## Board of Education Report

---

**File #:** Rep-158-23/24, **Version:** 1

---

### **Approval of Facilities Contracts Actions**

**April 9, 2024**

### **Procurement Services Division - Facilities Contracts**

#### **Action Proposed:**

Ratify the Procurement Services Division (PSD) contract actions taken by Facilities Contracts under delegated authority as listed in Attachment “A” including: award of advertised construction contracts; award of job order contracts; approval of change orders; completion of contracts; award of informal contracts; award of architectural and engineering contracts; award of professional/technical services amendment; award of professional services contract; extra services/amendments for architectural and engineering contracts and approve the proposed contracts listed in Attachment B including construction schedule reviews and/or time impact analysis contracts, and Local Hazard Mitigation Plan services contract.

#### **Background:**

Facilities Contracts staff prepares monthly reports for contract actions necessary for the execution of projects approved by the Board and contained in the FSD Strategic Execution Plan (SEP), and for the maintenance and operation of District facilities in accordance with District policies and Board-delegated authority. As described in the November 12, 2013, Board Report #048-13/14 Informative, detailed information is provided on the Facilities Services website.

#### **Expected Outcomes:**

Approval of these items will allow services provided by these contracts to proceed in support of FSD projects, District policies and goals, and the Board-approved FSD-SEP.

#### **Board Options and Consequences:**

The Board can approve all actions presented or postpone selected actions pending receipt of additional information. Non-ratification of actions awarded under delegated authority in Attachment “A” will result in the immediate discontinuance of services. While non-ratification may be legally defensible, it will likely result in costly litigation over discontinued payments or if the District attempts to reclaim payments made to a vendor. District costs will likely increase as fewer contractors compete for future procurements.

#### **Policy Implications:**

This action does not change District policy and conforms to California Education Code section 17604 that permits the Board of Education to delegate authority for Facilities Contracts (Board Report #444-17/18), which the Board exercised on May 08, 2018.

#### **Budget Impact:**

The contract actions presented are within the budget authority previously approved by the Board. Unless indicated otherwise, all contract actions are Bond funded.

---

**File #:** Rep-158-23/24, **Version:** 1

---

**Student Impact:**

The contract actions will help ensure that the students are provided with safe and healthy environments, and up to-date facilities that promote learning.

**Equity Impact:**

Not Applicable.

**Issues and Analysis:**

There are no policy implications on these agreements.

Ratification of formally competed best value contract selected from nine (9) bids received to construct and deliver an accessibility enhancement project at Carthay Elementary of Environmental Studies Magnet as authorized on December 7, 2021 ([Board Report No. 144-21/22](#)).

The project upgrades the following facilities to comply with the Americans with Disabilities Act (ADA) and improve program accessibility: doors/jambs, door hardware, thresholds, accessible paths of travel, signs, restrooms, drinking fountains, assistive listening devices, intercoms, concrete ramps, metal ramps, pieces of accessible furniture, railings, playground components, one new elevator with covered bridge, and one new stage lift. Pillar 4 of the Strategic Plan is supported by this action.

The contractor has worked with the District since 2003.

**Contract Term:** 03/04/24 through completion.

**Contract Value:** \$6,183,000

**Requester:**

Greg Garcia, Director, Facilities Project Execution  
Facilities Services Division

Ratification of design contract to provide architectural and engineering services for the synthetic track and natural turf football/soccer field upgrade project as authorized on June 20, 2023 ([Board Report No. 127-22/23](#)). The contract was procured via RFQ R-19012.

tBP/Architecture, Inc. will provide architectural and engineering services for site analysis/preliminary schematic design, design development, construction document, DSA backcheck, bidding/proposal and award, and construction and closeout for the synthetic track and natural turf football/soccer field upgrade project.

The project includes but is not limited to design and construction of a new synthetic running track, natural grass football/soccer field, and other associated upgrades, including landscape, hardscape, and infrastructure. Demolition and removal of the existing decomposed granite track and natural grass football/soccer field. Improvements to ensure compliance with local, state, and federal requirements including from the ADA, DSA, California Environmental Quality Act (CEQA), and Department of Toxic Substances Control (DTSC).

These services provide operational effectiveness and modernize infrastructure. Pillar 4 of the Strategic Plan is supported by this action.

**Contract Term:** 02/07/2024 through closeout.

Ratification of design contract to provide architectural and engineering services for the assessment and repair of exterior wall tile associated with a seismic modernization project at Foshay Learning Center as authorized on June 18, 2013 ([Board Report No. 317-12/13](#)). The contractor was procured via RFQ R-13019.

HMC Architects will provide architectural and engineering services for site investigation/preliminary planning, construction document, bid/proposal and award, construction administration and closeout for exterior wall tile repair and assessment.

Due to a tile installation issue that was later identified, an assessment by a forensic architect was undertaken that determined all tiles needed to be removed due to an installation error. The architect will draft the new design plan to have all the tiles replaced. An insurance claim has been opened against this incident.

These services provide operational effectiveness and modernize infrastructure. Pillar 4 of the Strategic Plan is supported by this action.
