an Annual Report which is consistent with the requirements of Section 5 of this Disclosure Certificate. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 5 of this Disclosure Certificate. If the District’s fiscal year changes, it shall give notice of such change in the same manner as for a Listed Event under Section 6(c).

(b) Not later than thirty (30) days (not more than sixty (60) days) prior to the date on which the Annual Report is to be provided pursuant to subsection (a), the Dissemination Agent

shall give notice to the District that the Annual Report is so required to be filed in accordance with the terms of this Disclosure Certificate. Not later than fifteen (15) days prior to said date, the District shall provide the Annual Report to the Dissemination Agent (if other than the District). If the District is unable to provide to the MSRB through its EMMA System an Annual Report by the date required in subsection (a), the Dissemination Agent shall send a timely notice of such fact to the MSRB through its EMMA System.

(c) The Dissemination Agent shall:

(i) determine each year prior to the date for providing the Annual Report to the EMMA System the date on which such Annual Report shall be due and notify the District of such date; and

(ii) (if the Dissemination Agent is other than the District) file a report with the District certifying that the Annual Report has been provided pursuant to this Disclosure Certificate, stating the date it was provided and that it was provided to the MSRB through the EMMA System.

Section 5. Content of Annual Reports. The District's Annual Report shall contain or include by reference the following:

(a) Audited financial statements of the District for the preceding fiscal year, prepared in accordance with the laws of the State of California and including all statements and information prescribed for inclusion therein by the Controller of the State of California. If the District's audited financial statements are not available by the time the Annual Report is required to be filed pursuant to Section 4 hereof, the Annual Report shall contain unaudited financial statements in a format similar to the financial statements contained in the final Official Statement, and the audited financial statements shall be filed in the same manner as the Annual Report when they become available.

(b) To the extent not included in the audited financial statements of the District, the Annual Report shall also include the following:

(i) Table 3 – “Historical Gross Assessed Valuation of Taxable Property” if and to the extent provided to the District by the County;

(ii) Table 5 – “Assessed Valuation and Parcels by Land Use”;

(iii) Table 6 – “Assessed Valuations of Single Family Homes per Parcel”;

(iv) Table 7 – “Largest Local Secured Taxpayers”;

(v) Table 9 – “Secured Tax Charges and Delinquencies,” if and to the extent provided to the District by the County;

(vi) Table A-1 – “Average Daily Attendance”;

(vii) Table A-4 – “District General Fund Budget” for the current fiscal year;

(viii) Table A-19 – “Proposition BB (Election of 1997) Bonds,” if and only to the extent that bonds issued pursuant to Proposition BB or bonds that have refunded such bonds are outstanding;

(ix) Table A-20 – “Measure K (Election of 2002) Bonds,” if and only to the extent that bonds issued pursuant to Measure K or bonds that have refunded such bonds are outstanding;

(x) Table A-21 – “Measure R (Election of 2004) Bonds,” if and only to the extent that bonds issued pursuant to Measure R or bonds that have refunded such bonds are outstanding;

(xi) Table A-22 – “Measure Y (Election of 2005) Bonds,” if and only to the extent that bonds issued pursuant to Measure Y or bonds that have refunded such bonds are outstanding;

(xii) Table A-23 – “Measure Q (Election of 2008) Bonds,” if and only to the extent that bonds issued pursuant to Measure Q or bonds that have refunded such bonds are outstanding; and

(xiii) Table A-24 - “Measure RR (Election of 2020) Bonds,” if and only to the extent that bonds issued pursuant to Measure RR or bonds that have refunded such bonds are outstanding.

(c) It shall be sufficient for purposes of Section 4 hereof if the District provides annual financial information by specific reference to documents (i) available to the public on the MSRB Internet Web site (currently, www.emma.msrb.org) or (ii) filed with the Securities and Exchange Commission. The District shall clearly identify each such other document so included by reference. The provisions of this Section 5(c) shall not apply to notices of Listed Events pursuant to Section 6 hereof.

(d) The descriptions contained in clause (b) above of financial information and operating data constituting to be included in the Annual Report are of general categories or types of financial information and operating data. When such descriptions include information that no longer can be generated because the operations to which it related have been materially changed or discontinued, or due to changes in accounting practices, legislative or organizational changes, a statement to that effect shall be provided in lieu of such information. Comparable information shall be provided if available.

Section 6. Reporting of Listed Events. (a) If a Listed Event occurs, the District shall provide or cause to be provided, in a timely manner not in excess of ten (10) Business Days of the District having notice of such Listed Event, notice of such Listed Event to (i) the EMMA System of the MSRB and (ii) the Dissemination Agent.

(b) Pursuant to the provisions of this Section 6, the District shall give, or cause to be given, notice of the occurrence of any of the following events (each, a “Listed Event”) with respect to the Bonds:

- (i) principal and interest payment delinquencies;
- (ii) non-payment related defaults, if material;
- (iii) modifications to rights of Holders, if material;
- (iv) bond calls, if material and tender offers;
- (v) defeasances;
- (vi) rating changes;
- (vii) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (Internal Revenue Service Form 5701-TEB) or other material notices of determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- (viii) unscheduled draws on the debt service reserves reflecting financial difficulties;
- (ix) unscheduled draws on the credit enhancements reflecting financial difficulties;
- (x) release, substitution or sale of property securing repayment of the Bonds, if material;
- (xi) bankruptcy, insolvency, receivership or similar event of the District (such event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the District in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under State or federal law in which a court or government authority has assumed jurisdiction over substantially all of the assets or business of the District, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the District);
- (xii) substitution of credit or liquidity providers, or their failure to perform;
- (xiii) the consummation of a merger, consolidation, or acquisition involving the District or the sale of all or substantially all of the assets of the District, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (xiv) appointment of a successor or additional Paying Agent or the change of name of a Paying Agent, if material;

(xv) incurrence of a Financial Obligation of the District, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the District, any of which affect security holders, if material;

(xvi) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the District, any of which reflect financial difficulties; and

(xvii) any amendment or waiver of a provision of this Disclosure Certificate.

The District intends to comply with the Listed Events described in Section 6(b)(xv) and Section 6(b)(xvi), and the definition of “Financial Obligation” in Section 1, with reference to the Rule, any other applicable federal securities laws and the guidance provided by the Securities and Exchange Commission in Release No. 34-83885, dated August 20, 2018 (the “2018 Release”), and any further amendments or written guidance provided by the Securities and Exchange Commission or its staff with respect to the amendments to the Rule effected by the 2018 Release. The District notes that items (viii), (ix), (x) and (xii) are not applicable to the Bonds.

(c) If the District determines that a Listed Event has occurred, the District shall promptly notify the Dissemination Agent in writing. Such notice shall instruct the Dissemination Agent to report the occurrence pursuant to Section 3 hereof.

(d) If the Dissemination Agent has been instructed by the District to report the occurrence of a Listed Event, the Dissemination Agent shall file a notice of such occurrence with the MSRB through its EMMA System.

(e) Notwithstanding the foregoing, notice of Listed Events described in subsections (b)(iv) need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to Holders of affected Bonds pursuant to the Resolution.

Section 7. CUSIP Numbers. Whenever providing information to the Dissemination Agent, including but not limited to Annual Reports, documents incorporated by reference to the Annual Reports, Audited Financial Statements and notices of Listed Events, the District shall indicate the full name of the Bonds and the 9-digit CUSIP numbers for the Bonds as to which the provided information relates.

Section 8. Termination of Reporting Obligation. (a) The District’s obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If such termination occurs prior to the final maturity of the Bonds, the District shall give notice of such termination in the same manner as for a Listed Event under Section 6(c).

(b) This Disclosure Certificate, or any provision hereof, shall cease to be effective in the event that the District (1) delivers to the Dissemination Agent an opinion of Disclosure Counsel, addressed to the District and the Dissemination Agent, to the effect that those portions of the Rule which require this Disclosure Certificate, or such provision, as the case may be, do not or no longer apply to the Bonds, whether because such portions of the Rule are invalid, have been

repealed, or otherwise, as shall be specified in such opinion, and (2) delivers copies of such opinion to the MSRB.

Section 9. Dissemination Agent. The District may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall be Digital Assurance Certification, L.L.C. If at any time there is no designated Dissemination Agent appointed by the District, or if the Dissemination Agent so appointed is unwilling or unable to perform the duties of the Dissemination Agent hereunder, the District shall be the Dissemination Agent and undertake or assume its obligations hereunder. The Dissemination Agent (other than the District) shall not be responsible in any manner for the content of any notice or report required to be delivered by the District pursuant to this Disclosure Certificate.

Section 10. Amendment; Waiver. (a) This Disclosure Certificate may be amended by the District without the consent of the holders of the Bonds (except to the extent required under clause (a)(iv)(2) below), if all of the following conditions are satisfied:

(i) such amendment is made in connection with a change in circumstances that arises from a change in legal (including regulatory) requirements, a change in law (including rules or regulations) or in interpretations thereof, or a change in the identity, nature or status of the District or the type of business conducted thereby;

(ii) this Disclosure Certificate as so amended would have complied with the requirements of the Rule as of the date of this Disclosure Certificate, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances;

(iii) the District shall have received an opinion of a nationally recognized bond counsel or counsel expert in federal securities laws, addressed to the District, to the same effect as set forth in (a)(ii) above;

(iv) either (1) the District shall have received an opinion of a nationally recognized bond counsel or counsel expert in federal securities laws, addressed to the District, to the effect that the amendment does not materially impair the interests of the holders of the Bonds or (2) is approved by the Holders of the Bonds in the same manner as provided in the Resolution for amendments to the Resolution with the consent of Holders; and

(v) the District shall have delivered copies of such opinion and amendment to the MSRB through its EMMA system within ten (10) Business Days from the execution thereof.

(b) In addition to subsection 10(a) above, this Disclosure Certificate may be amended and any provision of this Disclosure Certificate may be waived, by written certificate of the District, without the consent of the holders of the Bonds, if all of the following conditions are satisfied:

(i) an amendment to the Rule is adopted, or a new or modified official interpretation of the Rule is issued, after the effective date of this Disclosure Certificate which is applicable to this Disclosure Certificate;

(ii) the District shall have received an opinion of a nationally recognized bond counsel or counsel expert in federal securities laws, addressed to the District, to the effect that performance by the District under this Disclosure Certificate as so amended or giving effect to such waiver, as the case may be, will not result in a violation of the Rule; and

(iii) the District shall have delivered copies of such opinion and amendment to the MSRB through its EMMA system.

(c) In the event of any amendment or waiver of a provision of this Disclosure Certificate, the District shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the District. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 6 hereof, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 11. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the District from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the District chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the District shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 12. Default. In the event of a failure of the District to comply with any provision of this Disclosure Certificate, the Dissemination Agent may (and, at the request of any Participating Underwriters or the Holders or Beneficial Owners of at least 25% of aggregate principal amount of the Bonds then outstanding, shall) or any Holders or Beneficial Owners of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Disclosure Certificate; provided that any such action may be instituted only in the Superior Court of the State of California in and for the County of Los Angeles or in the U.S. District Court in the County of Los Angeles. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Resolution, and the sole remedy under this Disclosure Certificate in the event of any failure of the District to comply with this Disclosure Certificate shall be an action to compel performance.

Section 13. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the District agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's gross negligence or willful misconduct. The obligations of the District under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

Section 14. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the District, the Dissemination Agent, the Participating Underwriters and Holders and Beneficial Owners from time to time of the Bonds, and shall create no rights in any other person or entity.

Section 15. Execution in Counterparts. This Disclosure Certificate may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same certificate.

KBRA: “[_____]”

Moody’s: “[_____]”

See “MISCELLANEOUS – Ratings” herein.

In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the District, under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the Bonds maturing on and after [_____] 1, 20[_____] (the “Tax-Exempt Bonds”) is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and (ii) interest on the Tax-Exempt Bonds is not treated as a preference item in calculating the alternative minimum tax under the Code, however for tax years beginning after December 31, 2022, interest on the Tax-Exempt Bonds is included in the “adjusted financial statement income” of certain corporations that are subject to the alternative minimum tax under Section 55 of the Code. Hawkins Delafield & Wood LLP also is of the opinion that interest on the Bonds maturing on [_____] 1, 20[_____] (the “Federally Taxable Bonds”) is included in gross income for Federal income tax purposes pursuant to the Code. In addition, in the opinion of Bond Counsel to the District, under existing statutes, interest on the Bonds is exempt from personal income taxes imposed by the State of California. See “TAX MATTERS” herein.

\$[PAR]*
LOS ANGELES UNIFIED SCHOOL DISTRICT
(County of Los Angeles, California)
General Obligation Bonds, Series QRR (2023)
(Dedicated Unlimited Ad Valorem Property Tax Bonds)

Dated: Date of Delivery**Due: As shown on inside cover**

The Los Angeles Unified School District (County of Los Angeles, California) General Obligation Bonds, Series QRR (2023) (Dedicated Unlimited Ad Valorem Property Tax Bonds) (the “Bonds”) are issued by the County of Los Angeles, California (the “County”) on behalf of the Los Angeles Unified School District (the “District”) to finance certain school facilities projects[, including funding capitalized interest and paying principal on the Federally Taxable Bonds], and to pay the costs of issuance of the Bonds as more fully described herein. See “PLAN OF FINANCE.” The Bonds are being issued under the laws of the State of California (the “State”), the applicable authorizations received at elections held by the District as described herein, and pursuant to resolutions of the Board of Education of the District and the Board of Supervisors of the County.

The Bonds are general obligation bonds of the District secured by and payable from *ad valorem* property taxes to be levied within the District pursuant to the California Constitution and other State law. The Board of Supervisors of the County is empowered and is obligated to levy *ad valorem* taxes upon all property subject to taxation by the District, without limitation as to rate or amount (except as to certain personal property which is taxable at limited rates), for the payment of principal of and interest on the Bonds, all as more fully described herein. See “SECURITY AND SOURCE OF PAYMENT FOR THE BONDS.”

Interest on the Tax-Exempt Bonds is payable on each January 1 and July 1 to maturity, commencing [January 1, 2024]. Interest on the Federally Taxable Bonds is payable at maturity. Principal of the Bonds is payable in each of the years and in the amounts set forth on the inside front cover page hereof.

The Bonds will be issued in book-entry form only, in denominations of \$5,000 principal amount, or integral multiples thereof, and will be initially issued and registered in the name of Cede & Co., as nominee for The Depository Trust Company (“DTC”). DTC will act as securities depository for the Bonds. Owners will not receive certificates representing their interests in the Bonds. Payments of principal of, premium, if any, and interest on the Bonds will be made by U.S. Bank Trust Company, National Association, as agent to the Treasurer and Tax Collector of the County, as the initial paying agent, to DTC, which is obligated to remit such payments to its DTC Participants for subsequent disbursement to the beneficial owners of the Bonds. See APPENDIX C – “BOOK-ENTRY ONLY SYSTEM.”

The Bonds are subject to redemption prior to their respective stated maturity dates as described herein.* See “THE BONDS – Redemption.”

THIS COVER PAGE CONTAINS CERTAIN INFORMATION FOR GENERAL REFERENCE ONLY. IT IS NOT INTENDED TO BE A SUMMARY OF THE SECURITY OR TERMS OF THIS ISSUE. INVESTORS ARE ADVISED TO READ THE ENTIRE OFFICIAL STATEMENT TO OBTAIN INFORMATION ESSENTIAL TO THE MAKING OF AN INFORMED INVESTMENT DECISION.

The Bonds will be offered when, as and if issued by the County on behalf of the District, and received by the Underwriters, subject to the approval as to their legality by Hawkins Delafield & Wood LLP, Los Angeles, California, Bond Counsel to the District, and certain other conditions. Certain legal matters will be passed upon for the District by the General Counsel to the District and by Orrick, Herrington & Sutcliffe LLP, Los Angeles, California, Disclosure Counsel to the District, and for the Underwriters by [_____] , [_____] , [_____] . The Bonds, in book-entry form, will be available for delivery through the facilities of DTC on or about [_____] , 2023.

General Obligation Bonds, Series QRR (2023)
(Dedicated Unlimited *Ad Valorem* Property Tax Bonds)

INTRODUCTION

This Introduction is not a summary of this Official Statement. It is only a brief description of, and is qualified by, more complete and detailed information contained in the entire Official Statement, including the cover page and inside cover page, through the appendices hereto, and the documents summarized or described herein. The offering of the Bonds to potential investors is made only by means of the entire Official Statement. A full review should be made of the entire Official Statement.

General

This Official Statement, which includes the cover page through the appendices hereto, is provided to furnish information in connection with the sale of \$[PAR]* aggregate principal amount of Los Angeles Unified School District (County of Los Angeles, California) General Obligation Bonds, Series QRR (2023) (Dedicated Unlimited *Ad Valorem* Property Tax Bonds) (the “Bonds”) to be offered by the Los Angeles Unified School District (the “District”). The Bonds maturing on and after [_____] 1, 20[___] are referred to herein as the “Tax-Exempt Bonds.” The Bonds maturing on [_____] 20[___] are referred to herein as the “Federally Taxable Bonds.”

The Bonds are issued by the County of Los Angeles, California (the “County”) on behalf of the District pursuant to certain provisions of the California Education Code and other applicable law, the authorization received at an election held by the District as described herein, a resolution adopted by the Board of Education of the District (the “District Board”) on [June 13], 2023 (the “District Resolution”), and a resolution adopted by the Board of Supervisors of the County on [COUNTY RESO], 2023 (the “County Resolution” and, together with the District Resolution, the “Resolutions”). The Bonds are being issued to finance certain school facilities projects, including [funding capitalized interest and] paying principal on the Federally Taxable Bonds, and to pay the costs of issuance of the Bonds as more fully described herein. See “INTRODUCTION – Authority and Purpose for Issuance of the Bonds” and “PLAN OF FINANCE.”

THE BONDS ARE GENERAL OBLIGATION BONDS OF THE DISTRICT SECURED BY AND PAYABLE FROM AD VALOREM TAXES TO BE LEVIED UPON ALL PROPERTY SUBJECT TO TAXATION BY THE DISTRICT, WITHOUT LIMITATION AS TO RATE OR AMOUNT (EXCEPT AS TO CERTAIN PERSONAL PROPERTY WHICH IS TAXABLE AT LIMITED RATES). THE BONDS ARE NOT AN OBLIGATION OF THE COUNTY, THE STATE OF CALIFORNIA OR OF THE GENERAL FUND OF THE DISTRICT. SEE “SECURITY AND SOURCE OF PAYMENT FOR THE BONDS.”

The District

The District, encompassing approximately 710 square miles, is located in the western section of the County in the State of California (the “State”). The District’s boundaries include virtually all of the City of Los Angeles (the “City”), all of the Cities of Cudahy, Gardena, Huntington Park, Lomita, Maywood, San Fernando, Vernon and West Hollywood, and portions of the Cities of Bell, Bell Gardens, Beverly Hills,

* Preliminary; subject to change.

Calabasas, Carson, Commerce, Culver City, Downey, Hawthorne, Inglewood, Long Beach, Lynwood, Montebello, Monterey Park, Rancho Palos Verdes, Rolling Hills Estates, Santa Clarita, Santa Monica, South Gate, and Torrance. In addition, the District provides services to several unincorporated areas of the County which include residential and industrial areas. The boundaries for the District are approximately 80% coterminous with the City, with the remaining 20% included in smaller neighboring cities and unincorporated County areas. The District was formed in 1854 as the Common Schools for the City and became a unified school district in 1960.

[TO BE UPDATED FOLLOWING NORM DAY] The District is the second largest public school district in the United States and is the largest public school district in the State. As of September [], 2023, the transitional kindergarten through 12th grade enrollment in the District for fiscal year 2023-24 was approximately [] students, including those attending magnet, opportunity, and continuation schools and centers, locally-funded affiliated charter schools (“Affiliated Charter Schools”), and schools for the handicapped. Such enrollment does not include students attending fiscally independent charter schools (“Fiscally Independent Charter Schools”) that was budgeted at [] students at the time of preparation of the District’s original adopted budget for fiscal year 2023-24. For more information regarding District enrollment and average daily attendance, see APPENDIX A – “DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – DISTRICT GENERAL INFORMATION – Enrollment and Average Daily Attendance.” As reflected in the District’s Audited Annual Financial Report for fiscal year 2021-22, the District operated 1,224 schools and centers, which consisted of 436 elementary schools, 78 middle/junior high schools, 87 senior high schools, 53 options schools, 255 magnet centers, 66 magnet schools, 28 multi-level schools, 13 special education schools, 1 community adult school, 7 regional occupational centers, 2 skills centers, 87 early education centers, 4 infant centers, 18 primary school centers, and 89 California State preschools. As reflected in the District’s Audited Annual Financial Report for fiscal year 2021-22, 51 of the District’s schools were operated as Affiliated Charter Schools. In addition, as reflected in the District’s Audited Annual Financial Report for fiscal year 2021-22, the District oversaw 227 Fiscally Independent Charter Schools within the District’s boundaries. See APPENDIX A – “DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – STATE FUNDING OF SCHOOL DISTRICTS – Charter School Funding.”

Additional information on the District is set forth in Appendices A and B. See APPENDIX A – “DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION” and APPENDIX B – “AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2022.” For specific information on the impact of the Coronavirus Disease 2019 (“COVID-19”) pandemic (i) on the security and source of payment for the Bonds, see “SECURITY AND SOURCE OF PAYMENT FOR THE BONDS – Assessed Valuation of Property Within the District” and “– Tax Rates, Levies and Collections” and (ii) on the District’s operations and finances, see APPENDIX A – “DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – STATE FUNDING OF SCHOOL DISTRICTS – Infectious Disease Outbreak.”

The District’s General Obligation Bond Program

Voters within the District have approved a total of \$27.605 billion of general obligation bonds in six separate bond elections since 1997, as delineated in Table 1 below, a portion of which are currently outstanding. Prior to the issuance of the Bonds, a total of \$18.056 billion of the approved general obligation bonds has been issued, with \$9.549 billion remaining to be issued under the bond authorizations listed below (collectively, the “Authorizations”). See “SECURITY AND SOURCE OF PAYMENT FOR THE BONDS – The District’s General Obligation Bond Program and Bonding Capacity.”

TABLE 1
LOS ANGELES UNIFIED SCHOOL DISTRICT
General Obligation Bond Authorizations

Bond Authorization	Date Authorized by Voters	Percentage Approval⁽¹⁾	Amount Authorized (\$ Billions)	Amount Issued⁽²⁾ (\$ Billions)	Amount Unissued⁽²⁾ (\$ Billions)	Purposes
Proposition BB	April 8, 1997	71%	\$ 2.400	\$ 2.400	\$0.000	Health and safety improvements, computer technology and science labs, air conditioning and new construction
Measure K	November 5, 2002	68	3.350	3.350	0.000	New construction, acquisition, rehabilitation and upgrading of specifically identified school facilities
Measure R	March 2, 2004	63	3.870	3.870	0.000	New construction, acquisition, rehabilitation and upgrading of specifically identified school facilities, and installation and upgrading of information-technology infrastructure

Measure RR	November 3, 2020	71	<u>7.000</u>	<u>0.700</u>	<u>6.300</u>	New construction, acquisition, rehabilitation and upgrading of specifically identified school facilities, and implementing COVID-19 facility safety standards
Total			<u>\$27.605</u>	<u>\$18.056</u>	<u>\$9.549</u>	

(1) Measure K, Measure R, Measure Y, Measure Q and Measure RR were approved pursuant to the provisions of Proposition 39, which requires approval of at least 55% of voters voting on the proposition. Proposition BB was approved pursuant to the provisions of Proposition 46, which requires approval of at least two-thirds of voters voting on the proposition.

(2) See APPENDIX A – “DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – DISTRICT FINANCIAL INFORMATION – District Debt – *General Obligation Bonds*” for the amounts of outstanding general obligation bonds under the referenced Authorizations. Excludes general obligation refunding bonds.

Source: Los Angeles Unified School District.

In addition to the bond proceeds from the six Authorizations referred to above, the District has received State-matching funds and other revenue sources to fund the general obligation bond program's various projects. The District may continue to receive other revenue sources, including State-matching funds; however, additional funding is not guaranteed. The District's general obligation bond program has completed all projects that enabled the District to operate all schools on a traditional two-semester calendar in the 2018-19 school year. In addition, approximately 23,700 new school construction, rehabilitation, modernization and replacement projects, which are intended to upgrade facilities and improve the learning environment for students, have been completed. The program includes, among other things, various school facilities improvements for computer technology, sustainability, information technology systems and school buses.

Authority and Purpose for Issuance of the Bonds

The Bonds are issued pursuant to provisions of Section 1(b)(3) of Article XIII A of the State Constitution, Chapters 1 and 1.5 of Part 10 of Division 1 of Title 1 of the California Education Code and other applicable law, the Measure Q Authorization (defined below), the Measure RR Authorization (defined below), and the Resolutions. A portion of the proceeds of the Bonds attributable to the Measure Q Authorization (defined below) will, after payment of costs of issuance thereto, fund certain school projects (collectively, the "Measure Q Projects") approved by voters in the November 4, 2008 election approving Measure Q (the "Measure Q Authorization"). A portion of the proceeds of the Bonds attributable to the Measure RR Authorization (defined below) will, after payment of costs of issuance therefor, fund certain school projects (collectively, the "Measure RR Projects") approved by voters in the November 3, 2020 election approving Measure RR (the "Measure RR Authorization"). [A portion of the proceeds of the Bonds is also expected to fund capitalized interest on the Bonds through [_____] 1, 2024 and pay principal on the Federally Taxable Bonds.] See "PLAN OF FINANCE" and "ESTIMATED SOURCES AND USES OF FUNDS." Measure Q and Measure RR are each referred to herein as a "Measure."

Security and Source of Payment for the Bonds

The Bonds are payable from *ad valorem* property taxes to be levied within the District pursuant to the California Constitution and other State law. The Board of Supervisors of the County is empowered and is obligated to levy *ad valorem* taxes upon all property subject to taxation by the District, without limitation as to rate or amount (except as to certain personal property which is taxable at limited rates), for the payment of principal of and interest on the Bonds, all as more fully described herein. Such *ad valorem* property taxes are deposited in the related Interest and Sinking Fund of the District, which is held by the County and may only be applied to pay the principal of, redemption premium, if any, and interest on the Bonds of a Measure established for such Bonds and Measure. Pursuant to the Resolutions, the term "Interest and Sinking Fund" means each interest and sinking fund of the District, designated to correspond to the applicable general obligation bonds or general obligation refunding bonds of the District and related voter-approved bond measure of the District established for such bonds and used only for payment of principal of and interest on such bonds.

Pursuant to the District Resolution, the District pledges and grants a lien on and security interest in, all revenues from the property taxes collected from the levy by the Board of Supervisors with respect to each voter-approved bond measure of the District for payment of bonds issued under such measure of the District and all amounts on deposit in any Interest and Sinking Fund of the District for the payment of the principal or redemption price of and interest on such bonds. The District Resolution provides that this pledge and grant is valid and binding from the date of adoption of the District Resolution for the benefit of the owners of such bonds and successors thereto. The District Resolution further provides that the property taxes and amounts held in each Interest and Sinking Fund of the District are immediately subject to this pledge and grant, and this pledge and grant constitutes a lien and security interest which immediately

attaches to the property taxes and amounts held in such Interest and Sinking Fund of the District to secure the payment of such bonds and is effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge or grant, and without the need of any physical delivery, recordation, filing, or further act. The District Resolution provides that this pledge and grant is an agreement between the District and the owners of each series of Bonds and of each issue of outstanding general obligation bonds and general obligation refunding bonds to provide security for each series of Bonds and all such other general obligation bonds and general obligation refunding bonds of the District in addition to any statutory lien that may exist, and each such issue of general obligation bonds and general obligation refunding bonds of the District are or were issued to finance or refinance, as applicable, one or more of the projects specified in the applicable voter-approved measure and not to finance the general purposes of the District. In accordance with Section 15251 of the Education Code, such bonds are also automatically secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the applicable Measure. See “SECURITY AND SOURCE OF PAYMENT FOR THE BONDS.”

Other Information

This Official Statement contains brief descriptions of, among other things, the District, the District’s general obligation bond program, the Resolutions and certain matters relating to the security for the Bonds. Such descriptions and information do not purport to be comprehensive or definitive. All references herein to documents are qualified in their entirety by reference to such documents. Copies of such documents are available for inspection at the District by request to the Office of the Chief Business Officer at (213) 241-7888 and, following delivery of the Bonds will be on file, as applicable, at the principal office of U.S. Bank Trust Company, National Association, as agent to the Treasurer and Tax Collector of the County, as paying agent (the “Paying Agent”), in Los Angeles, California.

PLAN OF FINANCE

A portion of the proceeds of the Bonds attributable to the Measure Q Authorization will be applied to fund the costs of various components of the Measure Q Projects in accordance with the ballot measure for the Measure Q Authorization. The Measure Q Authorization includes a number of specifically identified projects that can be funded with the proceeds of the Bonds, which was summarized to the District’s voters to include: repair/upgrade of aging/deteriorating classrooms, restrooms; upgrade fire/earthquake safety; reduce asbestos, lead paint, air pollution, water quality hazards; build/upgrade specialized classrooms students need to meet job/college requirements; improve classroom Internet access.

A portion of the proceeds of the Bonds attributable to the Measure RR Authorization will be applied to fund the costs of various components of the Measure RR Projects in accordance with the ballot measure for the Measure RR Authorization. The Measure RR Authorization includes a number of specifically identified projects that can be funded with the proceeds of the Bonds, which was summarized to the District’s voters to include: update classrooms/labs/technology for 21st century learning; implement COVID-19 facility safety standards; address school facility inequities; reduce asbestos, earthquake and water quality hazards; and replace/renovate aging school classrooms/buildings.

A portion of the proceeds of the Bonds will also be used to pay the costs of issuance of the Bonds, including the underwriters’ discount. [Premium received from the Bonds will be used to pay capitalized interest on the Bonds and principal on the Federally Taxable Bonds.]

ESTIMATED SOURCES AND USES OF FUNDS

The estimated sources and uses of funds with respect to the Bonds are as follows:

TABLE 2
ESTIMATED SOURCES AND USES OF FUNDS

⁽¹⁾ [Expected to fund capitalized interest on the Bonds through [] 1, 2024, and pay principal on the Federally Taxable Bonds.]

⁽²⁾ Includes fees of Bond Counsel, Disclosure Counsel, Paying Agent, Municipal Advisor, rating agencies, and printer, and other miscellaneous expenses, including a portion of the election costs relating to Measure RR.

THE BONDS

General Provisions

The Bonds will be dated their date of delivery, will be issued in book-entry form only, without coupons, in denominations of \$5,000 principal amount or any integral multiple thereof, and, when issued, will be initially registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"). DTC will act as securities depository for the Bonds. Owners will not receive physical certificates representing their interest in the Bonds purchased, except in the event that use of the book-entry system for the Bonds is discontinued. Payments of principal of, premium, if any, and interest on the Bonds will be made by the Paying Agent to DTC, which is obligated in turn to remit such payments to its DTC Participants for subsequent disbursement to the beneficial owners of the Bonds. For information about the securities depository and DTC's book-entry system, see APPENDIX C – "BOOK-ENTRY ONLY SYSTEM."

The Bonds mature in the years and on the dates set forth on the inside front cover page hereof. Interest on the Tax-Exempt Bonds is payable on each January 1 and July 1 to maturity, commencing on [January 1, 2024] (each, a "Tax-Exempt Interest Payment Date"). Interest on the Federally Taxable Bonds is payable at maturity (the "Taxable Interest Payment Date" and together with the Tax-Exempt Interest Payment Dates, the "Interest Payment Dates"). Interest on the Bonds will be computed on the basis of a 360-day year of twelve 30-day months. Each Bond will bear interest from the Interest Payment Date next preceding the date of authentication thereof, unless it is authenticated as of a date during the period from the 15th day of the calendar month immediately preceding such Interest Payment Date, inclusive, whether or not such day is a business day (each, a "Record Date") to such Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or unless it is authenticated on or before the Record Date preceding the first Interest Payment Date, in which event it shall bear interest from the date of delivery of the Bonds.

Redemption*

Optional Redemption. The Bonds maturing on or after July 1, 20__, are subject to redemption prior to their respective stated maturity dates, at the option of the District, from any source of available funds, as a whole or in part on any date on or after July 1, 20__, at a redemption price equal to the principal amount of such Bonds called for redemption, together with interest accrued thereon to the date of redemption, without premium.

Mandatory Sinking Fund Redemption. The Bonds maturing on July 1, 20__ are subject to mandatory sinking fund redemption on July 1 in each of the years and in the respective principal amounts as set forth in the following schedule, at a redemption price equal to 100% of the principal amount thereof to be redeemed, together with interest accrued thereon to the date fixed for redemption, without premium:

Mandatory Sinking Fund Redemption Date (July 1)	Principal Amount to be Redeemed
	\$
†	
† Maturity.	

The principal amount to be redeemed in each year shown above will be reduced proportionately, or as otherwise directed by the District, in integral multiples of \$5,000 principal amount, by any portion of such term bonds optionally redeemed prior to the mandatory sinking fund redemption date.

The Bonds maturing on July 1, 20__ are subject to mandatory sinking fund redemption on July 1 in each of the years and in the respective principal amounts as set forth in the following schedule, at a redemption price equal to 100% of the principal amount thereof to be redeemed, together with interest accrued thereon to the date fixed for redemption, without premium:

Mandatory Sinking Fund Redemption Date (July 1)	Principal Amount to be Redeemed
	\$
†	
† Maturity.	

The principal amount to be redeemed in each year shown above will be reduced proportionately, or as otherwise directed by the District, in integral multiples of \$5,000 principal amount, by any portion of such term bonds optionally redeemed prior to the mandatory sinking fund redemption date.

* Preliminary; subject to change.

Selection of Bonds upon Redemption. If less than all of the Bonds, if any, are subject to such redemption and are called for redemption, such Bonds shall be redeemed as directed by the District, and if less than all of the Bonds of any given maturity are called for redemption, the portions of such Bonds of a given maturity to be redeemed shall be determined by lot in any manner deemed fair by the Paying Agent.

Notice of Redemption. Notice of any redemption of any Bonds is required to be mailed by the Paying Agent, postage prepaid, not less than twenty (20) nor more than sixty (60) days prior to the redemption date (i) by first class mail to the County and the respective Owners thereof at the addresses appearing on the bond registration books, and (ii) as may be further required in accordance with the Continuing Disclosure Certificate relating to the Bonds.

Each notice of redemption is required to contain the following: (i) the date of such notice; (ii) the name of the Bonds and the date of issue of such Bonds; (iii) the redemption date; (iv) the redemption price; (v) the dates of maturity or maturities of the Bonds to be redeemed; (vi) if less than all of the Bonds of any maturity are to be redeemed, the distinctive numbers of the Bonds of each maturity to be redeemed; (vii) in the case of Bonds redeemed in part only, the respective portions of the principal amount of the Bonds of each maturity to be redeemed; (viii) the CUSIP number, if any, of each maturity of Bonds to be redeemed; (ix) a statement that such Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; (x) notice that further interest on such Bonds will not accrue after the designated redemption date; and (xi) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

Effect of Notice. A certificate of the Paying Agent that the notice of redemption that has been given to Owners as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption, nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Bonds called for redemption or the cessation of interest on the date fixed for redemption. When notice of redemption has been given substantially as provided for in the County Resolution, and when the redemption price of such Bonds called for redemption is set aside for the purpose as described in the County Resolution, the Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Bonds at the place specified in the notice of redemption, such Bonds are required to be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the related Interest and Sinking Fund of the District or the trust fund established for such purpose. All Bonds redeemed will be cancelled forthwith by the Paying Agent and will not be reissued.

Right to Rescind Notice. The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the related Interest and Sinking Fund of the District or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of and premium, if any, and interest due on the Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

Redemption Fund. Prior to or on the redemption date of any Bonds, there shall be available, in the related Interest and Sinking Fund of the District, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as provided therefor, the Bonds

designated in the notice of redemption. Such monies set aside for the Bonds are required to be applied on or after the redemption date solely for payment of principal of and premium, if any, and interest due on the Bonds to be redeemed upon presentation and surrender of such Bonds provided that all monies in the related Interest and Sinking Fund of the District shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the related Interest and Sinking Fund of the District, unless otherwise provided to be paid from such monies held in trust. If, after all of the Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the related Interest and Sinking Fund of the District or otherwise held in trust for the payment of the redemption price of such Bonds, the monies are required to be held in or returned or transferred to any Interest and Sinking Fund of the District for payment of any outstanding bonds of the District payable from such fund; provided, however, that if those monies are part of the proceeds of bonds of the District, the monies shall be transferred to the fund created for the payment of principal of and interest on such bonds. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

Defeasance and Unclaimed Moneys

Defeasance. If at any time the District pays or causes to be paid or there shall otherwise be paid to the Owners of any or all of the outstanding Bonds all or any part of the principal of and premium, if any, and interest on such Bonds at the times and in the manner provided in the County Resolution and in such Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners of such Bonds shall cease to be entitled to the obligation of the District as provided in the County Resolution, and such obligation and all agreements and covenants of the District and of the County to such Owners under the County Resolution and such Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal of and premium, if any, and interest on such Bonds, but only out of monies on deposit in the related Interest and Sinking Fund of the District or otherwise held in trust for such payment; and provided further, however, that the provisions of the County Resolution, shall apply in all events. See “– Unclaimed Moneys” below.

The District may pay and discharge any or all of the Bonds by depositing in trust with the Paying Agent or an escrow agent, selected by the District, at or before maturity, money and/or Defeasance Securities (as defined herein), in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the related Interest and Sinking Fund of the District, be fully sufficient to pay and discharge the indebtedness on such Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

The term “Defeasance Securities” means (i) non-callable direct and general obligations of the United States of America (including state and local government series), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including, in the case of direct and general obligations of the United States of America, evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations; provided that investments in such proportionate interests must be limited to circumstances wherein (a) a bank or trust company acts as custodian and holds the underlying United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; (ii) non-callable obligations of government sponsored agencies that are rated in one of the two highest rating categories assigned by Standard & Poor’s Ratings Services, a Standard & Poor’s Financial Services LLC business (“S&P”) or Moody’s Investors Service (“Moody’s”), but in each case the

obligations are not guaranteed by a pledge of the full faith and credit of the United States of America; and (iii) Advance Refunded Municipal Securities (defined herein).

The term “Advance Refunded Municipal Securities” means any bonds or other obligations of any state of the United States of America or of any agency, instrumentality or local government unit of any such state (i) which are not callable prior to maturity or as to which irrevocable instructions have been given to the trustee, fiscal agent or other fiduciary for such bonds or other obligations by the obligor to give due notice of redemption and to call such bonds or other obligations for redemption on the date or dates specified in such instructions, (ii) which are secured as to principal of, premium, if any, and interest by a fund consisting only of cash, direct United States or United States guaranteed obligations, or any combination thereof, which fund may be applied only to the payment of such principal of, premium, if any, and interest on such bonds or other obligations on the maturity date or dates thereof or the redemption date or dates specified in the irrevocable instructions referred to in clause (i) above, as appropriate, and (iii) as to which the principal of, premium, if any, and interest on the bonds and obligations of the character described in clause (i) above which have been deposited in such fund, along with any cash on deposit in such fund, have been verified by an independent certified public accountant as being sufficient to pay principal of, premium, if any, and interest on such bonds or other obligations on the maturity date or dates thereof or on the redemption date or dates specified in the irrevocable instructions referred to in clause (i) above, as applicable.

