PUBLIC HEARING

Adoption of Los Angeles Unified School District Affiliated Charter Schools' 2023 Local Control and Accountability Plans (LCAP) and Presentation of the 2023 State Accountability Dashboard Local Indicators for Affiliated Charters BR-304-22/23 (046-22/23)

Board of Education Report

File #: Rep-304-22/23, Version: 1

Adoption of LAUSD Affiliated Charter Schools' 2023 Local Control and Accountability Plans and Presentation of the 2023 State Accountability Dashboard Local Indicators for Affiliated Charters

June 13, 2023 (PUBLIC HEARING)

June 20, 2023 (ADOPTION)

Office of the Chief Strategy Officer

Action Proposed:

Adopt the Affiliated Charter Schools' 2023 Local Control and Accountability Plans.

Background:

Each affiliated charter school is its own local education agency, so each must complete a separate written LCAP. These LCAPs must be adopted at the same meeting at which the Board of Education adopts the budget for 2023-2024. The 2023-24 LCAP provides available Year 1 and Year 2 Outcomes for LCAP metrics established in the adopted 2022 LCAP and includes annual updates on the implementation of LCAP actions in 2022-23. The LCAPs also include separate Action Tables in addition to the Budget Overviews for Parents. These materials must all be combined and posted on each affiliated charter school's website.

As part of the District's supports for our 51 Affiliated Charter schools, the District LCAP team provides training, guidance and ongoing direct support in the development of these LCAPs, including office hours, work group sessions and one-on-one consultations to ensure compliance and alignment to the District LCAP.

Expected Outcomes:

Approval of these LCAPs will allow district affiliated charter schools to meet the state-mandated requirement.

Board Options and Consequences:

A "yes" vote will result in the affiliated charter schools meeting their state-mandated requirement to approve the LCAP.

A "no" vote will result in the affiliated charter schools not meeting their state-mandated requirement to approve the LCAP.

Policy Implications:

This action does not change District policies.

Budget Impact:

Approval of these Affiliated LCAPs is necessary to approve their budgets. Existing staff and resources will support posting the LCAP to the District and Affiliated Charter Schools websites.

Student Impact:

This proposed action shares the affiliated charters' engagement, planning and budgeting to meet student needs in 2023-24.

Equity Impact:

Component	Score	Score Rationale
Recognition	4	The Affiliated Charter LCAPs describes how the District's Affiliated Charters will leverage both District funds and school discretionary funds to implement programs and policies to support all students, as well as how these schools will increase or improve services for English learners, students in foster care, and low-income students. This year's LCAPs have been aligned to the 2022-26 Strategic Plan Pillars: Academic Excellence, Joy and Wellness, Engagement and Collaboration, Operational Effectiveness and Investing in Staff.
Resource Prioritization	4	As stated above, the affiliated charter LCAPs describes how the Affiliated Charters will allocate resources in 2023-24 to support the LCFF target student populations: low-income students, English Learners, and students in foster care.
Results	4	The LCAPs allocate and annually monitor the use of funds to meet student needs and close equity gaps to improve student equity across all student groups by eliminating opportunity gaps and increasing student achievement.
TOTAL	12	

Issues and Analysis:

The LCAPs describe how the District will implement programs and policies to support all students in the LCFF state priority areas, as well as how the District will leverage supplemental and concentration funds to increase or improve services for English learners, students in foster care, and low-income students. Over the course of the 2022-23 school year, the LCAP was realigned to reflect 2022-26 Strategic Plan Pillars, strategies, and targets.

The LCAPs include all state Local Control Funding Formula (LCFF) funds, but do not reflect any other local, state, and federal sources of funding. The 2023 LCAPs also address a requirement first implemented through state mandate in 2022 to calculate and report carryover of unspent supplemental and concentration funds to support future increased or improved services. This carryover calculation only reflects funds that are under the school's discretion, and which carry over within these schools' budgets.
