Authorization of a Resolution of the Board of Education Approving the Sale and Issuance of Not-to-Exceed \$4.5 Billion of General Obligation Refunding Bonds and the Forms of the Documents Necessary for the Issuance of such Bonds

June 18, 2024

Office of the Chief Business Officer

Action Proposed:

Approve the attached Master Refunding Resolution for General Obligation Refunding Bonds (the “Master Refunding Resolution”) (Attachment A) in connection with the issuance of General Obligation Refunding Bonds (“GO Refunding Bonds”), which will:

- a) Authorize the issuance of not to exceed \$4.5 billion of GO Refunding Bonds;
- b) Approve the forms of documents necessary for the issuance of the GO Refunding Bonds, including an Official Statement, a Bond Purchase Agreement, a Continuing Disclosure Certificate, and Escrow Agreement (Attachments B - E);
- c) Authorize the sale of the GO Refunding Bonds by the negotiated method of sale in light of current market conditions, the District’s declining enrollment and budget uncertainty, the debt structuring flexibility afforded by this method, and the ability to include a retail order period and meaningful roles for underwriting firms of various sizes; and
- d) Approve and direct certain actions to be taken in connection with the issuance of the GO Refunding Bonds.

Background:

This Board Report seeks Board approval of the Master Refunding Resolution, which is a master resolution for the issuance of general obligation refunding bonds in an amount not-to-exceed \$4.5 billion through fiscal year 2024-25. The purpose of the Master Refunding Resolution is to enable the District to quickly take advantage of favorable market conditions if they arise, and to reduce tax-payers’ debt service costs through economic refundings. The District has periodically used this approach in the past to authorize its general obligation refunding bonds. The Master Refunding Resolution authorizes the Chief Business Officer, Deputy Chief Business Officer, Controller, and Director of Capital Planning and Budgeting to effect the issuance of the GO Refunding Bonds and carry out all necessary acts related to the transaction or transactions.

While the District typically issues refunding bonds on a tax-exempt basis, it is possible that either tax-exempt or taxable refunding structures may generate significant savings to justify an economic refunding. As a result, the Master Refunding Resolution provides the flexibility to issue the GO Refunding Bonds on either a tax-exempt or taxable basis if circumstances arise that favor one or the other structure. The Master Refunding Resolution also authorizes the forms of documents necessary to issue the GO Refunding Bonds.

Based on the District’s Debt Management Policy, the Master Refunding Resolution authorizes the sale of the GO Refunding Bonds through the negotiated method of sale in light of current market conditions, the District’s declining enrollment and budget uncertainty, the debt structuring flexibility, and the ability to include a retail order period and meaningful roles for underwriting firms of various sizes. If refunding opportunities arise, the

Chief Business Officer shall designate the underwriters and their roles as senior manager(s), co-senior manager(s), and co-managers, in accordance with the Debt Management Policy.

In compliance with Government Code Section 5852.1, the Board of Education has obtained from Public Resources Advisory Group, as the District's Municipal Advisor, the required costs of issuance estimates, and such estimates are disclosed in Exhibit A of the Master Refunding Resolution.

The GO Refunding Bonds are general obligation bonds of the District secured by and payable from *ad valorem* property taxes to be levied within the jurisdiction of the District pursuant to the California Constitution and State law.

Expected Outcomes:

Approval of the Master Refunding Resolution will enable the District to enter the market in an expedited manner to reduce the debt service costs on a portion of the District's outstanding general obligation bonds should market conditions support one or more refundings.

Board Options and Consequences:

Should the Board not approve this item, staff will not be authorized to proceed with the issuance of the GO Refunding Bonds which, subject to favorable market conditions, may generate taxpayer savings through a refunding.

Policy Implications:

This action is in compliance with the relevant criteria set forth in Article 1, Article 3 Section 3.02, and, Article 4 Sections 4.08 and 4.12 of the Debt Management Policy.

Budget Impact:

The proceeds of the GO Refunding Bonds will be placed into an escrow account and used to defease and call (prepay) the refunded bonds. Debt service savings from the GO Refunding Bonds will benefit the District's taxpayers through reduced *ad valorem*¹ property tax levies. There will be no impact on the District's General Fund.

Student Impact:

The issuance of GO Refunding Bonds will reduce the taxes needed to repay the debt service on the District's outstanding general obligation bonds and create more capacity to issue general obligation bonds in the future for new projects.

Equity Impact:

Component	Score	Score Rationale
Recognition	3	Debt service savings from the GO Refunding Bonds will benefit the District's taxpayers through reduced <i>ad valorem</i> property tax levies. Communities that have experienced historical inequities should benefit from reduced property taxes.
Resource Prioritization	4	Savings achieved through the refunding of outstanding bonds benefit the District and its taxpayers through reduced debt service and property tax levies, respectively. This relief allows resources that would otherwise be used to service debt and property taxes, to be used for student needs.

Component	Score	Score Rationale
Results	2	The refunding of bonds is done to achieve debt service savings and reduce <i>ad valorem</i> property taxes. It may result in closing achievement gaps by increasing disposable income in households located within communities that have experienced historical inequities, giving them the ability to allocate resources towards the education of their children (students).
TOTAL	9	

¹ *Ad valorem* refers to taxes levied on the assessed value of property by local government units including counties, municipalities, and school districts.

Issues and Analysis:

This Board Report seeks Board approval of a master resolution for general obligation refunding bonds in an amount not-to-exceed \$4.5 billion through the end of Fiscal Year 2024-25, based on the total amount of callable bonds outstanding.

Based on tax law limitations, \$403.1 million of outstanding general obligation bonds will be eligible for a tax-exempt current refunding starting in April 2025, subject to market conditions. The Master Refunding Resolution also enables the District to issue additional GO Refunding Bonds, if economic.

Los Angeles, California) 2017 General Obligation Refunding Bonds, Series A (Dedicated Unlimited Ad Valorem Property Tax Bonds),” “Los Angeles Unified School District (County of Los Angeles, California) 2019 General Obligation Refunding Bonds, Series A (Dedicated Unlimited Ad Valorem Property Tax Bonds),” “Los Angeles Unified School District (County of Los Angeles, California) 2020 General Obligation Refunding Bonds, Series A,” “Los Angeles Unified School District (County of Los Angeles, California) 2021 General Obligation Refunding Bonds, Series A,” “Los Angeles Unified School District (County of Los Angeles, California) 2021 General Obligation Refunding Bonds, Series B,” and “Los Angeles Unified School District (County of Los Angeles, California) 2024 General Obligation Refunding Bonds, Series A” have heretofore been issued and sold (collectively, the “Prior Refunding Bonds,” and together with the Proposition BB Prior Bonds, the Measure K Prior Bonds, the Measure R Prior Bonds, the Measure Y Prior Bonds, the Measure Q Prior Bonds and the Measure RR Prior Bonds, the “Prior Bonds,” and, each Series of Prior Bonds, individually, a “Series of Prior Bonds”); and

WHEREAS, pursuant to Articles 9 and 11 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code and other applicable law (the “Act”), the District is authorized to issue refunding bonds to refund all or a portion of one or more Series of Prior Bonds on a negotiated sale basis; and

WHEREAS, it is desirable that all or a portion of one or more Series of Prior Bonds be refunded (such refunded Prior Bonds being referred to herein as the “Refunded Bonds”); and

WHEREAS, in order to refund all or a portion of one or more Series of Prior Bonds, it is desirable that the District issue one or more series of refunding bonds to be designated the “Los Angeles Unified School District (County of Los Angeles, California) 20__ General Obligation Refunding Bonds, Series __,” with completed and/or such additional or other series designations as may be approved as herein provided (collectively, the “Refunding Bonds” and each series of Refunding Bonds, individually, a “Series of Refunding Bonds”), according to the terms and in the manner herein provided; and

WHEREAS, the District may desire to secure the timely payment of all or a portion of the principal of and interest on each Series of Refunding Bonds by obtaining a bond insurance policy with respect thereto, if such a policy is available and determined to be economically advantageous; and

WHEREAS, the moneys to redeem each Series of Prior Bonds to be refunded will be applied to such purpose pursuant to one or more Escrow Agreements by and between the District and the paying agent for such Series of Prior Bonds, as paying agent and as escrow bank (each such Escrow Agreement, in the form presented to this meeting, with such changes, insertions and omissions as are made pursuant to this Resolution, being referred to herein as an “Escrow Agreement”); and

WHEREAS, this Board of Education of the District (this “Board of Education”) deems it necessary and desirable to authorize the sale of each Series of Refunding Bonds by a negotiated sale pursuant to one or more Bond Purchase Agreements (each such Bond Purchase Agreement, in the form presented to this meeting, with such changes, insertions and omissions as are made pursuant to this Resolution, being referred to herein as a “Bond Purchase Agreement”) to be

entered into with one or more of the underwriters from the District's underwriter bench (each, an "Underwriter" and, collectively, the "Underwriters") as selected as herein provided; and

WHEREAS, in accordance with Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 (as amended, "Rule 15c2-12"), the District may execute and deliver one or more Continuing Disclosure Certificates (each such Continuing Disclosure Certificate, in the form presented to this meeting, with such changes, insertions and omissions as are made pursuant to this Resolution, being referred to herein as a "Continuing Disclosure Certificate"); and

WHEREAS, a form of the Preliminary Official Statement to be distributed in connection with a public offering of the initial Series of Refunding Bonds has been prepared (such Preliminary Official Statement, in the form presented to this meeting, with such changes, insertions and omissions as are made pursuant to this Resolution, being referred to herein as the "Preliminary Official Statement"); and

WHEREAS, Section 5852.1 of the California Government Code (the "Government Code") requires that the Board of Education obtain from an underwriter, financial advisor or private lender and disclose, prior to authorization of the issuance of bonds with a term of greater than 13 months, good faith estimates of the following information in a meeting open to the public: (a) the true interest cost of the bonds, (b) the sum of all fees and charges paid to third parties with respect to the bonds, (c) the amount of proceeds of the bonds expected to be received net of the fees and charges paid to third parties and any reserves or capitalized interest paid or funded with proceeds of the bonds, and (d) the sum total of all debt service payments on the bonds calculated to the final maturity of the bonds plus the fees and charges paid to third parties not paid with the proceeds of the bonds; and

WHEREAS, in compliance with Section 5852.1 of the Government Code, the Board of Education has obtained from Public Resources Advisory Group, as the District's municipal advisor (the "Municipal Advisor"), the information set forth in Exhibit B attached hereto; and

WHEREAS, the Los Angeles County Superintendent of Schools has jurisdiction over the District; and

WHEREAS, this Board of Education desires that the County of Los Angeles (the "County") levy and collect a tax on all taxable property within the District sufficient to provide for payment of each Series of Refunding Bonds, and intends by the adoption of this Resolution to notify the Board of Supervisors of the County (the "Board of Supervisors"), the Auditor-Controller of the County (together with any authorized deputy thereof, the "County Auditor-Controller"), the Treasurer and Tax Collector of the County (together with any authorized deputy thereof, the "County Treasurer") and other officials of the County that they should take such actions as shall be necessary to provide for the levy and collection of such a tax and payment of each Series of Refunding Bonds and such portion of each Series of Prior Bonds as shall remain outstanding following the issuance of the related Series of Refunding Bonds; and

WHEREAS, there have been prepared and submitted to this meeting forms of:

- (a) the Escrow Agreement;

- (b) the Bond Purchase Agreement;
- (c) the Continuing Disclosure Certificate; and
- (d) the Preliminary Official Statement; and

WHEREAS, the District desires to proceed to issue and sell, at one or more times, one or more Series of Refunding Bonds and to authorize the execution of such documents and the performance of such acts as may be necessary or desirable to effect the offering, sale and issuance of each such Series of Refunding Bonds; and

WHEREAS, all acts, conditions and things required by the Constitution and laws of the State of California (the "State") to exist, to have happened and to have been performed precedent to and in connection with the consummation of the actions authorized hereby do exist, have happened and have been performed in regular and due time, form and manner as required by law, and the District is now duly authorized and empowered, pursuant to each and every requirement of law, to consummate such actions for the purpose, in the manner and upon the terms herein provided;

NOW, THEREFORE, BE IT RESOLVED by this Board of Education of the Los Angeles Unified School District, County of Los Angeles, California, as follows:

Section 1. Recitals. All of the above recitals are true and correct and the Board of Education so finds and determines.

Section 2. Determination. This Board of Education hereby determines that prudent management of the fiscal affairs of the District requires that, subject to the provisions of Section 4 hereof, it authorize the District to issue one or more Series of Refunding Bonds under the provisions of the Act to refund all or a portion of one or more Series of Prior Bonds.

Section 3. Authorization and Designation of Refunding Bonds. Subject to the provisions of Section 4 hereof, the issuance from time to time of one or more Series of Refunding Bonds in the aggregate principal amount of not to exceed \$4,500,000,000 on the terms and conditions set forth, and subject to the limitations specified, herein, is hereby authorized and approved. Each Series of Refunding Bonds shall be dated, shall accrue interest at the rates, shall mature on the dates, and shall be as otherwise provided in the related Bond Purchase Agreement as the same shall be completed as provided in this Resolution.

Each Series of Refunding Bonds may be issued such that the interest on such Series of Refunding Bonds is Tax-Exempt or such that the interest on such Series of Refunding Bonds is not Tax-Exempt. The term "Tax-Exempt" means, with respect to interest on any obligations of a state or local government, that such interest is excluded from the gross income of the holders thereof for federal income tax purposes, whether or not such interest is includable as an item of tax preference or otherwise includable directly or indirectly for purposes of calculating other tax liabilities, including any alternative minimum tax or environmental tax under the Internal Revenue Code of 1986, as amended (the "Code"). The term "Taxable Bonds" means those Refunding Bonds the interest on which is not Tax-Exempt. The Board of Education hereby finds and determines that, pursuant to Section 5903 of the California Government Code, the interest payable on each

Series of Refunding Bonds issued as Taxable Bonds will be subject to federal income taxation under the Code in existence on the date of issuance of such Series of Refunding Bonds.

Section 4. Sale of Bonds. (a) This Board of Education, considering, among other factors, current volatile market conditions, debt structuring flexibility, the District's declining enrollment and budget uncertainty, the ability to include a retail order period to garner additional investor interest, and the ability to provide meaningful roles for underwriting firms of various sizes and consistent with the District's Debt Management Policy (the "Debt Management Policy"), deems it necessary and desirable to authorize, and hereby authorizes, the sale of each Series of Refunding Bonds by a negotiated sale pursuant to one or more Bond Purchase Agreements to be entered into with one or more Underwriters selected as herein provided; provided that Refunding Bonds may only be issued if the issuance of such Refunding Bonds conforms to the District's Debt Management Policy; and, provided further that (1) no Series of Refunding Bonds shall be authorized in a principal amount which, when combined with the principal amount of all Series of Refunding Bonds previously authorized and issued pursuant hereto, is in excess of \$4,500,000,000, (2) no Series of Refunding Bonds shall have a final maturity date later than the latest maturity date of the corresponding Refunded Bonds, (3) the interest rate on any Refunding Bond shall not be in excess of 8.00% per annum, (4) the true interest cost for each applicable Series of Refunding Bonds shall not be in excess of 6.00%, (5) the total net interest cost to maturity of each applicable Series of Refunding Bonds, plus the principal amount of such Series of Refunding Bonds, shall not be in excess of the total net interest cost to maturity of the applicable Refunded Bonds, plus the principal amount of such Refunded Bonds, and (6) the underwriters' compensation, as applicable, shall not exceed 1.0% of the principal amount of the corresponding Series of Refunding Bonds.

(b) In accordance with Section 5852.1 of the Government Code, good faith estimates of the following have been obtained from the Municipal Advisor and are set forth on Exhibit B attached hereto: (1) the true interest cost of the Refunding Bonds, (2) the sum of all fees and charges paid to third parties with respect to the Refunding Bonds, (3) the amount of proceeds of the Refunding Bonds expected to be received net of the fees and charges paid to third parties and any reserves or capitalized interest paid or funded with proceeds of the Refunding Bonds, and (4) the sum total of all debt service payments on the Refunding Bonds calculated to the final maturity of the Refunding Bonds plus the fees and charges paid to third parties not paid with the proceeds of the Refunding Bonds.

Section 5. Designated Costs of Issuing Refunding Bonds. The refunding of all or a portion of each Series of Prior Bonds is hereby approved. Each such refunding shall be accomplished by paying the principal of and interest on the applicable Refunded Bonds through and including the redemption date set forth in the applicable Escrow Agreement and redeeming or purchasing the applicable Refunded Bonds on the date set forth in the Escrow Agreement therefor and paying the purchase price or redemption price therefor, plus accrued interest thereon to the date of redemption. In accordance with Section 53553 of the Act, with respect to each Series of Refunding Bonds, this Board of Education hereby designates the following costs and expenses as the "designated costs of issuing the refunding bonds":

(i) all expenses incident to the calling, retiring, or paying of the applicable Refunded Bonds and incident to the issuance of such Series of Refunding Bonds, including the charges of any escrow agent or trustee in connection with the issuance of such Series of

Refunding Bonds or in connection with the redemption or retirement of such Refunded Bonds;

(ii) the interest upon such Refunded Bonds from the date of sale of such Series of Refunding Bonds to the date of payment of the Refunded Bonds or to the date upon which such Refunded Bonds will be paid pursuant to call; and

(iii) any premium necessary in the calling or retiring of such Refunded Bonds.

Section 6. Escrow Agreement; Tender Agreement. The form of the Escrow Agreement, submitted to and on file with the Executive Officer of this Board of Education, is hereby approved. The President of this Board of Education, and such other member of this Board of Education as the President may designate, the Chief Business Officer, the Deputy Chief Business Officer (the "Deputy Chief Business Officer"), the Controller of the District (the "Controller"), and the Director of Capital Planning and Budgeting (the "Director of Capital Planning and Budgeting"), and such other officer or employee of the District as the Chief Business Officer, the Deputy Chief Business Officer, the Controller, or the Director of Capital Planning and Budgeting may designate (the "Authorized Officers") are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, for and in the name of the District, to execute and deliver one or more Escrow Agreements in the form presented to this meeting, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the applicable Escrow Agreement by such Authorized Officer. In addition, any one of the Authorized Officers is hereby authorized from time to time to execute and deliver in the name of the District one or more tender agreements (each, a "Tender Agreement") with one or more owners of Refunded Bonds providing for the tender and purchase or exchange of Refunded Bonds, and to execute and deliver such other documents or certificates and to take such further actions as necessary to consummate such tender of Refunded Bonds, including the engagement of one or more broker-dealers, all as the Authorized Officers shall determine to be in the best interest of the District.

Section 7. Bond Purchase Agreement. The form of Bond Purchase Agreement, submitted to and on file with the Executive Officer of this Board of Education, is hereby approved. The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, for and in the name of the District, to execute and deliver one or more Bond Purchase Agreements in the form presented to this meeting, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the applicable Bond Purchase Agreement by such Authorized Officer; provided that the terms of the applicable Series of Refunding Bonds and the sale thereof shall conform in all respects with the limitations contained in this Resolution. The Underwriters shall be selected in accordance with the Debt Management Policy. In connection with each negotiated sale of Refunding Bonds, the Chief Business Officer is hereby further authorized to designate which Underwriters shall act as senior manager(s), co-senior manager(s) and co-manager(s) in accordance with the Debt Management Policy.

Section 8. Form of Bonds; Execution. (a) *Form of Refunding Bonds.* Each Series of Refunding Bonds shall be issued in fully registered form without coupons. The Refunding Bonds,

and the certificate of authentication and registration and the forms of assignment to appear on each of them, shall be in substantially the form attached hereto as Exhibit A, with necessary or appropriate variations, omissions and insertions as permitted or required by this Resolution.

(b) *Execution of Refunding Bonds.* The Refunding Bonds shall be signed by the manual or facsimile signature of the President of the Board of Education and countersigned by the manual or facsimile signature of the Executive Officer of the Board of Education (or the designee of either such respective officers if the President or the Executive Officer of the Board of Education are unavailable). The Refunding Bonds shall be authenticated by a manual signature of a duly authorized signatory of the Paying Agent (as defined herein).

(c) *Valid Authentication.* Only such of the Refunding Bonds as shall bear thereon a certificate of authentication and registration as described in subsection (a) of this Section, executed by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of authentication and registration shall be conclusive evidence that the Refunding Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

(d) *Identifying Number.* The Paying Agent shall assign each Refunding Bond authenticated and registered by it a distinctive letter, or number, or letter and number, and shall maintain a record thereof at its principal office, which record shall be available to the District and the County for inspection.

Section 9. Terms of Bonds. (a) *Date of Refunding Bonds.* Each Series of Refunding Bonds shall be dated the date of their delivery, or such other date as shall be set forth in the related Bond Purchase Agreement.

(b) *Denominations.* Each Series of Refunding Bonds shall be issued in denominations of \$5,000 principal amount and integral multiple thereof (or such other denominations as shall be designated in the related Bond Purchase Agreement).

(c) *Maturity.* Each Series of Refunding Bonds shall mature on the date or dates, in each of the years, in the principal amounts and in the aggregate principal amount as shall be set forth in the related Bond Purchase Agreement. No Refunding Bond shall mature later than the latest maturity date of the corresponding Refunded Bonds.

(d) *Interest.* Each Series of Refunding Bonds shall bear interest at an interest rate or rates not to exceed 8.00% per annum, payable on January 1 and July 1 of each year, commencing on the date set forth in the related Bond Purchase Agreement, or such other dates as may be set forth in the related Bond Purchase Agreement (each, an "Interest Payment Date"), computed on the basis of a 360-day year of twelve 30-day months. Each Refunding Bond shall bear interest from the Interest Payment Date for such Refunding Bond next preceding the date of authentication thereof, unless it is authenticated as of a date during the period from the 15th day of the calendar month immediately preceding such Interest Payment Date, whether or not such day is a business day, or such other date or dates as may be set forth in the related Bond Purchase Agreement (each, a "Record Date") to such Interest Payment Date, inclusive, in which event it shall bear interest from such Interest Payment Date, or unless it is authenticated on or before the Record Date

preceding the first Interest Payment Date for such Refunding Bond, in which event it shall bear interest from its dated date; provided, however, that if, at the time of authentication of any Refunding Bond, interest is in default on any outstanding Refunding Bonds of such Series, such Refunding Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment on the outstanding Refunding Bonds of such Series. If provided in the Bond Purchase Agreement, Refunding Bonds may have different interest rates for separately defined periods of the term thereof as set forth in such Bond Purchase Agreement.

Section 10. Payment of Bonds. (a) *Request for Tax Levy; Pledge of Revenues from Property Taxes and Amounts on Deposit in the Interest and Sinking Fund.* The money for the payment of principal of and interest on each Series of Refunding Bonds shall be raised by taxation upon all taxable property in the District and provision shall be made for the levy and collection of such taxes in the manner provided by law and for such payment out of the related interest and sinking fund of the District. The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of property taxes in each year sufficient to pay all principal of and interest coming due on each Series of Refunding Bonds in such year, and to pay from such taxes all amounts due on such Refunding Bonds. The Board of Supervisors, the County Auditor-Controller, the County Treasurer and other officials of the County are hereby requested to take and authorize such actions as may be necessary pursuant to law to provide for the levy and collection of a property tax on all taxable property of the District sufficient to provide for payment of all principal of and interest on each Series of Refunding Bonds as the same shall become due and payable, and to apply moneys in the District's related interest and sinking fund as necessary to the payment of such Series of Refunding Bonds, as provided herein, and to provide for the payment of any portion of any Series of Prior Bonds which are to remain outstanding pursuant to the authorizing resolution or paying agent agreement, as applicable, under which such bonds were issued. The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed to transmit a certified copy of this Resolution and the debt service schedule for each Series of Refunding Bonds to the Board of Supervisors, the County Auditor-Controller and the County Treasurer in sufficient time to permit the County to establish tax rates and necessary funds or accounts for each Series of Refunding Bonds, and the Board of Education hereby requests that the Board of Supervisors adopt a resolution to levy the appropriate taxes as herein provided.

The District hereby pledges, and grants a lien on and security interest in, all revenues from the property taxes collected from the levy by the Board of Supervisors with respect to each voter-approved bond measure of the District for payment of bonds issued under such measure of the District, and all amounts on deposit in any interest and sinking fund of the District related to such bond measure with respect to bonds of such measure for the payment of the principal or redemption price of and interest on such bonds. This pledge and grant applies to the Refunding Bonds and all previously issued and outstanding general obligation bonds and general obligation refunding bonds of the District. This pledge and grant shall be valid and binding from the date hereof for the benefit of the owners of such bonds and successors thereto. The property taxes and amounts held in each interest and sinking fund of the District shall be immediately subject to this pledge and grant, and this pledge and grant shall constitute a lien and security interest which shall immediately attach to the property taxes and amounts held in such interest and sinking fund of the District to secure the payment of such bonds and shall be effective, binding, and enforceable against the District, its

successors, creditors and all others irrespective of whether those parties have notice of the pledge or grant, and without the need of any physical delivery, recordation, filing, or further act.

This pledge and grant is an agreement between the District and the owners of each series of Refunding Bonds and of each issue of outstanding general obligation bonds and general obligation refunding bonds to provide security for each series of Refunding Bonds and all such other general obligation bonds and general obligation refunding bonds of the District in addition to any statutory lien that may exist, and each such issue of general obligation bonds and general obligation refunding bonds of the District are or were issued to finance or refinance, as applicable, one or more of the projects specified in the applicable voter-approved measure and not to finance the general purposes of the District. For the avoidance of doubt, in accordance with Section 15251 of the Education Code, such bonds are also automatically secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the applicable Measure.

(b) *Principal.* The principal of each Series of Refunding Bonds shall be payable in lawful money of the United States of America to the person whose name appears on the books for the registration and transfer of the Refunding Bonds maintained by the Paying Agent in accordance with Section 12(d) hereof (the “Registration Books”) as the registered Owner thereof (the “Owner”), upon the surrender thereof at the principal corporate trust office of the Paying Agent.

(c) *Interest; Record Date.* The interest on each Series of Refunding Bonds shall be payable on each Interest Payment Date in lawful money of the United States of America to the Owner thereof as of the Record Date preceding such Interest Payment Date, such interest to be paid by check or draft mailed on such Interest Payment Date (if a business day, or on the next business day if the Interest Payment Date does not fall on a business day) to such Owner at such Owner’s address as it appears on the Registration Books or at such address as the Owner may have filed with the Paying Agent for that purpose except that the payment shall be made by wire transfer of immediately available funds to any Owner of at least \$1,000,000 of outstanding Refunding Bonds of a Series who shall have requested in writing such method of payment of interest prior to the close of business on the Record Date immediately preceding any Interest Payment Date.

(d) *Interest and Sinking Fund.* The principal of and interest due on each Series of Refunding Bonds shall be paid from the related interest and sinking fund of the District as provided in Section 15146 of the California Education Code.

(e) *Obligation of the District.* No part of any fund or account of the County is pledged or obligated to the payment of the Refunding Bonds. The obligation for repayment of the Refunding Bonds is the sole obligation of the District.

(f) *Insurance.* The payment of principal of and interest on all or a portion of any Series of Refunding Bonds may be secured by a municipal bond insurance policy as shall be described in the related Bond Purchase Agreement. The related Bond Purchase Agreement may provide that no municipal bond insurance policy shall be obtained. The Authorized Officers are each hereby authorized to apply for, or cause to be applied for, municipal bond insurance for each Series of Refunding Bonds and to execute and deliver a contract or contracts in order to obtain such insurance if doing so puts such Series of Refunding Bonds (or portion thereof) and the marketing thereof on an economically advantageous basis and is deemed to be in the best interests

of the District, such determination to be conclusively evidenced by such Authorized Officer's execution and delivery of such contract.

Section 11. Redemption and Defeasance Provisions. (a) *Redemption.* Each Series of Refunding Bonds shall be subject to redemption at the option of the District on the dates and terms as shall be designated in the related Bond Purchase Agreement. The related Bond Purchase Agreement may provide that a Series of Refunding Bonds shall not be subject to optional redemption.

(b) *Selection.* If less than all of the Refunding Bonds of a series or subseries, if any, are subject to such redemption and are called for redemption, such Refunding Bonds shall be redeemed as directed by the District (or as otherwise set forth in the related Bond Purchase Agreement), and if less than all of the Refunding Bonds of any given maturity of a series or subseries are called for redemption, the portions of such Refunding Bonds of a given maturity to be redeemed shall be determined by lot in any manner deemed fair by the Paying Agent (or as otherwise set forth in the related Bond Purchase Agreement).

(c) *Mandatory Sinking Fund Redemption.* The Refunding Bonds of a series or subseries, if any, which are designated in the related Bond Purchase Agreement as term bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot or as otherwise directed by the District (or as otherwise set forth in the related Bond Purchase Agreement), from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in such Bond Purchase Agreement. Unless otherwise provided in the related Bond Purchase Agreement, the principal amount of each mandatory sinking fund payment of any maturity of a series or subseries shall be reduced proportionately or as otherwise directed by the District by the amount of any Refunding Bonds of that maturity and series or subseries redeemed in accordance with subsection (a) of this Section prior to the mandatory sinking fund payment date (or as otherwise set forth in the related Bond Purchase Agreement). The related Bond Purchase Agreement may provide that the Refunding Bonds of a series or subseries shall not be subject to mandatory sinking fund redemption.

(d) *Notice of Redemption.* Notice of any redemption of the Refunding Bonds of a series or subseries shall be mailed by the Paying Agent, postage prepaid, not less than 20 nor more than 60 days prior to the redemption date (i) by first class mail to the respective Owners thereof at the addresses appearing on the Registration Books, and (ii) as may be further required in accordance with the applicable Continuing Disclosure Certificate.

Each notice of redemption shall state (i) the date of such notice; (ii) the name of the series or subseries of Refunding Bonds and the date of issue of such series or subseries of Refunding Bonds; (iii) the redemption date; (iv) the redemption price; (v) the dates of maturity or maturities of Refunding Bonds to be redeemed; (vi) if less than all of the Refunding Bonds of any maturity of a series or subseries are to be redeemed, the distinctive numbers of the Refunding Bonds of each maturity of such series or subseries to be redeemed; (vii) in the case of Refunding Bonds of a series or subseries redeemed in part only, the respective portions of the principal amount of the Refunding Bonds of each maturity of such series or subseries to be redeemed; (viii) the CUSIP number, if any, of each maturity of Refunding Bonds to be redeemed; (ix) a statement that such Refunding Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying

Agent, or at such other place or places designated by the Paying Agent; (x) notice that further interest on such Refunding Bonds will not accrue after the designated redemption date; and (xi) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

(e) *Effect of Notice.* A certificate of the Paying Agent that notice of redemption has been given to Owners as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption as provided in this Section, nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Refunding Bonds called for redemption or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Refunding Bonds called for redemption is set aside for the purpose as described in subsection (g) of this Section, the Refunding Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Refunding Bonds at the place specified in the notice of redemption, such Refunding Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Refunding Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the related interest and sinking fund or the trust fund established for such purpose. All Refunding Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(f) *Right to Rescind Notice.* The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Refunding Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the related interest and sinking fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of and premium, if any, and interest due on the Refunding Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Refunding Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(g) *Funds for Redemption.* Prior to or on the redemption date of any Refunding Bonds there shall be available in the related interest and sinking fund of the District, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as in this Resolution provided, the Refunding Bonds designated in the notice of redemption. Such monies shall be applied on or after the redemption date solely for payment of principal of and premium, if any, and interest due on the Refunding Bonds to be redeemed upon presentation and surrender of such Refunding Bonds, provided that all monies in the related interest and sinking fund of the District shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the related interest and sinking fund of the District, unless otherwise provided to be paid from such monies held in trust. If, after all of the Refunding Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the related interest and sinking fund of the District or otherwise held

in trust for the payment of redemption price of the Refunding Bonds, the monies shall be held in or returned or transferred to any interest and sinking fund of the District for payment of any outstanding bonds of the District payable from such fund; provided, however, that if the monies are part of the proceeds of bonds of the District, the monies shall be transferred to the fund created for the payment of principal of and interest on such bonds. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(h) *Defeasance of Refunding Bonds.* If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all of the outstanding Refunding Bonds of a Series all or any part of the principal of and premium, if any, and interest on such Refunding Bonds at the times and in the manner provided herein and in such Refunding Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners of such Refunding Bonds shall cease to be entitled to the obligation of the District as provided in Section 10 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under such Refunding Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal of and premium, if any, and interest on such Refunding Bonds, but only out of monies on deposit in the related interest and sinking fund of the District or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (i) of this Section shall apply in all events.

For purposes of this Section, the District may pay and discharge any or all of the Refunding Bonds of a Series by depositing in trust with the Paying Agent or an escrow agent, selected by the District, at or before maturity, money and/or Defeasance Securities, in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the related interest and sinking fund of the District, be fully sufficient to pay and discharge the indebtedness on such Refunding Bonds (including all principal and interest) at or before their respective maturity dates.

The term “Defeasance Securities” means (a) non-callable direct and general obligations of the United States of America (including state and local government series), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including (in the case of direct and general obligations of the United States of America) evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations; provided that investments in such proportionate interests must be limited to circumstances wherein (i) a bank or trust company acts as custodian and holds the underlying United States obligations; (ii) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (iii) the underlying United States obligations are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; (b) non-callable obligations of government sponsored agencies that are rated in one of the two highest rating categories assigned by S&P (defined herein) or Moody’s (defined herein) but are not guaranteed by a pledge of the full faith and credit of the United States of America; and (c) Advance Refunded Municipal Securities.

The term “Advance Refunded Municipal Securities” means any bonds or other obligations of any state of the United States of America or of any agency, instrumentality or local government unit of any such state (a) which are not callable prior to maturity or as to which irrevocable instructions have been given to the trustee, fiscal agent or other fiduciary for such bonds or other obligations by the obligor to give due notice of redemption and to call such bonds or other obligations for redemption on the date or dates specified in such instructions, (b) which are secured as to principal, premium, if any, and interest by a fund consisting only of cash, direct U.S. or U.S. guaranteed obligations, or any combination thereof, which fund may be applied only to the payment of such principal, premium, if any, and interest on such bonds or other obligations on the maturity date or dates thereof or the redemption date or dates specified in the irrevocable instructions referred to in clause (a) above, as appropriate, and (c) as to which the principal of and premium, if any, and interest on the bonds and obligations of the character described in clause (a) above which have been deposited in such fund, along with any cash on deposit in such fund, have been verified by an independent certified public accountant as being sufficient to pay principal of and premium, if any, and interest on such bonds or other obligations on the maturity date or dates thereof or on the redemption date or dates specified in the irrevocable instructions referred to in clause (a) above, as applicable.

The term “Moody’s” means Moody’s Investors Service, Inc., a corporation duly organized and existing under the laws of the State of Delaware, and its successors and assigns, except that if such entity shall be dissolved or liquidated or shall no longer perform the functions of a securities rating agency, then the term “Moody’s” shall be deemed to refer to any other nationally recognized securities rating agency selected by the District.

The term “S&P” means Standard & Poor’s Ratings Services, a Standard & Poor’s Financial Services LLC business duly organized and existing under the laws of the State of New York, and its successors and assigns, except that if such entity shall be dissolved or liquidated or shall no longer perform the functions of a securities rating agency, then the term “S&P” shall be deemed to refer to any other nationally recognized securities rating agency selected by the District.

(i) *Unclaimed Monies.* Any money held in any fund created pursuant to this Resolution, or by the Paying Agent or an escrow agent in trust, for the payment of the principal of and premium, if any, and interest on a Series of Refunding Bonds and remaining unclaimed for two years after the principal of all of such Series of Refunding Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the interest and sinking fund of the District for payment of any outstanding bonds of the District payable from the fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

Section 12. Paying Agent. (a) *Appointment; Payment of Fees and Expenses.* This Board of Education does hereby consent to and confirm the appointment of the County Treasurer to act as the initial paying agent for each Series of Refunding Bonds. The County Treasurer is hereby authorized to contract with any third party to perform the services of Paying Agent under this Resolution. All fees and expenses of the Paying Agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the applicable Series of Refunding Bonds, or from the related interest and sinking fund of the District, insofar as permitted by law,

including specifically by Section 15232 of the California Education Code, such fees and expenses shall be paid by the District.

(b) *Resignation, Removal and Replacement of Paying Agent.* The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed at any time by the County Treasurer. If at any time the Paying Agent shall resign or be removed, the County Treasurer shall appoint a successor Paying Agent, which shall be any bank, trust company, national banking association or other financial institution doing business in and having a corporate trust office in California, with at least \$100,000,000 in net assets.

(c) *Principal Corporate Trust Office.* Unless otherwise specifically noted, any reference herein to the Paying Agent shall initially mean the County Treasurer and the designated agents thereof or the successors or assigns thereof, acting in the capacity of paying agent, registrar, authenticating agent and transfer agent (the "Paying Agent"), and any reference herein to the "principal corporate trust office" of the Paying Agent for purposes of transfer, registration, exchange, payment, and surrender of the Refunding Bonds shall initially mean the office of the County Treasurer or the principal corporate trust office of his designated agent bank or other office of his designated agent bank designated thereby for a particular purpose; provided, however, that in the event that "Paying Agent" shall refer to any successor paying agent, bond registrar, authenticating agent or transfer agent for the Refunding Bonds, "principal corporate trust office" shall include the principal corporate trust office or other office of such successor Paying Agent designated thereby for a particular purpose.

(d) *Registration Books.* The Paying Agent shall keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Refunding Bonds, which shall at all times be open to inspection by the District and the County, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the Registration Books, Refunding Bonds as provided in Sections 13 and 14 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Refunding Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the District or the County in a format mutually agreeable to the Paying Agent and the District and/or the County.

Section 13. Transfer Under Book-Entry System; Discontinuation of Book-Entry System. (a) Unless otherwise specified in the related Bond Purchase Agreement, The Depository Trust Company, a limited-purpose trust company organized under the laws of the State of New York, and its successors as securities depository for a Series of Refunding Bonds, including any such successor thereto appointed pursuant to this Section ("DTC"), is hereby appointed depository for each Series of Refunding Bonds and each Series of Refunding Bonds shall be issued in book-entry form only, and shall be initially registered in the name of "Cede & Co.," as nominee of DTC ("Cede & Co."). One bond certificate shall be issued for each maturity of each Series of Refunding Bonds; provided, however, that if different CUSIP numbers are assigned to Refunding Bonds of a Series maturing in a single year or, if Refunding Bonds of a Series maturing in a single year are issued with different interest rates, additional bond certificates shall be prepared for each such maturity. Registered ownership of such Refunding Bonds of each such maturity, or any portion thereof, may not thereafter be transferred except as provided in this Section or Section 14 hereof:

(i) To any successor of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a “substitute depository”); provided, however that any successor of DTC, as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the District to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository; provided that no substitute depository which is not objected to by the District can be obtained, or (2) a determination by the District that it is in the best interests of the District to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(b) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this Section, upon receipt of the outstanding Refunding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, a new Refunding Bond for each maturity of each Series shall be executed and delivered (in the aggregate principal amount of such Refunding Bonds then outstanding), registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to clause (iii) of subsection (a) of this Section, upon receipt of the outstanding Refunding Bonds by the Paying Agent together with a written request of the District to the Paying Agent, new Refunding Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District, subject to the limitations of Section 9 hereof and the receipt of such a written request of the District, and thereafter, the Refunding Bonds shall be transferred pursuant to the provisions set forth in Section 14 hereof; provided, however, that the Paying Agent shall not be required to deliver such new Refunding Bonds within a period of less than 60 days after the receipt of any such written request of the District.

(c) The District and the Paying Agent shall be entitled to treat the person in whose name any Refunding Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the District or the Paying Agent; and the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Refunding Bonds, and neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including DTC or its successor (or substitute depository or its successor), except for the Owner of any Refunding Bonds.

(d) So long as the outstanding Refunding Bonds are registered in the name of Cede & Co. or its registered assigns, the District and the Paying Agent shall cooperate with Cede & Co., as sole registered Owner, or its registered assigns in effecting payment of the principal of and interest on the Refunding Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

Section 14. Transfer and Exchange. (a) *Transfer.* Following the termination or removal of DTC or successor depository pursuant to Section 13 hereof, or upon the initial delivery of a Series of Refunding Bonds not registered in the name of Cede & Co., as nominee of DTC, any Refunding Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Refunding Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Refunding Bond or Refunding Bonds shall be surrendered for transfer, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 8 hereof, a new Refunding Bond or Refunding Bonds, of the same series, maturity, interest payment dates and interest rate or rates (for a like aggregate principal amount). The Paying Agent may require the payment by any Owner of Refunding Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfer of any Refunding Bond shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the applicable series or subseries of Refunding Bonds for redemption, and (ii) after any Refunding Bond has been selected for redemption.

(b) *Exchange.* The Refunding Bonds of a Series may be exchanged for Refunding Bonds of other authorized denominations of the same series, maturity, interest payment dates and interest rate or rates, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Refunding Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Refunding Bond or Refunding Bonds shall be surrendered for exchange, the designated District officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 8 hereof, a new Refunding Bond or Refunding Bonds of the same series, maturity, interest payment dates and interest rate or rates (for a like aggregate principal amount). The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchange of any Refunding Bonds shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Refunding Bonds for redemption, and (ii) after any Refunding Bond has been selected for redemption.

Section 15. Continuing Disclosure Certificate. The form of Continuing Disclosure Certificate, submitted to and on file with the Executive Officer of this Board of Education, is hereby approved. The Authorized Officers are, and each of them is, hereby authorized, and any

one of the Authorized Officers is hereby directed, for and in the name of the District, to execute and deliver one or more Continuing Disclosure Certificates in substantially said form, with such changes therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution of the applicable Continuing Disclosure Certificate by such Authorized Officer.

Section 16. Preliminary Official Statement. The form of Preliminary Official Statement relating to the initial issue of Refunding Bonds to be publicly offered submitted to and on file with the Executive Officer of this Board of Education, with such changes therein as may be approved by an Authorized Officer, is hereby approved, and the use of the Preliminary Official Statement in connection with the offering and sale of such Refunding Bonds is hereby authorized and approved. The Authorized Officers are each hereby authorized, and any one of the Authorized Officers is hereby directed, to certify on behalf of the District that the information contained in such Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12). If it is necessary to make substantial changes to the Preliminary Official Statement hereby approved, this Board of Education shall review a revised draft of such Preliminary Official Statement with accompanying directions and instructions to members of this Board of Education to review such revised Preliminary Official Statement. For subsequent Series of Refunding Bonds, the preparation of a Preliminary Official Statement with respect to each such subsequent Series of Refunding Bonds, similar in form and content to the Preliminary Official Statement relating to the first Series of Refunding Bonds with such changes as shall be deemed necessary, is hereby authorized and approved, and the certification of its finality within the meaning of Rule 15c2-12 by an Authorized Officer and its use in connection with the offering and sale of each such subsequent Series of Refunding Bonds, are also hereby authorized, following the distribution to this Board of Education of a substantially complete draft of a Preliminary Official Statement relating to such Series of Refunding Bonds with accompanying directions and instructions to members of this Board of Education to review such Preliminary Official Statement.

Section 17. Official Statement. The preparation and delivery of a final Official Statement with respect to a Series of Refunding Bonds to be publicly offered (each, an “Official Statement”) and its use in connection with the offering and sale of such Series of Refunding Bonds are hereby authorized and approved. Each Official Statement shall be in substantially the form of the related Preliminary Official Statement, with such changes, insertions and omissions as may be approved by an Authorized Officer, such approval to be conclusively evidenced by the execution and delivery thereof. The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, for and in the name of and on behalf of the District, to execute each final Official Statement, and any amendment or supplement thereto, for and in the name of the District.

Section 18. Tax Covenants. (a) The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on a Tax-Exempt Series of Refunding Bonds under Section 103 of the Code. Without limiting the generality of the foregoing, the District hereby covenants that it will comply with the requirements of the Tax Certificate (each, a “Tax Certificate”) to be executed by the District on the date of issuance of each Tax-Exempt Series of Refunding Bonds. The

provisions of this subsection (a) shall survive payment in full or defeasance of the Refunding Bonds.

(b) In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the County Treasurer on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the County Treasurer in writing, and the District shall make its best efforts to ensure that the County Treasurer shall take such action as may be necessary in accordance with such instructions.

(c) Notwithstanding any provision of this Section, if the District shall provide to the County Treasurer an opinion of counsel of nationally recognized standing in the field of law relating to municipal bonds ("Opinion of Bond Counsel") that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on the Tax-Exempt Series of Refunding Bonds under Section 103 of the Code, the County Treasurer may conclusively rely on such Opinion of Bond Counsel in complying with the requirements of this Section and of the Tax Certificate, and the covenants hereunder shall be deemed to be modified to that extent.

Section 19. Cost of Issuance. The Authorized Officers are each hereby authorized to cause to be deposited in a costs of issuance account, which may be held by a bank, national banking association or trust company meeting the qualifications necessary to be a paying agent set forth in Section 12, as cost of issuance administrator, proceeds of the sale of each Series of Refunding Bonds, in an amount as shall be set forth in the related Bond Purchase Agreement or as set forth in a certificate of an Authorized Officer for the purposes of paying the costs associated with the issuance of such Series of Refunding Bonds.

Section 20. Professional Services. In connection with the issuance of the Refunding Bonds, Public Resources Advisory Group is hereby appointed to serve as the Municipal Advisor to the District, Hawkins Delafield & Wood LLP is hereby appointed to serve as Bond Counsel and Orrick, Herrington & Sutcliffe LLP is hereby appointed to serve as Disclosure Counsel to the District.

Section 21. Delegation of Authority. The officers and employees of the District are, and each of them hereby is, authorized and directed to execute and deliver, for and on behalf of the District, any and all documents and instruments and to do and cause to be done any and all acts and things necessary or advisable in order to consummate the transactions contemplated by this Resolution and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution, and each Bond Purchase Agreement, Escrow Agreement, Tender Agreement and Continuing Disclosure Certificate. Without limiting the generality of the foregoing, the President of this Board of Education, the Executive Officer of this Board of Education and any Authorized Officer are hereby authorized and directed to execute and deliver any and all agreements, certificates and representations, including but not limited to (i) signature certificates, no litigation certificates, and certificates concerning the contents of the Preliminary Official Statement and the Official Statement, (ii) representation letters to The Depository Trust Company, (iii) each Tax Certificate, (iv) any other certificates proposed to be delivered in connection with the sale or

issuance of the Bonds, and (v) and any other agreements, letters, certificates or representations, which any of them deem necessary and desirable to accomplish the transactions authorized herein.

Section 22. Approval of Actions. All actions heretofore taken by the officers and employees of the District with respect to the issuance and sale of the Refunding Bonds, or in connection with or related to any of the agreements or documents referred to herein, are hereby approved, confirmed and ratified.

Section 23. Interpretation. The terms of this Resolution shall be interpreted broadly to effect the purpose of providing broad and clear authority for the officers and employees of the District to provide for the issuance of, and issue, from time to time, one or more Series of Refunding Bonds in accordance with the provisions of the documents described herein, the Debt Management Policy and the Act on the terms set forth in this Resolution.

Section 24. Contract with Bondholders. The provisions of this Resolution shall be a contract with each and every owner of Refunding Bonds and the duties of the District and of the Board of Education and the officers of the District shall be enforceable by any owner of Refunding Bonds by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction.

Section 25. Amendments. This Resolution may be modified or amended without the consent of the Owners in order to cure ambiguities or provide clarification, provided that such modification or amendment does not materially adversely affect the rights of Owners of Refunding Bonds. For any other purpose, this Resolution may be modified or amended only with the consent of the Owners of a majority of the aggregate principal amount of all Refunding Bonds then outstanding. No such modification or amendment shall extend the maturity of, reduce the interest rate or principal amount of Refunding Bonds or reduce the percentage of consent required for amendment hereof without the express consent of all the Owners so affected.

Section 26. Effective Date. This Resolution shall take effect from and after its date of adoption.

Adopted and signed this ____ day of June, 2024, by the Board of Education of the Los Angeles Unified School District.

20__ GENERAL OBLIGATION REFUNDING BONDS, SERIES __
(DEDICATED UNLIMITED *AD VALOREM* PROPERTY TAX BONDS) [(FEDERALLY TAXABLE)]

<u>Maturity Date</u>	<u>Interest Rate</u>	<u>Dated</u>	<u>CUSIP No.</u>
_____	_____%	_____	_____

Registered Owner: CEDE & CO.

Principal Amount: \$ _____

The Los Angeles Unified School District (the “District”), County of Los Angeles, State of California, acknowledges itself obligated to and promises to pay to the Registered Owner identified above or registered assigns (the “Registered Owner”), on the Maturity Date set forth above, the Principal Amount specified above in lawful money of the United States of America, and to pay interest thereon in like lawful money from the interest payment date next preceding the date of authentication of this Bond (unless this bond is authenticated as of a date during the period from the Record Date (as defined herein) next preceding any interest payment date to such interest payment date, inclusive, in which event it shall bear interest from such interest payment date, or unless this Bond is authenticated on or before _____ 15, 20__, in which event it shall bear interest from the date hereof) at the Interest Rate per annum stated above, payable commencing on _____ 1, 20__, and thereafter on January 1 and July 1 in each year, until payment of the Principal Amount. This Bond is issued pursuant to a Resolution adopted by the Board of Education of the District on _____, 20__ (the “Resolution”). Capitalized undefined terms used herein have the meanings ascribed thereto in the Resolution.

The principal hereof is payable to the Registered Owner hereof upon the surrender hereof at the principal corporate trust office of the paying agent/registrar and transfer agent of the District (the “Paying Agent”), initially the Treasurer and Tax Collector of the County of Los Angeles. The interest hereon is payable to the person whose name appears on the bond registration books of the Paying Agent as the Registered Owner hereof as of the close of business on the 15th day of the month preceding an interest payment date (the “Record Date”), whether or not such day is a business day, such interest to be paid by check or draft mailed to such Registered Owner at the owner’s address as it appears on such registration books, or at such other address filed with the Paying Agent for that purpose. Upon written request, given no later than the Record Date

immediately preceding an interest payment date, of the owner of Refunding Bonds aggregating at least \$1,000,000 in principal amount, interest will be paid by wire transfer in immediately available funds to an account maintained in the United States as specified by the Registered Owner in such request. So long as Cede & Co. or its registered assigns shall be the Registered Owner of this Bond, payment shall be made in immediately available funds as provided in the Resolution hereinafter described.

This Bond is one of a duly authorized issue of bonds of like tenor (except for such variations, if any, as may be required to designate varying series, numbers, denominations, interest rates and maturities provisions), in the aggregate principal amount of \$_____, and designated as “Los Angeles Unified School District (County of Los Angeles, California) 20__ General Obligation Refunding Bonds, Series __ (Dedicated Unlimited *Ad Valorem* Property Tax Bonds) [(Federally Taxable)]” (the “Bonds”). The Bonds were authorized by the Resolution and are issued pursuant to Articles 9 and 11 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code, and other applicable law. The Bonds are issued and sold by the Board of Education of the District pursuant to and in strict conformity with the provisions of the Constitution and laws of the State, and of the Resolution.

The Bonds are issuable as fully registered bonds without coupons in the denomination of \$5,000 principal amount or any integral multiple thereof, provided that no Bond shall have principal maturing on more than one principal maturity date. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Resolution, Bonds may be exchanged for a like aggregate principal amount of Bonds of the same tenor and maturity of other authorized denominations.

This Bond is transferable by the Registered Owner hereof, in person or by attorney duly authorized in writing, at the principal corporate trust office of the Paying Agent, but only in the manner, subject to the limitations and upon payment of the charges provided in the Resolution, and upon surrender and cancellation of this Bond. Upon such transfer, a new Bond or Bonds of authorized denomination or denominations of the same tenor, interest payments, and same aggregate principal amount will be issued to the transferee in exchange herefor.

The District and the Paying Agent may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the District and the Paying Agent shall not be affected by any notice to the contrary.

