PROFESSIONAL EXPERIENCE

Program Manager, Los Angeles Neighborhood Initiative

2023- Current. Manage community engagement and construction for neighborhood-driven projects in Los Angeles County. Currently overseeing a park in South LA and a cultural gateway project in Koreatown.

VOLUNTEER COMMUNITY ORGANIZER EXPERIENCE

Green Schoolyards Lead Organizer

2021-Current. Founded parent advocacy group, Angelenos For Green Schools, to build momentum for green schoolyards in Los Angeles County as a way to resolve inequitable access to parks, tree density, and air quality. Strategically built relationships with various Living Schoolyard Coalition stakeholders to coordinate parent and student activism. Using research and analyzed data, designed a website to raise awareness: AngelenosForGreenSchools.com

Miyawaki Mini Forest Lead Organizer

2021-Current. Founded a group of environmental activists in Los Angeles to plant Miyawaki Mini Forest, a reforestation method to accelerate native tree growth. Presented to numerous local elected officials, nonprofit entities, and Recreation and Parks to find a location. Secured funding through Sugi Projects and partnered with local Gabrieleño Band of Mission Indians - Kizh Nation to advise on biodiversity and Indigenous knowledge. Various sites are being considered from city to state parks. Two elementary schools, San Pascual STEAM Magnet and California Creative Learning Academy have committed to use the mini forests in their weekly science lessons.

Co-Director New Programs, Booster Club

2021-Current. In charge of creating new programs at Mt. Washington Elementary School. We are in the process of starting a lunchtime composting program to be in compliance with SB1383.

Loose Parts Recess Lead Organizer

2018-Current. After completing a 12-part course in Adventure Playwork, founded a Loose Parts Recess program at Mt. Washington Elementary School. Developed, planned, and coordinated with the Principal and kindergarten teachers to implement the program. Organized and trained a 5-day-a-week volunteer workforce and raised \$2,500 from the booster club to cover materials. In spring 2022, will train Beyond The Bell staff to integrate Loose Parts into the after-school program at Mt. Washington Elementary.

Political Organizer

2018-2020. Mobilized volunteers to call, write, and canvas thousands of voters to help flip the House & Senate blue and elect President Joe Biden.

Cleland Park Redesign Lead Community Organizer

2018. Initiated community interest in the redesign of Cleland Park, a park in the Mt. Washington neighborhood, after widespread discontent regarding off-leash dog use and deteriorating playground equipment. Mobilized community support to encourage Gil Cedillo's office and Rec and Parks to accelerate the timeline of the project and allow community input in the design. Worked closely with the city landscape architect to design the playground and choose fence location separating field and play area. Commissioned banner to welcome neighbors and articulate leash rules.