Unclaimed Moneys. Any money held in any fund created pursuant to the County Resolution, or by the Paying Agent in trust, for the payment of the principal of, premium, if any, and interest on the Bonds, and remaining unclaimed for two years after the principal of all of the Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to any Interest and Sinking Fund of the District for payment of any outstanding bonds of the District payable from that fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

SECURITY AND SOURCE OF PAYMENT FOR THE BONDS

General Description

The Bonds are payable from *ad valorem* property taxes to be levied within the District pursuant to the California Constitution and other State law. In order to provide sufficient funds for repayment of principal and interest when due on the Bonds, the Board of Supervisors of the County is empowered and is obligated to levy *ad valorem* taxes upon all property subject to taxation by the District, without limitation as to rate or amount (except as to certain personal property which is taxable at limited rates). When collected, such *ad valorem* property taxes are required by law to be deposited in the related Interest and Sinking Fund of the District, which is required to be maintained by the County and may only be applied to pay the principal of, redemption premium, if any, and interest on the Bonds of a Measure established for such Bonds and Measure. Such taxes are in addition to but separate from other taxes levied upon property within the District that are deposited by the County in the General Fund of the District. The District does not receive such funds, nor are they available to pay any of the District’s operating expenses.

Under California law, the District’s funds are required to be held by the Treasurer and Tax Collector of the County (the “County Treasurer”). All funds held by the County Treasurer in each Interest and Sinking Fund of the District are expected to be invested at the discretion of the County Treasurer on behalf of the District in such investments as are authorized by Section 53601 and following of the California Government Code and the investment policy of the County, as either may be amended or supplemented from time to time. See APPENDIX F – “THE LOS ANGELES COUNTY TREASURY POOL.”

Pledge of Tax Revenues

Pursuant to the District Resolution, the District pledges and grants a lien on and security interest in, all revenues from the property taxes collected from the levy by the Board of Supervisors with respect to each voter-approved bond measure of the District for payment of bonds issued under such measure of the District and all amounts on deposit in any Interest and Sinking Fund of the District for the payment of the principal or redemption price of and interest on such bonds. The District Resolution provides that this pledge and grant is valid and binding from the date of adoption of the District Resolution for the benefit of the owners of such bonds and successors thereto. The District Resolution further provides that the property taxes and amounts held in each Interest and Sinking Fund of the District are immediately subject to this pledge and grant, and this pledge and grant constitutes a lien and security interest which immediately attaches to the property taxes and amounts held in such Interest and Sinking Fund of the District to secure the payment of such bonds and is effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge or grant, and without the need of any physical delivery, recordation, filing, or further act. The District Resolution provides that this pledge and grant is an agreement between the District and the owners of each series of Bonds and of each issue of outstanding general obligation bonds and general obligation refunding bonds to provide security for each series of Bonds and all such other general obligation bonds and general obligation refunding bonds of the District in addition to any statutory lien that may exist, and each such issue of general obligation bonds and general obligation refunding bonds of the District are or were issued to finance or refinance, as applicable, one or more of the projects specified in the applicable voter-approved measure and not to finance the general purposes of the District. In accordance with Section 15251 of the Education Code, such bonds are also automatically secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the applicable Measure. See “ – Statutory Lien on Taxes (Senate Bill 222)” below.

The pledge of tax revenues provided for in the District Resolution specifies that said lien secures the Bonds and other bonds that may be issued in the future. Further, previous general obligation bonds of the District have been issued under resolutions which pledge tax revenues to secure the general obligation bonds and the general obligation refunding bonds issued thereunder and the District may provide for a similar pledge of tax revenues in resolutions adopted in the future that authorize general obligation bonds and general obligation refunding bonds. The District Resolution does not specify the relative priority of obligations so secured or a method of allocation in the event that the revenues received pursuant to the levy and collection of the tax are insufficient to pay all amounts then due and owing that are secured by the lien of the pledges.

Statutory Lien on Taxes (Senate Bill 222)

Pursuant to Section 53515 of the California Government Code (which became effective on January 1, 2016, as part of Senate Bill 222), all general obligation bonds issued by local agencies, including refunding bonds, will be secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax. California Education Code Section 15251 provides for a similar lien for bonds issued and sold by school districts (including the Bonds) pursuant to Chapter 1 of Part 10 of Division 1 of Title 1 of the California Education Code. Section 53515 of the California Government Code and Section 15251 of the California Education Code provide that the lien will automatically arise, without the need for any action or authorization by the local agency or its governing board, and will be valid and binding from the time the bonds are executed and delivered. Section 53515 and Section 15251 further provide that the revenues received pursuant to the levy and collection of the tax will be immediately subject to the lien, and the lien will immediately attach to the revenues and be effective, binding and enforceable against the local agency or school district, as applicable, its successor, transferees and creditors, and all others asserting rights

therein, irrespective of whether those parties have notice of the lien and without the need for physical delivery, recordation, filing or further act.

This statutory lien, by its terms, secures not only the Bonds, but also any other bonds of the District payable, as to both principal and interest, from the proceeds of *ad valorem* property taxes that may be levied pursuant to paragraphs (2) and (3) of subdivision (b) of Section 1 of Article XIII A of the California Constitution. The statutory lien provision does not specify the relative priority of obligations so secured or a method of allocation in the event that the revenues received pursuant to the levy and collection of the tax are insufficient to pay all amounts then due and owing that are secured by the statutory lien.

California Constitutional and Statutory Provisions Relating to *Ad Valorem* Property Taxes

Article XIII A of the California Constitution. On June 6, 1978, California voters approved Proposition 13, adding Article XIII A to the California Constitution. Article XIII A limits the amount of any *ad valorem* tax on real property to one percent of the full cash value thereof, except that additional *ad valorem* taxes may be levied to pay debt service (i) on indebtedness approved by the voters prior to July 1, 1978, (ii) (as a result of an amendment to Article XIII A approved by California voters on June 3, 1986) on bonded indebtedness for the acquisition or improvement of real property that has been approved on or after July 1, 1978 by two-thirds of the voters voting on such indebtedness, and (iii) (as a result of a constitutional amendment approved by California voters on November 7, 2000) on bonded indebtedness incurred for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, approved by 55 percent of the voters voting on the bond measure. Article XIII A effectively prohibits the levying of any other *ad valorem* property tax above the 1% limit except for taxes to support indebtedness approved by the voters as described above.

Article XIII A defines full cash value to mean “the county assessor’s valuation of real property as shown on the 1975-1976 tax bill under full ‘cash value,’ or thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership have occurred after the 1975 assessment.” Assessed value may be adjusted annually to reflect inflation at a rate not to exceed 2% per year, or to reflect a reduction in the consumer price index or comparable data for the area under taxing jurisdiction, or may be reduced in the event of declining property value caused by substantial damage, destruction or other factors. As a result, property that has been owned by the same taxpayer for many years can have an assessed value that is much lower than the market value of the property. Similar property that has recently been acquired may have a substantially higher assessed value reflecting the recent acquisition price. Increases in assessed value in a taxing area due to the change in ownership of property may occur even when the rate of inflation or consumer price index do not permit an increase in assessed valuation of property that does not change ownership. Proposition 13 has had the effect of stabilizing assessed valuation such that it does not fluctuate as significantly as the market value of property, but instead gradually changes as longer owned residential properties are transferred and reassessed upon such transfer. On June 18, 1992, the United States Supreme Court issued a decision upholding the constitutionality of Article XIII A (*Nordlinger v. Hahn*, 112 S. Ct. 2326, 120 L. Ed. 2d 1 (1992)).

Article XIII A has subsequently been amended to permit reduction of the full cash value base in the event of declining property values caused by damage, destruction or other factors, to provide that there would be no increase in the full cash value base in the event of reconstruction of property damaged or destroyed in a disaster and in other minor or technical ways. Proposition 8, approved by the voters in November of 1978, provides for the enrollment of the lesser of the base year value or the market value of real property, taking into account reductions in value due to damage, destruction, depreciation, obsolescence, removal of property, or other factors causing a similar decline. In these instances, the market value is required to be reviewed annually until the market value exceeds the base year value. The assessed

value increases to its pre-reduction level (escalated to the annual inflation rate of no more than two percent) following the year(s) for which the reduction is applied. Reductions in assessed value could result in a corresponding increase in the annual tax rate levied by the County to pay debt service on the Bonds.

Legislation Implementing Article XIII A. Legislation has been enacted and amended a number of times since 1978 to implement Article XIII A. Under current law, local agencies are no longer permitted to levy directly any property tax (except to pay voter-approved indebtedness). The one percent property tax is automatically levied by the county and distributed according to a formula among taxing agencies. The formula apportions the tax roughly in proportion to the relative shares of taxes levied prior to 1979.

Increases of assessed valuation resulting from reappraisals of property due to new construction, change in ownership or from the two percent annual adjustment are allocated among the various jurisdictions in the “taxing area” based upon their respective “situs.” Any such allocation made to a local agency continues as part of its allocation in future years. All taxable property is shown at full assessed value on the tax rolls. Consequently, the one percent tax rate is expressed as \$1 per \$100 of taxable value.

Prospective purchasers of the Bonds should be aware that, notwithstanding any decrease in assessed valuation for any fiscal year, the County is required to levy sufficient taxes to pay debt service on the Bonds. The consequence of any decrease in assessed valuation is a corresponding increase in the tax rate on taxable property so that sufficient tax revenues may be collected from taxpayers to cover debt service on the Bonds in full.

Assessed Valuation of Property Within the District

General. As required by State law, the District uses the services of the County for the assessment and collection of taxes for District purposes. District taxes are collected at the same time and on the same tax rolls as are the County, the City of Los Angeles and other local agency and special district taxes.

State law exempts \$7,000 of the full cash value of an owner-occupied dwelling from property tax, but this exemption does not result in any loss of revenue to local entities, including the District, because an amount equivalent to the taxes which would have been payable on such exempt values is paid by the State to the County for distribution to local agencies. The County levies property taxes on behalf of taxing agencies in the County for each fiscal year on taxable real and personal property which is situated in the County as of the preceding January 1. However, upon a change in ownership of property or completion of new construction, State law permits the County to recognize changes in the assessed valuation of real property before the next regular assessment role is complete in order to levy taxes based on the new assessed value. In such instances, the property is reassessed and a supplemental tax bill is sent to the new owner based on the new value prorated for the balance of the tax year.

The fiscal year 2023-24 Assessment Roll for property within the District’s boundaries reflects an increase of approximately []% in assessed value from the prior year. Under State law, in addition to reassessments requested by property owners pursuant to Proposition 8 when the current market value of property is less than assessed value as of January 1, the county assessor annually initiates reviews of property for reassessments due to decline-in-value. See “—*Appeals of Assessed Valuation; Blanket Reductions of Assessed Values*” below.

Assessed Valuation Reductions. Assessments may be adjusted during the course of the year when real property changes ownership or new construction is completed. Assessments may also be appealed by taxpayers seeking a reduction as a result of economic and other factors beyond the District’s control, such as a general market decline in property values, including potential market declines caused by the effects of a reclassification of property to a class exempt from taxation, whether by ownership or use (such as exemptions for property owned by State and local agencies and property used for qualified educational, hospital, charitable or religious purposes), pandemic, or the complete or partial destruction of taxable property caused by natural or manmade disaster, such as earthquake, drought, flood, landslide, liquefaction, levee failure, fire, toxic dumping, etc. When necessitated by changes in assessed value in the course of a year, taxes are pro-rated for each portion of the tax year. See also “—*Appeals of Assessed Valuation; Blanket Reductions of Assessed Values*” below.

Property values could be reduced by factors beyond the District’s control, including a depressed real estate market due to general economic conditions in the County, the region, and the State. A pandemic, like the COVID-19 pandemic, may result in an economic recession or depression that causes a general market decline in property values therefore affecting the assessed value of property in the District. For more information on the impact of the COVID-19 pandemic, see APPENDIX A – “DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – STATE FUNDING OF SCHOOL DISTRICTS – Infectious Disease Outbreak.” In addition, the failure by Congress to increase the federal debt limit could have a material adverse impact on economic conditions, which, in turn, could also have a negative effect on property values in the District. Events resulting in changing

economic conditions may also alter the willingness or the ability of local taxpayers to pay *ad valorem* taxes levied to repay the District's Bonds. The District cannot predict whether events that may result in changing economic conditions will occur or the extent that a change in economic conditions will impact assessed value of property in the District or the willingness or ability of local taxpayers to pay *ad valorem* taxes.

Aside from economic conditions, property values could be reduced by natural or manmade disasters. In recent years, portions of California, including the County and adjacent counties, have experienced wildfires that have burned thousands of acres and destroyed thousands of homes and structures. Moreover, the District is located in a seismically active region. Active earthquake faults include the San Andreas Fault that runs throughout the County, the Palos Verdes fault that runs along the coast and through a small portion of the County, and other smaller faults including the Lower Elysian Park thrust, the Upper Elysian Park fault and Puente Hills blind thrust system. Furthermore, California has experienced severe drought conditions in recent years, but has most recently experienced periods of extreme precipitation. These and other extreme weather events are all effects of climate change. As greenhouse gas emissions continue to accumulate, climate change will intensify and increase the frequency of such extreme weather events. The District cannot predict the timing, extent, or severity of any potential natural or manmade disaster and its impact on property values in the District.

Prospective purchasers of the Bonds should be aware that, notwithstanding any decrease in assessed valuation for any fiscal year, the County is required to levy sufficient taxes to pay debt service on the Bonds. The consequence of any decrease in assessed valuation is a corresponding increase in the tax rate on taxable property so that sufficient tax revenues may be collected from taxpayers to cover debt service on the Bonds in full. However, increases in tax rates may impact the ability or willingness of taxpayers to pay their property taxes. See “ – Tax Rates, Levies and Collections.”

Appeals of Assessed Valuation; Blanket Reductions of Assessed Values. There are two basic types of property tax assessment appeals provided for under State law. The first type of appeal, commonly referred to as a base year assessment appeal, involves a dispute on the valuation assigned by the assessor immediately subsequent to an instance of a change in ownership or completion of new construction. If the base year value assigned by the assessor is reduced, the valuation of the property cannot increase in subsequent years more than 2% annually unless and until another change in ownership and/or additional new construction or reconstruction activity occurs. Any base year appeal must be made within four years of the change of ownership or new construction date.

The second type of appeal, commonly referred to as a Proposition 8 appeal, can result if factors occur causing a decline in the market value of the property to a level below the property's then current taxable value (escalated base year value). Pursuant to State law, a property owner may apply for a Proposition 8 reduction of the property tax assessment for such owner's property by filing a written application with the appropriate county board of equalization or assessment appeals board. A property owner desiring a Proposition 8 reduction of the assessed value of such owner's property in any one year must submit an application to the county assessment appeals board (the "Appeals Board"). Following a review of the application by the county assessor's office, the county assessor may offer to the property owner the opportunity to stipulate to a reduced assessment, or may confirm the assessment. If no stipulation is agreed to, and the applicant elects to pursue the appeal, the matter is brought before the Appeals Board (or, in some cases, a hearing examiner) for a hearing and decision. The Appeals Board generally is required to determine the outcome of appeals within two years of each appeal's filing date. Any reduction in the assessment ultimately granted applies only to the year for which application is made and during which the written application is filed. The assessed value increases to its pre-reduction level (such pre-reduction level escalated by the annual inflation rate of no more than 2%) following the year for which the reduction application is filed. However, the county assessor has the power to grant a reduction not only for the year

for which application was originally made, but also for the then current year and any intervening years as well. In practice, such a reduced assessment may and often does remain in effect beyond the year in which it is granted.

In addition, Article XIII A of the State Constitution provides that the full cash value base of real property used in determining taxable value may be adjusted from year to year to reflect the inflationary rate, not to exceed a 2% increase for any given year, or may be reduced to reflect a reduction in the consumer price index or comparable local data. This measure is computed on a calendar year basis. According to representatives of the County assessor's office, the County has in the past, pursuant to Article XIII A of the State Constitution, ordered blanket reductions of assessed property values and corresponding property tax bills on single family residential properties when the value of the property has declined below the current assessed value as calculated by the County.

No assurance can be given that property tax appeals and/or blanket reductions of assessed property values will not significantly reduce the assessed valuation of property within the District in the future.

Assessed Valuation by Jurisdiction. The following Table 4 describes the percentage and value of the total assessed value of the property within the District's boundaries that resides in the various cities and unincorporated portions of the County for fiscal year 2023-24.

Historically, among the top 10 taxpayers within the District are landowners with primary land use of oil and gas production, including Marathon Petroleum Corporation, Phillips 66 Company and Valero Energy Corporation, which are not reflected in the table above.

⁽²⁾ Local Secured Assessed Valuation, excluding tax-exempt property and utility valuations: \$[_____].
Source: California Municipal Statistics, Inc.

The more property (by assessed value) owned by a single taxpayer, the more tax collections are exposed to weakness, if any, in such taxpayer's financial situation and ability or willingness to pay property taxes in a timely manner. Furthermore, assessments may be appealed by taxpayers seeking a reduction as a result of economic and other factors beyond the District's control.

Tax Rates, Levies and Collections

General. Taxes are levied for each fiscal year on taxable real and personal property as of the preceding January 1. Real property that changes ownership or is newly constructed is revalued at the time the change occurs or the construction is completed. The current year property tax rate is applied to the reassessed value, and the taxes are then adjusted by a proration factor that reflects the portion of the

remaining tax year for which taxes are due. The annual tax rate is based on the amount necessary to pay all obligations payable from *ad valorem* property taxes and the assessed value of taxable property in a given year. Economic and other factors beyond the District's control, such as a general market decline in land values, reclassification of property to a class exempt from taxation, whether by ownership or use (such as exemptions for property owned by State and local agencies and property used for qualified educational, hospital, charitable or religious purposes), pandemic, or the complete or partial destruction of taxable property caused by natural or manmade disaster such as earthquake, drought, flood, fire, toxic dumping, etc., could cause a reduction in the assessed value of taxable property within the District and necessitate a corresponding increase in the annual tax rate to be levied to pay the principal of and interest on the District's outstanding general obligation bonds.

For assessment and collection purposes, property is classified as either "secured" or "unsecured" and is listed accordingly on separate parts of the assessment roll. The "secured roll" is that part of the assessment roll containing property (real or personal) the taxes on which are a lien sufficient, in the opinion of the County Assessor, to secure payment of the taxes. Other property is listed on the "unsecured roll."

Property taxes on the secured roll are due in two installments, on November 1 and February 1 of each fiscal year, and become delinquent on December 10 and April 10, respectively. A penalty of 10% attaches immediately to all delinquent payments. Properties on the secured roll with respect to which taxes are delinquent become tax defaulted on or about June 30 of the fiscal year. Such property may thereafter be redeemed by payment of a penalty of 1.5% per month to the time of redemption, plus costs and a redemption fee. If taxes are unpaid for a period of five years or more, the property is deeded to the State and then may be sold at public auction by the County Treasurer.

Property taxes on the unsecured roll are due in one payment on the January 1 lien date and become delinquent after August 31. A 10% penalty attaches to delinquent unsecured taxes. If unsecured taxes are unpaid at 5 p.m. on October 31, an additional penalty of 1.5% attaches to them on the first day of each month until paid. The County has four ways of collecting delinquent unsecured personal property taxes: (i) a civil action against the taxpayer; (ii) filing a judgment in the office of the County Clerk specifying certain facts in order to obtain a lien on certain property of the taxpayer; (iii) filing a certificate of delinquency for record in the County Recorder's office in order to obtain a lien on certain property of the taxpayer; and (iv) seizure and sale of personal property, improvements or possessory interests belonging or assessed to the assessee.

Proposition 13 and its implementing legislation impose the function of property tax allocation on counties in the State and prescribe how levies on countywide property values are to be shared with local taxing entities within each county. The limitations in Proposition 13, however, do not apply to *ad valorem* property taxes or special assessments to pay the interest and redemption charges on indebtedness, like the District's general obligation bonds, approved by the voters.

The County levies a 1% *ad valorem* property tax on behalf of all taxing agencies in the County. The taxes collected are allocated on the basis of a formula established by State law enacted in 1979. Under this formula, the County and all other taxing entities receive a base year allocation plus an allocation on the basis of "situs" growth in assessed value (new construction, change of ownership, inflation) prorated among the jurisdictions that serve the tax rate areas within which the growth occurs. Tax rate areas are specifically defined geographic areas, which were developed to permit the levying of taxes for less than county-wide or less than city-wide special and school districts. In addition, the County levies and collects additional approved property taxes and assessments on behalf of any taxing agency within the County.

State Government Code Sections 29100 through 29107 provide the procedures that all counties must follow for calculating tax rates. The secured tax levy within the District consists of the District's share

of the 1% general *ad valorem* property and unitary taxes assessed on a County-wide basis and amounts levied that are in excess of the 1% general *ad valorem* property taxes. These tax receipts are part of the District's operations. In addition, the secured tax levy also includes the amount for the District's share of special voter-approved *ad valorem* property taxes assessed on a District-wide basis, such as the *ad valorem* property taxes assessed for the District's general obligation bonds issued pursuant to the Authorizations and any related general obligation refunding bonds. *Ad valorem* property taxes levied for general obligation bonds are deposited with the County and may only be applied to pay the principal of, redemption premium, if any, and interest on the District's general obligation bonds and general obligation refunding bonds. The District does not receive such funds nor are they available to pay any of the District's operating expenses. In addition, the total secured tax levy includes special assessments, improvement bonds, supplemental taxes or other charges which have been assessed on property within the District. Since State law allows homeowners' exemptions (described above) and certain business exemptions from *ad valorem* property taxation, such exemptions are not included in the total secured tax levy. See also "– California Constitutional and Statutory Provisions Relating to *Ad Valorem* Property Taxes" above.

Further, State Education Code Section 15251 provides that all taxes levied with respect to general obligation bonds when collected will be paid into the county treasury of the county whose superintendent of schools has jurisdiction over the school district on behalf of which the tax was levied, to the credit of the debt service fund (or interest and sinking fund) of the school district, and will be used for the payment of the principal of and interest on the general obligation bonds and general obligation refunding bonds of the school district and for no other purpose. Accordingly, the County may not borrow or spend such amounts nor can the District receive such funds and use them for operating purposes.

Typical Tax Rate Area. The following Table 8 shows *ad valorem* property tax rates for the last five fiscal years in a typical Tax Rate Area of the District (TRA 0067). TRA 0067 comprises approximately [_____] % of the total fiscal year 2023-24 assessed value of the District.

Secured Tax Charges and Delinquencies. The following Table 9A sets forth the real property tax charges and corresponding delinquencies for the District's general obligation bond debt service levy, with respect to the property located in the District, for fiscal years 2010-11 through 2022-23. For reference and as an indication of comparative delinquency rates, Table 9B sets forth the real property tax charges and corresponding delinquencies for the portion of the County's 1% general fund levy that is allocated to the District, with respect to property located in the District for fiscal years 2010-11 through 2022-23. The portion of the County's 1% general fund levy that is allocated to the District is not pledged to and does not secure the repayment of Bonds.

⁽²⁾ 1% General Fund apportionment. Excludes redevelopment agency impounds.

Source: California Municipal Statistics, Inc.

Property tax delinquencies may be impacted by economic and other factors beyond the District's control, including the ability or willingness of property owners to pay property taxes during an economic recession or depression. An economic recession or depression could be caused by many factors outside the control of the District, including reduced consumer confidence, reduced real wages or reduced economic activity as a result of a pandemic or natural or manmade disaster, such as earthquake, drought, flood, fire, toxic dumping. It is not possible for the District to make any representation regarding the extent to which an economic recession or depression could impact the ability or willingness of property owners within the District to pay property taxes in the future. For more information on the impact of the COVID-19 pandemic, see APPENDIX A – "DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – STATE FUNDING OF SCHOOL DISTRICTS – Infectious Disease Outbreak." If delinquencies increase substantially as a result of events outside the control of the District, the County does have the authority to increase allowances for annual reserves in the tax levy to avoid fluctuating tax levies.

The County Does Not Participate in a Teeter Plan. Certain counties in the State operate under a statutory program entitled Alternate Method of Distribution of Tax Levies and Collections and of Tax Sale Proceeds (the "Teeter Plan"). Under the Teeter Plan local taxing entities receive 100% of their tax levies net of delinquencies, but do not receive interest or penalties on delinquent taxes collected by the county. The County has not adopted the Teeter Plan, and consequently the Teeter Plan is not available to local taxing entities within the County, such as the District. The District's receipt of property taxes is therefore subject to delinquencies.

The District Participates in CSDTFA. The District is a member of the California Statewide Delinquent Tax Finance Authority ("CSDTFA"). CSDTFA is a joint exercise of powers agency formed for the purpose of purchasing delinquent *ad valorem* property taxes of its members in accordance with Section 6516.6 of the Government Code of the State of California. Historically, CSDTFA has from time to time purchased delinquent *ad valorem* property tax receivables related to the District's share of the 1% general *ad valorem* property tax levy (not the additional *ad valorem* property tax levy for debt service on the District's general obligation bonds) from the District. However, the District cannot predict whether CSDTFA will continue to make such purchases in the future. CSDTFA purchased the District's delinquent *ad valorem* tax receivables related to the 1% general *ad valorem* property tax levy attributable to fiscal year 2021-22 from the District at a purchase price equal to 110% of such receivables and is expected to purchase the District's delinquent *ad valorem* tax receivables related to the 1% general *ad valorem* property tax levy attributable to fiscal year 2022-23 from the District at a purchase price equal to 110% of such receivables. Any penalty charges collected with respect to such delinquencies will be retained by CSDTFA.

Debt Service

Debt service on the Bonds, assuming no early redemptions, is as shown in the following Table 10.

TABLE 10

The District's General Obligation Bond Program and Bonding Capacity

Voters within the District have approved a total of \$27.605 billion of general obligation bonds in six separate bond elections since 1997. See APPENDIX A – “DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – DISTRICT FINANCIAL INFORMATION – District Debt” for additional information regarding the District’s outstanding general obligation bonds. Pursuant to Section 15106 of the Education Code, the District’s bonding capacity for general obligation bonds may not exceed 2.5% of taxable property value in the District as shown by the last equalized assessment of the County. The taxable property valuation in the District for fiscal year 2023-24 is \$[] billion, which results in a total current bonding capacity of approximately \$[] billion. The District’s available capacity for the issuance of new general obligation bonds is approximately \$[] billion (taking into account current outstanding debt before the issuance of the Bonds). The issuance of additional series of general obligation bonds, other than general obligation refunding bonds, in future fiscal years will depend upon, among other things, the assessed valuation of property within the District’s boundaries, as determined by the District’s analysis of information from, among other sources, the Office of the County Assessor. See “– California Constitutional and Statutory Provisions Relating to *Ad Valorem* Property Taxes” above and APPENDIX A – “DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – DISTRICT FINANCIAL INFORMATION – Future Financings – *General Obligation Bonds*.”

Overlapping Debt Obligations

Set forth in Table 12 on the following page is the report prepared by California Municipal Statistics Inc. on [], 2023, which provides information with respect to direct and overlapping debt within the District as of [] 1, 2023 (the “Overlapping Debt Report”). The Overlapping Debt Report is included for general information purposes only. The District has not reviewed the Overlapping Debt Report for completeness or accuracy and makes no representations in connection therewith. The Overlapping Debt Report generally includes long-term obligations sold in the public credit markets by public agencies whose boundaries overlap the boundaries of the District. Such long-term obligations generally are not payable from revenues of the District (except as indicated) nor are they necessarily obligations secured by land within the District. In many cases, long-term obligations issued by a public agency are payable only from the general fund or other revenues of such public agency.

The first column in Table 12 names each public agency which has outstanding debt as of the date of the report and whose territory overlaps the District in whole or in part. Column 2 shows the percentage of each overlapping agency’s assessed value located within the boundaries of the District. This percentage, multiplied by the total outstanding debt of each overlapping agency (which is not shown in Table 12) produces the amount shown in column 3, which is the apportionment of each overlapping agency’s outstanding debt to taxable property in the District.

TAX MATTERS

Tax-Exempt Bonds

Opinion of Bond Counsel. In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the District (“Bond Counsel”), under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the Tax-Exempt Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and (ii) interest on the Tax-Exempt Bonds is not treated as a preference item in calculating the alternative minimum tax under the Code, however for tax years beginning after December 31, 2022, interest on the Tax-Exempt Bonds is included in calculating the “adjusted financial statement income” of certain corporations that are subject to the alternative minimum tax under Section 55 of the Code. In rendering its opinion, Bond Counsel has relied on certain representations, certifications of fact, and statements of reasonable expectations made by the District and others in connection with the Tax-Exempt Bonds, and Bond Counsel has assumed compliance by the District with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the Tax-Exempt Bonds from gross income under Section 103 of the Code.

In addition, in the opinion of Bond Counsel, under existing statutes, interest on the Tax-Exempt Bonds is exempt from personal income taxes imposed by the State of California.

Bond Counsel expresses no opinion as to any other Federal, state or local tax consequences arising with respect to the Tax-Exempt Bonds, or the ownership or disposition thereof, except as stated above. Bond Counsel renders its opinion under existing statutes and court decisions as of the issue date, and assumes no obligation to update, revise or supplement its opinion to reflect any action thereafter taken or not taken, any fact or circumstance that may thereafter come to its attention, any change in law or interpretation thereof that may thereafter occur, or for any other reason. Bond Counsel expresses no opinion as to the consequence of any of the events described in the preceding sentence or the likelihood of their occurrence. In addition, Bond Counsel expresses no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel regarding Federal, state or local tax matters, including, without limitation, exclusion from gross income for Federal income tax purposes of interest on the Tax-Exempt Bonds.

Certain Ongoing Federal Tax Requirements and Covenants. The Code establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the Tax-Exempt Bonds in order that interest on the Tax-Exempt Bonds be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to use and expenditure of gross proceeds of the Tax-Exempt Bonds, yield and other restrictions on investments of gross proceeds, and the arbitrage rebate requirement that certain excess earnings on gross proceeds be rebated to the Federal government. Noncompliance with such requirements may cause interest on the Tax-Exempt Bonds to become included in gross income for Federal income tax purposes retroactive to their issue date, irrespective of the date on which such noncompliance occurs or is discovered. The District has covenanted to comply with certain applicable requirements of the Code to assure the exclusion of interest on the Tax-Exempt Bonds from gross income under Section 103 of the Code.

Certain Collateral Federal Tax Consequences. The following is a brief discussion of certain collateral Federal income tax matters with respect to the Tax-Exempt Bonds. It does not purport to address all aspects of Federal taxation that may be relevant to a particular owner of a Tax-Exempt Bond. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the Federal tax consequences of owning and disposing of the Tax-Exempt Bonds.

Prospective owners of the Tax-Exempt Bonds should be aware that the ownership of such obligations may result in collateral Federal income tax consequences to various categories of persons, such as corporations (including S corporations and foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security and railroad retirement benefits, individuals otherwise eligible for the earned income tax credit, and taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is excluded from gross income for Federal income tax purposes. Interest on the Tax-Exempt Bonds may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

Original Issue Discount. “Original issue discount” (“OID”) is the excess of the sum of all amounts payable at the stated maturity of a Tax-Exempt Bond (excluding certain “qualified stated interest” that is unconditionally payable at least annually at prescribed rates) over the issue price of that maturity. In general, the “issue price” of a maturity (a bond with the same maturity date, interest rate, and credit terms) means the first price at which at least 10 percent of such maturity was sold to the public, i.e., a purchaser who is not, directly or indirectly, a signatory to a written contract to participate in the initial sale of the Tax-Exempt Bonds. In general, the issue price for each maturity of Tax-Exempt Bonds is expected to be the initial public offering price set forth on the cover page of the Official Statement. Bond Counsel further is of the opinion that, for any Tax-Exempt Bonds having OID (a “Discount Bond”), OID that has accrued and is properly allocable to the owners of the Discount Bonds under Section 1288 of the Code is excludable from gross income for federal income tax purposes to the same extent as other interest on the Tax-Exempt Bonds.

In general, under Section 1288 of the Code, OID on a Discount Bond accrues under a constant yield method, based on periodic compounding of interest over prescribed accrual periods using a compounding rate determined by reference to the yield on that Discount Bond. An owner’s adjusted basis in a Discount Bond is increased by accrued OID for purposes of determining gain or loss on sale, exchange, or other disposition of such Tax-Exempt Bond. Accrued OID may be taken into account as an increase in the amount of tax-exempt income received or deemed to have been received for purposes of determining various other tax consequences of owning a Discount Bond even though there will not be a corresponding cash payment.

Owners of Discount Bonds should consult their own tax advisors with respect to the treatment of original issue discount for federal income tax purposes, including various special rules relating thereto, and the state and local tax consequences of acquiring, holding, and disposing of Discount Bonds.

Bond Premium. In general, if an owner acquires a Tax-Exempt Bond for a purchase price (excluding accrued interest) or otherwise at a tax basis that reflects a premium over the sum of all amounts payable on the Tax-Exempt Bond after the acquisition date (excluding certain “qualified stated interest” that is unconditionally payable at least annually at prescribed rates), that premium constitutes “bond premium” on that Tax-Exempt Bond (a “Premium Bond”). In general, under Section 171 of the Code, an owner of a Premium Bond must amortize the bond premium over the remaining term of the Premium Bond, based on the owner’s yield over the remaining term of the Premium Bond determined based on constant yield principles (in certain cases involving a Premium Bond callable prior to its stated maturity date, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on such bond). An owner of a Premium Bond must amortize the bond premium by offsetting the qualified stated interest allocable to each interest accrual period under the owner’s regular method of accounting against the bond premium allocable to that period. In the case of a tax-exempt Premium Bond, if the bond premium allocable to an accrual period exceeds the qualified stated interest allocable to that accrual period, the excess is a nondeductible loss. Under certain circumstances, the owner of a Premium Bond may realize a taxable gain upon disposition of the Premium Bond even though it is sold or redeemed for an amount less than or equal to the owner’s original acquisition cost. Owners of any Premium Bonds should consult their own tax advisors regarding the treatment of bond premium for Federal income tax purposes, including various special rules relating thereto, and state and local tax consequences,

in connection with the acquisition, ownership and amortization of bond premium on, sale, exchange, or other disposition of Premium Bonds.

Information Reporting and Backup Withholding. Information reporting requirements apply to interest paid on tax-exempt obligations, including the Tax-Exempt Bonds. In general, such requirements are satisfied if the interest recipient completes, and provides the payor with, a Form W-9, “Request for Taxpayer Identification Number and Certification,” or if the recipient is one of a limited class of exempt recipients. A recipient not otherwise exempt from information reporting who fails to satisfy the information reporting requirements will be subject to “backup withholding,” which means that the payor is required to deduct and withhold a tax from the interest payment, calculated in the manner set forth in the Code. For the foregoing purpose, a “payor” generally refers to the person or entity from whom a recipient receives its payments of interest or who collects such payments on behalf of the recipient.

If an owner purchasing a Tax-Exempt Bond through a brokerage account has executed a Form W-9 in connection with the establishment of such account, as generally can be expected, no backup withholding should occur. In any event, backup withholding does not affect the excludability of the interest on the Tax-Exempt Bonds from gross income for Federal income tax purposes. Any amounts withheld pursuant to backup withholding would be allowed as a refund or a credit against the owner’s Federal income tax once the required information is furnished to the Internal Revenue Service.

Miscellaneous. Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the Federal or state level, may adversely affect the tax-exempt status of interest on the Tax-Exempt Bonds under Federal or state law or otherwise prevent beneficial owners of the Tax-Exempt Bonds from realizing the full current benefit of the tax status of such interest. In addition, such legislation or actions (whether currently proposed, proposed in the future, or enacted) and such decisions could affect the market price or marketability of the Tax-Exempt Bonds.

Prospective purchasers of the Tax-Exempt Bonds should consult their own tax advisors regarding the foregoing matters.

The proposed form of the opinion of Hawkins Delafield & Wood LLP relating to the Tax-Exempt Bonds is set forth in APPENDIX D — “PROPOSED FORM OF OPINION OF BOND COUNSEL.”

Federally Taxable Bonds

General. In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the District, interest on the Federally Taxable Bonds (i) is included in gross income for Federal income tax purposes pursuant to the Code and (ii) is exempt, under existing statutes, from personal income taxes imposed by the State of California.

The following discussion is a summary of the principal United States Federal income tax consequences of the acquisition, ownership and disposition of the Federally Taxable Bonds by original purchasers of the Federally Taxable Bonds who are U.S. Holders (as defined below). This summary is based on the Code, Treasury regulations, revenue rulings and court decisions, all as now in effect and all subject to change at any time, possibly with retroactive effect. This summary assumes that the Federally Taxable Bonds will be held as “capital assets” under the Code, and it does not discuss all of the United States Federal income tax consequences that may be relevant to a U.S. Holder in light of its particular circumstances or to U.S. Holders subject to special rules, such as insurance companies, financial institutions, tax-exempt organizations, dealers in securities or foreign currencies, persons holding the Federally Taxable Bonds as a position in a “hedge” or “straddle” for United States Federal income tax purposes, U.S. Holders whose functional currency (as defined in Section 985 of the Code) is not the United States dollar, U.S. Holders who acquire Federally Taxable Bonds in the secondary market, or individuals, estates and trusts subject to

the tax on unearned income imposed by Section 1411 of the Code. Each prospective purchaser of the Federally Taxable Bonds should consult with its own tax advisor concerning the United States Federal income tax and other tax consequences to it of the acquisition, ownership and disposition of the Federally Taxable Bonds as well as any tax consequences that may arise under the laws of any state, local or foreign tax jurisdiction.

Certain taxpayers that are required to prepare certified financial statements and file such financial statements with certain regulatory or governmental agencies may be required to recognize income, gain and loss with respect to the Federally Taxable Bonds at the time that such income, gain or loss is taken into account on such financial statements instead of under the rules described below. In addition, for tax years beginning after December 31, 2022, interest on the Federally Taxable Bonds is included in the “adjusted financial statement income” of certain corporations that are subject to the alternative minimum tax under Section 55 of the Code.

As used herein, the term “U.S. Holder” means a beneficial owner of a Federally Taxable Bond that is for United States Federal income tax purposes (i) a citizen or resident of the United States, (ii) a corporation, partnership or other entity created or organized in or under the laws of the United States or of any political subdivision thereof, (iii) an estate the income of which is subject to United States Federal income taxation regardless of its source or (iv) a trust whose administration is subject to the primary jurisdiction of a United States court and which has one or more United States fiduciaries who have the authority to control all substantial decisions of the trust.

U.S. Holders—Interest Income. Interest and original issue discount (as defined below) on the Federally Taxable Bonds are included in gross income for United States Federal income tax purposes.

Original Issue Discount. For United States Federal income tax purposes, a Federally Taxable Bond will be treated as issued with original issue discount (“OID”) if the excess of a Federally Taxable Bond’s “stated redemption price at maturity” over its “issue price” equals or exceeds a statutorily determined de minimis amount. The “issue price” of each Federally Taxable Bond in a particular issue equals the first price at which a substantial amount of such Federally Taxable Bond is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). The “stated redemption price at maturity” of a Federally Taxable Bond is the sum of all payments provided by such Federally Taxable Bond other than “qualified stated interest” payments. The term “qualified stated interest” generally means stated interest that is unconditionally payable in cash or property (other than debt instruments of the issuer) at least annually at a single fixed rate. In general, if the excess of a Federally Taxable Bond’s stated redemption price at maturity over its issue price is less than 0.25 percent of the Federally Taxable Bond’s stated redemption price at maturity multiplied by the number of complete years to its maturity (the “de minimis amount”), then such excess, if any, constitutes de minimis OID, and the Federally Taxable Bond is not treated as being issued with OID and all payments of stated interest (including stated interest that would otherwise be characterized as OID) is treated as qualified stated interest, as described below.