The Bonds are subject to redemption on the terms and subject to the conditions specified in the Resolution. If this Bond is called for redemption and payment is duly provided therefor, interest shall cease to accrue hereon from and after the date fixed for redemption.

The Board of Education of the District hereby certifies and declares that the total amount of indebtedness of the District, including the amount of this Bond, is within the limit provided by law; that all acts, conditions and things required by law to be done or performed precedent to and in the issuance of this Bond have been done and performed in strict conformity with the laws authorizing the issuance of this Bond; and that this Bond is in substantially the form prescribed by order of the Board of Education duly made and entered on its minutes. The Bonds represent an obligation payable out of the related interest and sinking fund of the District, and the money for

the payment of principal hereof and premium, if any, and interest hereon, shall be raised by taxation upon the taxable property of the District.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the Paying Agent for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein.

This Bond shall not be entitled to any benefit under the Resolution, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon endorsed shall have been signed by the Paying Agent.

IN WITNESS WHEREOF, the Board of Education of the Los Angeles Unified School District, county of Los Angeles, State of California, has caused this bond to be signed by its President and countersigned by the Executive Officer of said Board, as of the date set forth above.

EXHIBIT B**GOVERNMENT CODE SECTION 5852.1 DISCLOSURE**

In accordance with Section 5852.1(a)(1) of the California Government Code, the following information was obtained from Public Resources Advisory Group, as the District's Municipal Advisor, with respect to the bonds approved in the attached Resolution (the "Refunding Bonds") assuming a tax-exempt current refunding of the District's outstanding callable bonds which is estimated to result in an aggregate principal amount of the Refunding Bonds being \$363,400,000, which is less than the authorized maximum principal amount of Refunding Bonds approved in the attached Resolution:

1. *True Interest Cost of the Refunding Bonds.* Based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the true interest cost of the Refunding Bonds, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the Refunding Bonds, is 3.44%.

2. *Finance Charge of the Refunding Bonds.* Based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the finance charge of the Refunding Bonds, which means the sum of all fees and charges paid to third parties (or costs associated with the Refunding Bonds), is \$1,493,119, as follows:

a)	Rating Agency – Moody's	\$98,000
b)	Rating Agency – Fitch	60,000
c)	Rating Agency – Kroll	60,000
e)	Bond Counsel	95,000
f)	Disclosure Counsel	130,000
g)	Municipal Advisor	108,000
h)	Underwriters' Discount	878,875
i)	Other Expenses	63,244

3. *Amount of Proceeds to be received.* Based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the amount of proceeds expected to be received by the District for sale of the Refunding Bonds less the finance charge of the Refunding Bonds described in paragraph 2 above and any reserves or capitalized interest paid or funded with proceeds of the Refunding Bonds, is \$406,556,635.

4. *Total Payment Amount.* Based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the total payment amount, which means the sum total of all payments the District will make to pay debt service on the Refunding Bonds plus the finance charge of the Refunding Bonds described in paragraph 2 above not paid with the proceeds of the Refunding Bonds, calculated to the final maturity of the Refunding Bonds, is \$534,675,778, which is \$40,032,485 less than if the debt service on the outstanding bonds expected to be refunded if the Refunding Bonds were not to be issued. Under the attached Resolution, any

Refunding Bonds would only be issued if the issuance of such Refunding Bonds conforms to the District's Debt Management Policy.

Attention is directed to the fact that the foregoing information constitutes good faith estimates only. The actual interest cost, finance charges, amount of proceeds and total payment amount may vary from the estimates above due to variations from these estimates in the timing of Refunding Bond sales, the amount of Refunding Bonds sold, the amortization of the Refunding Bonds sold and market interest rates at the time of each sale. The date or dates of sale and the amount of Refunding Bonds sold will be determined by the District based on need for project funds and other factors. The actual interest rates at which the Refunding Bonds will be sold will depend on the bond market at the time of each sale. The actual amortization of the Refunding Bonds will also depend, in part, on market interest rates at the time of each sale. Market interest rates are affected by economic and other factors beyond the District's control. The Board of Education has approved the issuance of each series of Refunding Bonds with a maximum true interest cost of 6.00%.

[In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the District, under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the Refunding Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and (ii) interest on the Refunding Bonds is not treated as a preference item in calculating the alternative minimum tax under the Code, however, interest on the Refunding Bonds is included in the “adjusted financial statement income” of certain corporations that are subject to the alternative minimum tax under Section 55 of the Code. In addition, in the opinion of Bond Counsel to the District, under existing statutes, interest on the Refunding Bonds is exempt from personal income taxes imposed by the State of California. \$[PAR]***LOS ANGELES UNIFIED SCHOOL DISTRICT****(County of Los Angeles, California)****20[____] General Obligation Refunding Bonds, Series [____]****(Dedicated Unlimited *Ad Valorem* Property Tax Bonds)**[District
Logo]**Dated: Date of Delivery****Due: July 1, as shown herein**

The Los Angeles Unified School District (County of Los Angeles, California) 20[____] General Obligation Refunding Bonds, Series [____] (Dedicated Unlimited *Ad Valorem* Property Tax Bonds) (the “Refunding Bonds”) are issued by the Los Angeles Unified School District (the “District”), located in the County of Los Angeles (the “County”), to refund and defease certain Prior Bonds (defined herein) as more fully described herein. A portion of the proceeds of the Refunding Bonds will be used to pay the costs of issuance incurred in connection with the issuance of the Refunding Bonds. See “ESTIMATED SOURCES AND USES OF FUNDS” and “PLAN OF REFUNDING” herein. The Refunding Bonds are being issued under the laws of the State of California (the “State”) and the applicable authorizations received at elections held by the District as described herein, and pursuant to a resolution of the Board of Education of the District.

The Refunding Bonds are general obligation bonds of the District secured by and payable from *ad valorem* property taxes to be levied within the District pursuant to the California Constitution and other State law. The Board of Supervisors of the County is empowered and is obligated to levy *ad valorem* property taxes upon all property subject to taxation by the District, without limitation as to rate or amount (except as to certain personal property which is taxable at limited rates), for the payment of principal of and interest on the Refunding Bonds, all as more fully described herein. See “SECURITY AND SOURCE OF PAYMENT FOR THE REFUNDING BONDS.”

Interest on the Refunding Bonds is payable on each January 1 and July 1 to maturity or earlier redemption thereof, commencing [____] 1, 20[____]. Principal of the Refunding Bonds is payable on July 1 in each of the years and in the amounts set forth on the inside front cover page hereof.

The Refunding Bonds will be issued in book-entry form only, in denominations of \$5,000 principal amount, or integral multiples thereof, and will be initially issued and registered in the name of Cede & Co., as nominee for The Depository Trust Company (“DTC”). DTC will act as securities depository for the Refunding Bonds. Owners will not receive certificates representing their interests in the Refunding Bonds. Payments of principal of, premium, if any, and interest on the Refunding Bonds will be made by U.S. Bank Trust Company, National Association, as agent to the Treasurer and Tax Collector of the County, as the initial paying agent, to DTC, which is obligated to remit such payments to its DTC Participants for subsequent disbursement to the beneficial owners of the Refunding Bonds. See APPENDIX C – “BOOK-ENTRY ONLY SYSTEM.”

The Refunding Bonds are subject to redemption prior to their respective stated maturity dates as described herein.* See “THE REFUNDING BONDS – Redemption.”

THIS COVER PAGE CONTAINS CERTAIN INFORMATION FOR GENERAL REFERENCE ONLY. IT IS NOT INTENDED TO BE A SUMMARY OF THE SECURITY FOR OR TERMS OF THIS ISSUE. INVESTORS ARE ADVISED TO READ THE ENTIRE OFFICIAL STATEMENT TO OBTAIN INFORMATION ESSENTIAL TO THE MAKING OF AN INFORMED INVESTMENT DECISION.

The Refunding Bonds will be offered when, as and if issued by the District, and received by the Underwriters, subject to the approval as to their legality by Hawkins Delafield & Wood LLP, Los Angeles, California, Bond Counsel to the District, and certain other conditions. Certain legal matters will be passed upon for the District by the General Counsel to the District and by Orrick, Herrington & Sutcliffe LLP, Los Angeles, California, Disclosure Counsel to the District, and for the Underwriters by [____], [____], [____]. The Refunding Bonds, in book-entry form, will be available for delivery through the facilities of DTC on or about [____], 2024.

20[] General Obligation Refunding Bonds, Series []
(Dedicated Unlimited *Ad Valorem* Property Tax Bonds)

INTRODUCTION

This Introduction is not a summary of this Official Statement. It is only a brief description of, and is qualified by, more complete and detailed information contained in the entire Official Statement, including the cover page and inside cover page, through the appendices hereto, and the documents summarized or described herein. The offering of the Refunding Bonds to potential investors is made only by means of the entire Official Statement. A full review should be made of the entire Official Statement.

General

This Official Statement, which includes the cover page through the appendices hereto, is provided to furnish information in connection with the sale of \$[PAR]* aggregate principal amount of Los Angeles Unified School District (County of Los Angeles, California) 20[] General Obligation Refunding Bonds, Series [] (Dedicated Unlimited *Ad Valorem* Property Tax Bonds) (the “Refunding Bonds”) to be offered by the Los Angeles Unified School District (the “District”).

The Refunding Bonds are issued by the District pursuant to certain provisions of the California Government Code and other applicable law, the applicable authorizations received at elections held by the District as described herein, and a resolution adopted by the Board of Education of the District (the “District Board”) on [June], 2024 (the “Refunding Resolution”). See “INTRODUCTION – Authority and Purpose for Issuance of the Refunding Bonds.” The Refunding Bonds are being issued to refund and defease the Prior Bonds (defined herein). A portion of the proceeds of the Refunding Bonds will be used to pay the costs of issuance incurred in connection with the issuance of the Refunding Bonds. See “ESTIMATED SOURCES AND USES OF FUNDS” and “PLAN OF REFUNDING.”

THE REFUNDING BONDS ARE GENERAL OBLIGATION BONDS OF THE DISTRICT SECURED BY AND PAYABLE FROM *AD VALOREM* PROPERTY TAXES TO BE LEVIED UPON ALL PROPERTY SUBJECT TO TAXATION BY THE DISTRICT, WITHOUT LIMITATION AS TO RATE OR AMOUNT (EXCEPT AS TO CERTAIN PERSONAL PROPERTY WHICH IS TAXABLE AT LIMITED RATES). THE REFUNDING BONDS ARE NOT AN OBLIGATION OF THE COUNTY, THE STATE OF CALIFORNIA OR OF THE GENERAL FUND OF THE DISTRICT. SEE “SECURITY AND SOURCE OF PAYMENT FOR THE REFUNDING BONDS.”

The District

The District, encompassing approximately 710 square miles, is located in the western section of the County of Los Angeles (the “County”) in the State of California (the “State”). The District’s boundaries include virtually all of the City of Los Angeles (the “City”), all of the Cities of Cudahy, Gardena, Huntington Park, Lomita, Maywood, San Fernando, Vernon and West Hollywood, and portions of the Cities of Bell, Bell Gardens, Beverly Hills, Calabasas, Carson, Commerce, Culver City, Downey, Hawthorne, Inglewood, Long Beach, Lynwood, Montebello, Monterey Park, Rancho Palos Verdes, Rolling Hills Estates, Santa Clarita, Santa Monica, South Gate, and Torrance. In addition, the District provides

* Preliminary; subject to change.

services to several unincorporated areas of the County which include residential and industrial areas. The boundaries for the District are approximately 80% coterminous with the City, with the remaining 20% included in the smaller neighboring cities and unincorporated County areas described above. The District was formed in 1854 as the Common Schools for the City and became a unified school district in 1960.

The District is the largest public school district in the State and the largest self-governing public school district in the United States. [At the time of preparation of the District's second interim report for fiscal year 2023-24 (the "Fiscal Year 2023-24 Second Interim Report"), the transitional kindergarten ("TK") through 12th grade enrollment in the District for fiscal year 2023-24 was projected to be approximately 412,341 students, including those attending magnet, opportunity, and continuation schools and centers, locally-funded affiliated charter schools ("Affiliated Charter Schools"), and schools for people with disabilities. Such enrollment represents a decrease of 1,482 students or a decline of approximately 0.36% from the budgeted TK-12 enrollment in the District at the time of preparation of the District's original adopted budget for fiscal year 2023-24 (the "Fiscal Year 2023-24 Budget"). Such enrollment does not include students attending fiscally independent charter schools ("Fiscally Independent Charter Schools") that was budgeted at 108,702 students at the time of preparation of the Fiscal Year 2023-24 Budget. Based on enrollment projections at the time of preparation of the Fiscal Year 2023-24 Second Interim Report, the District was projecting enrollment to decline by 2.49% on average through fiscal year 2025-26. For more information regarding District enrollment and average daily attendance, see APPENDIX A – "DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – DISTRICT GENERAL INFORMATION – Enrollment and Average Daily Attendance." See also APPENDIX A – "DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – DISTRICT FINANCIAL INFORMATION – District Budget – *LACOE's Responses to Fiscal Year 2023-24 Budget*," for information regarding District operating deficits in relation to declining enrollment. As reflected in the District's Audited Annual Financial Report for fiscal year 2022-23, the District operated 1,238 schools and centers, which consisted of 434 elementary schools, 78 middle/junior high schools, 87 senior high schools, 59 options schools, 262 magnet centers, 67 magnet schools, 30 multi-level schools, 12 special education schools, 2 community adult schools, 7 regional occupational centers, 2 skills centers, 87 early education centers, 4 infant centers, 18 primary school centers, and 89 California State preschools in fiscal year 2022-23. As reflected in the District's Audited Annual Financial Report for fiscal year 2022-23, 51 of the District's schools were operated as Affiliated Charter Schools. In addition, as reflected in the District's Audited Annual Financial Report for fiscal year 2022-23, the District oversaw 224 Fiscally Independent Charter Schools within the District's boundaries. See APPENDIX A – "DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – STATE FUNDING OF SCHOOL DISTRICTS – Charter School Funding."]

Additional information on the District is set forth in Appendices A and B. See APPENDIX A – "DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION" and APPENDIX B – "AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2023." For specific information on the impact of the Coronavirus Disease 2019 ("COVID-19") pandemic (i) on the security and source of payment for the Refunding Bonds, see "SECURITY AND SOURCE OF PAYMENT FOR THE REFUNDING BONDS – Assessed Valuation of Property Within the District" and "– Tax Rates, Levies and Collections" and (ii) on the District's operations and finances, see APPENDIX A – "DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – STATE FUNDING OF SCHOOL DISTRICTS – Infectious Disease Outbreak." For information regarding potential additional financings the District may undertake, see APPENDIX A – "DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – DISTRICT FINANCIAL INFORMATION – Future Financings."

The District's General Obligation Bond Program

Voters within the District have approved a total of \$27.605 billion of general obligation bonds in six separate bond elections since 1997, as delineated in Table 1 below, a portion of which are currently outstanding. A total of \$18.906 billion of the approved general obligation bonds has been issued, with \$8.699 billion remaining to be issued under the bond authorizations listed below (collectively, the "Authorizations"). See "SECURITY AND SOURCE OF PAYMENT FOR THE REFUNDING BONDS – The District's General Obligation Bond Program and Bonding Capacity."

(1) Measure K, Measure R, Measure Y, Measure Q and Measure RR were approved pursuant to the provisions of Proposition 39, which requires approval of at least 55% of voters voting on the proposition. Proposition BB was approved pursuant to the provisions of Proposition 46, which requires approval of at least two-thirds of voters voting on the proposition.

(2) See APPENDIX A – “DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – DISTRICT FINANCIAL INFORMATION – District Debt – *General Obligation Bonds*” for the amounts of outstanding general obligation bonds under the referenced Authorizations. Excludes general obligation refunding bonds.

Source: Los Angeles Unified School District.

In addition to the bond proceeds from the six Authorizations referred to above, the District has received State-matching funds and other revenue sources to fund the general obligation bond program's various projects. The District may continue to receive other revenue sources, including State-matching funds; however, additional funding is not guaranteed. The District's general obligation bond program has completed all projects that enabled the District to operate all schools on a traditional two-semester calendar in the 2018-19 school year. [In addition, approximately 23,900 new school construction, rehabilitation, modernization and replacement projects, which are intended to upgrade facilities and improve the learning environment for students, have been completed.] The program includes, among other things, various school facilities improvements for computer technology, sustainability, information technology systems and school buses.

Authority and Purpose for Issuance of the Refunding Bonds

The Refunding Bonds are issued pursuant to Articles 9 and 11 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code or other applicable law, the applicable Authorizations described in Table 1 herein and the Refunding Resolution. The proceeds of the Refunding Bonds will, after payment of costs of issuance therefor, be used to refund and defease the Prior Bonds (defined herein). See "PLAN OF REFUNDING" and "ESTIMATED SOURCES AND USES OF FUNDS."

Security and Source of Payment for the Refunding Bonds

The Refunding Bonds are payable from *ad valorem* property taxes to be levied within the District pursuant to the California Constitution, other State law and the applicable Authorizations. The Board of Supervisors of the County is empowered and is obligated to levy *ad valorem* property taxes upon all property subject to taxation by the District, without limitation as to rate or amount (except as to certain personal property which is taxable at limited rates), for the payment of principal of and interest on the Refunding Bonds, all as more fully described herein. Such *ad valorem* property taxes are deposited in the related Interest and Sinking Fund of the District, which is established for the Refunding Bonds of the related voter-approved measure and held by the County and may only be applied to pay the principal of, redemption premium, if any, and interest on the Refunding Bonds of such voter-approved measure. Pursuant to the Refunding Resolution, the term "Interest and Sinking Fund" means each interest and sinking fund of the District, designated to correspond to the applicable general obligation bonds or general obligation refunding bonds of the District and related voter-approved bond measure of the District established for such bonds and used only for payment of principal of and interest on such bonds.

Pursuant to the Refunding Resolution, the District pledges and grants a lien on and security interest in, all revenues from the property taxes collected from the levy by the Board of Supervisors with respect to each voter-approved bond measure of the District for payment of bonds issued under such measure of the District and all amounts on deposit in any Interest and Sinking Fund of the District for the payment of the principal or redemption price of and interest on such bonds. The Refunding Resolution provides that this pledge and grant is valid and binding from the date of adoption of the Refunding Resolution for the benefit of the owners of such bonds and successors thereto. The Refunding Resolution further provides that the property taxes and amounts held in each Interest and Sinking Fund of the District are immediately subject to this pledge and grant, and that this pledge and grant constitutes a lien and security interest which immediately attaches to the property taxes and amounts held in such Interest and Sinking Fund of the District to secure the payment of such bonds and is effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge or grant, and without the need of any physical delivery, recordation, filing, or further act. The Refunding Resolution provides that this pledge and grant is an agreement between the District and the owners of each series of Refunding Bonds and of each issue of outstanding general obligation bonds and general obligation refunding bonds to provide security for each series of Refunding Bonds and all such other general obligation

bonds and general obligation refunding bonds of the District in addition to any statutory lien that may exist, and each such issue of general obligation bonds and general obligation refunding bonds of the District are or were issued to finance or refinance, as applicable, one or more of the projects specified in the applicable voter-approved measure and not to finance the general purposes of the District. In accordance with Section 15251 of the Education Code, such bonds are also automatically secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the applicable voter-approved measure. See “SECURITY AND SOURCE OF PAYMENT FOR THE REFUNDING BONDS.”

Other Information

This Official Statement contains brief descriptions of, among other things, the District, the District’s general obligation bond program, the Refunding Resolution and certain matters relating to the security and source of payment for the Refunding Bonds. Such descriptions and information do not purport to be comprehensive or definitive. All references herein to documents are qualified in their entirety by reference to such documents. Copies of such documents are available for inspection at the District by request to the Office of the Chief Business Officer at (213) 241-7888 and, following delivery of the Refunding Bonds will be on file, as applicable, at the principal office of U.S. Bank Trust Company, National Association, as agent to the Treasurer and Tax Collector of the County, as paying agent (the “Paying Agent”), in Los Angeles, California.

PLAN OF REFUNDING*

[A][The] portion of the proceeds of the Refunding Bonds to be used to refund, on a [current][advance] basis, and defease the District’s outstanding general obligation bonds identified below (collectively, the “Prior Bonds”) and to pay the costs of issuance of the Refunding Bonds. Such proceeds from the Refunding Bonds will be deposited into an escrow fund (the “Escrow Fund”) established for the Prior Bonds under an escrow agreement, dated as of [_____] 1, 2024, by and between the District and U.S. Bank Trust Company, National Association, as escrow bank (in such capacity, the “Escrow Agent”). Substantially all of the proceeds of the Refunding Bonds deposited into the Escrow Fund will be invested in accordance with the [applicable] resolution authorizing the issuance of the Prior Bonds and the remaining portion will be uninvested until applied to redeem the Prior Bonds to be refunded. The amount deposited in the Escrow Fund will be sufficient to fully pay the interest due on the Prior Bonds to be refunded and the redemption price of 100% of the principal amount of the Prior Bonds, on [_____] 1, 20[___], the redemption date therefore, as identified below. The mathematical computations used to determine the sufficiency of the escrow deposit will be verified in a verification report by the Verification Agent (defined herein). See “MISCELLANEOUS – Verification of Mathematical Computations.”

Set forth [below][on the following page] is a description of the Prior Bonds expected to be refunded on the Redemption Date with proceeds of the Refunding Bonds:

THE REFUNDING BONDS

General Provisions

The Refunding Bonds will be dated their date of delivery, will be issued in book-entry form only, without coupons, in denominations of \$5,000 principal amount or any integral multiple thereof, and, when issued, will be initially registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"). DTC will act as securities depository for the Refunding Bonds. Owners will not receive physical certificates representing their interest in the Refunding Bonds purchased, except in the event that use of the book-entry system for the Refunding Bonds is discontinued. Payments of principal of, premium, if any, and interest on the Refunding Bonds will be made by the Paying Agent to DTC, which is obligated in turn to remit such payments to its DTC Participants for subsequent disbursement to the beneficial owners of the Refunding Bonds. For information about the securities depository and DTC's book-entry system, see APPENDIX C – "BOOK-ENTRY ONLY SYSTEM."

The Refunding Bonds mature in the years and on the dates set forth on the inside front cover page hereof. Interest on the Refunding Bonds is payable on each January 1 and July 1 to maturity, commencing on [] 1, 20[] (each, an "Interest Payment Date"). Interest on the Refunding Bonds will be computed based on a 360-day year of twelve 30-day months. Each Refunding Bond will bear interest from the Interest Payment Date next preceding the date of authentication thereof, unless it is authenticated as of a date during the period from the 15th day of the calendar month immediately preceding such Interest Payment Date, inclusive, whether or not such day is a business day (each, a "Record Date") to such Interest Payment Date, in which event it shall bear interest from such Interest Payment Date, or unless it is authenticated on or before the Record Date preceding the first Interest Payment Date, in which event it shall bear interest from the date of delivery of the Refunding Bonds.

Redemption*

Optional Redemption. The Refunding Bonds maturing on or after July 1, 20__, are subject to redemption prior to their respective stated maturity dates, at the option of the District, from any source of available funds, as a whole or in part on any date on or after July 1, 20__, at a redemption price equal to the principal amount of such Refunding Bonds called for redemption, together with interest accrued thereon to the date of redemption, without premium.

Mandatory Sinking Fund Redemption. The Refunding Bonds maturing on July 1, 20__ are subject to mandatory sinking fund redemption on July 1 in each of the years and in the respective principal amounts as set forth in the following schedule, at a redemption price equal to 100% of the principal amount thereof to be redeemed, together with interest accrued thereon to the date fixed for redemption, without premium:

Mandatory Sinking Fund Redemption Date (July 1)	Principal Amount to be Redeemed
	\$
†	
† Maturity.	

The principal amount to be redeemed in each year shown above will be reduced proportionately, or as otherwise directed by the District, in integral multiples of \$5,000 principal amount, by any portion of such term bonds optionally redeemed prior to the mandatory sinking fund redemption date.

The Refunding Bonds maturing on July 1, 20__ are subject to mandatory sinking fund redemption on July 1 in each of the years and in the respective principal amounts as set forth in the following schedule, at a redemption price equal to 100% of the principal amount thereof to be redeemed, together with interest accrued thereon to the date fixed for redemption, without premium:

Mandatory Sinking Fund Redemption Date (July 1)	Principal Amount to be Redeemed
	\$
†	
† Maturity.	

The principal amount to be redeemed in each year shown above will be reduced proportionately, or as otherwise directed by the District, in integral multiples of \$5,000 principal amount, by any portion of such term bonds optionally redeemed prior to the mandatory sinking fund redemption date.

* Preliminary; subject to change.

Selection of Refunding Bonds upon Redemption. If less than all of the Refunding Bonds, if any, are subject to such redemption and are called for redemption, such Refunding Bonds shall be redeemed as directed by the District, and if less than all of the Refunding Bonds of any given maturity are called for redemption, the portions of such Refunding Bonds of a given maturity to be redeemed shall be determined by lot in any manner deemed fair by the Paying Agent.

Notice of Redemption. Notice of any redemption of any Refunding Bonds is required to be mailed by the Paying Agent, postage prepaid, not less than twenty (20) nor more than sixty (60) days prior to the redemption date (i) by first class mail to the respective Owners thereof at the addresses appearing on the bond registration books, and (ii) as may be further required in accordance with the Continuing Disclosure Certificate relating to the Refunding Bonds.

Each notice of redemption is required to contain the following: (i) the date of such notice; (ii) the name of the Refunding Bonds and the date of issue of such Refunding Bonds; (iii) the redemption date; (iv) the redemption price; (v) the dates of maturity or maturities of the Refunding Bonds to be redeemed; (vi) if less than all of the Refunding Bonds of any maturity are to be redeemed, the distinctive numbers of the Refunding Bonds of each maturity to be redeemed; (vii) in the case of Refunding Bonds redeemed in part only, the respective portions of the principal amount of the Refunding Bonds of each maturity to be redeemed; (viii) the CUSIP number, if any, of each maturity of Refunding Bonds to be redeemed; (ix) a statement that such Refunding Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; (x) notice that further interest on such Refunding Bonds will not accrue after the designated redemption date; and (xi) in the case of a conditional notice, that such notice is conditioned upon certain circumstances and the manner of rescinding such conditional notice.

Effect of Notice. A certificate of the Paying Agent that the notice of redemption that has been given to Owners as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption, nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Refunding Bonds called for redemption or the cessation of interest on the date fixed for redemption. When notice of redemption has been given substantially as provided for in the Refunding Resolution, and when the redemption price of such Refunding Bonds called for redemption is set aside for the purpose as described in the Refunding Resolution, the Refunding Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Refunding Bonds at the place specified in the notice of redemption, such Refunding Bonds are required to be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Refunding Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the related Interest and Sinking Fund of the District or the trust fund established for such purpose. All Refunding Bonds redeemed will be cancelled forthwith by the Paying Agent and will not be reissued.

Right to Rescind Notice. The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the owners of the Refunding Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the related Interest and Sinking Fund of the District or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal of and premium, if any, and interest due on the Refunding Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the owner of any Refunding Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

Redemption Fund. Prior to or on the redemption date of any Refunding Bonds, there shall be available, in the related Interest and Sinking Fund of the District, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as provided therefor, the Refunding Bonds designated in the notice of redemption. Such monies set aside for the Refunding Bonds are required to be applied on or after the redemption date solely for payment of principal of and premium, if any, and interest due on the Refunding Bonds to be redeemed upon presentation and surrender of such Refunding Bonds provided that all monies in the related Interest and Sinking Fund of the District shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the related Interest and Sinking Fund of the District, unless otherwise provided to be paid from such monies held in trust. If, after all of the Refunding Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the related Interest and Sinking Fund of the District or otherwise held in trust for the payment of the redemption price of such Refunding Bonds, the monies are required to be held in or returned or transferred to any Interest and Sinking Fund of the District for payment of any outstanding bonds of the District payable from such fund; provided, however, that if those monies are part of the proceeds of bonds of the District, the monies shall be transferred to the fund created for the payment of principal of and interest on such bonds. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

Defeasance and Unclaimed Moneys

Defeasance. If at any time the District pays or causes to be paid or there shall otherwise be paid to the Owners of any or all of the outstanding Refunding Bonds all or any part of the principal of and premium, if any, and interest on such Refunding Bonds at the times and in the manner provided in the Refunding Resolution and in such Refunding Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners of such Refunding Bonds shall cease to be entitled to the obligation of the District as provided in the Refunding Resolution, and such obligation and all agreements and covenants of the District and of the County to such Owners under the Refunding Resolution and such Refunding Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal of and premium, if any, and interest on such Refunding Bonds, but only out of monies on deposit in the related Interest and Sinking Fund of the District or otherwise held in trust for such payment; and provided further, however, that the provisions of the Refunding Resolution, shall apply in all events. See “– Unclaimed Moneys” below.

The District may pay and discharge any or all of the Refunding Bonds by depositing in trust with the Paying Agent or an escrow agent, selected by the District, at or before maturity, money and/or Defeasance Securities (as defined herein), in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the related Interest and Sinking Fund of the District, be fully sufficient to pay and discharge the indebtedness on such Refunding Bonds (including all principal, interest and redemption premiums) at or before their respective maturity dates.

The term “Defeasance Securities” means (i) non-callable direct and general obligations of the United States of America (including state and local government series), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including, in the case of direct and general obligations of the United States of America, evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations; provided that investments in such proportionate interests must be limited to circumstances wherein (a) a bank or trust company acts as custodian and holds the underlying United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy

any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; (ii) non-callable obligations of government sponsored agencies that are rated in one of the two highest rating categories assigned by Standard & Poor's Ratings Services, a Standard & Poor's Financial Services LLC business ("S&P") or Moody's Investors Service ("Moody's"), but in each case the obligations are not guaranteed by a pledge of the full faith and credit of the United States of America; and (iii) Advance Refunded Municipal Securities (defined herein).

The term "Advance Refunded Municipal Securities" means any bonds or other obligations of any state of the United States of America or of any agency, instrumentality or local government unit of any such state (i) which are not callable prior to maturity or as to which irrevocable instructions have been given to the trustee, fiscal agent or other fiduciary for such bonds or other obligations by the obligor to give due notice of redemption and to call such bonds or other obligations for redemption on the date or dates specified in such instructions, (ii) which are secured as to principal of, premium, if any, and interest by a fund consisting only of cash, direct United States or United States guaranteed obligations, or any combination thereof, which fund may be applied only to the payment of such principal of, premium, if any, and interest on such bonds or other obligations on the maturity date or dates thereof or the redemption date or dates specified in the irrevocable instructions referred to in clause (i) above, as appropriate, and (iii) as to which the principal of, premium, if any, and interest on the bonds and obligations of the character described in clause (i) above which have been deposited in such fund, along with any cash on deposit in such fund, have been verified by an independent certified public accountant as being sufficient to pay principal of, premium, if any, and interest on such bonds or other obligations on the maturity date or dates thereof or on the redemption date or dates specified in the irrevocable instructions referred to in clause (i) above, as applicable.

Unclaimed Moneys. Any money held in any fund created pursuant to the Refunding Resolution, or by the Paying Agent or an escrow agent in trust, for the payment of the principal of and premium, if any, and interest on the Refunding Bonds, and remaining unclaimed for two years after the principal of all of the Refunding Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to any Interest and Sinking Fund of the District for payment of any outstanding bonds of the District payable from that fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

SECURITY AND SOURCE OF PAYMENT FOR THE REFUNDING BONDS

General Description

The Refunding Bonds are payable from *ad valorem* property taxes to be levied within the District pursuant to the California Constitution and other State law. In order to provide sufficient funds for repayment of principal and interest when due on the Refunding Bonds, the Board of Supervisors of the County is empowered and is obligated to levy *ad valorem* property taxes upon all property subject to taxation by the District, without limitation as to rate or amount (except as to certain personal property which is taxable at limited rates). When collected, such *ad valorem* property taxes are required by law to be deposited in the related Interest and Sinking Fund of the District, which is established for the Refunding Bonds of the related voter-approved measure, held and maintained by the County and may only be applied to pay the principal of, redemption premium, if any, and interest on the Refunding Bonds of such voter-approved measure. Such taxes are in addition to but separate from other taxes levied upon property within the District that are deposited by the County in the General Fund of the District. The District does not receive such funds, nor are they available to pay any of the District's operating expenses.

Under California law, the District's funds are required to be held by the Treasurer and Tax Collector of the County (the "County Treasurer"). All funds held by the County Treasurer in each Interest and Sinking

Fund of the District are expected to be invested at the discretion of the County Treasurer on behalf of the District in such investments as are authorized by Section 53601 and following of the California Government Code and the investment policy of the County, as either may be amended or supplemented from time to time. See APPENDIX F – “THE LOS ANGELES COUNTY TREASURY POOL.”

Pledge of Tax Revenues

Pursuant to the Refunding Resolution, the District pledges and grants a lien on and security interest in, all revenues from the property taxes collected from the levy by the Board of Supervisors with respect to each voter-approved bond measure of the District for payment of bonds issued under such measure of the District and all amounts on deposit in any Interest and Sinking Fund of the District for the payment of the principal or redemption price of and interest on such bonds. The Refunding Resolution provides that this pledge and grant is valid and binding from the date of adoption of the Refunding Resolution for the benefit of the owners of such bonds and successors thereto. The Refunding Resolution further provides that the property taxes and amounts held in each Interest and Sinking Fund of the District are immediately subject to this pledge and grant, and this pledge and grant constitutes a lien and security interest which immediately attaches to the property taxes and amounts held in such Interest and Sinking Fund of the District to secure the payment of such bonds and is effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge or grant, and without the need of any physical delivery, recordation, filing, or further act. The Refunding Resolution provides that this pledge and grant is an agreement between the District and the owners of the Refunding Bonds and of each issue of outstanding general obligation bonds and general obligation refunding bonds to provide security for each the Refunding Bonds and all such other general obligation bonds and general obligation refunding bonds of the District in addition to any statutory lien that may exist, and each such issue of general obligation bonds and general obligation refunding bonds of the District are or were issued to finance or refinance, as applicable, one or more of the projects specified in the applicable voter-approved measure and not to finance the general purposes of the District. In accordance with Section 15251 of the Education Code, such bonds are also automatically secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the applicable voter-approved measure. See “ – Statutory Lien on Taxes (Senate Bill 222)” below.

The pledge of tax revenues provided for in the Refunding Resolution specifies that said lien secures the Refunding Bonds and other bonds that may be issued in the future. Further, previous general obligation bonds of the District have been issued under resolutions which pledge tax revenues to secure the general obligation bonds and the general obligation refunding bonds issued thereunder and the District may provide for a similar pledge of tax revenues in resolutions adopted in the future that authorize general obligation bonds and general obligation refunding bonds. The Refunding Resolution does not specify the relative priority of obligations so secured or a method of allocation in the event that the revenues received pursuant to the levy and collection of the tax are insufficient to pay all amounts then due and owing that are secured by the lien of the pledges.

Statutory Lien on Taxes (Senate Bill 222)

Pursuant to Section 53515 of the California Government Code (which became effective on January 1, 2016, as part of Senate Bill 222), all general obligation bonds issued by local agencies, including refunding bonds (including the Refunding Bonds), will be secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax. California Education Code Section 15251 provides for a similar lien for bonds issued and sold by school districts pursuant to Chapter 1 of Part 10 of Division 1 of Title 1 of the California Education Code. Section 53515 of the California Government Code and Section 15251 of the California Education Code provide that the lien will automatically arise, without the need for any action or authorization by the local agency or its governing board, and will be valid and binding

from the time the bonds are executed and delivered. Section 53515 and Section 15251 further provide that the revenues received pursuant to the levy and collection of the tax will be immediately subject to the lien, and the lien will immediately attach to the revenues and be effective, binding and enforceable against the local agency or school district, as applicable, its successor, transferees and creditors, and all others asserting rights therein, irrespective of whether those parties have notice of the lien and without the need for physical delivery, recordation, filing or further act.

This statutory lien, by its terms, secures not only the Refunding Bonds, but also any other bonds of the District payable, as to both principal and interest, from the proceeds of *ad valorem* property taxes that may be levied pursuant to paragraphs (2) and (3) of subdivision (b) of Section 1 of Article XIII A of the California Constitution. The statutory lien provision does not specify the relative priority of obligations so secured or a method of allocation in the event that the revenues received pursuant to the levy and collection of the tax are insufficient to pay all amounts then due and owing that are secured by the statutory lien.

California Constitutional and Statutory Provisions Relating to *Ad Valorem* Property Taxes

Article XIII A of the California Constitution. On June 6, 1978, California voters approved Proposition 13, adding Article XIII A to the California Constitution. Article XIII A limits the amount of any *ad valorem* property tax on real property to one percent of the full cash value thereof, except that additional *ad valorem* property taxes may be levied to pay debt service (i) on indebtedness approved by the voters prior to July 1, 1978, (ii) (as a result of an amendment to Article XIII A approved by California voters on June 3, 1986) on bonded indebtedness for the acquisition or improvement of real property that has been approved on or after July 1, 1978 by two-thirds of the voters voting on such indebtedness, and (iii) (as a result of a constitutional amendment approved by California voters on November 7, 2000) on bonded indebtedness incurred for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, approved by 55 percent of the voters voting on the bond measure. Article XIII A effectively prohibits the levying of any other *ad valorem* property tax above the 1% limit except for taxes to support indebtedness approved by the voters as described above.

Article XIII A defines full cash value to mean “the county assessor’s valuation of real property as shown on the 1975-1976 tax bill under full ‘cash value,’ or thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership have occurred after the 1975 assessment.” Assessed value may be adjusted annually to reflect inflation at a rate not to exceed 2% per year, or to reflect a reduction in the consumer price index or comparable data for the area under taxing jurisdiction, or may be reduced in the event of declining property value caused by substantial damage, destruction or other factors. As a result, property that has been owned by the same taxpayer for many years can have an assessed value that is much lower than the market value of the property. Similar property that has recently been acquired may have a substantially higher assessed value reflecting the recent acquisition price. Increases in assessed value in a taxing area due to the change in ownership of property may occur even when the rate of inflation or consumer price index do not permit an increase in assessed valuation of property that does not change ownership. Proposition 13 has had the effect of stabilizing assessed valuation such that it does not fluctuate as significantly as the market value of property, but instead gradually changes as longer owned residential properties are transferred and reassessed upon such transfer. On June 18, 1992, the United States Supreme Court issued a decision upholding the constitutionality of Article XIII A (*Nordlinger v. Hahn*, 112 S. Ct. 2326, 120 L. Ed. 2d 1 (1992)).

Article XIII A has subsequently been amended to permit reduction of the full cash value base in the event of declining property values caused by damage, destruction or other factors, to provide that there would be no increase in the full cash value base in the event of reconstruction of property damaged or destroyed in a disaster and in other minor or technical ways. Proposition 8, approved by the voters in

November of 1978, provides for the enrollment of the lesser of the base year value or the market value of real property, taking into account reductions in value due to damage, destruction, depreciation, obsolescence, removal of property, or other factors causing a similar decline. In these instances, the market value is required to be reviewed annually until the market value exceeds the base year value. The assessed value increases to its pre-reduction level (escalated to the annual inflation rate of no more than two percent) following the year(s) for which the reduction is applied. Reductions in assessed value could result in a corresponding increase in the annual tax rate levied by the County to pay debt service on the Refunding Bonds.

Legislation Implementing Article XIII A. Legislation has been enacted and amended a number of times since 1978 to implement Article XIII A. Under current law, local agencies are no longer permitted to levy directly any property tax (except to pay voter-approved indebtedness). The one percent property tax is automatically levied by the county and distributed according to a formula among taxing agencies. The formula apportions the tax roughly in proportion to the relative shares of taxes levied prior to 1979.

Increases of assessed valuation resulting from reappraisals of property due to new construction, change in ownership or from the two percent annual adjustment are allocated among the various jurisdictions in the “taxing area” based upon their respective “situation.” Any such allocation made to a local agency continues as part of its allocation in future years. All taxable property is shown at full assessed value on the tax rolls. Consequently, the one percent tax rate is expressed as \$1 per \$100 of taxable value.

Prospective purchasers of the Refunding Bonds should be aware that, notwithstanding any decrease in assessed valuation for any fiscal year, the County is required to levy sufficient taxes to pay debt service on the Refunding Bonds. The consequence of any decrease in assessed valuation is a corresponding increase in the tax rate on taxable property so that sufficient tax revenues may be collected from taxpayers to pay debt service on the Refunding Bonds in full when due.

Assessed Valuation of Property Within the District

General. As required by State law, the District uses the services of the County for the assessment and collection of taxes for District purposes. District taxes are collected at the same time and on the same tax rolls as are the County, the City of Los Angeles and other local agency and special district taxes.

State law exempts \$7,000 of the full cash value of an owner-occupied dwelling from property tax, but this exemption does not result in any loss of revenue to local entities, including the District, because an amount equivalent to the taxes which would have been payable on such exempt values is paid by the State to the County for distribution to local agencies. The County levies property taxes on behalf of taxing agencies in the County for each fiscal year on taxable real and personal property which is situated in the County as of the preceding January 1. However, upon a change in ownership of property or completion of new construction, State law permits the County to recognize changes in the assessed valuation of real property before the next regular assessment roll is complete in order to levy taxes based on the new assessed value. In such instances, the property is reassessed and a supplemental tax bill is sent to the new owner based on the new value prorated for the balance of the tax year.

The fiscal year 2023-24 Assessment Roll for property within the District’s boundaries reflects an increase of approximately 5.96% in assessed value from the prior year. Under State law, in addition to reassessments requested by property owners pursuant to Proposition 8 when the current market value of property is less than assessed value as of January 1, the county assessor annually initiates reviews of property for reassessments due to decline-in-value. See “—*Appeals of Assessed Valuation; Blanket Reductions of Assessed Values*” below.

Assessed Valuation Reductions. Assessments may be adjusted during the course of the year when real property changes ownership or new construction is completed. Assessments may also be appealed by taxpayers seeking a reduction as a result of economic and other factors beyond the District’s control, such as a general market decline in property values, including potential market declines caused by the effects of a reclassification of property to a class exempt from taxation, whether by ownership or use (such as exemptions for property owned by State and local agencies and property used for qualified educational, hospital, charitable or religious purposes), pandemic, or the complete or partial destruction of taxable property caused by natural or manmade disaster, such as earthquake, drought, flood, landslide, liquefaction, levee failure, fire, toxic dumping, etc. When necessitated by changes in assessed value in the course of a year, taxes are pro-rated for each portion of the tax year. See also “—*Appeals of Assessed Valuation; Blanket Reductions of Assessed Values*” below.

Property values could be reduced by factors beyond the District’s control, including a depressed real estate market due to general economic conditions or other events. A pandemic, like the COVID-19 pandemic, may result in an economic recession or depression that causes a general market decline in property values therefore affecting the assessed value of property in the District. For more information on the impact of the COVID-19 pandemic, see APPENDIX A – “DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – STATE FUNDING OF SCHOOL DISTRICTS – Infectious Disease Outbreak.” Events resulting in changing economic conditions may also alter the willingness or the ability of local taxpayers to pay *ad valorem* property taxes levied to repay the District’s general obligation bonds. The District cannot predict whether events that may result in changing economic conditions will occur or the extent that a change in economic conditions will impact assessed value of property in the District or the willingness or ability of local taxpayers to pay *ad valorem* property taxes.

Aside from economic conditions, property values could be reduced by natural or manmade disasters. In recent years, portions of California, including the County and adjacent counties, have experienced wildfires that have burned thousands of acres and destroyed thousands of homes and structures. Moreover, the District is located in a seismically active region. Active earthquake faults include the San Andreas Fault that runs throughout the County, the Palos Verdes fault that runs along the coast and through a small portion of the County, and other smaller faults including the Lower Elysian Park thrust, the Upper Elysian Park fault and Puente Hills blind thrust system. Furthermore, California has experienced severe drought conditions in recent years, but has most recently experienced periods of extreme precipitation. These and other extreme weather events are all effects of climate change. As greenhouse gas emissions continue to accumulate, climate change may intensify and increase the frequency of such extreme weather events. The District cannot predict the timing, extent, or severity of any potential natural or manmade disaster and its impact on property values in the District.

Prospective purchasers of the Refunding Bonds should be aware that, notwithstanding any decrease in assessed valuation for any fiscal year, the County is required to levy sufficient taxes to pay debt service on the Refunding Bonds. The consequence of any decrease in assessed valuation is a corresponding increase in the tax rate on taxable property so that sufficient tax revenues may be collected from taxpayers to pay debt service on the Refunding Bonds in full when due. However, increases in tax rates may impact the ability or willingness of taxpayers to pay their property taxes. See “ – Tax Rates, Levies and Collections.”

Appeals of Assessed Valuation; Blanket Reductions of Assessed Values. There are two basic types of property tax assessment appeals provided for under State law. The first type of appeal, commonly referred to as a base year assessment appeal, involves a dispute on the valuation assigned by the assessor immediately subsequent to an instance of a change in ownership or completion of new construction. If the base year value assigned by the assessor is reduced, the valuation of the property cannot increase in subsequent years more than 2% annually unless and until another change in ownership and/or additional new construction or reconstruction activity occurs. Any base year appeal must be made within four years of the change of ownership or new construction date.

The second type of appeal, commonly referred to as a Proposition 8 appeal, can result if factors occur causing a decline in the market value of the property to a level below the property’s then current taxable value (escalated base year value). Pursuant to State law, a property owner may apply for a Proposition 8 reduction of the property tax assessment for such owner’s property by filing a written application with the appropriate county board of equalization or assessment appeals board. A property owner desiring a Proposition 8 reduction of the assessed value of such owner’s property in any one year must submit an application to the county assessment appeals board (the “Appeals Board”). Following a review of the application by the county assessor’s office, the county assessor may offer to the property owner the opportunity to stipulate to a reduced assessment, or may confirm the assessment. If no stipulation is agreed to, and the applicant elects to pursue the appeal, the matter is brought before the Appeals Board (or, in some cases, a hearing examiner) for a hearing and decision. The Appeals Board generally is required to determine the outcome of appeals within two years of each appeal’s filing date. Any reduction in the assessment ultimately granted applies only to the year for which application is made and during which the written application is filed. The assessed value increases to its pre-reduction level (such pre-reduction level escalated by the annual inflation rate of no more than 2%) following the year for which the reduction application is filed. However, the county assessor has the power to grant a reduction not only for the year for which application was originally made, but also for the then current year and any intervening years as well. In practice, such a reduced assessment may and often does remain in effect beyond the year in which it is granted.

In addition, Article XIII A of the State Constitution provides that the full cash value base of real property used in determining taxable value may be adjusted from year to year to reflect the inflationary rate, not to exceed a 2% increase for any given year, or may be reduced to reflect a reduction in the consumer price index or comparable local data. This measure is computed on a calendar year basis. According to representatives of the County assessor's office, the County has in the past, pursuant to Article XIII A of the State Constitution, ordered blanket reductions of assessed property values and corresponding property tax bills on single family residential properties when the value of the property has declined below the current assessed value as calculated by the County.

No assurance can be given that property tax appeals and/or blanket reductions of assessed property values will not significantly reduce the assessed valuation of property within the District in the future.

Assessed Valuation by Jurisdiction. The following Table 4 describes the percentage and value of the total assessed value of the property within the District’s boundaries that resides in the various cities and unincorporated portions of the County, as well as the assessed value of property within the District relative to the County’s assessed value, for fiscal year 2023-24.

The more property (by assessed value) owned by a single taxpayer, the more tax collections are exposed to weakness, if any, in such taxpayer's financial situation and ability or willingness to pay property taxes in a timely manner. Furthermore, assessments may be appealed by taxpayers seeking a reduction as a result of economic and other factors beyond the District's control.

Tax Rates, Levies and Collections

General. Taxes are levied for each fiscal year on taxable real and personal property as of the preceding January 1. Real property that changes ownership or is newly constructed is revalued at the time the change occurs or the construction is completed. The current year property tax rate is applied to the reassessed value, and the taxes are then adjusted by a proration factor that reflects the portion of the remaining tax year for which taxes are due. The annual tax rate is based on the amount necessary to pay all

obligations payable from *ad valorem* property taxes and the assessed value of taxable property in a given year. Economic and other factors beyond the District's control, such as a general market decline in land values, reclassification of property to a class exempt from taxation, whether by ownership or use (such as exemptions for property owned by State and local agencies and property used for qualified educational, hospital, charitable or religious purposes), pandemic, or the complete or partial destruction of taxable property caused by natural or manmade disaster such as earthquake, drought, flood, fire, toxic dumping, etc., could cause a reduction in the assessed value of taxable property within the District and necessitate a corresponding increase in the annual tax rate to be levied to pay the principal of and interest on the District's outstanding general obligation bonds.

For assessment and collection purposes, property is classified as either "secured" or "unsecured" and is listed accordingly on separate parts of the assessment roll. The "secured roll" is that part of the assessment roll containing property (real or personal) the taxes on which are a lien sufficient, in the opinion of the County Assessor, to secure payment of the taxes. Other property is listed on the "unsecured roll."

Property taxes on the secured roll are due in two installments, on November 1 and February 1 of each fiscal year, and become delinquent on December 10 and April 10, respectively. A penalty of 10% attaches immediately to all delinquent payments. Properties on the secured roll with respect to which taxes are delinquent become tax defaulted on or about June 30 of the fiscal year. Such property may thereafter be redeemed by payment of a penalty of 1.5% per month to the time of redemption, plus costs and a redemption fee. If taxes are unpaid for a period of five years or more, the property is deeded to the State and then may be sold at public auction by the County Treasurer.

Property taxes on the unsecured roll are due in one payment on the January 1 lien date and become delinquent after August 31. A 10% penalty attaches to delinquent unsecured taxes. If unsecured taxes are unpaid at 5 p.m. on October 31, an additional penalty of 1.5% attaches to them on the first day of each month until paid. The County has four ways of collecting delinquent unsecured personal property taxes: (i) a civil action against the taxpayer; (ii) filing a judgment in the office of the County Clerk specifying certain facts in order to obtain a lien on certain property of the taxpayer; (iii) filing a certificate of delinquency for record in the County Recorder's office in order to obtain a lien on certain property of the taxpayer; and (iv) seizure and sale of personal property, improvements or possessory interests belonging or assessed to the assessee.

Proposition 13 and its implementing legislation impose the function of property tax allocation on counties in the State and prescribe how levies on countywide property values are to be shared with local taxing entities within each county. The limitations in Proposition 13, however, do not apply to *ad valorem* property taxes or special assessments to pay the interest and redemption charges on indebtedness, like the District's general obligation bonds, approved by the voters.

The County levies a 1% *ad valorem* property tax on behalf of all taxing agencies in the County. The taxes collected are allocated on the basis of a formula established by State law enacted in 1979. Under this formula, the County and all other taxing entities receive a base year allocation plus an allocation on the basis of "situated" growth in assessed value (new construction, change of ownership, inflation) prorated among the jurisdictions that serve the tax rate areas within which the growth occurs. Tax rate areas are specifically defined geographic areas, which were developed to permit the levying of taxes for less than county-wide or less than city-wide special and school districts. In addition, the County levies and collects additional approved property taxes and assessments on behalf of any taxing agency within the County.

State Government Code Sections 29100 through 29107 provide the procedures that all counties must follow for calculating tax rates. The secured tax levy within the District consists of the District's share of the 1% general *ad valorem* property and unitary taxes assessed on a County-wide basis and amounts

levied that are in excess of the 1% general *ad valorem* property taxes. These tax receipts are part of the District's operations. In addition, the secured tax levy also includes the amount for the District's share of special voter-approved *ad valorem* property taxes assessed on a District-wide basis, such as the *ad valorem* property taxes assessed for the District's general obligation bonds issued pursuant to the Authorizations and any related general obligation refunding bonds. *Ad valorem* property taxes levied for general obligation bonds are deposited with the County and may only be applied to pay the principal of, redemption premium, if any, and interest on the District's general obligation bonds and general obligation refunding bonds. The District does not receive such funds nor are they available to pay any of the District's operating expenses. In addition, the total secured tax levy includes special assessments, improvement bonds, supplemental taxes or other charges which have been assessed on property within the District. Since State law allows homeowners' exemptions (described above) and certain business exemptions from *ad valorem* property taxation, such exemptions are not included in the total secured tax levy. See also "– California Constitutional and Statutory Provisions Relating to *Ad Valorem* Property Taxes" above.

