Approval of Community Advisory Committee (CAC) Membership

October 17, 2023

Office of Student, Family and Community Engagement

Action Proposed:

Approve those persons included in Attachment A for a term of membership on the Community Advisory Committee (CAC) retroactive to July 1, 2023, and alternates to serve on the CAC for the 2023-2024 school year.

Background:

Vacancies for membership on the CAC were advertised on KLCS, during informational sessions, through text messages and emails sent to parents or guardians of students with an IEP. Membership vacancies were also advertised via flyers and announcements during CAC meetings; on the Office of Student, Family, and Community Engagement webpage; at Region LCAP and ELAC Study Group meetings; at Region Parent and Family Center staff monthly trainings; through the Division of Special Education; and at Town Hall meetings, workshops, and events. Current CAC members recruited applicants by word-of-mouth. Additionally, the application window was shared through the Division of Instruction newsletter and sent directly to each Board of Education staff via email. The Office of Student, Family, and Community Engagement received 72 applications between February 16, 2023, and March 31, 2023. These applications were screened for eligibility and vacancy within the applied category. The proposed names are submitted for appointment to the CAC, having been scored using a blind review process.

The CAC serves in an advisory capacity to the Board of Education and the Division of Special Education on the Special Education Local Plan Area (SELPA) Local Plan.

The California Education Code, Section 56190-56193, requires each SELPA to establish a CAC to fulfill specific responsibilities. In addition, it requires that the members of the CAC be appointed by the Board of Education using selection procedures described in the SELPA Local Plan. CAC members serve a term of two years, which is staggered to ensure that no more than one half of the membership serves the first year of the term in any one year.

The CAC must be composed of the following: parents of individuals with exceptional needs enrolled in public or private schools (must serve as committee majority), parents of other students enrolled in school, students and adults with disabilities, regular education teachers, special education teachers, and other school personnel, representatives of other public and private agencies, and people concerned with the needs of individuals with exceptional needs.

The committee bylaws also state that “CAC members must live, work, attend, or be the parent/guardian of a student attending a school within the LAUSD SELPA.” According to the California Education Code, Section 56194, the CAC has the authority and fulfills the responsibilities defined in the local plan as described below:

The responsibilities shall include, but need not be limited to, all the following:

- a. Advising the policy and administrative entity of the special education local plan area regarding the development, amendment, and review of the local plan. The entity shall review and consider comments from the community advisory committee.
- b. Recommending annual priorities to be addressed by the plan.
- c. Assisting in parent education and in recruiting parents and other volunteers who may contribute to the implementation of the plan.
- d. Encouraging community involvement in the development and review of the local plan.
- e. Supporting activities on behalf of individuals with exceptional needs.
- f. Assisting in parent awareness of the importance of regular school attendance.
- g. Supporting community involvement in the parent advisory committee established pursuant to Section 52063 to encourage the inclusion of parents of individuals with exceptional needs to the extent these pupils also fall within one or more of the definitions in Section 42238.01”.

The Office of Student, Family and Community Engagement and the Division of Special Education are requesting a motion by the Los Angeles Unified School District Board of Education to appoint members to the CAC, a state-mandated committee established to advise the Board of Education and the Division of Special Education on the SELPA Local Plan.

The individuals in Attachment A applied for membership and received the highest scores. They are recommended to be new representatives of the CAC for a two-year term or as alternates for a one-year term.

Expected Outcomes:

Approval by the Board of Education of those persons whose names have been submitted for CAC membership will enable the CAC to remain compliant within the guidelines established in the California Education Code, Sections 56190-56194.

Board Options and Consequences:

Approving the requested membership will enable the CAC to continue fulfilling the responsibilities as defined in the California Education Code, Section 56194, and in the SELPA Local Plan for service retroactive to July 1, 2023. If not approved, the District will be out of compliance with state requirements, and sanctions may be issued.

Policy Implications:

This action supports the Board’s initiative to enhance parent engagement and is aligned to the Strategic Plan Pillar 3: Engagement and Collaboration. There are no changes to the existing policies of the District through this action.