Payments of qualified stated interest on a Federally Taxable Bond are taxable to a U.S. Holder as ordinary interest income at the time such payments are accrued or are received in accordance with the U.S. Holder’s regular method of tax accounting. A U.S. Holder of a Federally Taxable Bond having a maturity of more than one year from its date of issue generally must include OID in income as ordinary interest as it accrues on a constant-yield method in advance of receipt of the cash payments attributable to such income, regardless of such U.S. Holder’s regular method of tax accounting. The amount of OID included in income by the U.S. Holder of a Federally Taxable Bond is the sum of the daily portions of OID with respect to such Federally Taxable Bond for each day during the taxable year (or portion of the taxable year) on which such U.S. Holder held such Federally Taxable Bond. The daily portion of OID on any Federally Taxable Bond is determined by allocating to each day in any “accrual period” a ratable portion of the OID allocable to the

accrual period. All accrual periods with respect to a Federally Taxable Bond may be of any length and the accrual periods may vary in length over the term of the Federally Taxable Bond, provided that each accrual period is no longer than one year and each scheduled payment of principal or interest occurs either on the first or final day of an accrual period. The amount of OID allocable to an accrual period is generally equal to the difference between (i) the product of the Federally Taxable Bond's "adjusted issue price" at the beginning of such accrual period and such Federally Taxable Bond's yield to maturity (determined on the basis of compounding at the close of each accrual period and appropriately adjusted to take into account the length of the particular accrual period) and (ii) the amount of any qualified stated interest payments allocable to such accrual period. The "adjusted issue price" of a Federally Taxable Bond at the beginning of any accrual period is the issue price of the Federally Taxable Bond plus the amount of accrued OID includable in income for all prior accrual periods minus the amount of any prior payments on the Federally Taxable Bond other than qualified stated interest payments. The amount of OID allocable to an initial short accrual period may be computed using any reasonable method if all other accrual periods other than a final short accrual period are of equal length. The amount of OID allocable to the final accrual period is the difference between (i) the amount payable at the maturity of the Federally Taxable Bond (other than a payment of qualified stated interest) and (ii) the Federally Taxable Bond's adjusted issue price as of the beginning of the final accrual period. Under the OID rules, U.S. Holders generally will have to include in income increasingly greater amounts of OID in successive accrual periods.

A U.S. Holder may elect to include in gross income all interest that accrues on a Federally Taxable Bond using the constant-yield method described immediately above under the heading "Original Issue Discount," with the modifications described below. For purposes of this election, interest includes, among other things, stated interest, OID and de minimis OID, as adjusted by any amortizable bond premium described below under the heading "Bond Premium". In applying the constant-yield method to a Federally Taxable Bond with respect to which this election has been made, the issue price of the Federally Taxable Bond will equal its cost to the electing U.S. Holder, the issue date of the Federally Taxable Bond will be the date of its acquisition by the electing U.S. Holder, and no payments on the Federally Taxable Bond will be treated as payments of qualified stated interest. The election will generally apply only to the Federally Taxable Bond with respect to which it is made and may not be revoked without the consent of the Internal Revenue Service. If this election is made with respect to a Federally Taxable Bond with amortizable bond premium, then the electing U.S. Holder will be deemed to have elected to apply amortizable bond premium against interest with respect to all debt instruments with amortizable bond premium (other than debt instruments the interest on which is excludable from gross income) held by the electing U.S. Holder as of the beginning of the taxable year in which the Federally Taxable Bond with respect to which the election is made is acquired or thereafter acquired. The deemed election with respect to amortizable bond premium may not be revoked without the consent of the Internal Revenue Service.

U.S. Holders of any Federally Taxable Bonds issued with OID should consult their own tax advisors with respect to the treatment of OID for Federal income tax purposes, including various special rules relating thereto, and state and local tax consequences, in connection with the acquisition, ownership, and disposition of Federally Taxable Bonds.

Acquisition Discount on Short-Term Federally Taxable Bonds. Each U.S. Holder of a Federally Taxable Bond with a maturity not longer than one year (a "Short-Term Federally Taxable Bond") is subject to rules of Sections 1281 through 1283 of the Code, if such U.S. Holder is an accrual method taxpayer, bank, regulated investment company, common trust fund or among certain types of pass-through entities, or if the Short-Term Federally Taxable Bond is held primarily for sale to customers, is identified under Section 1256(e)(2) of the Code as part of a hedging transaction, or is a stripped bond or coupon held by the person responsible for the underlying stripping transaction. In any such instance, interest on, and "acquisition discount" with respect to, the Short-Term Federally Taxable Bond accrue on a ratable (straight-line) basis, subject to an election to accrue such interest and acquisition discount on a constant-interest-rate

basis using daily compounding. “Acquisition discount” means the excess of the stated redemption price of a Short-Term Federally Taxable Bond at maturity over the U.S. Holder’s tax basis therefor.

A U.S. Holder of a Short-Term Federally Taxable Bond not described in the preceding paragraph, including a cash-method taxpayer, must report interest income in accordance with the U.S. Holder’s regular method of tax accounting, unless such U.S. Holder irrevocably elects to accrue acquisition discount currently.

Bond Premium. In general, if a U.S. Holder acquires a Federally Taxable Bond for a purchase price (excluding accrued interest) or otherwise at a tax basis that reflects a premium over the sum of all amounts payable on the Federally Taxable Bond after the acquisition date (excluding certain “qualified stated interest” that is unconditionally payable at least annually at prescribed rates), that premium constitutes “bond premium” on that Federally Taxable Bond (a “Taxable Premium Bond”). In general, if a U.S. Holder of a Taxable Premium Bond elects to amortize the premium as “amortizable bond premium” over the remaining term of the Taxable Premium Bond, determined based on constant yield principles (in certain cases involving a Taxable Premium Bond callable prior to its stated maturity date, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the highest yield on such bond), the amortizable premium is treated as an offset to interest income; the U.S. Holder will make a corresponding adjustment to such U.S. Holder’s basis in the Taxable Premium Bond. Any such election applies to all debt instruments of the U.S. Holder (other than tax-exempt bonds) held at the beginning of the first taxable year to which the election applies and to all such debt instruments thereafter acquired, and is irrevocable without the Internal Revenue Service’s consent. A U.S. Holder of a Taxable Premium Bond that so elects to amortize bond premium does so by offsetting the qualified stated interest allocable to each interest accrual period under the U.S. Holder’s regular method of Federal tax accounting against the bond premium allocable to that period. If the bond premium allocable to an accrual period exceeds the qualified stated interest allocable to that accrual period, the excess is treated as a bond premium deduction under Section 171(a)(1) of the Code, subject to certain limitations. If a Taxable Premium Bond is optionally callable before maturity at a price in excess of its stated redemption price at maturity, special rules may apply with respect to the amortization of bond premium. Under certain circumstances, the U.S. Holder of a Taxable Premium Bond may realize a taxable gain upon disposition of the Taxable Premium Bond even though it is sold or redeemed for an amount less than or equal to the U.S. Holder’s original acquisition cost.

U.S. Holders of any Taxable Premium Bonds should consult their own tax advisors with respect to the treatment of bond premium for Federal income tax purposes, including various special rules relating thereto, and state and local tax consequences, in connection with the acquisition, ownership, and disposition of Taxable Premium Bonds.

U.S. Holders—Disposition of Federally Taxable Bonds. Except as discussed above, upon the sale, exchange, redemption, or other disposition (which would include a legal defeasance) of a Federally Taxable Bond, a U.S. Holder generally will recognize taxable gain or loss in an amount equal to the difference between the amount realized (other than amounts attributable to accrued interest not previously includable in income) and such U.S. Holder’s adjusted tax basis in the Federally Taxable Bond. A U.S. Holder’s adjusted tax basis in a Federally Taxable Bond generally will equal such U.S. Holder’s initial investment in the Federally Taxable Bond, increased by any OID included in the U.S. Holder’s income with respect to the Federally Taxable Bond and decreased by the amount of any payments, other than qualified stated interest payments, received and bond premium amortized with respect to such Federally Taxable Bond. Such gain or loss generally will be long-term capital gain or loss if the Federally Taxable Bond was held for more than one year.

U.S. Holders—Defeasance. U.S. Holders of the Federally Taxable Bonds should be aware that, for Federal income tax purposes, the deposit of moneys or securities in escrow in such amount and manner

as to cause the Federally Taxable Bonds to be deemed to be no longer outstanding under the Resolutions (a “defeasance”), could result in a deemed exchange under Section 1001 of the Code and a recognition by such owner of taxable income or loss, without any corresponding receipt of moneys. In addition, for Federal income tax purposes, the character and timing of receipt of payments on the Federally Taxable Bonds subsequent to any such defeasance could also be affected. U.S. Holders of the Federally Taxable Bonds are advised to consult with their own tax advisors regarding the consequences of a defeasance for Federal income tax purposes, and for state and local tax purposes.

U.S. Holders—Backup Withholding and Information Reporting. In general, information reporting requirements will apply to non-corporate U.S. Holders with respect to payments of principal, payments of interest, and the accrual of OID on a Federally Taxable Bond and the proceeds of the sale of a Federally Taxable Bond before maturity within the United States. Backup withholding at a rate provided for in the Code will apply to such payments and to payments of OID unless the U.S. Holder (i) is a corporation or other exempt recipient and, when required, demonstrates that fact, or (ii) provides a correct taxpayer identification number, certifies under penalties of perjury, when required, that such U.S. Holder is not subject to backup withholding and has not been notified by the Internal Revenue Service that it has failed to report all interest and dividends required to be shown on its United States Federal income tax returns.

Any amounts withheld under the backup withholding rules from a payment to a beneficial owner, and which constitutes over-withholding, would be allowed as a refund or a credit against such beneficial owner’s United States Federal income tax provided the required information is furnished to the Internal Revenue Service.

Miscellaneous. Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the Federal or state level, may adversely affect the tax-exempt status of interest on the Federally Taxable Bonds under state law and could affect the market price or marketability of the Federally Taxable Bonds.

Prospective purchasers of the Federally Taxable Bonds should consult their own tax advisors regarding the foregoing matters.

The proposed form of the opinion of Hawkins Delafield & Wood LLP relating to the Federally Taxable Bonds is set forth in APPENDIX D — “PROPOSED FORM OF OPINION OF BOND COUNSEL.”

LEGAL MATTERS

Possible Limitations on Remedies; Bankruptcy

[TO BE UPDATED] General. State law contains certain safeguards to protect the financial solvency of school districts. See APPENDIX A – “DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – STATE FUNDING OF SCHOOL DISTRICTS.” If the safeguards are not successful in preventing a school district from becoming insolvent, the State Superintendent of Public Instruction (the “State Superintendent”), operating through an administrator appointed by the State Superintendent, may be authorized under State law to file a petition under Chapter 9 of the United States Bankruptcy Code (the “Bankruptcy Code”) on behalf of the school district for the adjustment of its debts, assuming that the school district meets certain other requirements contained in the Bankruptcy Code necessary for filing a petition under Chapter 9 of the Bankruptcy Code. School districts are not themselves authorized to file a bankruptcy proceeding, and they are not subject to involuntary bankruptcy.

Bankruptcy courts are courts of equity and as such have broad discretionary powers. If the District were to become the debtor in a proceeding under Chapter 9 of the Bankruptcy Code, then the “automatic stay” provisions of the Bankruptcy Code would prohibit the parties from taking any action to collect any amount from the District or the County (including *ad valorem* tax revenues) or to enforce any obligation of the District or the County, without the bankruptcy court’s permission. In such a proceeding, as part of its plan of adjustment in bankruptcy, the District may be able to alter the priority, interest rate, principal amount, payment terms, collateral, maturity dates, payment sources, covenants (including tax-related covenants), and other terms or provisions of the Bonds and other transaction documents related to the Bonds, as long as the bankruptcy court determines that the alterations are fair and equitable. In addition, in such a proceeding, as part of such a plan, the District may be able to eliminate the obligation of the County to raise taxes if necessary to pay the Bonds. There also may be other possible effects of a bankruptcy of the District that could result in delays or reductions in payments on the Bonds, or other losses on the Bonds. Moreover, regardless of any specific adverse determinations in any District bankruptcy proceeding, the existence of a District bankruptcy proceeding could have an adverse effect on the liquidity and market price of the Bonds.

As stated above, if a school district were to go into bankruptcy, the bankruptcy petition would be filed under Chapter 9 of the Bankruptcy Code. Chapter 9 provides that it does not limit or impair the power of a state to control, by legislation or otherwise, a municipality of or in such state in the exercise of the political or governmental powers of such municipality, including expenditures for such exercise. For purposes of Chapter 9, a school district is a municipality. State law provides that the *ad valorem* taxes levied to pay the principal and interest on the Bonds shall be used for the payment of principal and interest of the District’s general obligation bonds and for no other purpose. If this restriction on the expenditure of such *ad valorem* taxes is respected in a bankruptcy case, then the *ad valorem* tax revenue could not be used by the District for any purpose other than to make payments on the Bonds. It is possible, however, that a bankruptcy court could conclude that the restriction should not be respected.

Statutory Lien. Pursuant to the California Government Code, all general obligation bonds issued by local agencies, including the Bonds and refunding bonds, are secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax and the lien automatically arises, without the need for any action or authorization by the local agency or its governing board, and is valid and binding from the time the bonds are executed and delivered. See “SECURITY AND SOURCE OF PAYMENT FOR THE BONDS – Statutory Lien on Taxes (Senate Bill 222).” Although a statutory lien would not be automatically terminated by the filing of a Chapter 9 bankruptcy petition by the District, the automatic stay provisions of the Bankruptcy Code would apply, preventing bondholders from enforcing their rights to payment from such tax collections without permission of the bankruptcy court, and payments that become due and owing on the Bonds during the pendency of the Chapter 9 proceeding could be delayed.

Special Revenues. If the *ad valorem* tax revenues that are pledged to the payment of the Bonds (see “SECURITY AND SOURCE OF PAYMENT FOR THE BONDS – Pledge of Tax Revenues”) are determined to be “special revenues” within the meaning of the Bankruptcy Code, then the application in a manner consistent with the Bankruptcy Code of the pledged *ad valorem* revenues that are collected after the date of the bankruptcy filing should not be subject to the automatic stay. “Special revenues” are defined to include, among others, taxes specifically levied to finance one or more projects or systems of the debtor, but excluding receipts from general property, sales, or income taxes levied to finance the general purposes of the debtor. The District has specifically pledged the *ad valorem* taxes for payment of the Bonds. State law prohibits the use of the tax proceeds for any purpose other than payment of the general obligation bonds (including general obligation refunding bonds) and the original bond proceeds can only be used to fund the acquisition or improvement of real property and other capital expenditures included in the proposition. However, there is no binding judicial precedent dealing with the treatment in bankruptcy proceedings of *ad valorem* tax revenues collected for the payment of bonds in California, and no assurance can be given that

a bankruptcy court will hold that the *ad valorem* tax revenues are special revenues within the meaning of the Bankruptcy Code.

The Bankruptcy Code provides that there is no stay of application of pledged special revenues to payment of indebtedness secured by such revenues. The United States Court of Appeals for the First Circuit, in cases arising out of the insolvency proceedings of Puerto Rico, has held that this provision permits voluntary payments of debt service by the issuer of bonds backed by special revenues, but does not permit the bondholders to compel the issuer to make payments of debt service from special revenues. If this decision is followed by other courts, the holders of the Bonds may be prohibited from taking any action to require the District or the County to make payments on the Bonds, unless the bankruptcy court's permission is obtained. This could result in substantial delays in payments on the Bonds.

In addition, even if the *ad valorem* tax revenues are determined to be "special revenues," the Bankruptcy Code provides that special revenues can be applied to necessary operating expenses of the project or system, before they are applied to other obligations. This rule applies regardless of the provisions of the transaction documents. Thus, a bankruptcy court could permit the District to use the *ad valorem* tax revenues to pay necessary operating expenses of the District and its schools, before the remaining revenues are paid to the owners of the Bonds.

Possession of Tax Revenues; Remedies. If the District goes into bankruptcy and the District or the County has possession of tax revenues (whether collected before or after commencement of the bankruptcy), and if the District or the County, as applicable, does not voluntarily pay such tax revenues to the owners of the Bonds, it is not entirely clear what procedures the owners of the Bonds would have to follow to attempt to obtain possession of such tax revenues, how much time it would take for such procedures to be completed, or whether such procedures would ultimately be successful. A similar risk would exist if the County goes into bankruptcy and has possession of tax revenues (whether collected before or after commencement of the bankruptcy). The United States Court of Appeals for the First Circuit, in another case arising out of the insolvency proceedings of Puerto Rico, has held that the Bankruptcy Code prohibits the bankruptcy court from requiring a governmental debtor to apply revenues in accordance with applicable non-bankruptcy law. In yet another case arising out of the insolvency proceedings of Puerto Rico, the United States Court of Appeals for the First Circuit has held that creditors cannot bring suit in a non-bankruptcy court to compel the governmental debtor to comply with non-bankruptcy law without first obtaining the permission of the bankruptcy court, and that the bankruptcy court has discretion as to whether to provide permission.

Opinion of Bond Counsel Qualified by Reference to Bankruptcy, Insolvency and Other Laws Relating to or Affecting Creditor's Rights. The proposed form of opinion of Bond Counsel, included as Appendix D, is qualified by reference to bankruptcy, insolvency and other laws relating to or affecting creditor's rights.

Amounts Held in County Treasury Pool

The County on behalf of the District is expected to be in possession of the annual *ad valorem* property taxes and certain funds to repay the Bonds and may invest these funds in the County's Treasury Pool, as described in Appendix F – "THE LOS ANGELES COUNTY TREASURY POOL." Should those investments suffer any losses, there may be delays or reductions in payments on the Bonds.

Legality for Investment in the State

Under provisions of the State Financial Code, the Bonds are legal investments for commercial banks in the State to the extent that the Bonds, in the informed opinion of said bank, are prudent for the

investment of funds of depositors, and, under provisions of the California Government Code, are eligible for security for deposits of public moneys in the State.

Continuing Disclosure

The District has covenanted for the benefit of the holders and beneficial owners of the Bonds to provide certain financial information and operating data relating to the District (the “Annual Report”) for each fiscal year by not later than 240 days following the end of the District’s fiscal year (currently ending June 30), commencing with the Annual Report for fiscal year 2022-23, and to provide notices of the occurrence of certain specified events (collectively, the “Listed Events”). The information to be contained in the Annual Report and in a notice of a Listed Event is set forth in Appendix E – “FORM OF CONTINUING DISCLOSURE CERTIFICATE.” The District will provide or cause to be provided the Annual Report and such notices to the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access system in the manner prescribed by the Securities and Exchange Commission (“SEC”). Copies of the District’s annual reports and notices of Listed Event filings are available at the website of Digital Assurance Certification, L.L.C. (“DAC”), www.dacbond.com, and at the website of the Municipal Securities Rulemaking Board’s Electronic Municipal Market Access system, emma.msrb.org. The information presented on these websites is not incorporated by reference in this Official Statement and should not be relied upon in making an investment decision with respect to the Bonds. These covenants have been made in order to assist the Underwriters (defined herein) in complying with SEC Rule 15c2-12(b)(5) (the “Rule”).

[UW TO PROVIDE CD REVIEW REPORT] [Due to the impact of COVID-19 on California school district operations during fiscal year 2019-20, California Senate Bill 98 extended the deadline for school districts to file their audited financial statements for fiscal year 2019-20 with the State to March 31, 2021. As a result, at the time of filing the District’s Annual Report for fiscal year 2019-20, the District’s audited financial statements for fiscal year 2019-20 were not yet available. The District’s audited financial statements for fiscal year 2019-20 were subsequently filed to EMMA on March 30, 2021. Additionally, within the past five years, certain of the District’s annual report and Listed Events filings required in connection with its prior continuing disclosure undertakings were not properly linked to all CUSIP numbers for the District’s outstanding bonds.]

Certain Legal Matters

The validity of the Bonds and certain other legal matters are subject to the approving opinion of Hawkins Delafield & Wood LLP, Los Angeles, California, Bond Counsel to the District, and certain other conditions. A complete copy of the proposed form of opinion of Bond Counsel with respect to the Bonds is contained in Appendix D. Bond Counsel undertakes no responsibility for the accuracy, completeness or fairness of this Official Statement. Certain legal matters will also be passed upon for the District by its General Counsel and by the District’s Disclosure Counsel, Orrick, Herrington & Sutcliffe LLP, Los Angeles, California (“Disclosure Counsel”), and for the Underwriters by their counsel, [____], [____], California (“Underwriters’ Counsel”).

Each of Bond Counsel, Disclosure Counsel, and Underwriters’ Counsel will receive compensation contingent upon the sale and delivery of the Bonds. From time to time, Bond Counsel and Disclosure Counsel each may represent one or more of the Underwriters in matters unrelated to the District or the Bonds.

FINANCIAL STATEMENTS

The District's Audited Annual Financial Report for fiscal year ended June 30, 2022, including its general purpose financial statements for the fiscal year ended June 30, 2022, is included as Appendix B. The basic financial statements of the District for the fiscal year 2021-22 have been audited by Simpson & Simpson, independent certified public accountants, as stated in their report appearing in Appendix B. The District has not requested nor has the District obtained the consent of Simpson & Simpson to the inclusion of its report in Appendix B. Simpson & Simpson has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. Simpson & Simpson has not been requested to perform and has not performed any procedures relating to the Official Statement.

LITIGATION

There is no litigation pending against the District or, to the knowledge of its respective executive officers, threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Bonds or in any way contesting or affecting the validity of the Bonds or the Authorizations or any proceedings of the District taken with respect to the issuance or sale thereof, or the levy or application of *ad valorem* property taxes for the payment of principal of and interest on the Bonds or the use of the proceeds of the Bonds. There are no pending lawsuits that, in the opinion of the District's General Counsel, challenge the validity of the Bonds, the existence of the District, or the title of the executive officers to their respective offices. There are a number of lawsuits and claims pending against the District. In the opinion of the District, the aggregate amount of the uninsured liabilities of the District under these lawsuits and claims will not materially affect the finances of the District. See APPENDIX A – "DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – DISTRICT FINANCIAL INFORMATION – Risk Management and Litigation."

MISCELLANEOUS

Ratings

Fitch Ratings, Inc. ("Fitch"), Kroll Bond Rating Agency, LLC ("KBRA"), and Moody's Investors Service Inc. ("Moody's") have assigned their municipal bond ratings of "[_]," "[_]," and "[_]," respectively, to the Bonds, which may include information that has not been included in this Official Statement. The District has furnished to each rating agency certain materials and information with respect to itself and the Bonds. Generally, rating agencies base their ratings on such information and materials and on their own investigations, studies and assumptions. Each rating reflects only the view of the respective rating agency, and any explanation of the significance of such rating may be obtained only from the issuing rating agency furnishing the same, at the following addresses: Fitch Ratings, Inc., 33 Whitehall Street, New York, New York 10004, telephone: (212) 908-0800, Kroll Bond Rating Agency, LLC, 805 Third Avenue, 29th floor, New York, New York 10022, telephone: (212) 702-0707, and Moody's Investors Service, Inc., 7 World Trade Center at 250 Greenwich Street, New York, New York 10007, telephone: (212) 533-0300. There is no assurance that any such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency, if, in its judgment, circumstances so warrant. Any such downward revision or withdrawal of any such rating may have an adverse effect on the market price of the Bonds.

Municipal Advisor

The District has retained Public Resources Advisory Group, as Municipal Advisor (the "Municipal Advisor") in connection with the issuance of the Bonds and certain other financial matters. The Municipal Advisor has not been engaged, nor has it undertaken, to audit, authenticate or otherwise verify the

information set forth in this Official Statement, or any other related information available to the District, with respect to accuracy and completeness of disclosure of such information. The Municipal Advisor has reviewed this Official Statement but makes no guaranty, warranty or other representation respecting accuracy and completeness of the information contained in this Official Statement. The Municipal Advisor will receive compensation from the District contingent upon the sale and delivery of the Bonds.

Underwriting

The Bonds are being purchased by [____], on behalf of a syndicate that also includes the other underwriters set forth on the cover hereof (collectively, the “Underwriters”). The Underwriters have agreed to purchase the Bonds at the purchase price of \$_____ (which amount is equal to the aggregate principal amount of the Bonds, [plus/less] [an][a net] original issue [premium/discount] of \$_____, less an Underwriters’ discount of \$_____), pursuant to a Bond Purchase Agreement, dated _____, 2023 (the “Purchase Agreement”), by and among the Underwriters, the County and the District, relating to the Bonds. Pursuant to the Purchase Agreement, the Underwriters will purchase all of the Bonds if any are purchased.

The Underwriters may offer and sell the Bonds to certain securities dealers and dealer banks and banks acting as agent at prices lower than the public offering prices stated on the inside cover page of this Official Statement. The public offering prices may be changed from time to time by the Underwriters.

The Underwriters have provided the following paragraphs for inclusion in the section “MISCELLANEOUS – Underwriting.” No representation is made by the District as to the accuracy, completeness or adequacy of such information.

Certain of the Underwriters and their respective affiliates are full service financial institutions engaged in various activities, which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. Under certain circumstances, the Underwriters and their affiliates may have certain creditor and/or other rights against the District and its affiliates in connection with such activities. In the various course of their various business activities, the Underwriters and their respective affiliates, officers, directors and employees may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the District (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the District. The Underwriters and their respective affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire, long and/or short positions in such assets, securities and instruments.

[UW DISTRIBUTION LANGUAGE TO COME]

Additional Information

The purpose of this Official Statement is to provide information to prospective buyers of the Bonds. Quotations from and summaries of the Bonds, the Resolutions, and the constitutional provisions, statutes and other documents described herein do not purport to be complete, and reference is made to said documents, constitutional provisions and statutes for full and complete statements of their provisions. Any statements in this Official Statement involving matters of opinion, whether or not expressly so stated, are

intended as such and not as representations of fact. This Official Statement is not a contract or agreement between the District and the purchasers or owners of any of the Bonds.

Execution and Delivery

The District has duly authorized the execution and delivery of this Official Statement.

This Appendix A provides information concerning the operations and finances of the Los Angeles Unified School District (the “District”) and certain demographic information in the area covered by the District. The Bonds are general obligation bonds of the District, secured and payable from ad valorem property taxes assessed on taxable properties within the District and are not an obligation of the County (defined herein) or of the general fund of the District. See “SECURITY AND SOURCE OF PAYMENT FOR THE BONDS” in the forepart of this Official Statement. See also “GLOSSARY OF CERTAIN TERMS AND ABBREVIATIONS” herein for a description of certain terms and abbreviations used in this Appendix A.

DISTRICT GENERAL INFORMATION

District Boundaries

The District, encompassing approximately 710 square miles, is located in the western section of the County of Los Angeles (the “County”) in the State of California (the “State”). The District’s boundaries include virtually all of the City of Los Angeles (the “City”), all of the Cities of Cudahy, Gardena, Huntington Park, Lomita, Maywood, San Fernando, Vernon and West Hollywood, and portions of the Cities of Bell, Bell Gardens, Beverly Hills, Calabasas, Carson, Commerce, Culver City, Downey, Hawthorne, Inglewood, Long Beach, Lynwood, Montebello, Monterey Park, Rancho Palos Verdes, Rolling Hills Estates, Santa Clarita, Santa Monica, South Gate, and Torrance. In addition, the District provides services to several unincorporated areas of the County which include residential and industrial areas. The boundaries for the District are approximately 80% coterminous with the City, with the remaining 20% included in smaller neighboring cities and unincorporated County areas. The District was formed in 1854 as the Common Schools for the City and became a unified school district in 1960.

District Governance; Senior Management

District Board. The District is governed by a seven-member Board of Education (the “District Board”), each member of which is a voting member and elected by voters within such member’s designed district. The members of the District Board are elected to four-year terms in alternate slates of three and four, with elections held every two years. The members of the District Board along with their district and term are set forth below.

District	Member	Term Ending
5	Jackie Goldberg, President	December 16, 2024
3	Scott Schmerelson, Vice President	December 16, 2024
1	Dr. George J. McKenna III	December 16, 2024
2	Dr. Rocio Rivas	December 12, 2026
4	Nick Melvoin	December 12, 2026
6	Kelly Gonez	December 12, 2026
7	Tanya Ortiz Franklin	December 16, 2024

Superintendent. The chief executive officer of the District, appointed by the District Board to manage the day-to-day operations of the District, is the Superintendent of Schools (the “Superintendent”). The District Board appointed Alberto M. Carvalho to serve as the Superintendent effective February 2022.

Strategic Plan. On June 21, 2022, the District Board unanimously adopted a strategic plan for the next four years (the “2022-26 Strategic Plan”) that focuses on the goal of ensuring that all District students graduate “ready for the world” and prepared to thrive in college, career, and life. The 2022-26 Strategic Plan revolves around five pillars, each consisting of four priorities, that represent critical areas

the District will focus on: academic excellence, joy and wellness, engagement and collaboration, operational effectiveness and investing in staff.

Pursuant to the 2022-26 Strategic Plan, the first pillar of “Academic Excellence” prioritizes improving student outcomes through high-quality instruction, delivering enriching experiences to instill lifelong learning, eliminating opportunity gaps, and encouraging multiple paths for college and career readiness. The second pillar of “Joy and Wellness” prioritizes creating welcoming and inclusive learning environments, addressing student well-being through health, nutrition, and wellness services, cultivating strong social-emotional skills, and ensuring outstanding attendance to achieve consistent learning. The third pillar of “Engagement and Collaboration” prioritizes strengthening relationships between students, families, and schools, providing accessible information to the community, leading on local, state, and national levels, and honoring the perspectives of students. The fourth pillar of “Operational Effectiveness” prioritizes developing data-driven decision-making, modernizing facilities and technological infrastructure, sustainably implementing school and District budgets, and making the District a district of choice of families. The fifth pillar of “Investing in Staff” prioritizes recruiting and retaining a diverse workforce, providing rigorous and relevant professional learning, cultivating staff wellness, and maintaining consistent and high performance standards.

The District developed an Implementation Guide for the 2022-26 Strategic Plan with actions and practices for practitioners to implement in schools and classrooms. Pursuant to the 2022-26 Strategic Plan, the District intends to, among other endeavors, ensure processes and systems are in alignment by reviewing budgets, updating reporting structures, offering professional development for school and central office staff, and providing additional support for aligning school-level plans to the 2022-26 Strategic Plan. Furthermore, to ensure the 2022-26 Strategic Plan remains on track, the District is regularly engaging with the community to solicit feedback on its actions and expenditures, and has established districtwide systems to monitor progress of ongoing implementation, as well progress toward achieving its targets for success – at both the central-office and school-site levels.

Local Districts. In addition to the Superintendent of the District, the District organizes its schools into four (formerly six) geographically-based regions (each, a “Local District”). Each Local District has a separate superintendent to oversee the schools in the related area of the District. The current Local District Superintendents are Dr. David Baca (North), Andre Spicer (South), José P. Huerta (East), and Dr. Denise Collier (West).

Biographies. Brief biographical information for Superintendent Alberto M. Carvalho and other senior management of the District is set forth below.

Alberto M. Carvalho, Superintendent. Alberto M. Carvalho has served as Superintendent of the District, the nation’s second-largest school district, since February 2022. He was selected by the District Board in a unanimous vote following a comprehensive community engagement process and a nationwide search.

During his 14-year tenure as Superintendent of Miami-Dade County Public Schools (“M-DCPS”), Superintendent Carvalho garnered local, state, national and international recognition. His honors include Florida’s 2014 Superintendent of the Year; the 2014 National Superintendent of the Year; the 2016 winner of the Harold W. McGraw Prize in Education; the 2018 National Urban Superintendent of the Year; the 2019 National Association for Bilingual Education (NABE) Superintendent of the Year Award; making him the most accomplished Superintendent in America’s history.

Superintendent Carvalho currently serves on the National Assessment Governing Board, appointed by the U.S. Secretary of Education. He also serves as a committee member for the National

Academies of Science, Engineering, and Medicine and as an Advisory Committee Member to the Harvard Program on Education Policy and Governance. Superintendent Carvalho is a dedicated member of the National Board of Directors for Common Threads and the Posse Foundation.

Under his tenure, M-DCPS became one of the nation's highest-performing urban school systems, receiving systemwide accreditation from AdvancEd in 2014. M-DCPS was named as the 2014 College Board Advanced Placement Equity and Excellence District of the Year and the 2012 winner of the Broad Prize for Urban Education. He is now seeking to elevate the District to the premier spot in American urban education.

Superintendent Carvalho has been awarded many honorary degrees. He has been honored by the President of Portugal with the "Ordem de Mérito Civil," by Mexico with the "Ohtli Award" and was awarded the Official Cross of the Orden de Isabel la Católica (Order of Isabella the Catholic) on behalf of King Felipe VI of Spain.

Jaime G. Torrens, Senior Advisor to the Superintendent. Mr. Torrens, Senior Advisor to the Superintendent of the District, is responsible for assisting and supporting the Superintendent in the overall operation of the second largest school district in the nation.

Mr. Torrens previously served as Deputy Superintendent and Chief of Staff for M-DCPS where he oversaw a broad portfolio of functional areas. Among other duties, he led the M-DCPS' response and recovery related to COVID-19 (as defined herein).

As Chief Facilities Officer for over 12 years he was responsible for all aspects of facilities planning, construction, maintenance, operations and inspections at the fourth largest school system in the nation. As a member of the Superintendent's Cabinet, he directed a staff of 1,000 professional and technical personnel responsible for all aspects of 3,100 buildings comprising 45 million square feet on over 400 school campuses and ancillary facilities.

Mr. Torrens also led the implementation of M-DCPS' \$1.2 billion General Obligation Bond program approved by voters in 2012 to renovate, construct and modernize school facilities throughout Miami-Dade County. This extensive capital improvement program included instructional technology upgrades at every school to provide equity throughout all campuses. Concurrently, he helped launch a comprehensive business development program which drastically expanded participation of small, minority and women-owned businesses that had been historically underrepresented in the construction industry.

Mr. Torrens served M-DCPS in various positions of increasing responsibility related to facilities management and district/emergency operations. He led M-DCPS' infusion of sustainability principles into design criteria and specifications for capital projects, implemented the Guaranteed Energy Performance Contracting Program and opened the first Gold Certified comprehensive high school under the LEED for Schools Program.

Mr. Torrens holds a Master of Science in Management Information Systems and a Bachelor of Science in Electrical Engineering from Florida International University, and he is a LEED Accredited Professional.

Mr. Pedro Salcido, Deputy Superintendent of Business Services and Operations. Since joining the District in 2012, Pedro Salcido has served in a variety of roles. Appointed in November 2022, he is currently the Deputy Superintendent of Business Services and Operations overseeing the critical work and divisions that enable the District to run, including school operations, food services, transportation,

finance, information technology, facilities, medical services, and procurement. Current strategic initiatives under his purview include closing the digital divide, school bus electrification and systems modernization, healthier and more appealing school meals, wireless network modernization, school building modernization projects, and zero-based budgeting.

Prior to becoming Deputy Superintendent of Business Services and Operations, Mr. Salcido served as the Chief of Staff, managing all District academic and nonacademic operations and activities, while also serving as the Superintendent's principal liaison to the District Board. He oversaw the execution of all District policies and was instrumental in the development of Superintendent Carvalho's 100-Day Plan and Strategic Plan. Mr. Salcido has a demonstrated track record in expanding equitable programmatic and financial practices. Most notably, he served as the leading staff member who developed and implemented the District's Student Equity Needs Index (SENI), an equity-based funding allocation that today has grown to distribute nearly \$700 million to the neediest schools in the District.

Mr. Salcido also served as the District's Senior Executive Director of Finance and Policy, and the Director of Government Relations during which he managed state, federal and local advocacy efforts and supervised internal and external efforts related to finance, labor negotiations and general board policies. Moreover, for five years, he led the work on the initial development and implementation of the District's Local Control and Accountability Plan (LCAP), the result of which was the establishment of a system of common accountability and budget alignment with the LCAP Scorecard and broad community engagement efforts.

As a first-generation Mexican American son of immigrants and a first-generation high school and college graduate, Mr. Salcido often relies on his own lived experiences to connect with both the educational and personal experiences of the students we serve. He seeks to listen often to the perspectives of staff, students, and families to effectively contribute to the decisions that shape the daily experiences of Los Angeles students and families. Mr. Salcido holds a Masters in Public Administration from the University of Southern California and holds dual degrees in Politics and Latin American Studies from the University of California, Santa Cruz.

Devora Navera Reed, General Counsel. Devora Navera Reed serves as the General Counsel for the District. She has been serving the District since 2006 and previously held the position of Chief Education and Legal Services Counsel. Ms. Navera Reed oversaw legal issues and litigation in areas dealing with special education, school law and operations, charter schools, equity and access, and constitutional issues, to name a few. As General Counsel for the District, Ms. Navera Reed is responsible for administering and overseeing the legal activities of the District's legal staff and outside legal firms. In addition, she advises the District Board, Superintendent, and senior leadership related to matters of major importance to the District. Prior to joining the District in 2006, Ms. Navera Reed served as an attorney for the Children's Law Center of Los Angeles for nearly a decade, where she represented and advocated for children in dependency court and the foster care system. In addition to her legal responsibilities, Ms. Navera Reed serves as a board member of the California Minority Counsel Program promoting diversity, equity and inclusion in the legal field. Ms. Navera Reed earned a Bachelor of Arts from the University of Southern California in 1992 and a Juris Doctorate degree from the University of San Francisco School of Law in 1996.

David D. Hart, Chief Business Officer. Mr. Hart began serving as the District's Chief Business Officer in January 2020. Before coming to the District, Mr. Hart served as the Chief Financial Officer of the Cherry Creek School District for approximately three years – the last 18 months of which he also served as Cherry Creek's Chief Operating Officer. Before joining Cherry Creek, Mr. Hart was a Director at The PFM Group for nearly two years and a Senior Vice President in Public Finance at D.A. Davidson & Co. for approximately a year. Prior to that time, Mr. Hart served as the Chief Financial Officer for

Denver Public Schools for four years and as Chief Financial Officer of the Douglas County School District for three years. He has also served as Manager of Revenue for the City and County of Denver, as Treasurer for the City and County of Denver and as Budget Director for the Douglas County School District. Mr. Hart attended the University of Colorado at Denver, where he received his Master of Public Administration: Policy Analysis and Evaluation.

V. Luis Buendia, Deputy Chief Business Officer – Finance. As of April 8, 2020, Mr. Buendia was appointed the Deputy Chief Business Officer – Finance of the District. Prior to such appointment, Mr. Buendia served briefly as the Interim Chief Business Officer and as the District’s Controller since February 2012. He has been employed by the District since 1989 in various capacities in both School Fiscal Services and Finance. Mr. Buendia served as Assistant Budget Director of Budget Services and Financial Planning from 2002 through 2008 and as Deputy Controller from 2008 through February 2012. Mr. Buendia graduated from De La Salle University, with a Bachelor of Science degree in Accounting, and received a Master of Business Administration degree from the Graziadio School of Business and Management at Pepperdine University. Mr. Buendia is a member of the Government Finance Officers Association.