Further, State Education Code Section 15251 provides that all taxes levied with respect to general obligation bonds when collected will be paid into the county treasury of the county whose superintendent of schools has jurisdiction over the school district on behalf of which the tax was levied, to the credit of the debt service fund (or interest and sinking fund) of the school district, and will be used for the payment of the principal of and interest on the general obligation bonds and general obligation refunding bonds of the school district and for no other purpose. Accordingly, the County may not borrow or spend such amounts nor can the District receive such funds and use them for operating purposes.

Typical Tax Rate Area. The following Table 8 shows *ad valorem* property tax rates for the last five fiscal years in a typical Tax Rate Area of the District (TRA 0067). TRA 0067 comprises approximately 30.19% of the total fiscal year 2023-24 assessed value of the District.

Secured Tax Charges and Delinquencies. The following Table 9A sets forth the real property tax charges and corresponding delinquencies for the District's general obligation bond debt service levy, with respect to the property located in the District, for fiscal years 2013-14 through 2022-23. For reference and as an indication of comparative delinquency rates, Table 9B sets forth the real property tax charges and corresponding delinquencies for the portion of the County's 1% general fund levy that is allocated to the District, with respect to property located in the District for fiscal years 2013-14 through 2022-23. The portion of the County's 1% general fund levy that is allocated to the District is not pledged to and does not secure the repayment of Refunding Bonds.

Property tax delinquencies may be impacted by economic and other factors beyond the District's control, including the ability or willingness of property owners to pay property taxes during an economic recession or depression. An economic recession or depression could be caused by many factors outside the control of the District, including reduced consumer confidence, reduced real wages or reduced economic activity as a result of a pandemic or natural or manmade disaster, such as earthquake, drought, flood, fire,

toxic dumping. It is not possible for the District to make any representation regarding the extent to which an economic recession or depression could impact the ability or willingness of property owners within the District to pay property taxes in the future. For more information on the impact of the COVID-19 pandemic, see APPENDIX A – “DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – STATE FUNDING OF SCHOOL DISTRICTS – Infectious Disease Outbreak.” If delinquencies increase substantially as a result of events outside the control of the District, the County does have the authority to increase allowances for annual reserves in the tax levy to avoid fluctuating tax levies.

The County Does Not Participate in a Teeter Plan. Certain counties in the State operate under a statutory program entitled Alternate Method of Distribution of Tax Levies and Collections and of Tax Sale Proceeds (the “Teeter Plan”). Under the Teeter Plan local taxing entities receive 100% of their tax levies net of delinquencies, but do not receive interest or penalties on delinquent taxes collected by the county. The County has not adopted the Teeter Plan, and consequently the Teeter Plan is not available to local taxing entities within the County, such as the District. The District’s receipt of property taxes is therefore subject to delinquencies.

The District Participates in CSDTFA. The District is a member of the California Statewide Delinquent Tax Finance Authority (“CSDTFA”). CSDTFA is a joint exercise of powers agency formed for the purpose of purchasing delinquent *ad valorem* property taxes of its members in accordance with Section 6516.6 of the Government Code of the State of California. Historically, CSDTFA has from time to time purchased delinquent *ad valorem* property tax receivables related to the District’s share of the 1% general *ad valorem* property tax levy (not the additional *ad valorem* property tax levy for debt service on the District’s general obligation bonds) from the District. However, the District cannot predict whether CSDTFA will continue to make such purchases in the future. [CSDTFA purchased the District’s delinquent *ad valorem* property tax receivables related to the 1% general *ad valorem* property tax levy attributable to fiscal year 2022-23 from the District at a purchase price equal to 108% of such receivables and is expected to purchase the District’s delinquent *ad valorem* property tax receivables related to the 1% general *ad valorem* property tax levy attributable to fiscal year 2023-24 from the District at a substantially similar purchase price.] Any penalty charges collected with respect to such delinquencies will be retained by CSDTFA.

The District's General Obligation Bond Program and Bonding Capacity

Voters within the District have approved a total of \$27.605 billion of general obligation bonds in six separate bond elections since 1997. See “INTRODUCTION – The District’s General Obligation Bond Program.” See also APPENDIX A – “DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – DISTRICT FINANCIAL INFORMATION – District Debt” for additional information regarding the District’s outstanding general obligation bonds. Pursuant to Section 15106 of the Education Code, the District’s bonding capacity for general obligation bonds may not exceed 2.5% of taxable property value in the District as shown by the last equalized assessment of the County. [The taxable property valuation in the District for fiscal year 2023-24 is \$929.98 billion, which results in a total current bonding capacity of approximately \$23.25 billion. The District’s available capacity for the issuance of new general obligation bonds is approximately \$12.53 billion (taking into account current outstanding debt before the issuance of the Refunding Bonds and not accounting for the refunding of the Prior Bonds).] The issuance of additional series of general obligation bonds, other than general obligation refunding bonds, in future fiscal years will depend upon, among other things, the assessed valuation of property within the District’s boundaries, as determined by the District’s analysis of information from, among other sources, the Office of the County Assessor. See “– California Constitutional and Statutory Provisions Relating to *Ad Valorem* Property Taxes” above and APPENDIX A – “DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – DISTRICT FINANCIAL INFORMATION – Future Financings – *General Obligation Bonds*.”

Overlapping Debt Obligations

Set forth in Table 12 on the following page is the report prepared by California Municipal Statistics Inc. on [____], 2024, which provides information with respect to direct and overlapping debt within the District as of [____], 2024 (the “Overlapping Debt Report”). The Overlapping Debt Report is included for general information purposes only. The District has not reviewed the Overlapping Debt Report for completeness or accuracy and makes no representations in connection therewith. The Overlapping Debt Report generally includes long-term obligations sold in the public credit markets by public agencies whose boundaries overlap the boundaries of the District. Such long-term obligations generally are not payable from revenues of the District (except as indicated) nor are they necessarily obligations secured by land within the District. In many cases, long-term obligations issued by a public agency are payable only from the general fund or other revenues of such public agency.

The first column in Table 12 names each public agency which has outstanding debt as of the date of the report and whose territory overlaps the District in whole or in part. Column 2 shows the percentage of each overlapping agency’s assessed value located within the boundaries of the District. This percentage, multiplied by the total outstanding debt of each overlapping agency (which is not shown in Table 12) produces the amount shown in column 3, which is the apportionment of each overlapping agency’s outstanding debt to taxable property in the District.

TAX MATTERS

[Opinion of Bond Counsel.] In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the District (“Bond Counsel”), under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the Refunding Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and (ii) interest on the Refunding Bonds is not treated as a preference item in calculating the alternative minimum tax under the Code, however, interest on the Refunding Bonds is included in calculating the “adjusted financial statement income” of certain corporations that are subject to the alternative minimum tax under Section 55 of the Code. In rendering its opinion, Bond Counsel has relied on certain representations, certifications of fact, and statements of reasonable expectations made by the District and others in connection with the Refunding Bonds, and Bond Counsel has assumed compliance by the District with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the Refunding Bonds from gross income under Section 103 of the Code.

In addition, in the opinion of Bond Counsel, under existing statutes, interest on the Refunding Bonds is exempt from personal income taxes imposed by the State of California.

Bond Counsel expresses no opinion as to any other Federal, state or local tax consequences arising with respect to the Refunding Bonds, or the ownership or disposition thereof, except as stated above. Bond Counsel renders its opinion under existing statutes and court decisions as of the issue date, and assumes no obligation to update, revise or supplement its opinion to reflect any action thereafter taken or not taken, any fact or circumstance that may thereafter come to its attention, any change in law or interpretation thereof that may thereafter occur, or for any other reason. Bond Counsel expresses no opinion as to the consequence of any of the events described in the preceding sentence or the likelihood of their occurrence. In addition, Bond Counsel expresses no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel regarding Federal, state or local tax matters, including, without limitation, exclusion from gross income for Federal income tax purposes of interest on the Refunding Bonds.

Certain Ongoing Federal Tax Requirements and Covenants. The Code establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the Refunding Bonds in order that interest on the Refunding Bonds be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to use and expenditure of gross proceeds of the Refunding Bonds, yield and other restrictions on investments of gross proceeds, and the arbitrage rebate requirement that certain excess earnings on gross proceeds be rebated to the Federal government. Noncompliance with such requirements may cause interest on the Refunding Bonds to become included in gross income for Federal income tax purposes retroactive to their issue date, irrespective of the date on which such noncompliance occurs or is discovered. The District has covenanted to comply with certain applicable requirements of the Code to assure the exclusion of interest on the Refunding Bonds from gross income under Section 103 of the Code.

Certain Collateral Federal Tax Consequences. The following is a brief discussion of certain collateral Federal income tax matters with respect to the Refunding Bonds. It does not purport to address all aspects of Federal taxation that may be relevant to a particular owner of a Refunding Bond. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the Federal tax consequences of owning and disposing of the Refunding Bonds.

Prospective owners of the Refunding Bonds should be aware that the ownership of such obligations may result in collateral Federal income tax consequences to various categories of persons, such as corporations (including S corporations and foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security and railroad retirement benefits, individuals otherwise eligible for the earned income tax credit, and taxpayers deemed to have

incurred or continued indebtedness to purchase or carry obligations the interest on which is excluded from gross income for Federal income tax purposes. Interest on the Refunding Bonds may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

Original Issue Discount. “Original issue discount” (“OID”) is the excess of the sum of all amounts payable at the stated maturity of a Refunding Bond (excluding certain “qualified stated interest” that is unconditionally payable at least annually at prescribed rates) over the issue price of that maturity. In general, the “issue price” of a maturity (a bond with the same maturity date, interest rate, and credit terms) means the first price at which at least 10 percent of such maturity was sold to the public, i.e., a purchaser who is not, directly or indirectly, a signatory to a written contract to participate in the initial sale of the Refunding Bonds. In general, the issue price for each maturity of Refunding Bonds is expected to be the initial public offering price set forth on the cover page of the Official Statement. Bond Counsel further is of the opinion that, for any Refunding Bonds having OID (a “Discount Bond”), OID that has accrued and is properly allocable to the owners of the Discount Bonds under Section 1288 of the Code is excludable from gross income for federal income tax purposes to the same extent as other interest on the Refunding Bonds.

In general, under Section 1288 of the Code, OID on a Discount Bond accrues under a constant yield method, based on periodic compounding of interest over prescribed accrual periods using a compounding rate determined by reference to the yield on that Discount Bond. An owner’s adjusted basis in a Discount Bond is increased by accrued OID for purposes of determining gain or loss on sale, exchange, or other disposition of such Refunding Bond. Accrued OID may be taken into account as an increase in the amount of tax-exempt income received or deemed to have been received for purposes of determining various other tax consequences of owning a Discount Bond even though there will not be a corresponding cash payment.

Owners of Discount Bonds should consult their own tax advisors with respect to the treatment of original issue discount for federal income tax purposes, including various special rules relating thereto, and the state and local tax consequences of acquiring, holding, and disposing of Discount Bonds.

Bond Premium. In general, if an owner acquires a Refunding Bond for a purchase price (excluding accrued interest) or otherwise at a tax basis that reflects a premium over the sum of all amounts payable on the Refunding Bond after the acquisition date (excluding certain “qualified stated interest” that is unconditionally payable at least annually at prescribed rates), that premium constitutes “bond premium” on that Refunding Bond (a “Premium Bond”). In general, under Section 171 of the Code, an owner of a Premium Bond must amortize the bond premium over the remaining term of the Premium Bond, based on the owner’s yield over the remaining term of the Premium Bond determined based on constant yield principles (in certain cases involving a Premium Bond callable prior to its stated maturity date, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on such bond). An owner of a Premium Bond must amortize the bond premium by offsetting the qualified stated interest allocable to each interest accrual period under the owner’s regular method of accounting against the bond premium allocable to that period. In the case of a tax-exempt Premium Bond, if the bond premium allocable to an accrual period exceeds the qualified stated interest allocable to that accrual period, the excess is a nondeductible loss. Under certain circumstances, the owner of a Premium Bond may realize a taxable gain upon disposition of the Premium Bond even though it is sold or redeemed for an amount less than or equal to the owner’s original acquisition cost. Owners of any Premium Bonds should consult their own tax advisors regarding the treatment of bond premium for Federal income tax purposes, including various special rules relating thereto, and state and local tax consequences, in connection with the acquisition, ownership and amortization of bond premium on, sale, exchange, or other disposition of Premium Bonds.

Information Reporting and Backup Withholding. Information reporting requirements apply to interest paid on tax-exempt obligations, including the Refunding Bonds. In general, such requirements are

satisfied if the interest recipient completes, and provides the payor with, a Form W-9, “Request for Taxpayer Identification Number and Certification,” or if the recipient is one of a limited class of exempt recipients. A recipient not otherwise exempt from information reporting who fails to satisfy the information reporting requirements will be subject to “backup withholding,” which means that the payor is required to deduct and withhold a tax from the interest payment, calculated in the manner set forth in the Code. For the foregoing purpose, a “payor” generally refers to the person or entity from whom a recipient receives its payments of interest or who collects such payments on behalf of the recipient.

If an owner purchasing a Refunding Bond through a brokerage account has executed a Form W-9 in connection with the establishment of such account, as generally can be expected, no backup withholding should occur. In any event, backup withholding does not affect the excludability of the interest on the Refunding Bonds from gross income for Federal income tax purposes. Any amounts withheld pursuant to backup withholding would be allowed as a refund or a credit against the owner’s Federal income tax once the required information is furnished to the Internal Revenue Service.

Miscellaneous. Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the Federal or state level, may adversely affect the tax-exempt status of interest on the Refunding Bonds under Federal or state law or otherwise prevent beneficial owners of the Refunding Bonds from realizing the full current benefit of the tax status of such interest. In addition, such legislation or actions (whether currently proposed, proposed in the future, or enacted) and such decisions could affect the market price or marketability of the Refunding Bonds.

Prospective purchasers of the Refunding Bonds should consult their own tax advisors regarding the foregoing matters.

The proposed form of the opinion of Hawkins Delafield & Wood LLP relating to the Refunding Bonds is set forth in APPENDIX D — “PROPOSED FORM OF OPINION OF BOND COUNSEL.”]

LEGAL MATTERS

Possible Limitations on Remedies; Bankruptcy

[General. State law contains certain safeguards to protect the financial solvency of school districts. See APPENDIX A – “DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – STATE FUNDING OF SCHOOL DISTRICTS.” If the safeguards are not successful in preventing a school district from becoming insolvent, the State Superintendent of Public Instruction (the “State Superintendent”), operating through an administrator appointed by the State Superintendent, may be authorized under State law to file a petition under Chapter 9 of the United States Bankruptcy Code (the “Bankruptcy Code”) on behalf of the school district for the adjustment of its debts, assuming that the school district meets certain other requirements contained in the Bankruptcy Code necessary for filing a petition under Chapter 9 of the Bankruptcy Code. School districts are not themselves authorized to file a bankruptcy proceeding, and they are not subject to involuntary bankruptcy.

Bankruptcy courts are courts of equity and as such have broad discretionary powers. If the District were to become the debtor in a proceeding under Chapter 9 of the Bankruptcy Code, then the “automatic stay” provisions of the Bankruptcy Code would prohibit the parties from taking any action to collect any amount from the District or the County (including *ad valorem* property tax revenues) or to enforce any obligation of the District or the County, without the bankruptcy court’s permission. In such a proceeding, as part of its plan of adjustment in bankruptcy, the District may be able to alter the priority, interest rate, principal amount, payment terms, collateral, maturity dates, payment sources, covenants (including tax-related covenants), and other terms or provisions of the Refunding Bonds and other transaction documents related to the Refunding Bonds, as long as the bankruptcy court determines that the alterations are fair and

equitable. In addition, in such a proceeding, as part of such a plan, the District may be able to eliminate the obligation of the County to raise taxes if necessary to pay the Refunding Bonds. There also may be other possible effects of a bankruptcy of the District that could result in delays or reductions in payments on the Refunding Bonds, or other losses on the Refunding Bonds. Moreover, regardless of any specific adverse determinations in any District bankruptcy proceeding, the existence of a District bankruptcy proceeding could have an adverse effect on the liquidity and market price of the Refunding Bonds.

As stated above, if a school district were to go into bankruptcy, the bankruptcy petition would be filed under Chapter 9 of the Bankruptcy Code. Chapter 9 provides that it does not limit or impair the power of a state to control, by legislation or otherwise, a municipality of or in such state in the exercise of the political or governmental powers of such municipality, including expenditures for such exercise. For purposes of Chapter 9, a school district is a municipality. State law provides that the *ad valorem* property taxes levied to pay the principal and interest on the Refunding Bonds shall be used for the payment of principal and interest of the District's general obligation bonds and for no other purpose. If this restriction on the expenditure of such *ad valorem* property taxes is respected in a bankruptcy case, then the *ad valorem* property tax revenue could not be used by the District for any purpose other than to make payments on the Refunding Bonds. It is possible, however, that a bankruptcy court could conclude that the restriction should not be respected.

Statutory Lien. Pursuant to the California Government Code, all general obligation bonds issued by local agencies, including refunding bonds (including the Refunding Bonds), are secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax and the lien automatically arises, without the need for any action or authorization by the local agency or its governing board, and is valid and binding from the time the bonds are executed and delivered. See "SECURITY AND SOURCE OF PAYMENT FOR THE REFUNDING BONDS – Statutory Lien on Taxes (Senate Bill 222)." Although a statutory lien would not be automatically terminated by the filing of a Chapter 9 bankruptcy petition by the District, the automatic stay provisions of the Bankruptcy Code would apply, preventing bondholders from enforcing their rights to payment from such tax collections without permission of the bankruptcy court, and payments that become due and owing on the Refunding Bonds during the pendency of the Chapter 9 proceeding could be delayed.

Special Revenues. If the *ad valorem* property tax revenues that are pledged to the payment of the Refunding Bonds (see "SECURITY AND SOURCE OF PAYMENT FOR THE REFUNDING BONDS – Pledge of Tax Revenues") are determined to be "special revenues" within the meaning of the Bankruptcy Code, then the application in a manner consistent with the Bankruptcy Code of the pledged *ad valorem* property tax revenues that are collected after the date of the bankruptcy filing should not be subject to the automatic stay. "Special revenues" are defined to include, among others, taxes specifically levied to finance one or more projects or systems of the debtor, but excluding receipts from general property, sales, or income taxes levied to finance the general purposes of the debtor. The District has specifically pledged the *ad valorem* property taxes for payment of the Refunding Bonds. State law prohibits the use of the tax proceeds for any purpose other than payment of the general obligation bonds (including general obligation refunding bonds) and the original bond proceeds can only be used to fund the acquisition or improvement of real property and other capital expenditures included in the proposition. However, there is no binding judicial precedent dealing with the treatment in bankruptcy proceedings of *ad valorem* property tax revenues collected for the payment of bonds in California, and no assurance can be given that a bankruptcy court will hold that the *ad valorem* property tax revenues are special revenues within the meaning of the Bankruptcy Code.

The Bankruptcy Code provides that there is no stay of application of pledged special revenues to payment of indebtedness secured by such revenues. The United States Court of Appeals for the First Circuit, in cases arising out of the insolvency proceedings of Puerto Rico, has held that this provision permits voluntary payments of debt service by the issuer of bonds backed by special revenues, but does not permit

the bondholders to compel the issuer to make payments of debt service from special revenues. If this decision is followed by other courts, the holders of the Refunding Bonds may be prohibited from taking any action to require the District or the County to make payments on the Refunding Bonds, unless the bankruptcy court's permission is obtained. This could result in substantial delays in payments on the Refunding Bonds.

In addition, even if the *ad valorem* property tax revenues are determined to be "special revenues," the Bankruptcy Code provides that special revenues can be applied to necessary operating expenses of the project or system, before they are applied to other obligations. This rule applies regardless of the provisions of the transaction documents. Thus, a bankruptcy court could permit the District to use the *ad valorem* property tax revenues to pay necessary operating expenses of the District and its schools, before the remaining revenues are paid to the owners of the Refunding Bonds.

Possession of Tax Revenues; Remedies. If the District goes into bankruptcy and the District or the County has possession of tax revenues (whether collected before or after commencement of the bankruptcy), and if the District or the County, as applicable, does not voluntarily pay such tax revenues to the owners of the Refunding Bonds, it is not entirely clear what procedures the owners of the Refunding Bonds would have to follow to attempt to obtain possession of such tax revenues, how much time it would take for such procedures to be completed, or whether such procedures would ultimately be successful. A similar risk would exist if the County goes into bankruptcy and has possession of tax revenues (whether collected before or after commencement of the bankruptcy). The United States Court of Appeals for the First Circuit, in another case arising out of the insolvency proceedings of Puerto Rico, has held that the Bankruptcy Code prohibits the bankruptcy court from requiring a governmental debtor to apply revenues in accordance with applicable non-bankruptcy law. In yet another case arising out of the insolvency proceedings of Puerto Rico, the United States Court of Appeals for the First Circuit has held that creditors cannot bring suit in a non-bankruptcy court to compel the governmental debtor to comply with non-bankruptcy law without first obtaining the permission of the bankruptcy court, and that the bankruptcy court has discretion as to whether to provide permission.

Opinion of Bond Counsel Qualified by Reference to Bankruptcy, Insolvency and Other Laws Relating to or Affecting Creditor's Rights. The proposed form of opinion of Bond Counsel, included as Appendix D, is qualified by reference to bankruptcy, insolvency and other laws relating to or affecting creditor's rights.]

Amounts Held in County Treasury Pool

The County on behalf of the District is expected to be in possession of the annual *ad valorem* property taxes and certain funds to repay the Refunding Bonds and may invest these funds in the County's Treasury Pool, as described in Appendix F – "THE LOS ANGELES COUNTY TREASURY POOL." Should those investments suffer any losses, there may be delays or reductions in payments on the Refunding Bonds.

Legality for Investment in the State

Under provisions of the State Financial Code, the Refunding Bonds are legal investments for commercial banks in the State to the extent that the Refunding Bonds, in the informed opinion of said bank, are prudent for the investment of funds of depositors, and, under provisions of the California Government Code, are eligible for security for deposits of public moneys in the State.

Continuing Disclosure

The District has covenanted for the benefit of the holders and beneficial owners of the Refunding Bonds to provide certain financial information and operating data relating to the District (the “Annual Report”) for each fiscal year by not later than 240 days following the end of the District’s fiscal year (currently ending June 30), commencing with the Annual Report for fiscal year 2023-24, and to provide notices of the occurrence of certain specified events (collectively, the “Listed Events”). The information to be contained in the Annual Report and in a notice of a Listed Event is set forth in Appendix E – “FORM OF CONTINUING DISCLOSURE CERTIFICATE.” The District will provide or cause to be provided the Annual Report and such notices to the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access system in the manner prescribed by the Securities and Exchange Commission (“SEC”). Copies of the District’s annual reports and notices of Listed Event filings are available at the website of Digital Assurance Certification, L.L.C. (“DAC”), www.dacbond.com, and at the website of the Municipal Securities Rulemaking Board’s Electronic Municipal Market Access (“EMMA”) system, emma.msrb.org. The information presented on these websites is not incorporated by reference in this Official Statement and should not be relied upon in making an investment decision with respect to the Refunding Bonds. These covenants have been made in order to assist the Underwriters (defined herein) in complying with SEC Rule 15c2-12(b)(5) (the “Rule”).

Due to the impact of COVID-19 on California school district operations during fiscal year 2019-20, California Senate Bill 98 extended the deadline for school districts to file their audited financial statements for fiscal year 2019-20 with the State to March 31, 2021. As a result, at the time of filing the District’s Annual Report for fiscal year 2019-20, the District’s audited financial statements for fiscal year 2019-20 were not yet available. The District’s audited financial statements for fiscal year 2019-20 were subsequently filed to EMMA on March 30, 2021. Additionally, within the past five years, certain of the District’s annual report and Listed Events filings required in connection with its prior continuing disclosure undertakings were not properly linked to all CUSIP numbers for the District’s outstanding bonds.

Certain Legal Matters

The validity of the Refunding Bonds and certain other legal matters are subject to the approving opinion of Hawkins Delafield & Wood LLP, Los Angeles, California, Bond Counsel to the District, and certain other conditions. A complete copy of the proposed form of opinion of Bond Counsel with respect to the Refunding Bonds is contained in Appendix D. Bond Counsel undertakes no responsibility for the accuracy, completeness or fairness of this Official Statement. Certain legal matters will also be passed upon for the District by its General Counsel and by the District’s Disclosure Counsel, Orrick, Herrington & Sutcliffe LLP, Los Angeles, California (“Disclosure Counsel”), and for the Underwriters by their counsel, [____], [____], [____] (“Underwriters’ Counsel”).

Each of Bond Counsel, Disclosure Counsel, and Underwriters’ Counsel will receive compensation contingent upon the sale and delivery of the Refunding Bonds. From time to time, Bond Counsel and Disclosure Counsel each may represent one or more of the Underwriters in matters unrelated to the District or the Refunding Bonds.

FINANCIAL STATEMENTS

The District’s Audited Annual Financial Report for fiscal year ended June 30, 2023, including its general purpose financial statements for the fiscal year ended June 30, 2023, is included as Appendix B. The basic financial statements of the District for the fiscal year 2022-23 have been audited by Simpson & Simpson, independent certified public accountants, as stated in their report appearing in Appendix B. The District has not requested nor has the District obtained the consent of Simpson & Simpson to the inclusion of its report in Appendix B. Simpson & Simpson has not been engaged to perform and has not performed,

since the date of its report included herein, any procedures on the financial statements addressed in that report. Simpson & Simpson has not been requested to perform and has not performed any procedures relating to the Official Statement.

LITIGATION

There is no litigation pending against the District or, to the knowledge of its respective executive officers, threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Refunding Bonds or in any way contesting or affecting the validity of the Refunding Bonds or the Authorizations or any proceedings of the District taken with respect to the issuance or sale thereof, or the levy or application of *ad valorem* property taxes for the payment of principal of and interest on the Refunding Bonds or the use of the proceeds of the Refunding Bonds. There are no pending lawsuits that, in the opinion of the District's General Counsel, challenge the validity of the Refunding Bonds, the existence of the District, or the title of the executive officers to their respective offices. There are a number of lawsuits and claims pending against the District. See APPENDIX A – "DISTRICT FINANCIAL INFORMATION AND REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION – DISTRICT FINANCIAL INFORMATION – Risk Management and Litigation." In the opinion of the District, the outcome of the presently pending suits and claims will not materially impair the District's repayment of the Bonds.

MISCELLANEOUS

Ratings

Fitch Ratings, Inc. ("Fitch"), Kroll Bond Rating Agency, LLC ("KBRA"), and Moody's Investors Service Inc. ("Moody's") have assigned their municipal bond ratings of "[__]," "[__]," and "[__]," respectively, to the Refunding Bonds, which may include information that has not been included in this Official Statement. The District has furnished to each rating agency certain materials and information with respect to itself and the Refunding Bonds. Generally, rating agencies base their ratings on such information and materials and on their own investigations, studies and assumptions. Each rating reflects only the view of the respective rating agency, and any explanation of the significance of such rating may be obtained only from the issuing rating agency furnishing the same, at the following addresses: Fitch Ratings, Inc., 33 Whitehall Street, New York, New York 10004, telephone: (212) 908-0800, Kroll Bond Rating Agency, LLC, 805 Third Avenue, 29th floor, New York, New York 10022, telephone: (212) 702-0707, and Moody's Investors Service, Inc., 7 World Trade Center at 250 Greenwich Street, New York, New York 10007, telephone: (212) 533-0300. There is no assurance that any such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by such rating agency, if, in its judgment, circumstances so warrant. Any such downward revision or withdrawal of any such rating may have an adverse effect on the market price of the Refunding Bonds.

Municipal Advisor

The District has retained Public Resources Advisory Group, as Municipal Advisor (the "Municipal Advisor") in connection with the issuance of the Refunding Bonds and certain other financial matters. The Municipal Advisor has not been engaged, nor has it undertaken, to audit, authenticate or otherwise verify the information set forth in this Official Statement, or any other related information available to the District, with respect to accuracy and completeness of disclosure of such information. The Municipal Advisor has reviewed this Official Statement but makes no guaranty, warranty or other representation respecting accuracy and completeness of the information contained in this Official Statement. The Municipal Advisor will receive compensation from the District contingent upon the sale and delivery of the Refunding Bonds.

Verification of Mathematical Computations

Upon the delivery of the Refunding Bonds, [VERIFICATION AGENT], [____], [____] (the “Verification Agent”), will deliver a report stating that the firm has verified the mathematical accuracy of the schedules with respect to the sufficiency of the Escrow Fund established to pay the redemption price of, including accrued interest thereon, the Prior Bonds. The scope of the verification will be based solely on information and assumptions provided to the Verification Agent by the Underwriters. The Verification Agent will express no opinion on the assumptions provided to it by the Underwriters, nor as to the exemption from taxation of the interest on the Refunding Bonds.

Underwriting

The Refunding Bonds are being purchased by [____], on behalf of a syndicate that also includes the other underwriters set forth on the cover hereof (collectively, the “Underwriters”). The Underwriters have agreed to purchase the Refunding Bonds at the purchase price of \$ _____ (which amount is equal to the aggregate principal amount of the Refunding Bonds, [plus/less] [an][a net] original issue [premium/discount] of \$ _____, less an Underwriters’ discount of \$ _____), pursuant to a Bond Purchase Agreement, dated _____, 2024 (the “Purchase Agreement”), by and between the Underwriters and the District, relating to the Refunding Bonds. Pursuant to the Purchase Agreement, the Underwriters will purchase all of the Refunding Bonds if any are purchased.

The Underwriters may offer and sell the Refunding Bonds to certain securities dealers and dealer banks and banks acting as agent at prices lower than the public offering prices stated on the inside cover page of this Official Statement. The public offering prices may be changed from time to time by the Underwriters.

The Underwriters have provided the following paragraphs for inclusion in the section “MISCELLANEOUS – Underwriting.” No representation is made by the District as to the accuracy, completeness or adequacy of such information.

Certain of the Underwriters and their respective affiliates are full service financial institutions engaged in various activities, which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. Under certain circumstances, the Underwriters and their affiliates may have certain creditor and/or other rights against the District and its affiliates in connection with such activities. In the various course of their various business activities, the Underwriters and their respective affiliates, officers, directors and employees may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the District (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the District. The Underwriters and their respective affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire, long and/or short positions in such assets, securities and instruments.

APPENDIX C

BOOK-ENTRY ONLY SYSTEM

THE INFORMATION IN THIS APPENDIX C CONCERNING THE DEPOSITORY TRUST COMPANY AND ITS BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM SOURCES THAT THE DISTRICT AND THE UNDERWRITERS BELIEVE TO BE RELIABLE, BUT THE DISTRICT AND THE UNDERWRITERS TAKE NO RESPONSIBILITY FOR THE ACCURACY OR COMPLETENESS THEREOF. THERE CAN BE NO ASSURANCE THAT THE DEPOSITORY TRUST COMPANY WILL ABIDE BY ITS PROCEDURES OR THAT SUCH PROCEDURES WILL NOT BE CHANGED FROM TIME TO TIME.

The Depository Trust Company (“DTC”) will act as securities depository for the Refunding Bonds. The Refunding Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered security certificate will be issued for each maturity of the Refunding Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world’s largest security depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com. Information on these websites is not incorporated herein by reference.

Purchases of the Refunding Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Refunding Bonds on DTC’s records. The ownership interest of each actual purchaser of each security (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Refunding Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Refunding Bonds, except in the event that use of the book-entry system for the Refunding Bonds is discontinued.

To facilitate subsequent transfers, all Refunding Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Refunding Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Refunding Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Refunding Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Refunding Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Refunding Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For example, Beneficial Owners of the Refunding Bonds may wish to ascertain that the nominee holding the Refunding Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Refunding Bonds are to be redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Refunding Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Refunding Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and other payments on the Refunding Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or the District subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and other payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Refunding Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor depository is not obtained, security certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, certificates will be printed and delivered to DTC and the requirements of the Refunding Resolution with respect to certificated Refunding Bonds will apply.

THE DISTRICT, THE COUNTY, THE PAYING AGENT, THE MUNICIPAL ADVISOR, AND THE UNDERWRITERS CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE REFUNDING BONDS (I) PAYMENTS OF PRINCIPAL OF AND INTEREST ON THE REFUNDING BONDS (II) CONFIRMATIONS OF THEIR OWNERSHIP INTERESTS IN THE REFUNDING BONDS OR (III) OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS PARTNERSHIP NOMINEE, AS THE REGISTERED OWNER OF THE REFUNDING BONDS, OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT.

NEITHER THE DISTRICT, THE COUNTY, THE PAYING AGENT, THE MUNICIPAL ADVISOR, NOR THE UNDERWRITERS WILL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO DTC, THE DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS OF DTC OR THE BENEFICIAL OWNERS WITH RESPECT TO (I) THE ACCURACY OR COMPLETENESS OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC, (II) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OF OR INTEREST ON THE REFUNDING BONDS, (III) THE DELIVERY BY DTC OR ANY DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS OF DTC OF ANY NOTICE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED TO BE GIVEN TO OWNERS UNDER THE TERMS OF THE REFUNDING RESOLUTION, OR (IV) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS OWNER OF THE REFUNDING BONDS.

APPENDIX D**PROPOSED FORM OF OPINION OF BOND COUNSEL**

Upon issuance of the Refunding Bonds, Hawkins Delafield & Wood LLP, Los Angeles, California, Bond Counsel to the Los Angeles Unified School District, will render its approving opinion with respect to the Refunding Bonds in substantially the following form:

FORM OF CONTINUING DISCLOSURE CERTIFICATE

APPENDIX F

THE LOS ANGELES COUNTY TREASURY POOL

The Treasurer and Tax Collector of the County of Los Angeles (the “Treasurer”) manages, in accordance with California Government Code Section 53600 et seq., funds deposited with the Treasurer by County school and community college districts, various special districts and some cities. State law generally requires that all moneys of the County, school districts and certain special districts be held in the County’s Treasury Pool (the “Treasury Pool”) as described below. The composition and value of investments under management in the Treasury Pool vary from time to time, depending on the cash flow needs of the County and the other public agencies invested in the Treasury Pool, the maturity or sale of investments, purchase of new securities and fluctuations in interest rates generally. Additionally, the Treasurer, with the consent of the Board of Supervisors of the County of Los Angeles (the “County”), may change the County investment policy at any time. Therefore, there can be no assurance that the values of the various investments in the Treasury Pool will not vary significantly from the values described herein. Neither the District, the Municipal Advisor nor the Underwriters make any representation as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof, or that the information contained herein is correct as of any time subsequent to its date. The Treasurer maintains a website, the address of which is <https://ttc.lacounty.gov/monthly-reports/>, on which the Treasurer periodically places information relating to the Treasury Pool. However, the information presented there is not part of this Official Statement, is not incorporated by reference herein and should not be relied upon in making an investment decision with respect to the Refunding Bonds.

The County of Los Angeles Pooled Surplus Investments
[TO BE UPDATED PRIOR TO POS POSTING]

The Treasurer and Tax Collector (the “Treasurer”) of the County of Los Angeles (the “County”) has the delegated authority to invest funds on deposit in the County Treasury (the “Treasury Pool”). As of February 29, 2024, investments in the Treasury Pool were held for local agencies including school districts, community college districts, special districts and discretionary depositors such as cities and independent districts in the following amounts:

Local Agency	Invested Funds (in billions)
County of Los Angeles and Special Districts	\$22.953
Schools and Community Colleges	29.866
Discretionary Participants	3.712
Total	<u>\$56.531</u>

The Treasury Pool participation composition is as follows:

Non-discretionary Participants	93.43%
Discretionary Participants:	
Independent Public Agencies	6.44%
County Bond Proceeds and Repayment Funds	0.13%
Total	<u>100.00%</u>

Decisions on the investment of funds in the Treasury Pool are made by the County Investment Officer in accordance with established policy, with certain transactions requiring the Treasurer’s prior approval. In Los Angeles County, investment decisions are governed by Chapter 4 (commencing with

Section 53600) of Part 1 of Division 2 of Title 5 of the California Government Code, which governs legal investments by local agencies in the State of California, and by a more restrictive Investment Policy developed by the Treasurer and adopted by the Los Angeles County Board of Supervisors on an annual basis. The Investment Policy adopted on March 21, 2023, reaffirmed the following criteria and order of priority for selecting investments:

1. Safety of Principal
2. Liquidity
3. Return on Investment

The Treasurer prepares a monthly Report of Investments (the “Investment Report”) summarizing the status of the Treasury Pool, including the current market value of all investments. This report is submitted monthly to the Board of Supervisors. According to the Investment Report dated April 1, 2024, the February 29, 2024 book value of the Treasury Pool was approximately \$56.531 billion, and the corresponding market value was approximately \$54.130 billion.

An internal controls system for monitoring cash accounting and investment practices is in place. The Treasurer’s Compliance Auditor, who operates independently from the Investment Officer, reconciles cash and investments to fund balances daily. The Compliance Auditor’s staff also reviews each investment trade for accuracy and compliance with the Board adopted Investment Policy. On a quarterly basis, the County’s outside independent auditor (the “External Auditor”) reviews the cash and investment reconciliations for completeness and accuracy. Additionally, the External Auditor reviews investment transactions on a quarterly basis for conformance with the approved Investment Policy and annually accounts for all investments.

The following table identifies the types of securities held by the Treasury Pool as of February 29, 2024:

Type of Investment	% of Pool
Certificates of Deposit	4.07%
U.S. Government and Agency Obligations	69.37
Bank Acceptances	0.00
Commercial Paper	26.47
Municipal Obligations	0.07
Corporate Notes & Deposit Notes	0.02
Repurchase Agreements	0.00
Asset Backed Instruments	0.00
Other	0.00
	<u>100.00%</u>

The Treasury Pool is highly liquid. As of February 29, 2024, approximately 33.28% of the investments mature within 60 days, with an average of 705 days to maturity for the entire portfolio.

202_ General Obligation Refunding Bonds, Series _
(Dedicated Unlimited Ad Valorem Property Tax Bonds)

BOND PURCHASE AGREEMENT

[Sale Date]

Los Angeles Unified School District
 c/o Office of the Chief Business Officer
 333 S. Beaudry Avenue, 26th Floor
 Los Angeles, California 90017

Ladies and Gentlemen:

The undersigned, [Representative], on its own behalf and as representative (the “Representative”) of the Underwriters identified on the signature page hereof (collectively, the “Underwriters”), hereby offers to enter into this Bond Purchase Agreement (the “Purchase Agreement”) with the Los Angeles Unified School District (the “District”), which, upon your acceptance hereof, will be binding upon the District and the Underwriters. This offer is made subject to the written acceptance of this Purchase Agreement by the District and delivery of such acceptance to us at or prior to 11:59 PM, California Time, on the date hereof.

1. Purchase and Sale of the Bonds.

A. Upon the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Underwriters hereby agree to purchase from the District for reoffering to the public, and the District hereby agrees to sell to the Underwriters for such purpose, all (but not less than all) of the District’s [SPA] 202_ General Obligation Refunding Bonds, Series _ (Dedicated Unlimited Ad Valorem Property Tax Bonds) (the “Bonds”). The Bonds shall be issued in the form of current interest bonds in such principal amounts as set forth in Exhibit A hereto and shall be issued in fully registered form in the authorized denominations of \$5,000 or any integral multiple thereof. The Bonds shall bear interest payable from the date thereof and such interest shall be payable on each January 1 and July 1 to maturity, commencing on [FIPD].

B. The Underwriters shall purchase the Bonds at a price of \$_____ (the “Purchase Price”) (which represents the aggregate principal amount of the Bonds, plus original issue premium of \$_____, and less an Underwriters’ discount in the amount of \$_____). From the Purchase Price for the Bonds, the Underwriters shall withhold and hereby agree to wire on the Closing Date (as defined below) \$_____ in immediately available funds to U.S. Bank Trust Company, National

Association (the "Paying Agent"), as costs administrator, to pay the costs of issuance of the Bonds as provided in Section 13 of this Purchase Agreement.

C. Any authority, discretion, or other power conferred upon the Underwriters by this Purchase Agreement shall be exercised by the Representative alone.

2. **The Bonds.**

A. The Bonds shall be dated their date of delivery, shall bear interest at the rates, shall mature in the years and amounts and shall have the redemption provisions as set forth in Exhibit A hereto. The Bonds shall otherwise be as described in, and shall be issued and secured pursuant to the provisions of Articles 9 and 11, Chapter 3, Part 1 of Division 2 of Title 5 of the California Government Code, commencing with Section 53506 (the "Bond Law"), and a Resolution of the Board of Education of the District (the "Board of Education") adopted on [Resolution Date] ("Resolution") authorizing the issuance of not to exceed \$[MPA] of general obligation refunding bonds of the District. [A portion of the proceeds of the Bonds will be deposited into an escrow fund established pursuant to an Escrow Agreement, dated as of [Dated Date] (the "Escrow Agreement"), by and between the District and U.S. Bank Trust Company, National Association, as escrow bank (the "Escrow Bank"), for the bonds of the District to be refunded as described in the Official Statement, defined herein (the "Prior Bonds"), for the benefit of the owners of the Prior Bonds, to refund and defease the Prior Bonds.]

B. Upon the written acceptance of this Purchase Agreement by the District, the Representative, on behalf of the Underwriters, shall deliver, within twenty-four (24) hours of such acceptance, by federal funds wire transfer to U.S. Bank Trust Company, National Association as agent to the Treasurer and Tax Collector of the County of Los Angeles, as paying agent (the "Paying Agent"), for the account of the District, the amount of \$ _____ as a good-faith deposit ("Good Faith Deposit") for the performance by the Underwriters of their obligations to accept and pay for the Bonds at Closing (as defined herein) in accordance with the provisions of this Purchase Agreement. Upon receipt, such amount shall be held by the District pending Closing (except as provided below), although the proceeds thereof may be invested by the District pending the Closing. At the Closing, the Underwriters shall pay or cause to be paid the Purchase Price of the Bonds, less the amount of such Good Faith Deposit, without accrued interest, and thereupon the District shall apply the amount of the Good Faith Deposit, to the payment of the balance of such Purchase Price. In the event of the District's inability to deliver the Bonds at the Closing, or if the District is unable to satisfy the conditions to the Underwriters' obligations contained herein (unless such conditions are waived by the Underwriters), or if the Underwriters' obligations shall be terminated for any reason permitted hereby, the District shall forthwith return the amount of the Good Faith Deposit, without accrued interest, to the Representative immediately and such return shall constitute a full release and discharge of all claims by the Underwriters against the District arising out of the transactions contemplated by this Purchase Agreement. In the event that the Underwriters fail (other than for a reason permitted hereby) to accept and pay for the Bonds at the Closing as herein provided, the proceeds of the Good Faith Deposit, shall be retained and applied by the

District in full and complete liquidated damages (and not as a penalty) for such failure and as a discharge of all damages suffered on the part of the District as a result of such failure.

C. The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Agreement, the Bond Law and the Resolution. The Bonds shall be in definitive form, shall bear CUSIP numbers and shall be in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”).

3. **Use of Documents.** The District hereby authorizes the Underwriters to use, in connection with the offer and sale of the Bonds, the Resolution, this Purchase Agreement, the Escrow Agreement, a Preliminary Official Statement and an Official Statement (both as defined herein), and all information contained herein and therein and all of the documents, certificates or statements furnished by the District to the Underwriters in connection with the transactions contemplated by this Purchase Agreement.

4. **Public Offering of the Bonds; Establishment of Issue Price.**

A. The Representative, on behalf of the Underwriters, agrees to make a bona fide initial public offering of all the Bonds at prices no higher than, or yields not lower than, those set forth on Exhibit A hereto. Subsequent to such initial public offering but subject to the provisions set forth below, the Underwriters reserve the right to lower such initial offering prices as the Representative deems necessary in connection with the marketing of the Bonds; provided, however, that the Representative shall not change the interest rates set forth in Exhibit A. Subject to the provisions set forth below, the Underwriters may offer and sell the Bonds to certain dealers (including dealers depositing the Bonds into investment trusts) and others at prices lower than the initial public offering price or prices set forth on Exhibit A hereto. Subject to the provisions set forth below, the Underwriters also reserve the right to (i) over-allot or effect transactions which stabilize or maintain the market price of the Bonds at levels above those that might otherwise prevail in the open market and (ii) discontinue such stabilizing, if commenced, at any time without prior notice. The Representative, on behalf of the Underwriters, agrees to assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Representative, the District and Bond Counsel (as defined herein), to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the District under this section to establish the issue price of the Bonds may be taken on behalf of the District by the District’s municipal advisor, Public Resources Advisory Group (the “Municipal Advisor”) and any notice or report to be provided to the District may be provided to the District’s Municipal Advisor.

B. Except as otherwise set forth in Exhibit A attached hereto, the District will treat the first (meaning single) price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity (if different interest rates apply within a maturity, each separate CUSIP number within that maturity will be subject to the

10% test). At or promptly after the execution of this Purchase Agreement, the Representative shall report to the District the price or prices at which the Underwriters have sold to the public each maturity of Bonds.

C. The Representative confirms that the Underwriters have offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Exhibit A attached hereto, except as otherwise set forth therein. Exhibit A also sets forth, as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the Representative represents that (i) the 10% test has been satisfied and (ii) the 10% test has not been satisfied and for which the District and the Representative, on behalf of the Underwriters, agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriters will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or
- (2) the date on which the Underwriters have sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The District acknowledges that, in making the representation set forth in this subsection, the Representatives will rely on (i) the agreement of each Underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an Underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires. The District further acknowledges that each Underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no Underwriter shall be liable for the failure of any other Underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.

D. The Representative confirms that:

(1) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the Representative is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each Underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A)(i) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the Representative that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (ii) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Representative and as set forth in the related pricing wires, (B) promptly notify the Representative of any sales of the Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the sale of the Bonds to the public (each such term used as defined below), and (C) acknowledge that, unless advised by the Underwriter, dealer or broker-dealer, the Representative shall assume that each order submitted by the dealer or broker-dealer is a sale to the public; and

(2) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each Underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the Representative or the Underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the Representative or the Underwriter and as set forth in the related pricing wires.

E. The Underwriters acknowledge that sales of any Bonds to any person that is a related party to an Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(1) “public” means any person other than an underwriter or a related party;

(2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public);

(3) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

(4) “sale date” means the date of execution of this Purchase Agreement by all parties.

5. **Review of Official Statement.**

A. The Underwriters hereby represent that they have received and reviewed the official statement in preliminary form with respect to the Bonds, dated [POS Date] (the “Preliminary Official Statement”). The District represents that it has deemed the Preliminary Official Statement to be final as of its date, except for either revisions to or additions of the initial public offering prices, interest rates, yields, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, ratings, credit enhancement and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities and Exchange Act of 1934, as amended (“Rule 15c2-12”).

B. The Underwriters agree that prior to the time the final official statement (the “Official Statement”) relating to the Bonds is available, the Underwriters will make available to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) or electronic copy posted on an accessible website not later than the next business day following the date upon which each such request is received.

C. The Underwriters agree to file the Official Statement with the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access system within one (1) business day after receipt thereof from the District, but in no event later than the Closing Date (as defined below).

D. References herein to the Preliminary Official Statement and the Official Statement include the cover page through all appendices, exhibits, reports and statements included therein or attached thereto, as the same may be amended or supplemented from time to time.

6. **Closing.**

A. At [9:00] a.m., California Time, on [Closing Date], or at such other time or on such other date as shall have been mutually agreed upon by the parties hereto (the “Closing,” or the “Closing Date”), the District will direct U.S. Bank Trust Company, National Association as agent to the Paying Agent and registrar of the Bonds, to deliver to the account of the Representative, through the facilities of DTC, or at such other place as the District and the Representative may mutually agree upon, the Bonds duly executed and in fully registered, book-entry form, and will cause the other documents hereinafter mentioned pertaining to the Bonds to be delivered at the offices of Hawkins Delafield & Wood LLP, Bond Counsel to the District (“Bond Counsel”) in Los Angeles, California or at such other place as shall have been mutually agreed upon by the parties hereto.

B. Upon fulfillment of all conditions to Closing herein, the Underwriters will accept such delivery and pay the Purchase Price thereof in immediately available funds (by check, wire transfer or such other manner of payment as the Representative and the Chief Business Officer of the District shall reasonably agree upon) to the order of the District and U.S. Bank Trust Company, National Association, as cost administrator, as provided by Section 1 hereof, less the Good Faith Deposit, as provided by Section 2 hereof.

7. **Representations, Warranties and Agreements of the District.** The District hereby represents, warrants and agrees with the Underwriters that:

A. The District is a unified school district validly existing under the laws of the State of California (the “State”), with the power to issue the Bonds pursuant to the Bond Law.

B. (i) At or prior to the Closing, the District will have taken all action required to be taken by it to authorize the issuance and delivery of the Bonds; (ii) the District has full legal right, power and authority to execute and deliver this Purchase Agreement, the Escrow Agreement and the Continuing Disclosure Certificate (as defined below), to adopt the Resolution, to issue and to deliver the Bonds, and to perform its obligations under each such document or instrument (collectively, the “District Documents”), and to carry out and effectuate the transactions contemplated by the District Documents; (iii) the execution and delivery or adoption of, and the performance by the District of its obligations contained in, the Bonds and the other District Documents have been duly authorized and such authorization shall be in full force and effect at the time of the Closing; (iv) this Purchase Agreement constitutes, and each of the Bonds, when issued, authenticated, delivered and sold to the Underwriters as provided herein, and each of the other District Documents, when duly executed and delivered, will constitute, a valid and legally binding obligation of the District, enforceable against the District in accordance with its terms; and (v) the District has duly authorized the consummation by it of all transactions contemplated by the District Documents.

C. No consent, approval, authorization, order, filing, registration, qualification, election or referendum, of or by any court or governmental agency or public body whatsoever is required in connection with the issuance, delivery or sale of the Bonds or the

consummation of the other transactions effected or contemplated herein or hereby, except for such actions as may be necessary to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions of the United States as the Underwriters may reasonably request, or which have not been taken or obtained; *provided, however*, that the District shall not be required to subject itself to service of process in any jurisdiction in which it is not so subject as of the date hereof.

D. The District is not in breach of or in default under any applicable constitutional provision, law or administrative regulation of the State or the United States relating to the issuance of the Bonds or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute, in any manner which would adversely affect the transactions contemplated hereby, a default or event of default by the District under any of the foregoing.

E. The issuance of the Bonds, the adoption, execution, delivery and performance of the District Documents, and the compliance with the provisions of the District Documents do not conflict with or result in on the part of the District a violation or breach of, or default under, any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, where such conflict, violation, breach or default, individually or in the aggregate, shall result in a material adverse change to the District that materially and adversely affects the ability of the Underwriters to market the Bonds or enforce contracts of sale on the Bonds.

F. As of the time of acceptance hereof, except as provided in the Preliminary Official Statement and the Official Statement, no action, suit, proceeding, hearing or investigation is pending (in which service of process has been completed against the District) or, to the best knowledge of the District, threatened against the District: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices or the titles of the officials of the District to such offices; (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, or the levy of any taxes contemplated by the Resolution, or in any way contesting or affecting the validity or enforceability of the Bonds or the other District Documents or contesting the powers of the District or its authority with respect to the Bonds or the other District Documents; (iii) contesting the completeness or accuracy of the Preliminary Official Statement; or (iv) in which a final adverse decision could (a) materially adversely affect the operations of the District or the consummation of the transactions contemplated by the District Documents, (b) declare this Purchase Agreement to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes or the exemption of the interest paid on the Bonds from State personal income taxation.

