Expected Outcomes:

Board Options and Consequences:

Specifically in regard to disciplinary action, a no vote may nullify the disciplinary action due to legal time constraints. A no vote impacts the timeliness of processing personnel actions for classified and certificated employees regarding their assignment, salary/rate, transfer, and new appointment and may be in conflict with procedural rights and benefits afforded them under applicable Education Code provisions, Personnel Commission Rules, District Policy, and respective Collective Bargaining Agreements (UTLA, AALA, Teamsters, Los Angeles School Police Sergeants and Lieutenants Association). Employees have procedural rights that are based on their status (permanent or probationary) associated with the specific personnel action being submitted and the respective rights available to them in accordance with the above. Additionally, based on Personnel Commission Rules, permanent classified employees have rights to appeals.