Joy Mayor, Controller. As of April 29, 2021, Ms. Mayor was appointed the Controller of the District. Prior to such promotion, Ms. Mayor served as a Deputy Controller of the District since June 2016. She joined the District in January 2012 as Director of Accounting and served in that capacity until May 2016. Prior to joining the District, Ms. Mayor was a Senior Audit Manager at KPMG LLP. Ms. Mayor graduated from Bicol University with a Bachelor of Science degree in Accountancy and is a licensed Certified Public Accountant. She is a member of the Government Finance Officers Association.

Timothy S. Rosnick, Deputy Controller. Mr. Rosnick joined the District in October 2006 and served as the District’s Director of Accounting Controls from October 2006 through June 2007 and the Director of Treasury and Accounting Controls from July 2007 through June 2008. Mr. Rosnick served as the District’s Controller beginning in June 2008 and became Deputy Controller in June 2011. Prior to joining the District, Mr. Rosnick served as an Administrator at the Orange County Department of Education and as a Financial Officer with LACOE. Mr. Rosnick graduated from the University of Washington with a Bachelor of Arts degree with Distinction in Economics and received a Master of Business Administration degree from the University of Texas at Austin. Mr. Rosnick is a member of the Government Finance Officers Association and the CFA Institute.

School Facilities

The District is the second largest public school district in the United States and is the largest public school district in the State. As reflected in the District’s Audited Annual Financial Report for fiscal year 2021-22, the District operated 1,224 schools and centers, which consisted of 436 elementary schools, 78 middle/junior high schools, 87 senior high schools, 53 options schools, 255 magnet centers, 66 magnet schools, 28 multi-level schools, 13 special education schools, 1 community adult school, 7 regional occupational centers, 2 skills centers, 87 early education centers, 4 infant centers, 18 primary school centers, and 89 California State preschools. As reflected in the District’s Audited Annual Financial Report for fiscal year 2021-22, 51 of the District’s schools were operated as locally-funded affiliated charter schools (“Affiliated Charter Schools”). In addition, as reflected in the District’s Audited Annual Financial Report for fiscal year 2021-22, the District oversaw 227 fiscally independent charter schools (“Fiscally Independent Charter Schools”) within the District’s boundaries. See “STATE FUNDING OF SCHOOL DISTRICTS – Charter School Funding.”

Enrollment and Average Daily Attendance

[TO BE UPDATED FOLLOWING NORM DAY IN SEPT 2023] [As of September [], 2023, the transitional kindergarten (“TK”) through 12th grade enrollment in the District for fiscal year 2023-24 was approximately [] students, including those attending magnet, opportunity, and continuation schools and centers, Affiliated Charter Schools, and schools for the handicapped. Such enrollment represents an increase of [] students or approximately []% from the budgeted TK-12 enrollment in the District at the time of preparation of the District’s original adopted budget for fiscal year 2023-24 (the “Fiscal Year 2023-24 Budget”). Such enrollment does not include students attending Fiscally Independent Charter Schools that was budgeted at [] students at the time of preparation of the Fiscal Year 2023-24 Budget. Based on enrollment projections at the time of preparation of the Fiscal Year 2023-24 Budget, the District was projecting enrollment to decline by []% each year through fiscal year []. Comparisons of enrollment from September 23, 2022 to September [], 2023, show that the enrollment decline between such dates was roughly []%, which is an improvement from the District’s projections for fiscal year 2023-24 at the time of preparation of the Fiscal Year 2023-24 Budget. While the District expects enrollment to continue to decline, the District’s projected enrollment declines are subject to change as conditions change and more data becomes available throughout the fiscal year. The District attributes declining enrollment to, among other things, the reduced birth rate in the County, increased costs of living and housing costs in southern California, increased numbers of school-age students in the District’s boundaries attending Fiscally Independent Charter Schools rather than District schools, and residual impacts of the Coronavirus Disease 2019 (“COVID-19”) pandemic. To improve student enrollment, the District’s Strategic Enrollment & Program Planning Office is mobilizing data and resources to coordinate District-wide enrollment efforts, expanding outreach to communities and families, and improving the articulation of school pathways and programs.]

[TO BE UPDATED FOLLOWING DISTRICT BUDGET] [As a result of declining enrollment in District schools, the District’s annual average daily attendance (“ADA”) declined in recent years and is expected to further decline in fiscal years 2023-24 and 2024-25 based on projections contained in the Fiscal Year 2023-24 Budget.] To ensure funding stability regardless of instructional model in light of the COVID-19 pandemic, the State budget for fiscal year 2020-21 included a hold-harmless provision for the purpose of calculating apportionments in fiscal year 2020-21, and it provided that average daily attendance for fiscal year 2020-21 is based on fiscal year 2019-20 (specifically, the period July 1, 2019 through February 29, 2020). Although the State budget for fiscal year 2021-22 did not include an extension of the ADA hold-harmless provision in fiscal year 2021-22, school districts with enrollment declines in fiscal year 2021-22, like the District, retained the ability to receive their apportionment based on the higher of their fiscal year 2019-20 or fiscal year 2020-21 ADA as provided under the Local Control Funding Formula (the “LCFF”). See “STATE FUNDING OF SCHOOL DISTRICTS – Local Control Funding Formula.” In light of pervasive declining enrollment throughout nearly all school districts in the State, the Governor’s State budget for fiscal year 2022-23 revised the LCFF calculation beginning with fiscal year 2022-23 to consider the greater of a school district’s current fiscal year, prior fiscal year, or the average of three prior fiscal years’ ADA to allow school districts more time to adjust to enrollment-related LCFF funding declines. For purposes of fiscal year 2021-22, if a school district can demonstrate it provided independent study offerings to students in fiscal year 2021-22, such school district may consider the greater of its fiscal year 2021-22 ADA or its fiscal year 2021-22 enrollment adjusted for pre-COVID-19 absence rates. Such adjustment is applicable to fiscal year 2021-22 for purposes of calculating a school district’s prior year ADA or the average of three prior years’ ADA in fiscal year 2022-23 and future fiscal years in accordance with the amendments made in connection with the Governor’s State budget for fiscal year 2022-23. The following Table A-1 sets forth the District’s actual and funded ADA for fiscal years 2012-13 through 2023-24. As reflected in Table A-1, the District’s funded ADA for fiscal years 2012-13 through 2023-24 was based largely on actual prior year ADA for the second period of attendance (“P-2”) for traditional TK-12 students, but current year P-2

ADA for students attending Affiliated Charter Schools. [For fiscal years 2022-23 and 2023-24, the District's funded ADA was based largely on the average of three prior fiscal years' P-2 ADA for traditional TK-12 students, as adjusted in accordance with the COVID-19 ADA relief measures, but current year P-2 ADA for students attending Affiliated Charter Schools.]

TABLE A-1
LOS ANGELES UNIFIED SCHOOL DISTRICT
Average Daily Attendance
Fiscal Years 2011-12 through 2023-24⁽¹⁾

Fiscal Year	Actual ADA			Funded ADA
	TK-12 ⁽²⁾	Affiliated Charter Schools ⁽³⁾	Total	Total
2012-13	505,513	28,832	534,345	546,631 ⁽⁷⁾
2013-14	488,362	39,633	527,995	532,838 ⁽⁷⁾
2014-15	476,285	39,944	516,229	524,591 ⁽⁷⁾
2015-16	463,735	39,632	503,367	512,625 ⁽⁷⁾
2016-17	450,713	41,143	491,856	500,648 ⁽⁷⁾
2017-18	438,359	40,232	478,591	483,710 ⁽⁷⁾
2018-19	415,100	38,910	454,010	470,127 ⁽⁷⁾
2019-20 ⁽⁴⁾	413,968	40,940	454,905	454,792 ⁽⁷⁾
2020-21 ⁽⁵⁾	N/A	N/A	N/A	455,356 ⁽⁷⁾
2021-22	345,660	35,049	380,709	[449,912] ⁽⁷⁾
2022-23	[]	[]	[]	[] ⁽⁸⁾
2023-24 ⁽⁶⁾	[]	[]	[]	[] ⁽⁸⁾

(1) Data may differ from other District disclosures because adjustments were made in certain fiscal years due to additional attendance for non-public students, corrected attendance reports for District students, and/or audit findings.

(2) Includes non-public school special education students and District students attending schools operated by the County. Beginning in fiscal year 2012-13, includes TK students.

(3) Includes charter schools that are fiscally-affiliated with the District which were funded with block grants until fiscal year 2012-13. Beginning fiscal year 2013-14, such charter schools are funded by the LCFF.

(4) Condensed reporting period. Does not reflect actual student attendance after February 29, 2020 due to the COVID-19 pandemic.

(5) Attendance reporting not required for fiscal year 2020-21. The fiscal year 2020-21 State budget included a hold harmless provision for the purpose of calculating apportionments under LCFF in fiscal year 2020-21, providing that ADA for fiscal year 2020-21 was based on ADA for fiscal year 2019-20 (specifically, the period July 1, 2019 through February 29, 2020), as discussed in more detail above.

(6) Projected and funded ADA, as reflected in Fiscal Year 2023-24 Budget. **[TO BE UPDATED IF REFINED IN REVISIONS TO BUDGET]**

(7) Funded ADA is based largely on actual prior year P-2 ADA for TK-12 and current year P-2 ADA for Affiliated Charter Schools. For more information, see the discussion of ADA funding in the paragraph immediately preceding this table.

(8) Funded ADA is based largely on the average of three prior fiscal years' P-2 ADA for TK-12, as adjusted in accordance with the COVID-19 ADA relief measures, and current year P-2 ADA for Affiliated Charter Schools. For more information, see the discussion of ADA funding in the paragraph immediately preceding this table [and "DISTRICT FINANCIAL INFORMATION – District Budget – *Revisions to Fiscal Year 2023-24 Budget*."]

Cybersecurity

[TO BE UPDATED PRIOR TO POS POSTING] [The District collects, processes, and distributes protected and personal information on students, staff, parents, and contractors. The size of the District's information assets creates a target-rich environment for a variety of threats such as cyber criminals and natural disasters. In 2019, the District experienced a cyberattack that resulted in unauthorized access to a limited number of student records; the software vulnerability was resolved the same day it was discovered. In March 2020, in response to the COVID-19 pandemic, the District rapidly implemented new remote learning and remote working capabilities, which increased the District's cyberattack surface area. The District implemented additional layers of technical and administrative controls to mitigate remote access risks. In August 2022, a Data Center power outage triggered by a failed electrical transformer owned by Los Angeles Department of Water and Power, resulted in temporary unavailability of some information systems. The District mitigated the risk by increasing electrical line and backup power capacity and successfully performing functional load tests.

On September 3, 2022, the District became aware of a cyberattack on its information technology assets and proactively suspended network traffic in and out of its data centers. In response to such incident, the District swiftly activated its incident response protocol and commenced an investigation with support from Kroll, LLC, an outside cybersecurity firm, to assist with containment, remediation, and forensic analysis. The Microsoft Detection and Response Team is also assisting with the forensic investigation. The District also notified local and federal law enforcement agencies and continues to support their ongoing investigations. The District has identified, contained, and remediated the ransomware, and it has not found evidence of additional malware related to the cyberattack or any other persistent malicious activity on its network or systems.

The District's investigation of the incident determined that on or about July 31, 2022, the threat actor first accessed the District's environment remotely using a contractor account to gain unauthorized access to systems. The District did not pay a ransom to the threat actor in connection with the incident. The threat actor posted approximately 500 gigabytes of data it stole from the District to its "leak site" on the dark web. To date, it appears that most of the files exfiltrated by the threat actor were located on the District's facilities servers and systems, but analysis is ongoing to identify additional files or data sources that were impacted. The District is currently reviewing the files that were potentially accessed and/or exfiltrated by the threat actor from the District's environment and plans to provide notices (and other services) as required.

As a result of the incident, the District initially restricted access to its servers and systems, including access to user accounts, email, and software applications. Many operations and processes that were automated or facilitated by technology had to be completed manually, and some still remain manual at this time. Nonetheless, school sites remained operational. Most servers and systems were gradually restored within days as they were determined to be safe, with the District's most critical systems being restored first. The District restored certain impacted systems from backups and continues to work to rebuild others. While the District maintains cyber liability insurance, the costs relating to the incident may exceed applicable coverage limits, though the District cannot currently predict by how much. Further, the District is planning to implement various security enhancements in light of the incident, but the District cannot currently predict the total cost of such enhancements. The District has received at least one recently filed claim relating to the incident on behalf of an identified parent of two District students and purportedly on behalf of an unidentified class of others impacted; given that such claim was recently filed, the District cannot predict the outcome or any potential financial impact that may result from such claim. Further, the District cannot predict whether any other claims or litigation will be filed or estimate any potential financial impact that may result. The District is exploring potential State and federal assistance for the costs associated with the incident.

The District has implemented several protective measures with respect to access requirements to its systems to reduce the likelihood of a similar incident from occurring in the future. The District has also established an Independent Information Technology Task Force comprised of cybersecurity experts from private and public sectors to develop a set of recommendations to further strengthen the District's cybersecurity.

To minimize the impact and frequency of cybersecurity incidents, the District previously hired a Director of Information Technology Security in 2016 to develop and implement a risk-based information security management program ("ISMP"). The ISMP is designed to protect the confidentiality, integrity, and availability of information assets managed by the District's Information Technology Division and comply with all applicable information protection regulations including the Family Educational Rights and Privacy Act, Children's Internet Protection Act, and the Health Care Insurance Portability and Accountability Act. The ISMP includes a number of technical, administrative, and physical security safeguards that take into account the District's unique threats and vulnerabilities. Safeguards include, but are not limited to, policies that require employees, students, and parents to acknowledge their obligation to protect District information, cybersecurity training for employees, next generation network security technologies, access control systems, and cyber liability insurance. The District and its third-party IT vendors are required to carry cyber liability insurance to offset the cost of business disruptions caused by cybersecurity incidents.

No assurance can be made in any networked environment that a future cyberattack or natural disaster would not compromise the confidentiality, integrity or availability of District information assets. The only viable mitigation of cybersecurity risks is a layered defense strategy. The District implements layered defenses as a principal driver of its information security program and continuously monitors the effectiveness of the program to proactively modify it when the cyberattack landscape changes.]

STATE FUNDING OF SCHOOL DISTRICTS

General

School districts in the State receive operating revenues from federal, State and local sources, including appropriations from the State's general fund and local property taxes derived from a school district's share of the 1% *ad valorem* property tax. School districts also currently receive revenues from the State attributable to temporary tax increases implemented by Proposition 30 (defined herein). In connection with voter approval of Proposition 55 (defined herein), certain of such temporary tax increases were extended by twelve years through 2030. See "CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS – Proposition 30" herein. School districts, such as the District, may be eligible for other special categorical funding, including funding for certain State and federal programs. The amount of categorical funding appropriated to a school district may vary significantly from other school districts and yearly. Currently, the District budgets to receive approximately []% of District General Fund revenues from funds of or controlled by the State. As a result, decreases in State revenues, or in State legislative appropriations made to fund education, may significantly affect District operations. For more information regarding the District's funding for fiscal year 2023-24, see "– State Budget Act – 2023-24 State Budget," "– Local Control Funding Formula" and "DISTRICT FINANCIAL INFORMATION – District Budget" herein.

Article XVI of the State Constitution requires that from all State revenues, there first be set apart the moneys to be applied by the State for support of the public school system and public institutions of higher education. See "CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND

APPROPRIATIONS – Constitutionally Required Funding of Education” herein. The State Legislature and the Governor approve the State’s authorized appropriations for school districts each fiscal year in connection with the adoption of the State Budget Act (defined herein). Proposition 98 (“Proposition 98”), approved in November 1988 as a combined initiative constitutional amendment and statute called the “Classroom Instructional Improvement and Accountability Act,” provides the minimum funding formula for school districts. See “CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS – Proposition 98” herein. Under Proposition 98 (as modified by Proposition 111, which was enacted on June 5, 1990), there are currently three tests which determine the minimum level of K-14 funding. See “CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS” and “STATE FUNDING OF SCHOOL DISTRICTS– Local Control Funding Formula” herein. Proposition 98 permits the State Legislature, by two-thirds vote of both houses and with the Governor’s concurrence, to suspend the K-14 schools’ minimum funding formula for a one-year period. The amount of suspension is required to be repaid according to a specified State Constitutional formula, thereby restoring Proposition 98 funding to the level that would have been required in the absence of such suspension.

The actual appropriations and the timing of such appropriations are subject to, among other things, the estimated amount of State general fund revenues during the fiscal year and subsequent changes in State law. At times since the implementation of Proposition 98, the State has also sought to preserve general fund cash while avoiding increases in the base guaranteed amount through various mechanisms: by treating any excess appropriations as advances against subsequent years’ Proposition 98 minimum funding levels rather than current year increases; by deferring apportionments of Proposition 98 funds from one fiscal year to the next, as the State did in fiscal years 2019-20 and 2020-21; by suspending Proposition 98, as the State did in fiscal year 2004-05, fiscal year 2010-11, fiscal year 2011-12 and fiscal year 2012-13; and by proposing to amend the State Constitution’s definition of the guaranteed amount and settle-up requirement under certain circumstances. For more information on the Proposition 98 minimum guarantee under the 2023-24 State Budget, see “– State Budget Act – 2023-24 State Budget” herein.

Since fiscal year 2013-14, the amount of funds an individual school district receives from State revenues depends on the amount of revenues the State calculates that the school district should receive based on the LCFF, less the amount the school district derives from such school district’s share of the 1% *ad valorem* property tax. See “– Local Control Funding Formula” and “CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS – Constitutionally Required Funding of Education” herein.

The State Budget Process

The State’s fiscal year begins on July 1 and ends on June 30. According to the State Constitution, the Governor of the State (the “Governor”) is required to propose a budget for the next fiscal year (the “Governor’s Budget”) to the State Legislature no later than January 10 of each year. State law requires the Governor to update the Governor’s Budget projections and budgetary proposals by May 14 of each year (the “May Revision”). Proposition 25, which was adopted by voters in the State at an election held on November 2, 2010, amended the State Constitution such that a final budget must be adopted by a simple majority vote of each house of the State Legislature by no later than June 15 and the Governor must sign the adopted budget by no later than June 30. The budget becomes law upon the signature of the Governor (the “State Budget Act”).

Under State law, the annual proposed Governor's Budget cannot provide for projected expenditures in excess of projected revenues and balances available from prior fiscal years. Following the submission of the Governor's Budget, the State Legislature takes up the proposal. Under the State Constitution, money may be drawn from the State Treasury only through an appropriation made by law. The primary source of the annual expenditure authorizations is the State Budget Act, as approved by the State Legislature and signed by the Governor. The Governor may reduce or eliminate specific line items in the State Budget Act or any other appropriations bill without vetoing the entire bill. Such individual line-item vetoes are subject to override by a two-thirds majority vote of each House of the State Legislature. Appropriations also may be included in legislation other than the State Budget Act. Bills containing appropriations (except for K-14 education) must be approved by a two-thirds majority vote in each House of the State Legislature and be signed by the Governor. Bills containing K-14 education appropriations require only a simple majority vote. Continuing appropriations, available without regard to fiscal year, may also be provided by statute or the State Constitution. Funds necessary to meet an appropriation need not be in the State Treasury at the time such appropriation is enacted; revenues may be appropriated in anticipation of their receipt. However, delays in the adoption of a final State budget in any fiscal year may affect payments of State funds during such budget impasse. See "– State Funding of Schools Without a State Budget" herein for a description of payments of appropriations during a budget impasse.

The description above and below of the State's budget has been obtained from publicly available information which the District believes to be reliable; however, the District, its counsel (including Bond Counsel and Disclosure Counsel), the Municipal Advisor, the Underwriters and their counsel do not guarantee the accuracy or completeness of this information and have not independently verified such information. Additional information regarding State budgets is available at various State-maintained websites, including www.dof.ca.gov. The website is not incorporated herein by reference and the District, its counsel (including Bond Counsel and Disclosure Counsel), the Municipal Advisor, the Underwriters and their counsel do not make any representation as to the accuracy of the information provided therein.

State Budget Act

2023-24 State Budget. [TO COME]

Future Budgets and Budgetary Actions. The District cannot predict what future actions will be taken by the State Legislature and the Governor to address changing State revenues and expenditures or the impact such actions will have on State revenues available in the current or future years for education. The State budget will be affected by national and State economic conditions and other factors beyond the District's ability to predict or control. Certain actions could result in a significant shortfall of revenue and cash and could impair the State's ability to fund schools during fiscal year 2023-24 and in future fiscal years. Certain factors, like an economic recession, could result in State budget shortfalls in any fiscal year and could have a material adverse financial impact on the District. As the Bonds are payable from *ad valorem* property taxes, the 2023-24 State Budget is not expected to have a material impact on the payment of the Bonds.

Additional Information. Information about the State budget and State spending for education is regularly available at various State-maintained websites. Text of the State budget may be found at the website of the Department of Finance, www.dof.ca.gov, under the heading "California Budget." Various analyses of the budget may be found at the website of the LAO at www.lao.ca.gov. In addition, various State official statements, many of which contain a summary of the current and past State budgets and the impact of those budgets on school districts in the State, may be found via the website of the State Treasurer, www.treasurer.ca.gov. The information presented in these websites is not incorporated by reference in this Official Statement.

State Funding of Schools Without a State Budget

Although the State Constitution requires that the State Legislature adopt a budget for the State by June 15 of the prior fiscal year and that the Governor sign a budget by June 30, this deadline has been missed from time to time. Delays in the adoption of a Budget Act in any fiscal year could impact the receipt of State funding by the District. On May 29, 2002, the California Court of Appeal for the Second District decided the case of *Howard Jarvis Taxpayers Association, et al. v. Kathleen Connell* (as Controller of the State of California), et al. (also referred to as *White v. Davis*) (“Connell”). The California Court of Appeal concluded that, absent an emergency appropriation, the State Controller may authorize the payment of State funds during a budget impasse only when payment is either (i) authorized by a “continuing appropriation” enacted by the State Legislature, (ii) authorized by a self-executing provision of the State Constitution, or (iii) mandated by federal law. The Court of Appeal specifically concluded that the provisions of Article XVI, Section 8 of the State Constitution—the provision establishing minimum funding of K-14 education enacted as part of Proposition 98—did not constitute a self-executing authorization to disburse funds, stating that such provisions merely provide formulas for determining the minimum funding to be appropriated every budget year but do not appropriate funds. Nevertheless, the State Controller has concluded that the provisions of the State Education Code establishing K-12 and county office of education revenue limit funding (the predecessor to the LCFF) do constitute continuing appropriations enacted by the State Legislature and, therefore, has indicated that State payments of such amounts would continue during a budget impasse. The State Controller, however, has concluded that K-12 categorical programs are not authorized pursuant to a continuing appropriation enacted by the State Legislature and, therefore, cannot be paid during a budget impasse. To the extent the Connell decision applies to State payments reflected in the District’s budget, the requirement that there be either a final budget bill or an emergency appropriation may result in the delay of some payments to the District while such required legislative action is delayed, unless the payments are self-executing authorizations, continuing appropriations or are subject to a federal mandate. However, the District does not expect any delays in payments from the State to adversely affect its ability to pay the principal of and interest on the Bonds described in the forepart of this Official Statement, which are payable from voter-approved *ad valorem* property taxes.

Local Control Funding Formula

General. Funding for school districts, charter schools and county offices of education in connection with the LCFF includes State apportionments for general operating costs (“State Aid”) and funding for categorical programs. During fiscal year 2022-23, approximately [____]% of the District’s General Fund revenues were pursuant to the LCFF. During fiscal year 2023-24, the District budgets that approximately [____]% of the District’s General Fund revenues will consist of funds determined under the LCFF. [For fiscal years 2020-21 through [2023-24], LCFF revenues comprise a lower percentage of the District’s total General Fund revenues as a result of increases in one-time federal funding for COVID-19 relief.] The following Table A-2 sets forth the percentage of the District’s General Fund revenues that are derived from revenues under the LCFF, federal revenues, other State revenues and other local revenues for fiscal years 2019-20 through 2023-24.

TABLE A-2

The LCFF allocates State funding based on a school district’s demographics. Each school district receives a base grant (the “Base Grant”) per ADA in an amount determined by the State. As discussed above, the Governor’s State budget for fiscal year 2022-23 revised the LCFF calculation beginning with fiscal year 2022-23 to consider the greater of a school district’s current fiscal year, prior fiscal year, or the average of three prior fiscal years’ ADA. See “DISTRICT GENERAL INFORMATION – Enrollment and Average Daily Attendance.” Pursuant to the LCFF, each local education agency (“LEA”) is required to, among other things, show progress toward an average class enrollment of no more than 24 pupils in kindergarten through grade 3, unless the LEA has entered into a collective bargaining agreement specifying an annual alternative average class enrollment in those grades for each school. Accordingly, the LCFF includes an adjustment to the Base Grant for kindergarten through grade 3 (the “K-3 Grade Span Adjustment”) of approximately 10.4% in order to cover the costs associated with class size reduction. In addition, the LCFF includes an adjustment to the Base Grant for grades 9 through 12 of approximately 2.6% in order to cover the costs of, among other things, providing career technical education.

Based on the ADA of the given demographic classification, school districts are eligible to receive a 20% supplemental grant (the “Supplemental Grant”) for students classified as English learners (“EL”), students eligible to receive a free or reduced price meal (“FRPM”), and students classified as foster youth (“LI”). The State expects the Supplemental Grants to reflect the additional costs associated with the education of EL, FRPM and LI students. In addition, school districts are eligible to receive a concentration grant (the “Concentration Grant”) if the school district has a significant concentration of students classified as EL, FRPM or LI (collectively, “Unduplicated Pupils”). The LCFF uses an unduplicated student count to determine the amount of the Supplemental Grant and Concentration Grant authorized for a school district. A school district may only count a student one time if such student is classified in more than one of the EL, FRPM and LI categories. In the event the percentage of Unduplicated Pupils exceeds 55% of a school district’s total enrollment, the LCFF provides additional funding to the school district through a Concentration Grant. The Concentration Grant will be an amount equal to an additional 65% of the school district’s adjusted Base Grant, which includes the cost of living adjustment and grade span adjustments, if any, for each Unduplicated Pupil above the 55% threshold.

The Base Grants are based on four uniform, grade-span base rates. For fiscal year 2023-24, the LCFF provided to school districts and charter schools: (a) a Base Grant for each LEA equivalent to \$[] per ADA for kindergarten through grade 3; (b) a Base Grant for each LEA equivalent to \$[] per ADA for grades 4 through 6; (c) a Base Grant for each LEA equivalent to \$[] per ADA for grades 7 and 8; (d) a Base Grant for each LEA equivalent to \$[] per ADA for grades 9 through 12. The Base Grant amount for fiscal year 2023-24 includes a cost-of-living adjustment of []%. The amount of actual funding allocated to the Base Grant, Supplemental Grants and Concentration Grants is subject to the discretion of the State.

Since the full implementation of the LCFF in fiscal year 2018-19, there is no longer a gap between a school district's prior year funding and the target amount of funding under the LCFF for the current year. Further, there is no longer a difference between the District's target entitlement under the LCFF – the amount available once the LCFF is fully funded – and the District's transition entitlement. In fiscal year 2018-19, the District reached its target entitlement for the District and the Affiliated Charter Schools, such that there is no transition entitlement for the District and the Affiliated Charter Schools. Accordingly, the District's historically significant increases in LCFF funding from year to year are not reflective of the District's current and expected LCFF funding since the LCFF is fully funded.

The difference between the amount a school district or charter school would have received under the old funding system and the estimated amount it would receive for LCFF funding at full implementation, based on certain criteria is referred to as the "Economic Recovery Target." Only school districts and charter schools that were at, or below, the 90th percentile of per-pupil funding rates of school districts under the pre-fiscal year 2013-14 funding system, as determined at the certification of the State's second principal apportionment in fiscal year 2013-14, are eligible for Economic Recovery Target payments. Based on this criteria, the District is not entitled to receive Economic Recovery Target funding. However, certain of the District's Affiliated Charter Schools are entitled to the Economic Recovery Target funding and received approximately \$[] (unaudited), collectively, in fiscal year 2022-23, and budget to receive [approximately the same amount], collectively, in fiscal year 2023-24.

The District has the largest ADA in the State. See "DISTRICT GENERAL INFORMATION – Enrollment and Average Daily Attendance" herein. In addition, the District's ADA includes a significant number of students classified as Unduplicated Pupils. Accordingly, the District expects to receive more LCFF funding than other school districts in the State. The Fiscal Year 2023-24 Budget budgets that approximately []% of students attending non-charter schools of the District will be classified as Unduplicated Pupils under the LCFF during fiscal year 2023-24. The percentage of students classified as Unduplicated Pupils is based on a three-year rolling average. The District's calculation of ADA with respect to Unduplicated Pupils, which is used to determine Supplemental and Concentration Grant revenues, is subject to adjustment upon review thereof by the District's independent auditor.

The following Table A-3 sets forth the District's Base Grant per ADA for fiscal years 2014-15 through 2023-24 under the LCFF.

TABLE A-3

Sources: Los Angeles Unified School District Comprehensive Annual Financial Report for fiscal years 2014-15 and 2015-16; the District for fiscal years 2016-17 through 2021-22; Fiscal Year 2022-23 Unaudited Actuals; Fiscal Year 2023-24 Budget.

Local Control and Accountability Plan. Pursuant to the LCFF, since July 1, 2014, school districts, county offices of education and charter schools have been required to develop, adopt and annually update a three-year local control and accountability plan (the “LCAP”). The LCAP is required to identify goals and measure progress for student subgroups across multiple performance indicators. The Education Code requires each school district to file with the county superintendent of schools such school district’s LCAP or annual update thereof not later than five days after its adoption. On or before August 15 of each year, the county superintendent of schools may seek clarification, in writing, from the governing board of such school district about the contents of the LCAP. The school district has the opportunity to respond to such request and the county superintendent is authorized to submit recommendations for amendments to the LCAP. On or before October 8 of each year, the county superintendent of schools is required to approve each school district’s LCAP pending a determination that the school district has adhered to the template adopted by the State Board of Education, the school district’s budget includes expenditures sufficient to implement the specific actions and strategies included in the LCAP based on projected costs, and the school district has adhered to the Education Code with respect to funds apportioned for Unduplicated Pupils.

The State’s priorities for each LCAP include, among other things, compliance with requirements with respect to appropriateness of teacher assignments, ensuring that teachers are fully credentialed in the subject areas and for the pupils they are teaching, and ensuring that every pupil in the school district has sufficient access to the standards-aligned instructional materials as determined in accordance with the Education Code. In addition, school facilities are to be maintained in good repair. The State requires proper implementation of the academic content and performance standards adopted by the State Board of Education and will measure parental involvement (e.g., efforts to seek input from parents or guardians regarding decisions for the district and the school site), pupil achievement (e.g. performance on Statewide assessments, the academic performance index, readiness for college or career technical education, progress towards English proficiency, performance on advance placement examinations), pupil engagement (e.g., school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout and graduation rates, pupil suspension and expulsion rates, etc.), access and enrollment in a broad course of study including the core subject areas and programs and services developed and

provided to Unduplicated Pupils, and pupil outcomes in the subject areas comprising a broad course of study.

In November 2014, the State Board of Education adopted final regulations to govern the expenditure of the Supplemental Grant and Concentration Grant funding. These regulations require school districts, county offices of education, and charter schools to increase and improve services for Unduplicated Pupils and provide authority for school districts to spend funds school-wide when significant populations of Unduplicated Pupils attend a school. Pursuant to the regulations, LEAs are required to obtain input from parents of students and the general public in connection with the development, revision and updates of LCAPs. In addition, the regulations require County superintendents to review school district LCAPs and require county offices of education to provide technical assistance if they disapprove an LCAP. The Education Code grants the State Superintendent of Public Instruction authority to intervene if a school district or charter school fails to show improvement across multiple subgroups in three out of four consecutive years.

Infectious Disease Outbreak

[TO BE UPDATED PRIOR TO POS POSTING] In general, the outbreak of a highly contagious disease or epidemic disease could harm the District’s financial results or result in a temporary shutdown of the District’s facilities. As discussed above, school districts in California are funded based on the LCFF, which allocates a base grant per unit of average daily attendance with additional supplemental grants based on certain factors. Thus, a temporary shutdown of a school or an entire school district would reduce the average daily attendance and could impact the funding a school district receives unless the State legislature or California Department of Education takes action to exclude such days from the calculations for funding purposes. Further, any impact on the State’s tax and other revenue receipts as a result of a highly contagious or epidemic disease may in turn impact other educational funding that the District receives from the State. “ – State Budget Act – *Future Budgets and Budgetary Actions*.” In addition, the District may incur increased operational costs to conduct distance learning or to clean, sanitize and maintain its facilities either before or after an outbreak of an infectious disease.

COVID-19 Background. The outbreak of the respiratory disease caused by COVID-19 has been declared a pandemic by the World Health Organization, a national emergency by former President Trump and a state of emergency by the Governor of the State.

Federal Response. On March 13, 2020, former President Trump declared a nationwide emergency pursuant to Section 501(b) of the Stafford Act, regarding the COVID-19 pandemic. On March 22, 2020, former President Trump approved the Major Disaster Declaration for the State of California, authorizing federal emergency aid related to COVID-19 administered through the Federal Emergency Management Agency (“FEMA”). As a result, local educational agencies were permitted to submit a request for FEMA public assistance through the California Office of Emergency Services for reimbursement of certain costs incurred as a result of COVID-19. The District submitted its initial request for FEMA public assistance for eligible cleaning, sanitation, and personal protective equipment expenses incurred through June 30, 2020, and is working with FEMA to finalize and formally submit additional requests relating to its COVID-19 testing, vaccination and meal programs, but it cannot predict the timing or amount of federal emergency aid it will receive pursuant to such request.

On March 27, 2020, the U.S. House of Representatives approved and former President Trump signed into law the Coronavirus Aid, Relief and Economic Security Act (the “CARES Act”). The CARES Act provided \$30 billion to education, specifically \$3 billion allocated to state governors to be used at their discretion to address the emergency, \$13.5 billion for K-12 education, and \$14.25 billion for postsecondary institutions. School districts are able to use their share of the \$13.5 billion K-12 education

allocation under the CARES Act, which was based on the proportion of Title I funding received for the then most recent fiscal year, for purposes authorized by federal law and other specified uses. The District was allocated approximately \$858.1 million in funding under the CARES Act, which included approximately \$289.7 million from the Elementary and Secondary School Emergency Relief Fund (the “ESSER”) provided directly from the federal government to the District, and amounts allocated by the State of California through its Learning Loss Mitigation Fund, including approximately \$488.6 million from the Coronavirus Relief Fund (the “CRF”) provided from CARES Act funding, approximately \$31.9 million from the Governor’s Emergency Education Relief Fund (the “GEER”) provided from CARES Act funding, and approximately \$47.9 million from the State’s general fund. As of August 31, 2022, the District has received all \$858.1 million allocated under the CARES Act. The District has also received approximately \$22.0 million in supplemental reimbursements at a rate of 75 cents per meal for meals served to students between March 2020 and August 2020; a portion of such funding was provided by federal sources under the CARES Act and the other portion of such funding was provided by State funds. In addition, the District has been awarded approximately \$6.0 million in grant funds by the State under the California Community Schools Partnership Program for expenditures relating to the District’s community schools. As of August 31, 2022, the District has received approximately \$5.4 million of such grant funding.

On December 27, 2020, HR 133 was enacted, which includes a \$900 billion COVID-19 relief package. HR 133 provided approximately \$81.9 billion to education, specifically about \$4.1 billion allocated to state governors to be used at their discretion to address the emergency, of which approximately \$2.75 billion was reserved for private K-12 education, about \$54.3 billion for K-12 education, around \$22.7 billion for postsecondary institutions, and about \$819 million for outlying areas and Bureau of Indian Affairs schools. School districts are able to use their share of the approximately \$54.3 billion K-12 education allocation under HR 133, which was based on the proportion of Title I funding received for the then most recent fiscal year, for purposes authorized by federal law and other specified uses. Pursuant to HR 133, \$154 million was allocated to the State in the form of funding for public schools from the GEER (the “GEER II”), and the State ultimately incorporated such funds into the expanded learning opportunity grant funding discussed below. In addition, pursuant to HR 133, the District is eligible to receive approximately \$1.15 billion in funding from the ESSER (the “ESSER II”) for eligible expenditures obligated through September 30, 2023. The District has received all \$1.15 billion in ESSER II funding as of August 31, 2022. In addition, under HR 133, the District received a one-time child development stipend of approximately \$4 million for costs associated with childcare programs.

On March 11, 2021, the American Rescue Plan Act of 2021 (“HR 1319”), a \$1.9 trillion COVID-19 relief package, was enacted. HR 1319 provided approximately \$165.15 billion to education, specifically about \$122.8 billion to public K-12 education, around \$2.75 billion to private K-12 education and about \$39.6 billion to postsecondary institutions. Of the approximately \$122.8 billion in K-12 funding, about \$7.2 billion was set aside for purchasing technology to support digital learning and around \$800 million is set aside for supporting homeless students. HR 1319 allocated K-12 funding to states and school districts according to the proportion of Title I funding received for the then most recent fiscal year. It further stipulated that of the K-12 funds received by states, 90% must be distributed to local educational agencies, 5% must be used to address learning loss, 1% must be used for summer enrichment programs and 1% must be used for comprehensive afterschool programs, and of the K-12 funds received directly by school districts, 20% must be used to address learning loss. Pursuant to HR 1319, the District expects to receive approximately \$2.6 billion in additional funding from the ESSER (the “ESSER III”) for expenditures obligated through September 30, 2024. As of August 31, 2022, the District has received approximately \$257.8 million in ESSER III funding. Pursuant to HR 1319, the District also expects to receive at least approximately \$242.7 million and may receive up to \$313.3 million from the amounts dedicated to technology and digital learning (the “Emergency Connectivity Fund”). As of August 31, 2022, the District has not received any of the expected funding from the Emergency Connectivity Fund.

Pursuant to a grant from the U.S. Department of Health and Human Services, LACOE received funding for COVID testing to allocate to school districts within its jurisdiction. Accordingly, the District was allocated approximately \$82.2 million in funding for COVID testing expenses during fiscal year 2021-22, all of which the District received during fiscal year 2021-22.

State Legislation Relating to School Districts. On March 17, 2020, the Governor signed Senate Bill 117 (“SB 117”) as urgency legislation effective immediately. For purposes of school district funding for fiscal year 2019-20, SB 117 limited the average daily attendance reported to the California Department of Education to include the full school months from July 1, 2019, to February 29, 2020. This condensed ADA period applied to school districts that complied with Executive Order N-26-20. SB 117 further states the intent of the State Legislature is that a school district’s employees and contractors be paid during the period of a school closure due to COVID-19. SB 117 also waived instructional time penalties that would otherwise accrue, as long as the school district superintendent, county superintendent or charter school administrator certify that the closure due to COVID-19 caused the school district to fall below applicable instructional time requirements. SB 117 also included \$100 million in additional funding to school districts for certain costs incurred as a result of COVID-19. The District received approximately \$7.9 million, which includes amounts for Affiliated Charter Schools, from such additional State funding in fiscal year 2019-20.