G. Between the date hereof and the Closing, without the prior written consent of the Representative, the District will not have issued in the name of the District any bonds, notes or other obligations for borrowed money except for such borrowing as may be described in or contemplated by the Preliminary Official Statement and the Official Statement.

H. The Preliminary Official Statement was as of its date and is as of the date hereof (excluding information permitted to be omitted pursuant to Rule 15c2-12), true and correct in all material respects, and the Preliminary Official Statement contains no untrue statement of any material fact and does not omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

The Official Statement is, and at all times subsequent to the date of the Official Statement (or in the case of any amendment to the Official Statement pursuant to Section 7. L. of this Purchase Agreement, at the date of the delivery of the Official Statement, as amended) up to and including the Closing will be, true and correct in all material respects, and the Official Statement contains, and up to and including the Closing will contain, no untrue statement of any material fact and does not, and up to and including the Closing will not, omit to state a material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. At the time of the Closing, there shall not have been any material adverse changes in the financial condition of the District since the date of the Official Statement.

I. To assist the Underwriters in complying with Rule 15c2-12, the District will undertake, pursuant to the Resolution and the Continuing Disclosure Certificate dated the Closing Date (the “Continuing Disclosure Certificate”), to provide annual reports and notices of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will be set forth in the Official Statement. Except as disclosed in the Preliminary Official Statement and the Official Statement, the District has not failed to comply in all material respects with any of its prior disclosure undertakings pursuant to Rule 15c2-12 in the last five years.

J. Any certificates signed by any officer of the District and delivered to the Underwriters shall be deemed a representation and warranty by the District to the Underwriters, but not by the person signing the same in such person’s individual capacity, as to the statements made therein;

K. Preparation and distribution of the Preliminary Official Statement and the Official Statement have been duly authorized by the District, and at the time of delivery of the Official Statement (or in the case of any amendment to the Official Statement pursuant to Section 7. L. of this Purchase Agreement, at the time of the delivery of the Official Statement, as amended) to the Underwriters and at all times subsequent thereto up to and including the Closing Date, the information contained therein (excluding the statements and information in Appendix C – “Book-Entry Only System” and any information provided by the Underwriters in writing for inclusion in the Official Statement) will be true and correct in all material respects and such information will not contain any untrue

statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

L. The District agrees that if at any time before the Closing any event occurs as a result of which the Official Statement as then in effect would include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, then the District shall promptly prepare or cause to be prepared and furnish (at the expense of the District) an amendment or supplement to the Official Statement that will correct such statement or omission. The District will advise the Representative promptly of any proposal to so amend or supplement the Official Statement and will effect such amendment or supplement in a form and manner approved by the Representative.

M. The audited financial statements of the District for the fiscal year ended June 30, 202__ (which is included as Appendix B to the Official Statement) were prepared in accordance with generally accepted accounting principles consistently applied and fairly present the financial position and results of operation of the District for the period and at the date set forth therein, and there has been no material adverse change in the business, affairs, financial position, results of operations or condition, financial or otherwise, of the District since the date of such financial statements, except as otherwise disclosed in the Official Statement.

N. The Resolution has been duly adopted, has not been modified, repealed or rescinded in any respect, and is in full force and effect.

8. **Covenants of the District.** The District covenants and agrees with the Underwriters that:

A. The District will furnish such information, execute such instruments, and take such other action in cooperation with the Underwriters if and as the Underwriters may reasonably request in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions, as the Underwriters may reasonably request, provided, however, that the District shall not be required to consent to service of process in any jurisdiction in which it is not so subject as of the date hereof.

B. The District hereby agrees to deliver or cause to be delivered to the Underwriters, not later than the earlier of (i) the third (3rd) business day preceding the Closing Date or (ii) the seventh (7th) business day following the date this Purchase Agreement is signed, the Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriters and the District, (a) in “designated electronic format” (as defined in Rule G-32 of the Municipal Securities Rulemaking Board), and (b) in printed form in such reasonable quantities as may be requested by the Underwriters in order to permit the Underwriters to comply with paragraph (b)(4) of Rule 15c2-12 and with the rules of the Municipal Securities Rulemaking Board.

C. The District hereby agrees to promptly notify the Underwriters of any event or occurrence that may affect the accuracy or completeness of any information set forth in the Official Statement relating to the District until the date which is twenty-five (25) days following the Closing.

D. If at any time prior to the expiration of twenty-five (25) days following the “end of the underwriting period” (as defined in Rule 15c2-12), any event known to the District relating to or affecting the District or the Bonds occurs which might cause the Official Statement to contain any untrue statement of a material fact or to omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, the District will promptly notify the Underwriters in writing of the circumstances and details of such event. If, as a result of such event or any other event, it is necessary, in the reasonable opinion of Orrick, Herrington & Sutcliffe LLP, Disclosure Counsel to the District (“Disclosure Counsel”), or the Representative, to amend or supplement the Official Statement so that the Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, and if either shall have so advised the District, the District will forthwith cooperate with the Underwriters in the prompt preparation and furnishing to the Underwriters, at the expense of the District, of a reasonable number of copies of an amendment of or a supplement to the Official Statement, in form and substance satisfactory to the Underwriters, which will so amend or supplement the Official Statement so that, as amended or supplemented, it will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. The District will presume that unless otherwise notified in writing by the Representative, the end of the underwriting period will occur on the date of delivery of the Bonds; and

E. To assist the Underwriters in complying with Rule 15c2-12 and for the benefit of the holders and beneficial owners of the Bonds, the District will undertake to provide annual reports and notices of certain events pursuant to a continuing disclosure certificate dated the date of Closing (the “Continuing Disclosure Certificate”).

9. **Representations, Warranties and Agreements of the Underwriters.** The Underwriters represent to and agree with the District that, as of the date hereof and as of the date of Closing:

A. The Representative is duly authorized and has been duly authorized by the Underwriters, pursuant to an agreement among the Underwriters (the “AAU”), to execute this Purchase Agreement, to act hereunder on behalf of the Underwriters and to take all actions, and waive any condition or requirement, required or permitted to be taken or waived hereunder by the Representative or the Underwriters.

B. Based on representations in the AAU, the Underwriters have, and have had, no financial advisory relationship (as such term is defined in California Government Code Section 53590) with the District with respect to the Bonds, and no investment firm

controlling, controlled by or under common control with any of the Underwriters has or has had any such financial advisory relationship (as such term is defined in California Government Code Section 53590).

C. The Underwriters shall comply with all statutes, rules and regulations of all governmental entities in connection with the offering and sale of the Bonds.

10. **Underwriters Not Acting as Agents, Advisors or Fiduciaries.** The District acknowledges and agrees that:

A. the Underwriters are not acting as municipal advisors within the meaning of Section 15B of the Securities and Exchange Act of 1934, as amended;

B. the primary role of the Underwriters, as underwriters, is to purchase securities, for resale to investors, in an arm's-length commercial transaction between the District and the Underwriters and the Underwriters have financial and other interests that differ from those of the District;

C. in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriters are and have been acting solely as principals and are not acting as the agents, municipal advisors, financial advisors or fiduciaries of the District, nor have the Underwriters assumed an advisory or fiduciary responsibility in favor of the District;

D. the only contractual obligations the Underwriters have to the District with respect to the transaction contemplated hereby are set forth in this Purchase Agreement; and

E. the District has consulted its own legal, financial, municipal and other advisors to the extent it has deemed appropriate.

11. **Conditions to Closing.** The Underwriters have entered into this Purchase Agreement in reliance upon the representations and warranties of the District contained herein and the performance by the District of its obligations hereunder, both as of the date hereof and as of the date of Closing. The Underwriters' obligations under this Purchase Agreement are and shall be subject, at the option of the Underwriters, to the following further conditions at the Closing:

A. The representations and warranties of the District contained herein shall be true, complete and correct at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriters at the Closing pursuant hereto shall be true, complete and correct on the date of the Closing; and the District shall be in compliance with the agreements made by it in this Purchase Agreement.

B. At the time of the Closing, (i) the District Documents shall be in full force and effect and the Resolution and the Official Statement shall not have been amended, modified or supplemented except as may have been agreed to in writing by the parties hereto; (ii) all actions under the Bond Law which, in the opinion of Bond Counsel, shall be

necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; (iii) the District shall have adopted, and there shall be in full force and effect such additional resolutions, agreements, opinions and certificates (including such certificates as may be required by regulations of the Internal Revenue Service in order to establish the tax exempt character of the interest on the Bonds) as shall be satisfactory in form and substance to Bond Counsel to the District and to the Underwriters, and there shall have been taken in connection therewith and in connection with the execution and delivery of the Bonds all such actions as shall, in the reasonable opinion of each, be necessary in connection with the transactions contemplated hereby; (iv) all actions under the Resolution which, in the opinion of Bond Counsel to the District, shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; (v) the Bonds shall have been duly authorized, executed and delivered; and (vi) the District shall perform or have performed all of its obligations required under or specified in the District Documents to be performed at or prior to the Closing.

C. No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Purchase Agreement (and not reversed on appeal or otherwise set aside), or to the best knowledge of the District, be pending (in which service of process has been completed against the District) or threatened which has any of the effects described in Section 7(F) hereof or contests in any way the completeness or accuracy of either the Preliminary Official Statement or the Official Statement.

D. Between the date hereof and the Closing, the market for or the market price or marketability of the Bonds or the ability of the Underwriters to enforce contracts for the sale of the Bonds at the initial offering prices set forth in the Official Statement, shall not have been materially adversely affected by reason of any of the following:

(1) legislation enacted by the Congress of the United States, or by the legislature of the State, or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court of the United States or the State or by the United States Tax Court, or an order, ruling, regulation (final, temporary or proposed) or official statement issued or made:

(i) by or on behalf of the United States Treasury Department, or by or on behalf of the Internal Revenue Service or other federal or State authority, which would have the purpose or effect of changing, directly or indirectly, the federal income tax consequences or State tax consequences of interest on obligations of the general character of the Bonds in the hands of the holders thereof; or

(ii) by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended,

or that the Resolution is not exempt from qualification under the Trust Indenture Act of 1939, as amended;

(2) the declaration of war or engagement in major military hostilities or escalation of hostilities by the United States or the occurrence of any other national or international emergency or calamity or crisis relating to the effective operation of the government or the financial community in the United States;

(3) the declaration of a general banking moratorium by federal, New York or State authorities having jurisdiction, or the general suspension of trading on any national securities exchange or fixing of minimum or maximum prices for trading or maximum ranges for prices for securities on any national securities exchange, whether by virtue or a determination by that exchange or by order of the Securities and Exchange Commission or any other governmental authority having jurisdiction, or a material disruption in commercial banking or securities settlement or clearance services shall have occurred;

(4) the imposition by the New York Stock Exchange, other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds, or obligations of the general character of the Bonds, or securities generally, or the material increase of any such restrictions now in force;

(5) an order, decree or injunction of any court of competent jurisdiction, or order, filing, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the Federal securities laws, as amended and then in effect or any proceeding shall have been commenced, against the District, in connection with Bonds or obligations of the general character of the Bonds of the District, by the Securities and Exchange Commission or other governmental agency having jurisdiction over the issue, offering or sale thereof;

(6) any rating of the Bonds has been downgraded, suspended or withdrawn by a national rating service that rated the Bonds or a negative qualification (*e.g.*, a “credit watch” or “negative outlook” designation) or other announcement has been made by a national rating service that rated the Bonds that the Bonds are under review without indication of a potentially favorable result, which, in the reasonable opinion of the Underwriter, materially adversely affects the marketability or market price of the Bonds;

(7) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriters, makes untrue in any material adverse respect any statement or information set forth in the Official Statement, or has the effect that the Official Statement contains any untrue statement of a material fact

or omits to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading; or

(8) except as disclosed in or contemplated by the Official Statement, any material adverse change in the affairs of the District.

E. At or prior to the date of the Closing, the Underwriters shall have received the following documents, in each case dated as of the Closing Date unless otherwise specified herein and satisfactory in form and substance to the Underwriters:

(1) The approving opinion of Bond Counsel with respect to the Bonds, dated the Closing Date and addressed to the District, substantially in the form attached as Appendix D to the Preliminary Official Statement;

(2) A reliance letter from Bond Counsel addressed to the Representative to the effect that the Underwriters may rely upon the approving opinion of Bond Counsel described in E. (1) above;

(3) A supplemental opinion of Bond Counsel in a form acceptable to the Underwriters, dated the Closing Date and addressed to the Underwriters, to the effect that:

(i) assuming due authorization, execution and delivery by all the parties thereto, this Purchase Agreement, the Escrow Agreement and the Continuing Disclosure Certificate have each been duly authorized, executed and delivered by the respective parties thereto and constitute legal, valid and binding obligations of the District and are enforceable in accordance with their respective terms, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium or other laws affecting generally the enforcement of creditors' rights and except as their enforcement may be subject to the application of equitable principles and the exercise of judicial discretion in appropriate cases if equitable remedies are sought (provided that no opinion need be rendered regarding the adequacy of the Continuing Disclosure Certificate for purposes of the Rule) and by limitations on the enforcement of legal remedies against public agencies in the State;

(ii) the statements contained in the Official Statement under the captions "The Bonds" (excluding any and all information relating to The Depository Trust Company and its book-entry system and the County Treasury Pool set forth in Appendix F), "Security and Sources of Payment for the Bonds – General Description" and "Tax Matters," excluding any material that may be treated as included under such captions by cross-reference, to the extent they purport to summarize certain provisions of the Bonds, the Resolution and the exclusion from gross income of interest on the Bonds for federal income tax purposes or the exemption of interest on

the Bonds for State income tax purposes, fairly and accurately summarize the matters purported to be summarized thereto; and

(iii) the Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended, and the Resolution is exempt from qualification pursuant to the Trust Indenture Act of 1939, as amended;

(4) A defeasance opinion of Bond Counsel, dated the Closing Date and addressed to the District, to the effect that, upon the deposit of cash and certain proceeds of the Bonds into the escrow fund established under the Escrow Agreement, all as provided in the resolutions pursuant to which the Prior Bonds were issued, all agreements and covenants of the District and the County to the owners of the Prior Bonds shall be satisfied, discharged and terminated;

(5) The duly executed Escrow Agreement;

(6) The Continuing Disclosure Certificate signed by an appropriate official of the District and in form and substance reasonably satisfactory to the Underwriters;

(7) The Verification Report;

(8) A certificate signed by an appropriate official of the District to the effect that (i) such official is authorized to execute this Purchase Agreement, the Escrow Agreement, the Official Statement and the Continuing Disclosure Certificate, (ii) the representations, agreements and warranties of the District herein are true and correct as of the date of Closing, (iii) the District has complied with all the terms of the District Documents to be complied with by the District prior to or concurrently with the Closing and the District Documents are in full force and effect, (iv) no litigation is pending (with service of process having been accomplished) or, to the best of the District's knowledge, threatened (either in state or federal courts): (A) seeking to restrain or enjoin the execution, sale or delivery of any of the Bonds, (B) in any way contesting or affecting the authority for the execution, sale or delivery of the Bonds, the Official Statement, the Escrow Agreement, the Continuing Disclosure Certificate or this Purchase Agreement, or (C) in any way contesting the existence or powers of the District; (v) such official has reviewed the Official Statement and on such basis certifies that the Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, (vi) each of the conditions listed in Section 11 of this Purchase Agreement required to be satisfied by the District has been satisfied on the date thereof and the District is not aware of any other condition of this Purchase Agreement that has not been satisfied on the date thereof, and (vii) the Bonds being delivered on the date of the Closing to the Underwriters under this Purchase Agreement substantially conform to the descriptions thereof contained in the Resolution, the Official Statement and this Purchase Agreement;

(9) A certificate of the Escrow Bank dated the date of the Closing, signed by a duly authorized officer of the Escrow Bank, and in form and substance satisfactory to the Underwriters, to the effect that:

(i) to the best of such officer's knowledge, the representations and agreements of the Escrow Bank in the Escrow Agreement to which the Escrow Bank is a party are true and correct as of the date of the Closing;

(ii) the Escrow Agreement has been duly authorized, executed and delivered and, assuming due execution by the other parties thereto, is enforceable against the Escrow Bank in accordance with its terms; and

(iii) to the best of such officer's knowledge, no litigation is pending or threatened (either in state or federal courts) in any way contesting or affecting any authority of the Escrow Bank for or in connection with its performance of the Escrow Agreement;

(10) a certificate of the Paying Agent, or its agent, as applicable, dated the date of the Closing, signed by a duly authorized officer of the Paying Agent, or its agent, as applicable, and in form and substance satisfactory to the Underwriters, to the effect that:

(i) to the best of such officer's knowledge, the representations and agreements of the Paying Agent in the Master Paying Agent Services Contract, dated as of July 1, 2019 (the "Paying Agent Agreement"), between the County and the Paying Agent, are true and correct as of the date of the Closing;

(ii) the Paying Agent Agreement has been duly authorized, executed and delivered and, assuming due execution by the other parties thereto, is enforceable against the Paying Agent in accordance with its terms; and

(iii) to the best of such officer's knowledge, no litigation is pending or threatened (either in State or federal courts) (A) seeking to restrain or enjoin the delivery by the Paying Agent of any of the Bonds, or (B) in any way contesting or affecting any authority of the Paying Agent for the delivery of the Bonds or the validity or enforceability of the Bonds or the Paying Agent Agreement

(11) A tax certificate of the District in form satisfactory to Bond Counsel with respect to the Bonds;

(12) Evidence satisfactory to the Underwriters that any ratings described in the Official Statement are in full force and effect as of the Closing Date;

(13) The opinion of General Counsel to the District, addressed to the District and the Underwriters, dated the Closing Date, to the effect that:

(i) the District is a unified school district validly existing under the Constitution and the laws of the State;

(ii) the District has the full right and lawful authority to enter into and perform its duties and obligations under the District Documents and to authorize the issuance and sale of the Bonds;

(iii) to the best knowledge of General Counsel to the District, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court or public body, pending, or to such counsel's knowledge, threatened against the District contesting in any way the completeness or accuracy of the Official Statement or the due adoption of the Resolution, and there is no breach or default by the District under any other instruments which is caused by the issuance of the Bonds or the execution and delivery of this Purchase Agreement, the Escrow Agreement or the Continuing Disclosure Certificate;

(iv) General Counsel to the District is not representing the District in connection with any litigation of any nature to restrain or enjoin the execution, delivery or performance of the District Documents, the Bonds or any of the proceedings taken with respect to the issuance of the Bonds, the application of monies to the payment of the Bonds or in any manner questioning the proceedings and authority under which the Bonds were authorized or challenging the validity of the Bonds, the existence or boundaries of the District or the title of the officials of the District who have acted with respect to the proceedings for the issuance of the Bonds on behalf of the District to their respective offices; and

(v) the Official Statement has been duly approved by the District;

(14) The opinion of [UC], counsel for the Underwriters ("Underwriters' Counsel"), dated the date of Closing and addressed to the Underwriters, satisfactory in form and substance to the Underwriters;

(15) The letters of Disclosure Counsel substantially in the forms attached hereto as Exhibit B, dated the date of Closing and addressed separately to the District and the Underwriters, respectively;

(16) A certificate, together with a fully executed copy of the Resolution, of the Executive Officer of the Board of Education to the effect that:

(i) such copy is a true and correct copy of such Resolution; and

(ii) that the Resolution was duly adopted, has not been modified, amended, rescinded or revoked and is in full force and effect on the date of the Closing;

(17) A certificate of the appropriate official of the District evidencing the District's determination respecting the Preliminary Official Statement in accordance with Rule 15c2-12;

(18) A transcript of all proceedings relating to the authorization, issuance and delivery of the Bonds; and

(19) Such additional legal opinions, certificates, proceedings, instruments and other documents as the Underwriters may reasonably request to evidence compliance (i) by the District and the Paying Agent (and its agent, if applicable) with legal requirements, (ii) the truth and accuracy, as of the time of Closing, of the representations of the District herein contained, and (iii) the due performance or satisfaction by the District and the Paying Agent (and its agent, if applicable) at or prior to such time of all agreements then to be performed and all conditions then to be satisfied by them.

If the District shall be unable to satisfy the conditions to the Underwriters' obligations contained in this Purchase Agreement or if the Underwriters' obligations shall be terminated for any reason permitted by this Purchase Agreement, this Purchase Agreement may be canceled by the Underwriters at, or at any time prior to, the time of Closing. Notice of such cancellation shall be given to the District in writing, or by telephone or electronic communication, confirmed in writing. Notwithstanding any provision herein to the contrary, the performance of any and all obligations of the District hereunder and the performance of any and all conditions contained herein for the benefit of the Underwriters may be waived by the Representative in writing at its sole discretion.

12. **Conditions to Obligations of the District.** The performance by the District of its obligations is conditioned upon (i) the performance by the Underwriters of their obligations hereunder and (ii) receipt by the District and the Underwriters of opinions and certificates being delivered at the Closing by persons and entities other than the District.

13. **Expenses.** On the Closing Date, the Underwriters will wire \$ _____ from the proceeds of the Bonds and as a portion of the Purchase Price of the Bonds as provided in Section 1 hereof to U.S. Bank Trust Company, National Association, as costs administrator, to be used to pay costs of issuance of the Bonds, including, but not limited to the following at the direction of the District: (i) the costs of the preparation and reproduction of the Resolution; (ii) the fees and disbursements of Bond Counsel, Disclosure Counsel and the Municipal Advisor; (iii) the cost of the preparation, printing and delivery of the Bonds; (iv) the fees for Bond ratings, including all necessary expenses for travel; (v) the cost of the printing and distribution of the Preliminary Official Statement and the Official Statement, and any supplement or amendment thereto; (vi) costs, fees and expenses related to the presentation to investors; (vii) the initial fees of the Paying Agent; and (viii) all other fees and expenses incident to the issuance and sale of the Bonds or the performance of its obligations hereunder. All out-of-pocket expenses of the Underwriters, including California Debt and Investment Advisory Commission fees, CUSIP Service Bureau registration fees, Underwriters' Counsel fees, expenses for travel and other expenses of the Underwriters, shall be paid by the Underwriters out of the Underwriters' Discount.

14. **Notices.** Any notice or other communication to be given under this Purchase Agreement (other than the acceptance hereof as specified in the first paragraph hereof) may be given by delivering the same in writing if to the District, to the Chief Business Officer of the Los Angeles Unified School District, 333 S. Beaudry Avenue, 26th Floor, Los Angeles, California 90017, or if to the Representative, to [Underwriter] at [Address].

15. **Severability.** In the event any provision of this Purchase Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

16. **Parties in Interest; Survival of Representations and Warranties.** This Purchase Agreement when accepted by the District in writing as heretofore specified shall constitute the entire agreement between the District and the Underwriters with respect to the transaction contemplated by this Purchase Agreement. This Purchase Agreement is made solely for the benefit of the District and the Underwriters (including the successors or assigns of the Underwriters). No person shall acquire or have any rights hereunder or by virtue hereof. All the representations, warranties and agreements of the District in this Purchase Agreement shall survive, unless waived by the Underwriters, regardless of (a) any investigation or any statement in respect thereof made by or on behalf of the Underwriters, (b) delivery of and payment by the Underwriters for the Bonds hereunder and (c) any termination of this Purchase Agreement.

17. **Execution in Counterparts.** This Purchase Agreement may be executed in several counterparts each of which shall be regarded as an original and all of which shall constitute but one and the same document.

18. **Applicable Law.** This Purchase Agreement shall be interpreted, governed and enforced in accordance with the law of the State applicable to contracts made and performed in such State.

Very truly yours,

[Representative], on their own behalf and as

FORMS OF LETTERS OF DISCLOSURE COUNSEL

EXHIBIT C**FORM OF CERTIFICATE OF THE REPRESENTATIVE**

[Representative] has acted as the representative of the Underwriters listed in the Bond Purchase Agreement (the “**Representative**”) entered into in connection with the sale and issuance by the Los Angeles Unified School District (the “**District**”) of the Los Angeles Unified School District (County of Los Angeles, California) 20__ General Obligation Refunding Bonds, Series A (Dedicated Unlimited Ad Valorem Property Tax Bonds) in the principal amount of [\$PA] (the “**Bonds**”), being issued on the date hereof, and the Representative hereby certifies and represents on behalf of itself the following:

1. As of [Sale Date] (the “**Sale Date**”), all of the Bonds were the subject of a bona fide offering to the Public at the respective prices or yields set forth on the inside cover page of the District’s Official Statement in respect of the Bonds dated [Sale Date] (each, an “**Initial Offering Price**”), which are the same prices or yields shown on the final pricing wire for the offering of the Bonds attached hereto as Schedule 1.

2. As of the Sale Date, [except for the Bonds maturing on _____ (the “**Unsold Maturities**”) shown on Schedule 2 attached hereto,] the first price at which 10 percent of each Maturity of the Bonds was sold by the Underwriters to the Public is set forth on Schedule 1.

3. [**HOLD THE PRICE - REPRESENTATIVE ALLOTTED UNSOLD MATURITIES**] On and following the Sale Date, with respect to the initial sales of the Unsold Maturities, the Representative: (i) has retained the unsold principal amounts of the bonds of the Unsold Maturities as shown in Schedule 2 attached hereto and not allocated any such Unsold Maturities to any other Underwriter, and (ii) has neither offered nor sold any such Unsold Maturities to any person at a price that is higher or yield lower than the Initial Offering Price during the period starting on the Sale Date and ending on the earlier of the following: (a) the close of the fifth business day after the Sale Date, or (b) the date on which at least 10 percent of the bonds of the Unsold Maturity has been sold to the Public at a price that is at or below the Initial Offering Price. OR:

4. [**HOLD THE PRICE - SYNDICATE RETAINS BONDS**] On and following the Sale Date, with respect to the initial sales of the Unsold Maturities, the Underwriters have neither offered nor sold any Unsold Maturities to any person at a price higher than or a yield lower than the respective Initial Offering Price for a period of time starting on the Sale Date and ending on the earlier of the following: (a) the close of the fifth business day after the Sale Date, or (b) the date on which at least 10 percent of the bonds of the Unsold Maturity has been sold to the Public at a price that is at or below the Initial Offering Price.

3. The agreement among Underwriters, each selling group agreement and each retail distribution agreement (to which the Representative is a party) relating to the initial sale of the Bonds to the Public, together with the related pricing wires, contains language obligating each Underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A)(i) report the prices at which it sells to the Public the unsold Bonds of each Maturity allotted to it until it is notified by the

Representative that at least 10 percent of such Maturity of the Bonds was sold by the Underwriters to the Public at a single price, and (ii) with respect to the Unsold Maturities, if any, comply with the hold-the-offering-price rule, as described above, if and for so long as directed by the Representative and as set forth in the related pricing wires, (B) promptly notify the Representative of any sales of the Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and (C) acknowledge that, unless otherwise advised by the Underwriter, dealer or broker-dealer, the Representative shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

For purposes of this Certificate, the following definitions apply:

- (a) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.
- (b) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a Related Party to an Underwriter.
- (c) *Related Party* means any entity if an Underwriter and such entity are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).
- (d) *Underwriter* means (i) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public).

The Representative understands that the foregoing information will be relied upon by the District with respect to certain of the representations set forth in the District's Tax Certificate and Agreement to which this certificate is included as Exhibit and with respect to compliance with the federal income tax rules affecting the Bonds, and by Hawkins Delafield & Wood LLP, as bond counsel to the District, in connection with providing an opinion as to the exclusion from gross income of interest on the Bonds pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the District from time to time relating to the Bonds.

The Representative is certifying only as to facts in existence on the date hereof. Nothing herein represents the Representative's interpretation of any laws; in particular, the Treasury Regulations under the Code, or the application of any laws to these facts. The certifications contained herein are not necessarily based on personal knowledge, but may instead be based on either inquiry deemed adequate by the undersigned or institutional knowledge (or both) regarding the matters set forth herein. Although certain information furnished in this Certificate has been derived from other Underwriters and cannot be independently verified by us, we have no reason to believe it to be untrue in any material respect.

CONTINUING DISCLOSURE CERTIFICATE

This Continuing Disclosure Certificate (the “Disclosure Certificate”) is executed and delivered by the Los Angeles Unified School District (the “District”) in connection with the issuance of its Refunding Bonds (defined herein), which are being issued pursuant to the laws of the State of California and the Refunding Resolution (defined herein). The District covenants and agrees as follows:

Section 1. Purpose of the Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the District and the Dissemination Agent for the benefit of the Holders and Beneficial Owners of the Refunding Bonds and in order to assist the Participating Underwriters in complying with Securities and Exchange Commission Rule 15c2-12(b)(5).

Section 2. Definitions. In addition to the definitions set forth in the Refunding Resolution, which apply to any capitalized term used in this Disclosure Certificate unless otherwise defined in this Section, the following capitalized terms shall have the following meanings:

“Annual Report” shall mean any Annual Report provided by the District pursuant to, and as described in, Sections 4 and 5 of this Disclosure Certificate.

“Beneficial Owner” shall mean any person who (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Refunding Bonds (including persons holding Refunding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Refunding Bonds for federal income tax purposes.

“County” shall mean the County of Los Angeles, California.

“CUSIP Numbers” shall mean the Committee on Uniform Security Identification Procedure’s unique identification number for each public issue of a security.

“Dissemination Agent” shall mean Digital Assurance Certification, L.L.C., or any successor Dissemination Agent designated in writing by the District and which has filed with the District a written acceptance of such designation.

“Disclosure Counsel” shall mean an attorney-at-law, or a firm of such attorneys, of nationally recognized standing in matters pertaining to the disclosure obligations under the Rule, duly admitted to the practice of law before the highest court of any state of the United States of America.

“EMMA System” shall mean the MSRB’s Electronic Municipal Market Access system, the current internet address of which is <http://emma.msrb.org>.

“Financial Obligation” shall mean, for purposes of the Listed Events set out in Section 6(b)(xv) and Section 6(b)(xvi), a (i) debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii). The term “Financial Obligation” shall not include municipal securities (as defined in the Securities Exchange Act of 1934, as amended) as to which

a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule.

“Holder” shall mean either the registered owners of the Refunding Bonds, or if the Refunding Bonds are registered in the name of The Depository Trust Company or another recognized depository, any applicable participant in such depository system.

“Listed Events” shall mean any of the events listed in Section 6(b) of this Disclosure Certificate.

“MSRB” shall mean the Municipal Securities Rulemaking Board established pursuant to Section 15B(b)(1) of the Securities Exchange Act of 1934, or any successor thereto or to the functions of the MSRB contemplated by this Disclosure Certificate.

“Official Statement” shall mean the Official Statement dated _____, 2024, with respect to the Refunding Bonds.

“Participating Underwriters” shall mean the original underwriters of the Refunding Bonds required to comply with the Rule in connection with offering of the Refunding Bonds.

“Refunding Bonds” shall mean the 2024 General Obligation Refunding Bonds, Series B (Dedicated Unlimited *Ad Valorem* Property Tax Bonds).

“Refunding Resolution” shall mean the resolution adopted by the Board of Education of the District on _____, 2024.

“Rule” shall mean Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

Section 3. Transmission of Notices, Documents and Information. (a) Unless otherwise required by the MSRB, all notices, documents and information provided to the MSRB shall be provided to the EMMA System.

(b) All notices, documents and information provided to the MSRB shall be provided in an electronic format as prescribed by the MSRB.

Section 4. Provision of Annual Reports. (a) The District shall, or shall cause the Dissemination Agent to, not later than 240 days following the end of the District’s fiscal year (currently ending June 30), commencing with the report for the 2023-24 fiscal year (which is due not later than February 25, 2025), provide to the MSRB through its EMMA System an Annual Report which is consistent with the requirements of Section 5 of this Disclosure Certificate. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 5 of this Disclosure Certificate. If the District’s fiscal year changes, it shall give notice of such change in the same manner as for a Listed Event under Section 6(c).

(b) Not later than thirty (30) days (not more than sixty (60) days) prior to the date on which the Annual Report is to be provided pursuant to subsection (a), the Dissemination Agent shall give notice to the District that the Annual Report is so required to be filed in accordance with the terms of this Disclosure Certificate. Not later than fifteen (15) days prior to said date, the District shall provide the Annual Report to the Dissemination Agent (if other than the District). If the District is unable to provide to the MSRB through its EMMA System an Annual Report by the date required in subsection (a), the Dissemination Agent shall send a timely notice of such fact to the MSRB through its EMMA System.

(c) The Dissemination Agent shall:

(i) determine each year prior to the date for providing the Annual Report to the EMMA System the date on which such Annual Report shall be due and notify the District of such date; and

(ii) (if the Dissemination Agent is other than the District) file a report with the District certifying that the Annual Report has been provided pursuant to this Disclosure Certificate, stating the date it was provided and that it was provided to the MSRB through the EMMA System.

Section 5. Content of Annual Reports. The District's Annual Report shall contain or include by reference the following:

(a) Audited financial statements of the District for the preceding fiscal year, prepared in accordance with the laws of the State of California and including all statements and information prescribed for inclusion therein by the Controller of the State of California. If the District's audited financial statements are not available by the time the Annual Report is required to be filed pursuant to Section 4 hereof, the Annual Report shall contain unaudited financial statements in a format similar to the financial statements contained in the final Official Statement, and the audited financial statements shall be filed in the same manner as the Annual Report when they become available.

(b) To the extent not included in the audited financial statements of the District, the Annual Report shall also include the following:

(i) Table [3] – “Historical Gross Assessed Valuation of Taxable Property” if and to the extent provided to the District by the County;

(ii) Table [5] – “Assessed Valuation and Parcels by Land Use”;

(iii) Table [6] – “Assessed Valuations of Single Family Homes per Parcel”;

(iv) Table [7] – “Largest Local Secured Taxpayers”;

(v) Table [9] – “Secured Tax Charges and Delinquencies,” if and to the extent provided to the District by the County;

(vi) Table [A-1] – “Average Daily Attendance”;

(vii) Table [A-4] – “District General Fund Budget” for the current fiscal year;

(viii) Table [A-20] – “Proposition BB (Election of 1997) Bonds,” if and only to the extent that bonds issued pursuant to Proposition BB or bonds that have refunded such bonds are outstanding;

(ix) Table [A-21] – “Measure K (Election of 2002) Bonds,” if and only to the extent that bonds issued pursuant to Measure K or bonds that have refunded such bonds are outstanding;

(x) Table [A-22] – “Measure R (Election of 2004) Bonds,” if and only to the extent that bonds issued pursuant to Measure R or bonds that have refunded such bonds are outstanding;

(xi) Table [A-23] – “Measure Y (Election of 2005) Bonds,” if and only to the extent that bonds issued pursuant to Measure Y or bonds that have refunded such bonds are outstanding;

(xii) Table [A-24] – “Measure Q (Election of 2008) Bonds,” if and only to the extent that bonds issued pursuant to Measure Q or bonds that have refunded such bonds are outstanding; and

(xiii) Table [A-25] - “Measure RR (Election of 2020) Bonds,” if and only to the extent that bonds issued pursuant to Measure RR or bonds that have refunded such bonds are outstanding.

(c) It shall be sufficient for purposes of Section 4 hereof if the District provides annual financial information by specific reference to documents (i) available to the public on the MSRB Internet Web site (currently, www.emma.msrb.org) or (ii) filed with the Securities and Exchange Commission. The District shall clearly identify each such other document so included by reference. The provisions of this Section 5(c) shall not apply to notices of Listed Events pursuant to Section 6 hereof.

(d) The descriptions contained in clause (b) above of financial information and operating data constituting to be included in the Annual Report are of general categories or types of financial information and operating data. When such descriptions include information that no longer can be generated because the operations to which it related have been materially changed or discontinued, or due to changes in accounting practices, legislative or organizational changes, a statement to that effect shall be provided in lieu of such information. Comparable information shall be provided if available.

Section 6. Reporting of Listed Events. (a) If a Listed Event occurs, the District shall provide or cause to be provided, in a timely manner not in excess of ten (10) Business Days of the District having notice of such Listed Event, notice of such Listed Event to (i) the EMMA System of the MSRB and (ii) the Dissemination Agent.

(b) Pursuant to the provisions of this Section 6, the District shall give, or cause to be given, notice of the occurrence of any of the following events (each, a “Listed Event”) with respect to the Refunding Bonds:

- (i) principal and interest payment delinquencies;
- (ii) non-payment related defaults, if material;
- (iii) modifications to rights of Holders, if material;
- (iv) bond calls, if material and tender offers;
- (v) defeasances;
- (vi) rating changes;
- (vii) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (Internal Revenue Service Form 5701-TEB) or other material notices of determinations with respect to the tax status of the Refunding Bonds, or other material events affecting the tax status of the Refunding Bonds;
- (viii) unscheduled draws on the debt service reserves reflecting financial difficulties;
- (ix) unscheduled draws on the credit enhancements reflecting financial difficulties;
- (x) release, substitution or sale of property securing repayment of the Refunding Bonds, if material;
- (xi) bankruptcy, insolvency, receivership or similar event of the District (such event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the District in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under State or federal law in which a court or government authority has assumed jurisdiction over substantially all of the assets or business of the District, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the District);
- (xii) substitution of credit or liquidity providers, or their failure to perform;
- (xiii) the consummation of a merger, consolidation, or acquisition involving the District or the sale of all or substantially all of the assets of the District, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an

action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;

(xiv) appointment of a successor or additional Paying Agent or the change of name of a Paying Agent, if material;

(xv) incurrence of a Financial Obligation of the District, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the District, any of which affect security holders, if material;

(xvi) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the District, any of which reflect financial difficulties; and

(xvii) any amendment or waiver of a provision of this Disclosure Certificate.

The District intends to comply with the Listed Events described in Section 6(b)(xv) and Section 6(b)(xvi), and the definition of “Financial Obligation” in Section 1, with reference to the Rule, any other applicable federal securities laws and the guidance provided by the Securities and Exchange Commission in Release No. 34-83885, dated August 20, 2018 (the “2018 Release”), and any further amendments or written guidance provided by the Securities and Exchange Commission or its staff with respect the amendments to the Rule effected by the 2018 Release. The District notes that items (viii), (ix), (x) and (xii) are not applicable to the Refunding Bonds.

(c) If the District determines that a Listed Event has occurred, the District shall promptly notify the Dissemination Agent in writing. Such notice shall instruct the Dissemination Agent to report the occurrence pursuant to Section 3 hereof.

(d) If the Dissemination Agent has been instructed by the District to report the occurrence of a Listed Event, the Dissemination Agent shall file a notice of such occurrence with the MSRB through its EMMA System.

(e) Notwithstanding the foregoing, notice of Listed Events described in subsections (b)(iv) need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to Holders of affected Refunding Bonds pursuant to the Refunding Resolution.

Section 7. CUSIP Numbers. Whenever providing information to the Dissemination Agent, including but not limited to Annual Reports, documents incorporated by reference to the Annual Reports, Audited Financial Statements and notices of Listed Events, the District shall indicate the full name of the Refunding Bonds and the 9-digit CUSIP numbers for the Refunding Bonds as to which the provided information relates.

Section 8. Termination of Reporting Obligation. (a) The District’s obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Refunding Bonds. If such termination occurs prior to the final maturity of the Refunding Bonds, the District shall give notice of such termination in the same manner as for a Listed Event under Section 6(c).

(b) This Disclosure Certificate, or any provision hereof, shall cease to be effective in the event that the District (1) delivers to the Dissemination Agent an opinion of Disclosure Counsel, addressed to the District and the Dissemination Agent, to the effect that those portions of the Rule which require this Disclosure Certificate, or such provision, as the case may be, do not or no longer apply to the Refunding Bonds, whether because such portions of the Rule are invalid, have been repealed, or otherwise, as shall be specified in such opinion, and (2) delivers copies of such opinion to the MSRB.

Section 9. Dissemination Agent. The District may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall be Digital Assurance Certification, L.L.C. If at any time there is no designated Dissemination Agent appointed by the District, or if the Dissemination Agent so appointed is unwilling or unable to perform the duties of the Dissemination Agent hereunder, the District shall be the Dissemination Agent and undertake or assume its obligations hereunder. The Dissemination Agent (other than the District) shall not be responsible in any manner for the content of any notice or report required to be delivered by the District pursuant to this Disclosure Certificate.

Section 10. Amendment; Waiver. (a) This Disclosure Certificate may be amended by the District without the consent of the holders of the Refunding Bonds (except to the extent required under clause (a)(iv)(2) below), if all of the following conditions are satisfied:

(i) such amendment is made in connection with a change in circumstances that arises from a change in legal (including regulatory) requirements, a change in law (including rules or regulations) or in interpretations thereof, or a change in the identity, nature or status of the District or the type of business conducted thereby;

(ii) this Disclosure Certificate as so amended would have complied with the requirements of the Rule as of the date of this Disclosure Certificate, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances;

(iii) the District shall have received an opinion of a nationally recognized bond counsel or counsel expert in federal securities laws, addressed to the District, to the same effect as set forth in (a)(ii) above;

(iv) either (1) the District shall have received an opinion of a nationally recognized bond counsel or counsel expert in federal securities laws, addressed to the District, to the effect that the amendment does not materially impair the interests of the holders of the Refunding Bonds or (2) is approved by the Holders of the Refunding Bonds in the same manner as provided in the Refunding Resolution for amendments to the Refunding Resolution with the consent of Holders; and

(v) the District shall have delivered copies of such opinion and amendment to the MSRB through its EMMA system within ten (10) Business Days from the execution thereof.

(b) In addition to subsection 10(a) above, this Disclosure Certificate may be amended and any provision of this Disclosure Certificate may be waived, by written certificate of the District, without the consent of the holders of the Refunding Bonds, if all of the following conditions are satisfied:

(i) an amendment to the Rule is adopted, or a new or modified official interpretation of the Rule is issued, after the effective date of this Disclosure Certificate which is applicable to this Disclosure Certificate;

(ii) the District shall have received an opinion of a nationally recognized bond counsel or counsel expert in federal securities laws, addressed to the District, to the effect that performance by the District under this Disclosure Certificate as so amended or giving effect to such waiver, as the case may be, will not result in a violation of the Rule; and

(iii) the District shall have delivered copies of such opinion and amendment to the MSRB through its EMMA system.

(c) In the event of any amendment or waiver of a provision of this Disclosure Certificate, the District shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the District. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 6 hereof, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 11. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the District from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the District chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the District shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 12. Default. In the event of a failure of the District to comply with any provision of this Disclosure Certificate, the Dissemination Agent may (and, at the request of any Participating Underwriters or the Holders or Beneficial Owners of at least 25% of aggregate principal amount of the Refunding Bonds then outstanding, shall) or any Holders or Beneficial Owners of the Refunding Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Disclosure Certificate; provided that any such action may be instituted only in the Superior Court of the State of California in and for the County of Los Angeles

or in the U.S. District Court in the County of Los Angeles. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Refunding Resolution, and the sole remedy under this Disclosure Certificate in the event of any failure of the District to comply with this Disclosure Certificate shall be an action to compel performance.

Section 13. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the District agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's gross negligence or willful misconduct. The obligations of the District under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Refunding Bonds.

Section 14. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the District, the Dissemination Agent, the Participating Underwriters and Holders and Beneficial Owners from time to time of the Refunding Bonds, and shall create no rights in any other person or entity.

Section 15. Execution in Counterparts. This Disclosure Certificate may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same certificate.

ESCROW AGREEMENT

by and between

LOS ANGELES UNIFIED SCHOOL DISTRICT

and

U.S. BANK TRUST COMPANY, NATIONAL ASSOCIATION

Dated as of [Dated Date]

**Los Angeles Unified School District
(County of Los Angeles, California)
[Issue Name]**

ESCROW AGREEMENT

THIS ESCROW AGREEMENT (this “Escrow Agreement”), dated as of [Dated Date], is by and between the LOS ANGELES UNIFIED SCHOOL DISTRICT, a school district organized and existing under the laws of the State of California (the “District”), and U.S. BANK TRUST COMPANY, NATIONAL ASSOCIATION, a national banking association organized and existing under the laws of the United States of America, as escrow bank (the “Escrow Bank”) and as agent of the Paying Agent for the Bonds (the “Paying Agent”) (as defined herein).

W I T N E S S E T H:

WHEREAS, the District has heretofore issued the Prior Bonds described in Exhibit A hereto pursuant to the resolution pursuant to which the Prior Bonds were issued;

WHEREAS, the Escrow Bank serves as the Paying Agent for the Prior Bonds;

WHEREAS, the District has determined that debt service savings can be achieved by refunding the Prior Bonds on the Redemption Dates and at the Redemption Prices set forth on Exhibit A and applying a portion of the proceeds of the Los Angeles Unified School District (County of Los Angeles, California) 202_ General Obligation Refunding Bonds, Series __ (Dedicated Unlimited *Ad Valorem* Property Tax Bonds) (the “Bonds”) for the purpose of providing the funds necessary to redeem the Prior Bonds prior to their respective maturity dates;

NOW THEREFORE, in consideration of the mutual covenants and agreements herein contained, the District and the Escrow Bank agree as follows:

Section 1. Definitions. Unless otherwise defined herein, capitalized terms used herein shall have the meanings ascribed thereto in the resolutions adopted by the District authorizing the Prior Bonds.

Section 2. The Escrow Fund. (a) There is hereby established with the Escrow Bank a fund (the “Escrow Fund”) to be held as an irrevocably pledged escrow by the Escrow Bank, which the Escrow Bank shall keep separate and apart from all other funds and accounts of the District and the Escrow Bank and which shall be applied solely as provided in this Escrow Agreement. The Escrow Fund is established for the purpose of refunding the Prior Bonds and, for purposes of Section 53555 of the California Government Code, shall be deemed to be a fund in the treasury of the District. Pending application as provided in this Escrow Agreement, amounts on deposit in the Escrow Fund are hereby pledged and assigned solely to the payment of the interest on and principal and Redemption Price of the Prior Bonds, which amounts shall be held in escrow by the Escrow Bank for the Owners of the Prior Bonds.

(b) Upon the issuance of the Bonds, there shall be deposited in the Escrow Fund \$[] received from the proceeds of the sale of the Bonds (a portion of which was the Good Faith Deposit received by the District), which amount will [be invested in Securities (herein defined) pursuant to Section 3 hereof] [remain uninvested]. The District has determined that moneys on deposit in the Escrow Fund will be at least equal to an amount sufficient to make the payments required by Section 4 hereof. [The Escrow Bank may conclusively rely upon the verification report by [Verification Agent] provided in connection with the issuance of the Bonds

as to the sufficiency of the funds to make the payments required for redemption of the Prior Bonds.]

Section 3. Use and Investment of Moneys. (a) The Escrow Bank hereby acknowledges deposit of the moneys described in Section 2(b). [The District may direct the Escrow Bank to invest all or a portion of such moneys in United States Obligations (the “Securities”) upon receipt of (i) certification by a nationally recognized firm of independent certified public accountants that the Securities will mature in such principal amounts and earn interest in such amounts and, in each case, at such times, so that sufficient moneys will be available from maturing principal and interest on the Securities, together with uninvested moneys then held by the Escrow Bank in the Escrow Fund, to make all payments required by Section 4 hereof and (ii) an opinion of counsel of recognized standing in the field of law relating to municipal bonds to the effect that the purchase of the Securities will not adversely affect the exclusion of interest on Prior Bonds from gross income for purposes of federal income taxation.]

(b) Upon the written request of the District, but subject to the conditions and limitations herein set forth, the Escrow Bank shall purchase substitute United States Obligations for the Securities that may then be held in the Escrow Fund in whole or in part with the proceeds derived from the sale, transfer, redemption or other disposition of the Securities then on deposit in the Escrow Fund and any uninvested money then held by the Escrow Bank hereunder in accordance with the provisions of this Section. Such sale, transfer, redemption or other disposition of Securities then on deposit in the Escrow Fund and substitution of other United States Obligations shall be effected by the Escrow Bank upon the written request of the District but only by a simultaneous transaction and only upon receipt of (i) certification by a nationally recognized firm of independent certified public accountants that the United States Obligations to be substituted, together with the Securities which will continue to be held in the Escrow Fund, will mature in such principal amounts and earn interest in such amounts and, in each case, at such times so that sufficient moneys will be available from maturing principal and interest on all of such Securities held in the Escrow Fund, together with any uninvested moneys, to make all payments required by Section 4 hereof, which have not previously been made, and (ii) receipt by the Escrow Bank of an opinion of counsel of recognized standing in the field of law relating to municipal bonds to the effect that the sale, transfer, redemption or other disposition and substitution of United States Obligations will not adversely affect the exclusion of interest on Prior Bonds from gross income for purposes of federal income taxation.

(c) Upon the written request of the District, but subject to the conditions and limitations herein set forth, the Escrow Bank shall apply any moneys received from the maturing principal of or interest or other investment income on any Securities held in the Escrow Fund, or the proceeds from any sale, transfer, redemption or other disposition of Securities pursuant to Section 3(b) not required for the purposes of said Section (i) to the extent such moneys will not be required at any time for the purpose of making a payment required by Section 4 hereof, as certified by a nationally recognized firm of independent certified public accountants delivered to the Escrow Bank, such moneys shall be transferred to the Treasurer and Tax Collector of the County (the “County Treasurer”) for deposit in the District’s interest and sinking funds established for the Bonds upon the written request of the District as received by the Escrow Bank, free and clear of any trust, lien, pledge or assignment securing the Prior Bonds or otherwise existing hereunder, and (ii) to the extent such moneys will be required for such purpose at a later date, such moneys may, to the

extent practicable, be invested or reinvested in United States Obligations maturing at times and in amounts sufficient, as certified by a nationally recognized firm of independent certified public accountants delivered to the Escrow Bank, to make such payment required by Section 4 hereof.

(d) All United States Obligations purchased pursuant to this Escrow Agreement shall be deposited in and held for the credit of the Escrow Fund. Except as provided in this Section 3, no moneys or United States Obligations deposited with the Escrow Bank pursuant to this Escrow Agreement nor principal of, or interest payments or other investment income on, any such United States Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the Prior Bonds as provided by Section 4 hereof.

(e) The Owners of the Prior Bonds shall have a first and exclusive lien on the moneys and United States Obligations in the Escrow Fund until such moneys and United States Obligations are used and applied as provided in this Escrow Agreement.

(f) The Escrow Bank shall not be held liable for investment losses resulting from compliance with the provisions of this Escrow Agreement.

Section 4. Payment of Prior Bonds. From the maturing principal of the Securities held in the Escrow Fund and the investment income and other earnings thereon and any uninvested money then held in the Escrow Fund, the Escrow Bank shall pay the interest on the Prior Bonds due on [_____] and pay on the Redemption Date therefor the Redemption Price and interest on the Prior Bonds then due and payable in accordance with the terms of the respective Resolutions. To the extent that the amount on deposit in the Escrow Fund on the Redemption Date is in excess of the amount necessary to make the required payments with respect to the Prior Bonds, as shown in the then applicable escrow verification of the nationally recognized firm of independent certified public accountants, such excess shall be transferred to the County Treasurer for deposit in the District's interest and sinking funds established for the District's general obligation bonds.

Section 5. Irrevocable Instructions to Mail Notice of Redemption. (a) The District hereby irrevocably designates the Prior Bonds for prior redemption on the Redemption Date as indicated in Section 4 hereof and hereby irrevocably instructs the Escrow Bank, as the Paying Agent for the Prior Bonds, to deliver, not less than 30 nor more than 60 days prior to the Redemption Date, in accordance with the respective resolutions of the District and the Board of Supervisors of the County of Los Angeles that authorized the Prior Bonds (the "Prior Bonds Resolutions"), a notice of redemption of the Prior Bonds in substantially the form attached hereto as Exhibit B to the owners of the Prior Bonds. The Escrow Bank is hereby further instructed to post such notice of redemption to the Municipal Securities Rulemaking Board's Electronic Municipal Market Access system as soon as possible after delivery of the notice of redemption in accordance with the terms of the Prior Bonds Resolutions.

(b) The District hereby irrevocably instructs the Escrow Bank to deliver on [_____, 202_] in accordance with the Prior Bonds Resolutions, a notice of defeasance substantially in the form attached hereto as Exhibit C to the owners of the Prior Bonds, stating that an irrevocable deposit has been made with the Escrow Bank and that such Prior Bonds have been deemed to be

paid and to post such notice of defeasance to the Municipal Securities Rulemaking Board's Electronic Municipal Market Access system.

Section 6. Performance of Duties. The Escrow Bank agrees to perform the duties set forth herein and agrees that the irrevocable instructions to the Escrow Bank herein provided are in a form satisfactory to it.

Section 7. Authority to Make Investments; Funds and Accounts. The Escrow Bank shall have no power or duty to invest any funds held under this Escrow Agreement except as provided in Section 3 hereof. The Escrow Bank shall have no power or duty to transfer or otherwise dispose of the moneys held hereunder except as provided in this Escrow Agreement. Any fund or account required to be established and maintained pursuant hereto by the Escrow Bank may be established and maintained in the accounting records of the Escrow Bank either as an account or a fund, and may, for the purposes of such accounting records, any audits thereof and any reports or statements with respect thereto, be treated either as an account or a fund, but all such records with respect to all such funds and accounts shall at all times be maintained in accordance with sound accounting practice and with due regard for the protection of the security of the Prior Bonds and the rights of the Owners of the Prior Bonds. The Escrow Bank may establish such funds and accounts as it deems necessary to perform its obligations hereunder.

Section 8. Compensation. The District shall from time to time pay or cause to be paid to the Escrow Bank the agreed upon compensation for its services to be rendered hereunder, and reimburse the Escrow Bank for all of its reasonable advances in the exercise and performance of its duties hereunder; provided, however, that under no circumstances shall the Escrow Bank be entitled to any lien whatsoever on any moneys or obligations in the Escrow Fund for the payment of fees and expenses for services rendered or expenses incurred by the Escrow Bank under this Escrow Agreement or otherwise.

Section 9. Indemnification. To the extent permitted by law, the District shall indemnify and save the Escrow Bank harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder, and which are not due to its negligence or its willful misconduct. The indemnity contained in this Section shall survive the termination of this Escrow Agreement.

Section 10. Responsibilities of Escrow Bank. The Escrow Bank and its respective successors, assigns, agents and servants shall not be held to any personal liability whatsoever, in tort, contract, or otherwise, in connection with the execution and delivery of this Escrow Agreement, the establishment of the Escrow Fund, the acceptance of the moneys or any securities deposited therein, the purchase of the securities to be purchased pursuant hereto, the retention of such securities or the proceeds thereof, the sufficiency of the securities or any uninvested moneys held hereunder to accomplish the redemption of the Prior Bonds, or any payment, transfer or other application of moneys or securities by the Escrow Bank in accordance with the provisions of this Escrow Agreement or by reason of any non-negligent act, non-negligent omission or non-negligent error of the Escrow Bank made in good faith in the conduct of its duties. The recitals of fact contained in the "Whereas" clauses herein shall be taken as the statements of the District, and the Escrow Bank assumes no responsibility for the correctness thereof. The Escrow Bank makes no representation as to the sufficiency of the securities to be purchased pursuant hereto and any

uninvested moneys to accomplish the redemption of the Prior Bonds or to the validity of this Escrow Agreement as to the District and, except as otherwise provided herein, the Escrow Bank shall incur no liability in respect thereof. The Escrow Bank shall not be liable in connection with the performance of its duties under this Escrow Agreement except for its own negligence, willful misconduct or default, and the duties and obligations of the Escrow Bank shall be determined by the express provisions of this Escrow Agreement. The Escrow Bank may consult with counsel, who may or may not be counsel to the District, and in reliance upon the written opinion of such counsel shall have full and complete authorization and protection in respect of any action taken, suffered or omitted by it in good faith in accordance therewith. Whenever the Escrow Bank shall deem it necessary or desirable that a matter be proved or established prior to taking, suffering, or omitting any action under this Escrow Agreement, such matter (except the matters set forth herein as specifically requiring a certificate of a nationally recognized firm of independent certified public accountants or an opinion of counsel of recognized standing in the field of law relating to municipal bonds) may be deemed to be conclusively established by a written certification of the District.

Section 11. Amendments. The District and the Escrow Bank may (but only with the consent of the Owners of all of the Prior Bonds) amend this Escrow Agreement or enter into agreements supplemental to this Escrow Agreement; provided, however, that such amendments and agreements are limited to (a) insertion of unintentionally omitted material, corrections of mistakes or clarifications of ambiguities, (b) pledging of additional legal security for the benefit of the Owners of the Prior Bonds, or (c) providing for the deposit of additional cash and/or securities in the Escrow Fund.

Section 12. Term. This Escrow Agreement shall terminate on the date upon which the Prior Bonds have been paid in accordance with this Escrow Agreement.

Section 13. Severability. If any one or more of the covenants or agreements provided in this Escrow Agreement on the part of the District or the Escrow Bank to be performed should be determined by a court of competent jurisdiction to be contrary to law, such covenants or agreements shall be null and void and shall be deemed separate from the remaining covenants and agreements herein contained and shall in no way affect the validity of the remaining provisions of this Escrow Agreement.

Section 14. Counterparts. This Escrow Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as an original but all of which shall constitute and be but one and the same instrument.

Section 15. Governing Law. This Escrow Agreement shall be construed under the laws of the State of California.

DISTRICT GENERAL INFORMATION

District Boundaries

The District, encompassing approximately 710 square miles, is located in the western section of the County of Los Angeles (the “County”) in the State of California (the “State”). The District’s boundaries include virtually all of the City of Los Angeles (the “City”), all of the Cities of Cudahy, Gardena, Huntington Park, Lomita, Maywood, San Fernando, Vernon and West Hollywood, and portions of the Cities of Bell, Bell Gardens, Beverly Hills, Calabasas, Carson, Commerce, Culver City, Downey, Hawthorne, Inglewood, Long Beach, Lynwood, Montebello, Monterey Park, Rancho Palos Verdes, Rolling Hills Estates, Santa Clarita, Santa Monica, South Gate, and Torrance. In addition, the District provides services to several unincorporated areas of the County, which include residential and industrial areas. The boundaries for the District are approximately 80% coterminous with the City, with the remaining 20% included in the smaller neighboring cities and unincorporated County areas described above. The District was formed in 1854 as the Common Schools for the City and became a unified school district in 1960.

District Governance; Senior Management

District Board. The District is governed by a seven-member Board of Education (the “District Board”), each member of which is a voting member and elected by voters within such member’s designed district. The members of the District Board are elected to four-year terms in alternate slates of three and four, with elections held every two years. In an election year, if a candidate receives a majority of the votes cast for a District Board seat in the primary election, that candidate is elected to the office. In the event no candidate receives a majority of the votes cast for a District Board seat, there is a runoff election at the general election between the two candidates receiving the highest number of votes for the seat in the primary election. The current members of the District Board along with their district and term are set forth below.

District	Member	Term Ending
5	Jackie Goldberg, President	December 16, 2024
3	Scott Schmerelson, Vice President	December 16, 2024
1	Dr. George J. McKenna III	December 16, 2024
2	Dr. Rocio Rivas	December 12, 2026
4	Nick Melvoin	December 12, 2026
6	Kelly Gonez	December 12, 2026
7	Tanya Ortiz Franklin	December 16, 2024

The District Board seats in the odd-numbered districts are up for election in 2024. The incumbent members of the District Board for district 3, Scott Mark Schmerelson, and district 7, Tanya Ortiz Franklin, ran in the March 2024 primary election to remain on the District Board. The incumbent members of the

District Board for district 1, George McKenna, and district 5, Jackie Goldberg, did not run to remain on the District Board. At the primary election held on March 5, 2024, Tanya Ortiz Franklin received a majority of the votes for the district 7 District Board seat and was re-elected to such seat. The remaining District Board seats (districts 1, 3 and 5) will have runoff elections in the general election on November 5, 2024. The district 1 runoff will be between Sherlett Hendy Newbill and Khallid A. Al-Alim; the district 3 runoff will be between Scott Mark Schmerelson and Dan Chang; and the district 5 runoff will be between Karla Griego and Graciela “Grace” Ortiz.

Superintendent. The chief executive officer of the District, appointed by the District Board to manage the day-to-day operations of the District, is the Superintendent of Schools (the “Superintendent”). The District Board appointed Alberto M. Carvalho to serve as the Superintendent effective February 2022.

Strategic Plan. On June 21, 2022, the District Board unanimously adopted a strategic plan for the next four years (the “2022-26 Strategic Plan”) that focuses on the goal of ensuring that all District students graduate “ready for the world” and prepared to thrive in college, career, and life. The 2022-26 Strategic Plan revolves around five pillars, each consisting of four priorities, that represent critical areas the District will focus on: academic excellence; joy and wellness; engagement and collaboration; operational effectiveness; and investing in staff.

Pursuant to the 2022-26 Strategic Plan, the first pillar of “Academic Excellence” prioritizes improving student outcomes through high-quality instruction, delivering enriching experiences to instill lifelong learning, eliminating opportunity gaps, and encouraging multiple paths for college and career readiness. The second pillar of “Joy and Wellness” prioritizes creating welcoming and inclusive learning environments, addressing student well-being through health, nutrition, and wellness services, cultivating strong social-emotional skills, and ensuring outstanding attendance to achieve consistent learning. The third pillar of “Engagement and Collaboration” prioritizes strengthening relationships between students, families, and schools, providing accessible information to the community, leading on local, state, and national levels, and honoring the perspectives of students. The fourth pillar of “Operational Effectiveness” prioritizes developing data-driven decision-making, modernizing facilities and technological infrastructure, sustainably implementing school and District budgets, and making the District a district of choice of families. The fifth pillar of “Investing in Staff” prioritizes recruiting and retaining a diverse workforce, providing rigorous and relevant professional learning, cultivating staff wellness, and maintaining consistent and high performance standards.

The District developed an Implementation Guide for the 2022-26 Strategic Plan with actions and practices for practitioners to implement in schools and classrooms. Pursuant to the 2022-26 Strategic Plan, the District intends to, among other endeavors, ensure processes and systems are in alignment by reviewing budgets, updating reporting structures, offering professional development for school and central office staff, and providing additional support for aligning school-level plans to the 2022-26 Strategic Plan. Furthermore, to ensure the 2022-26 Strategic Plan remains on track, the District is regularly engaging with the community to solicit feedback on its actions and expenditures, and has established districtwide systems to monitor progress of ongoing implementation, as well progress toward achieving its targets for success – at both the central-office and school-site levels.

Regions. In addition to the Superintendent of the District, the District organizes its schools into four (formerly six) geographically-based regions (each, a “Region”). Each Region has a separate superintendent to oversee the schools in the related area of the District. The current Region Superintendents are Dr. David Baca (North), Andre Spicer (South), José P. Huerta (East), and Dr. Denise Collier (West).

Biographies. Brief biographical information for Superintendent Alberto M. Carvalho and other senior management of the District is set forth below.

Alberto M. Carvalho, Superintendent. Alberto M. Carvalho has served as Superintendent of the District, the nation's largest self-governing public school district, since February 2022. He was selected by the District Board in a unanimous vote following a comprehensive community engagement process and a nationwide search.

During his 14-year tenure as Superintendent of Miami-Dade County Public Schools ("M-DCPS"), Superintendent Carvalho garnered local, state, national and international recognition. His honors include Florida's 2014 Superintendent of the Year; the 2014 National Superintendent of the Year; the 2016 winner of the Harold W. McGraw Prize in Education; the 2018 National Urban Superintendent of the Year; the 2019 National Association for Bilingual Education (NABE) Superintendent of the Year Award; making him the most accomplished Superintendent in America's history.

Superintendent Carvalho currently serves on the National Assessment Governing Board, appointed by the U.S. Secretary of Education. He also serves as a committee member for the National Academies of Science, Engineering, and Medicine and as an Advisory Committee Member to the Harvard Program on Education Policy and Governance. Superintendent Carvalho is a dedicated member of the National Board of Directors for Common Threads and the Posse Foundation.

Under his tenure, M-DCPS became one of the nation's highest-performing urban school systems, receiving systemwide accreditation from AdvancEd in 2014. M-DCPS was named as the 2014 College Board Advanced Placement Equity and Excellence District of the Year and the 2012 winner of the Broad Prize for Urban Education. He is now seeking to elevate the District to the premier spot in American urban education.

Superintendent Carvalho has been awarded many honorary degrees. He has been honored by the President of Portugal with the "Ordem de Mérito Civil," by Mexico with the "Ohtli Award" and was awarded the Official Cross of the Orden de Isabel la Católica (Order of Isabella the Catholic) on behalf of King Felipe VI of Spain.

Jaime G. Torrens, Senior Advisor to the Superintendent. Mr. Torrens, Senior Advisor to the Superintendent of the District, is responsible for assisting and supporting the Superintendent in the overall operation of the largest self-governing public school district in the nation.

Mr. Torrens previously served as Deputy Superintendent and Chief of Staff for M-DCPS where he oversaw a broad portfolio of functional areas. Among other duties, he led the M-DCPS' response and recovery related to COVID-19 (as defined herein).

As Chief Facilities Officer for over 12 years he was responsible for all aspects of facilities planning, construction, maintenance, operations and inspections at the fourth largest school system in the nation. As a member of the Superintendent's Cabinet, he directed a staff of 1,000 professional and technical personnel responsible for all aspects of 3,100 buildings comprising 45 million square feet on over 400 school campuses and ancillary facilities.

Mr. Torrens also led the implementation of M-DCPS' \$1.2 billion General Obligation Bond program approved by voters in 2012 to renovate, construct and modernize school facilities throughout Miami-Dade County. This extensive capital improvement program included instructional technology upgrades at every school to provide equity throughout all campuses. Concurrently, he helped launch a comprehensive business development program which drastically expanded participation of small, minority and women-owned businesses that had been historically underrepresented in the construction industry.

Mr. Torrens served M-DCPS in various positions of increasing responsibility related to facilities management and district/emergency operations. He led M-DCPS' infusion of sustainability principles into design criteria and specifications for capital projects, implemented the Guaranteed Energy Performance Contracting Program and opened the first Gold Certified comprehensive high school under the LEED for Schools Program.

Mr. Torrens holds a Master of Science in Management Information Systems and a Bachelor of Science in Electrical Engineering from Florida International University, and he is a LEED Accredited Professional.

Mr. Pedro Salcido, Deputy Superintendent of Business Services and Operations. Since joining the District in 2012, Pedro Salcido has served in a variety of roles. Appointed in November 2022, he is currently the Deputy Superintendent of Business Services and Operations overseeing the critical work and divisions that enable the District to run, including school operations, food services, transportation, finance, information technology, facilities, medical services, and procurement. Current strategic initiatives under his purview include closing the digital divide, school bus electrification and systems modernization, healthier and more appealing school meals, wireless network modernization, school building modernization projects, and zero-based budgeting.

Prior to becoming Deputy Superintendent of Business Services and Operations, Mr. Salcido served as the Chief of Staff, managing all District academic and nonacademic operations and activities, while also serving as the Superintendent's principal liaison to the District Board. He oversaw the execution of all District policies and was instrumental in the development of Superintendent Carvalho's 100-Day Plan and 2022-26 Strategic Plan. Mr. Salcido has a demonstrated track record in expanding equitable programmatic and financial practices. Most notably, he served as the leading staff member who developed and implemented the District's Student Equity Needs Index (SENI), an equity-based funding allocation that today has grown to distribute nearly \$700 million to the neediest schools in the District.

Mr. Salcido also served as the District's Senior Executive Director of Finance and Policy, and the Director of Government Relations during which he managed state, federal and local advocacy efforts and supervised internal and external efforts related to finance, labor negotiations and general board policies. Moreover, for five years, he led the work on the initial development and implementation of the District's Local Control and Accountability Plan ("LCAP"), the result of which was the establishment of a system of common accountability and budget alignment with the LCAP Scorecard and broad community engagement efforts.

As a first-generation Mexican American son of immigrants and a first-generation high school and college graduate, Mr. Salcido often relies on his own lived experiences to connect with both the educational and personal experiences of the students we serve. He seeks to listen often to the perspectives of staff, students, and families to effectively contribute to the decisions that shape the daily experiences of Los Angeles students and families. Mr. Salcido holds a Master's in Public Administration from the University of Southern California and holds dual degrees in Politics and Latin American Studies from the University of California, Santa Cruz.

Devora Navera Reed, General Counsel. Devora Navera Reed serves as the General Counsel for the District. She has been serving the District since 2006 and previously held the position of Chief Education and Legal Services Counsel. Ms. Navera Reed oversaw legal issues and litigation in areas dealing with special education, school law and operations, charter schools, equity and access, and constitutional issues, to name a few. As General Counsel for the District, Ms. Navera Reed is responsible for administering and overseeing the legal activities of the District's legal staff and outside legal firms. In addition, she advises the District Board, Superintendent, and senior leadership related to matters of major importance to the

District. Prior to joining the District in 2006, Ms. Navera Reed served as an attorney for the Children’s Law Center of Los Angeles for nearly a decade, where she represented and advocated for children in dependency court and the foster care system. In addition to her legal responsibilities, Ms. Navera Reed serves as a board member of the California Minority Counsel Program promoting diversity, equity and inclusion in the legal field. Ms. Navera Reed earned a Bachelor of Arts from the University of Southern California in 1992 and a Juris Doctorate degree from the University of San Francisco School of Law in 1996.

David D. Hart, Chief Business Officer. Mr. Hart began serving as the District’s Chief Business Officer in January 2020. Before coming to the District, Mr. Hart served as the Chief Financial Officer of the Cherry Creek School District for approximately three years – the last 18 months of which he also served as Cherry Creek’s Chief Operating Officer. Before joining Cherry Creek, Mr. Hart was a Director at The PFM Group for nearly two years and a Senior Vice President in Public Finance at D.A. Davidson & Co. for approximately a year. Prior to that time, Mr. Hart served as the Chief Financial Officer for Denver Public Schools for four years and as Chief Financial Officer of the Douglas County School District for three years. He has also served as Manager of Revenue for the City and County of Denver, as Treasurer for the City and County of Denver and as Budget Director for the Douglas County School District. Mr. Hart attended the University of Colorado at Denver, where he received his Master of Public Administration: Policy Analysis and Evaluation.

Nolberto Delgadillo, Deputy Chief Business Officer – Finance. Mr. Delgadillo joined the District in July 2023, taking on the role to support the District’s fiscal strategy. He came to the District from Portland Public Schools (Oregon) where he served as Chief Financial Officer. Prior to his time at Portland Public Schools he served in the same role for Tulsa Public Schools (Oklahoma). Mr. Delgadillo has a track record for being responsible for ensuring that school district funds are managed responsibly and reported accurately while leading the full spectrum of financial services. Before his time with Tulsa Public Schools, Mr. Delgadillo served as Chief Operations Officer in Los Angeles, at the LA Promise Fund. He also previously supported finance operations at Green Dot Public Schools (California). Mr. Delgadillo also spent over 12 years in the health care sector. He is a graduate from the University of Southern California earning degrees in Chemistry and Spanish and earning an MBA from Loyola Marymount University. He also completed a two-year program through The Broad Center, earning a Master’s in Educational Leadership.

Ernie Thomas, Controller. Mr. Thomas joined the District in January 2024 from a national non-profit organization focused on education where he served for a decade, first as Controller and eventually as Treasurer and Controller for the last six years. He previously served as Corporate Controller for a community sector organization for two years. Prior to that, he served as Vice President at National Community Renaissance for a year. Before that, Mr. Thomas served at an entertainment company for over a decade, where he first held the position of Controller for three years, and then Chief Financial Officer for the last nine years. Mr. Thomas was also an auditor at Authur Andersen & Co. and is a Certified Public Accountant (inactive). Mr. Thomas graduated from UCLA with a Bachelor of Arts degree in Economics.

Timothy S. Rosnick, Director of Capital Planning and Budgeting. Mr. Rosnick joined the District in October 2006 and served as the District’s Director of Accounting Controls from October 2006 through June 2007 and the Director of Treasury and Accounting Controls from July 2007 through June 2008. Mr. Rosnick served as the District’s Controller from June 2008 through June 2011 and served as the District’s Deputy Controller from June 2011 through September 2023. Mr. Rosnick became Director of Capital Planning and Budgeting in September 2023. Prior to joining the District, Mr. Rosnick served as an Administrator at the Orange County Department of Education and as a Financial Officer with LACOE. Mr. Rosnick graduated from the University of Washington with a Bachelor of Arts degree with Distinction in Economics and received a Master of Business Administration degree from the University of Texas at Austin. Mr. Rosnick is a member of the Government Finance Officers Association and the CFA Institute.

School Facilities

The District is the largest public school district in the State and the largest self-governing public school district in the United States. As reflected in the District’s Audited Annual Financial Report for fiscal year 2022-23, the District operated 1,238 schools and centers in fiscal year 2022-23, which consisted of 434 elementary schools, 78 middle/junior high schools, 87 senior high schools, 59 options schools, 262 magnet centers, 67 magnet schools, 30 multi-level schools, 12 special education schools, 2 community adult schools, 7 regional occupational centers, 2 skills centers, 87 early education centers, 4 infant centers, 18 primary school centers, and 89 California State preschools in fiscal year 2022-23. As reflected in the District’s Audited Annual Financial Report for fiscal year 2022-23, 51 of the District’s schools were operated as locally-funded affiliated charter schools (“Affiliated Charter Schools”). In addition, as reflected in the District’s Audited Annual Financial Report for fiscal year 2022-23, the District oversaw 224 fiscally independent charter schools (“Fiscally Independent Charter Schools”) within the District’s boundaries in fiscal year 2022-23. See “STATE FUNDING OF SCHOOL DISTRICTS – Charter School Funding.”

Enrollment and Average Daily Attendance

At the time of preparation of the District’s second interim report for fiscal year 2023-24 (the “Fiscal Year 2023-24 Second Interim Report”), the transitional kindergarten (“TK”) through 12th grade enrollment in the District for fiscal year 2023-24 was projected to be approximately 412,341 students, including those attending magnet, opportunity, and continuation schools and centers, Affiliated Charter Schools, and schools for people with disabilities. Such enrollment represents a decrease of 1,482 students or a decline of approximately 0.36% from the budgeted TK-12 enrollment in the District at the time of preparation of the District’s original adopted budget for fiscal year 2023-24 (the “Fiscal Year 2023-24 Budget”). Such enrollment does not include students attending Fiscally Independent Charter Schools that was budgeted at 108,702 students at the time of preparation of the Fiscal Year 2023-24 Budget. Based on enrollment projections at the time of preparation of the Fiscal Year 2023-24 Second Interim Report, the District was projecting enrollment to decline by 2.49% on average through fiscal year 2025-26. For information regarding District operating deficits in relation to declining enrollment, see “DISTRICT FINANCIAL INFORMATION – District Budget – *LACOE’s Response to Fiscal Year 2023-24 Budget*.” While the District expects enrollment to continue to decline, the District’s projected enrollment declines are subject to change as conditions change and more data becomes available throughout the fiscal year. The District attributes declining enrollment to, among other things, the reduced birth rate in the County, increased costs of living and housing costs in southern California, declining immigration trends in the Los Angeles area, and residual impacts of the Coronavirus Disease 2019 (“COVID-19”) pandemic. The District’s Strategic Enrollment & Program Planning Office continues to lead coordination of District-wide enrollment efforts by utilizing data-driven decision-making to expand successful district programs, improve marketing and outreach to communities, implement student retention and matriculation strategies, and streamline TK-12 pathways and programs.

As a result of declining enrollment in District schools, the District’s annual average daily attendance (“ADA”) has declined in recent years and is expected to further decline in fiscal years 2023-24 through 2025-26 based on projections contained in the Fiscal Year 2023-24 Second Interim Report. To ensure funding stability regardless of instructional model in light of the COVID-19 pandemic, the State budget for fiscal year 2020-21 included a hold-harmless provision for the purpose of calculating apportionments in fiscal year 2020-21, and it provided that average daily attendance for fiscal year 2020-21 was based on fiscal year 2019-20 (specifically, the period July 1, 2019 through February 29, 2020). Although the State budget for fiscal year 2021-22 did not include an extension of the ADA hold-harmless provision in fiscal year 2021-22, school districts with enrollment declines in fiscal year 2021-22, like the District, retained the ability to receive their apportionment based on the higher of their fiscal year 2019-20 or fiscal year 2021-22 ADA as provided under the Local Control Funding Formula (the “LCFF”). See

“STATE FUNDING OF SCHOOL DISTRICTS – Local Control Funding Formula.” In light of pervasive declining enrollment throughout nearly all school districts in the State, the Governor’s State budget for fiscal year 2022-23 revised the LCFF calculation beginning with fiscal year 2022-23 to consider the greater of a school district’s current fiscal year, prior fiscal year, or the average of three prior fiscal years’ ADA to allow school districts more time to adjust to enrollment-related LCFF funding declines. For purposes of fiscal year 2021-22, if a school district could demonstrate it provided independent study offerings to students in fiscal year 2021-22, such school district could consider the greater of its fiscal year 2021-22 ADA or its fiscal year 2021-22 enrollment adjusted for pre-COVID-19 absence rates. Such adjustment was applicable to fiscal year 2021-22 for purposes of calculating a school district’s prior year ADA or the average of three prior years’ ADA in fiscal year 2022-23 and beyond in accordance with the amendments made in connection with the Governor’s State budget for fiscal year 2022-23. The following Table A-1 sets forth the District’s actual and funded ADA for fiscal years 2014-15 through 2023-24. As reflected in Table A-1, the District’s funded ADA for fiscal years 2014-15 through 2021-22 was based largely on actual prior year ADA for the second period of attendance (“P-2”) for traditional TK-12 students, but current year P-2 ADA for students attending Affiliated Charter Schools. For fiscal years 2022-23 and 2023-24, the District’s funded ADA was based largely on the average of three prior fiscal years’ P-2 ADA for traditional TK-12 students, as adjusted in accordance with the COVID-19 ADA relief measures, but current year P-2 ADA for students attending Affiliated Charter Schools. As is shown in Table A-1, the revised LCFF calculation allowing the greater of a school district’s current fiscal year, prior fiscal year, or the average of three prior fiscal years’ ADA delays, but does not eliminate, the effects of enrollment declines on LCFF funding, such effects to eventually be felt as higher attendance levels from earlier years continue phasing out of the District’s average.

Cybersecurity

The District collects, processes, and distributes protected and personal information on students, staff, parents, and contractors. The size of the District's information assets creates a target-rich environment for a variety of threats such as cyber criminals and natural disasters. In 2019, the District experienced a cyberattack that resulted in unauthorized access to a limited number of student records; the software vulnerability was resolved the same day it was discovered. In March 2020, in response to the COVID-19 pandemic, the District rapidly implemented new remote learning and remote working capabilities, which increased the District's cyberattack surface area. The District implemented additional layers of technical and administrative controls to mitigate remote access risks. In August 2022, a Data Center power outage triggered by a failed electrical transformer owned by Los Angeles Department of Water and Power, resulted in temporary unavailability of some information systems. The District mitigated the risk by increasing electrical line and backup power capacity and successfully performing functional load tests.

On September 3, 2022, the District became aware of a cyberattack on its information technology assets and proactively suspended network traffic in and out of its data centers. In response to such incident, the District swiftly activated its incident response protocol and commenced an investigation with support from Kroll, LLC, an outside cybersecurity firm, to assist with containment, remediation, and forensic

analysis. The Microsoft Detection and Response Team also assisted with the forensic investigation. The District also notified local and federal law enforcement agencies and continues to support their ongoing investigations. The District has identified, contained, and remediated the ransomware, and it has not found evidence of additional malware related to the cyberattack or any other persistent malicious activity on its network or systems.

The District's investigation of the incident determined that on or about July 31, 2022, the threat actor began conducting digital monitoring of the District's environment remotely using a contractor account to gain unauthorized access to systems. The District did not pay a ransom to the threat actor in connection with the incident. The threat actor posted approximately 500 gigabytes of data it stole from the District to its "leak site" on the dark web. Most of the files exfiltrated by the threat actor were located on the District's facilities servers and systems. The District provided required notifications to those individuals and entities with personal information included among those materials posted by the threat actor. This included employees, former employees, job applicants, and employees and contractors of facilities services division vendors who had personally identifiable information posted. The District offered credit monitoring services to such individuals. Notifications were also provided to individuals, including students and employees, who had personal "medical information" posted in the form of positive COVID-19 test results collected through the District's COVID-19 testing program, and to individuals, mostly former students, who had information contained in student assessment reports, most of which was dated, posted.

As a result of the incident, the District initially restricted access to its servers and systems, including access to user accounts, email, and software applications. Many operations and processes that were automated or facilitated by technology had to be completed manually, and some still remain manual at this time. Nonetheless, school sites remained operational. Most servers and systems were gradually restored within days as they were determined to be safe, with the District's most critical systems being restored first. The District restored certain impacted systems from backups and continues to work to rebuild others. While the District maintains cyber liability insurance, not all costs incurred are covered thereunder, and certain covered costs, which continue to be identified and calculated may ultimately exceed applicable coverage limits. Further, the District is planning to implement various security enhancements in light of the incident, but the District cannot currently predict the total cost of such enhancements.

Three related lawsuits relating to the incident remain pending against the District, which were filed on behalf of individuals allegedly impacted by the cyberattack, and unidentified classes of others impacted. At this early stage, the District cannot predict the outcome or any potential financial impact that may result from such litigation. Further, the District cannot predict whether any other claims or litigation will be filed or estimate any potential financial impact that may result. For more information about the existing lawsuits, see "DISTRICT FINANCIAL INFORMATION – Risk Management and Litigation."

The District has implemented several protective measures with respect to access requirements to its systems to reduce the likelihood of a similar incident from occurring in the future. The District established an Independent Information Technology Task Force comprised of cybersecurity experts from private and public sectors to develop a set of recommendations to further strengthen the District's cybersecurity. The District has augmented its cybersecurity team, retained cybersecurity service providers, and implemented additional security controls and monitoring of its systems.

To minimize the impact and frequency of cybersecurity incidents, the District previously hired a Director of Information Technology Security in 2016 to develop and implement a risk-based information security management program ("ISMP"). The ISMP is designed to protect the confidentiality, integrity, and availability of information assets managed by the District's Information Technology Division and comply with all applicable information protection regulations including the Family Educational Rights and Privacy Act, Children's Internet Protection Act, and the Health Insurance Portability and Accountability Act. The

ISMP includes a number of technical, administrative, and physical security safeguards that take into account the District's unique threats and vulnerabilities. Safeguards include, but are not limited to, policies that require employees, students, and parents to acknowledge their obligation to protect District information, cybersecurity training for employees, next generation network security technologies, access control systems, and cyber liability insurance. The District and its third-party IT vendors are required to carry cyber liability insurance to offset the cost of business disruptions caused by cybersecurity incidents.

No assurance can be made in any networked environment that a future cyberattack or natural disaster would not compromise the confidentiality, integrity or availability of District information assets. The only viable mitigation of cybersecurity risks is a layered defense strategy. The District implements layered defenses as a principal driver of its information security program and continuously monitors the effectiveness of the program to proactively modify it when the cyberattack landscape changes.

The District relies on other entities and service providers in the course of operating the District, including the County with respect to the levy and collection of *ad valorem* property taxes and its servers and systems for accounting and other matters, as well as other trustees, fiscal agents, dissemination agents and project management firms. No assurance can be given that future cyber threats and attacks against third party entities or service providers will not directly or indirectly impact the District or the owners of the [Refunding] Bonds, including the possibility of impacting the timely payments of debt service on the [Refunding] Bonds or timely filings pursuant to the District's continuing disclosure undertakings.

STATE FUNDING OF SCHOOL DISTRICTS

General

School districts in the State receive operating revenues from federal, State and local sources, including appropriations from the State's general fund and local property taxes derived from a school district's share of the 1% *ad valorem* property tax. School districts also currently receive revenues from the State attributable to temporary tax increases implemented by Proposition 30 (defined herein). In connection with voter approval of Proposition 55 (defined herein), certain of such temporary tax increases were extended by twelve years through 2030. See "CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS – Proposition 30" herein. School districts, such as the District, may be eligible for other special categorical funding, including funding for certain State and federal programs. The amount of categorical funding appropriated to a school district may vary significantly from other school districts and yearly. At the time of preparation of the Fiscal Year 2023-24 Second Interim Report, the District projected to receive approximately 60.42% of District General Fund revenues from funds of or controlled by the State. As a result, decreases in State revenues, or in State legislative appropriations made to fund education, may significantly affect District operations. For more information regarding the District's funding for fiscal year 2023-24, see "– State Budget Act – 2023-24 *State Budget*," "– State Budget Act – Proposed 2024-25 *State Budget*," "– Local Control Funding Formula" and "DISTRICT FINANCIAL INFORMATION – District Budget" herein.

Article XVI of the State Constitution requires that from all State revenues, there first be set apart the moneys to be applied by the State for support of the public school system and public institutions of higher education. See "CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS – Constitutionally Required Funding of Education" herein. The State Legislature and the Governor approve the State's authorized appropriations for school districts each fiscal year in connection with the adoption of the State Budget Act (defined herein). Proposition 98 ("Proposition 98"), approved in November 1988 as a combined initiative constitutional amendment and statute called the

“Classroom Instructional Improvement and Accountability Act,” provides the minimum funding formula for school districts. See “CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS – Proposition 98” herein. Under Proposition 98 (as modified by Proposition 111, which was enacted on June 5, 1990), there are currently three tests which determine the minimum level of K-14 funding. See “CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS” and “STATE FUNDING OF SCHOOL DISTRICTS– Local Control Funding Formula” herein. Proposition 98 permits the State Legislature, by two-thirds vote of both houses and with the Governor’s concurrence, to suspend the K-14 schools’ minimum funding formula for a one-year period. The amount of suspension is required to be repaid according to a specified State Constitutional formula, thereby restoring Proposition 98 funding to the level that would have been required in the absence of such suspension.

The actual appropriations and the timing of such appropriations are subject to, among other things, the estimated amount of State general fund revenues during the fiscal year and subsequent changes in State law. At times since the implementation of Proposition 98, the State has also sought to preserve general fund cash while avoiding increases in the base guaranteed amount through various mechanisms: by treating any excess appropriations as advances against subsequent years’ Proposition 98 minimum funding levels rather than current year increases; by deferring apportionments of Proposition 98 funds from one fiscal year to the next, as the State did in fiscal years 2019-20 and 2020-21; by suspending Proposition 98, as the State did in fiscal year 2004-05, fiscal year 2010-11, fiscal year 2011-12 and fiscal year 2012-13; and by proposing to amend the State Constitution’s definition of the guaranteed amount and settle-up requirement under certain circumstances. For more information on the Proposition 98 minimum guarantee under the 2023-24 State Budget, see “– State Budget Act – 2023-24 State Budget” herein. For a description and an analysis of the Governor’s proposed use of amounts in the Proposition 98 Rainy Day Fund (defined below) as a budget solution in the Proposed 2024-25 State Budget in relation to the Proposition 98 minimum guarantee and concerns expressed by the Legislative Analyst’s Office with respect to such use, see also “–The State Budget Process – State Budget Act – *Proposed 2024-25 State Budget*” and “–The State Budget Process – State Budget Act – *LAO Analysis of the Proposed 2024-25 State Budget*” herein.

Since fiscal year 2013-14, the amount of funds an individual school district receives from State revenues depends on the amount of revenues the State calculates that the school district should receive based on the LCFF, less the amount the school district derives from such school district’s share of the 1% *ad valorem* property tax. See “– Local Control Funding Formula” and “CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS – Constitutionally Required Funding of Education” herein.

The State Budget Process

The State’s fiscal year begins on July 1 and ends on June 30. According to the State Constitution, the Governor of the State (the “Governor”) is required to propose a budget for the next fiscal year (the “Governor’s Budget”) to the State Legislature no later than January 10 of each year. State law requires the Governor to update the Governor’s Budget projections and budgetary proposals by May 14 of each year (the “May Revision”). Proposition 25, which was adopted by voters in the State at an election held on November 2, 2010, amended the State Constitution such that a final budget must be adopted by a simple majority vote of each house of the State Legislature by no later than June 15 and the Governor must sign the adopted budget by no later than June 30. The budget becomes law upon the signature of the Governor (the “State Budget Act”).

Under State law, the annual proposed Governor’s Budget cannot provide for projected expenditures in excess of projected revenues and balances available from prior fiscal years. Following the submission of the Governor’s Budget, the State Legislature takes up the proposal. Under the State Constitution, money may be drawn from the State Treasury only through an appropriation made by law. The primary source of the annual expenditure authorizations is the State Budget Act, as approved by the State Legislature and signed by the Governor. The Governor may reduce or eliminate specific line items in the State Budget Act or any other appropriations bill without vetoing the entire bill. Such individual line-item vetoes are subject to override by a two-thirds majority vote of each House of the State Legislature. Appropriations also may be included in legislation other than the State Budget Act. Bills containing appropriations (except for K-14 education) must be approved by a two-thirds majority vote in each House of the State Legislature and be signed by the Governor. Bills containing K-14 education appropriations require only a simple majority vote. Continuing appropriations, available without regard to fiscal year, may also be provided by statute or the State Constitution. Funds necessary to meet an appropriation need not be in the State Treasury at the time such appropriation is enacted; revenues may be appropriated in anticipation of their receipt. However, delays in the adoption of a final State budget in any fiscal year may affect payments of State funds during such budget impasse. See “– State Funding of Schools Without a State Budget” herein for a description of payments of appropriations during a budget impasse.

The description above and below of the State’s budget has been obtained from publicly available information which the District believes to be reliable; however, the District, its counsel (including Bond Counsel and Disclosure Counsel), the Municipal Advisor, the Underwriters and their counsel do not guarantee the accuracy or completeness of this information and have not independently verified such information. Additional information regarding State budgets is available at various State-maintained websites, including www.dof.ca.gov. State Budget Act

2023-24 State Budget. The Governor signed the fiscal year 2023-24 State budget on June 27, 2023, which was amended through a series of legislative bills (as amended, the “2023-24 State Budget”). The discussion below describes the 2023-24 State Budget. However, the 2023-24 State Budget was enacted based on then available information and a multitude of assumptions and expectations, including State revenue projections. Achievement of certain results or other expectations contained in the 2023-24 State Budget involves known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements described therein to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. See “– State Budget Act – Proposed 2024-25 State Budget” and “– State Budget Act – LAO Analysis of the Proposed 2024-25 State Budget” herein, for more current State budget information as well as a discussion of certain instances where expectations expressed in the 2023-24 State Budget were different than actual results.

As enacted, the 2023-24 State Budget reflected a downturn in revenues and slower revenue growth than previous projections due to the declining stock market, high inflation, rising interest rates and layoffs in high-wage sectors. It provided that the 2023-24 State Budget was able to address the shortfall with balanced solutions that would protect core State programs and services by paying down the State’s debt and using one-time surplus funds on one-time commitments. The 2023-24 State Budget included a package of solutions to bridge an approximately \$31.7 billion then-projected shortfall while avoiding what it described as deep and damaging program cuts. Specifically, the 2023-24 State Budget shifted approximately \$9.3 billion of spending commitments from the State’s general fund to other funds, reduced or pulled back approximately \$8.1 billion in previously approved State general fund spending, delayed approximately \$7.9 billion in spending across multiple years, included approximately \$6.1 billion in

additional revenue, primarily from the Managed Care Organization tax as well as internal borrowing from special fund balances not projected for programmatic purposes, and built in approximately \$340.0 million in trigger reductions that were then projected to be restored in the then proposed State budget for fiscal year 2024-25, assuming sufficient funds. The 2023-24 State Budget provided that it avoids new significant ongoing commitments and maintains fiscal discipline by setting aside a record \$37.8 billion in total budgetary reserves. The 2023-24 State Budget noted that a tax filing delay due to unprecedented storms in fiscal year 2022-23 had delayed the then projected receipt of \$42.0 billion in State tax receipts to October 2023, including \$28.4 billion from personal income tax and \$13.3 billion from corporation tax, representing nearly one-fourth of the fiscal year 2022-23 total then projected personal income tax, and nearly one-third of the fiscal year 2022-23 then projected corporation tax.

The 2023-24 State Budget projected total resources available in fiscal year 2022-23 of approximately \$260.9 billion, including revenues and transfers of approximately \$205.1 billion and a prior year balance of approximately \$55.8 billion, and total expenditures in fiscal year 2022-23 of approximately \$234.6 billion. The 2023-24 State Budget projected total resources available for fiscal year 2023-24 of approximately \$235.0 billion, inclusive of revenues and transfers of approximately \$208.7 billion and a prior year balance of approximately \$26.4 billion. The 2023-24 State Budget projected total expenditures in fiscal year 2023-24 of approximately \$225.9 billion, inclusive of non-Proposition 98 expenditures of approximately \$147.5 billion and Proposition 98 expenditures of approximately \$78.4 billion. Citing revenue risks and uncertainties, the 2023-24 State Budget included a historic level of reserves as an important resiliency tool, setting aside a total of \$37.8 billion in fiscal year 2023-24 and allocated reserves as follows: approximately \$22.3 billion in the State Rainy Day Fund (the “State Rainy Day Fund”) for fiscal emergencies, approximately \$10.8 billion in the Public School System Stabilization Account (the “Proposition 98 Rainy Day Fund”), approximately \$900.0 million in the Safety Net Reserve (the “Safety Net Reserve”), and approximately \$3.8 billion to the State’s Special Fund for Economic Uncertainties (the “State Special Fund for Economic Uncertainties”). In addition, the 2023-24 State Budget allocated approximately \$5.3 billion of the State general fund’s then projected fund balance in fiscal year 2023-24 to the State’s Reserve for Liquidation of Encumbrances. The 2023-24 State Budget provided that the State Rainy Day Fund would be at its constitutional maximum of 10% of State general fund revenues.

The 2023-24 State Budget included total funding of \$129.2 billion for all K-12 education programs, including \$79.5 billion from the State’s general fund and \$49.7 billion from other funds. The 2023-24 State Budget reflected significant Proposition 98 funding that was to provide increased support for core programs such as the LCFF, special education, transitional kindergarten, nutrition, and preschool.

Certain budgeted programs and adjustments for K-12 education set forth in the 2023-24 State Budget included the following:

- Proposition 98 Minimum Guarantee. The 2023-24 State Budget reflected Proposition 98 funding levels of \$110.6 billion in fiscal year 2021-22, \$107.4 billion in fiscal year 2022-23, and \$108.3 billion in fiscal year 2023-24. The 2023-24 State Budget provided that such funding represented approximately 38.5% of the State’s general fund revenues, plus local property tax revenues. To accommodate enrollment increases related to the expansion of transitional kindergarten, the 2023-24 State Budget increased the funding level from approximately 38.2% to approximately 38.5% to increase the percentage of State general fund revenues due to the minimum guarantee.
- Proposition 98 Rainy Day Fund (Public School System Stabilization Account). The 2023-24 State Budget included payments required to be made to the Proposition 98 Rainy Day Fund in fiscal years 2021-22 through 2023-24 for a total expected account balance of \$10.8 billion at the end of fiscal year 2023-24. The 2023-24 State Budget indicated that the expected balance of approximately \$9.9 billion in fiscal year 2022-23 would trigger the cap on school district reserves

beginning in fiscal year 2023-24. See “– Limitations on School District Reserves” and “CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS – Proposition 2 – SB 751” herein.

- Local Control Funding Formula. The 2023-24 State Budget included a LCFF cost-of-living adjustment (“COLA”) of 8.22%, which is the largest COLA in the history of LCFF. The 2023-24 State Budget provided approximately \$556.3 million ongoing Proposition 98 general fund resources to reflect the COLA for specified categorical programs. The 2023-24 State Budget provided that the COLA, when combined with projected declining enrollment adjustments, increased the year-over-year projected discretionary funds available to local education agencies by approximately \$3.4 billion. The 2023-24 State Budget also reflected the utilization of approximately \$1.6 billion one-time Proposition 98 State general fund resources to support the overall costs of the LCFF in fiscal year 2023-24, and provided an increase of approximately \$80.0 million ongoing Proposition 98 State general fund resources to support county offices of education serving students in juvenile court and other alternative school settings.
- Accountability Improvements and Equity Multiplier. The 2023-24 State Budget indicated that it reflects a comprehensive package to support accountability and a continuous improvement system to ensure student group and school site equity gaps within a local education agency are identified and addressed through the Local Control and Accountability Plan. To complement these efforts, the 2023-24 State Budget provided approximately \$300.0 million ongoing Proposition 98 State general fund resources to establish an Equity Multiplier as an add-on to the LCFF to accelerate gains in closing opportunity and outcome gaps, and approximately \$2.0 million ongoing Proposition 98 general fund resources to support the critical work of the new Equity Leads within the statewide system of support.
- Literacy. The 2023-24 State Budget provided approximately \$250.0 million one-time Proposition 98 general fund resources to build upon the existing Literacy Coaches and Reading Specialists Grant Program, which funds high-poverty schools to train and hire literacy coaches and reading specialists for one-on-one and small group intervention for struggling readers.
- State Preschool Program. The 2023-24 State Budget included the following set asides to fund any adjustments related to reimbursement for preschool providers: approximately \$343.1 million in Proposition 98 general fund resources and \$20,000 in non-Proposition 98 general fund resources from fiscal year 2022-23; approximately \$369.3 million in Proposition 98 general fund resources and \$126.1 million in general fund resources from fiscal year 2023-24; and approximately \$445.7 million in Proposition 98 general fund resources and \$186.5 million in general fund resources from fiscal year 2024-25. Consistent with this approach, the 2023-24 State Budget suspended the annual COLA applicable to the State Preschool Program in fiscal years 2023-24 and 2024-25.

The 2023-24 State Budget reallocated approximately \$4.4 million non-Proposition 98 general fund resources and approximately \$5.3 million Proposition 98 general fund resources from the 2022-23 State budget to continue to waive family fees from July 1, 2023 through September 30, 2023, and provided approximately \$112.0 million in available federal funds to provide temporary stipends for State Preschool Program employees.

- Transitional Kindergarten. The 2023-24 State Budget provided approximately \$357.0 million in ongoing Proposition 98 general fund resources for fiscal year 2022-23 to support the first year of expanded eligibility for transitional kindergarten to all children turning five-years-old between September 2 and February 2. The 2023-24 State Budget also provided approximately \$283.0

million in Proposition 98 general fund resources to provide one additional certificated or classified staff person in each transitional kindergarten classroom. Additionally, the 2023-24 State Budget provided approximately \$597.0 million in ongoing Proposition 98 general fund resources beginning in fiscal year 2023-24 to support the second year of expanded eligibility for transitional kindergarten to all children turning five-years-old between September 2 and April 2. The 2023-24 State Budget also provided approximately \$165.0 million in Proposition 98 general fund resources to support the second year of adding one additional certificated or classified staff person in each transitional kindergarten classroom.

- Arts, Music, and Instructional Materials Discretionary Block Grant. The 2023-24 State Budget decreased one-time Proposition 98 general fund support for the Arts, Music, and Instructional Materials Block Grant by approximately \$200.0 million, reducing total one-time program support from approximately \$3.5 billion to approximately \$3.3 billion. The Arts and Music in Schools: Funding Guarantee and Accountability Act (Proposition 28) will provide approximately \$938.0 million ongoing Proposition 98 general fund resources beginning in fiscal year 2023-24.
- Learning Recovery Emergency Block Grant. The 2023-24 State Budget delays approximately \$1.1 billion one-time Proposition 98 general fund resources for the Learning Recovery Emergency Block Grant to fiscal years 2025-26, 2026-27, and 2027-28.
- Zero-Emission School Buses. The 2023-24 State Budget delayed approximately \$1.0 billion one-time Proposition 98 general fund resources to support greening school bus fleets through programs operated by the California Air Resources Board and the California Energy Commission to fiscal years 2024-25 and 2025-26.
- California Preschool, Transitional Kindergarten and Full-Day Kindergarten Facilities Grant Program (the “Full-Day Kindergarten Facilities Grant Program”). The 2022-23 State budget included \$100.0 million one-time general fund resources and reflected an additional \$550.0 million in fiscal year 2023-24 to support the Full-Day Kindergarten Facilities Grant Program. The 2023-24 State Budget delayed the planned \$550.0 million investment for this program to fiscal year 2024-25.
- School Facility Program. The 2023-24 State Budget provided approximately \$2.0 billion one-time general fund resources, which is \$100.0 million less than previously planned, to support the School Facility Program in fiscal year 2023-24.
- Nutrition. The 2023-24 State Budget provided an additional \$154.0 million in ongoing Proposition 98 general fund resources and an additional \$110.0 million one-time Proposition 98 general fund resources to fully fund the universal school meals program in fiscal years 2022-23 and 2023-24.
- Bipartisan Safer Communities Act, Stronger Connections Program. The 2023-24 State Budget provided approximately \$119.6 million in one-time federal funds to support local education activities related to improving school climate and safety through the Stronger Connections Program.
- Charter School Facility Grant Program. Consistent with the 2022-23 State budget, the 2023-24 State Budget provided a one-time investment of \$30.0 million Proposition 98 general fund resources to support eligible facilities costs.

Proposed 2024-25 State Budget. The Governor released the fiscal year 2024-25 proposed State budget (the “Proposed 2024-25 State Budget”) on January 10, 2024, which provides that it maintains the State’s fiscal stability using some of the money saved in historic budget reserves. The Proposed 2024-25 State Budget notes that the estimated \$37.9 billion budget shortfall poses a substantial challenge and is rooted in two separate but related developments during fiscal years 2022-23 and 2023-24 – the substantial decline in the stock market that drove down revenues in fiscal year 2022-23 and the unprecedented delay in critical income tax collections in fiscal year 2023-24. The Governor’s proposed budgets in January and May 2023 warned of this increased budgetary uncertainty, and in June 2023, the State passed a budget that planned accordingly, setting aside record reserves of just under \$38.0 billion. The Proposed 2024-25 State Budget provides that it solves for last fiscal year’s shortfall while adjusting State spending to ensure continued fiscal stability in future fiscal years.

The Proposed 2024-25 State Budget provides that the stock market recovery and improved economic growth support its forecast assumptions that revenue growth will resume in fiscal year 2023-24 following the steep correction in fiscal year 2022-23, with potential upside through fiscal year 2024-25 if the markets continue to outperform the forecast. In addition, it provides that the Federal Reserve has indicated it intends to cut interest rates throughout 2024, which may stimulate real estate transactions and other sectors of State’s economy. However, the Proposed 2024-25 State Budget provides that several risk factors such as a significant financial shock from tightening financial conditions, stock market and asset price volatility, and declines and geopolitical turmoil, could negatively impact the economy going forward. The Proposed 2024-25 State Budget provides that even after the proposed withdrawals from State reserves, total reserves in fiscal year 2024-25 will remain substantial at \$18.4 billion. This includes \$11.1 billion in the State Rainy Day Fund, \$3.9 billion in the Proposition 98 Rainy Day Fund, and \$3.4 billion in the State Special Fund for Economic Uncertainties.

The Proposed 2024-25 State Budget incorporates the following measures to close the budgetary shortfall in fiscal year 2024-25:

- \$13.1 billion in budget withdrawals from the State’s reserves, including \$10.4 billion from the mandatory State Rainy Day Fund and Transfer Suspension, \$1.8 billion from the discretionary State Rainy Day Fund, and \$900.0 million from the Safety Net Reserve.
- \$8.5 billion in various budget spending reductions, including, but not limited to, \$500.0 million in reductions to the School Facilities Aid Program and \$494.0 million in reductions to the Student Housing Revolving Loan Fund Program.
- \$5.7 billion in support from revenue sources and internal borrowing from special funds.
- \$5.1 billion in delayed budgetary funding for multiple items spread across a three-year period, beginning in fiscal year 2025-26, including but not limited to, a \$550.0 million funding delay to the Full-Day Kindergarten Facilities Grant Program.
- \$3.4 billion in budget fund shifts of certain expenditures from the State general fund to other funds, including, but not limited to, a \$1.3 billion reduction on State plans retirement contributions using Proposition 2 debt repayment funding.
- \$2.1 billion in funding deferrals to fiscal year 2025-26.