The Governor signed Assembly Bill 86 (“AB 86”) into law on March 5, 2021. AB 86 provided approximately \$6.6 billion to local educational agencies to encourage a return to in-person education, with a focus on students who are younger (TK-2) and most disproportionately impacted by the COVID-19 pandemic. Funding was distributed as follows: \$725 per student, an additional \$1,000 per homeless student, and funds remaining after these apportionments are distributed proportionally based on LCFF. \$2 billion was set aside as incentive for school districts that return to in-person instruction by March 31, 2021 for at least TK-2 and ramping up to include higher grades if county transmission rates allow. Beginning April 1, 2021, school districts’ apportioned incentive funding was reduced by 1% for every academic calendar day they do not offer in-person education until May 15, 2021, after which school districts forfeit their entire apportionment of incentive funding. AB 86 allocated approximately \$4.6 billion to local educational agencies to support expanded learning opportunities that target learning loss resulting from the COVID-19 pandemic. School districts must implement learning recovery programs that include, at minimum, supplemental instruction, resources for social and emotional well-being and meal programs. AB 86 also established reporting requirements to monitor COVID-19 cases and in-person education status and apportioned \$25 million to the State’s “Safe Schools For All Team” to provide technical assistance, community engagement, oversight and accountability to school districts. AB 86 further set aside 10% of the State’s vaccine supply for childcare and TK-12 education staff. Pursuant to AB 86, the District expects to receive approximately \$572.5 million in additional funding following its reopening of schools for in-person hybrid instruction throughout April 2021. As of August 31, 2022, the District has received approximately \$441.5 million in such funding.

The Governor signed Assembly Bill 130 (“AB 130”) into law on July 9, 2021. Pursuant to AB 130, the District received approximately \$243.2 million in funding in fiscal year 2021-22 and is eligible for over \$450.0 million per year thereafter for the operation of afterschool and summer school enrichment programs through the Expanded Learning Opportunities Program. In addition, pursuant to AB 130, the District received an additional \$45.7 million in funding through the Special Education Learning Recovery Support program and approximately \$10.1 million for dispute prevention and dispute resolution. While the Expanded Learning Opportunities Program is not a traditional one-time COVID relief funding source like the other COVID relief funding discussed above, it is part of the State’s on-going response to educational challenges exacerbated by the COVID-19 pandemic.

As of August 31, 2022, in aggregate from federal and State funding sources described above from fiscal year 2019-20 through fiscal year 2023-24, the District expects to receive approximately \$5.6 billion in COVID-19 relief funding, which does not include the funding that the District received through the Expanded Learning Opportunities Program in fiscal year 2021-22 or the funds that the District expects to receive through the Expanded Learning Opportunities Program on an ongoing basis. As of August 31, 2022, the District has received approximately \$2.9 billion in such COVID-19 relief funding, which does not include any funds received through the Expanded Learning Opportunities Program. For more information on the District's COVID-19 relief funding expectations for fiscal year 2022-23, see "DISTRICT FINANCIAL INFORMATION – District Budget - *Revisions to Fiscal Year 2023-24 Budget*."

District Response. As a result of the outbreak of COVID-19, on March 10, 2020, the District Board declared that emergency conditions exist throughout the District and authorized the Superintendent to take any and all actions necessary to ensure the health and safety of students and staff. Under such authority, the Superintendent closed all schools within the District for in-person instruction effective March 16, 2020. The District implemented a distance learning model for the remainder of the 2019-20 school year.

The District utilized the distance learning model for much of the 2020-21 school year, which commenced on August 18, 2020, given the ongoing COVID-19 pandemic. However, the District began reopening schools for in-person hybrid instruction the week of April 12, 2021, starting with 61 elementary schools and 11 early education centers. The remaining elementary schools and early education centers reopened for in-person hybrid instruction the week of April 19, 2021, and middle schools and high schools reopened for in-person hybrid instruction the week of April 26, 2021. Distance learning also remained available to students throughout the 2020-21 school year. To ensure that the reopening was as safe as possible for students, employees, and the communities, the District published its COVID-19 Containment, Response and Control Plan in February 2021, which details plans, practices and health and safety protocols for reopening schools and is available on the District's website. The District also offered vaccinations to all District employees, administered vaccinations at multiple school sites, and operated a mass vaccination center at Hollywood Park to serve its employees and charter school employees. Baseline COVID-19 testing and subsequent periodic testing on a weekly basis was made available to all students and staff located at school facilities.

The District fully opened its school facilities to full-time in-person instruction at the outset of the 2021-22 school year. The District operates an independent study program for students who do not want to return to in-person instruction. The District requires all employees to be vaccinated against COVID-19. During the 2021-22 school year, the District conducted weekly testing of all staff and students for COVID-19. During the 2022-23 school year, the District no longer requires weekly testing, but provides rapid antigen tests for symptomatic and exposed students and staff. The District continues to implement strict health and safety measures to ensure the safety of its staff and students.

Governor Newsom has announced plans to add the COVID-19 vaccine to the list of vaccinations required for students to attend both public and private schools in-person when the vaccine receives full approval from the Food and Drug Administration for middle and high school grades. Since the Food and Drug Administration has not fully approved the COVID-19 vaccine for individuals of all ages within the 7-12 grade span, such Statewide vaccination requirement will not be implemented during the 2022-23 school year; thus, any Statewide student vaccination requirement, if implemented, would not take effect before July 1, 2023. The District has delayed its previously-announced student COVID-19 vaccination requirement until at least July 1, 2023, in alignment with the State's anticipated implementation timeline.

In response to the COVID-19 pandemic, the District incurred costs totaling approximately \$3.3 billion from March 2020 through June 30, 2022. Such costs were largely attributed to the following priorities:

- **Instructional Connectivity** – The District has purchased over 217,000 new devices and acquired over 107,800 internet hotspots for students to support distance learning. The District has also developed online learning platforms and provided training to teachers to support online instruction.
- **Learning Loss Mitigation** – The District implemented various program to address the effects of learning loss exacerbated by the COVID-19 pandemic, including additional educational and enrichment opportunities during the summer, as well as tutoring and after school programs.
- **Health and Safety - Meals** – The District established 63 “Grab & Go” food centers across the District to provide breakfast and lunch meals to children and adults in need. In May 2020, the District increased the number of meals provided each weekday from two to three for each child and adult who visited the food centers. The District distributed more than 100 million meals to children and adults from March 2020 until April 2021, when the Grab & Go program ended in conjunction with the District’s return to in-person instruction at the District’s school sites.
- **Health and Safety – Cleaning and Protective Equipment** - The District has incurred significant additional costs associated with the sanitation of schools and other District facilities, the supply of personal protective equipment, upgrades to its ventilation systems to provide additional protection against COVID-19 and other airborne viruses, and to facilitate social distancing and provide additional protective measures against the transmission of COVID-19.
- **Health and Safety – COVID-19 Testing** – The District has implemented a robust COVID-19 testing program, providing access to state-of-the-art COVID-19 tests to its students and staff at locations throughout the District
- **Business Continuity and Connectivity** – Since the District’s administration and support staff are largely working remotely, the District has provided staff with the tools and training necessary to ensure that operations continue.

As a result of the COVID-19 pandemic, the District currently projects approximately \$1.8 billion in COVID-19 related costs associated with operating schools during the 2022-23 school year. More specifically, based on the Fiscal Year 2023-24 Budget, the District projects (1) approximately \$383 million in costs associated with strategies for continuous and safe in-person learning; (2) approximately \$1.1 billion in costs associated with addressing lost instructional time; and (3) approximately \$265 million in costs for addressing additional district priorities. For more information on the District’s COVID-19 relief funding expectations for fiscal year 2022-23, see “DISTRICT FINANCIAL INFORMATION – District Budget - *Revisions to Fiscal Year 2023-24 Budget*.”

While the State and federal one-time COVID-19 relief funding discussed above has provided and will continue to provide some immediate relief to school districts, including the District, the long-term impacts of the COVID-19 outbreak on the District’s operations and finances are not fully known as the situation continues to evolve. The District cannot predict whether similar legislation would be enacted in the event the outbreak of COVID-19 continues or a similar or other outbreak of a highly contagious disease or epidemic disease were to occur in the future.

Charter School Funding

A charter school is a public school authorized by a school district, county office of education or the State Board of Education. State law requires that charter petitions be approved if they comply with the statutory criteria. The District has certain fiscal oversight and other responsibilities with respect to both Affiliated Charter Schools and Fiscally Independent Charter Schools located in the District geographic boundaries. However, Fiscally Independent Charter Schools are separate LEAs and receive revenues directly from the State. Affiliated charter schools receive their funding from the District and are included in the District's budgets and audit reports. Information regarding enrollment, ADA, budgets and other financial information relating to Fiscally Independent Charter Schools is not included in the District's audit reports or in this Official Statement unless otherwise noted.

Pursuant to the LCFF, Fiscally Independent Charter Schools and Affiliated Charter Schools will receive a Base Grant per ADA and are eligible to receive Supplemental Grants and Concentration Grants. See “ – Local Control Funding Formula” herein. As reflected in the District's Audited Annual Financial Report for fiscal year 2021-22, the District operated 51 Affiliated Charter Schools and oversaw 227 Fiscally Independent Charter Schools within the District boundaries. The District budgets the funded ADA for fiscal year 2023-24 of the Affiliated Charter Schools and the Fiscally Independent Charter Schools to be approximately [] and [] students, respectively. An increase in the number of Fiscally Independent Charter Schools within the boundaries of a school district or an increase in the number of students transferring to a Fiscally Independent Charter School or an Affiliated Charter School from a traditional school within a school district may cause a net reduction in the District's ADA.

Limitations on School District Reserves

Unless a school district is granted an exemption by its county superintendent of schools, amounts in its reserves may not exceed the limitations set forth in the Education Code once certain conditions precedent are met. Pursuant to Section 42127.01 of the Education Code, in a fiscal year immediately after a fiscal year in which the amount of moneys in the Public School System Stabilization Account is equal to or exceeds 3% of the combined total of State general fund revenues appropriated for school districts and allocated local proceeds of taxes for that fiscal year, a school district budget that is adopted or revised shall not contain a combined assigned or unassigned ending general fund balance that is in excess of 10% of those funds. A county superintendent of schools may grant a school district under its jurisdiction an exemption from the reserves limitation for up to two consecutive fiscal years within a three-year period if the school district provides documentation indicating that extraordinary fiscal circumstances, including, but not limited to, multiyear infrastructure or technology projects, substantiate the need for a combined assigned or unassigned ending general fund balance that is in excess of the reserves limitation. The limitation applies once the Superintendent of Public Instruction notifies school districts and county offices of education that the conditions precedent are met. The Superintendent of Public Instruction is also required to notify school districts and county offices of education when those conditions no longer exist.

[TO BE UPDATED FOLLOWING DISTRICT BUDGET ADOPTION][The State-imposed minimum recommended reserve for the District is accounted for in the Reserve for Economic Uncertainties. Payments allocated to the Public School System Stabilization Account by the State in fiscal year 2021-22 triggered certain limitations on school district reserves under the Education Code commencing with fiscal year 2022-23. In connection with the District Board's approval of the Fiscal Year 2023-24 Budget, the District Board committed approximately \$1.55 billion in funds comprising portions of the General Fund ending balance to fund the District's ongoing OPEB requirements and fund student equity needs for (1) low income, English language learner, and foster youth students, (2) the primary promise program for elementary school students to build a foundation in literacy, math, and critical thinking skills, and (3) intervention services for high-needs schools. In connection with subsequent

revisions to the Fiscal Year 2023-24 Budget, the District Board committed approximately \$801 million in additional funds comprising a portion of the General Fund ending balance for inflation protection. With such funds committed, the District's assigned and unassigned ending General Fund balance for fiscal year 2022-23 does not exceed 10% of the total General Fund expenditures and other financing uses. Thus, the District complies with the limitations on reserves. The District does not expect the limitations on reserves in the Education Code to adversely affect its ability to pay the principal of and interest on the Bonds described in the forepart of this Official Statement, which are payable from voter-approved *ad valorem* property taxes.]

DISTRICT FINANCIAL INFORMATION

District Financial Policies and Related Practices

General. The District has three key financial policies: a budget and finance policy (the "Budget and Finance Policy"), a debt management policy (the "Debt Management Policy") and an investment policy (the "Investment Policy").

Budget and Finance Policy. The District has adopted a Budget and Finance Policy pursuant to which the District creates and funds reserves for operating purposes (collectively, the "Operating Reserves") and liability management purposes (collectively, the "Liability Reserves"). The Budget and Finance Policy reflects reserve categories promulgated by the Government Accounting Standards Board ("GASB") and incorporates certain reserve categories established by the District. See "STATE FUNDING OF SCHOOL DISTRICTS – Limitations on School District Reserves" herein.

Operating Reserves. The District uses the Operating Reserves to manage its budget for each fiscal year. A portion of the District's authorized appropriations are set aside in the Operating Reserves. The District generally appropriates amounts from the General Fund based on the amount estimated in its budget. However, the District may appropriate funds from unspent balances within the Operating Reserves, if necessary. Accordingly, the District uses the Operating Reserves to ensure that appropriations reflect the District's actual General Fund expenditures. The current Operating Reserves include nonspendable reserves, restricted reserves, committed reserves, assigned reserves, and unassigned reserves, the latter of which includes the District's reserve for economic uncertainties (the "Reserve for Economic Uncertainties"). Pursuant to the California Code of Regulations, school districts with an ADA between 30,001 and 400,000 students, such as the District, must maintain a reserve for economic uncertainties of 2% of General Fund appropriations.

Pursuant to the Budget and Finance Policy, the District's total General Fund balance may not be less than an amount equal to 5% of total General Fund expenditures and net transfers out during a fiscal year (the "5% Minimum Reserve Threshold"). In addition, the Budget and Finance Policy requires the projected General Fund balance to satisfy the 5% Minimum Reserve Threshold in each of the two subsequent fiscal years which the District includes in its interim financial reports. In the event that the District's estimates indicate that the total General Fund balance will not satisfy the 5% Minimum Reserve Threshold in any of the current fiscal year or two subsequent fiscal years, the Budget and Finance Policy directs the District to develop and implement budget proposals to restore reserve balances to the 5% Minimum Reserve Threshold.

[Based on the Fiscal Year 2023-24 Budget, the District's Operating Reserves are expected to satisfy both the 5% Minimum Reserve Threshold and the 2% statutory reserve requirement for fiscal years 2023-24, 2024-25 and 2025-26.] Unlike the 5% Minimum Reserve Threshold, the 2% statutory reserve requirement is based on the unrestricted and unassigned ending fund balance only and does not

take into account the restricted, committed, or assigned ending fund balances. See “– District Budget – Fiscal Year 2023-24 Budget” herein.]

Liability Reserves. Pursuant to the Budget and Finance Policy, the District must establish several Liability Reserves, including a self-insurance reserve, a workers’ compensation reserve (the “Workers’ Compensation Fund”), a health and welfare reserve (the “Health and Welfare Benefits Fund”), and an other-post-employment benefits (“OPEB”) reserve (the “OPEB Trust Fund”), and a pension (CalSTRS and CalPERS) reserve (the “Pension Reserve”).

The amount required to be on deposit in the Workers’ Compensation Fund is established with information from an independent actuary. The District determines the annual budget for workers’ compensation by reviewing the amount necessary to fund its outstanding workers’ compensation liability to the actuarially recommended level based on the central estimate approach and by additionally calculating the amount necessary for claims and operation of the Workers’ Compensation Fund. The District uses the difference of the current fiscal year’s central estimate versus that from the previous fiscal year to establish the amount necessary to fund projected liabilities. With respect to funding claims activity, the amount required to be on deposit in the Workers’ Compensation Fund is based on the anticipated increase in claims cost in the current fiscal year versus the prior fiscal year. Such amount is generally higher than the amount recommended in the actuarial report. See “– Risk Management and Litigation” herein.

The District Board approved the creation of an irrevocable trust for its OPEB liability (the “OPEB Trust Fund”) in May 2014. The Budget and Finance Policy directs the District, subject to approval by the District Board, to make annual contributions to the OPEB Trust Fund when the balance in the General Fund exceeds the 5% Minimum Reserve Threshold to the extent possible. In the event that the unrestricted portion of the General Fund is above 5% of the unrestricted revenues (after the annual OPEB contribution has been determined), the Budget and Finance Policy directs the District to make an additional contribution from the assigned OPEB reserve to the OPEB Trust Fund. See “– Other Postemployment Benefits” herein. As of June 30, 2023, the net position of the OPEB Trust Fund was approximately \$[] million (unaudited).

The Health and Welfare Benefits Fund is used to pay all health and welfare payments for active employees and retirees. The District determines funding of the Health and Welfare Benefits Fund based on the applicable health benefits agreement for each of the applicable years. See “– Employees and Labor Relations – *Negotiations Regarding Labor Contracts*” herein. As of June 30, 2023, the net position of the Health and Welfare Benefits Fund was approximately \$[] million (unaudited).

Budgeting Practices. Beginning in fiscal year 2022-23, the District implemented new budgeting practices. As part of such new budgeting practices, the District prepares quarterly budget to actuals analysis for various departments to inform internal budget adjustments or reallocations that may occur throughout the fiscal year. Such new budgeting practices also include zero based budgeting that involves developing a new budget each fiscal year, as opposed to starting with the previous fiscal year’s budget and making adjustments, in order to ensure that all expenses are justified for the new fiscal year. As part of the development of the Fiscal Year 2023-24 Budget, zero based budgeting was implemented in certain departments, including Information Technology Services, Procurement Services, Maintenance and Operations, and Federal and State Education Programs. The District plans to phase-in zero based budgeting to other departments over time.

Debt Management Policy. The Debt Management Policy establishes formal guidelines for the issuance and management of the District’s debt and other financial obligations. The Debt Management Policy establishes targets and ceilings for certificates of participation (“COPs”) and unhedged variable

rate exposure and sets forth benchmark debt ratios that include both COPs and the District's general obligation bonds. The Debt Management Policy also requires the District to annually publish a comprehensive debt report that, among other things, provides information on tax rates related to the District's general obligation bonds and credit factors that reflect the District's ratings.

The Debt Management Policy is required to be reviewed annually. The current Debt Management Policy was approved by the District Board on June [13], 2023. [The District is in compliance with the Debt Management Policy.] The Debt Management Policy establishes a ceiling of 2.0% for the ratio of COPs gross annual debt service to District General Fund expenditures. The District Board may increase the target at the time a new debt issuance is proposed, but such authority is not intended to exceed the ceiling established in the Debt Management Policy. As of June 30, 2023, the maximum fiscal year COPs debt service was approximately []% of the District General Fund expenditures during fiscal year 2022-23. As of [October 1], 2022, the District has outstanding COPs in the aggregate principal amount of approximately \$[] million. (See " – District Debt – *Certificates of Participation*" for more information.) The Debt Management Policy limits unhedged variable rate debt to \$100 million and requires reporting of the debt ratios and benchmarks. The District currently has no variable interest rate exposure.

Investment Policy. The foremost objective of the District's Investment Policy is safety. In addition, the Investment Policy directs the District to invest public funds in a manner that will maximize the investment return on all of its funds with maximum security while meeting the daily cash flow demands of each portfolio of the District and conforming to all federal, State, and local statutes governing the investment of public funds. Further, the Investment Policy directs that all investments of the District be undertaken to ensure the preservation of capital in the overall portfolio. To attain this objective, the District may diversify its investments by investing funds among a variety of securities offering independent returns. In addition, the Investment Policy requires the District's investment portfolios remain sufficiently liquid to enable the District to meet its operating requirements and be structured to attain a maximum return commensurate with its investment risk constraints and the cash flow characteristics of each portfolio. [The District is in compliance with the Investment Policy.]

The District's operating funds and all of the debt service funds maintained for repayment of general obligation bonds are deposited in the County Treasury Pool in accordance with State law and managed pursuant to the County's Investment Policy, a copy of which can be found at <http://ttc.lacounty.gov/>. Such website is not incorporated herein by reference and the District, its counsel (including Bond Counsel and Disclosure Counsel), the Municipal Advisor, the Underwriters and their counsel do not make any representation as to the accuracy of the information provided therein. See APPENDIX F – "THE LOS ANGELES COUNTY TREASURY POOL." However, with the concurrence of the County's Treasurer and Tax Collector, the District may direct the investment of funds in certain of its operating funds and debt service funds so long as such direction complies with both the County's investment policy and the District's Investment Policy. In addition, the District can direct the investment of indentured funds held by third party trustees with regard to certain issuances of COPs pursuant to a prescribed list of permitted investments.

Significant Accounting Policies, System of Accounts and Audited Financial Statements

The CDE imposes by law uniform financial reporting and budgeting requirements for K-12 school districts. Financial transactions are accounted for in accordance with the California School Accounting Manual. The District uses fund accounting and maintains governmental funds, proprietary funds and fiduciary funds. The General Fund is the chief operating fund of the District. For a description of the other major funds of the District, see the description thereof contained in APPENDIX B – "AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED

JUNE 30, 2022.” Note 1 to such audited financial statements sets forth significant accounting policies that the District follows. Simpson & Simpson Certified Public Accountants (“Simpson”), Los Angeles, California, served as independent auditor to the District for its audited financial statements for fiscal year 2021-22. Simpson has not been requested to consent to the use or to the inclusion of its reports in this Official Statement, and it has not audited or reviewed this Official Statement. The District’s audited financial statements for the fiscal year ended June 30, 2022 are included as Appendix B to this Official Statement. The complete audited financial statements of the District, including the notes thereto, are an integral part of this Official Statement.

Typically, the District is required to file its audited financial statements for the preceding fiscal year with the State Controller’s Office, the CDE and the County Superintendent of Schools by December 15 of each year. During the last five years, the District timely filed its audited financial reports with the State Controller’s Office, the CDE, and LACOE pursuant to the Education Code and any applicable legislation amending the filing deadline thereof by the respective deadlines therefor.

The audited financial statements for fiscal year 2021-22 include certain audit findings and questioned costs. With respect to the audited financial statements for fiscal year 2021-22, Simpson identified 17 audit findings and questioned costs totaling approximately \$693 million. For detailed information regarding such findings and questioned costs, see Appendix B. Notably, in fiscal year 2021-22 – like fiscal year 2020-21 – the District did not meet the minimum threshold of General Fund spending on classroom teacher salaries and benefits in accordance with Education Code Section 41372. Under Education Code Section 41372, a unified school district, like the District, is required to spend a minimum of 55% of its General Fund resources on classroom salaries and benefits. In fiscal year 2021-22, the District spent approximately 46.85% of its General Fund resources on classroom salaries and benefits, which is approximately 8.15% or \$691.1 million below such minimum threshold set forth in the Education Code. Such discrepancy is the result of the COVID-19 pandemic that caused the District to spend significant General Fund revenues on devices, internet connectivity, instructional software licenses, and other necessary expenses to support the return to campus and a safe in-person learning environment as well as expenses resulting from testing, tracing and vaccination efforts. [Accordingly, the District intends to seek a waiver from the County Superintendent with respect to fiscal year 2021-22.] **[TRACK WHEN DISTRICT BOARD APPROVES SEEKING WAIVER AND IF/WHEN GRANTED BY COUNTY SUPERINTENDENT.]** The District’s waiver for a similar audit finding with respect to fiscal year 2020-21 was approved by the County Superintendent in October 2022.

Copies of the District’s audited financial statements as well as budgets and interim financial reports may be obtained from the website of the District: www.lausd.net. The website is not incorporated herein by reference and the District, its counsel (including Bond Counsel and Disclosure Counsel), the Municipal Advisor, the Underwriters and their counsel do not make any representation as to the accuracy of the information provided therein.

Unaudited Actuals

General. Under current law, the District’s governing board is required to approve and file an annual statement of all receipts and expenditures of the District for the preceding fiscal year (commonly referred to as the unaudited actuals) with the county superintendent of schools on or before September 15 of each year. The California Department of Education imposes a uniform accounting format for school districts. The District is under the jurisdiction of the County of Los Angeles Superintendent of Schools.

[TO BE UPDATED WHEN AVAILABLE] Fiscal Year 2022-23 Unaudited Actuals. The Fiscal Year 2022-23 Unaudited Actuals (the “Fiscal Year 2022-23 Unaudited Actuals”) were approved by the District Board on September [], 2023. The Fiscal Year 2022-23 Unaudited Actuals reflect a General

Fund beginning balance of approximately \$[] billion, total unaudited revenues of \$[] billion, total unaudited expenditures of \$[] billion, other financing sources and uses of \$[] million, and an ending balance of \$[] billion. The Fiscal Year 2022-23 Unaudited Actuals indicate that the General Fund ending balance of approximately \$[] billion consists of approximately \$[] million for the mandatory Reserve for Economic Uncertainties, \$[] million of non-spendable revolving cash, stores, and prepaid expenditures, \$[] million of restricted ending balances, no committed ending balances, \$[] billion of assigned ending balances and \$[] billion of undesignated and unassigned ending balances. In fiscal year 2022-23, the District was able to meet its financial commitments and its required ending balances, as set forth in the Budget and Finance Policy. See “– District Financial Policies and Related Practices” for more information on the Budget and Finance Policy. The fiscal year 2022-23 ending balance resulted in a decrease of \$[] million in the District’s General Fund undesignated and unassigned ending balance from the District’s estimated actuals for fiscal year 2022-23.

Notably, the Fiscal Year 2022-23 Unaudited Actuals reflect approximately \$[] billion in revenue from federal sources (largely for COVID-19 relief), which differs from the \$[] billion in revenue from federal sources (largely for COVID-19 relief) originally budgeted in fiscal year 2022-23, because the Fiscal Year 2022-23 Unaudited Actuals reflect the actual federal revenue earned based on actual expenditures incurred. Portions of one-time federal revenues for COVID-19 relief that the District has budgeted that are not spent in a given fiscal year, are carried over to the following fiscal year for further program implementation.

District Budget

General School District Budget Process and Oversight. State law requires that each school district maintain a balanced budget in each fiscal year. The California Department of Education imposes a uniform budgeting and accounting format for school districts. Under current law, a school district governing board must adopt and file with the county superintendent of schools a budget by July 1 in each fiscal year. The District is under the jurisdiction of the County of Los Angeles Superintendent of Schools.

The county superintendent of schools must approve, conditionally approve, or disapprove the adopted budget for each school district by September 15 in accordance with the Education Code. The county superintendent of schools is required to examine the adopted budget for compliance with the standards and criteria adopted by the State Board of Education and identify technical corrections necessary to bring the budget into compliance with the established standards. The county superintendent of schools is also required to determine whether the adopted budget will allow the school district to meet its financial obligations during the fiscal year and is consistent with a financial plan that will enable the school district to satisfy its multiyear financial commitments. The Education Code directs the county superintendent of schools to disapprove any school district budget if it determines that the budget does not include expenditures necessary to implement an LCAP or an annual update to the LCAP. See “STATE FUNDING OF SCHOOL DISTRICTS – Local Control Funding Formula – *Local Control and Accountability Plan*” herein for more information about LCAP.

In the event that the county superintendent of schools conditionally approves or disapproves the school district’s budget, the county superintendent of schools will submit to the governing board of the school district no later than September 15 of such year recommendations regarding revisions of the budget and the reasons for the recommendations, including, but not limited to, the amounts of any budget adjustments needed before the county superintendent of schools can approve that budget. In addition, school districts must make available for public review any revisions to revenues and expenditures that it has made to its budget to reflect the funding made available by the State Budget Act (defined herein) not later than 45 days after the enactment of the State Budget Act.

The governing board of the school district, together with the county superintendent of schools, must review and respond to the recommendations of the county superintendent of schools before October 8 at a regular meeting of the governing board of the school district. The county superintendent of schools will examine and approve or disapprove of the revised budget by November 8 of such year. If the county superintendent of schools disapproves a revised budget, the county superintendent of schools will call for the formation of a budget review committee. By December 31 of each year, every school district must have an adopted budget, or the county superintendent of schools may impose a budget and will report such school district to the State Legislature and the Department of Finance. In prior years, LACOE has granted a conditional approval to certain of the District's budgets pending, among other things, approval of the District's LCAP, information regarding collective bargaining and other budgetary considerations. [However, in the last ten years, LACOE has not disapproved any budget submitted to it by the District. LACOE approved the Fiscal Year 2023-24 Budget.] See “– *Fiscal Year 2023-24 Budget*” below. [LACOE has not reviewed and commented on the District's revisions to the Fiscal Year 2023-24 Budget. See “– *Revisions to Fiscal Year 2023-24 Budget*” below.]

Subsequent to approval, the county superintendent of schools will monitor each school district under its jurisdiction throughout the fiscal year pursuant to its adopted budget to determine on an ongoing basis if the school district can meet its current or subsequent year financial obligations. If the county superintendent of schools determines that a school district cannot meet its current or the subsequent year's obligations, the county superintendent of schools will notify the school district's governing board, the Superintendent of Public Instruction and the president of the State board (or the president's designee) of the determination and take at least one of the following actions, and all actions that are necessary to ensure that the school district meets its financial obligations: (a) develop and impose, after also consulting with the Superintendent of Public Instruction and the school district's governing board, revisions to the budget that will enable the school district to meet its financial obligations in the current fiscal year, (b) stay or rescind any action inconsistent with the ability of the school district to meet its obligations for the current or subsequent fiscal year, (c) assist in developing, in consultation with the school district's governing board, a financial plan that will enable the school district to meet its future obligations, (d) assist in developing, in consultation with the school district's governing board, a budget for the subsequent fiscal year and (e) as necessary, appoint a fiscal advisor to perform the aforementioned duties. The county superintendent of schools will also make a report to the Superintendent of Public Instruction and the president of the State board or the president's designee about the financial condition of the school district and the remedial actions proposed by the county superintendent of schools. However, the county superintendent of schools may not abrogate any provision of a collective bargaining agreement that was entered into prior to the date upon which the county superintendent of schools assumed authority.

Fiscal Stabilization Plan. While LACOE and the District will partner to implement actions necessary to stabilize and improve the financial condition of the District as and when needed, LACOE has not required nor has the District implemented a new fiscal stabilization plan since 2019 in light of the District's positive certification on its recent interim report. In the event that the District's financial condition were to change in future fiscal years, LACOE may require the District to implement a new fiscal stabilization plan to stabilize and improve the financial condition of the District. ***[DISTRICT TO PROVIDE FY 22-23 FIRST AND SECOND INTERIM LETTERS FROM LACOE]***

[TO BE UPDATED FOLLOWING ADOPTION OF DISTRICT BUDGET FOR FY 23-24]
Fiscal Year 2023-24 Budget. The Fiscal Year 2023-24 Budget was adopted by the District Board on June [], 2023. The Fiscal Year 2023-24 Budget was developed with the assumptions contained in the Governor's May revision to the proposed fiscal year 2023-24 State Budget, which were revised in the 2023-24 State Budget. For more information, see “– *Revisions to Fiscal Year 2023-24 Budget*” below.

The Fiscal Year 2023-24 Budget projects a General Fund beginning balance of approximately \$[] billion, total estimated revenues of \$[] billion, total estimated expenditures of \$[] billion, other financing sources and uses of \$[] million, and an ending balance of \$[] billion. The Fiscal Year 2023-24 Budget projects that its General Fund ending balance of \$[] billion will consist of approximately \$[] million for the mandatory Reserve for Economic Uncertainties, \$[] million of non-spendable revolving cash, stores, and prepaid expenditures, \$[] million of restricted ending balances, \$[] billion of committed ending balances, \$[] million of assigned ending balances and \$[] million of undesignated and unassigned ending balances.

The Fiscal Year 2023-24 Budget includes certain assumptions and policies, including:

- ***[ASSUMPTIONS TO COME WHEN AVAILABLE]***

[TO BE UPDATED WHEN LACOE LETTER RE FY 23-24 BUDGET AVAILABLE]
LACOE's Response to Fiscal Year 2023-24 Budget.

[TO BE UPDATED IF APPLICABLE] ***Revisions to Fiscal Year 2023-24 Budget.*** [On August 30, 2022, the District Board approved certain revisions to the Fiscal Year 2023-24 Budget based on revised assumptions contained in the 2023-24 State Budget and other significant changes affecting the District's finances since the adoption of the Fiscal Year 2023-24 Budget. Revisions to the Fiscal Year 2023-24 Budget relating to the revised assumptions contained in the 2023-24 State Budget include:]

- ***[TO COME IF/WHEN AVAILABLE]***

[In light of the additional funding allocated to the District in the 2023-24 State Budget, the District is able to use such funds to enhance its programs, expand early childhood educational opportunities, and improve school climate and digital literacy. Impacts to the economy, of both the State and the nation, such as rising inflation, with demand for resources outpacing supply, an interest rate increase policy to control inflation, and the potential resurgence of COVID-19 and other infectious diseases are risk factors that could affect the District's financial condition. As such, the District is continuing to build reserves and commit funds to key priorities including student equity needs, OPEB funding, and inflation protection.]

District General Fund Budgets and Audited Actuals. The following Table A-4 sets forth the District's Final Adopted Budgets for the District General Fund, inclusive of regular and specially funded programs, for fiscal years 2019-20 through 2023-24 and the actual results for fiscal years 2019-20 through 2021-22 and the unaudited actuals for fiscal year 2022-23. The budgeted beginning balance for each fiscal year reflects the estimated ending balance for the prior fiscal year based upon information as of the budget adoption date. Accordingly, the budgeted ending balance for a fiscal year and the subsequent budgeted beginning balance may differ from the actual ending balance and actual beginning balance.

⁽¹⁾ Totals may not equal sum of component parts due to rounding.

⁽²⁾ Includes the Regular Program and the Specially-Funded Programs.

⁽³⁾ Amounts set forth in Table A-4 reflect the "Estimated Amounts" in the District's budget for the respective fiscal year rather than the "Authorized Amount." Pursuant to the Education Code, school districts may not spend more than Authorized Amount in the Final Adopted Budget as adjusted during the fiscal year.

⁽⁴⁾ The District's original budget for fiscal year 2020-21 was adopted by the District Board on June 30, 2020. On August 25, 2020, the District Board adopted a revised budget for fiscal year 2020-21, which reflects the revised assumptions contained in the Governor's fiscal year 2020-21 State budget. Figures are based on the revised budget for fiscal year 2020-21.

⁽⁵⁾ Reflects the Fiscal Year 2023-24 Budget adopted by the District Board on June [], 2023. For information on subsequent revisions to the Fiscal Year 2023-24 Budget, see "-- District Budget -- *Revisions to Fiscal Year 2023-24 Budget*."]

⁽⁶⁾ The nonspendable, restricted, committed, assigned, reserved for economic uncertainties and undesignated/unassigned general fund balances in millions of dollars for fiscal years 2010-11 through 2017-18 are as follows: \$10.4, 266.4, --, 147.0, 65.4, and 414.3, respectively, for fiscal year 2010-11; \$11.2, 186.6, --, 465.3, 65.4 and 96.4, respectively, for fiscal year 2011-12; \$18.5, 138.5, --, 370.4, 65.4 and --, respectively, for fiscal year 2012-13; \$19.6, 192.9, --, 336.4, 65.4 and 85.9, respectively, for fiscal year 2013-14; \$20.7, 126.5, --, 418.4, 65.4 and 188.8, respectively, for fiscal year 2014-15; \$31.1, 182.8, 218.3, 558.7, 72.4 and 247.0, respectively, for fiscal year 2015-16; \$23.5, 163.1, --, 783.9, 73.4, and 721.3, respectively, for fiscal year 2016-17; \$27.6, 135.8, --, 1,057.4, 75.4, and 714.7, respectively, for fiscal year 2017-18; and \$27.3, 114.6, 174.6, 916.1, 75.6, and 908.6, respectively, for fiscal year 2018-19.

District Interim Financial Reports. A State law adopted in 1991 (known as "A.B. 1200") imposed financial reporting requirements on school districts and established guidelines for emergency State aid apportionments. Under the provisions of A.B. 1200 and the Education Code (Section 42100 *et. seq.*), each school district is required to file two interim certifications with the county superintendent of schools (on December 15, for the period ended October 31, and by mid-March for the period ended January 31) as to its ability to meet its financial obligations for the remainder of the then-current fiscal year and, based on current forecasts, for the subsequent fiscal year. The county superintendent of schools reviews the certification and issues either a positive, negative or qualified certification. In the past five fiscal years, the District has received a qualified certification for its first and second interim reports for fiscal year 2018-19 and its first interim report for fiscal year 2021-22.

A positive certification is assigned to any school district that, based on then current projections, will meet its financial obligations for the current fiscal year and the subsequent two fiscal years. A negative certification is assigned to any school district that, based on then current projections, will be unable to meet its financial obligations for the remainder of the fiscal year or the subsequent fiscal year. A qualified certification is assigned to any school district that, based on then current projections, may not meet its financial obligations for the current fiscal year or the two subsequent fiscal years. A certification may be revised to a negative or qualified certification by the county superintendent of schools, as appropriate. A school district that receives a qualified or negative certification for its second interim report must provide to the county superintendent of schools, the State Controller and the Superintendent no later than June 1, financial statement projections of the school district's fund and cash balances through June 30 for the period ending April 30. Any school district that receives a qualified or negative certification in any fiscal year may not issue, in that fiscal year or in the next succeeding fiscal year, certificates of participation, tax and revenue anticipation notes, revenue bonds or any other debt instruments that do not require the approval of the voters of the school district, unless the county superintendent of schools determines that the school district's repayment of indebtedness is probable.

For school districts under fiscal distress, the county superintendent of schools is authorized to take a number of actions to ensure that the school district meets its financial obligations, including budget revisions. However, the county superintendent of schools is not authorized to approve any diversion of revenue from *ad valorem* property taxes levied to pay debt service on district general obligation bonds. A school district that becomes insolvent may, upon the approval of a fiscal plan by the county superintendent of schools, request an emergency appropriation from the State, in which case the county superintendent of schools, the Superintendent of Public Instruction and the president of the State board or the president's designee will appoint a trustee to serve the school district until it has adequate fiscal systems and controls in place. The acceptance by a school district of an emergency apportionment exceeding 200% of the reserve recommended for that school district constitutes an agreement that the county superintendent of schools will assume control of the school district in order to ensure the school district's return to fiscal solvency.

In the event the State elects to provide an emergency apportionment to a school district, such apportionment will constitute an advance payment of apportionments owed to the school district from the State School Fund and the Education Protection Account. The emergency apportionment may be accomplished in two ways. First, a school district may participate in a two-part financing in which the school district receives an interim loan from the State general fund, with the agreement that the school district will subsequently enter into a lease financing with the California Infrastructure and Economic Development Bank for purposes of financing the emergency apportionment, including repaying such amounts advanced to the State general fund. State law provides that so long as bonds from such lease financing are outstanding, the recipient school district (via its administrator) cannot file for bankruptcy. As an alternative, a school district may receive an emergency apportionment from the State general fund that must be repaid in 20 years. Each year, the Superintendent of Public Instruction will withhold from the apportionments to be made to the school district from the State School Fund and the Education Protection Account an amount equal to the emergency apportionment repayment that becomes due that year. The determination as to whether the emergency apportionment will take the form of a lease financing or an emergency apportionment from the State general fund will be based upon the availability of funds within the State general fund.