In addition to the budgetary measures listed above, the Proposed 2024-25 State Budget includes withdrawals from the Proposition 98 Rainy Day Fund of \$5.7 billion to maintain support for local educational agencies and community college districts. However, see “– *LAO Analysis of the Proposed 2024-25 State Budget*” below, for an analysis of the Governor’s proposed use of amounts in the Proposition 98 Rainy Day Fund as a budget solution in the Proposed 2024-25 State Budget in relation to the Proposition 98 minimum guarantee.

The Proposed 2024-25 State Budget estimates total resources available in fiscal year 2023-24 of approximately \$238.9 billion, including revenues and transfers of approximately \$196.9 billion and a prior year balance of approximately \$42.1 billion, and total expenditures in fiscal year 2023-24 of approximately \$230.9 billion. The Proposed 2024-25 State Budget projects total resources available for fiscal year 2024-25 of approximately \$222.7 billion, inclusive of revenues and transfers of approximately \$214.7 billion and a prior year balance of approximately \$8.0 billion. The Proposed 2024-25 State Budget projects total expenditures in fiscal year 2024-25 of approximately \$208.7 billion, inclusive of non-Proposition 98 expenditures of approximately \$131.8 billion and Proposition 98 expenditures of approximately \$76.9 billion. The Proposed 2024-25 State Budget includes approximately \$29.0 billion in reserves in fiscal year 2024-25 and allocates reserves as follows: approximately \$11.1 billion in the State Rainy Day Fund for fiscal emergencies, approximately \$3.9 billion in the Proposition 98 Rainy Day Fund, approximately \$10.6 million in the Reserve for Liquidation and Encumbrances, and approximately \$3.4 billion in the State Special Fund for Economic Uncertainties.

The Proposed 2024-25 State Budget includes total funding of approximately \$126.8 billion for all K-12 education programs, including approximately \$76.4 billion from the State’s general fund and approximately \$50.4 billion from other funds. Per-pupil funding totals \$17,653 per pupil in Proposition 98 funding and \$23,519 per pupil when accounting for all funding sources. However, see “– *LAO Analysis of the Proposed 2024-25 State Budget*” below, for an assessment of the Governor’s proposed K-12 education funding.

Certain budgeted programs and adjustments for K-12 education set forth in the Proposed 2024-25 State Budget include the following:

- Proposition 98 Minimum Guarantee. The revised estimates of State general fund revenues in the Proposed 2024-25 State Budget result in notable adjustments to the Proposition 98 minimum guarantee, resulting in funding estimates of approximately \$98.3 billion in fiscal year 2022-23, \$105.6 billion in fiscal year 2023-24, and \$109.1 billion in fiscal year 2024-25, representing a three-year decrease in the minimum guarantee of approximately \$11.3 billion over the level funded in the 2023-24 State Budget. Recognizing that the delay in the State tax filing deadline in fiscal year 2022-23 impacted State revenue projections for fiscal year 2022-23 available at the time the 2023-24 State Budget was enacted, the Proposed 2024-25 State Budget proposes statutory changes to address approximately \$8.0 billion of this decrease to avoid impacting existing school district and community college district budgets.
- Proposition 98 Rainy Day Fund. The 2023-24 State Budget projected a total balance of \$10.8 billion in the Proposition 98 Rainy Day Fund. The Proposed 2024-25 State Budget reflects revised fiscal year 2022-23 and 2023-24 payments, and a fiscal year 2024-25 payment, of approximately \$339.0 million, \$288.0 million, and \$752.0 million, respectively, into the Proposition 98 Rainy Day Fund, and withdrawals of approximately \$3.0 billion in fiscal year 2023-24 and \$2.7 billion in fiscal year 2024-25, for a total revised account balance of more than \$3.8 billion at the end of fiscal year 2024-25. There is a cap of 10% on school district reserves in fiscal years immediately succeeding those in which the balance in the Proposition 98 Rainy Day Fund is equal to or greater than 3% of the total K-12 share of the Proposition 98 minimum guarantee. See “STATE FUNDING OF SCHOOL

DISTRICTS – Limitations on School District Reserves” and “CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS – Proposition 2 – *SB 751*” herein. The Proposed 2024-25 State Budget provides that the balance of \$5.7 billion in the Proposition 98 Rainy Day Fund in fiscal year 2023-24 continues to trigger school district reserve caps in fiscal year 2024-25.

- Local Control Funding Formula. The Proposed 2024-25 State Budget includes a LCFF COLA of approximately 0.76%, down from the 3.94% COLA estimated at the time of the enactment of the 2023-24 State Budget. The 2023-24 State Budget provides that, when combined with population growth adjustments, this will result in a decrease of approximately \$1.4 billion in discretionary funds for local educational agencies. To fully fund this increase and to maintain the level of current year principal apportionments, the Proposed 2024-25 State Budget proposes withdrawing approximately \$2.8 billion from the Proposition 98 Rainy Day Fund to support ongoing LCFF costs in fiscal year 2023-24, withdrawing approximately \$2.2 billion from the Proposition 98 Rainy Day Fund to support ongoing LCFF costs in fiscal year 2024-25, and using available reappropriation and reversion funding totaling \$38.6 million to support ongoing LCFF costs in fiscal year 2024-25.
- Local Property Tax Adjustments. The Proposed 2024-25 State Budget includes decreases of Proposition 98 general fund resources for school districts and county offices of education of \$113.0 million and \$996.0 million, respectively, in fiscal year 2023-24 and fiscal year 2024-25, as a result of increased offsetting property taxes.
- Instructional Continuity. To provide students with needed instructional continuity including when facing challenges such as severe climate events, illness, or other barriers that impact attendance, the Proposed 2024-25 State Budget proposes statutory changes to allow local educational agencies to provide attendance recovery opportunities to students to make up lost instructional time, thereby offsetting student absences, and mitigating learning loss and chronic absenteeism, as well as related fiscal impacts.
- California State Preschool Program. To support reimbursement rate increases previously supported by available one-time federal stimulus funding, the Proposed 2024-25 State Budget includes \$53.7 million in general fund resources. These resources are in addition to approximately \$140.6 million in general fund resources and \$206.3 million in Proposition 98 general fund resources identified in the 2023-24 State Budget.
- Teacher Preparation and Professional Development. To support training for educators to administer literacy screenings, the Proposed 2024-25 State Budget proposes \$25.0 million in ongoing Proposition 98 general fund resources through the K-12 Mandate Block Grant.

To further assist educators in teaching mathematics aligned to the State Board of Education’s newly adopted Mathematics Framework, the Proposed 2024-25 State Budget proposes \$20.0 million in one-time Proposition 98 general fund resources for a county office of education to work with the University of California Subject Matter Projects, as well as other well-qualified governmental or non-profit providers, to develop and provide training for mathematics coaches and leaders who can in turn provide training and support to math teachers to deliver high-quality instruction.

The Proposed 2024-25 State Budget also proposes to make statutory changes to focus the use of unexpended allocated Learning Recovery Emergency Block Grant funds on actions to address the needs of students most impacted by learning loss, based on an assessment of needs and incorporated into the existing Local Control and Accountability Plan (LCAP) development process, and to

clarify that the allowable uses of such grant funds include professional development aligned to the new Mathematics Framework.

- School Facility Program. The Kindergarten through Community College Public Education Facilities Bond Act of 2016 (Proposition 51), approved by voters in November 2016, authorized \$9.0 billion in State general obligation bonds to support K-12 and community college school facilities construction. With Proposition 51 bond authority funds nearly exhausted, the 2022-23 State budget and 2023-24 State Budget provided approximately \$1.3 billion in one-time general fund resources and \$2.0 billion in one-time general fund resources, respectively, for the School Facility Program, for K-12 school facilities construction. To address the projected budget shortfall, the Proposed 2024-25 State Budget adjusts a planned fiscal year 2024-25 investment for the School Facility Program from \$875.0 million to \$375.0 million in one-time general fund resources.
- Full-Day Kindergarten Facilities Grant Program. The Full-Day Kindergarten Facilities Grant Program supports the construction of new school facilities or retrofitting existing school facilities for the purpose of providing transitional kindergarten, full-day kindergarten, or preschool classrooms. The 2022-23 State budget included \$100.0 million in one-time general fund resources for the Full-Day Kindergarten Facilities Grant Program, and the 2023-24 State Budget reflected an additional \$550.0 million in fiscal year 2024-25 to support the Full-Day Kindergarten Facilities Grant Program. To address the projected budget shortfall, the Proposed 2024-25 State Budget delays the fiscal year 2024-25 planned investment of \$550.0 million to fiscal year 2025-26.
- Zero-Emission School Buses. The Proposed 2024-25 State Budget maintains \$500.0 million one-time Proposition 98 general fund resources to support greening school bus fleets through programs operated by the California Air Resources Board and the California Energy Commission in fiscal year 2024-25.
- Nutrition. The Proposed 2024-25 State Budget includes an increase of \$122.2 million in ongoing Proposition 98 general fund resources to fully fund the universal school meals program in fiscal year 2024-25.

The complete Proposed 2024-25 State Budget is available from the California Department of Finance website at www.dof.ca.gov or www.ebudget.ca.gov. LAO Analysis of the Proposed 2024-25 State Budget. The Legislative Analyst’s Office (“LAO”), a nonpartisan State office which provides fiscal and policy information and advice to the State legislature, released its report on the Proposed 2024-25 State Budget entitled “The 2024-25 Budget: Proposition 98 and K-12 Education” on February 15, 2024 (the “2024-25 Proposed Budget Analysis”). In the 2024-25 Proposed Budget Analysis, the LAO assesses changes related to the Proposition 98 Rainy Day Fund and Proposition 98 minimum guarantee and analyzes the major proposals for K-12 education.

The LAO notes that Proposition 98 sets aside a minimum amount of funding for schools based upon a set of constitutional formulas. Due to reductions in State revenue and the delayed deadline for personal income and corporation tax payments, the Proposed 2024-25 State Budget estimates the funding requirement to be down significantly over the fiscal years 2022-23 through 2024-25. Specifically, the delayed payments show that State tax collections for fiscal year 2022-23 were nearly \$26.0 billion lower than the levels the State estimated in June 2023. The Proposed 2024-25 State Budget revised the estimate of the Proposition 98 minimum guarantee down nearly \$9.1 billion for fiscal year 2022-23. The LAO observes that the reduction in the guarantee primarily reflects the significant drop in general fund revenue,

but is offset slightly by a small increase in property tax revenue. The downward revision is the largest reduction to the guarantee in a prior year since the passage of Proposition 98 in 1988. By contrast, previous downward revisions to the prior-year guarantee have never been larger than a couple hundred million dollars. The LAO notes that nearly half of the increase, however, is due to two special adjustments. First, the State adjusts the guarantee up by more than \$930.0 million to account for the arts education program established by Proposition 28 in the year 2022. Second, it makes a further upward adjustment of more than \$630.0 million to account for the continued expansion of eligibility for transitional kindergarten. The LAO estimates the Proposition 98 guarantee is \$7.7 billion lower than the Proposed 2024-25 State Budget level over the period. Specifically, estimates are \$5.2 billion lower in fiscal year 2023-24 and \$2.5 billion lower in fiscal year 2024-25.

The Proposed 2024-25 State Budget anticipates a rapid recovery and assumes an 8.0% increase in general fund revenue relative to the lower fiscal year 2022-23 level, including a 12.0% increase in personal income tax receipts. The Proposed 2024-25 State Budget anticipates a relatively strong rebound in general fund revenue for fiscal year 2023-24, but the State tax collections through January 2024 point to continuing weakness. Tax receipts from regular income tax withholding (the largest portion of the personal income tax) came in \$1.0 billion or 11.0% below the estimates in the Proposed 2024-25 State Budget. Receipts from the quarterly estimated payments were even worse, coming in \$3.0 billion or 27.0% below the budget estimate. Based on the recent tax collection data, the LAO sees a high level of downside risk to the revenue estimates in the Proposed 2024-25 State Budget. Specifically, LAO's updated estimate of general fund revenue (released in February 2024) is \$15.3 billion lower than the Proposed 2024-25 State Budget estimates for fiscal year 2023-24 and \$8.4 billion lower for fiscal year 2024-25. The LAO notes that there is low probability that revenues will approach the levels in the Proposed 2024-25 State Budget. The LAO estimates that the lower general fund revenue reduce the guarantee by nearly 40 cents for each dollar of lower revenue. Increases in local property tax, however, increase the Proposition 98 minimum guarantee on a dollar-for-dollar basis.

LAO's estimates of property tax revenue are somewhat higher than the levels in the Proposed 2024-25 State Budget. The LAO observes that the most important factor affecting local property tax revenue is the rate of growth in assessed property values. The Proposed 2024-25 Proposed Budget estimates assessed values will grow 5.1% in fiscal year 2023-24 and 4.7% in fiscal year 2024-25. The LAO observes that this growth assumption is somewhat below the historical average of about 5.5%. Accounting for all of the factors, the overall increase in local property tax revenue is about 4.0% in each year. The Proposed 2024-25 State Budget forecasts Proposition 98 guarantee to grow to \$111.9 billion in fiscal year 2025-26, an increase of \$2.8 billion or 2.6% from the fiscal year 2024-25 level. The LAO observes that approximately \$1.1 billion of this increase in the guarantee is attributable to an adjustment for transitional kindergarten. Most notably, recent data from the Board of Equalization show that assessed property values grew nearly 6.7% in fiscal year 2023-24, compared with the estimate of 5.1% in the Proposed 2024-25 State Budget.

The LAO emphasizes that the Proposed 2024-25 State Budget's largest solution is a funding maneuver that would move some prior-year school spending to the non-Proposition 98 side of the budget and delay budgetary recognition of the expenditure for several years. In effect, the State would be using its cash resources to finance payments to schools that exceed the Proposition 98 guarantee in the prior year and creating an internal obligation to recognize the underlying budgetary cost at some point in the future. Unlike a traditional loan, however, the State would not score this mechanism as borrowing, make payments to an external creditor, or accrue any interest. The Proposed 2024-25 State Budget also proposes a \$4.9 billion discretionary withdrawal to cover school spending that would otherwise exceed the minimum guarantee. Of this amount, the budget would use \$2.8 billion for LCFF in fiscal year 2023-24 and \$2.1 billion for LCFF in fiscal year 2024-25. These withdrawals would leave \$3.9 billion in the reserve for future use. This balance exceeds the threshold triggering the cap on local school district reserves, meaning the cap would remain operative for at least another year. Furthermore, most of the school districts will experience

funding declines in fiscal year 2024-25 as their higher attendance levels from earlier years continue phasing out of their average. The Proposed 2024-25 State Budget estimates this phaseout will reduce LCFF statewide by \$2.0 billion or 2.6%. Partially offsetting this reduction, the Proposed 2024-25 State Budget estimates an LCFF increase of \$796.0 million related to the expansion of transitional kindergarten. This increase consists of \$635.0 million for base, supplemental, and concentration grant funding generated by students who are newly eligible in fiscal year 2024-25 and \$161.0 million to support lower staffing ratios for these students. Accounting for the attendance phaseout and the expansion of transitional kindergarten, the overall reduction in LCFF costs is \$1.2 billion.

The LAO notes that the Proposed 2024-25 State Budget recognizes the budget problem and introduces a few reasonable ideas. Most notably, the inclination to access funds in the Proposition 98 Rainy Day Fund and identify savings in the State Preschool program. However, the LAO expresses major concerns with the proposal to allow schools to keep cash disbursements above the minimum guarantee without recognizing the budgetary cost of those payments. According to the LAO, this proposal creates a new type of budget solution: effectively, an interest-free loan from the State's cash resources and, as such, it sets a problematic precedent. If the State legislature were to avoid the funding maneuver entirely and reduce funding to LAO's lower estimates of the guarantee, the State would need to identify a total of \$14.0 billion in reductions or solutions affecting schools. Discretionary withdrawals from the Proposition 98 Rainy Day Fund as a one-time solution is contingent upon the State Governor declaring a budget emergency and the State legislature enacting a law authorizing the withdrawal. The LAO shares the view that a reserve withdrawal is warranted but has concerns about the way the Proposed 2024-25 State Budget would use these funds. The Proposed 2024-25 State Budget would use reserves to cover costs in fiscal years 2023-24 and 2024-25, including to free-up funding for spending increases. Using reserve withdrawals to support new spending seems contrary to the core purpose of the reserve—protecting existing programs—and diminishes an important tool that could mitigate the prior-year shortfall. The LAO notes that the reduction for State preschool program is reasonable, however, if program enrollment increases, the costs associated with providing certain payments in fiscal year 2024-25 will increase. Additionally, the Proposed 2024-25 State Budget funds the full COLA in fiscal year 2024-25 even though the guarantee cannot even support existing program costs. The LAO estimates that if the State had reduced the COLA rate for fiscal year 2023-24, it would face little or no ongoing shortfall in fiscal year 2024-25.

The LAO has offered recommendations to address the budget shortfall. The LAO recommends that the State legislature should prioritize core school programs but also promote stability for the budget moving forward. Taking this approach would require the State legislature to make some difficult choices this year but offers substantial advantages. The LAO notes that the Proposed 2024-25 State Budget proposed funding maneuver is bad fiscal policy, sets a problematic precedent, and creates a binding obligation on the State that will worsen future deficits and require more difficult decisions. The LAO strongly recommends the State legislature to reject the funding maneuver. The LAO recommends that the State legislature should begin identifying alternative reductions and solutions it would need to balance the budget. Specifically, the LAO recommends the following one-time and ongoing spending solutions:

- Build a budget that (a) contains a discretionary reserve withdrawal and (b) directs the entire withdrawal toward addressing the shortfall in fiscal year 2022-23. To the extent the State is required to withdraw any funds that remain in the reserve after covering the shortfall in fiscal year 2022-23, the LAO recommends directing those funds toward existing program costs that would otherwise exceed the guarantee in fiscal year 2023-24.
- Reject all of the one-time increases proposed in the Proposed 2024-25 State Budget to achieve savings of \$599.0 million.

- Review existing grants with unallocated funding and reduce or eliminate any grants that do not represent highest priorities. The LAO recommends that one reasonable starting point would be to rescind some of the funding for community schools.
- For a few ongoing programs, the State likely could make one-time reductions that school districts could accommodate by drawing upon unspent carryover funding. Two of the programs for which the LAO anticipates school districts have unspent funds available are Expanded Learning Opportunities Program (“ELOP”) and the Special Education Early Intervention Grant.
- Zero out the COLA for the upcoming year. Rejecting the COLA would reduce the ongoing shortfall by \$628.0 million and help the state avoid committing to an ongoing spending level it would have difficulty maintaining in the future.
- Reject most other ongoing increases in the Proposed 2024-25 State Budget, including the increases for school meals and the funding for literacy screeners.
- Plan to adopt lower LCFF cost estimates than the Proposed 2024-25 State Budget anticipates for fiscal years 2023-24 and 2024-25 and use updated data to calibrate estimates. Related to these recommendations, the LAO recommends ensuring the estimates account for the interaction between the expansion of transitional kindergarten and the three-year rolling average attendance calculation. Under LAO’s latest estimates, the overall cost of LCFF would be \$1.8 billion lower across fiscal years 2023-24 and 2024-25.
- Explore changes to ongoing programs that could generate additional savings. The LAO outlines options for reducing costs in five large programs: ELOP allocations, State Preschool program, School Nutrition program, School Transportation program and Transitional Kindergarten Staffing Add-On program.
- Eliminate or scale back by revisiting three LCFF add-ons that provide additional funding for certain districts based on historical factors to reduce historical funding inequities among school districts, simplify the LCFF, and provide ongoing savings. The LAO profiles three such add-ons: Targeted Instructional Improvement Block Grants, Minimum State Aid and Economic Recovery Targets.

Governor and Legislature Early Action Agreement. On April 4, 2024, the Governor and the State Legislature agreed to an early action budget package (the “Early Action Agreement”) to reduce the existing shortfall in the Proposed 2024-25 State Budget, to be addressed in the final budget for fiscal year 2024-25, by approximately \$17.3 billion. The Early Action Agreement consists of a mix of budgetary actions, including \$3.6 billion in budgetary reductions (primarily to one-time funding), \$5.2 billion in revenue and borrowing, \$5.2 billion in delays and deferrals, and \$3.4 billion in shifts of costs from the general fund to other State funds. With respect to the budgeted programs for K-12 education, the Early Action Agreement includes a \$500.0 million reduction to the School Facility Aid Program and a \$550.0 million funding delay with respect to the Full-Day Kindergarten Facilities Grant Program. On April 11, 2024, the Early Action Agreement was passed by the State Legislature. The Early Action Agreement does not address the Proposition 98 funding maneuver proposed in the Proposed 2024-25 State Budget. The Early Action Agreement is available from the State of California website at www.ca.gov. The District can take no responsibility for the continued accuracy of this internet address or for the accuracy, completeness or timeliness of information posted therein, and such information is not incorporated herein by such reference.

Changes in State Budget. The final fiscal year 2024-25 State budget, which requires approval by a majority vote of each house of the State Legislature, may differ substantially from the Proposed 2024-25 State Budget. In May 2024, the Governor will revise the Proposed 2024-25 State Budget based on updated information available at such time. Such revision in May 2024 may also differ substantially from the Proposed 2024-25 State Budget. The final fiscal year 2024-25 State budget may be affected by national and State economic conditions and other factors which the District cannot predict. Accordingly, the District cannot provide any assurances that there will not be any changes in the final fiscal year 2024-25 State budget from the Proposed 2024-25 State Budget. The District cannot predict the impact that the final fiscal year 2024-25 State budget, or subsequent budgets, will have on its finances and operations.

Future Budgets and Budgetary Actions. The District cannot predict what future actions will be taken by the State Legislature and the Governor to address changing State revenues and expenditures or the impact such actions will have on State revenues available in the current or future years for education. The State budget will be affected by national and State economic conditions and other factors beyond the District's ability to predict or control. Certain actions could result in a significant shortfall of revenue and cash and could impair the State's ability to fund schools during fiscal year 2023-24 and in future fiscal years. Certain factors, like an economic recession, could result in State budget shortfalls in any fiscal year and could have a material adverse financial impact on the District. As the [Refunding] Bonds are payable from *ad valorem* property taxes, the 2023-24 State Budget is not expected to have a material impact on the payment of the [Refunding] Bonds.

Additional Information. Information about the State budget and State spending for education is regularly available at various State-maintained websites. Text of the State budget may be found at the website of the Department of Finance, www.dof.ca.gov, under the heading "California Budget." Various analyses of the budget may be found at the website of the LAO at www.lao.ca.gov. In addition, various State official statements, many of which contain a summary of the current and past State budgets and the impact of those budgets on school districts in the State, may be found via the website of the State Treasurer, www.treasurer.ca.gov. State Funding of Schools Without a State Budget

Although the State Constitution requires that the State Legislature adopt a budget for the State by June 15 of the prior fiscal year and that the Governor sign a budget by June 30, this deadline has been missed from time to time. Delays in the adoption of a Budget Act in any fiscal year could impact the receipt of State funding by the District. On May 29, 2002, the California Court of Appeal for the Second District decided the case of *Howard Jarvis Taxpayers Association, et al. v. Kathleen Connell* (as Controller of the State of California), et al. (also referred to as *White v. Davis*) ("Connell"). The California Court of Appeal concluded that, absent an emergency appropriation, the State Controller may authorize the payment of State funds during a budget impasse only when payment is either (i) authorized by a "continuing appropriation" enacted by the State Legislature, (ii) authorized by a self-executing provision of the State Constitution, or (iii) mandated by federal law. The Court of Appeal specifically concluded that the provisions of Article XVI, Section 8 of the State Constitution—the provision establishing minimum funding of K-14 education enacted as part of Proposition 98—did not constitute a self-executing authorization to disburse funds, stating that such provisions merely provide formulas for determining the minimum funding to be appropriated every budget year but do not appropriate funds. Nevertheless, the State Controller has concluded that the provisions of the State Education Code establishing K-12 and county office of education revenue limit funding (the predecessor to the LCFF) do constitute continuing appropriations enacted by the State Legislature and, therefore, has indicated that State payments of such amounts would continue during a budget impasse. The State Controller, however, has concluded that K-12 categorical programs are not authorized pursuant to a continuing appropriation enacted by the State Legislature and, therefore, cannot

be paid during a budget impasse. To the extent the Connell decision applies to State payments reflected in the District's budget, the requirement that there be either a final budget bill or an emergency appropriation may result in the delay of some payments to the District while such required legislative action is delayed, unless the payments are self-executing authorizations, continuing appropriations or are subject to a federal mandate. However, the District does not expect any delays in payments from the State to adversely affect its ability to pay the principal of and interest on the [Refunding] Bonds described in the forepart of this Official Statement, which are payable from voter-approved *ad valorem* property taxes.

Local Control Funding Formula

General. Funding for school districts, charter schools and county offices of education in connection with the LCFF includes State apportionments for general operating costs ("State Aid") and funding for categorical programs. During fiscal year 2022-23, approximately 55.99% of the District's General Fund revenues were pursuant to the LCFF. At the time of preparation of the Fiscal Year 2023-24 Second Interim Report, the District projected that approximately 60.48% of the District's fiscal year 2023-24 General Fund revenues will consist of funds determined under the LCFF. For fiscal years 2020-21 through 2023-24, LCFF revenues comprise a lower percentage of the District's total General Fund revenues as a result of increases in one-time federal funding for COVID-19 relief. The following Table A-2 sets forth the percentage of the District's General Fund revenues that are derived from revenues under the LCFF, federal revenues, other State revenues and other local revenues for fiscal years 2019-20 through 2023-24.

The LCFF allocates State funding based on a school district's demographics. Each school district receives a base grant (the "Base Grant") per ADA in an amount determined by the State. The Governor's State budget for fiscal year 2022-23 revised the LCFF calculation beginning with fiscal year 2022-23 to consider the greater of a school district's current fiscal year, prior fiscal year, or the average of three prior fiscal years' ADA. See "DISTRICT GENERAL INFORMATION – Enrollment and Average Daily Attendance." Pursuant to the LCFF, each local education agency ("LEA") is required to, among other things, show progress toward an average class enrollment of no more than 24 pupils in kindergarten through grade 3, unless the LEA has entered into a collective bargaining agreement specifying an annual alternative average class enrollment in those grades for each school. Accordingly, the LCFF includes an adjustment to the Base Grant for kindergarten through grade 3 (the "K-3 Grade Span Adjustment") of approximately 10.4% in order to cover the costs associated with class size reduction. In addition, the LCFF includes an

adjustment to the Base Grant for grades 9 through 12 of approximately 2.6% to cover the costs of, among other things, providing career technical education.

Based on the ADA of the given demographic classification, school districts are eligible to receive a 20% supplemental grant (the “Supplemental Grant”) for students classified as English learners (“EL”), students eligible to receive a free or reduced-price meal (“FRPM”), and students classified as foster youth (“LI”). The State expects the Supplemental Grants to reflect the additional costs associated with the education of EL, FRPM and LI students. In addition, school districts are eligible to receive a concentration grant (the “Concentration Grant”) if the school district has a significant concentration of students classified as EL, FRPM or LI (collectively, “Unduplicated Pupils”). The LCFF uses an unduplicated student count to determine the amount of the Supplemental Grant and Concentration Grant authorized for a school district. A school district may only count a student one time if such student is classified in more than one of the EL, FRPM and LI categories. In the event the percentage of Unduplicated Pupils exceeds 55% of a school district’s total enrollment, the LCFF provides additional funding to the school district through a Concentration Grant. The Concentration Grant will be an amount equal to an additional 65% of the school district’s adjusted Base Grant, which includes the cost of living adjustment and grade span adjustments, if any, for each Unduplicated Pupil above the 55% threshold.

Starting with the 2023-24 fiscal year, an additional Equity Multiplier was added for LEAs who qualify by having both (1) a prior year nonstability rate of greater than 25% and (2) a prior year socioeconomically disadvantaged pupil rate of greater than 70%. The nonstability rate refers to the percentage of students who do not complete the year due to factors like expulsion or other reason without stable subsequent enrollment at another school. The socioeconomically disadvantaged pupil rate refers to the percentage of students who (i) do not have a parent with a high school diploma, (ii) are eligible for free or reduced-price meals, (iii) are migratory, (iv) are homeless youth, (v) are foster youth or (vi) are enrolled in a county juvenile court school. Every year, the state will allocate \$300 million to the qualifying LEAs on a per-unit basis based on the LEA’s prior year adjusted cumulative enrollment, but each qualifying school will receive at least \$50,000. The Equity Multiplier revenue must be used for evidence-based services and support for pupils.

The Base Grants are based on four uniform, grade-span base rates. For fiscal year 2023-24, the LCFF provided to school districts and charter schools: (a) a Base Grant for each LEA equivalent to \$10,951 per ADA for kindergarten through grade 3; (b) a Base Grant for each LEA equivalent to \$10,069 per ADA for grades 4 through 6; (c) a Base Grant for each LEA equivalent to \$10,367 per ADA for grades 7 and 8; (d) a Base Grant for each LEA equivalent to \$12,327 per ADA for grades 9 through 12. The Base Grant amount for fiscal year 2023-24 includes a COLA of 8.22%. The amount of actual funding allocated to the Base Grant, Supplemental Grants and Concentration Grants is subject to the discretion of the State.

Since the full implementation of the LCFF in fiscal year 2018-19, there is no longer a gap between a school district’s prior year funding and the target amount of funding under the LCFF for the current year. Further, there is no longer a difference between the District’s target entitlement under the LCFF – the amount available once the LCFF is fully funded – and the District’s transition entitlement. In fiscal year 2018-19, the District reached its target entitlement for the District and the Affiliated Charter Schools, such that there is no transition entitlement for the District and the Affiliated Charter Schools. Accordingly, the District’s historically significant increases in LCFF funding from year to year are not reflective of the District’s current and expected LCFF funding since the LCFF is fully funded.

The difference between the amount a school district or charter school would have received under the old funding system and the estimated amount it would receive for LCFF funding at full implementation, based on certain criteria is referred to as the “Economic Recovery Target.” Only school districts and charter schools that were at, or below, the 90th percentile of per-pupil funding rates of school districts under the

pre-fiscal year 2013-14 funding system, as determined at the certification of the State's second principal apportionment in fiscal year 2013-14, are eligible for Economic Recovery Target payments. Based on this criteria, the District is not entitled to receive Economic Recovery Target funding. However, certain of the District's Affiliated Charter Schools are entitled to the Economic Recovery Target funding and received \$990,310, collectively, in fiscal year 2022-23, and will receive the same amount, collectively, in fiscal year 2023-24.

The District has the largest ADA in the State. See "DISTRICT GENERAL INFORMATION – Enrollment and Average Daily Attendance" herein. In addition, the District's ADA includes a significant number of students classified as Unduplicated Pupils. Accordingly, the District expects to receive more LCFF funding than other school districts in the State. The Fiscal Year 2023-24 Second Interim Report projects that approximately 85.67% of students attending non-charter schools of the District will be classified as Unduplicated Pupils under the LCFF during fiscal year 2023-24. The percentage of students classified as Unduplicated Pupils is based on a three-year rolling average. The District's calculation of ADA with respect to Unduplicated Pupils, which is used to determine Supplemental and Concentration Grant revenues, is subject to adjustment upon review thereof by the District's independent auditor.

The following Table A-3 sets forth the District's Base Grant per ADA for fiscal years 2014-15 through 2023-24 under the LCFF.

Local Control and Accountability Plan. Pursuant to the LCFF, since July 1, 2014, school districts, county offices of education and charter schools have been required to develop, adopt and annually update a three-year LCAP. The LCAP is required to identify goals and measure progress for student subgroups across multiple performance indicators. The Education Code requires each school district to file with the county superintendent of schools such school district's LCAP or annual update thereof not later than five days after its adoption. On or before August 15 of each year, the county superintendent of schools may seek clarification, in writing, from the governing board of such school district about the contents of the LCAP. The school district has the opportunity to respond to such request and the county superintendent is authorized to submit recommendations for amendments to the LCAP. On or before October 8 of each year,

the county superintendent of schools is required to approve each school district's LCAP pending a determination that the school district has adhered to the template adopted by the State Board of Education, the school district's budget includes expenditures sufficient to implement the specific actions and strategies included in the LCAP based on projected costs, and the school district has adhered to the Education Code with respect to funds apportioned for Unduplicated Pupils.

The State's priorities for each LCAP include, among other things, compliance with requirements with respect to appropriateness of teacher assignments, ensuring that teachers are fully credentialed in the subject areas and for the pupils they are teaching, and ensuring that every pupil in the school district has sufficient access to the standards-aligned instructional materials as determined in accordance with the Education Code. In addition, school facilities are to be maintained in good repair. The State requires proper implementation of the academic content and performance standards adopted by the State Board of Education and will measure parental involvement (e.g., efforts to seek input from parents or guardians regarding decisions for the district and the school site), pupil achievement (e.g. performance on Statewide assessments, the academic performance index, readiness for college or career technical education, progress towards English proficiency, performance on advance placement examinations), pupil engagement (e.g., school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout and graduation rates, pupil suspension and expulsion rates, etc.), access and enrollment in a broad course of study including the core subject areas and programs and services developed and provided to Unduplicated Pupils, and pupil outcomes in the subject areas comprising a broad course of study.

In November 2014, the State Board of Education adopted final regulations to govern the expenditure of the Supplemental Grant and Concentration Grant funding. These regulations require school districts, county offices of education, and charter schools to increase and improve services for Unduplicated Pupils and provide authority for school districts to spend funds school-wide when significant populations of Unduplicated Pupils attend a school. Pursuant to the regulations, LEAs are required to obtain input from parents of students and the general public in connection with the development, revision and updates of LCAPs. In addition, the regulations require County superintendents to review school district LCAPs and require county offices of education to provide technical assistance if they disapprove an LCAP. The Education Code grants the State Superintendent of Public Instruction authority to intervene if a school district or charter school fails to show improvement across multiple subgroups in three out of four consecutive years.

Infectious Disease Outbreak

In general, the outbreak of a highly contagious disease or epidemic disease could harm the District's financial results or result in a temporary shutdown of the District's facilities. As discussed above, school districts in California are funded based on the LCFF, which allocates a base grant per unit of average daily attendance with additional supplemental grants based on certain factors. Thus, a temporary shutdown of a school or an entire school district would reduce the average daily attendance and could impact the funding a school district receives unless the State legislature or California Department of Education takes action to exclude such days from the calculations for funding purposes. Further, any impact on the State's tax and other revenue receipts as a result of a highly contagious or epidemic disease may in turn impact other educational funding that the District receives from the State. "– State Budget Act – *Future Budgets and Budgetary Actions*." In addition, the District may incur increased operational costs to conduct distance learning or to clean, sanitize and maintain its facilities either before or after an outbreak of an infectious disease.

COVID-19 Background. The outbreak of the respiratory disease caused by COVID-19 was previously declared a pandemic by the World Health Organization, a national emergency by former President Trump and a state of emergency by the Governor of the State. The national and public health

emergency declarations ended on May 11, 2023. Additionally, the Governor of the State issued a proclamation terminating the State's COVID-19 state of emergency on February 28, 2023.

Federal Response. On March 13, 2020, former President Trump declared a nationwide emergency pursuant to Section 501(b) of the Stafford Act, regarding the COVID-19 pandemic. On March 22, 2020, former President Trump approved the Major Disaster Declaration for the State of California, authorizing federal emergency aid related to COVID-19 administered through the Federal Emergency Management Agency ("FEMA"). As a result, local educational agencies were permitted to submit a request for FEMA public assistance through the California Office of Emergency Services for reimbursement of certain costs incurred as a result of COVID-19. The District submitted all requests for FEMA public assistance for eligible cleaning, sanitation, COVID-19 testing, vaccination, and meal programs expenses incurred through June 30, 2023. As of February 29, 2024, the District has received \$344.7 million for testing and miscellaneous response costs. In addition, the District received four obligation letters from FEMA totaling \$159.6 million for testing, vaccinations and miscellaneous response costs. The District is working to maximize its reimbursement from FEMA and anticipates that a significant majority of the amount of assistance requested from FEMA will ultimately be deemed eligible and reimbursed.

On March 27, 2020, the U.S. House of Representatives approved and former President Trump signed into law the Coronavirus Aid, Relief and Economic Security Act (the "CARES Act"). The CARES Act provided \$30 billion to education, specifically \$3 billion allocated to state governors to be used at their discretion to address the emergency, \$13.5 billion for K-12 education, and \$14.25 billion for postsecondary institutions. School districts are able to use their share of the \$13.5 billion K-12 education allocation under the CARES Act, which was based on the proportion of Title I funding received for the then most recent fiscal year, for purposes authorized by federal law and other specified uses. The District received approximately \$858.1 million in funding under the CARES Act, which is the full amount allocated to the District under the CARES Act and included approximately \$289.7 million from the Elementary and Secondary School Emergency Relief Fund (the "ESSER") provided directly from the federal government to the District, and amounts allocated by the State of California through its Learning Loss Mitigation Fund, including approximately \$488.6 million from the Coronavirus Relief Fund (the "CRF") provided from CARES Act funding, approximately \$31.9 million from the Governor's Emergency Education Relief Fund (the "GEER") provided from CARES Act funding, and approximately \$47.9 million from the State's general fund. The District has also received approximately \$22.0 million in supplemental reimbursements at a rate of 75 cents per meal for meals served to students between March 2020 and August 2020; a portion of such funding was provided by federal sources under the CARES Act and the other portion of such funding was provided by State funds. In addition, the District has been awarded approximately \$6.0 million in grant funds by the State under the California Community Schools Partnership Program for expenditures relating to the District's community schools. As of June 30, 2023, the District has received all \$6.0 million of such grant funding.

On December 27, 2020, the Consolidated Appropriations Act of 2021 ("HR 133") was enacted, which includes a \$900 billion COVID-19 relief package. HR 133 provided approximately \$81.9 billion to education, specifically about \$4.1 billion allocated to state governors to be used at their discretion to address the emergency, of which approximately \$2.75 billion was reserved for private K-12 education, about \$54.3 billion for K-12 education, around \$22.7 billion for postsecondary institutions, and about \$819 million for outlying areas and Bureau of Indian Affairs schools. School districts are able to use their share of the approximately \$54.3 billion K-12 education allocation under HR 133, which was based on the proportion of Title I funding received for the then most recent fiscal year, for purposes authorized by federal law and other specified uses. Pursuant to HR 133, \$154 million was allocated to the State in the form of funding for public schools from the GEER (the "GEER II"), and the State ultimately incorporated such funds into the expanded learning opportunity grant funding discussed below. In addition, pursuant to HR 133, the District is eligible to receive approximately \$1.15 billion in funding from the ESSER (the "ESSER II") for eligible

expenditures obligated through September 30, 2023. The District has received all \$1.15 billion in ESSER II funding as of June 30, 2023. In addition, under HR 133, the District received a one-time child development stipend of approximately \$4 million for costs associated with childcare programs.

On March 11, 2021, the American Rescue Plan Act of 2021 (“HR 1319”), a \$1.9 trillion COVID-19 relief package, was enacted. HR 1319 provided approximately \$165.15 billion to education, specifically about \$122.8 billion to public K-12 education, around \$2.75 billion to private K-12 education and about \$39.6 billion to postsecondary institutions. Of the approximately \$122.8 billion in K-12 funding, about \$7.2 billion was set aside for purchasing technology to support digital learning and around \$800 million is set aside for supporting homeless students. HR 1319 allocated K-12 funding to states and school districts according to the proportion of Title I funding received for the then most recent fiscal year. It further stipulated that of the K-12 funds received by states, 90% must be distributed to local educational agencies, 5% must be used to address learning loss, 1% must be used for summer enrichment programs and 1% must be used for comprehensive afterschool programs, and of the K-12 funds received directly by school districts, 20% must be used to address learning loss. Pursuant to HR 1319, the District expects to receive approximately \$2.6 billion in additional funding from the ESSER (the “ESSER III”) for expenditures obligated through September 30, 2024. As of February 29, 2024, the District has received approximately \$2.1 billion in ESSER III funding. Pursuant to HR 1319, the District also may receive up to \$281.6 million from the amounts dedicated to technology and digital learning (the “Emergency Connectivity Fund”). As of February 29, 2024, the District has received approximately \$50.4 million of funding from the Emergency Connectivity Fund.

Pursuant to a grant from the U.S. Department of Health and Human Services, LACOE received funding for COVID testing to allocate to school districts within its jurisdiction. Accordingly, the District was allocated approximately \$82.2 million in funding for COVID testing expenses during fiscal year 2021-22, all of which the District received during fiscal year 2021-22.

State Legislation Relating to School Districts. On March 17, 2020, the Governor signed Senate Bill 117 (“SB 117”) as urgency legislation effective immediately. For purposes of school district funding for fiscal year 2019-20, SB 117 limited the average daily attendance reported to the California Department of Education to include the full school months from July 1, 2019, to February 29, 2020. This condensed ADA period applied to school districts that complied with Executive Order N-26-20. SB 117 further states the intent of the State Legislature is that a school district’s employees and contractors be paid during the period of a school closure due to COVID-19. SB 117 also waived instructional time penalties that would otherwise accrue, as long as the school district superintendent, county superintendent or charter school administrator certify that the closure due to COVID-19 caused the school district to fall below applicable instructional time requirements. SB 117 also included \$100 million in additional funding to school districts for certain costs incurred as a result of COVID-19. The District received approximately \$7.9 million, which includes amounts for Affiliated Charter Schools, from such additional State funding in fiscal year 2019-20.

The Governor signed Assembly Bill 86 (“AB 86”) into law on March 5, 2021. AB 86 provided approximately \$6.6 billion to local educational agencies to encourage a return to in-person education, with a focus on students who are younger (TK-2) and most disproportionately impacted by the COVID-19 pandemic. Funding was distributed as follows: \$725 per student, an additional \$1,000 per homeless student, and funds remaining after these apportionments are distributed proportionally based on LCFF. \$2 billion was set aside as incentive for school districts that return to in-person instruction by March 31, 2021 for at least TK-2 and ramping up to include higher grades if county transmission rates allow. Beginning April 1, 2021, school districts’ apportioned incentive funding was reduced by 1% for every academic calendar day they do not offer in-person education until May 15, 2021, after which school districts forfeit their entire apportionment of incentive funding. AB 86 allocated approximately \$4.6 billion to local educational agencies to support expanded learning opportunities that target learning loss resulting from the COVID-19

pandemic. School districts must implement learning recovery programs that include, at minimum, supplemental instruction, resources for social and emotional well-being and meal programs. AB 86 also established reporting requirements to monitor COVID-19 cases and in-person education status and apportioned \$25 million to the State's "Safe Schools For All Team" to provide technical assistance, community engagement, oversight and accountability to school districts. AB 86 further set aside 10% of the State's vaccine supply for childcare and TK-12 education staff. Pursuant to AB 86, the District expects to receive approximately \$572.5 million in additional funding following its reopening of schools for in-person hybrid instruction throughout April 2021. As of February 29, 2024, the District has received approximately \$561.7 million in such funding.

The Governor signed Assembly Bill 130 ("AB 130") into law on July 9, 2021. Pursuant to AB 130, the District received approximately \$243.2 million in funding in fiscal year 2021-22 and is eligible for \$457.10 million per year thereafter for the operation of afterschool and summer school enrichment programs through the Expanded Learning Opportunities Program. In addition, pursuant to AB 130, the District received an additional \$45.7 million in funding through the Special Education Learning Recovery Support program and approximately \$10.1 million for dispute prevention and dispute resolution. While the Expanded Learning Opportunities Program is not a traditional one-time COVID relief funding source like the other COVID relief funding discussed above, it is part of the State's on-going response to educational challenges exacerbated by the COVID-19 pandemic.

As of February 29, 2024, in aggregate from federal and State funding sources described above from fiscal year 2019-20 through fiscal year 2023-24, the District expects to receive approximately \$5.6 billion in COVID-19 relief funding, which does not include the funding that the District received through the Expanded Learning Opportunities Program in fiscal year 2021-22 or the funds that the District expects to receive through the Expanded Learning Opportunities Program on an ongoing basis. As of February 29, 2024, the District has received approximately \$4.8 billion in such COVID-19 relief funding, which does not include any funds received through the Expanded Learning Opportunities Program.

District Response. As a result of the outbreak of COVID-19, on March 10, 2020, the District Board declared that emergency conditions exist throughout the District and authorized the Superintendent to take any and all actions necessary to ensure the health and safety of students and staff. Under such authority, the Superintendent closed all schools within the District for in-person instruction effective March 16, 2020. The District implemented a distance learning model for the remainder of the 2019-20 school year.

The District utilized the distance learning model for much of the 2020-21 school year, which commenced on August 18, 2020, given the ongoing COVID-19 pandemic. However, the District began reopening schools for in-person hybrid instruction the week of April 12, 2021, starting with 61 elementary schools and 11 early education centers. The remaining elementary schools and early education centers reopened for in-person hybrid instruction the week of April 19, 2021, and middle schools and high schools reopened for in-person hybrid instruction the week of April 26, 2021. Distance learning also remained available to students throughout the 2020-21 school year. To ensure that the reopening was as safe as possible for students, employees, and the communities, the District published its COVID-19 Containment, Response and Control Plan in February 2021, which details plans, practices and health and safety protocols for reopening schools and is available on the District's website. The District also offered vaccinations to all District employees, administered vaccinations at multiple school sites, and operated a mass vaccination center at Hollywood Park to serve its employees and charter school employees. Baseline COVID-19 testing and subsequent periodic testing on a weekly basis was made available to all students and staff located at school facilities.

The District fully opened its school facilities to full-time in-person instruction at the outset of the 2021-22 school year. The District operates an independent study program for students who do not want to

return to in-person instruction. Beginning in October 2021, the District required all employees to be vaccinated against COVID-19, but on September 26, 2023, the Board of Education rescinded that requirement. During the 2021-22 school year, the District conducted weekly testing of all staff and students for COVID-19. During the 2022-23 school year, the District no longer required weekly testing, but provided rapid antigen tests for symptomatic and exposed students and staff. The District continues to implement strict health and safety measures to ensure the safety of its staff and students.

In response to the COVID-19 pandemic, the District incurred costs totaling approximately \$5.1 billion from March 2020 through February 29, 2024, including costs associated with instructional connectivity, learning lost mitigation, meals, cleaning and protective equipment, COVID-19 testing, and business continuity and connectivity. As a result of the COVID-19 pandemic, the District currently projects approximately \$915.6 million in COVID-19 related costs associated with operating schools during the 2023-24 school year. More specifically, based on the Fiscal Year 2023-24 Second Interim Report, the District projects (1) approximately \$23.3 million in costs associated with strategies for continuous and safe in-person learning; (2) approximately \$246.4 million in costs associated with addressing lost instructional time; and (3) approximately \$645.9 million in costs for addressing additional district priorities. For more information on the District's COVID-19 relief funding expectations for fiscal year 2023-24, see "DISTRICT FINANCIAL INFORMATION – District Budget."

While the State and federal one-time COVID-19 relief funding discussed above has provided and will continue to provide some immediate relief to school districts, including the District, the long-term impacts of the COVID-19 outbreak on the District's operations and finances are not fully known as the situation continues to evolve. The District cannot predict whether similar legislation would be enacted in the event the outbreak severity of COVID-19 returns or a similar or other outbreak of a highly contagious disease or epidemic disease were to occur in the future.

Charter School Funding

A charter school is a public school authorized by a school district, county office of education or the State Board of Education. State law requires that charter petitions be approved if they comply with the statutory criteria. The District has certain fiscal oversight and other responsibilities with respect to both Affiliated Charter Schools and Fiscally Independent Charter Schools located in the District geographic boundaries. However, Fiscally Independent Charter Schools are separate LEAs and receive revenues directly from the State. Affiliated charter schools receive their funding from the District and are included in the District's budgets and audit reports. Information regarding enrollment, ADA, budgets and other financial information relating to Fiscally Independent Charter Schools is not included in the District's audit reports or in this Official Statement unless otherwise noted.

Pursuant to the LCFF, Fiscally Independent Charter Schools and Affiliated Charter Schools will receive a Base Grant per ADA and are eligible to receive Supplemental Grants, Concentration Grants and Equity Multiplier funds. See "– Local Control Funding Formula" herein. In fiscal year 2023-24, the District operates 51 Affiliated Charter Schools and oversees 221 Fiscally Independent Charter Schools within the District boundaries. The fiscal year 2023-24 funded ADA of the Affiliated Charter Schools and the Fiscally Independent Charter Schools is anticipated to be approximately 34,658 and 101,678, respectively. An increase in the number of Fiscally Independent Charter Schools within the boundaries of a school district or an increase in the number of students transferring to a Fiscally Independent Charter School or an Affiliated Charter School from a traditional school within a school district may cause a net reduction in the District's ADA.

Limitations on School District Reserves

Unless a school district is granted an exemption by its county superintendent of schools, amounts in its reserves may not exceed the limitations set forth in the Education Code once certain conditions precedent are met. Pursuant to Section 42127.01 of the Education Code, in a fiscal year immediately after a fiscal year in which the amount of moneys in the Proposition 98 Rainy Day Fund is equal to or exceeds 3% of the combined total of State general fund revenues appropriated for school districts and allocated local proceeds of taxes for that fiscal year, a school district budget that is adopted or revised shall not contain a combined assigned or unassigned ending general fund balance that is in excess of 10% of total General Fund expenditures and other financing uses. A county superintendent of schools may grant a school district under its jurisdiction an exemption from the reserves limitation for up to two consecutive fiscal years within a three-year period if the school district provides documentation indicating that extraordinary fiscal circumstances, including, but not limited to, multiyear infrastructure or technology projects, substantiate the need for a combined assigned or unassigned ending general fund balance that is in excess of the reserves limitation. The limitation applies once the Superintendent of Public Instruction notifies school districts and county offices of education that the conditions precedent are met. The Superintendent of Public Instruction is also required to notify school districts and county offices of education when those conditions no longer exist.

The State-imposed minimum recommended reserve for the District is accounted for in the District's reserve for economic uncertainties. Payments allocated to the Proposition 98 Rainy Day Fund by the State in fiscal years 2021-22 and 2022-23 triggered certain limitations on school district reserves under the Education Code in fiscal years 2022-23 and 2023-24. In fiscal years 2022-23 and 2023-24, the District Board has committed funds comprising portions of the General Fund ending balance to (1) proportionality resources that are allocated to schools to increase or improve services for low income, English language learner, and foster youth students, (2) the primary promise program for elementary school students to build a foundation in literacy, math, and critical thinking skills, (3) inflation protection, and (4) financial obligations pursuant to labor agreements. At the time of preparation of the 2023-24 Second Interim Report, the District's assigned and unassigned ending General Fund balance for fiscal year 2023-24 did exceed 10% of the total General Fund expenditures and other financing uses. However, the reserve cap is not checked for compliance at interim reporting periods; it is checked at budget adoption and at the reporting of unaudited actuals. Should the District appear to exceed the reserve cap at the time of preparation of the District's fiscal year 2023-24 unaudited actuals, the District would take appropriate action to ensure compliance.

Even with the Governor's proposed withdrawals in fiscal years 2023-24 and 2024-25 in the Proposed 2024-25 State Budget (see " – Proposed 2024-25 State Budget"), the Proposed 2024-25 State Budget indicates the projected balance of \$5.7 billion in the Proposition 98 Rainy Day Fund in fiscal year 2023-24 continues to trigger school district reserve limitations in fiscal year 2024-25.