Employees and Labor Relations

General. The District has twelve bargaining units with existing contracts. The largest bargaining unit among the District's employees is United Teachers Los Angeles ("UTLA"), which is comprised of, among other employees, teachers, counselors, advisers, nurses, psychologists, and social workers. In

addition, certain employees are not represented by a formal bargaining unit (the “District Represented Employees”). The following Table A-6 sets forth the number of members of each bargaining unit as of [October 1, 2023], and the expiration dates of the existing or successor labor agreements with each of the District’s employee bargaining units.

TABLE A-6

LOS ANGELES UNIFIED SCHOOL DISTRICT
Employee Bargaining Units and Contract Expiration Dates
As of [October 1, 2023] [TO BE UPDATED PRIOR TO POS POSTING]

Employee Bargaining Unit	Members	Contract Expiration Date (June 30)
Associated Administrators of Los Angeles (“AALA”) (Certificated)	[3,032]	[2023]
Unit A (School Police)	[235]	[2023]
Unit B (Instructional Aides)	[11,992]	[2020 ⁽²⁾]
Unit C (Operations – Support Services)	[8,212]	[2020 ⁽²⁾]
Unit D (Office – Technical and Business Services)	[4,456]	[2023]

[TO BE UPDATED PRIOR TO POS POSTING]Negotiations Regarding Labor Contracts.

UTLA and the District reached a three-year agreement for fiscal years 2019-20 through 2021-22 (the “UTLA Agreement”). Under the UTLA Agreement, UTLA had the option to reopen negotiations regarding salary in fiscal years 2020-21 and 2021-22. In September 2021, the District and UTLA reached an agreement on its reopener negotiations for fiscal year 2021-22, which includes a 5% on-schedule salary increase effective July 1, 2021, a \$2,000 one-time, off-schedule salary stipend, and a \$500 off-schedule technology stipend for fiscal year 2021-22. The District and UTLA have commenced negotiations for a successor contract for fiscal years 2022-23 through 2024-25.

SEIU Local 99 (Units B, C, F and G) and the District reached a three-year agreement for fiscal years 2017-18 through 2019-20 agreement (the “SEIU Agreement”). The SEIU Agreement provided for an economic reopener in fiscal year 2019-20. In June 2021, the District and SEIU came to agreement for their fiscal year 2019-20 reopener agreement which provided a \$1.00 per hour increase for all bargaining unit members and a \$750 lump-sum payment. The District and SEIU have commenced negotiations for a successor contract for fiscal years 2020-21 through 2022-23.

AALA (Certificated Administrators) and the District reached a three-year agreement for fiscal years 2020-21 through 2022-23 (the “AALA Agreement”). Pursuant to the AALA Agreement, AALA and the District agreed to a 5% salary increase, retroactive to July 1, 2021. The AALA Agreement

provides for a reopener for three unspecified articles in fiscal year 2022-23. The District and AALA have not commenced reopener negotiations for fiscal year 2022-23.

CSEA (Unit D – Technical and Business Services) and the District reached a three-year agreement for fiscal years 2020-21 through 2022-23 (the “CSEA Agreement”). Pursuant to the CSEA Agreement, CSEA and the District agreed to a 5% salary increase, retroactive to July 1, 2021. The CSEA Agreement also increases the salary for licensed vocational nurses by \$7,000. Due to the timing of the CSEA Agreement, the financial impact of the CSEA Agreement was not reflected in the Fiscal Year 2023-24 Budget, but it was subsequently reflected in the revisions to the Fiscal Year 2023-24 Budget presented to the District Board in August 2022. For more information on the impact of the CSEA Agreement on the Fiscal Year 2023-23 Budget, see “– District Budget – *Revisions to Fiscal Year 2023-24 Budget*” above. The CSEA Agreement provides for a reopener for three articles – wages and salaries, vacation, and telecommuting – in fiscal year 2022-23. CSEA has requested to commence reopener negotiations for fiscal year 2022-23.

Teamsters (Unit S – Classified Supervisors) and the District reached a three-year agreement for fiscal years 2020-21 through 2022-23 (the “Teamsters Agreement”). Pursuant to the Teamsters Agreement, Teamsters and the District agreed to a \$1.00 per hour salary increase for all bargaining unit members, retroactive to July 1, 2019, and a 5% salary increase, retroactive to July 1, 2021. The Teamsters Agreement provides for a reopener for two articles – wages and salaries and health and welfare negotiating alternatives to retiree benefits – in fiscal year 2022-23. Teamsters has requested to commence reopener negotiations for fiscal year 2022-23.

LASPA (Unit A – School Police) and the District reached a three-year agreement for fiscal years 2020-21 through 2022-23 (the “LASPA Agreement”). Pursuant to the LASPA Agreement, LASPA and the District agreed to a 5% salary increase, retroactive to July 1, 2021. The LASPA Agreement provides for a reopener for three unspecified articles in fiscal year 2022-23. LASPA has not yet requested to commence reopener negotiations for fiscal year 2022-23. LASPA and the District are currently in dispute over LASPA’s assertion that they are entitled to a \$1.00 per hour increase for fiscal year 2019-20.

LASPMA (Unit H – School Police Management) and the District reached a three-year agreement for fiscal years 2020-21 through 2022-23 (the “LASPMA Agreement”). Pursuant to the LASPMA Agreement, LASPA and the District agreed to a 5% salary increase, retroactive to July 1, 2021. The LASPMA Agreement provides for a reopener for three unspecified articles in fiscal year 2022-23. LASPMA has not yet requested to commence reopener negotiations for fiscal year 2022-23.

Trades (Unit E) and the District reached an agreement for fiscal year 2019-20 (the “Trades Agreement”). The Trades Agreement contained a limited reopener for those bargaining unit members who did not receive an adjustment for economic inequities for fiscal year 2019-20. The District and Trades have not yet begun negotiations for a successor contract.

AALA (Unit J – Classified Managers) and the District reached a three-year agreement for fiscal years 2018-19 through 2020-21. The District and AALA have commenced negotiations for a successor contract for fiscal years 2021-22 through 2023-24.

Employees that are classified as “District-represented” are not a formal bargaining unit, but the District Board approved a 5% salary increase retroactive to July 1, 2021 for such employees on June 14, 2022. Due to the timing of such approval, the financial impact of such salary increases for District-represented employees was not reflected in the Fiscal Year 2023-24 Budget, but it was subsequently reflected in the revisions to the Fiscal Year 2023-24 Budget presented to the District Board in August 2022. For more information on the impact of the salary increases for District-represented employees on

the Fiscal Year 2023-23 Budget, see “– District Budget – *Revisions to Fiscal Year 2023-24 Budget*” above.

[DISTRICT TO REVIEW/UPDATE] Health and Welfare Agreement. The District initially entered into a three-year agreement with all of its bargaining units regarding health and welfare benefits for calendar years 2018 through 2020, which was extended through December 31, 2021 (the “Prior Health and Welfare Agreement”). In August 2022, the District and its bargaining units agreed to a new health and welfare benefits agreement (the “Health and Welfare Agreement”) for calendar years 2022 and 2023. The Health and Welfare Agreement provides over \$1.1 billion annually for health and welfare benefits and provides resources for health care coverage to continue in the same manner for current employees and retirees. Pursuant to the Health and Welfare Agreement, the District’s per-participant contribution in 2022 will remain consistent with 2021 levels, but the per-participant contribution in 2023 will increase. Accordingly, the District estimates that the overall financial impact to the District of the Health and Welfare Agreement will increase its budgeted health and welfare costs by approximately \$8.60 million in fiscal year 2022-23, \$17.16 million in fiscal year 2023-24, and \$16.81 million in fiscal year 2024-25 compared to what was included in the Fiscal Year 2023-24 Budget. Under both the Prior Health and Welfare Agreement and the Health and Welfare Agreement, any amounts in excess of \$100 million in the health care reserves in the current calendar year will, at the District’s discretion, be transferred to the District’s General Fund or used to offset the District’s contribution levels for future years. In accordance with the Prior Health and Welfare Agreement, the District transferred \$227 million to the District’s General Fund in February 2021. As of June 30, 2022 and June 30, 2023, the District had \$[] million and \$[] million (unaudited), respectively, in health care reserves. [Given the current balance of the District’s health care reserves, it is not expected that such balance will sufficiently exceed \$100 million in order to warrant a transfer to the District’s General Fund at the close of calendar year 2022.] Nonetheless, the District continues to revise and refine its financial projections as additional information becomes available.

[DISTRICT TO REVIEW/UPDATE] Reduction in Force and Release Notices. In general, pursuant to Sections 44949 and 44951 of the Education Code, the District must give written notice to a certificated employee no later than March 15 if such certificated employee is to be released or reassigned for the ensuing school year. Similarly, pursuant to Section 45117 of the Education Code, the District must give written notice to a classified employee no later than March 15 if such classified employee is to be laid off for the ensuing school year. Further, pursuant to Sections 44955.5 and 45117(d) of the Education Code (as applicable), the District Board has the authority to terminate the services of certificated and classified employees between the period commencing five days after the enactment of the annual State Budget Act and August 15 of the fiscal year to which the State Budget Act applies if the District’s LCFF apportionment per unit of ADA has not increased by at least 2% for such fiscal year.

In order to provide flexibility in the event budget reductions are necessary in a given fiscal year, the District Board may approve the use of Reduction in Force and Release Notices for a portion of its certificated and classified employees. [On February 8, 2022, the District Board authorized Reduction in Force and Release Notices to be sent no later than March 15, 2022 for all certificated contract level management, senior management employees of the classified service with expiring contracts, all non-permanent and selected permanent certificated administrators, supervisory employees, confidential employees and all non-school based administrators in specified positions and at least 45 days prior to June 30, 2022 to senior management employees of the classified service with expiring contracts informing them that they may be released or reassigned for fiscal year 2022-23, and authorizing staff to send subsequent notices by June 30, 2022, to employees who were sent notices on March 15, 2022 and have been identified for actual release. While notices of release and reassignment were sent to certain certificated and classified personnel in 2022, no layoffs of certificated or classified personnel occurred for fiscal year 2022-23.]

Retirement Systems

General. The District currently participates in CalSTRS, CalPERS and PARS (defined herein). The amounts of the District’s contributions to CalSTRS, CalPERS and PARS are subject to, among other things, modifications to or approvals of collective bargaining agreements and any changes in actuarial assumptions used by CalSTRS, CalPERS and PARS.

The information set forth below regarding CalSTRS and CalPERS and their respective actuarial valuations and comprehensive annual financial reports has been obtained from publicly available sources and has not been independently verified by the District and is not guaranteed as to the accuracy or completeness thereof by or to be construed as a representation by the District. Furthermore, the summary data below should not be read as current or definitive, as recent gains or losses on investments made by the retirement systems generally may have changed the unfunded actuarial accrued liabilities stated below.

The following Table A-7 sets forth the District’s aggregate contributions to CalSTRS, CalPERS and PARS, inclusive of employee contributions to CalPERS paid by the District, for fiscal years 2019-20 through 2022-23 and the budgeted contribution for fiscal year 2023-24 and these contributions as a percentage of the District’s Total Governmental Funds expenditures for fiscal years 2019-20 through 2023-24. See Table A-8 “Annual Regular CalSTRS Contributions,” Table A-10 “Annual CalPERS Regular Contributions” and Table A-13 “Annual PARS Contribution.” See also the District’s financial statements for fiscal year 2021-22 contained in APPENDIX B – “AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2022.”

California State Teachers’ Retirement System. CalSTRS is a defined benefit plan that covers all full-time certificated District employees and some classified District employees, which are District employees employed in a position that does not require a teaching credential from the State. Benefit provisions are established by State legislation in accordance with the State Teachers’ Retirement Law. CalSTRS is operated on a Statewide basis and, based on publicly available information, has substantial unfunded liabilities. Additional funding of CalSTRS by the State and the inclusion of adjustments to such

State contributions based on consumer price changes were provided for in 1979 Statutes, Chapter 282. Copies of the CalSTRS' comprehensive annual financial report may be obtained from CalSTRS, P.O. Box 15275, Sacramento, California 95851-0275. The information presented in these reports is not incorporated by reference in this Official Statement.

Member benefits are determined pursuant to the Education Code and are generally based on a member's age, final compensation and years of credited service. Members are 100% vested in retirement benefits after five years of credited service and are eligible for "normal" retirement at age 60 and for early retirement at age 55 or at age 50 with 30 years of credited service. The normal retirement benefit is 2% of final compensation (as defined in the Education Code) for each year of credited service (up to 2.4% of final compensation for members retiring after age 60), and members who retire on or after January 1, 2011 with 30 or more years of service by December 31, 2010 receive monthly bonus payments of up to \$400 per month. Members hired on or after January 1, 2013 who retire at age 62 are eligible for a benefit equal to 2% of final compensation for each year of credited service (up to 2.4% of final compensation for members retiring after age 62). Benefits include a 2% cost of living increase (computed on a simple, non-compounded, basis based on the initial allowance) on each September 1 following the first anniversary of the effective date of the benefit. See "*California Public Employees' Pension Reform Act of 2013*" herein and Note 9 set forth in APPENDIX B – "AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2022."

[TO BE UPDATED WHEN FYE 2023 RATES ADOPTED BY STRS BOARD.] Funding: *Contributions.* The CalSTRS defined benefit plan (the "DB Plan") is funded through a combination of investment earnings and statutorily set contributions from members of CalSTRS, the participating employers (including the District) and the State. Prior to fiscal year 2014-15, the statutorily-set rate did not vary annually to adjust for funding shortfalls or actuarial surpluses. As a result, the combined employer, employee and State contributions to the DB Plan were not sufficient to pay actuarially required amounts. To address the shortfall, Assembly Bill 1469 ("AB 1469"), signed into law by the Governor as part of the State budget for fiscal year 2014-15, increased member, employer and State contributions as part of a plan to eliminate by June 30, 2046, CalSTRS' unfunded liability for service credited to members of the CalSTRS defined benefit program before July 1, 2014.

Pursuant to AB 1469, since fiscal year 2021-22, the State Teachers' Retirement Board is authorized to modify the percentages paid by employers and employees to eliminate by June 30, 2046, CalSTRS' unfunded liability for service credited to members of the CalSTRS defined benefit program before July 1, 2014, based upon actuarial recommendations and subject to certain limitations. The State Teachers' Retirement Board may not increase the employer contribution rate by more than 1% in any fiscal year up to a maximum contribution rate of 20.25%. The State Teachers' Retirement Board may also adjust the State's contribution rate by a maximum of 0.5% from year to year, based on the funding status of the CalSTRS actuarially determined unfunded liability. A decrease in investment earnings may result in increased employer contribution rates in order to timely eliminate by June 30, 2046, CalSTRS' unfunded liability for service credited to members of the CalSTRS defined benefit program before July 1, 2014, based upon actuarial recommendations. The District cannot predict the impact of State, national, and international events on investment earnings and contribution rates or the amount the District will be required to pay for pension related costs in future fiscal years.

The State is not an employer (with certain limited exceptions) in any of the CalSTRS programs but contributes to the DB Plan and a supplemental benefits maintenance account pursuant to provisions of the Education Code. For fiscal year 2022-23, the State contributed 8.328% of members' annual earnings to the DB Plan and an additional 2.5% of member earnings into the CalSTRS supplemental benefit maintenance account, which is used to maintain the purchasing power of benefits. The State's contribution rate for fiscal year 2023-24 is expected to be 8.328% of members' annual earnings to the DB

Plan and an additional payment of 2.5% of member earnings into the CalSTRS supplemental benefit maintenance account.

The District's employer contribution rate for fiscal year 2022-23 was 19.10% of covered payroll. The District's employer contribution rate for fiscal year 2023-24 is expected to be approximately 19.10% of covered payroll. The District's employer contribution rate is inclusive of the employer base contribution of 8.25% of payroll provided by the Education Code.

The employee contribution rate for CalSTRS members first hired on or before December 31, 2012 to perform CalSTRS creditable activities (i.e., CalSTRS 2% at 60 members) was 10.25% for fiscal years 2016-17 through 2022-23 and is expected to remain at 10.25% for fiscal year 2023-24. The employee contribution rate for CalSTRS members first hired on or after January 1, 2013 to perform CalSTRS creditable activities (i.e., CalSTRS 2% at 62 members) was 9.205% for fiscal years 2016-17 and 2017-18, 10.205% for fiscal years 2018-19 through 2022-23, and is expected to remain at 10.205% for fiscal year 2023-24.

The following Table A-8 sets forth the District's regular annual contributions to CalSTRS for fiscal years 2019-20 through 2022-23 and the budgeted contribution for fiscal year 2023-24 and such contributions as a percentage of the District's Total Governmental Funds expenditures for fiscal years 2019-20 through 2023-24. The District has always paid all required CalSTRS annual contributions. As of June 30, 2023, [] (unaudited) District employees were members of CalSTRS.

Sources: Audited Annual Financial Report for fiscal years 2019-20 through 2021-22; Fiscal Year 2022-23 Unaudited Actuals; Fiscal Year 2023-24 Budget; and the District for the percentage of Total Governmental Funds Expenditures.

Actuarial Valuation. The State Teachers' Retirement Board has sole authority to determine the actuarial assumptions and methods used for the valuation of the DB Plan. CalSTRS actuarial consultant (the "Actuarial Consultant") determines the actuarial value of the DB Plan's assets by using a one-third smoothed recognition method of the difference between the actual market value of assets to the expected actuarial value of assets. Accordingly, the actuarial value of assets will not reflect the entire impact of

certain investment gains or losses on an actuarial basis as of the date of the valuation or legislation enacted subsequent to the date of the valuation.

The actuarial valuation for the entire CalSTRS defined benefit program as of June 30, 2022 (the “2022 CalSTRS Actuarial Valuation”) showed an estimated unfunded actuarial liability of \$88.6 billion, a decrease of approximately \$1.2 billion from the June 30, 2021 valuation. Such estimated unfunded actuarial liability was projected to increase in the June 30, 2021 valuation, which projected an unfunded actuarial liability of \$89.8 billion as of June 30, 2022. The actual unfunded actuarial liability as of June 30, 2022 represents a net actuarial gain of approximately \$1.3 billion. Such net actuarial gain is due primarily to member salary increases being more than assumed and market value returns (estimated at negative 2.4%) being less than assumed (7.0%). The funded ratios of the actuarial value of valuation assets over the actuarial accrued liabilities as of June 30, 2022 and June 30, 2021, based on the actuarial assumptions, were approximately 74.4% and 73.0%, respectively. According to the 2022 CalSTRS Actuarial Valuation, the funded ratio increased by 1.4% during the past year. As described in the 2022 CalSTRS Actuarial Valuation, the increase in the funded ratio is primarily due to the recognition of deferred investment gains from prior fiscal years that were used to offset the reported negative 2.4% return on investments on the market value of assets for fiscal year 2021-22, which is CalSTRS’ first negative return on investments since fiscal year 2008-09. Other factors contributing to such increase include the additional State contributions made in the prior fiscal years and contributions to pay down the unfunded actuarial liability under the State Teachers’ Retirement Board’s valuation policy. Persistent negative returns on investments may result in increased employer contribution rates above the current level of expected increases. The District cannot predict the impact of State, national, and international events on investment returns and employer contribution rates or the amount the District will be required to pay for pension related costs. Accordingly, there can be no assurances that the District’s required contributions to CalSTRS will not increase in the future, subject to the limitations of AB 1469.

The following are certain of the actuarial assumptions set forth in the 2022 CalSTRS Actuarial Valuation: measurement of accruing costs by the “Entry Age Normal Actuarial Cost Method,” an assumed 7.00% investment rate of return for measurements subsequent to June 30, 2016, 3.00% interest on member accounts, 3.50% projected wage growth, and 2.75% projected inflation and demographic assumptions relating to mortality rates, length of service, rates of disability, rates of withdrawal, probability of refund, and merit salary increases. Future estimates of the actuarial unfunded liability may change due to market performance, legislative actions and other experience that may differ from the actuarial assumptions used for the CalSTRS valuation. The 2022 CalSTRS Actuarial Valuation also assumes that all members hired on or after January 1, 2013 are subject to the provisions of PEPPRA (as defined herein). See “— *California Public Employees’ Pension Reform Act of 2013*” below for a discussion of the pension reform measure signed by the Governor in September 2012 expected to help reduce future pension obligations of public employers with respect to employees hired on or after January 1, 2013.

The CalSTRS Comprehensive Annual Financial Report for fiscal year 2021-22 (the “2021-22 CalSTRS CAFR”) states that during fiscal year 2021-22, CalSTRS included 38,528 covered employees of the District in its State Teachers’ Retirement Program and 3,485 covered employees of the District in its tax-deferred defined contribution plans under Sections 403(b) and 457 of the Internal Revenue Code (the “Pension2 Program”). Accordingly, covered employees of the District represented approximately 7.60% and 11.80% of covered employees in the State Teachers’ Retirement Program and Pension2 Program, respectively.

The UAAL and funded status of the CalSTRS pension fund as of June 30 of fiscal years ended June 30, 2018 through June 30, 2022 are set forth in the following Table A-9. The fair market value of the CalSTRS pension fund as of June 30, 2021 and June 30, 2022 was approximately \$271.95 billion and

\$260.29 billion, respectively, based on total system assets less amounts allocable to the CalSTRS Supplemental Benefits Maintenance Account Reserve. The individual funding progress for the District and the District's proportionate share of CalSTRS' net pension liability is set forth in the District's audited financial statements. See "*Pension Accounting and Financial Reporting Standards*" herein and APPENDIX B – "AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2022."

TABLE A-9

Actuarial Value of CalSTRS Defined Benefit Program
Valuation Dates June 30, 2018 through June 30, 2022
(\$ in billions)

Valuation Date (June 30)	Actuarial Obligation	Actuarial Value of Assets⁽¹⁾	Market Value of Assets	Unfunded Actuarial Obligation	Funded Ratio (Actuarial Value)	Funded Ratio (Fair Market Value)
2018	\$297.603	\$190.451	\$211.367	\$107.2	64.0%	65.7%
2019	310.719	205.016	225.466	105.7	66.0	67.0
2020	322.127	216.252	233.253	105.9	67.1	66.5
2021	332.082	242.363	292.980	89.7	73.0	81.9
2022	346.089	257.537	283.340	88.6	74.4	75.2

⁽¹⁾ Actuarial Value of Assets does not include amounts allocable to the CalSTRS Supplemental Benefits Maintenance Account Reserve which was approximately \$15.76 billion as of June 30, 2018, \$17.38 billion as of June 30, 2019, \$19.13 billion as of June 30, 2020, \$21.03 billion as of June 30, 2021, and \$23.05 billion as of June 30, 2022.

Sources: California State Teachers' Retirement System Defined Benefit Program Actuarial Valuations as of June 30, 2018 through June 30, 2022.

District Proportionate Share. As of June 30, 2021, the District's proportionate share of CalSTRS' net pension liability was approximately \$2.7 billion, based on a discount rate of 7.10%. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The District's proportion of the net pension liability was based on the fiscal year 2020-21 employer contributions calculated by CalSTRS with consideration given to separately financed and irregular employer contributions relative to the projected contributions of all participating employer and non-employer contributing entities. At June 30, 2021, the District's proportionate rate was 5.568%. The District's proportionate share of the CalSTRS net pension liability was projected to be approximately \$355.9 million if the discount rate was increased to 8.1% and approximately \$5.2 billion if the discount rate was decreased to 6.1%. See Note 9(b) of the District's financial statements in APPENDIX B – "AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2022."

California Public Employees' Retirement System. CalPERS is a defined benefit plan that covers classified personnel who work four or more hours per day. CalPERS is operated on a Statewide basis and, based on publicly available information, has significant unfunded liabilities. CalPERS issues a comprehensive annual financial report and actuarial valuations that include financial statements and required supplementary information. Copies of the CalPERS CAFR and actuarial valuations may be obtained from the CalPERS Financial Services Division, P.O. Box 942703, Sacramento, California 94229-2703. The information set forth therein is not incorporated by reference in this Official Statement. Benefit provisions are established by State legislation in accordance with the Public Employees' Retirement Law and are generally based on a member's age, final compensation, and years of credited service. For a description of member benefits for both the Safety Plan and Miscellaneous Plan of the

District administered by CalPERS, see Note 9(a) set forth in APPENDIX B – “AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2022.”

Funding: Contributions. All qualifying classified employees of K-12 school districts in the State are members in CalPERS. All school districts contributing to CalPERS participate in the same plan and share the same contribution rate in each year. However, unlike contributions to CalSTRS, which incrementally increase at statutorily set rates, school districts’ contributions to CalPERS fluctuate each year and include a normal cost component and a component equal to an amortized amount of the unfunded liability of CalPERS. Accordingly, the District cannot provide any assurances that the District’s required contributions to CalPERS in future years will not significantly vary from any current projected levels of contributions to CalPERS.

CalPERS is funded by employee contributions and investment earnings, with the balance of the funding provided by employer contributions. School districts’ contributions decrease when investment earnings rise and increase when investment earnings decline. As a result, declines in investment earnings may result in substantial increases in school district contributions. The District cannot make any predictions as to the effect of State, national or international events on investment earnings and school district contributions. Participating employees enrolled in CalPERS prior to January 1, 2013 contribute 7.00% of their respective salaries, while participating employees enrolled after January 1, 2013 contribute the higher of fifty percent of normal costs of benefits or an actuarially determined rate of 8.00% in fiscal year 2022-23, which is expected to remain at 8.00% in fiscal year 2023-24. School districts are required to contribute to CalPERS at an actuarially determined rate, which was originally 20.733% and 22.68% of eligible salary expenditures for fiscal years 2019-20 and 2020-21, respectively. However, the employer contribution rate for fiscal year 2019-20 was reduced to 19.721% as a result of the State’s buydown of employer contribution rates in fiscal year 2019-20. Similarly, the fiscal year 2020-21 State budget allocated funding to buy down employer contribution rates in fiscal years 2020-21 and 2021-22 to approximately 20.70% and 22.91%, respectively. The actuarially determined rate for employer contributions was 25.37% for fiscal year 2022-23 and is [26.68]% for fiscal year 2023-24. For a description of employer and member contribution rates, see Note 9(a) set forth in APPENDIX B – “AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2022.”

The following Table A-10 sets forth the District’s employer contribution rates, regular annual contributions, inclusive of employee contributions paid by the District to CalPERS for fiscal years 2019-20 through 2022-23 and the budgeted contribution for fiscal year 2023-24 and such contributions as a percentage of the District’s Total Governmental Funds expenditures for fiscal years 2019-20 through 2023-24. The District has always paid all required CalPERS annual contributions. As of June 30, 2023, [] (unaudited) District employees were members of CalPERS.

Sources: Audited Annual Financial Report for fiscal years 2019-20 through 2021-22; Fiscal Year 2022-23 Unaudited Actuals; Fiscal Year 2023-24 Budget; and the District for the percentage of Total Governmental Funds Expenditures.

Actuarial Valuation. Since the June 30, 2015 valuation, CalPERS has employed an amortization and smoothing policy that apportions all gains and losses over a fixed 30-year period with the increases or decreases in the rate spread directly over a five-year period. In contrast, the previous policy spread investment returns over a 15-year period with experience gains and losses spread over a rolling 30-year period. The amounts of the pension/award benefit obligation or UAAL will vary from time to time depending upon actuarial assumptions, and actual rates of return on investments, salary scales, and levels of contribution. See Table A-11 – “Actuarial Value of Schools Portion of CalPERS – Historical Funding Status” herein.

[TO BE UPDATED WHEN FULL VALUATION AVAILABLE; CURRENTLY ONLY SUMMARY AVAILABLE.] The CalPERS Schools Pool Actuarial Valuation as of June 30, 2022 (the “2022 CalPERS Schools Pool Actuarial Valuation”), which has not been released in full, was presented in summary form to the CalPERS Board on April 17, 2023. Such summary reported an actuarial accrued liability of approximately \$117.0 billion with the market value of assets at approximately \$79.4 billion, and a funded status of approximately 67.9%. From June 30, 2021 to June 30, 2022, the funded status of the CalPERS Schools Pool decreased by approximately 10.4%, and the unfunded accrued liability increased by approximately \$13.6 billion, largely due to the difference between the expected and actual rate of return on investments.

CalPERS reported a negative 7.50% (before recognition of administrative expenses) return on investments for fiscal year 2021-22, which is CalPERS' first negative return on investments since fiscal year 2008-09. The negative 7.50% return on investments was less than the assumed annual rate of return on investments of 6.80%. Such negative return generated an actuarial investment loss of approximately \$12.40 billion, which will be amortized over 20 years with a five-year phase in, increasing the component of the expected employer contribution rate related to the unfunded liability contribution in fiscal year 2023-24 by 1.69% of payroll. Due to the five-year phase in, the component of the employer contribution rate related to the unfunded liability contribution will increase each year until it reaches an estimated 7.60% of payroll in fiscal year 2027-28. CalPERS, however, does not currently project that the total expected employer contribution rate will increase by 7.60% over the next five years, because the

employer contribution rate consists of other components, which are affected by investment and non-investment factors, that are currently expected to offset, to some extent, the impact of the five-year phase in. Persistent negative returns on investments may result in increased employer contribution rates above the current level of expected increases reflected in the 2022 CalPERS Schools Pool Actuarial Valuation. The District cannot predict the impact of State, national, and international events on investment returns and employer contribution rates. Accordingly, there can be no assurances that the District's required contributions to CalPERS will not significantly increase in the future.

The 2022 CalPERS Schools Pool Actuarial Valuation as summarized assumes, among other things, 2.30% inflation and payroll growth of 2.80% compounded annually. The 2022 CalPERS Schools Pool Actuarial Valuation as summarized reflects a discount rate of 6.80% compounded annually (net of administrative expenses) as of June 30, 2022. The CalPERS Board adopted new demographic assumptions on November 17, 2021, including a reduction in the discount rate from 7.00% as of June 30, 2020 to 6.80% as of June 30, 2021, a reduction in the inflation assumption from 2.50% as of June 30, 2020 to 2.30% as of June 30, 2021, and an increase in payroll growth from 2.75% as of June 30, 2020 to 2.80% as of June 30, 2021. Such assumption changes result in increases in both the normal cost and unfunded liabilities contributions to be paid in the future. The actuarial funding method used in the 2022 CalPERS Schools Pool Actuarial Valuation is the "Entry Age Normal Cost Method." The UAAL and funded status of the Schools portion of CalPERS as of June 30 of fiscal years ended June 30, 2018 through June 30, 2022 are set forth in the following Table A-11.

Source: CalPERS Schools Pool Actuarial Valuation as of June 30, 2022.

District Proportionate Share. As of June 30, 2022, the District reported a net pension liability of \$1.6 billion for its proportionate share of the net pension liability of the Miscellaneous Plan. The net pension liability of the Miscellaneous Plan was measured by CalPERS as of June 30, 2021, and the total pension liability for the Miscellaneous Plan used to calculate the net pension liability was determined by CalPERS pursuant to an actuarial valuation as of June 30, 2020 rolled forward to June 30, 2021 using standard update procedures. The District's proportion of the net pension liability was based on the fiscal year 2020-21 employer contributions calculated by CalPERS. As of June 30, 2022, the District's proportion of the CalPERS net pension liability was approximately 7.85%. See "– Pension Accounting and Financial Reporting Standards" herein and Note 9(a) to the audited financial statements of the District contained in APPENDIX B – "AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2022."

[TO BE UPDATED WHEN FYE 2022 VALUATION AVAILABLE.] [*Safety Plan Actuarial Valuation; Net Pension Liability*. The CalPERS Safety Plan of the Los Angeles Unified School District (Employer # 3614620780) Annual Valuation Report as of June 30, 2021 uses the “Entry Age Normal Cost Method” as the actuarial funding method and assumes, among other things, a 6.8% investment rate of return (net of administrative expenses), projected annual salary increases based on category, entry age, and duration of service, projected inflation of 2.30% and projected payroll growth of 2.80%.] The UAAL and funded status of the District’s Safety Plan, which is an individual component of CalPERS, as of June 30 of fiscal years ended June 30, 2018 through June 30, 2022, are set forth in the following Table A-12. As of June 30, 2022, the District’s net pension liability under the CalPERS Safety plan was \$[] million.

Public Agency Retirement System. On July 1, 1992, the District joined the Public Agency Retirement System (“PARS”), a multiple-employer retirement trust. This defined contribution plan covers the District’s part-time, seasonal, temporary and other employees not otherwise covered by CalPERS or CalSTRS, but whose salaries would otherwise be subject to Social Security tax. Benefit provisions and other requirements are established by District management based on agreements with various bargaining units. The District is unable to predict the amount of the contributions which the District may be required to make to PARS in the future. Accordingly, there can be no assurances that the District’s required contributions to PARS will not significantly increase in the future above current levels. The District has always paid all required PARS annual contributions.

The following Table A-13 sets forth the District's annual contributions to PARS for fiscal years 2019-20 through 2022-23 and the budgeted annual contribution to PARS for fiscal year 2023-24, and the contributions as a percentage of the District's Total Governmental Funds expenditures for fiscal years 2019-20 through 2023-24. As of June 30, 2023, [] (unaudited) active District employees were members of PARS.

California Public Employees' Pension Reform Act of 2013. In September 2012, the Governor approved Assembly Bill 340, the California Public Employees' Pension Reform Act of 2013 ("PEPRA"). Among other things, PEPRA establishes new retirement formulas for employees hired on or after January 1, 2013 ("PEPRA Employees") and prohibits public employers from offering defined benefit pension plans to PEPRA Employees that exceed the benefits provided thereunder. PEPRA increases the retirement age for new State, school, city and local agency employees depending on job function and limits the annual CalPERS and CalSTRS pension benefit payouts. PEPRA applies to all public employers except the University of California, charter cities and charter counties. However, PEPRA is applicable to those entities which contract with CalPERS.

PEPRA mandates equal sharing of normal costs between a contracting agency or school employer and their employees and that employers not pay any of the required employee contribution. However, PEPRA limits the contribution to an amount not in excess of 8% of pay for local miscellaneous or school members, not more than 12% of pay for local police officers, local firefighters, and county peace officers, and not more than 11% of pay for all local safety members. PEPRA requires employers to complete a good faith bargaining process as required by law prior to implementing changes regarding the contribution requirements. The contribution requirements of PEPRA went into effect on January 1, 2018. See "– California State Teachers' Retirement System" and "– California Public Employees' Retirement System" herein.

In addition, PEPRA amends existing laws to redefine final compensation for purposes of pension benefits for PEPRA Employees. Further, PEPRA permits certain public employers who have offered a lower defined benefit retirement plan before January 1, 2013 to continue to offer such plan to PEPRA

Employees. However, if a public employer adopts a new defined benefit plan on or after January 1, 2013, such plan will be subject to PEPRA requirements unless, among other things, its retirement system's chief actuary and retirement board certify that the new plan is not riskier or costlier to the public employer than the defined benefit formula required under PEPRA.

Pension Accounting and Financial Reporting Standards. In 2012, the Governmental Accounting Standards Board issued Governmental Accounting Standards Board Statement No. 68 – “Accounting And Financial Reporting For Pensions” (“GASB 68”), which revises and establishes new financial reporting requirements for most public employers, such as the District, that provide pension benefits to their employees. GASB 68, among other things, requires public employers providing defined benefit pensions to recognize their long-term obligation for pension benefits as a liability and provides greater guidance on measuring the annual costs of pension benefits, including thorough guidelines on projecting benefit payments, use of discount rates and use of the “entry age” actuarial cost allocation method. GASB 68 also enhances accountability and transparency through revised and new note disclosures and required supplementary information. GASB 68 became effective for the financial statements of plan employers, including the District's financial statements, commencing the fiscal year ended June 30, 2015.

Pursuant to GASB 68, CalSTRS and CalPERS will use a new blended rate that reflects a long-term rate of return on plan assets, which reflects a pension fund's long-term investment strategy, and a high-quality, non-taxable municipal bond index rate, to account for the potential need to borrow funds to pay pension benefits after net assets have been fully depleted. CalSTRS has cautioned that use of the new, blended discount rate may cause the financial statements of plans, such as CalSTRS, to reflect an increased unfunded liability.

Other Postemployment Benefits

[DISTRICT TO PROVIDE FINAL ACTUARIAL REPORT FOR FYE 2023 WHEN AVAILABLE] General. In addition to employee health care costs, the District provides post-employment health care benefits (“OPEB”) in accordance with collective bargaining agreements and the health benefits agreement. The District's OPEB consists of post-employment benefits for health, prescription drug, dental, and vision coverage for retirees and their dependents. As of June 30, 2022, there were approximately 58,886 active employees who meet the eligibility requirements for OPEB benefits, 39,111 inactive employees or beneficiaries currently receiving benefits, and 221 inactive employees entitled to but not yet receiving benefits, for a total of 98,218 current and former employees entitled to receive benefits under the District's OPEB plan. Historically, the District has funded these benefits on a pay-as-you-go basis, paying an amount in each fiscal year equal to the benefits distributed or disbursed in that fiscal year. Beginning in fiscal year 2013-14, the District's policy, subject to District Board approval, is to prefund a portion of its OPEB costs for employees, retirees and their beneficiaries by allocating funds for the express purpose of funding future other postemployment benefit costs to the extent possible. See “– District Financial Policies and Related Practices – *Budget and Finance Policy* – Liability Reserves” herein. The District Board approved the creation of the OPEB Trust Fund in May 2014. ***[HAS THE DISTRICT CONTRIBUTED TO THE OPEB TRUST FUND IN FY 22-23? IF SO, HOW MUCH? IF NOT, IS IT PLANNING TO DO SO BEFORE FYE?]*** [As of June 30, 2023, the District has contributed approximately \$[339] million to the OPEB Trust Fund, inclusive of the District's contributions of \$60 million in July 2014, \$30 million in September 2014, \$45 million in September 2015, \$6 million in March 2016, \$78 million in October 2016 and \$120 million in October 2017. The District did not contribute to the OPEB Trust Fund in fiscal years 2018-19, 2019-20, 2020-21, and 2021-22, [but currently expects to contribute to the OPEB Trust Fund in fiscal year 2022-23]. Based on the Fiscal Year 2023-24 Budget, the District has budgeted to contribute \$[] million to the OPEB Trust Fund in fiscal year 2023-24.] In a February 2022 Actuarial Valuation Report Postretirement Health

Benefits as of the June 30, 2021 measurement date for fiscal year 2021-22 (the “2021 Actuarial Valuation”), Aon Hewitt indicated that based on the District’s current funding policy, projected cash flows, and the assumed asset return, the assets in the OPEB Trust Fund are projected to be depleted in fiscal year 2029-30 if such assets were drawn upon to pay benefits as they come due without the District funding such benefits on a pay-as-you-go basis.

The following Table A-14 sets forth the District’s funding of other postemployment benefits for fiscal years 2019-20 through 2022-23, the budgeted contribution for fiscal year 2023-24, and the contributions as a percentage of the District’s Total Governmental Funds expenditures for fiscal years 2019-20 through 2023-24. In addition, Table A-14 sets forth the District’s contribution to the OPEB Trust for fiscal years 2019-20 through 2023-24.

Postemployment Benefits Other Than Pensions Accounting and Financial Reporting Standards. In June 2015, the GASB issued Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other than Pensions (“GASB 75”), which revised and established new accounting and financial reporting requirements for state and local governments, such as the District, that offer OPEB to employees. Pursuant to GASB 75, net OPEB liabilities are required to be recognized in the financial statements for such state and local governments. In addition, GASB 75 provides additional guidance with respect to recognizing and measuring liabilities, deferred outflows and inflows of resources, and expense/expenditures. GASB 75 directs the use of “entry age normal” as the actuarial cost allocation method to be used and the various procedures, assumptions and discount rates to be used in connection with the calculation of liabilities. In connection therewith, states and local governments that do not pre-fund their respective OPEB obligations may report increased liabilities. GASB 75, among other things, requires additional note disclosures and the presentation of required supplementary information in financial statements. GASB 75 was implemented in the District’s audited financial statements beginning in fiscal year 2017-18.