DISTRICT FINANCIAL INFORMATION

District Financial Policies and Related Practices

General. The District has three key financial policies: a budget and finance policy (the "Budget and Finance Policy"), a debt management policy (the "Debt Management Policy") and an investment policy (the "Investment Policy").

Budget and Finance Policy. The District has adopted a Budget and Finance Policy pursuant to which the District creates and funds reserves for operating purposes (collectively, the "Operating Reserves") and liability management purposes (collectively, the "Liability Reserves"). The Budget and

Finance Policy reflects reserve categories promulgated by the Government Accounting Standards Board (“GASB”) and incorporates certain reserve categories established by the District. See “STATE FUNDING OF SCHOOL DISTRICTS – Limitations on School District Reserves” herein.

Operating Reserves. The District uses the Operating Reserves to manage its budget for each fiscal year. A portion of the District’s authorized appropriations are set aside in the Operating Reserves. The District generally appropriates amounts from the General Fund based on the amount estimated in its budget. However, the District may appropriate funds from unspent balances within the Operating Reserves, if necessary. Accordingly, the District uses the Operating Reserves to ensure that appropriations reflect the District’s actual General Fund expenditures. The current Operating Reserves include nonspendable reserves, restricted reserves, committed reserves, assigned reserves, and unassigned reserves, the latter of which includes the District’s reserve for economic uncertainties. Pursuant to the California Code of Regulations, school districts with an ADA between 30,001 and 400,000 students, such as the District, must maintain a reserve for economic uncertainties of 2% of General Fund appropriations.

Pursuant to the Budget and Finance Policy, the District’s total General Fund balance may not be less than an amount equal to 5% of total General Fund expenditures and net transfers out during a fiscal year (the “5% Minimum Reserve Threshold”). In addition, the Budget and Finance Policy requires the projected General Fund balance to satisfy the 5% Minimum Reserve Threshold in each of the two subsequent fiscal years which the District includes in its interim financial reports. In the event that the District’s estimates indicate that the total General Fund balance will not satisfy the 5% Minimum Reserve Threshold in any of the current fiscal year or two subsequent fiscal years, the Budget and Finance Policy directs the District to develop and implement budget proposals to restore reserve balances to the 5% Minimum Reserve Threshold.

Based on the Fiscal Year 2023-24 Second Interim Report, the District’s Operating Reserves are expected to satisfy both the 5% Minimum Reserve Threshold and the 2% statutory reserve requirement for fiscal years 2023-24, 2024-25 and 2025-26. Unlike the 5% Minimum Reserve Threshold, the 2% statutory reserve requirement is based on the unrestricted and unassigned ending fund balance (including the reserve for economic uncertainties) only and does not take into account the restricted, committed, or assigned ending fund balances. See “– District Budget – *Fiscal Year 2023-24 Second Interim Report*” herein.

Liability Reserves. Pursuant to the Budget and Finance Policy, the District must establish several Liability Reserves, including a self-insurance reserve, a workers’ compensation reserve (the “Workers’ Compensation Fund”), a health and welfare reserve (the “Health and Welfare Benefits Fund”), an other-post-employment benefits (“OPEB”) reserve (the “OPEB Trust Fund”), and a pension (CalSTRS and CalPERS) reserve (the “Pension Reserve”).

The amount required to be on deposit in the Workers’ Compensation Fund is established with information from an independent actuary. The District determines the annual budget for workers’ compensation by reviewing the amount necessary to fund its outstanding workers’ compensation liability to the actuarially recommended level based on the central estimate approach and by additionally calculating the amount necessary for claims and operation of the Workers’ Compensation Fund. The District uses the difference of the current fiscal year’s central estimate versus that from the previous fiscal year to establish the amount necessary to fund projected liabilities. With respect to funding claims activity, the amount required to be on deposit in the Workers’ Compensation Fund is based on the anticipated increase in claims cost in the current fiscal year versus the prior fiscal year. Such amount is generally higher than the amount recommended in the actuarial report. See “– Risk Management and Litigation” herein.

The District Board approved the creation of an irrevocable trust for its OPEB liability (the “OPEB Trust Fund”) in May 2014. The Budget and Finance Policy directs the District, subject to approval by the

District Board, to make annual contributions to the OPEB Trust Fund when the balance in the General Fund exceeds the 5% Minimum Reserve Threshold to the extent possible. In the event that the unrestricted portion of the General Fund is above 5% of the unrestricted revenues (after the annual OPEB contribution has been determined), the Budget and Finance Policy directs the District to make an additional contribution from the assigned OPEB reserve to the OPEB Trust Fund. See “– Other Postemployment Benefits” herein. As of June 30, 2023, the net position of the OPEB Trust Fund was approximately \$499.9 million. This amount does not reflect the \$33.3 million contribution designated for internal purposes as a fiscal year 2022-23 contribution but not deposited into the OPEB Trust Fund until August 11, 2023 or the monthly amounts totaling \$17.6 million deposited into the OPEB Trust Fund from September 2023 through April 2024, which monthly deposits are expected to continue through June 2024 with an additional \$35 million expected to be deposited into the OPEB Trust Fund.

The Health and Welfare Benefits Fund is used to pay all health and welfare payments for active employees and retirees. The District determines funding of the Health and Welfare Benefits Fund based on the applicable health benefits agreement for each of the applicable years. See “– Employees and Labor Relations – *Negotiations Regarding Labor Contracts*” herein. As of June 30, 2023, the net position of the Health and Welfare Benefits Fund was approximately \$107.7 million.

Budgeting Practices. Beginning in fiscal year 2022-23, the District implemented new budgeting practices. As part of such new budgeting practices, the District prepares quarterly budget to actuals analysis for various departments to inform internal budget adjustments or reallocations that may occur throughout the fiscal year. Such new budgeting practices also include zero-based budgeting that involves developing a new budget each fiscal year, as opposed to starting with the previous fiscal year’s budget and making adjustments, in order to ensure that all expenses are justified for the new fiscal year. As part of the development of the Fiscal Year 2023-24 Budget, zero-based budgeting was implemented in certain departments, including Information Technology Services, Procurement Services, Maintenance and Operations, and Federal and State Education Programs. In the development of the District’s fiscal year 2024-25 budget, the District is implementing zero-based budgeting in additional departments, including Early Childhood Education, Transportation Services, Food Services, and Multilingual and Multicultural Education. The District plans to continue phasing in zero-based budgeting to additional departments over time.

Debt Management Policy. The Debt Management Policy establishes formal guidelines for the issuance and management of the District’s debt and other financial obligations. The Debt Management Policy establishes targets and ceilings for certificates of participation (“COPs”) and unhedged variable rate exposure and sets forth benchmark debt ratios that include both COPs and the District’s general obligation bonds. The Debt Management Policy also requires the District to annually publish a comprehensive debt report that, among other things, provides information on tax rates related to the District’s general obligation bonds and credit factors that reflect the District’s ratings.

The Debt Management Policy is required to be reviewed annually. The current Debt Management Policy was approved by the District Board on June 13, 2023. The District is in compliance with the Debt Management Policy. The Debt Management Policy establishes a ceiling of 2.0% for the ratio of COPs gross annual debt service to District General Fund expenditures. The District Board may increase the target at the time a new debt issuance is proposed, but such authority is not intended to exceed the ceiling established in the Debt Management Policy. As of March 1, 2024, the maximum fiscal year COPs debt service was approximately 0.43% of the District’s General Fund budgeted expenditures for fiscal year 2023-24. As of March 1, 2024, the District has outstanding COPs in the aggregate principal amount of approximately \$471.6 million. (See “– District Debt – *Certificates of Participation*” for more information.) The Debt Management Policy limits unhedged variable rate debt to \$100 million and requires reporting of the debt ratios and benchmarks. The District currently has no variable interest rate exposure.

Investment Policy. The foremost objective of the District's Investment Policy is safety. In addition, the Investment Policy directs the District to invest public funds in a manner that will maximize the investment return on all of its funds with maximum security while meeting the daily cash flow demands of each portfolio of the District and conforming to all federal, State, and local statutes governing the investment of public funds. Further, the Investment Policy directs that all investments of the District be undertaken to ensure the preservation of capital in the overall portfolio. To attain this objective, the District may diversify its investments by investing funds among a variety of securities offering independent returns. In addition, the Investment Policy requires the District's investment portfolios remain sufficiently liquid to enable the District to meet its operating requirements and be structured to attain a maximum return commensurate with its investment risk constraints and the cash flow characteristics of each portfolio. The District is in compliance with the Investment Policy.

The District's operating funds and all of the debt service funds maintained for repayment of general obligation bonds are deposited in the County Treasury Pool in accordance with State law and managed pursuant to the County's Investment Policy, a copy of which can be found at <http://ttc.lacounty.gov/>. Such website is not incorporated herein by reference and the District, its counsel (including Bond Counsel and Disclosure Counsel), the Municipal Advisor, the Underwriters and their counsel do not make any representation as to the accuracy of the information provided therein. See APPENDIX F – "THE LOS ANGELES COUNTY TREASURY POOL." However, with the concurrence of the County's Treasurer and Tax Collector, the District may direct the investment of funds in certain of its operating funds and debt service funds so long as such direction complies with both the County's investment policy and the District's Investment Policy. In addition, the District can direct the investment of indentured funds held by third party trustees with regard to certain issuances of COPs pursuant to a prescribed list of permitted investments.

Significant Accounting Policies, System of Accounts and Audited Financial Statements

The CDE imposes by law uniform financial reporting and budgeting requirements for K-12 school districts. Financial transactions are accounted for in accordance with the California School Accounting Manual. The District uses fund accounting and maintains governmental funds, proprietary funds and fiduciary funds. The General Fund is the chief operating fund of the District. For a description of the other major funds of the District, see the description thereof contained in APPENDIX B – "AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2023." Note 1 to such audited financial statements sets forth significant accounting policies that the District follows. Simpson & Simpson Certified Public Accountants ("Simpson"), Los Angeles, California, served as independent auditor to the District for its audited financial statements for fiscal year 2021-22. Simpson has not been requested to consent to the use or to the inclusion of its reports in this Official Statement, and it has not audited or reviewed this Official Statement. The District's audited financial statements for the fiscal year ended June 30, 2023, are included as Appendix B to this Official Statement. The complete audited financial statements of the District, including the notes thereto, are an integral part of this Official Statement.

Typically, the District is required to file its audited financial statements for the preceding fiscal year with the State Controller's Office, the CDE and the County Superintendent of Schools by December 15 of each year. During the last five years, the District timely filed its audited financial reports with the State Controller's Office, the CDE, and LACOE pursuant to the Education Code and any applicable legislation amending the filing deadline thereof by the respective deadlines therefor.

The audited financial statements for fiscal year 2022-23 include certain audit findings and questioned costs. With respect to the audited financial statements for fiscal year 2022-23, Simpson identified 18 audit findings and questioned costs totaling approximately \$808.5 million. For detailed information regarding such findings and questioned costs, see Appendix B. Notably, in fiscal year 2022-23

– like fiscal year 2020-21 and fiscal year 2021-22 – the District did not meet the minimum threshold of General Fund spending on classroom teacher salaries and benefits in accordance with Education Code Section 41372. Under Education Code Section 41372, a unified school district, like the District, is required to spend a minimum of 55% of its General Fund resources on classroom salaries and benefits. In fiscal year 2022-23, the District spent approximately 47.05% of its General Fund resources on classroom salaries and benefits, which is approximately 7.95% or \$687.6 million below such minimum threshold set forth in the Education Code. Such discrepancy is the result of the COVID-19 pandemic that caused the District to spend significant General Fund revenues on COVID-19 related expenses that were non-classroom teacher salaries and benefits. In each of fiscal year 2020-21 and fiscal year 2021-22, the District Board approved the submission of a waiver request to the County Superintendent, and each was approved by the County Superintendent. The District expects to submit a waiver request with respect to fiscal year 2022-23 to the County Superintendent.

In addition, the audited financial statements for fiscal year 2022-23 included a finding that the District did not meet the minimum instructional minute and instructional day requirements of Education Code Sections 46207 and 46207 due to a work stoppage in March 2023 which resulted in the closure of all District schools for three days. The District offered 177 instructional days in sampled schools, not the minimum 180-day requirement. All the sampled schools not meeting the minimum number of instructional minutes (64,800 instructional minutes) were high schools. The calculated penalty for both the instructional days and the instructional time amounted to approximately \$110.96 million. The District expects to file for a waiver and, to comply with the conditions for the penalty waiver, the District is offering 183 instructional days for the 2023-24 and 2024-25 school years, with comprehensive high schools offering over 66,000 annual instructional minutes for each of the school years. See “– Employees and Labor Relations – *Negotiations Regarding Labor Contracts*” for a discussion of the District’s agreements relating to the instructional calendar for fiscal years 2023-24 and 2024-25 and the provision of three additional instructional days to make up for lost instructional days in March 2023. A similar finding regarding instructional minutes was made with respect to the District’s Affiliated Charter Schools in the audited financial statements for fiscal year 2022-23.

Copies of the District’s audited financial statements as well as budgets and interim financial reports may be obtained from the website of the District: **www.lausd.org**. The website is not incorporated herein by reference and the District, its counsel (including Bond Counsel and Disclosure Counsel), the Municipal Advisor, the Underwriters and their counsel do not make any representation as to the accuracy of the information provided therein.

District Budget

General School District Budget Process and Oversight. State law requires that each school district maintain a balanced budget in each fiscal year. The California Department of Education imposes a uniform budgeting and accounting format for school districts. Under current law, a school district governing board must adopt and file with the county superintendent of schools a budget by July 1 in each fiscal year. The District is under the jurisdiction of the County of Los Angeles Superintendent of Schools.

The county superintendent of schools must approve, conditionally approve, or disapprove the adopted budget for each school district by September 15 in accordance with the Education Code. The county superintendent of schools is required to examine the adopted budget for compliance with the standards and criteria adopted by the State Board of Education and identify technical corrections necessary to bring the budget into compliance with the established standards. The county superintendent of schools is also required to determine whether the adopted budget will allow the school district to meet its financial obligations during the fiscal year and is consistent with a financial plan that will enable the school district to satisfy its multiyear financial commitments. The Education Code directs the county superintendent of

schools to disapprove any school district budget if it determines that the budget does not include expenditures necessary to implement an LCAP or an annual update to the LCAP. See “STATE FUNDING OF SCHOOL DISTRICTS – Local Control Funding Formula – *Local Control and Accountability Plan*” herein for more information about LCAP.

In the event that the county superintendent of schools conditionally approves or disapproves the school district’s budget, the county superintendent of schools will submit to the governing board of the school district no later than September 15 of such year recommendations regarding revisions of the budget and the reasons for the recommendations, including, but not limited to, the amounts of any budget adjustments needed before the county superintendent of schools can approve that budget. In addition, school districts must make available for public review any revisions to revenues and expenditures that it has made to its budget to reflect the funding made available by the State Budget Act (defined herein) not later than 45 days after the enactment of the State Budget Act.

The governing board of the school district, together with the county superintendent of schools, must review and respond to the recommendations of the county superintendent of schools before October 8 at a regular meeting of the governing board of the school district. The county superintendent of schools will examine and approve or disapprove of the revised budget by November 8 of such year. If the county superintendent of schools disapproves a revised budget, the county superintendent of schools will call for the formation of a budget review committee. By December 31 of each year, every school district must have an adopted budget, or the county superintendent of schools may impose a budget and will report such school district to the State Legislature and the Department of Finance. In prior years, LACOE has granted a conditional approval to certain of the District’s budgets pending, among other things, approval of the District’s LCAP, information regarding collective bargaining and other budgetary considerations. However, in the last ten years, LACOE has not disapproved any budget submitted to it by the District. LACOE approved the Fiscal Year 2023-24 Budget, including the District’s revisions to the Fiscal Year 2023-24 Budget approved by the District Board on August 22, 2023. See “– *Fiscal Year 2023-24 Budget*,” “– *Revisions to Fiscal Year 2023-24 Budget*” and “– *LACOE’s Response to Fiscal Year 2023-24 Budget*” below.

Subsequent to approval, the county superintendent of schools will monitor each school district under its jurisdiction throughout the fiscal year pursuant to its adopted budget to determine on an ongoing basis if the school district can meet its current or subsequent year financial obligations. If the county superintendent of schools determines that a school district cannot meet its current or the subsequent year’s obligations, the county superintendent of schools will notify the school district’s governing board, the Superintendent of Public Instruction and the president of the State board (or the president’s designee) of the determination and take at least one of the following actions, and all actions that are necessary to ensure that the school district meets its financial obligations: (a) develop and impose, after also consulting with the Superintendent of Public Instruction and the school district’s governing board, revisions to the budget that will enable the school district to meet its financial obligations in the current fiscal year, (b) stay or rescind any action inconsistent with the ability of the school district to meet its obligations for the current or subsequent fiscal year, (c) assist in developing, in consultation with the school district’s governing board, a financial plan that will enable the school district to meet its future obligations, (d) assist in developing, in consultation with the school district’s governing board, a budget for the subsequent fiscal year and (e) as necessary, appoint a fiscal advisor to perform the aforementioned duties. The county superintendent of schools will also make a report to the Superintendent of Public Instruction and the president of the State board or the president’s designee about the financial condition of the school district and the remedial actions proposed by the county superintendent of schools. However, the county superintendent of schools may not abrogate any provision of a collective bargaining agreement that was entered into prior to the date upon which the county superintendent of schools assumed authority.

Fiscal Stabilization Plan. While LACOE and the District will partner to implement actions necessary to stabilize and improve the financial condition of the District as and when needed, LACOE has not required nor has the District implemented a fiscal stabilization plan since 2019 in light of the District's positive certification on its recent interim reports. In the event that the District's financial condition were to change in future fiscal years, LACOE may require the District to implement a fiscal stabilization plan to stabilize and improve the financial condition of the District.

Fiscal Year 2023-24 Budget. The Fiscal Year 2023-24 Budget was adopted by the District Board on June 20, 2023. The Fiscal Year 2023-24 Budget was developed with the assumptions contained in the Governor's May revision to the proposed fiscal year 2023-24 State Budget, which were revised in the 2023-24 State Budget.

The Fiscal Year 2023-24 Budget projects a General Fund beginning balance of approximately \$5.18 billion, total budgeted revenues of \$10.53 billion, total budgeted expenditures of \$11.64 billion, budgeted other financing sources and uses of \$2.82 million, and a budgeted ending balance of \$4.07 billion. The Fiscal Year 2023-24 Budget projects that its budgeted General Fund ending balance of \$4.07 billion is expected to consist of approximately \$233.45 million for the mandatory reserve for economic uncertainties, \$43.00 million of non-spendable revolving cash, stores, and prepaid expenditures, \$1.26 billion of restricted ending balances, \$1.97 billion of committed ending balances, \$451.87 million of assigned ending balances, and \$113.70 million of undesignated and unassigned ending balances.

The Fiscal Year 2023-24 Budget includes certain assumptions and policies, including:

- a COLA of 8.22% for the LCFF;
- 8.22% statutory COLA for selected categorical programs outside of LCFF and Special Education;
- LCFF-funded ADA of 375,903.74 for non-charter schools, which is based on the average of 3 prior year's ADA, and 34,020.45 for Affiliated Charter Schools, which is based on projected fiscal year 2023-24 ADA; the percentage of ADA to enrollment is 90%;
- estimated unduplicated pupil count and three-year rolling average unduplicated pupil percentage of 325,422 and 85.93%, respectively, for non-charter schools (including County Program students) and 17,663 and 46.93%, respectively, for Affiliated Charter Schools;
- an LCFF allocation of \$1.25 billion from the Education Protection Account (the "Education Protection Account") established by Proposition 30 (defined herein) to be spent for instruction;
- LCFF supplemental and concentration expenditure of \$1.60 billion;
- no LCFF Equity Multiplier revenue;
- State Special Education funding reflects increased base rate of \$887 per ADA;
- lottery unrestricted rate per ADA is estimated at \$170 per ADA and restricted rate per ADA is estimated at \$67 per ADA;
- receipt of approximately \$1.8 billion in fiscal year 2022-23 from HR 1319 - Elementary and Secondary School Emergency Relief (ESSER) III, which is a one-time COVID-19 resource, and approximately \$579.9 million in fiscal year 2022-23 from Expanded Learning Opportunities Program;

- receipt of approximately \$68.9 million from HR 133 - Elementary and Secondary School Emergency Relief (ESSER) II and receipt of approximately \$881.6 million from HR 1319 - Elementary and Secondary School Emergency Relief (ESSER) III in fiscal year 2023-24, which the District anticipates using for schools, operations, and continuity of learning in fiscal year 2023-24;
- receipt of approximately \$457.1 million from the ELOP in fiscal year 2023-24, which the District anticipates using, together with approximately \$456.4 million in ELOP funds carried over from fiscal year 2022-23, for expanded learning opportunities;
- a net enrollment decline of 8,453 from fiscal year 2022-23 for non-charter and Affiliated Charter Schools;
- an enrollment decline of approximately 1,759 students for Fiscally Independent Charter Schools;
- certificated and classified salaries include bargaining unit agreements with SEIU Local 99, AALA (Unit J – Classified Managers), and UTLA;
- funding for employee health and medical benefits at the per participant rate set forth in the Health and Welfare Agreement (defined herein);
- a contribution to the OPEB Trust Fund of \$211 million from all funds of the District for fiscal year 2023-24;
- a contribution rate for CalSTRS (defined herein) for fiscal year 2023-24 of 19.10%;
- an increase of 1.31% of the CalPERS (defined herein) employer contribution rate for fiscal year 2023-24 from 25.37% to 26.68%;
- a California consumer price index of 3.54% on other operating expenditures, except utilities which is projected to decline by 5.76% as a result of shifting from 24-hour HVAC to occupancy-based usage;
- ongoing and major maintenance resources of \$310.6 million, which constitutes approximately 3% of the District's budgeted General Fund expenditures and other financing uses, excluding CALSTRS on-behalf payments made by the State and COVID-19 expenditures from certain one-time funds related to ESSER II and ESSER III;
- support to the cafeteria program and child development from the General Fund of \$11.6 million and \$1.5 million, respectively, in fiscal year 2023-24;
- a contribution from all funds of the District of \$120.0 million to the Workers' Compensation Fund and inclusion of the total Workers' Compensation actuarially-determined funded liability of \$463.2 million;
- inclusion of general obligation bonds and COPs (defined herein) proceeds, debt service and other interfund transfer expenditures and revenues in fiscal year 2023-24;
- a reserve for economic uncertainties totaling \$233.5 million, which reflects the statutory 2% budgeted expenditure requirement and other financing uses;

- inclusion of beginning balances in the General Fund and other funds for fiscal year 2023-24, reflecting the updated estimated ending balance as of June 30, 2023, which includes expenditures related to COVID-19;
- estimated ending balances for the General Fund and other funds for fiscal year 2023-24, which reflect the difference between the estimated revenue and expenditure levels for fiscal year 2023-24;
- commitment of portions of the General Fund ending balances to meet the 10% limitation on reserves (calculated based on assigned and unassigned balances) (see “STATE FUNDING OF SCHOOL DISTRICTS – Limitations on School District Reserves” for more information);
- release of committed fund balance of \$300 million originally committed to Student Equity Needs Index (SENI), as approved by the District Board on May 9, 2023. SENI, funded at \$700 million, is intended to be funded with a combination of sources including, but not limited to, supplemental and concentration funds and the proposed equity multiplier;
- authority to transfer amounts, as necessary, to implement technical adjustments related to the Fiscal Year 2023-24 Budget;
- authority to implement new revenues for fiscal year 2023-24, if any, and increase budgeted appropriations accordingly; and
- a transfer from the Community Redevelopment Agency Fund to repay the General Fund in the amount of \$30 million initially paid for the ongoing and major maintenance resources.

Revisions to Fiscal Year 2023-24 Budget. The Fiscal Year 2023-24 Budget was developed with the assumptions contained in the Governor’s May revision to the proposed fiscal year 2023-24 State Budget, which were revised in the 2023-24 State Budget. On August 22, 2023, the District Board approved revisions to the Fiscal Year 2023-24 Budget that reflect the enacted 2023-24 State Budget as well as other significant changes affecting the District’s finances since the adoption of the Fiscal Year 2023-24 Budget, including impacts of certain completed labor negotiations. Significant approved revisions to the Fiscal Year 2023-24 Budget included:

- In June 2023, reopener negotiations concluded with CSEA with respect to employee bargaining Unit D – Technical and Business Services. As a result of such agreement, the District budgeted an increase in fiscal year 2023-24 expenditures of approximately \$67.07 million (all funds), of which approximately \$45.20 million relate to the District’s General Fund. Of such amounts, approximately \$37.14 million (all funds) of such expenditures (\$23.78 million related to the District’s General Fund) reflect expenditures accrued to fiscal years 2021-22 and 2022-23 but are to be paid in fiscal year 2023-24. For information regarding the negotiated terms of the agreement reached, see “– Employee and Labor Relations – *Negotiations Regarding Labor Contracts*” below.
- In June 2023, contract negotiations concluded with LASPA with respect to employee bargaining Unit A – School Police. As a result of such agreement, the District budgeted an increase in fiscal year 2023-24 expenditures of approximately \$7.27 million (all funds), of which approximately \$6.60 million relate to the District’s General Fund. Of such amounts, approximately \$2.26 million (all funds) of such expenditures (\$2.09 million related to the District’s General Fund) reflect expenditures accrued to fiscal year 2022-23 but are to be paid in fiscal year 2023-24. For information regarding the negotiated terms of the agreement reached, see “– Employee and Labor Relations – *Negotiations Regarding Labor Contracts*” below.

- In June 2023, contract negotiations concluded with LASPMA with respect to employee bargaining Unit H – School Police Management. As a result of such agreement, the District budgeted an increase in fiscal year 2023-24 expenditures of approximately \$1.98 million (all funds), of which approximately \$1.96 million relate to the District’s General Fund. Of such amounts, approximately \$643,397 (all funds) of such expenditures (\$637,352 related to the District’s General Fund) reflect expenditures accrued to fiscal year 2022-23 but to be paid in fiscal year 2023-24. For information regarding the negotiated terms of the agreement reached, see “– Employee and Labor Relations – *Negotiations Regarding Labor Contracts*” below.
- In June 2023, contract negotiations concluded with “Trades” union with respect to employee bargaining Unit E. As a result of such agreement, the District budgeted an increase in fiscal year 2023-24 expenditures of approximately \$70.23 million (all funds), of which approximately \$65.95 million relate to the District’s General Fund (\$65.83 million of which relate to restricted funds in the District’s General Fund). Of such amounts, approximately \$34.58 million (all funds) of such expenditures (\$32.58 million related to the District’s General Fund) reflect expenditures accrued to fiscal years 2021-22 and 2022-23 but are to be paid in fiscal year 2023-24. For information regarding the negotiated terms of the agreement reached, see “– Employee and Labor Relations – *Negotiations Regarding Labor Contracts*” below.
- In June 2023, the District entered into a memorandum of understanding with SEIU and UTLA modifying the three-year tentative instructional calendar approved by the District Board on March 27, 2023, to a two-year instructional calendar (fiscal years 2023-24 and 2024-25). As a result of such agreement, the District budgeted an increase in fiscal year 2023-24 expenditures of approximately \$93.15 million (all funds), of which approximately \$85.70 million relate to the District’s General Fund. For information regarding the negotiated terms of the agreement reached, see “– Employee and Labor Relations – *Negotiations Regarding Labor Contracts*” below.
- The 2023-24 State Budget provides approximately \$300.00 million ongoing Proposition 98 State general fund resources to establish an Equity Multiplier as an add-on to the LCFF to accelerate gains in closing opportunity and outcome gaps. As a result, the District budgeted approximately \$26.9 million of additional general fund revenue in fiscal year 2023-24 to be placed in assigned ending balance.
- The 2023-24 State Budget decreases or delays one-time Proposition 98 general fund support for the Arts, Music, and Instructional Materials Block Grant and the Learning Recovery Emergency Block Grant. However, the reductions to these grants are lower compared to the reductions proposed in the Governor’s May revision to the proposed fiscal year 2023-24 State Budget, which provides the District with amounts of approximately \$114 million and \$86 million, respectively, to be used as a budget balancing solution in fiscal year 2025-26 and help fund existing labor costs.
- Consistent with State law requirements, the amounts required to be budgeted for the District’s Routine Restricted Maintenance Account (3% of General Fund expenditures) and the District’s reserve for economic uncertainties (2% of General Fund appropriations for school districts, such as the District, with ADA between 30,001 and 400,000 students) are adjusted to reflect the revisions to the Fiscal Year 2023-24 Budget, which, as so adjusted, are budgeted at \$314.72 million (originally budgeted at \$310.55 million) and \$236.23 million (originally budgeted at \$233.45 million), respectfully.

At the time of the adoption of the Fiscal Year 2023-24 Budget revisions, the District recognized that it continues to have a structural deficit whereby in-year expenditures exceed in-year revenues; revenues continue to be impacted by declining enrollment and expenditures have not been reduced commensurately.

As a result, the Fiscal Year 2023-24 Budget revisions included the use of one-time State funding as well as the draw down of one-time committed ending fund balances over the multi-year projections as balancing solutions. The draw down of one-time committed ending fund balances consist of (i) for fiscal year 2023-24, the draw down of \$77 million committed unrestricted General Fund amounts previously designated to be contributed to the OPEB Trust Fund in fiscal year 2023-24 but released when restricted General Fund dollars and other District funds were allocated to contribute their respective shares to the District's \$211 million fiscal year 2023-24 budgeted contribution to the OPEB Trust Fund (see "DISTRICT FINANCIAL INFORMATION – Other Postemployment Benefits"), and (ii) for fiscal year 2024-25, the draw down of \$211 million committed unrestricted General Fund amounts previously designated to be contributed to the OPEB Trust Fund in fiscal year 2024-25. As a result of the Fiscal Year 2023-24 Budget revisions, the District's unrestricted/unassigned General Fund ending balance reserve percentage was then estimated to drop from 4.44% in fiscal year 2022-23 (the same as originally projected at the time of preparation of the Fiscal Year 2023-24 Budget) to 2.21% in fiscal year 2025-26 (originally projected at 2.19% at the time of preparation of the Fiscal Year 2023-24 Budget). The District recognized at the time of the adoption of the Fiscal Year 2023-24 Budget revisions that, in the absence of further balancing solutions, the cost of labor agreements with bargaining units that had not settled as of the time of the adoption of the revisions shall further lower the unrestricted/unassigned General Fund ending balances. Moreover, the District recognized that the uncertainty with the national and state economy brought about by the delayed tax receipts due to the postponement of federal and California tax filings until October 2023, interest rate hikes, and the prospect of a potential recession were risk factors that could affect the District's financial condition. LACOE's Response to Fiscal Year 2023-24 Budget. In its September 2023 letter to the District, LACOE approved the Fiscal Year 2023-24 Budget. LACOE noted that the District projected an operating deficit in its unrestricted General Fund in fiscal year 2023-24 and projected ongoing unrestricted General Fund operating deficits in fiscal years 2024-25 and 2025-26 primarily due to declining enrollment and ADA, resulting in reduced LCFF revenues, increased salary and health and welfare contributions as a result of recently settled multi-year bargaining unit agreements and increased contributions to restricted programs. As LACOE explained more specifically, the Fiscal Year 2023-24 Budget reflected a loss in funded ADA of approximately 42,306 from fiscal year 2023-24 to fiscal year 2025-26, which will impact the LCFF revenue received by the District (even with the change in the LCFF to allow for a calculation based on the average of three prior years' ADA). LACOE also pointed out that as of the preparation of the Fiscal Year 2023-24 Budget, some labor negotiations for fiscal year 2023-24 were unsettled and some labor agreements had not yet been calculated and incorporated into projected salary and benefit expenditures, so any potential financial impacts as a result of such labor negotiations were not reflected in the Fiscal Year 2023-24 Budget. For more information on revisions to the Fiscal Year 2023-24 Budget relating to labor negotiations, see "– Revisions to Fiscal Year 2023-24 Budget." For more information on recent bargaining unit agreements, see "– Employees and Labor Relations." See also "– Second Interim Financial Report for Fiscal Year 2023-24."

District General Fund Budgets and Audited Actuals. The following Table A-4 sets forth the District's Final Adopted Budgets for the District General Fund, inclusive of regular and specially funded programs, for fiscal years 2019-20 through 2023-24 and the actual results for fiscal years 2019-20 through 2022-23. The budgeted beginning balance for each fiscal year reflects the estimated ending balance for the prior fiscal year based upon information as of the budget adoption date. Accordingly, the budgeted ending balance for a fiscal year and the subsequent budgeted beginning balance may differ from the actual ending balance and actual beginning balance.

Pursuant to the Education Code, school districts may not spend more than Authorized Amount in the Final Adopted Budget as adjusted during the fiscal year.

⁽⁴⁾ The District's original budget for fiscal year 2020-21 was adopted by the District Board on June 30, 2020. On August 25, 2020, the District Board adopted a revised budget for fiscal year 2020-21, which reflects the revised assumptions contained in the Governor's fiscal year 2020-21 State budget. Figures are based on the revised budget for fiscal year 2020-21.

District Interim Financial Reports. A State law adopted in 1991 (known as “A.B. 1200”) imposed financial reporting requirements on school districts and established guidelines for emergency State aid apportionments. Under the provisions of A.B. 1200 and the Education Code (Section 42100 *et. seq.*), each school district is required to file two interim certifications with the county superintendent of schools (on December 15, for the period ended October 31, and by mid-March for the period ended January 31) as to its ability to meet its financial obligations for the remainder of the then-current fiscal year and, based on current forecasts, for the subsequent fiscal year. The county superintendent of schools reviews the certification and issues either a positive, negative or qualified certification. In the past five fiscal years, the District has received a qualified certification for its first and second interim reports for fiscal year 2018-19 and its first interim report for fiscal year 2021-22.

A positive certification is assigned to any school district that, based on then current projections, will meet its financial obligations for the current fiscal year and the subsequent two fiscal years. A negative certification is assigned to any school district that, based on then current projections, will be unable to meet its financial obligations for the remainder of the fiscal year or the subsequent fiscal year. A qualified certification is assigned to any school district that, based on then current projections, may not meet its

financial obligations for the current fiscal year or the two subsequent fiscal years. A certification may be revised to a negative or qualified certification by the county superintendent of schools, as appropriate. A school district that receives a qualified or negative certification for its second interim report must provide to the county superintendent of schools, the State Controller and the Superintendent no later than June 1, financial statement projections of the school district's fund and cash balances through June 30 for the period ending April 30. Any school district that receives a qualified or negative certification in any fiscal year may not issue, in that fiscal year or in the next succeeding fiscal year, certificates of participation, tax and revenue anticipation notes, revenue bonds or any other debt instruments that do not require the approval of the voters of the school district, unless the county superintendent of schools determines that the school district's repayment of indebtedness is probable.

For school districts under fiscal distress, the county superintendent of schools is authorized to take a number of actions to ensure that the school district meets its financial obligations, including budget revisions. However, the county superintendent of schools is not authorized to approve any diversion of revenue from *ad valorem* property taxes levied to pay debt service on district general obligation bonds. A school district that becomes insolvent may, upon the approval of a fiscal plan by the county superintendent of schools, request an emergency appropriation from the State, in which case the county superintendent of schools, the Superintendent of Public Instruction and the president of the State board or the president's designee will appoint a trustee to serve the school district until it has adequate fiscal systems and controls in place. The acceptance by a school district of an emergency apportionment exceeding 200% of the reserve recommended for that school district constitutes an agreement that the county superintendent of schools will assume control of the school district in order to ensure the school district's return to fiscal solvency.

In the event the State elects to provide an emergency apportionment to a school district, such apportionment will constitute an advance payment of apportionments owed to the school district from the State School Fund and the Education Protection Account. The emergency apportionment may be accomplished in two ways. First, a school district may participate in a two-part financing in which the school district receives an interim loan from the State general fund, with the agreement that the school district will subsequently enter into a lease financing with the California Infrastructure and Economic Development Bank for purposes of financing the emergency apportionment, including repaying such amounts advanced to the State general fund. State law provides that so long as bonds from such lease financing are outstanding, the recipient school district (via its administrator) cannot file for bankruptcy. As an alternative, a school district may receive an emergency apportionment from the State general fund that must be repaid in 20 years. Each year, the Superintendent of Public Instruction will withhold from the apportionments to be made to the school district from the State School Fund and the Education Protection Account an amount equal to the emergency apportionment repayment that becomes due that year. The determination as to whether the emergency apportionment will take the form of a lease financing or an emergency apportionment from the State general fund will be based upon the availability of funds within the State general fund.

Second Interim Financial Report for Fiscal Year 2023-24. Like the District's First Interim report for fiscal year 2023-24 (the "Fiscal Year 2023-24 First Interim Report"), the District submitted the Fiscal Year 2023-24 Second Interim Report to LACOE with a positive certification. Based on the Fiscal Year 2023-24 Second Interim Report, the District expects to meet its financial commitments and satisfy the 5% Minimum Reserve Threshold and the 2% statutory reserve requirement for fiscal years 2023-24, 2024-25 and 2025-26. However, the Fiscal Year 2023-24 Second Interim Report provides that the District continues to be challenged with deficit spending wherein expenditures are greater than projected revenues, and projects deficits in fiscal years 2024-25 and 2025-26 of \$1,589.6 million and \$94.5 million, respectively.

The Fiscal Year 2023-24 Second Interim Report provides that the District's practice of using one-time/non-recurring resources for ongoing expenses is not consistent with prevailing best practices and has drawn comments from LACOE. See "DISTRICT FINANCIAL INFORMATION – District Budget – LACOE's Response to Fiscal Year 2023-24 Budget," for LACOE's review of the District's Fiscal Year

2023-24 Budget and discussion of the District's operating deficits and the contributing factors to such deficits, which include declining enrollment, resulting reductions in LCFF revenue, and increased salary and health and welfare contributions as a result of recently settled multi-year bargaining unit agreements. See also "DISTRICT GENERAL INFORMATION – Enrollment and Average Daily Attendance" for a discussion of the District's enrollment and ADA, including information about the District's declining ADA over the last ten years, and "DISTRICT FINANCIAL INFORMATION – Employee and Labor Relations – *Negotiations Regarding Labor Contracts*" for information regarding recently settled multi-year bargaining unit agreements.

The Fiscal Year 2023-24 Second Interim Report projects a General Fund ending balance of \$6,272.9 million for fiscal year 2023-24, consisting of a projected unrestricted General Fund ending balance of \$4,441.6 million and a projected restricted General Fund ending balance of \$1,831.3 for fiscal year 2023-24. The projected Fiscal Year 2023-24 unrestricted General Fund ending balance consists of non-spendable, committed, assigned, unassigned reserve for economic uncertainties and unassigned/unappropriated components in the amounts of \$47.9 million, \$2,902.7 million, \$441.6 million, \$244.9 million and \$804.5 million, respectively. The Fiscal Year 2023-24 Second Interim Report indicates that the unrestricted unassigned/unappropriated General Fund amounts are expected to be used to balance future year budgets, and the Fiscal Year 2023-24 Second Interim Report projects a fiscal year 2025-26 unrestricted General Fund ending balance of \$2,757.6 million, with the unassigned/unappropriated portion of such fiscal year 2025-26 ending balance projected to be \$72.2 million. The projected Fiscal Year 2023-24 restricted General Fund ending balance represents projected unspent balances from legally restricted funding sources. This is comprised primarily of State grants such as the Learning Recovery Emergency Block Grant, the Arts, Music and Instructional Materials Discretionary Block Grant, the Expanded Learning Opportunities Program, the Educator Effectiveness, and Literacy Coaches and Reading Specialists Grant Program.

The Fiscal Year 2023-24 Second Interim Report acknowledges the Proposed 2024-25 State Budget projected a state-wide budget shortfall of \$37.9 billion and that the Governor proposes a COLA for fiscal year 2024-25 of 0.76%, down from the 3.94% COLA estimated at the time of the enactment of the 2023-24 State Budget. The Fiscal Year 2023-24 Second Interim Report further acknowledges LAO's warning of worsening budget conditions ahead as the State's year-to-date revenue receipts are falling below forecasts and that there have been a wide disparity of revenue estimates between the LAO and the California Department of Finance. See "STATE FUNDING OF SCHOOL DISTRICTS – State Budget Act – *Proposed 2024-25 State Budget*" and "– State Budget Act – *LAO Analysis of the Proposed 2024-25 State Budget*." In May 2024, the Governor will revise the Proposed 2024-25 State Budget based on updated information available at such time. Such revision may differ substantially from the Proposed 2024-25 State Budget, and could result in even further negative impacts to State K-12 education funding in fiscal year 2024-25. The District cannot predict the impact that the final fiscal year 2024-25 State budget, or subsequent budgets, will have on its finances and operations.

The District revises its projections of revenues, expenditures, and ending fund balances contained in the Fiscal Year 2023-24 Budget as more financial data becomes available throughout the fiscal year. The Fiscal Year 2023-24 Second Interim Report reflects the District's projected actuals for fiscal year 2023-24 for the period from July 1, 2023 through January 31, 2024 and projections for the period from February 1, 2024 through June 30, 2024. It also reflects multi-year projections through fiscal year 2025-26. The Fiscal Year 2023-24 Second Interim Report, which was approved by the District Board on March 12, 2024, is also included in the table that follows and described throughout this Appendix A. The achievement of certain results or other expectations contained in the Fiscal Year 2023-24 Second Interim Report involves known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements described therein to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. All projections, forecasts, assumptions, expressions of opinions, estimates, and other forward-looking statements contained in the Fiscal Year 2023-24 Second Interim Report are expressly qualified in their entirety by the foregoing and the other cautionary statements.

The following Table A-6 sets forth budgeted revenues and expenditures and projected year-end amounts, including projected and year-end General Fund Balances, as reported in the Fiscal Year 2023-24 Budget and the Fiscal Year 2023-24 Second Interim Report.

LACOE's Review of Fiscal Year 2023-24 Second Interim Report. In its April 2024 letter to the District, LACOE concurred with the District's positive certification on the Fiscal Year 2023-24 Second Interim Report. LACOE pointed out that the Fiscal Year 2023-24 Second Interim Report projected operating deficits in fiscal years 2024-25 and 2025-26, emphasizing the erosion of projected General Fund balances. LACOE acknowledged that the Fiscal Year 2023-24 Second Interim Report projected maintaining the required level of reserves but recommended that the District monitor causes for deficit spending to prevent additional fund balance erosion. LACOE also indicated that the Fiscal Year 2023-24 Second Interim Report reflected declining enrollment and funding under LCFF based on three-year average daily attendance for fiscal years 2023-24, 2024-25 and 2025-26, and highlighted the impacts of declining enrollment, emphasizing that continued declines in enrollment and attendance will result in a loss of revenue for the District in future years. LACOE recommended the District carefully monitor its enrollment and attendance trends and adjust financial projections for the current and subsequent fiscal years accordingly to reflect the resulting impact. LACOE also indicated that staffing needs and facilities planning should also be assessed and adjusted based on the projected rate of decline in enrollment.

Employees and Labor Relations

General. The District has twelve bargaining units with existing contracts. The largest bargaining unit among the District's employees is United Teachers Los Angeles ("UTLA"), which is comprised of among other employees, teachers, counselors, adviser, nurses, psychologists, and social workers. In addition, certain employees are not represented by a formal bargaining unit (the "District Represented

Employees”). The following Table A-7 sets forth the number of members of each bargaining unit as of April 1, 2024, and the expiration dates of the existing or successor labor agreements with each of the District’s employee bargaining units.

Negotiations Regarding Labor Contracts. The United Teachers Los Angeles (“UTLA”) and the District reached a three-year agreement for fiscal years 2022-23 through 2024-25 (the “UTLA Agreement”). For fiscal year 2022-23, the UTLA Agreement provides for a 3% on schedule retroactive wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2022, and a 4% on schedule retroactive wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2023. For fiscal year 2023-24, the UTLA Agreement provides for a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2023, and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2024. For fiscal year 2024-25, the UTLA Agreement provides for a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2024, and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2025. In addition, the UTLA Agreement (a) provides for certain on schedule salary increases for certain employee groups, including special and early education teachers, nurses and table employees, (b) provides for academic class size reduction in certain schools, (c) for adjustments in staffing ratios for counselors, pupil services and attendance counselors (PSA) and psychiatric social workers (PSW), (d) provides for additional funding for certain community schools, (e) for additional community school coach positions, and (f) includes differential pay increases for certain positions and programs. There are no reopeners provided for in the UTLA Agreement. The financial impacts of the UTLA Agreement are incorporated as expenditures in the Fiscal Year 2023-24 Budget. UTLA and the District are expected to begin successor negotiations for a three-year agreement for fiscal years 2025-26 through 2027-28 after January 1, 2025.

SEIU Local 99 (Units B, C, F and G) and the District reached a one-year agreement for fiscal year 2020-21, and a three-year agreement for fiscal years 2021-22 through 2023-24 (collectively, the “SEIU Agreements”). Under the SEIU Agreements, (a) based on the salary table effective July 1, 2021, all SEIU bargaining unit members will receive a 6% on-schedule wage increase applied to all pay scale groups and levels of the base salary tables; (b) based on the salary table effective July 1, 2022, all SEIU bargaining unit members will receive a 7% on-schedule wage increase applied to all pay scale groups and levels of the base salary tables; (c) based on the salary table effective July 1, 2023, all SEIU bargaining unit members will receive a 7% on-schedule wage increase applied to all pay scale groups and levels of the base salary tables, and (d) based on the salary table effective January 1, 2024, there will be a \$2.00 per hour on-schedule wage increase applied to all pay scale groups and levels of the base salary table. In addition, the SEIU Agreements (a) provide for the funding an Education and Professional Development Fund in the amount of \$3 million, (b) effective January 1, 2024, make employees assigned 4 hours per day or 80 hours per month, with respect to Units F and G, eligible (along with eligible dependents) to enroll in certain low cost health insurance plans or receive a cash amount if the employee opts out, and (c) include certain pay differentials and one-time pay increases. There are no reopeners provided for in the SEIU Agreements. The financial impacts of the SEIU Agreements are incorporated as expenditures in the Fiscal Year 2023-24 Budget. SEIU Local 99 (Units B, C, F and G) and the District are set to begin successor negotiations for a three-year agreement for fiscal years 2024-25 through 2026-27 in April 2024.

AALA (Certificated Administrators) and the District reached a three-year agreement for fiscal years 2022-23 through 2024-25 (the “AALA (Certificated Administrators) Agreement”) with on schedule salary increases to be applied to the AALA (Certificated Administrators) master salary table comparable to the increases provided to UTLA in the UTLA Agreement. There are no reopeners provided for in the AALA (Certificated Administrators) Agreement. As a result of such agreement, the District anticipates an increase in fiscal year 2023-24 expenditures of approximately \$87.07 million (all funds), of which approximately \$81.10 million relate to the District’s general fund. Of such amounts, approximately \$25.07 million (all funds) of such expenditures (\$23.36 million related to the District’s general fund) reflect expenditures attributable to fiscal year 2022-23 and are to be paid in fiscal year 2023-24. Due to the timing of such agreement, the financial impacts of the agreement are not incorporated into the Fiscal Year 2023-24 Budget. The additional expenditures associated with the AALA (Certificated Administrators) Agreement are reflected in the Fiscal Year 2023-24 Second Interim Report. AALA (Certificated Administrators) and the District are expected to begin successor negotiations for a three-year agreement for fiscal years 2025-26 through 2027-28 after January 1, 2025.

CSEA (Unit D – Technical and Business Services) and the District have reached a three-year agreement for fiscal years 2023-24 through 2025-26 (the “CSEA Agreement”). The CSEA Agreement provides for one reopener for fiscal year 2024-25 and fiscal year 2025-26. Based on the salary table effective July 1, 2023, all CSEA bargaining unit members will receive a 7% on-schedule wage increase applied to all pay scale groups and levels of the base salary tables, and based on the salary table effective January 1, 2024, there will be a \$2.00 per hour on-schedule wage increase applied to all pay scale groups and levels of the base salary table. The CSEA Agreement also provides for an increase to \$22.52 effective January 1, 2024, for the classifications of Office Technician, Parent Education Support Assistant, Parent Resource Assistant, Microfilm Operator, Clerk, and Student Integration Helper. As a result of such agreement, the District anticipates an increase in fiscal year 2023-24 expenditures of approximately \$43.50 million (all funds), of which approximately \$37.01 million relate to the District’s general fund. Due to the timing of such agreement, the financial impacts of the agreement are not incorporated into the Fiscal Year 2023-24 Budget. The additional expenditures associated with the CSEA Agreement are reflected in the Fiscal Year 2023-24 Second Interim Report.

Under the District’s prior agreement with CSEA (Unit D – Technical and Business Services) for fiscal years 2020-21 through 2022-23 (the “Prior CSEA Agreement”), reopeners for three articles – wages and salaries, vacation, and telecommuting – were provided for, and CSEA requested reopener negotiations with respect to fiscal years 2021-22 and 2022-23. In June 2023, reopener negotiations concluded with

CSEA under the Prior CSEA Agreement. For fiscal year 2021-22, the reopener agreement provides for a 1% on schedule retroactive wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2021. This 1% is in addition to the 5% previously applied under the CSEA Agreement to all pay scale groups and levels of the base salary table for fiscal year 2021-22, for a total of 6%. For fiscal year 2022-23, the reopener agreement provides for a 7% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2023. The reopener agreement also included one-time retention and appreciation bonuses. Due to the timing of the reopener agreement, the financial impacts of the agreement are not incorporated into the Fiscal Year 2023-24 Budget. Such impacts were incorporated as expenditures in revisions to the Fiscal Year 2023-24 Budget approved by the District Board on August 22, 2023. For information regarding the expected impacts to the Fiscal Year 2023-24 Budget, see “– District Budget – *Revisions to Fiscal Year 2023-24 Budget*” above. CSEA (Unit D – Technical and Business Services) and the District are expected to begin successor negotiations for a three-year agreement for fiscal years 2026-27 through 2028-29 after January 1, 2026.

Teamsters (Unit S – Classified Supervisors) and the District reached a three-year agreement for fiscal years 2021-22 through 2023-24 (the “Teamsters Agreement”). Under the Teamsters Agreement (a) based on the salary table effective July 1, 2021, all Teamsters bargaining unit members will receive a 1% on-schedule wage increase applied to all pay scale groups and levels of the base salary tables (which is in addition to the 5% increase previously agreed to and applied); (b) based on the salary table effective July 1, 2022, all Teamsters bargaining unit members will receive a 7% on-schedule wage increase applied to all pay scale groups and levels of the base salary tables; (c) based on the salary table effective July 1, 2023, all Teamsters bargaining unit members will receive a 7% on-schedule wage increase applied to all pay scale groups and levels of the base salary tables, and (d) based on the salary table effective January 1, 2024, there will be a \$2.00 per hour on-schedule wage increase applied to all pay scale groups and levels of the base salary table. As a result of such agreement, the District anticipates an increase in fiscal year 2023-24 expenditures of approximately \$90.43 million (all funds), of which approximately \$61.51 million relate to the District’s general fund. Of such amounts, approximately \$31.61 million (all funds) of such expenditures (\$21.38 million related to the District’s general fund) reflect expenditures attributable to fiscal year 2022-23 and are to be paid in fiscal year 2023-24. Due to the timing of such agreement, the financial impacts of the agreement are not incorporated into the Fiscal Year 2023-24 Budget. The additional expenditures associated with the Teamsters Agreement are reflected in the Fiscal Year 2023-24 Second Interim Report. Teamsters (Unit S – Classified Supervisors) and the District are in successor negotiations for a three-year agreement for fiscal years 2024-25 through 2026-27.