The District's net OPEB liability takes into consideration the adoption of GASB 75, under which the District is required to recognize in full its total net OPEB liability rather than on an incremental basis. Over the past few years, the District has taken steps to (i) reduce its OPEB liability through a more cost-effective healthcare plan and (ii) pre-fund its OPEB liability by making deposits from time to time to an irrevocable trust when its reserves exceed the 5% Minimum Reserve Threshold, subject to District Board approval.

Changes in OPEB Liability. Effective January 1, 2019, the District implemented a less costly healthcare plan, the Anthem Preferred PPO (50 state Medicare Advantage Plan) (the "Anthem PPO"), which replaced the United HealthCare Group Medicare Advantage Plan and the Anthem Blue Cross Medicare (EPO) plan. The implementation of the Anthem PPO together with certain updated actuarial assumptions resulted in a significant reduction in the District's net OPEB liability from \$14.97 billion as of June 30, 2018 (prior to the Anthem PPO implementation) to \$11.18 billion as of June 30, 2019 (after the Anthem PPO implementation) to \$8.58 billion as of June 30, 2020 (based on further revised actuarial assumptions). However, the District's net OPEB liability as of June 30, 2021 increased to \$11.06 billion as a result of certain changes in actuarial assumptions described in more detail below. See "– 2020 Actuarial Valuation" below for more information. As of June 30, 2022 the District's net OPEB liability decreased to \$10.19 billion based on certain changes in actuarial assumptions also described in more detail below. See "– 2021 Actuarial Valuation" below for more information.

2020 Actuarial Valuation. The District's net OPEB liability of \$11.06 billion at June 30, 2021 is measured as the total OPEB liability, less the OPEB plan's fiduciary net position. The District's OPEB liability as of fiscal year June 30, 2021 is based on the actuarial assumptions and plan provisions in the Actuarial Valuation Report Postretirement Health Benefits as of June 30, 2020 (the "2020 Actuarial Valuation"), prepared for the District by Aon Hewitt. The 2020 Actuarial Report reflects updated financial information for fiscal year 2020-21 and is based on the census data, actuarial assumptions, and plan provisions used in the District's prior actuarial valuation with the following changes:

- Assets: \$425,988,386 as of June 30, 2020 measurement date
- Municipal Bond Rate: 2.21% as of June 30, 2020, based on the *Bond Buyer* General Obligation Bond 20-Bond Municipal Bond Index
- Expected Long-Term Return on Assets: 7.30% as of June 30, 2020, based on District's revised expectations for certain asset allocations
- Discount Rate: 2.30% as of June 30, 2020, after reassessment based on updated assets and municipal bond rate as of June 30, 2020

Most notable of such changes in assumptions in the 2020 Actuarial Valuation is the 130-basis point decrease in the discount rate that increased the value of liabilities by more than 20% for fiscal year 2020-21, increased the unfunded liability for fiscal year 2020-21, and increased the expenses for fiscal years 2020-21 and 2021-22. As a result, the District's net OPEB liability increases to \$11.06 billion as of June 30, 2021. After evaluating data for the period of January through June 2020 provided by the District, Aon Hewitt determined that there was no significant impact to the District's OPEB plan as a result of the COVID-19 pandemic to justify changes to demographic, healthcare claims, medical trend, mortality or other behavioral assumptions.

2021 Actuarial Valuation. The District's net OPEB liability decreased by nearly \$1 billion from \$11.06 billion as of June 30, 2021 to \$10.19 billion as of June 30, 2022. According to the 2021 Actuarial Report, such decrease in net OPEB liability is primarily due to the healthcare experience gain reflected in the 2021 Actuarial Report as there were no other significant adjustments in actuarial assumptions from the 2020 Actuarial Report. The 2021 Actuarial Report reflects updated financial information for fiscal

year 2021-22 and is based on the census data, actuarial assumptions, and plan provisions used in the 2020 Actuarial Valuation with the following changes:

- Assets: \$542,828,439 as of June 30, 2021 measurement date
- Municipal Bond Rate: 2.16% as of June 30, 2021, based on the *Bond Buyer* General Obligation Bond 20-Bond Municipal Bond Index
- Expected Long-Term Return on Assets: 7.00% as of June 30, 2021, based on District's revised expectations for certain asset allocations
- Discount Rate: 2.20% as of June 30, 2021, after reassessment based on updated assets and municipal bond rate as of June 30, 2021

Table A-15 below shows the impact of the changes to the actuarial assumptions in the 2021 Actuarial Report on the District's Net OPEB Liability for the fiscal year ending June 30, 2022 compared to fiscal year June 30, 2021 that was based on the 2020 Actuarial Valuation.

The District cannot predict the impact future changes in actuarial assumptions and health care costs and providers will have on the District's net OPEB liability.

For more information on the District's OPEB plan, OPEB liability and related assumptions for fiscal year ended June 30, 2022, see Note 9 to the audited financial statements of the District contained in APPENDIX B – "AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2022" attached hereto.

Risk Management and Litigation

General. The District maintains various excess property, casualty and fidelity insurance programs, which are self-insured, with varying self-insured retentions. The District's excess property coverage is provided currently through its membership in the Public Entity Property Insurance Program

(“PEPIP”), an insurance pool comprised of certain cities, counties and school districts. The District maintains excess property insurance on all District facilities under a combination of self-insurance retentions and varying sublimits through the excess insurance policies of PEPIP. The current self-insured retention for fire loss damage for excess property coverage is \$1,000,000 per occurrence and the aggregate policy limit is \$500 million. The District maintains what it considers to be adequate reserves to cover losses within the self-insurance retention. District General Fund resources are used to pay for property loss insurance and uninsured repairs for property damage. In addition to the above excess property policies, the District purchases a separate boiler and machinery policy with \$100 million in occurrence limits and a Fidelity crime coverage with \$15 million in occurrence limits.

Excess property insurance is maintained through a combination of excess policies with an occurrence limit of \$500 million. General liability insurance currently provides \$30 million coverage above a \$5 million self-insurance retention. The District expects to be reimbursed for settlements from its insurance carriers. The District maintains reserves at the level recommended by an independent actuarial analysis, which it believes are adequate to cover losses within the self-insured retention.

Prior to fiscal year 2013-14, the District’s liability coverage generally included coverage for sexual misconduct and molestation. Liability coverage beginning in fiscal year 2013-14 does not include this coverage because the District has determined that it is not available at reasonable rates from any insurance provider. In March 2014, the District Board approved a joint powers authority agreement by and between the District and the Los Angeles Trust Children’s Health Inc. to establish the Los Angeles Unified School District Risk Management Authority (the “Risk Management Authority”) which became effective July 1, 2014. The Risk Management Authority allows the District to purchase reinsurance for excess liability coverage for incidents such as sexual misconduct and molestation. The Risk Management Authority was capitalized by the District and provides an insurance program for the District and the Los Angeles Trust Children’s Health Inc. The Risk Management Authority allows the District to purchase reinsurance for excess liability coverage which is not presently available to self-insured public agencies such as the District. See “– *Sexual Misconduct Cases*” herein.

The District believes that the amounts currently reserved for potential liabilities attributable to claims of molestation, brain injury and sexual misconduct are adequate. See “– *Sexual Misconduct Cases*” herein. The District will increase the expenditures projected in its budget and interim financial reports if necessary and only to the extent that the District’s liabilities exceed the amount budgeted for self-insurance or current excess liability coverage. The District expects that such an increase will occur if claims relating to brain injury or sexual misconduct by former and suspended District employees exceed the amount reserved for settlements and monetary damages to date. See “– *Sexual Misconduct Cases*” herein. Such liabilities could decrease the District’s net position as of June 30, 2023 from the amount set forth in the District’s financial statements for fiscal year 2021-22. See APPENDIX B – “AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2022.”

Liabilities for loss and loss adjustment expenses under each of the District’s insurance programs include the accumulation of estimates for losses reported prior to the balance sheet date, estimates of losses incurred but not reported and estimates of expenses for investigating and adjusting reported and unreported losses. Such liabilities are estimates of the future expected settlements and are based upon analysis of historical patterns of the number of incurred claims and their values. The District believes that, given the inherent variability in any such estimates, the aggregate liabilities are within a reasonable range of adequacy. Individual reserves are continually monitored and reviewed, and, as settlements are made or reserves adjusted, differences are reflected in current operations. See APPENDIX B – “AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2022.”

Workers' Compensation. The District is self-insured for its Workers' Compensation Program. A separate fund is used to account for amounts set aside to pay claims incurred and related expenditures under the Workers' Compensation Program. The amount to be deposited in the Workers' Compensation Fund is established with information from an independent actuary. The District maintains at a minimum the actuarially required deposit in its Workers' Compensation Fund in accordance with its policy. See "– District Financial Policies and Related Practices – *Budget and Finance Policy* – Liability Reserves" herein. The District's "Actuarial Study of Workers' Compensation Program" as of December 31, 2021, recommended a minimum funding level of approximately \$122.47 million for fiscal year 2022-23. As of June 30, 2023, the total revenues in the District's Workers' Compensation Fund (operating revenues and nonoperating revenues) was \$[] million (unaudited), [which reflects a year-end accounting adjustment of \$[] million to recognize the unrealized loss for the District's cash deposited in the County Treasury Pool]. [Without such accounting adjustment, the District's total revenues in the Workers' Compensation Fund exceed the actuarially determined minimum funding level.]

[DISTRICT TO CONFIRM INTEREST RATE] [Additionally, the District's actuarially determined total liability for the Workers' Compensation Program is fully funded in accordance with its policy.] The District's most recent "Actuarial Study of Workers' Compensation Program" as of December 31, 2022 reflected total expected losses of approximately \$360.21 million (at a 2.5% interest rate) as of June 30, 2023 plus an additional amount of approximately \$26.48 million in estimated outstanding unallocated loss adjustment expenses (at a 2.5% interest rate) to create a total liability of approximately \$386.68 million as of June 30, 2023. The District has approximately \$[] million (unaudited) in cash available in the Workers' Compensation Fund as of June 30, 2023, which exceeds the amount necessary to fund the District's actuarially determined liability.

The "Actuarial Study of Workers' Compensation Program" as of December 31, 2022, recommends a minimum funding level of approximately \$110.71 million for fiscal year 2023-24 and approximately \$106.82 million for fiscal year 2024-25. The following Table A-16 sets forth the actuary's recommended minimum funding levels for workers' compensation set forth in the actuarial report as of December 31, 2020, December 31, 2021 and the most recent actuarial report covering the period as of December 31, 2022.

[DISTRICT TO UPDATE] Pollution Legal Liability Policy. The District purchased a pollution legal liability ("PLL") policy through Ironshore Insurance Company with coverage of \$10.0 million per incident and \$10.0 million in aggregate, effective [April 17, 2019 to May 1, 2023].

Owner-Controlled Insurance Program. The District has arranged for its construction projects to be insured under its owner-controlled insurance program ("OCIP"). An OCIP is a single insurance program that insures the District, the District Board, all enrolled contractors, and enrolled subcontractors, and other designated parties for work performed at project sites. The District pays the insurance premiums for the OCIP coverages and requires each eligible bidder to exclude from its bid price the cost of insurance coverage. The exclusion of the cost of insurance premiums from each bid is intended to result in lower overall bids for projects, which would in turn lower the contract award amount and general obligation bond and other funds spent. In addition, the District may be able to pay a lower overall insurance cost than a single contractor because of the economies of scale gained by the purchase of an OCIP.

[DISTRICT TO UPDATE] Litigation Regarding Insurance Providers. In September 2015, the District filed a lawsuit entitled *Los Angeles Unified School District v. ACE et al.* (the "Miramonte Coverage Action"), in Los Angeles County Superior Court seeking more than \$200 million in damages from twenty-seven of the District's current and former insurance providers who failed to fund the defense and reimburse the District for settlement amounts paid by the District in connection with claims by hundreds of students and parents alleging that negligent hiring, supervision, and retention of former teachers Mark Berndt and Martin Springer at Miramonte Elementary School resulted in sexual abuse of

the students. In April 2017, the District filed a second lawsuit in Los Angeles County Superior Court entitled *Los Angeles Unified School District vs. AIU Insurance Company, et. al.* (the “Telfair Coverage Action”), seeking more than \$40 million in damages from eight of the District’s current and former insurance providers in connection with the lawsuits filed against the District alleging that negligence of its employees in hiring, retaining, and supervising Paul Chapel resulted in sexual abuse of approximately twenty students at Telfair Elementary School. In August 2017, the District filed a third lawsuit in Los Angeles County Superior Court entitled *Los Angeles Unified School District v. Allied World et al.* (the “De La Torre Coverage Action”), seeking more than \$60 million in damages from seven of the District’s current and former insurance providers who failed to fund the defense and reimburse the District for settlement amounts paid by the District in connection with claims by over twenty students and their parents alleging that negligent hiring, supervision, and retention of former teacher Robert Pimentel at De La Torre Elementary School resulted in sexual abuse of the students. The District has not been reimbursed by any of the defendants for amounts expended in conjunction with resolving the underlying sexual abuse litigation described in this section. While no insurer agreed to pay any of the District’s defense costs before the coverage actions were filed, rulings obtained in the Miramonte Coverage Action have forced AIG to reimburse the District for over \$21 million in defense costs. Further, the District has alleged that the insurance providers have not only breached their respective insurance obligations owed to the District in connection with underlying litigation, but also breached the implied covenant of good faith and fair dealing. The District and the insurers continue to discuss terms for a mediation of all three coverage cases. In 2021, following a bench trial, the court found that the insurer breached its duty to indemnify the District under one insurance policy at issue in the Miramonte Coverage Action for its settlements of the underlying claims.

On November 4, 2020, the District filed two new lawsuits against its insurers, *LAUSD v. Starr Indemnity & Liability Co., et al.* and *LAUSD v. Ins. Co. of the State of Pennsylvania, et al.*, in which it is seeking more than \$25 million and \$8 million, respectively, in settlement reimbursements plus defense costs relating to underlying litigation involving the alleged abuse of multiple students at Franklin High School and Cahuenga High School. The District cannot predict the final outcome of or remedy imposed by any court with respect to these complaints or the amounts, if any, by which any of the insurance providers will reimburse the District for settlements in the underlying litigation matters. In 2021, the District moved for summary adjudication to establish that the Insurance Company of State of Pennsylvania (an AIG Co.) had and breached its duty to defend the District under a 2002-2003 insurance policy, which the court denied. The District is considering its options with respect to additional motion practice and appellate review.

[DISTRICT TO UPDATE] Wrongful Death Cases. In August 2014, the parents of a deceased Garfield High School student filed a lawsuit seeking unspecified damages, which alleged negligence and liability of the District and District personnel in the drowning and eventual death of their son while attending a school-sponsored, off-campus excursion at a County-operated park. The District and District personnel were dismissed from the case brought by plaintiffs following a successful motion for summary judgment. As the prevailing party, the District obtained a costs order against plaintiffs of \$45,554.86, which the District Court affirmed after plaintiffs filed a motion to re-tax. The plaintiffs appealed the judgment in favor of the District to the Ninth Circuit, and on or about December 2021, the Ninth Circuit affirmed the District Court’s judgment. Plaintiffs subsequently waived any further appellate rights in exchange for a waiver of costs. The plaintiffs entered into a \$2.125 million settlement agreement with the County in November 2019. The County previously filed a cross-complaint against the District alleging the District’s failure to honor an earlier indemnification agreement and subsequent obligation to reimburse the County for legal expenses and settlement costs. Through a combination of dispositive motions and settlements, the County’s cross-complaint against the District and certain District employees has been dismissed with prejudice, and there will be no appeal of that outcome. The District paid no money to the County.

In March 2019, the parents of a deceased Dodson Middle School student filed a lawsuit seeking unspecified damages, which alleged insufficient supervision and life-saving measures were taken by District employees, leading to the collapse and eventual death of their son while running laps during a physical education class. The student's death was subsequently found to have been caused by a previously-undiagnosed congenital coronary artery defect. In May 2019, all parties filed a joint stipulation to strike a portion of the complaint and dismiss Dodson Middle School as a defendant because the school is not a legal entity separate from the District. On May 21, 2021, the District's motion for summary judgment was partially granted and partially denied. In March 2022, the District settled the lawsuit with plaintiffs for \$9.5 million, prior to the commencement of trial.

In June 2020, the father of a deceased North Hollywood High School student filed a lawsuit in federal district court seeking unspecified damages, which alleged (1) negligence, (2) negligent supervision, hiring, and retention, (3) violation of 42 U.S.C.S. 12131, (4) violation of 29 U.S.C.S. 794, and (5) wrongful death, for the student's off-campus death by suicide in the after-school hours of February 7, 2019. In July 2021, the federal district court granted the District's motion for partial summary judgment and dismissed the federal causes of action. The district court declined to exercise supplemental jurisdiction and dismissed the case. On August 23, 2021, Plaintiff filed a lawsuit against the District and certain individual defendants in Los Angeles County Superior Court seeking unspecified damages, alleging (1) negligence, (2) negligent supervision, training, hiring, and retention, and (3) wrongful death. Plaintiff also claimed punitive damages against the individual defendants. After multiple demurrers, in September 2021, the Los Angeles County Superior Court sustained the District's demurrer to Plaintiff's Second Amended Complaint, with thirty days leave to amend. The court also granted the individual defendants' motion to strike the punitive damages claims with thirty days leave to amend. The Plaintiff filed a Third Amended Complaint in October 2022. The District is currently evaluating that pleading and its options for responding.

In August 2020, the mother of a Normandie Avenue Elementary School student filed a lawsuit seeking unspecified damages in excess of \$1,000,000 against the District and others for the alleged wrongful death of her son on December 26, 2019, after he died from injuries sustained while at a District employee's home. The death was later ruled a homicide. The trial date was vacated by the court, and the matter is now set for a further case management conference in November 2022.

In April 2021, a parent of a deceased student from Animo Jefferson Charter Middle School, a charter school, filed a lawsuit seeking unspecified damages, which alleged dangerous conditions on public property and liability of the District in the death of her son while crossing an intersection that was two miles from her son's middle school. Plaintiff alleged that the School District created a dangerous condition by failing to employ crossing guards at the intersection, pursuant to the City of Los Angeles and the School District's "Safe Routes to School Program," which was adopted by the School District's Board of Education in September 2016. On or about November 2021, the plaintiff dismissed the lawsuit without prejudice, after the District provided a declaration stating that the District was not responsible for hiring crossing guards.

[DISTRICT TO UPDATE] COVID-19 Distance Learning Lawsuits. On September 24, 2020, a class action lawsuit was filed on behalf of nine named plaintiffs in Los Angeles County Superior Court asserting that the District's instructional plan in response to the COVID-19 pandemic has denied plaintiffs' children their basic education rights under the California Constitution. The complaint alleges that the District's distance learning approach is inadequate in that it has allegedly reduced instructional and professional development time, eliminated student assessments, failed to provide adequate access to technology, and failed to reengage students who did not participate in online learning in the spring of 2020 after the closure of school facilities due to the COVID-19 pandemic. The operative first amended complaint asserts various causes of action for injunctive and declaratory relief, including claims for

alleged violations of statutory and Constitutional rights and claims of discrimination and disparate treatment. On April 9, 2021, the District's motion to strike certain allegations in the complaint with respect to individualized education program services was granted, but its demurrer to the first amended complaint was overruled. After Plaintiffs filed a second amended complaint, the District filed another demurrer. On August 16, 2021, the Court sustained the District's demurrer with leave to amend. The Court further struck Plaintiffs' claims seeking retrospective injunctive relief on a class wide basis. Plaintiffs were given 20 days to file an amended complaint. In September 2021, the Court dismissed the action in its entirety, with prejudice, and entered judgment in favor of the defendants, including the District. Plaintiffs subsequently filed a notice of appeal, and the appeal is pending before the Court of Appeal of California, Second Appellate District.

[DISTRICT TO UPDATE] COVID-19 In-Person Instruction Lawsuits. In April 2021, three lawsuits were filed in Los Angeles Superior Court alleging that the District has violated state constitutional and statutory requirements by not reopening schools for in-person instruction to the greatest extent possible. By January 2022, all three of the lawsuits were dismissed without prejudice.

In June 2021, a lawsuit was filed in federal district court seeking injunctive relief to prohibit the District from implementing safety measures (e.g., COVID testing and masks among others) for students to access in-person instruction, which was subsequently dismissed without prejudice in November 2021.

[DISTRICT TO UPDATE] COVID-19 Employee Vaccinations Lawsuit. On March 17, 2021, a group of seven District employees filed a lawsuit in the U.S. District Court for the Central District of California, seeking declaratory and injunctive relief against the District and certain District officials with respect to the District's alleged policy mandating that employees be administered COVID-19 vaccinations for which the United States Food and Drug Administration has granted Emergency Use Authorization. Although the District provided access to such vaccines for its employees, it had not mandated vaccinations at the time the lawsuit was filed. The District filed a motion to dismiss the lawsuit, which was granted by the court in July 2021.

On November 3, 2021, a group of six District employees together with a not-for-profit corporation, identified as the Health Freedom Defense Fund, filed a similar lawsuit to the one previously dismissed in the U.S. District Court for the Central District of California, seeking declaratory and injunctive relief against certain District officials with respect to the District's vaccination policy for employees. On September 12, 2022, the Court granted the District's motion for judgment on the pleadings as to plaintiffs' substantive due process cause of action and equal protection claim, with leave to amend. Rather than filing an amended pleading, plaintiffs appealed to the Ninth Circuit on October 4, 2022.

[DISTRICT TO UPDATE] COVID-19 Student Vaccination Lawsuits. On October 8, 2021, the parent of a 12-year-old student at The Science Academy STEM Magnet filed a complaint seeking injunctive and declaratory relief and a petition for writ of mandate with respect to the District's student COVID-19 vaccination mandate. The complaint focuses on the lack of full FDA approval of the Pfizer vaccine for students between the ages of 12 and 15, and challenges the District's authority to issue the mandate. The complaint also alleges that independent study is not an effective substitute for in-person learning, and asserts various causes of action alleging breaches of statutes, regulations and rights under the California constitution. On July 5, 2022, the Superior Court granted the petition for writ of mandate and held that the District's student vaccination mandate was invalid as preempted by State law. Judgment was entered in favor of the plaintiff on September 13, 2022. The District subsequently settled the remaining claims in the case with plaintiff.

On October 13, 2021, two non-profit organizations purporting to represent groups of parents of children attending District schools filed a petition for writ of mandate and request for immediate stay with respect to the District's COVID-19 vaccination requirements for students. The petition alleges that the District lacked the authority to mandate students to be vaccinated for COVID-19, and seeks writs and orders vacating and setting aside the District's mandate, and enjoining the enforcement thereof. On April 15, 2022, the Superior Court heard and granted the District's demurrer to several of the claims in the plaintiffs' first amended complaint, but permitted the plaintiffs to provide additional pleading of facts to support their complaint. The District subsequently filed a demurrer in response to the plaintiffs' second amended complaint. In light of the July 5, 2022 Superior Court order in the student vaccination lawsuit described in the previous paragraph, which was issued after the District's demurrer in this case, Plaintiffs' counsel filed a motion for summary adjudication citing the July 5, 2022 order.

[DISTRICT TO UPDATE] Sexual Misconduct Cases. The District is occasionally subject to claims relating to the sexual misconduct of District personnel and other students. There are currently threatened and pending claims against the District brought on behalf of minor students as a result of alleged sexual misconduct by District personnel. The District is in various stages of litigation relating to such pending claims and cannot predict the outcome and effects of such claims or provide any assurances that such claims will not be successful. The damages requested by the plaintiffs in the various pending sexual misconduct cases are substantial, but vary significantly, in multiple instances there are demands for several million dollars. However, the District cannot predict any final award of damages or settlement amounts. The District also cannot predict the damages sought by any threatened litigation.

In the *Miramonte* sexual abuse litigation, involving Mark Berndt (who in 2013 pleaded no contest to 23 felony counts of lewd acts on children and was sentenced to 25 years in prison), in which there have previously been approximately \$180 million in settlements with more than 200 plaintiffs, there are four active cases remaining with 27 plaintiffs. Of the four active cases, the earliest trial date is scheduled for September 2023. In May 2021, the District reached a settlement totaling \$9 million with twelve student plaintiffs, who were part of the litigation related to *Jane Doe BT v. LAUSD*.

On May 11, 2020, a group of twenty-one plaintiffs filed a complaint against the District, Birmingham Community Charter High School ("BCCHS"), and Grace Brethren Church of Simi Valley alleging that they were sexually abused by Daniel Silva, their former lacrosse coach at BCCHS. In May 2019, following a jury trial, Silva was found guilty on twenty-five criminal counts, including sixteen counts of child molestation, six counts of child battery, two counts of lewd conduct upon a child, and one count of false imprisonment. Plaintiffs allege that students from District school Daniel Pearl Magnet High School were permitted to participate in sports team at the adjacent, independently operated BCCHS. The plaintiffs include one District student and the complaint includes an allegation that "numerous female students from [District school] Daniel Pearl participated on [BCCHS's] lacrosse team and were victimized by Silva." The District prevailed on summary judgement and obtained a judgment for costs.

In April, July, and August 2022, a total of 12 former students filed lawsuits against the District relating to sexual abuse by former teacher Robert Pimental, who was sentenced to 12 years in prison after pleading no contest to multiple charges of lewd acts on children at De La Torre Elementary School in 2014. These lawsuits involve the same alleged perpetrator as the previously-settled lawsuits addressed above in the section entitled "*Litigation Regarding Insurance Providers*." A tentative settlement has been reached in these matters, subject to approval by the District Board.

On May 13, 2022, eleven plaintiffs filed a complaint against the District alleging that they were inappropriately touched and sexually assaulted, abused, and harassed by their teacher during the 2013–2014 school year while attending 5th grade at 15th Street Elementary School. Plaintiffs allege that "such conduct took place in front of, and/or with the knowledge of other staff at 15th Street elementary and

LAUSD.” 15th Street’s former principal is also named as a defendant. Although law enforcement investigated the allegations, no charges were filed against the teacher. The case is currently at the pleadings stage and Plaintiffs are seeking an unspecified amount of damages.

In three separate complaints filed in May 2022, former George Washington Carver Middle School male students alleged negligence, and negligent hiring retention and supervision allegedly arising from childhood sexual abuse by their English and homeroom teacher, Norbert Stuart Volk, at different time periods from the late 1960s to the early 1980s. Discovery is ongoing and the District is evaluating its next steps for responding to these lawsuits, particularly in light of the fact that key witnesses, including Mr. Volk, appear to be deceased.

[TO BE UPDATED PRIOR TO POS POSTING] Assembly Bill 218 and Related Claims. Pursuant to Assembly Bill 218 (“AB 218”), which became effective on January 1, 2020, certain changes were made to the claim prerequisites, available damages and the applicable statute of limitations periods for claims of childhood sexual assault, including claims against public entities like the District. AB 218 has impacted the District’s liability exposure because it (1) extended the statute of limitations periods for claims of childhood sexual assault, (2) did away altogether with the Tort Claims Act’s presentation requirements for claims involving childhood sexual assault under which many claims were found to be late, (3) revived certain claims for which applicable statute of limitations periods have otherwise already expired (if brought within three years of January 1, 2020), and (4) provided for treble damages against a defendant, including a local public entity, who is found to have covered up the sexual assault of a minor. Pursuant to AB 218, a plaintiff now has twenty-two years from the age of majority or five years after the plaintiff discovered or reasonably should have discovered psychological injury or illness occurring after the age of majority caused by the alleged childhood sexual assault to bring an action, with certain actions being barred from commencement after the plaintiff’s fortieth birthday. With respect to claims that otherwise would have been barred as of January 1, 2020, AB 218 revived such claims for a period of three years, which period is set to expire on January 1, 2023. [As a result of such revival, the District is experiencing and expects to continue to experience for the remainder of calendar year 2022, a significant influx of additional, previously time-barred childhood sexual assault lawsuits. Further, the District cannot predict whether there will be legislative action extending, or judicial action tolling, the statute of limitations under AB 218, especially in light of the emergency tolling rule implemented by State courts as a result of the COVID-19 pandemic.]

[The District has received and could receive additional complaints seeking declaratory, injunctive, and monetary relief, including treble damages, relating to allegations of misconduct by current and former employees. The District’s potential liabilities could exceed the amounts which are currently recognized and the probable amount of contingent liabilities for which the District has set aside reserves based upon prior claims of a similar nature and an independent third-party actuarial analysis.]

[At this time, the District is still assessing the extent of additional liability that will result from recognized events in connection with claims brought under AB 218. While the District may be able to access insurance coverage for a portion of some of the AB 218 litigation matters, the District expects it will bear the expenses and liabilities relating to AB 218 litigation matters. The District cannot predict whether any plaintiffs in any pending complaints will prevail, and if so, how any final court decision or settlement agreement with respect to any lawsuit may affect the financial status, policies or operations of the District, as the nature of any court’s remedy and the responses thereto are unknown at the present time. The costs of any final court decision or settlement agreement could be substantial and materially greater than the amounts proposed under the pending settlement agreements. However, the District does not expect any decision or change in law to adversely affect the ability of the District to pay the principal of and interest on the Bonds as and when due.]

District Debt

General Obligation Bonds. From July 1997 through March 2003, the District issued the entire amount of \$2,400,000,000 general obligation bonds authorized pursuant to Proposition BB approved by voters on April 8, 1997 (the “Proposition BB Authorization”). From May 2003 to May 2010, the District issued the entire amount of \$3,350,000,000 general obligation bonds pursuant to Measure K approved by voters on November 5, 2002 (the “Measure K Authorization”). From September 2004 through October 2021, the District issued the entire amount of \$3,870,000,000 general obligation bonds pursuant to Measure R approved by voters on March 2, 2004 (the “Measure R Authorization”). From February 2006 through October 2021, the District issued the entire amount of \$3,985,000,000 general obligation bonds pursuant to Measure Y approved by voters on November 8, 2005 (the “Measure Y Authorization”).

A \$7,000,000,000 general obligation bond authorization was approved by voters on November 4, 2008 (the “Measure Q Authorization”). Prior to the issuance of the Bonds, the District has issued \$3,750,955,000 of aggregate principal amount of Measure Q general obligation bonds, leaving \$3,249,045,000 aggregate principal amount available under the Measure Q Authorization. A \$7,000,000,000 general obligation bond authorization was approved by the voters on November 3, 2020 (the “Measure RR Authorization”). Prior to the issuance of the Bonds, the District has issued \$700,000,000 aggregate principal amount of Measure RR general obligation bonds, leaving \$6,300,000,000 aggregate principal amount available under the Measure RR Authorization.

Pursuant to Section 1(b)(3) of Article XIII A of the State Constitution, Chapters 1 and 1.5 of Part 10 of Division 1 of Title 1 of the State Education Code, as amended, and other applicable law (collectively, the “Act”), the District Board has appointed the LAUSD School Construction Bond Citizens’ Oversight Committee (the “Citizens’ Bond Oversight Committee”). The Citizens’ Bond Oversight Committee is composed of 15 members representing numerous community groups and operates to inform the public concerning the spending of Measure K, Measure R, Measure Y, Measure Q, and Measure RR Authorization bond funds authorized by the Act. The Citizens’ Bond Oversight Committee regularly reviews the potential bond projects and budgets and provides non-binding advice to the District Board on how to allocate and reallocate scarce bond proceeds in order to ensure the completion of viable projects and to avoid non-completion of projects once commenced. The Citizens’ Bond Oversight Committee also informs the public concerning the spending of funds attributable to the Proposition BB Authorization, although Proposition BB was approved under statutes other than the Act. The Citizens’ Bond Oversight Committee meets monthly in order to review all matters including, among other things, changes in budget, scope and schedules that relate to the District’s general obligation bonds and the projects proposed to be funded therefrom. In addition, the Citizens’ Bond Oversight Committee makes recommendations to the District Board regarding such matters. See “CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS – Proposition 39” herein. The District’s Office of the Inspector General conducts audits on a selected number of the construction management firms on an annual basis to ensure that funds from the School Upgrade Program (SUP) and other legacy bond programs are spent in compliance with the Act and the District’s policies relating thereto. The District’s outside auditor, Simpson & Simpson, currently prepares the required bond audits regarding the expenditures of general obligation bond proceeds.

The members of the District's Citizens' Bond Oversight Committee and the community groups represented by such members are set forth in Table A-18 below.

TABLE A-18

[TO BE UPDATED FOLLOWING 2023 COPS] Certificates of Participation. As of [October 1, 2023], the District has outstanding lease obligations in the form of COPs in the aggregate principal amount of approximately \$[] million. The District estimates that the aggregate payment of principal and interest evidenced by COPs will be approximately \$[] million until the final maturity thereof. The District's lease obligations are not subject to acceleration in the event of a default thereof. The following Table A-25 sets forth the District's lease obligations paid from the District General Fund with respect to its outstanding COPs as of [October 1, 2023], and reflects the execution and delivery of the Los Angeles Unified School District Certificates of Participation, 2023 Series A (the "2023 Certificates") in the aggregate principal amount of \$[]. See " – Future Financings – Lease Financings" for more information.

TABLE A-25

LOS ANGELES UNIFIED SCHOOL DISTRICT
Certificates of Participation Lease Obligations Debt Service Schedule⁽¹⁾
(as of [October 1, 2023])
(\$ in thousands) [TO BE UPDATED FOLLOWING 2023 COPS]

Fiscal Year Ending (June 30)	Paid From General Fund⁽²⁾⁽³⁾
2024 ⁽⁴⁾	13,771
2025	13,770
2026	13,759
2027	13,759
2028	13,763
2029	13,752
2030	12,004
2031	12,002
2032	1,595
2033	1,590
2034	1,586
2035	<u>1,578</u>
Total⁽³⁾	<u>\$117,639</u>

⁽¹⁾ The lease payments reflect the net obligations of the District due to the defeasance of certain COPs.

⁽²⁾ The District expects to pay all or a portion of the final debt service payments evidenced by such series of COPs from funds on deposit in the related debt service reserve fund.

⁽³⁾ Total may not equal sum of component parts due to rounding.

(4) Only reflects remaining debt service for fiscal year ending June 30, 2024 as of [October 1, 2023]. Total debt service for fiscal year ending June 30, 2024 is \$[] million.

Limitations Related to Receipt of Federal Funds. On March 1, 2013, then-President Barack Obama signed an executive order (the “Sequestration Executive Order”) to reduce budgetary authority in certain accounts subject to sequester in accordance with the Budget Control Act of 2011 and the American Taxpayer Relief Act of 2012. Pursuant to the Sequestration Executive Order, budget authority for all accounts in the domestic mandatory spending category including, among others, accounts for the payments to issuers of “Direct Pay Bonds,” which includes the District’s outstanding Series KRY Bonds (2009) (Federally Taxable Build America Bonds) (the “Series KRY Bonds (2009)”) and Series RY Bonds (2010) (Federally Taxable Build America Bonds) (the “Series RY Bonds (2010)”) and Series J (Qualified School Construction Bonds) (the “Series J Bonds”). Direct Pay Bonds are issued as taxable bonds and provide credits to the District from the federal government pursuant to Section 54AA(d) and 54AA(g) of the Code.

Pursuant to the Bipartisan Budget Act of 2013, enacted in December 2013, the District’s Direct Pay Bonds are subject to the full amount of sequestration budget cuts and will have their planned federal payments reduced until the federal fiscal year ending September 30, 2023. The federal subsidy for the Direct Pay Bonds for the federal fiscal year ended September 30, 2023 was reduced by 5.7%, and the U.S. Treasury Department has announced a decrease in subsidy amounts by 5.7% through federal fiscal year ending 2030. During the federal fiscal year ended September 30, 2023, the sequester resulted in a reduction in the aggregate amount of approximately \$[4.2] million with respect to the refundable credits for the Series KRY Bonds (2009), Series RY Bonds (2010) and Series J Bonds.

Congress can terminate, extend or otherwise modify reductions in federal subsidy payments on Direct Pay Bonds due to sequestration at any time. The Consolidated Appropriations Act of 2023, enacted in December 2022, prevented the sequestration provisions from being triggered in January 2023, and such provisions are not expected to be triggered in January 2024 based on existing legislation, but such provisions are expected to be triggered in January 2025 absent further legislation. Accordingly, the District cannot predict what action, if any, that Congress may take with respect to the federal subsidy and its impact on the District’s Direct Pay Bonds in future federal fiscal years. However, the District’s Series KRY Bonds (2009), Series RY Bonds (2010), and Series J Bonds are payable from and secured by *ad valorem* property taxes which are to be assessed in amounts sufficient to pay principal of and interest on the Series KRY Bonds (2009), Series RY Bonds (2010), and Series J Bonds when due. The County has levied and will continue to levy *ad valorem* property taxes in an amount sufficient to pay principal of and interest on the Series KRY Bonds (2009), Series RY Bonds (2010), and Series J Bonds when due regardless of the amount of federal subsidy.

Future Financings

General Obligation Bonds. The District may not issue general obligation bonds without voter approval and may not issue general obligation bonds in an amount greater than its bonding capacity. The District may not issue general obligation bonds under the Measure Q Authorization, or the Measure RR Authorization, as applicable, if the tax rate levied to meet the debt service requirements under the related Authorization for general obligation bonds is projected to exceed \$60 per year per \$100,000 of taxable property in accordance with Article XIII A of the State Constitution. See “CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS – Article XIII A of the State Constitution” and “– Proposition 39” herein.

Pursuant to the Education Code, the District's bonding capacity for general obligation bonds may not exceed 2.5% of taxable property valuation in the District as shown by the last equalized assessment roll of the County. The taxable property valuation in the District for fiscal year 2023-24 is approximately \$[] billion, which results in a total current bonding capacity of approximately \$[] billion. The District's available capacity for the issuance of new general obligation bonds is approximately \$[] billion (taking into account current outstanding debt before the issuance of the Bonds). The fiscal year 2022-23 assessed valuation of property within the District's boundaries of approximately \$[] billion reflects an increase of []% from fiscal year 2022-23. See "SECURITY AND SOURCE OF PAYMENT FOR THE BONDS – Assessed Valuation of Property Within the District" in the forefront of this Official Statement and "CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS – Article XIII A of the State Constitution" herein.

Prior to the issuance of the Bonds, the District has \$3,249,045,000 authorized and unissued general obligation bond authorization remaining under the Measure Q Authorization. Prior to the issuance of the Bonds, the District has \$6,300,000,000 authorized and unissued general obligation bond authorization remaining under the Measure RR Authorization. The District may issue additional general obligation bonds or general obligation refunding bonds in the future depending upon project needs and market conditions.

As provided in the text of each of the ballots of Proposition BB, Measure K, Measure R, Measure Y, Measure Q, and Measure RR the District Board does not guarantee that the respective bonds authorized and issued under the Proposition BB, Measure K, Measure R, Measure Y, Measure Q, and Measure RR Authorizations will provide sufficient funds to allow completion of all potential projects listed in connection with said measures.

Lease Financings. The District may finance capital projects through the execution and delivery of certificates of participation or other obligations secured by general fund lease payments from time to time. See "– District Financial Policies and Related Practices – *Debt Management Policy*" herein. For more information on the 2023 Certificates, see "District Debt – Certificates of Participation" above.

Tax and Revenue Anticipation Notes. The District did not issue tax and revenue anticipation notes in fiscal year 2022-23 [and does not expect to issue tax and revenue anticipation notes in fiscal year 2023-24]. However, the District may issue tax and revenue anticipation notes in future fiscal years depending on State and federal funding.

CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS

Constitutionally Required Funding of Education

The State Constitution requires that from all State revenues there shall first be set apart the moneys to be applied by the State for the support of the public school system and public institutions of higher education. California school districts receive a significant portion of their funding from State appropriations. As a result, decreases as well as increases in State revenues can significantly affect appropriations made by the State Legislature to school districts.

Article XIII A of the State Constitution

On June 6, 1978, California voters approved Proposition 13 ("Proposition 13"), which added Article XIII A to the State Constitution ("Article XIII A"). On June 3, 1986, California voters approved

Proposition 46 (“Proposition 46”) which amended Article XIII A to permit local governments and school districts to increase the *ad valorem* property tax rate above 1% if two-thirds of those voting in a local election approve the issuance of such bonds and the proceeds of such bonds are used to acquire or improve real property. See “SECURITY AND SOURCE OF PAYMENT FOR THE BONDS – California Constitutional and Statutory Provisions Relating to *Ad Valorem* Property Taxes – Article XIII A of the California Constitution” in the forepart of this Official Statement.

The provisions of Article XIII A were subsequently modified pursuant to Proposition 39, which was approved by California voters on November 7, 2000. See “– Proposition 39” below. Article XIII A defines full cash value to mean “the county assessor’s valuation of real property as shown on the 1975-76 tax bill under “full cash value,” or thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment.” The full cash value may be adjusted annually to reflect inflation at a rate not to exceed 2% per year, or a reduction in the consumer price index or comparable local data at a rate not to exceed 2% per year or reduced in the event of declining property value caused by substantial damage, destruction or other factors including a general economic downturn. Subsequent amendments further limit the amount of any *ad valorem* tax on real property to 1% of the full cash value except that additional taxes may be levied to pay debt service on bonded indebtedness approved by the requisite percentage of voters voting on the proposition.

Legislation Implementing Article XIII A

Legislation has been enacted and amended a number of times since 1978 to implement Article XIII A. Under current law, local agencies are no longer permitted to levy directly any *ad valorem* property tax (except to pay voter-approved indebtedness). The 1% *ad valorem* property tax is automatically levied by the County and distributed according to a formula among taxing agencies. The formula apportions the tax roughly in proportion to the relative shares of taxes levied prior to 1989.

Increases of assessed valuation resulting from reappraisals of property due to new construction, change in ownership or from the up to 2% annual inflationary adjustment of the 1% tax base are allocated among the various jurisdictions in the “taxing area” based upon their respective “situs.” Any such allocation made to a local agency continues as part of its allocation in future years. Separate *ad valorem* property taxes to pay voter approved indebtedness such as general obligation bonds are levied by the County on behalf of the local agencies. Article XIII A effectively prohibits the levying of any other *ad valorem* property tax above the Proposition 13 limit except for taxes to support such indebtedness.

The full cash value of taxable property under Article XIII A represents the maximum taxable value for property. Accordingly, the fair market value for a given property may not be the equivalent of the full cash value under Article XIII A. During periods in which the real estate market within the District evidences an upward trend, the fair market value for a given property, which has not been reappraised due to a change in ownership, may exceed the full cash value of such property. During periods in which the real estate market demonstrates a downward trend, the fair market value of a given property may be less than the full cash value of such property and the property owner may apply for a “decline in value” reassessment pursuant to Proposition 8. Reassessments pursuant to Proposition 8, if approved by the Office of the County Assessor, lower valuations of properties (where no change in ownership has occurred) if the current value of such property is lower than the full cash value of record of the property. See “SECURITY AND SOURCE OF PAYMENT FOR THE BONDS – Assessed Valuation of Property Within the District” in the forepart of this Official Statement. The value of a property reassessed as a result of a decline in value may change, but in no case may its full cash value exceed its fair market value. When and if the fair market value of a property which has received a downward reassessment pursuant to Proposition 8 increases above its Proposition 13 factored base year value, the Office of the County Assessor will enroll such property at its Proposition 13 factored base year value.

Article XIII B of the State Constitution

An initiative to amend the State Constitution entitled “Limitation of Government Appropriations” was approved on September 6, 1979 thereby adding Article XIII B to the State Constitution (“Article XIII B”). In June 1990, Article XIII B was amended by the voters through their approval of Proposition 111. Under Article XIII B, the State and each local governmental entity have an annual “appropriations limit” and are not permitted to spend certain moneys that are called “appropriations subject to limitation” (consisting of tax revenues, State subventions and certain other funds) in an amount higher than the appropriations limit. Article XIII B does not affect the appropriations of moneys that are excluded from the definition of “appropriations subject to limitation,” including debt service on indebtedness existing or authorized as of January 1, 1979, or bonded indebtedness subsequently approved by the voters. In general terms, the appropriations limit is to be based on certain 1978-79 expenditures and is to be adjusted annually to reflect changes in costs of living and changes in population, and adjusted where applicable for transfer of financial responsibility of providing services to or from another unit of government. Among other provisions of Article XIII B, if these entities’ revenues in any year exceed the amounts permitted to be spent, the excess would have to be returned by revising tax rates or fee schedules over the subsequent two years. However, in the event that a school district’s revenues exceed its spending limit, the district may, in any fiscal year, increase its appropriations limit to equal its spending by borrowing appropriations limit from the State, provided the State has sufficient excess appropriations limit in such year. See “STATE FUNDING OF SCHOOL DISTRICTS” herein.

[TO BE UPDATED WHEN 2023-24 STATE BUDGET AVAILABLE] [The 2023-24 State Budget projects that the State will be below its appropriations limit (also referred to as the Gann Limit) for fiscal year 2023-24, based in part on statutory changes enacted as part of the 2023-24 State Budget that more accurately account for selected expenditures under both State and local limits and revised the level of excluded spending. For more information on the Gann Limit under the 2023-24 State Budget, see “STATE FUNDING OF SCHOOL DISTRICTS – State Budget Act – 2023-24 State Budget” herein.]

The District Board adopted the annual appropriation limit for fiscal year 2023-24 of approximately \$[] billion. The limitation applies only to proceeds of taxes and therefore does not apply to service fees and charges, investment earnings on non-proceeds of taxes, fines, and revenue from the sale of property and taxes received from the State and federal governments that are tied to special programs. For fiscal year 2022-23, the appropriations subject to limitation totaled approximately \$[] billion.

Article XIII C and Article XIII D of the State Constitution

On November 5, 1996, the voters of the State of California approved Proposition 218, popularly known as the “Right to Vote on Taxes Act.” Proposition 218 added to the California Constitution Articles XIII C and XIII D (respectively, “Article XIII C” and “Article XIII D”), which contain a number of provisions affecting the ability of local agencies, including community college districts, to levy and collect both existing and future taxes, assessments, fees and charges.

According to the “Title and Summary” of Proposition 218 prepared by the California Attorney General, Proposition 218 limits “the authority of local governments to impose taxes and property-related assessments, fees and charges.” Among other things, Article XIII C establishes that every tax is either a “general tax” (imposed for general governmental purposes) or a “special tax” (imposed for specific purposes), prohibits special purpose government agencies such as community college districts from levying general taxes, and prohibits any local agency from imposing, extending or increasing any special tax beyond its maximum authorized rate without a two-thirds percent vote; and also provides that the initiative power will not be limited in matters of reducing or repealing local taxes, assessments, fees and

charges. Article XIIC further provides that no tax may be assessed on property other than *ad valorem* property taxes imposed in accordance with Articles XIII and XIII A of the California Constitution and special taxes approved by a two-thirds percent vote under Article XIII A, Section 4.

On November 2, 2010, Proposition 26 was approved by State voters, which amended Article XIIC to expand the definition of “tax” to include “any levy, charge, or exaction of any kind imposed by a local government” except the following: (1) a charge imposed for a specific benefit conferred or privilege granted directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of conferring the benefit or granting the privilege; (2) a charge imposed for a specific government service or product provided directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of providing the service or product; (3) a charge imposed for the reasonable regulatory costs to a local government for issuing licenses and permits, performing investigations, inspections, and audits, enforcing agricultural marketing orders, and the administrative enforcement and adjudication thereof; (4) a charge imposed for entrance to or use of local government property, or the purchase, rental, or lease of local government property; (5) a fine, penalty, or other monetary charge imposed by the judicial branch of government or a local government, as a result of a violation of law; (6) a charge imposed as a condition of property development; and (7) assessments and property-related fees imposed in accordance with the provisions of Article XIID. Proposition 26 provides that the local government bears the burden of proving by a preponderance of the evidence that a levy, charge, or other exaction is not a tax, that the amount is no more than necessary to cover the reasonable costs of the governmental activity, and that the manner in which those costs are allocated to a payor bear a fair or reasonable relationship to the payor’s burdens on, or benefits received from, the governmental activity.

Article XIID deals with assessments and property-related fees and charges. Article XIID explicitly provides that nothing in Article XIIC or XIID shall be construed to affect existing laws relating to the imposition of fees or charges as a condition of property development; however, it is not clear whether the initiative power is therefore unavailable to repeal or reduce developer and mitigation fees imposed by the District. Proposition 218 does not affect the *ad valorem* property taxes to be levied to pay debt service on the Bonds.

Proposition 98

On November 8, 1988, State voters approved Proposition 98, a combined initiative, constitutional amendment and statute called the “Classroom Instructional Improvement and Accountability Act” (the “Accountability Act”). The Accountability Act changed State funding of public education below the university level, and the operation of the State’s Appropriations Limit, primarily by guaranteeing State funding for K-12 school districts and community college districts (collectively, “K-14 districts”).

Under Proposition 98 (as modified by Proposition 111, which was enacted on June 5, 1990), K-14 districts are guaranteed the greater of (i) in general, a fixed percent of the State general fund’s revenues (“Test 1”), (ii) the amount appropriated to K-14 districts in the prior year, adjusted for changes in the cost of living (measured as in Article XIIB by reference to State per capita personal income) and enrollment (“Test 2”), or (iii) a third test, which would replace Test 2 in any year when the percentage growth in per capita State general fund revenues from the prior year plus 0.05% is less than the percentage growth in State per capita personal income (“Test 3”). Under Test 3, schools would receive the amount appropriated in the prior year adjusted for changes in enrollment and per capita State general fund revenues, plus an additional small adjustment factor. If Test 3 is used in any year, the difference between Test 3 and Test 2 would become a “credit” to schools which would be the basis of payments in future years when per capita State general fund revenue growth exceeds per capita personal income growth. Legislation adopted prior to the end of fiscal year 1988-89 that implemented Proposition 98, determined the K-14 districts’ funding

guarantee under Test 1 to be 40.3% of the State general fund tax revenues, based on 1986-87 appropriations. However, that percentage has been adjusted to 34.559% to account for a subsequent redirection of local property taxes whereby a greater proportion of education funding now comes from local property taxes.

Proposition 98 permits the State Legislature, by a two-thirds vote of both houses of the State Legislature and with the Governor's concurrence, to suspend the K-14 districts' minimum funding formula for a one-year period. In the fall of 1989, the State Legislature and the Governor utilized this provision to avoid having 40.3% of revenues generated by a special supplemental sales tax enacted for earthquake relief go to K-14 districts. In the fall of 2004, the State Legislature and the Governor agreed to suspend the K-14 districts' minimum funding formula set forth pursuant to Proposition 98 in order to address a projected shortfall during fiscal year 2004-05. Proposition 98 also contains provisions transferring certain State tax revenues in excess of the Article XIII B limit to K-14 districts.

[TO BE UPDATED WHEN 2023-24 STATE BUDGET AVAILABLE] [The 2023-24 State Budget projects increased Proposition 98 funding, resulting in funding estimates of \$[] billion in fiscal year 2021-22, \$[] billion in fiscal year 2022-23, and \$[] billion in fiscal year 2023-24 due to a significant increase in projected revenues for fiscal years 2021-22 through 2023-24. Such funding represents a historically high three-year increase in the minimum guarantee of roughly \$[] billion over the level funded in the fiscal year 2022-23 State budget. Per-pupil funding is at the highest levels for school districts in California's history, totaling \$[] per pupil in Proposition 98 funding and \$[] per pupil when accounting for all funding sources. For more information on the Proposition 98 funding under the 2023-24 State Budget, see "STATE FUNDING OF SCHOOL DISTRICTS – State Budget Act –2023-24 State Budget" herein.]

Proposition 39

Proposition 39, which was approved by California voters in November 2000 ("Proposition 39"), provides an alternative method for passage of school facilities bond measures by lowering the constitutional voting requirement from two-thirds to 55% of voters and allows property taxes to exceed the current 1% limit in order to repay such bonds. The lower 55% vote requirement would apply only to bond issues to be used for construction, rehabilitation, or equipping of school facilities or the acquisition of real property for school facilities. The State Legislature enacted additional legislation which placed certain limitations on this lowered threshold, requiring that (i) two-thirds of the governing board of a school district approve placing a bond issue on the ballot, (ii) the bond proposal be included on the ballot of a Statewide or primary election, a regularly scheduled local election, or a Statewide special election (rather than a school district election held at any time during the year), (iii) the tax rate levied as a result of any single election not exceed \$25 for a community college district, \$60 for a unified school district, or \$30 for an elementary school or high school district per \$100,000 of taxable property value, and (iv) the governing board of the school district appoint a citizen's oversight committee to inform the public concerning the spending of the bond proceeds. In addition, the school board of the applicable district is required to perform an annual, independent financial and performance audit until all bond funds have been spent to ensure that the funds have been used only for the projects listed in the measure. The District's Measure K, Measure R, Measure Y, Measure Q, and Measure RR bond programs were authorized pursuant to Proposition 39. See "DISTRICT FINANCIAL INFORMATION – District Debt – *General Obligation Bonds*" herein. The District is in full compliance with all Proposition 39 requirements.

Proposition 1A

Proposition 1A, which was approved by California voters in November 2004 (“Proposition 1A”), provides that the State may not reduce any local sales tax rate, limit existing local government authority to levy a sales tax rate or change the allocation of local sales tax revenues, subject to certain exceptions. Proposition 1A generally prohibits the State from shifting to schools or community colleges any share of property tax revenues allocated to local governments for any fiscal year, as set forth under the laws in effect as of November 3, 2004. Any change in the allocation of property tax revenues among local governments within a county must be approved by two-thirds of both houses of the Legislature. Proposition 1A provided, however, that beginning in fiscal year 2008-09, the State could shift to schools and community colleges up to 8% of local government property tax revenues, which amount must be repaid, with interest, within three years, if the Governor proclaims that the shift is needed due to a severe state financial hardship, the shift is approved by two-thirds of both houses of the State Legislature and certain other conditions are met. The State may also approve voluntary exchanges of local sales tax and property tax revenues among local governments within a county. Proposition 1A also provides that if the State reduces the vehicle license fee rate below 0.65% of vehicle value, the State must provide local governments with equal replacement revenues. Further, Proposition 1A requires the State, beginning July 1, 2005, to suspend State mandates affecting cities, counties and special districts, excepting mandates relating to employee rights, schools or community colleges, in any year that the State does not fully reimburse local governments for their costs to comply with such mandates. The State’s ability to initiate future exchanges and shifts of funds will be limited by Proposition 22. See “– Proposition 22” below.

Proposition 22

Proposition 22, which was approved by California voters in November 2010, prohibits the State, even during a period of severe fiscal hardship, from delaying the distribution of tax revenues for transportation, redevelopment, or local government projects and services and prohibits fuel tax revenues from being loaned for cash-flow or budget balancing purposes to the State general fund or any other State fund. Due to the prohibition with respect to State’s ability to take, reallocate, and borrow money raised by local governments for local purposes, Proposition 22 supersedes certain provisions of Proposition 1A of 2004. See “– Proposition 1A” herein. In addition, Proposition 22 generally eliminated the State’s authority to temporarily shift property taxes from cities, counties, and special districts to schools, temporarily increased school and community college district’s share of property tax revenues, prohibited the State from borrowing or redirecting redevelopment property tax revenues or requiring increased pass-through payments thereof, and prohibited the State from reallocating vehicle license fee revenues to pay for State-imposed mandates. In addition, Proposition 22 requires a two-thirds vote of each house of the State Legislature and a public hearing process to be conducted in order to change the amount of fuel excise tax revenues shared with cities and counties. The LAO stated that Proposition 22 would prohibit the State from enacting new laws that require redevelopment agencies to shift funds to schools or other agencies. However, the California Supreme Court, in *California Redevelopment Association v. Matosantos*, held that the dissolution provisions set forth in Assembly Bill No. 26 of the First Extraordinary Session (2011) were constitutional and permitted the State to allocate revenues that would have been directed to the redevelopment agencies to make pass-through payments (*i.e.*, payments that such entities would have received under prior law) to local agencies and to successor agencies for retirement of the debts and certain administrative costs of the redevelopment agencies.

Proposition 22 prohibits the State from borrowing sales taxes or excise taxes on motor vehicle fuels or changing the allocations of those taxes among local government except pursuant to specified procedures involving public notices and hearings. In addition, Proposition 22 requires that the State apply the formula setting forth the allocation of State fuel tax revenues to local agencies revert to the formula in effect on June 30, 2009. The LAO stated that Proposition 22 would require the State to adopt alternative

actions to address its fiscal and policy objectives, particularly with respect to short-term cash flow needs. The District does not believe that the adoption of Proposition 22 will have a significant impact on their respective revenues and expenditures.

Proposition 30

Proposition 30, which was approved by voters in the State in November 2012 (“Proposition 30”) authorized the State to temporarily increase the maximum marginal personal income tax rates for individuals, heads of households and joint filers above 9.3% by creating three additional tax brackets of 10.3%, 11.3% and 12.3%. The tax increases set forth in Proposition 30 were in effect from tax year 2012 to tax year 2018. In addition, Proposition 30 temporarily increased the State’s sales and use tax rate by 0.25% from 2013 to 2016.

Pursuant to Proposition 30, the State included revenues from the temporary tax increases in the general fund calculation of the Proposition 98 minimum guarantee for education spending. The State deposited a portion of the new general fund revenues into an Education Protection Account established to support funding for schools and community colleges. The remainder of the new general fund revenues was available to help the State balance its budget through fiscal year 2017-18. However, the allocation of such revenues to particular programs was subject to the discretion of the Governor and the State Legislature.

In addition, Proposition 30 amended the State Constitution to address certain provisions relating to the realignment of State program responsibilities to local governments. Proposition 30 required the State to continue to provide tax revenues that were redirected in calendar year 2011 (or equivalent funds) to local governments to pay for transferred program responsibilities. Further, Proposition 30 permanently excluded sales tax revenues that are redirected to local governments from the calculation of the Proposition 98 minimum guarantee for schools and community colleges.

The Proposition 30 sales and use tax increases expired at the end of the 2016 tax year. Under Proposition 30, the personal income tax increases were set to expire at the end of the 2018 tax year. However, the voters approved on November 8, 2016 the California Tax Extension to Fund Education and Healthcare Initiative (“Proposition 55”), which extended by twelve years the temporary personal income tax increases on incomes over \$250,000 that was first enacted by Proposition 30. Revenues from the tax increase will be allocated to school districts and community colleges in the State.

Proposition 2

General. Proposition 2, which included certain constitutional amendments to the State Rainy Day Fund and, upon its approval, triggered the implementation of certain provisions which could limit the amount of reserves that may be maintained by a school district, was approved by the voters in the November 2014 election.

State Rainy Day Fund. The Proposition 2 constitutional amendments related to the State Rainy Day Fund (i) require deposits into the State Rainy Day Fund whenever capital gains revenues rise to more than 8% of general fund tax revenues; (ii) set the maximum size of the State Rainy Day Fund at 10% of general fund revenues; (iii) for the next 15 years, require half of each year’s deposit to be used for supplemental payments to pay down the budgetary debts or other long-term liabilities and, thereafter, require at least half of each year’s deposit to be saved and the remainder used for supplemental debt payments or savings; (iv) allow the withdrawal of funds only for a disaster or if spending remains at or below the highest level of spending from the past three years; (v) require the State to provide a multiyear budget forecast; and (vi) create a Proposition 98 reserve (the “Public School System Stabilization

Account”) to set aside funds in good years to minimize future cuts and smooth school spending. The State may deposit amounts into such account only after it has paid all amounts owing to school districts relating to the Proposition 98 maintenance factor for fiscal years prior to fiscal year 2014-15. The State, in addition, may not transfer funds to the Public School System Stabilization Account unless the State is in a Test 1 year under Proposition 98 or in any year in which a maintenance factor is created. For more information on limitations on school district reserves [and the District’s commitment of funds in fiscal year 2023-24], see “STATE FUNDING OF SCHOOL DISTRICTS – Limitations on School District Reserves.”

SB 858. Senate Bill 858 (“SB 858”) became effective upon the passage of Proposition 2. SB 858 includes provisions which could limit the amount of reserves that may be maintained by a school district in certain circumstances. Under SB 858, in any fiscal year immediately following a fiscal year in which the State has made a transfer into the Public School System Stabilization Account, any adopted or revised budget by a school district would need to contain a combined unassigned and assigned ending fund balance that (a) for school districts with an ADA of less than 400,000, is not more than two times the amount of the reserve for economic uncertainties mandated by the Education Code, or (b) for school districts with an ADA that is more than 400,000, is not more than three times the amount of the reserve for economic uncertainties mandated by the Education Code. In certain cases, the county superintendent of schools may grant a school district a waiver from this limitation on reserves for up to two consecutive years within a three-year period if there are certain extraordinary fiscal circumstances.

SB 751. Senate Bill 751 (“SB 751”), enacted on October 11, 2017, alters the reserve requirements imposed by SB 858. Under SB 751, in a fiscal year immediately after a fiscal year in which the amount of moneys in the Public School System Stabilization Account is equal to or exceeds 3% of the combined total general fund revenues appropriated for school districts and allocated local proceeds of taxes for that fiscal year, a school district budget that is adopted or revised cannot have an assigned or unassigned ending fund balance that exceeds 10% of those funds. SB 751 excludes from the requirements of those provisions basic aid school districts (also known as community funded districts) and small school districts having fewer than 2,501 units of average daily attendance.

[The District, which has an ADA between 30,001 and 400,000 students, is required to maintain a reserve for economic uncertainty in an amount equal to 2.00% of its general fund expenditures and other financing uses. The District’s assigned and unassigned ending General Fund balance for fiscal year 2023-24 does not exceed 10% of the total General Fund expenditures and other financing uses. Thus, the District complies with the limitations on reserves. For more information on limitations on school district reserves and the District’s commitment of funds in fiscal year 2023-24, see “STATE FUNDING OF SCHOOL DISTRICTS – Limitations on School District Reserves.”]

The Bonds are payable from *ad valorem* taxes to be levied within the District pursuant to the California Constitution and other State law. Accordingly, the District does not expect SB 858 or SB 751 to adversely affect its ability to pay the principal of and interest on the Bonds as and when due.

State School Facilities Bonds

General. The District applies for apportionments from State bond initiatives and historically has received funding from such State bond initiatives. No assurances can be given that the District will continue to apply for apportionments from current or future State bond initiatives or that the District will continue to receive funding from State bond initiatives for which it applies.

Proposition 47. The Class Size Reduction Kindergarten – University Public Education Facilities Bond Act of 2002 appeared on the November 5, 2002 ballot as Proposition 47 (“Proposition 47”) and was

approved by State voters. Proposition 47 authorized the sale and issuance of \$13.05 billion in general obligation bonds by the State to fund construction and renovation of K-12 school facilities (\$11.4 billion) and higher education facilities (\$1.65 billion). Proposition 47 includes \$6.35 billion for acquisition of land and new construction of K-12 school facilities. Of this amount, \$2.9 billion is set aside to fund backlog projects for which school districts submitted applications to the State on or prior to February 1, 2002. The balance of \$3.45 billion would be used to fund projects for which school districts submitted applications to the State after February 1, 2002. To be eligible for bond proceeds under Proposition 47, K-12 school districts are required to pay 50% of the costs for land acquisition and new construction with local revenues. In addition, Proposition 47 provided that up to \$100 million of the \$3.45 billion would be allocated for charter school facilities. Proposition 47 provides up to \$3.3 billion for reconstruction or modernization of existing K-12 school facilities. Of this amount, \$1.9 billion will be set aside to fund backlog projects for which school districts submitted applications to the State on or prior to February 1, 2002 and the balance of \$1.4 billion would be used to fund projects for which school districts submitted applications to the State after February 1, 2002. K-12 school districts will be required to pay 40% of the costs for reconstruction or modernization with local revenues. Proposition 47 provides a total of \$1.7 billion to K-12 school districts which are considered critically overcrowded, specifically to schools that have a large number of pupils relative to the size of the school site. In addition, \$50 million will be available to fund joint-use projects. Proposition 47 also includes \$1.65 billion to construct new buildings and related infrastructure, alter existing buildings and purchase equipment for use in the State's public higher education systems. As of [October 1, 2023], the District has received approximately \$[] million in funds attributable to Proposition 47.

Proposition 55 (2004). The Kindergarten-University Public Education Facilities Bond Act of 2004 appeared on the March 2, 2004 ballot as Proposition 55 ("Proposition 55 (2004)") and was approved by State voters. Proposition 55 (2004) authorizes the sale and issuance of \$12.3 billion in general obligation bonds by the State to fund construction and renovation of public K-12 school facilities (\$10 billion) and public higher education facilities (\$2.3 billion). Proposition 55 (2004) includes \$5.26 billion for the acquisition of land and construction of new school buildings. Under Proposition 55 (2004), a school district is required to provide a 50% matching share for new construction or a 60% matching share for modernization projects with local resources unless it qualifies for state hardship funding. Proposition 55 (2004) also allocates up to \$300 million of new construction funds for charter school facilities.

Proposition 55 (2004) makes \$2.25 billion available for the reconstruction or modernization of existing public school facilities. School districts would be required to pay 40% of project costs from local resources. Proposition 55 (2004) directs a total of \$2.44 billion to school districts with schools which are considered critically overcrowded. These funds would go to schools that have a large number of pupils relative to the size of the school site. Proposition 55 (2004) also makes a total of \$50 million available to fund joint-use projects. Proposition 55 (2004) includes \$2.3 billion to construct new buildings and related infrastructure, alter existing buildings and purchase equipment for use in these buildings for the State's public higher education systems. The measure allocates \$690 million to the University of California and California State University and \$920 million to community colleges in the State. The Governor and the State Legislature select specific projects to be funded by the bond proceeds. As of [October 1, 2023], the District has received approximately \$[] billion in funds attributable to Proposition 55 (2004).

Proposition 1D. The Kindergarten-University Public Education Facilities Bond Act of 2006 was approved by State voters at the November 7, 2006 ballot as Proposition 1D ("Proposition 1D"). Proposition 1D authorizes the sale and issuance of \$10.4 billion in general obligation bonds by the State to fund construction and renovation of public K-12 school facilities (\$7.3 billion) and public higher education facilities (\$3.1 billion). Proceeds of bonds issued by the State under Proposition 1D are required to be deposited in the 2006 State School Facilities Fund established in the State Treasury under

the Greene Act and allocated by the State Allocation Board. Proposition 1D includes \$1.9 billion for land acquisition and construction of new school buildings. Under Proposition 1D, a school district is required to pay for 50% of costs with local resources unless it qualifies for state hardship funding. Proposition 1D also allocates \$500 million for charter school facilities.

Proposition 1D makes \$3.3 billion available for the reconstruction or modernization of existing public school facilities. Districts would be required to pay 40% of project costs from local resources. Proposition 1D directs a total of \$1.0 billion to school districts with schools that are considered critically overcrowded. These funds would go to schools that have a large number of pupils relative to the size of the school site. Proposition 1D also makes a total of \$29 million available to fund joint-use projects. Proposition 1D includes \$3.1 billion to construct new buildings and related infrastructure, alter existing buildings and purchase equipment for use in these buildings for the State's public higher education systems. Pursuant to Proposition 1D, the Governor and the State Legislature select specific projects to be funded by the bond proceeds. As of [October 1, 2023], the District has received approximately \$[] million in funds attributable to Proposition 1D.

Proposition 51. The Kindergarten Through Community College Public Education Facilities Bond Act of 2016 was approved by State voters at the November 8, 2016 ballot as Proposition 51 ("Proposition 51"). Proposition 51 authorizes the sale and issuance of \$9 billion in general obligation bonds by the State to fund new construction of school facilities (\$3 billion), school facilities for charter schools (\$500 million), modernization of school facilities (\$3 billion), facilities for career technical education programs (\$500 million), and acquisition, construction, renovation, and equipping of community college facilities (\$2 billion). Proceeds of bonds issued by the State for K-12 under Proposition 51 are required to be deposited in the 2016 State School Facilities Fund established in the State Treasury under the Greene Act and allocated by the State Allocation Board. As of [October 1, 2023], the District has received approximately \$[] million in funds attributable to Proposition 51.

Future Initiatives

The foregoing described amendments to the State Constitution and propositions were each adopted as measures that qualified for the ballot pursuant to the State's initiative process. From time to time, other initiative measures could be adopted that further affect District revenues or the District's ability to expend revenues.

REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION

The District is located in the City of Los Angeles and portions of the County of Los Angeles. The following economic and demographic information pertains to the City of Los Angeles (the “City”) and the County of Los Angeles (the “County”). The historical data and results presented in the tables that follow may differ materially from future results as a result of economic or other factors.

The Bonds are general obligations of the District secured by and payable from *ad valorem* property taxes levied within the District. The Bonds are not general obligations of the City or the County.

Population

The following Table A-26 sets forth the estimates of the population of the City, the County and the State in calendar years 2019 through 2023.

TABLE A-26

POPULATION ESTIMATES 2019 through 2023

Year (as of January 1)	City of Los Angeles	County of Los Angeles	State of California
2019	3,986,031	10,163,139	39,605,361
2020	3,975,234	10,135,614	39,648,938
2021	3,853,323	9,931,338	39,303,157

GLOSSARY OF CERTAIN TERMS AND ABBREVIATIONS

The following are definitions and abbreviations of certain terms used in this Appendix A.

“AALA” means the Associated Administrators of Los Angeles, which represents the middle managers in the District.

“ADA” means average daily attendance, a measure of pupil attendance used as the basis for providing revenue to school districts and as a measure of unit costs. ADA includes only in-seat attendance.

“CAFR” means comprehensive annual financial report.

“CalPERS” means the California Public Employees’ Retirement System, a defined benefit plan which covers classified personnel who work four or more hours per day.

“CalSTRS” means the California State Teachers’ Retirement System, a defined benefit plan which covers all full-time certificated and some classified District employees.

“CARES Act” means Coronavirus Aid, Relief and Economic Security Act.

“CDE” means the California Department of Education.

“COLA” means cost-of-living adjustments, which is used in determining the District’s funding from the State.

“Common Core” means Common Core State Standards.

“COPS” means certificates of participation.

“COVID-19” means Coronavirus Disease 2019.

“CSEA” means California School Employees Association.

“EL” means English learners, a classification for students.

“FRPM” means free or reduced-price meal.

“GASB” means the Governmental Accounting Standards Board, an operating entity of the Financial Accounting Foundation establish to set standards of financial accounting and reporting for state and local governmental entities.

“ISMP” means the Information Security Management Program.

“LACOE” means the Los Angeles County Office of Education.

“LAO” means the Legislative Analyst’s Office of the State of California.

“LASPA” means the Los Angeles Sheriff’s Professional Association.

“LASPMA” means the Los Angeles School Police Management Association.

“LCAP” means the Local Control and Accountability Plan.

“LCFF” means the Local Control Funding Formula.

“LEA” means local education agency as defined under the NCLB Act.

“LI” means students classified as foster youth.

“OCIP” means owner controlled insurance program.

“OPEB” means Other Post-Employment Benefits.

“PARS” means the Public Agency Retirement System, a defined contribution plan which covers the District’s part-time, seasonal, temporary and other employees not otherwise covered by CalPERS or CalSTRS, but whose salaries would otherwise be subject to Social Security tax.

“PEPIP” means the Public Entity Property Insurance Program, an insurance pool comprised of certain cities, counties and school districts.

“PEPRA” means the California Public Employees’ Pension Reform Act of 2013.

“PERB” means the Public Employee Relations Board.

“PLL” means pollution legal liability.

“SEIU” means Service Employees International Union.

“SUP” means School Upgrade Program.

“UAAL” means unfunded actuarial accrued liability.

“UTLA” means the United Teachers Los Angeles, which is the collective bargaining unit representing teachers and support service personnel of the District.

APPENDIX B

**AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT
FOR FISCAL YEAR ENDED JUNE 30, 2022**

APPENDIX C

BOOK-ENTRY ONLY SYSTEM

THE INFORMATION IN THIS APPENDIX C CONCERNING THE DEPOSITORY TRUST COMPANY AND ITS BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THE DISTRICT AND THE UNDERWRITERS BELIEVE TO BE RELIABLE, BUT THE DISTRICT AND THE UNDERWRITERS TAKE NO RESPONSIBILITY FOR THE ACCURACY OR COMPLETENESS THEREOF. THERE CAN BE NO ASSURANCE THAT THE DEPOSITORY TRUST COMPANY WILL ABIDE BY ITS PROCEDURES OR THAT SUCH PROCEDURES WILL NOT BE CHANGED FROM TIME TO TIME.

The Depository Trust Company (“DTC”) will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered security certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world’s largest security depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com. Information on these websites is not incorporated herein by reference.

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each security (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of the Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds are to be redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and other payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or the District subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and other payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor depository is not obtained, security certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, certificates will be printed and delivered to DTC and the requirements of the Resolution with respect to certificated Bonds will apply.

THE DISTRICT, THE COUNTY, THE PAYING AGENT, THE MUNICIPAL ADVISOR, AND THE UNDERWRITERS CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE BONDS (1) PAYMENTS OF PRINCIPAL OF AND INTEREST ON THE BONDS (2) CONFIRMATIONS OF THEIR OWNERSHIP INTERESTS IN THE BONDS OR (III) OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS PARTNERSHIP NOMINEE, AS THE REGISTERED OWNER OF THE BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT.

NEITHER THE DISTRICT, THE COUNTY, THE PAYING AGENT, THE MUNICIPAL ADVISOR, NOR THE UNDERWRITERS WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO DTC, THE DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS OF DTC OR THE BENEFICIAL OWNERS WITH RESPECT TO (1) THE ACCURACY OR COMPLETENESS OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC, (2) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OF OR INTEREST ON THE BONDS, (3) THE DELIVERY BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC OF ANY NOTICE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED TO BE GIVEN TO OWNERS UNDER THE TERMS OF THE RESOLUTION, OR (4) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS OWNER OF THE BONDS.

APPENDIX D**PROPOSED FORM OF OPINION OF BOND COUNSEL**

Upon issuance of the Bonds, Hawkins Delafield & Wood LLP, Los Angeles, California, Bond Counsel to the Los Angeles Unified School District, will render its approving opinion with respect to the Bonds in substantially the following form:

APPENDIX E
FORM OF CONTINUING DISCLOSURE CERTIFICATE

APPENDIX F

THE LOS ANGELES COUNTY TREASURY POOL

The Treasurer and Tax Collector of the County of Los Angeles (the “Treasurer”) manages, in accordance with California Government Code Section 53600 et seq., funds deposited with the Treasurer by County school and community college districts, various special districts and some cities. State law generally requires that all moneys of the County, school districts and certain special districts be held in the County’s Treasury Pool (the “Treasury Pool”) as described below. The composition and value of investments under management in the Treasury Pool vary from time to time, depending on the cash flow needs of the County and the other public agencies invested in the Treasury Pool, the maturity or sale of investments, purchase of new securities and fluctuations in interest rates generally. Additionally, the Treasurer, with the consent of the Board of Supervisors of the County of Los Angeles (the “County”), may change the County investment policy at any time. Therefore, there can be no assurance that the values of the various investments in the Treasury Pool will not vary significantly from the values described herein. Neither the District, the Municipal Advisor nor the Underwriters make any representation as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof, or that the information contained herein is correct as of any time subsequent to its date. The Treasurer maintains a website, the address of which is <https://ttc.lacounty.gov/monthly-reports/>, on which the Treasurer periodically places information relating to the Treasury Pool. However, the information presented there is not part of this Official Statement, is not incorporated by reference herein and should not be relied upon in making an investment decision with respect to the Bonds.

The County of Los Angeles Pooled Surplus Investments

The Treasurer and Tax Collector (the “Treasurer”) of the County of Los Angeles (the “County”) has the delegated authority to invest funds on deposit in the County Treasury (the “Treasury Pool”). As of [_____], 2023, investments in the Treasury Pool were held for local agencies including school districts, community college districts, special districts and discretionary depositors such as cities and independent districts in the following amounts:

Local Agency	Invested Funds (in billions)
County of Los Angeles and Special Districts	
Schools and Community Colleges	
Discretionary Participants	
Total	

The Treasury Pool participation composition is as follows:

Non-discretionary Participants	
Discretionary Participants:	
Independent Public Agencies	
County Bond Proceeds and Repayment Funds	
Total	

Decisions on the investment of funds in the Treasury Pool are made by the County Investment Officer in accordance with established policy, with certain transactions requiring the Treasurer’s prior approval. In Los Angeles County, investment decisions are governed by Chapter 4 (commencing with Section 53600) of Part 1 of Division 2 of Title 5 of the California Government Code, which governs legal

investments by local agencies in the State of California, and by a more restrictive Investment Policy developed by the Treasurer and adopted by the Los Angeles County Board of Supervisors on an annual basis. The Investment Policy adopted on March 1, 20[22], reaffirmed the following criteria and order of priority for selecting investments:

1. Safety of Principal
2. Liquidity
3. Return on Investment

The Treasurer prepares a monthly Report of Investments (the “Investment Report”) summarizing the status of the Treasury Pool, including the current market value of all investments. This report is submitted monthly to the Board of Supervisors. According to the Investment Report dated [____], 2023, the [____], 2023 book value of the Treasury Pool was approximately \$[____] billion, and the corresponding market value was approximately \$[____] billion.

An internal controls system for monitoring cash accounting and investment practices is in place. The Treasurer’s Compliance Auditor, who operates independently from the Investment Officer, reconciles cash and investments to fund balances daily. The Compliance Auditor’s staff also reviews each investment trade for accuracy and compliance with the Board adopted Investment Policy. On a quarterly basis, the County’s outside independent auditor (the “External Auditor”) reviews the cash and investment reconciliations for completeness and accuracy. Additionally, the External Auditor reviews investment transactions on a quarterly basis for conformance with the approved Investment Policy and annually accounts for all investments.

The following table identifies the types of securities held by the Treasury Pool as of [____], 2023:

Type of Investment	% of Pool
Certificates of Deposit	
U.S. Government and Agency Obligations	
Bank Acceptances	
Commercial Paper	
Municipal Obligations	
Corporate Notes & Deposit Notes	
Repurchase Agreements	
Asset Backed Instruments	
Other	
	100.00%

The Treasury Pool is highly liquid. As of [____], 2023, approximately [____]% of the investments mature within 60 days, with an average of [____] days to maturity for the entire portfolio.