LASPA (Unit A – School Police) and the District reached a three-year agreement for fiscal years 2022-23 through 2024-25 (the “LASPA Agreement”). The LASPA Agreement provides, with respect to sworn officers, (a) for fiscal year 2022-23, a 3% retroactive on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2022, and a 4% retroactive on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2023; (b) for fiscal year 2023-24, a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2023, and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2024; and (c) for fiscal year 2024-25, a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2024, and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2025. The LASPA Agreement provides, with respect to school safety officers, (a) for fiscal year 2022-23, a 7% retroactive on schedule wage increase applied to the base salary tables effective July 1, 2022; (b) for fiscal year 2023-24, a 7% on schedule wage increase applied to the base salary tables effective July 1, 2023; and (b) for a Step 1 an increase to \$22.53 effective January 1, 2024, with the subsequent Steps applied accordingly. The classification of school safety officer is not included in the on-schedule fiscal year 2024-25 wage increase as the additional increase is being provided on January 1, 2024. There are no reopeners provided for in the LASPA Agreement. The financial impacts of the LASPA Agreement are not incorporated into the Fiscal Year 2023-24 Budget. Such impacts were incorporated as expenditures in revisions to the Fiscal Year 2023-24 Budget approved by the District Board

on August 22, 2023. For information regarding the expected impacts to the Fiscal Year 2023-24 Budget, see “– District Budget – *Revisions to Fiscal Year 2023-24 Budget*” above. LASPA and the District are currently in dispute over LASPA’s assertion that they are entitled to a \$1.00 per hour increase for fiscal year 2019-20. LASPA (Unit A – School Police) and the District are expected to begin successor negotiations for a three-year agreement for fiscal years 2025-26 through 2027-28 after January 1, 2025.

LASPMA (Unit H – School Police Management) and the District reached a three-year agreement for fiscal years 2022-23 through 2024-25 (the “LASPMA Agreement”). For fiscal year 2022-23, the LASPMA Agreement provides for a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2022, and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2023. For fiscal year 2023-24, the LASPMA Agreement provides for a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2023, and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2024. For fiscal year 2024-25, the LASPMA Agreement provides for a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2024 and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2025. There are no reopeners provided for in the LASPMA Agreement. The financial impacts of the LASPMA Agreement are not incorporated into the Fiscal Year 2023-24 Budget. Such impacts were incorporated as expenditures in revisions to the Fiscal Year 2023-24 Budget approved by the District Board on August 22, 2023. For information regarding the expected impacts to the Fiscal Year 2023-24 Budget, see “– District Budget – *Revisions to Fiscal Year 2023-24 Budget*” above. LASPMA (Unit H – School Police Management) and the District are expected to begin successor negotiations for a three-year agreement for fiscal years 2025-26 through 2027-28 after January 1, 2025.

“Trades” (Unit E) and the District reached agreements for fiscal years 2020-21 and 2021-22 and for fiscal years 2022-23 through 2024-25 (the “Trades Agreements”). With respect to fiscal years 2020-21 and 2021-22, the Trades Agreements provide for a 5% on schedule retroactive wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2021. The Trades Agreements also provide for (a) one-time payments to certain employees that were employed during fiscal years 2020-21 and 2021-22 and did not receive an increase to their base salary in the fiscal year 2019-20 reopener, and (b) retention and appreciation bonuses for fiscal year 2021-22. With respect to fiscal years 2022-23 through 2024-25, the Trades Agreements provide (a) for fiscal year 2022-23, a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2022, and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2023; (b) for fiscal year 2023-24, a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2023, and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2024; and (c) for fiscal year 2024-25, a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2024, and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2025. During the term of the Trades Agreements for fiscal years 2022-23 through 2024-25, the District and Trades have agreed to reopen on two items – health and welfare and deferred compensation, but have not begun negotiations. The financial impacts of the Trades Agreements are not incorporated into the Fiscal Year 2023-24 Budget. Such impacts (other than agreed upon reopeners to be negotiated) were incorporated as expenditures in revisions to the Fiscal Year 2023-24 Budget approved by the District Board on August 22, 2023. For information regarding the expected impacts to the Fiscal Year 2023-24 Budget, see “– District Budget – *Revisions to Fiscal Year 2023-24 Budget*” above. “Trades” (Unit E) and the District are expected to begin successor negotiations for a three-year agreement for fiscal years 2025-26 through 2027-28 after January 1, 2025.

AALA (Unit J – Classified Managers) and the District reached a three-year agreement for fiscal years 2022-23 through 2024-25 (the “AALA Agreement”). The AALA Agreement provides (a) for fiscal year 2022-23, a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary

tables effective July 1, 2022, and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2023; (b) for fiscal year 2023-24, a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2023, and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2024; and (c) for fiscal year 2024-25, a 3% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective July 1, 2024, and a 4% on schedule wage increase applied to all pay scale groups and levels of the base salary tables effective January 1, 2025. There are no reopeners provided for in the AALA Agreement. The financial impacts of the AALA Agreement are incorporated as expenditures in the Fiscal Year 2023-24 Budget. AALA (Unit J – Classified Managers) and the District are expected to begin successor negotiations for a three-year agreement for fiscal years 2025-26 through 2027-28 after January 1, 2025.

Employees that are classified as “District-represented” are not in a formal bargaining unit. In alignment with District Board-approved labor agreements discussed above, District-represented employees will receive comparable compensation adjustments. District-represented employees as well as employees in positions that have not yet been assigned a union, totaling approximately 2,200 positions, with salaries within the range of union-represented classifications, will receive a 21% wage increase, beginning with 3% effective July 1, 2022; 4% on January 1, 2023; 3% on July 1, 2023; 4% on Jan. 1, 2024; 3% on July 1, 2024; and 4% on Jan. 1, 2025. District-represented employees, totaling approximately 87 positions, with salaries outside of the range of union-represented classifications, will receive a 15% wage increase, beginning with 3% effective July 1, 2022; 4% on January 1, 2023; 2% on July 1, 2023; 2% on Jan. 1, 2024; 2% on July 1, 2024; and 2% on Jan. 1, 2025. As a result of such agreement, the District anticipates an increase in fiscal year 2023-24 expenditures of approximately \$30.0 million (all funds), of which approximately \$25.6 million relate to the District’s general fund. Of such amounts, approximately \$8.6 million (all funds) of such expenditures (\$7.3 million related to the District’s general fund) reflect expenditures attributable to fiscal year 2022-23 and are to be paid in fiscal year 2023-24. Due to the timing of such agreement, the financial impacts of the agreement are not incorporated into the Fiscal Year 2023-24 Budget. The additional expenditures associated with the District-represented agreement are reflected in the Fiscal Year 2023-24 Second Interim Report.

The District entered a memorandum of understanding with SEIU and UTLA modifying the three-year tentative instructional calendar approved by the District Board on March 27, 2023, to a two-year instructional calendar (fiscal years 2023-24 and 2024-25). The memorandum of understanding maintains a three-week (15 days) winter break, provides for three additional instructional days to make up for lost instructional days in March 2023, and provides for instruction, enrichment, nutrition and child supervision through a voluntary winter recess academy in each such fiscal year. The financial impacts of the memorandum of understanding with SEIU and UTLA are not incorporated into the Fiscal Year 2023-24 Budget. Such impacts were incorporated as expenditures in revisions to the Fiscal Year 2023-24 Budget approved by the District Board on August 22, 2023. For information regarding the expected impacts to the Fiscal Year 2023-24 Budget, see “– District Budget – *Revisions to Fiscal Year 2023-24 Budget*” above. Subsequently, on December 11, 2023, the District entered a memorandum of understanding with CSEA with the same provisions outlined above in the SEIU and UTLA instructional calendar memorandum of understanding. As a result of such agreement, the District budgeted an increase in fiscal year 2023-24 expenditures of approximately \$0.28 million, all of which relate to the District’s General Fund. The additional expenditures associated with the memorandum of understanding with CSEA are reflected in the Fiscal Year 2023-24 Second Interim Report.

Health and Welfare Agreement. On October 5, 2023, the District reached a two-year agreement (the “Health and Welfare Agreement”) with all of its bargaining units for calendar years 2024 and 2025 to continue providing health and welfare benefits for active employees and retirees at no additional cost to participants. Under the Health and Welfare Agreement, the District will make contributions to fully fund the per-participant actual costs of current health and welfare benefits, including administrative cost, for the 2024 and 2025 calendar years. This is exclusive of any plan design changes that increase benefit costs and

is different than previous agreements where the District's obligation was to pay a fixed dollar amount for each participant category. The Health and Welfare Agreement also provides that any unspent health care reserve funds held pursuant to the District's prior health and welfare agreements will be maintained as reserves for the term of the Health and Welfare Agreement and used to improve or adjust health care plan designs as agreed to from time to time by the parties and approved by the District Board. As of June 30, 2022 and June 30, 2023, the District had \$64.6 million and \$107.7 million (unaudited), respectively, in health care reserves. Future District health and welfare contributions are subject to negotiations for a successor agreement. It is anticipated that such negotiations will commence in 2024.

The District anticipates an increase in fiscal year 2023-24 expenditures related to the Health and Welfare Agreement of approximately \$106.4 million (all funds), of which approximately \$94.2 million relate to the District's general fund. Due to the timing of such agreement, the financial impacts of the agreement are not incorporated into the Fiscal Year 2023-24 Budget. The additional expenditures associated with the Health and Welfare Agreement are reflected in the Fiscal Year 2023-24 Second Interim Report.

Reduction in Force and Release Notices. In general, pursuant to Sections 44949 and 44951 of the Education Code, the District must give written notice to a certificated employee no later than March 15 if such certificated employee is to be released or reassigned for the ensuing school year. Similarly, pursuant to Section 45117 of the Education Code, the District must give written notice to a classified employee no later than March 15 if such classified employee is to be laid off for the ensuing school year. Further, pursuant to Sections 44955.5 and 45117(d) of the Education Code (as applicable), the District Board has the authority to terminate the services of certificated and classified employees between the period commencing five days after the enactment of the annual State Budget Act and August 15 of the fiscal year to which the State Budget Act applies if the District's LCFF apportionment per unit of ADA has not increased by at least 2% for such fiscal year. To provide flexibility in the event budget reductions are necessary in a given fiscal year, the District Board may approve the use of reduction in force and release notices for a portion of its certificated and classified employees. There were no such notices approved by the District Board prior to March 15, 2024, for the ensuing 2024-25 school year.

Retirement Systems

General. The District currently participates in CalSTRS, CalPERS and PARS (defined herein). The amounts of the District's contributions to CalSTRS, CalPERS and PARS are subject to, among other things, modifications to or approvals of collective bargaining agreements and any changes in actuarial assumptions used by CalSTRS, CalPERS and PARS.

The information set forth below regarding CalSTRS and CalPERS and their respective actuarial valuations and comprehensive annual financial reports has been obtained from publicly available sources and has not been independently verified by the District and is not guaranteed as to the accuracy or completeness thereof by or to be construed as a representation by the District. Furthermore, the summary data below should not be read as current or definitive, as recent gains or losses on investments made by the retirement systems generally may have changed the unfunded actuarial accrued liabilities stated below.

The following Table A-8 sets forth the District's aggregate contributions to CalSTRS, CalPERS and PARS, inclusive of employee contributions to CalPERS paid by the District, for fiscal years 2019-20 through 2022-23 and the budgeted contribution for fiscal year 2023-24 and these contributions as a percentage of the District's Total Governmental Funds expenditures for fiscal years 2019-20 through 2023-24. See Table A-9 "Annual Regular CalSTRS Contributions," Table A-11 "Annual CalPERS Regular Contributions" and Table A-14 "Annual PARS Contribution." California State Teachers' Retirement System. CalSTRS is a defined benefit plan that covers all full-time certificated District employees and some classified District employees, which are District employees employed in a position that does not require a teaching credential from the State. Benefit provisions are established by State legislation in accordance with the State Teachers' Retirement Law. CalSTRS is operated on a Statewide basis and, based on publicly available information, has substantial unfunded liabilities. Additional funding of CalSTRS by the State and the inclusion of adjustments to such State contributions based on consumer price changes were provided for in 1979 Statutes, Chapter 282. Copies of the CalSTRS' comprehensive annual financial report may be obtained from CalSTRS, P.O. Box 15275, Sacramento, California 95851-0275. The information presented in these reports is not incorporated by reference in this Official Statement.

Member benefits are determined pursuant to the Education Code and are generally based on a member's age, final compensation and years of credited service. Members are 100% vested in retirement benefits after five years of credited service and are eligible for “normal” retirement at age 60 and for early retirement at age 55 or at age 50 with 30 years of credited service. The normal retirement benefit is 2% of final compensation (as defined in the Education Code) for each year of credited service (up to 2.4% of final compensation for members retiring after age 60), and members who retire on or after January 1, 2011 with 30 or more years of service by December 31, 2010 receive monthly bonus payments of up to \$400 per month. Members hired on or after January 1, 2013 who retire at age 62 are eligible for a benefit equal to 2% of final compensation for each year of credited service (up to 2.4% of final compensation for members retiring after age 62). Benefits include a 2% cost of living increase (computed on a simple, non-compounded, basis based on the initial allowance) on each September 1 following the first anniversary of the effective date of the benefit. See “– *California Public Employees' Pension Reform Act of 2013*” herein and Note 9 set forth in APPENDIX B – “AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2023.”

Funding; Contributions. The CalSTRS defined benefit plan (the “DB Plan”) is funded through a combination of investment earnings and statutorily set contributions from members of CalSTRS, the participating employers (including the District) and the State. Prior to fiscal year 2014-15, the statutorily-set rate did not vary annually to adjust for funding shortfalls or actuarial surpluses. As a result, the combined

employer, employee and State contributions to the DB Plan were not sufficient to pay actuarially required amounts. To address the shortfall, Assembly Bill 1469 (“AB 1469”), signed into law by the Governor as part of the State budget for fiscal year 2014-15, increased member, employer and State contributions as part of a plan to eliminate by June 30, 2046, CalSTRS’ unfunded liability for service credited to members of the CalSTRS defined benefit program before July 1, 2014.

Pursuant to AB 1469, since fiscal year 2021-22, the State Teachers’ Retirement Board is authorized to modify the percentages paid by employers and employees to eliminate by June 30, 2046, CalSTRS’ unfunded liability for service credited to members of the CalSTRS defined benefit program before July 1, 2014, based upon actuarial recommendations and subject to certain limitations. The State Teachers’ Retirement Board may not increase the employer contribution rate by more than 1% in any fiscal year up to a maximum contribution rate of 20.25%. The State Teachers’ Retirement Board may also adjust the State’s contribution rate by a maximum of 0.5% from year to year, based on the funding status of the CalSTRS actuarially determined unfunded liability. A decrease in investment earnings may result in increased employer contribution rates in order to timely eliminate by June 30, 2046, CalSTRS’ unfunded liability for service credited to members of the CalSTRS defined benefit program before July 1, 2014, based upon actuarial recommendations. The District cannot predict the impact of State, national, and international events on investment earnings and contribution rates or the amount the District will be required to pay for pension related costs in future fiscal years.

The State is not an employer (with certain limited exceptions) in any of the CalSTRS programs but contributes to the DB Plan and a supplemental benefits maintenance account pursuant to provisions of the Education Code. For fiscal year 2022-23, the State contributed 8.328% of members’ annual earnings to the DB Plan and an additional 2.5% of member earnings into the CalSTRS supplemental benefit maintenance account, which is used to maintain the purchasing power of benefits. The State’s contribution rate for fiscal year 2023-24 will remain at 8.328% of members’ annual earnings to the DB Plan and an additional payment of 2.5% of member earnings into the CalSTRS supplemental benefit maintenance account.

The District’s employer contribution rate for fiscal year 2022-23 was 19.10% of covered payroll. The District’s employer contribution rate for fiscal year 2023-24 will remain at 19.10% of covered payroll. The District’s employer contribution rate is inclusive of the employer base contribution of 8.25% of payroll provided by the Education Code.

The employee contribution rate for CalSTRS members first hired on or before December 31, 2012 to perform CalSTRS creditable activities (i.e., CalSTRS 2% at 60 members) was 10.25% for fiscal years 2016-17 through 2022-23 and will remain at 10.25% for fiscal year 2023-24. The employee contribution rate for CalSTRS members first hired on or after January 1, 2013 to perform CalSTRS creditable activities (i.e., CalSTRS 2% at 62 members) was 9.205% for fiscal years 2016-17 and 2017-18, 10.205% for fiscal years 2018-19 through 2022-23, and will remain at 10.205% for fiscal year 2023-24.

The following Table A-9 sets forth the District’s regular annual contributions to CalSTRS for fiscal years 2019-20 through 2022-23 and the budgeted contribution for fiscal year 2023-24 and such contributions as a percentage of the District’s Total Governmental Funds expenditures for fiscal years 2019-20 through 2023-24. The District has always paid all required CalSTRS annual contributions. As of June 30, 2023, 37,684 District employees were members of CalSTRS.

Actuarial Valuation. The State Teachers' Retirement Board has sole authority to determine the actuarial assumptions and methods used for the valuation of the DB Plan. CalSTRS actuarial consultant (the "Actuarial Consultant") determines the actuarial value of the DB Plan's assets by using a one-third smoothed recognition method of the difference between the actual market value of assets to the expected actuarial value of assets. Accordingly, the actuarial value of assets will not reflect the entire impact of certain investment gains or losses on an actuarial basis as of the date of the valuation or legislation enacted subsequent to the date of the valuation.

The actuarial valuation for the entire CalSTRS defined benefit program as of June 30, 2022 (the "2022 CalSTRS Actuarial Valuation") showed an estimated unfunded actuarial liability of \$88.55 billion, a decrease of approximately \$1.17 billion from the June 30, 2021 valuation. Such estimated unfunded actuarial liability was projected to increase in the June 30, 2021 valuation, which projected an unfunded actuarial liability of \$89.80 billion as of June 30, 2022. The actual unfunded actuarial liability as of June 30, 2022 represents a net actuarial gain of approximately \$1.25 billion. Such net actuarial gain is due primarily to member salary increases being more than assumed and market value returns (estimated at negative 2.40%) being less than assumed (7.00%). The funded ratios of the actuarial value of valuation assets over the actuarial accrued liabilities as of June 30, 2022 and June 30, 2021, based on the actuarial assumptions, were approximately 74.40% and 73.00%, respectively. According to the 2022 CalSTRS Actuarial Valuation, the funded ratio increased by 1.40% during the past year. As described in the 2022 CalSTRS Actuarial Valuation, the increase in the funded ratio is primarily due to the recognition of deferred investment gains from prior fiscal years that were used to offset the reported negative 2.40% return on investments on the market value of assets for fiscal year 2021-22, which is CalSTRS' first negative return on investments since fiscal year 2008-09. Other factors contributing to such increase include the additional State contributions made in the prior fiscal years and contributions to pay down the unfunded actuarial liability under the State Teachers' Retirement Board's valuation policy. Persistent negative returns on investments may result in increased employer contribution rates above the current level of expected increases. The District cannot predict the impact of State, national, and international events on investment returns and employer contribution rates or the amount the District will be required to pay for pension related

costs. Accordingly, there can be no assurances that the District's required contributions to CalSTRS will not increase in the future, subject to the limitations of AB 1469.

The following are certain of the actuarial assumptions set forth in the 2022 CalSTRS Actuarial Valuation: measurement of accruing costs by the "Entry Age Normal Actuarial Cost Method," an assumed 7.00% investment rate of return for measurements subsequent to June 30, 2016, 3.00% interest on member accounts, 3.50% projected wage growth, and 2.75% projected inflation and demographic assumptions relating to mortality rates, length of service, rates of disability, rates of withdrawal, probability of refund, and merit salary increases. Future estimates of the actuarial unfunded liability may change due to market performance, legislative actions and other experience that may differ from the actuarial assumptions used for the CalSTRS valuation. The 2022 CalSTRS Actuarial Valuation also assumes that all members hired on or after January 1, 2013 are subject to the provisions of PEPPRA (as defined herein). See "*California Public Employees' Pension Reform Act of 2013*" below for a discussion of the pension reform measure signed by the Governor in September 2012 expected to help reduce future pension obligations of public employers with respect to employees hired on or after January 1, 2013.

The CalSTRS Comprehensive Annual Financial Report for fiscal year 2021-22 (the "2021-22 CalSTRS CAFR") states that during fiscal year 2021-22, CalSTRS included 38,528 covered employees of the District in its State Teachers' Retirement Program and 3,485 covered employees of the District in its tax-deferred defined contribution plans under Sections 403(b) and 457 of the Internal Revenue Code (the "Pension2 Program"). Accordingly, covered employees of the District represented approximately 7.60% and 11.80% of covered employees in the State Teachers' Retirement Program and Pension2 Program, respectively.

The UAAL and funded status of the CalSTRS pension fund as of June 30 of fiscal years ended June 30, 2018, through June 30, 2022, are set forth in the following Table A-10. The fair market value of the CalSTRS pension fund as of June 30, 2021, and June 30, 2022, was approximately \$271.95 billion and \$260.29 billion, respectively, based on total system assets less amounts allocable to the CalSTRS Supplemental Benefits Maintenance Account Reserve. The individual funding progress for the District and the District's proportionate share of CalSTRS' net pension liability is set forth in the District's audited financial statements. See "*Pension Accounting and Financial Reporting Standards*" herein and Note 9 set forth in APPENDIX B – "AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2023."

District Proportionate Share. As of June 30, 2023, the District's proportionate share of CalSTRS' net pension liability was approximately \$3.9 billion, based on a discount rate of 7.10%. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The District's proportion of the net pension liability was based on the fiscal year 2021-22 employer contributions calculated by CalSTRS with consideration given to separately financed and irregular employer contributions relative to the projected contributions of all participating employer and non-employer contributing entities. At June 30, 2022, the District's proportionate rate was 5.497%. The District's proportionate share of the CalSTRS net pension liability was projected to be approximately \$1.60 billion if the discount rate was increased to 8.1% and approximately \$6.5 billion if the discount rate was decreased to 6.1%. See Note 9(b) of the District's financial statements in APPENDIX B – "AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2023."

California Public Employees' Retirement System. CalPERS is a defined benefit plan that covers classified personnel who work four or more hours per day. CalPERS is operated on a Statewide basis and, based on publicly available information, has significant unfunded liabilities. CalPERS issues a comprehensive annual financial report and actuarial valuations that include financial statements and required supplementary information. Copies of the CalPERS CAFR and actuarial valuations may be obtained from the CalPERS Financial Services Division, P.O. Box 942703, Sacramento, California 94229-2703. The information set forth therein is not incorporated by reference in this Official Statement. Benefit provisions are established by State legislation in accordance with the Public Employees' Retirement Law and are generally based on a member's age, final compensation, and years of credited service. For a description of member benefits for both the Safety Plan and Miscellaneous Plan of the District administered by CalPERS, see Note 9(a) set forth in APPENDIX B – "AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2023."

Funding; Contributions. All qualifying classified employees of K-12 school districts in the State are members in CalPERS. All school districts contributing to CalPERS participate in the same plan and share the same contribution rate in each year. However, unlike contributions to CalSTRS, which incrementally increase at statutorily set rates, school districts' contributions to CalPERS fluctuate each year and include a normal cost component and a component equal to an amortized amount of the unfunded liability of CalPERS. Accordingly, the District cannot provide any assurances that the District's required contributions to CalPERS in future years will not significantly vary from any current projected levels of contributions to CalPERS.

CalPERS is funded by employee contributions and investment earnings, with the balance of the funding provided by employer contributions. School districts' contributions decrease when investment earnings rise and increase when investment earnings decline. As a result, declines in investment earnings may result in substantial increases in school district contributions. The District cannot make any predictions as to the effect of State, national or international events on investment earnings and school district contributions. Participating employees enrolled in CalPERS prior to January 1, 2013 contribute 7.00% of their respective salaries, while participating employees enrolled after January 1, 2013 contribute the higher of fifty percent of normal costs of benefits or an actuarially determined rate of 8.00% in fiscal year 2022-23, which will remain at 8.00% in fiscal year 2023-24. School districts are required to contribute to CalPERS at an actuarially determined rate, which was originally 20.733% and 22.68% of eligible salary expenditures for fiscal years 2019-20 and 2020-21, respectively. However, the employer contribution rate for fiscal year 2019-20 was reduced to 19.721% as a result of the State's buydown of employer contribution rates in fiscal year 2019-20. Similarly, the fiscal year 2020-21 State budget allocated funding to buy down employer contribution rates in fiscal years 2020-21 and 2021-22 to approximately 20.70% and 22.91%, respectively. The actuarially determined rate for employer contributions was 25.37% for fiscal year 2022-23 and is 26.68% for fiscal year 2023-24. For a description of employer and member contribution rates, see Note 9(a) set forth in APPENDIX B – "AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2023."

The following Table A-11 sets forth the District's employer contribution rates, regular annual contributions, inclusive of employee contributions paid by the District to CalPERS for fiscal years 2019-2020 through 2022-23, and the budgeted contribution for fiscal year 2023-24, and such contributions as a percentage of the District's Total Governmental Funds expenditures for fiscal years 2019-20 through 2023-24. The District has always paid all required CalPERS annual contributions. As of June 30, 2023, 29,689 District employees were members of CalPERS.

Actuarial Valuation. Since the June 30, 2015, valuation, CalPERS has employed an amortization and smoothing policy that apportions all gains and losses over a fixed 30-year period with the increases or decreases in the rate spread directly over a five-year period. In contrast, the previous policy spread investment returns over a 15-year period with experience gains and losses spread over a rolling 30-year period. The amounts of the pension/award benefit obligation or UAAL will vary from time to time depending upon actuarial assumptions, and actual rates of return on investments, salary scales, and levels of contribution. See Table A-12 – "Actuarial Value of Schools Portion of CalPERS – Historical Funding Status" herein.

The CalPERS Schools Pool Actuarial Valuation as of June 30, 2022 (the "2022 CalPERS Schools Pool Actuarial Valuation"), was released in September 2023, and such valuation reported an actuarial accrued liability of approximately \$116.98 billion with the market value of assets at approximately \$79.39 billion, and a funded status of approximately 67.90%. From June 30, 2021, to June 30, 2022, the funded status of the CalPERS Schools Pool decreased by approximately 10.40%, and the unfunded accrued liability increased by approximately \$13.61 billion, largely due to the difference between the expected and actual rate of return on investments.

CalPERS reported a negative 6.10% net return on investments for fiscal year 2021-22, which is CalPERS' first negative return on investments since fiscal year 2008-09. The negative 6.10% net return on investments was less than the assumed annual rate of return on investments of 6.80%. Such negative return generated an actuarial investment loss of approximately \$12.40 billion, which will be amortized over 20 years with a five-year phase in, increasing the component of the expected employer contribution rate related

to the unfunded liability contribution in fiscal year 2023-24 by 1.69% of payroll. The 2022 CalPERS Schools Pool Actuarial Valuation reports that the employer contribution rates for fiscal years 2024-25, 2025-26, 2026-27, 2027-28 and 2028-29 are projected to be 27.80%, 28.50%, 28.90%, 30.30% and 30.10%, respectively. Such projections assume that all actuarial assumptions will be realized, including net investment returns in such fiscal years of 6.80%, and that no further changes to assumptions, contributions, benefits or funding will occur during such fiscal years. Persistent negative returns on investments may result in increased employer contribution rates above the current level of expected increases reflected in the 2022 CalPERS Schools Pool Actuarial Valuation. The District cannot predict the impact of State, national, and international events on investment returns and employer contribution rates. Accordingly, there can be no assurances that the District's required contributions to CalPERS will not significantly increase in the future.

The 2022 CalPERS Schools Pool Actuarial Valuation as summarized assumes, among other things, 2.30% price inflation, 2.80% wage inflation and payroll growth of 2.80% compounded annually. The 2022 CalPERS Schools Pool Actuarial Valuation as summarized reflects a discount rate of 6.80% compounded annually (net of administrative expenses) as of June 30, 2022. The CalPERS Board of Administration adopted new demographic assumptions on November 17, 2021, including a reduction in the discount rate from 7.00% as of June 30, 2020, to 6.80% as of June 30, 2021, a reduction in the inflation assumption from 2.50% as of June 30, 2020 to 2.30% as of June 30, 2021, and an increase in payroll growth from 2.75% as of June 30, 2020 to 2.80% as of June 30, 2021. Such assumption changes result in increases in both the normal cost and unfunded liabilities contributions to be paid in the future. The actuarial funding method used in the 2022 CalPERS Schools Pool Actuarial Valuation is the "Entry Age Normal Cost Method."

The UAAL and funded status of the Schools portion of CalPERS as of June 30 of fiscal years ended June 30, 2018 through June 30, 2022 are set forth in the following Table A-12.

District Proportionate Share. As of June 30, 2023, the District reported a net pension liability of \$2.7 billion for its proportionate share of the net pension liability of the Miscellaneous Plan. The net pension liability of the Miscellaneous Plan was measured by CalPERS as of June 30, 2022, and the total pension liability for the Miscellaneous Plan used to calculate the net pension liability was determined by CalPERS pursuant to an actuarial valuation as of June 30, 2021 rolled forward to June 30, 2022 using standard update procedures. The District's proportion of the net pension liability was based on the fiscal year 2021-22 employer contributions calculated by CalPERS. As of June 30, 2023, the District's proportion of the CalPERS net pension liability was approximately 7.82%. See "– Pension Accounting and Financial Reporting Standards" herein and Note 9(a) to the audited financial statements of the District contained in

APPENDIX B – “AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2023.”

Safety Plan Actuarial Valuation; Net Pension Liability. The CalPERS Safety Plan of the Los Angeles Unified School District (Employer # 3614620780) Annual Valuation Report as of June 30, 2022 uses the “Entry Age Normal Cost Method” as the actuarial funding method and assumes, among other things, a 6.8% investment rate of return (net of administrative expenses), projected annual salary increases based on category, entry age, and duration of service, projected inflation of 2.30% and projected payroll growth of 2.80%. The UAAL and funded status of the District’s Safety Plan, which is an individual component of CalPERS, as of June 30 of fiscal years ended June 30, 2018 through June 30, 2022, are set forth in the following Table A-13. As of June 30, 2023, the District’s net pension liability under the CalPERS Safety plan was \$118.2 million. The net pension liability of the CalPERS Safety plan is measured as of June 30, 2022, using an annual actuarial valuation as of June 30, 2021, rolled forward to June 30, 2022, using standard update procedures. See Note 9(a) to the audited financial statements of the District contained in APPENDIX B – “AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2023.”

Public Agency Retirement System. On July 1, 1992, the District joined the Public Agency Retirement System (“PARS”), a multiple-employer retirement trust. This defined contribution plan covers the District’s part-time, seasonal, temporary and other employees not otherwise covered by CalPERS or CalSTRS, but whose salaries would otherwise be subject to Social Security tax. Benefit provisions and other requirements are established by District management based on agreements with various bargaining units. The District is unable to predict the amount of the contributions which the District may be required to make to PARS in the future. Accordingly, there can be no assurances that the District’s required contributions to PARS will not significantly increase in the future above current levels. The District has always paid all required PARS annual contributions.

The following Table A-14 sets forth the District's annual contributions to PARS for fiscal years 2019-20 through 2022-23 and the budgeted annual contribution to PARS for fiscal year 2023-24, and the contributions as a percentage of the District's Total Governmental Funds expenditures for fiscal years 2019-20 through 2023-24. As of June 30, 2023, 55,381 active District employees were members of PARS.

California Public Employees' Pension Reform Act of 2013. In September 2012, the Governor approved Assembly Bill 340, the California Public Employees' Pension Reform Act of 2013 ("PEPRA"). Among other things, PEPRA establishes new retirement formulas for employees hired on or after January 1, 2013 ("PEPRA Employees") and prohibits public employers from offering defined benefit pension plans to PEPRA Employees that exceed the benefits provided thereunder. PEPRA increases the retirement age for new State, school, city and local agency employees depending on job function and limits the annual CalPERS and CalSTRS pension benefit payouts. PEPRA applies to all public employers except the University of California, charter cities and charter counties. However, PEPRA is applicable to those entities which contract with CalPERS.

PEPRA mandates equal sharing of normal costs between a contracting agency or school employer and their employees and that employers not pay any of the required employee contribution. However, PEPRA limits the contribution to an amount not in excess of 8% of pay for local miscellaneous or school members, not more than 12% of pay for local police officers, local firefighters, and county peace officers, and not more than 11% of pay for all local safety members. PEPRA requires employers to complete a good faith bargaining process as required by law prior to implementing changes regarding the contribution requirements. The contribution requirements of PEPRA went into effect on January 1, 2018. See "– *California State Teachers' Retirement System*" and "– *California Public Employees' Retirement System*" herein.

In addition, PEPRA amends existing laws to redefine final compensation for purposes of pension benefits for PEPRA Employees. Further, PEPRA permits certain public employers who have offered a lower defined benefit retirement plan before January 1, 2013 to continue to offer such plan to PEPRA Employees. However, if a public employer adopts a new defined benefit plan on or after January 1, 2013,

such plan will be subject to PEPPRA requirements unless, among other things, its retirement system's chief actuary and retirement board certify that the new plan is not riskier or costlier to the public employer than the defined benefit formula required under PEPPRA.

Pension Accounting and Financial Reporting Standards. In 2012, the Governmental Accounting Standards Board issued Governmental Accounting Standards Board Statement No. 68 – “Accounting And Financial Reporting For Pensions” (“GASB 68”), which revises and establishes new financial reporting requirements for most public employers, such as the District, that provide pension benefits to their employees. GASB 68, among other things, requires public employers providing defined benefit pensions to recognize their long-term obligation for pension benefits as a liability and provides greater guidance on measuring the annual costs of pension benefits, including thorough guidelines on projecting benefit payments, use of discount rates and use of the “entry age” actuarial cost allocation method. GASB 68 also enhances accountability and transparency through revised and new note disclosures and required supplementary information. GASB 68 became effective for the financial statements of plan employers, including the District's financial statements, commencing the fiscal year ended June 30, 2015.

Pursuant to GASB 68, CalSTRS and CalPERS will use a new blended rate that reflects a long-term rate of return on plan assets, which reflects a pension fund's long-term investment strategy, and a high-quality, non-taxable municipal bond index rate, to account for the potential need to borrow funds to pay pension benefits after net assets have been fully depleted. CalSTRS has cautioned that use of the new, blended discount rate may cause the financial statements of plans, such as CalSTRS, to reflect an increased unfunded liability.

Other Postemployment Benefits

General. In addition to employee health care costs, the District provides post-employment health care benefits (“OPEB”) in accordance with collective bargaining agreements and the health benefits agreement. The District's OPEB consists of post-employment benefits for health, prescription drug, dental, and vision coverage for retirees and their dependents. As of June 30, 2023, there were approximately 59,010 active employees who meet the eligibility requirements for OPEB benefits, 40,013 inactive employees or beneficiaries currently receiving benefits, and 139 inactive employees entitled to but not yet receiving benefits, for a total of 99,162 current and former employees entitled to receive benefits under the District's OPEB plan. Historically, the District has funded these benefits on a pay-as-you-go basis, paying an amount in each fiscal year equal to the benefits distributed or disbursed in that fiscal year. Beginning in fiscal year 2013-14, the District's policy, subject to District Board approval, is to prefund a portion of its OPEB costs for employees, retirees and their beneficiaries by allocating funds for the express purpose of funding future other postemployment benefit costs to the extent possible. See “– District Financial Policies and Related Practices – *Budget and Finance Policy* – Liability Reserves” herein. The District Board approved the creation of the OPEB Trust Fund in May 2014.

As of April 15, 2024, the District has contributed approximately \$548.3 million to the OPEB Trust Fund, inclusive of the District's contributions of \$60 million in July 2014, \$30 million in September 2014, \$45 million in September 2015, \$6 million in March 2016, \$78 million in October 2016, \$120 million in October 2017, \$33.3 million in August 2023, \$52.8 million in September 2023, and \$17.6 million in each of October 2023, November 2023, December 2023, January 2024, February 2024, March 2024 and April 2024. The District did not contribute to the OPEB Trust Fund in fiscal years 2018-19, 2019-20, 2020-21, 2021-22 and 2022-23. At the time of preparation of the District's Fiscal Year 2022-23 Estimated Actuals, it was expected that the District would contribute \$141.00 million to the OPEB Trust Fund in fiscal year 2022-23. However, after the preparation of the 2022-23 Estimated Actuals in connection with the approval of the Fiscal Year 2023-24 Budget, the fiscal year 2022-23 contribution was reduced by \$107.7 million and the transfer of the remaining \$33.3 million contribution was delayed until fiscal year 2023-24. Thus, although the District designated the \$33.3 million contribution as a fiscal year 2022-23 contribution for internal purposes, there was no transfer of funds to the OPEB Trust Fund in fiscal year 2022-23. As

indicated above, the \$33.3 million was deposited in the OPEB Trust Fund in August 2023. Based on the Fiscal Year 2023-24 Budget, the District has budgeted to contribute \$244.3 million from all funds of the District (not just the General Fund) to the OPEB Trust Fund in fiscal year 2023-24, \$209.3 million of which has been deposited in the OPEB Trust Fund as of April 15, 2024. The District expects to deposit the remaining \$35 million budgeted for fiscal year 2023-24 in May and June of 2024 in the amounts of \$17.6 million and \$17.4 million, respectively.

In the June 2023 Actuarial Valuation Report Postretirement Health Benefits as of the June 30, 2022, measurement date for fiscal year 2022-23 (the “2022 Actuarial Valuation”), Aon Hewitt indicated that based on the District’s current funding policy, projected cash flows, and the assumed asset return, the assets in the OPEB Trust Fund are projected to be depleted in fiscal year 2035-36 if such assets were drawn upon to pay benefits as they come due without the District funding such benefits on a pay-as-you-go basis. The year of depletion was projected to be fiscal year 2029-30 in the District’s fiscal year audited financial statements. See Note 9 to the audited financial statements of the District contained in APPENDIX B – “AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2023.”

The following Table A-15 sets forth the District’s funding of other postemployment benefits for fiscal years 2019-20 through 2022-23, the budgeted contribution for fiscal year 2023-24, and the contributions as a percentage of the District’s Total Governmental Funds expenditures for fiscal years 2019-20 through 2023-24. In addition, Table A-15 sets forth the District’s contribution to the OPEB Trust for fiscal years 2019-20 through 2023-24.

⁽¹⁾ Budgeted.

⁽²⁾ As of April 15, 2024, the District has contributed approximately \$548.3 million to the OPEB Trust Fund, inclusive of the District’s contributions of \$60 million in July 2014, \$30 million in September 2014, \$45 million in September 2015, \$6 million in March 2016, \$78 million in October 2016, \$120 million in October 2017, \$33.3 million in August 2023, \$52.8 million in September 2023, and \$17.6 million in each of October 2023, November 2023, December 2023, January 2024, February 2024, March 2024 and April 2024.

⁽³⁾ At the time of preparation of the Fiscal Year 2022-23 Estimated Actuals, the net position of the OPEB Trust Fund for fiscal year 2022-23 was estimated at approximately \$628.8 million. This amount reflected a District fiscal year 2022-23 contribution of \$141.0 million to the OPEB Trust Fund. However, after the preparation of the 2022-23 Estimated Actuals in connection with the approval of the Fiscal Year 2023-24 Budget, the fiscal year 2022-23 contribution was reduced by \$107.7 million, and the transfer of the remaining \$33.3 million contribution was delayed until fiscal year 2023-24. Thus, although the District designated the \$33.3 million contribution as a fiscal year 2022-23 contribution for internal purposes, there was no transfer of funds to the OPEB Trust Fund in fiscal year 2022-23. As of June 30, 2023, the adjusted net position of the OPEB Trust Fund for fiscal year 2022-23 is \$499.9 million, which reflects the changes described above as well as unrealized gains/losses due to market fluctuations.

⁽⁴⁾ The \$244.3 million includes \$33.3 million the District, for internal purposes, designated as a fiscal year 2022-23 contribution. As of April 15, 2024, \$209.3 million of the \$244.3 million budgeted amount has been deposited in the OPEB Trust Fund, including the \$33.3 million designated as a fiscal year 2022-23 contribution. The District expects to deposit the remaining \$35 million budgeted for fiscal year 2023-24 in May and June of 2024 in the amounts of \$17.6 million and \$17.4 million, respectively.

Postemployment Benefits Other Than Pensions Accounting and Financial Reporting Standards.

In June 2015, the GASB issued Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other than Pensions (“GASB 75”), which revised and established new accounting and financial reporting requirements for state and local governments, such as the District, that offer OPEB to employees. Pursuant to GASB 75, net OPEB liabilities are required to be recognized in the financial statements for such state and local governments. In addition, GASB 75 provides additional guidance with respect to recognizing and measuring liabilities, deferred outflows and inflows of resources, and expense/expenditures. GASB 75 directs the use of “entry age normal” as the actuarial cost allocation method to be used and the various procedures, assumptions and discount rates to be used in connection with the calculation of liabilities. In connection therewith, states and local governments that do not pre-fund their respective OPEB obligations may report increased liabilities. GASB 75, among other things, requires additional note disclosures and the presentation of required supplementary information in financial statements. GASB 75 was implemented in the District’s audited financial statements beginning in fiscal year 2017-18.

The District’s net OPEB liability takes into consideration the adoption of GASB 75, under which the District is required to recognize in full its total net OPEB liability rather than on an incremental basis. Over the past few years, the District has taken steps to (i) reduce its OPEB liability through a more cost-effective healthcare plan and (ii) pre-fund its OPEB liability by making deposits from time to time to an irrevocable trust when its reserves exceed the 5% Minimum Reserve Threshold, subject to District Board approval.

Changes in Net OPEB Liability. The District’s net OPEB liability has fluctuated over time based on a variety of factors, including changes in healthcare plans and actuarial assumptions and the funded status of the OPEB Trust. In the 2022 Actuarial Valuation, the District’s actuary, Aon Hewitt, points out that a byproduct of the GASB 75 standards is the potential for increased volatility of results from year to year, which the District has experienced since the implementation of GASB 75. In January 2019, the District implemented a less costly healthcare plan, the Anthem Preferred PPO (50 state Medicare Advantage Plan) (the “Anthem PPO”), which replaced the United HealthCare Group Medicare Advantage Plan and the Anthem Blue Cross Medicare (EPO) plan. The implementation of the Anthem PPO together with certain updated actuarial assumptions resulted in a significant reduction in the District’s net OPEB liability from \$14.97 billion as of June 30, 2018 (prior to the Anthem PPO implementation) to \$11.18 billion as of June 30, 2019 (after the Anthem PPO implementation) to \$8.58 billion as of June 30, 2020 (based on further revised actuarial assumptions). However, the District’s net OPEB liability as of June 30, 2021 increased to \$11.06 billion and then decreased to \$10.19 billion as of June 30, 2022 based on certain changes in actuarial assumptions described in more detail below. See “– 2021 Actuarial Valuation” below for more information. As of June 30, 2023, the District’s net OPEB liability has further decreased to \$8.48 billion also based on certain changes in actuarial assumptions also described in more detail below. See “– 2022 Actuarial Valuation” below for more information.

2021 Actuarial Valuation. The District’s net OPEB liability decreased by nearly \$1 billion from \$11.06 billion as of June 30, 2021 to \$10.19 billion as of June 30, 2022. According to the March 2022 Actuarial Valuation Report Postretirement Health Benefits as of the June 30, 2021 measurement date for fiscal year 2021-22 (the “2021 Actuarial Valuation”), such decrease in net OPEB liability is primarily due to the healthcare experience gain reflected in the 2021 Actuarial Valuation as there were no other significant adjustments in actuarial assumptions from the Actuarial Valuation Report Postretirement Health Benefits as of the June 30, 2020 measurement date for fiscal year 2020-21 (the “2020 Actuarial Valuation”), prepared for the District by Aon Hewitt. The 2021 Actuarial Valuation reflects updated financial information for fiscal year 2021-22 and is based on the census data, actuarial assumptions, and plan provisions used in the 2020 Actuarial Valuation with the following changes:

- Assets: \$542,828,439 as of June 30, 2021 measurement date

- Municipal Bond Rate: 2.16% as of June 30, 2021, based on the *Bond Buyer* General Obligation Bond 20-Bond Municipal Bond Index
- Expected Long-Term Return on Assets: 7.00% as of June 30, 2021, based on District's revised expectations for certain asset allocations
- Discount Rate: 2.20% as of June 30, 2021, after reassessment based on updated assets and municipal bond rate as of June 30, 2021

2022 Actuarial Valuation. The District's net OPEB liability decreased by approximately \$1.70 billion from \$10.19 billion as of June 30, 2022 to \$8.48 billion as of June 30, 2023. According to the 2022 Actuarial Valuation, the 150-basis point increase in the discount rate from the 2021 Actuarial Valuation has a considerable impact in the 2022 Actuarial Valuation, decreasing the value of liabilities by more than 20%. As explained in the 2022 Actuarial Valuation, such impact, which is somewhat offset by low asset returns as of the measurement date, decreases the net OPEB liability and the OPEB expense for fiscal year 2022-23. The 2022 Actuarial Valuation reflects updated financial information for fiscal year 2022-23 and is based on the census data, actuarial assumptions, and plan provisions used in the 2021 Actuarial Valuation with the following changes:

- Assets: \$469,939,493 as of June 30, 2022, measurement date
- Municipal Bond Rate: 3.54% as of June 30, 2022, based on the *Bond Buyer* General Obligation Bond 20-Bond Municipal Bond Index
- Contributions: Additional contribution of \$211 million to OPEB Trust scheduled to be made for fiscal years ending 2023, 2024 and 2025. The District currently budgets to contribute \$244.3 million in fiscal year 2023-24, \$33.3 million of which the District, for internal purposes, designated as a fiscal year 2022-23 contribution.
- Expected Long-Term Return on Assets: 6.10% as of June 30, 2022, based on District's revised expectations for certain asset allocations
- Discount Rate: 3.70% as of June 30, 2022, after reassessment based on updated assets and municipal bond rate as of June 30, 2022

The following Table A-16 shows the impact of the changes to the actuarial assumptions in the 2022 Actuarial Valuation on the District's Net OPEB Liability for the fiscal year ending June 30, 2023 compared to fiscal year June 30, 2022 that was based on the 2021 Actuarial Valuation.

The District cannot predict the impact future changes in healthcare plans and actuarial assumptions and the funded status of the OPEB Trust will have on the District's net OPEB liability.

For more information on the District's OPEB plan, OPEB liability and related assumptions for fiscal year ended June 30, 2023, see Note 9 to the audited financial statements of the District contained in APPENDIX B – "AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2023" attached hereto.

Risk Management and Litigation

General. The District maintains various excess property, casualty and fidelity insurance programs, which are self-insured, with varying self-insured retentions. The District's excess property coverage is provided currently through its membership in the Public Entity Property Insurance Program ("PEPIP"), an insurance pool comprised of certain cities, counties and school districts. The District maintains excess property insurance on all District facilities under a combination of self-insurance retentions and varying sublimits through the excess insurance policies of PEPIP. The current self-insured retention for fire loss damage for excess property coverage is \$2,500,000 per occurrence and the aggregate policy limit is \$500 million. The District maintains what it considers to be adequate reserves to cover losses within the self-insurance retention. District General Fund resources are used to pay for property loss insurance and uninsured repairs for property damage. In addition to the above excess property policies, the District purchases a separate boiler and machinery policy with \$100 million in occurrence limits and a Fidelity crime coverage with \$15 million in occurrence limits.

Excess property insurance is maintained through a combination of excess policies with an occurrence limit of \$500 million. General liability insurance currently provides \$30 million coverage above a \$5 million self-insurance retention. The District expects to be reimbursed for settlements from its insurance carriers. The District maintains reserves at the level recommended by an independent actuarial analysis, which it believes are adequate to cover losses within the self-insured retention.

Prior to fiscal year 2013-14, the District's liability coverage generally included coverage for sexual misconduct and molestation with some limited exceptions as described herein with respect to Assembly

Bill 218. See “– *Sexual Misconduct Cases* – Assembly Bill 218 and Related Claims” herein. Liability coverage beginning in fiscal year 2013-14 did not include this coverage because the District determined that it is not available at reasonable rates from any insurance provider. In March 2014, the District Board approved a joint powers authority agreement by and between the District and the Los Angeles Trust Children’s Health Inc. to establish the Los Angeles Unified School District Risk Management Authority (the “Risk Management Authority”) which became effective July 1, 2014. The Risk Management Authority allows the District to purchase reinsurance for excess liability coverage for incidents such as sexual misconduct and molestation, to the extent such coverage is available. The Risk Management Authority was capitalized by the District and provides an insurance program for the District and the Los Angeles Trust Children’s Health Inc. The Risk Management Authority allows the District to purchase reinsurance for excess liability coverage which is not presently available to self-insured public agencies such as the District. See “– *Sexual Misconduct Cases*” herein. Sexual misconduct and molestation coverage is maintained with a limit of \$15 million above a \$5 million self-insurance retention.

The District believes that the amounts currently reserved for potential liabilities attributable to claims of wrongful death, catastrophic injury and sexual misconduct are adequate. See “– *Wrongful Death Cases*,” “– *Catastrophic Injury Cases*” and “– *Sexual Misconduct Cases*” herein. The District will increase the expenditures projected in its budget and interim financial reports if necessary and only to the extent that the District’s liabilities exceed the amount budgeted for self-insurance or current excess liability coverage. The District expects that such an increase will occur if claims relating to wrongful death, catastrophic injury or sexual misconduct by former and suspended District employees exceed the amount reserved for settlements and monetary damages to date. Such liabilities could decrease the District’s net position as of June 30, 2024 from the amount set forth in the District’s financial statements for fiscal year 2022-23. See APPENDIX B – “AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2023.”

Liabilities for loss and loss adjustment expenses under each of the District’s insurance programs include the accumulation of estimates for losses reported prior to the balance sheet date, estimates of losses incurred but not reported and estimates of expenses for investigating and adjusting reported and unreported losses. Such liabilities are estimates of the future expected settlements and are based upon analysis of historical patterns of the number of incurred claims and their values. The District believes that, given the inherent variability in any such estimates, the aggregate liabilities are within a reasonable range of adequacy. Individual reserves are continually monitored and reviewed, and, as settlements are made or reserves adjusted, differences are reflected in current operations. See APPENDIX B – “AUDITED ANNUAL FINANCIAL REPORT OF THE DISTRICT FOR FISCAL YEAR ENDED JUNE 30, 2023.”

Workers’ Compensation. The District is self-insured for its Workers’ Compensation Program. A separate fund is used to account for amounts set aside to pay claims incurred and related expenditures under the Workers’ Compensation Program. The amount to be deposited in the Workers’ Compensation Fund is established with information from an independent actuary. The District maintains at a minimum the actuarially required deposit in its Workers’ Compensation Fund in accordance with its policy. See “– District Financial Policies and Related Practices – *Budget and Finance Policy* – Liability Reserves” herein. The District’s “Actuarial Study of Workers’ Compensation Program” as of December 31, 2021, recommended a minimum funding level of approximately \$122.5 million for fiscal year 2022-23. The “Actuarial Study of Workers’ Compensation Program” as of December 31, 2022, recommends a minimum funding level of approximately \$110.7 million for fiscal year 2023-24 and approximately \$106.8 million for fiscal year 2024-25. As of June 30, 2023, the total revenues in the District’s Workers’ Compensation Fund (operating revenues and nonoperating revenues) was \$150.5 million, which reflects a negative year-end accounting adjustment of \$6.8 million to recognize the unrealized loss for the District’s cash deposited in the County Treasury Pool.

Additionally, the District’s actuarially determined total liability for the Workers’ Compensation Program is fully funded. The District’s most recent “Actuarial Study of Workers’ Compensation Program”

as of December 31, 2022 reflected total expected losses of approximately \$334.6 million (at a 4.0% interest rate) as of June 30, 2023 plus an additional amount of approximately \$24.6 million in estimated outstanding unallocated loss adjustment expenses (at a 4.0% interest rate) to create a total liability of approximately \$359.2 million as of June 30, 2023. The District has approximately \$635.5 million in cash available in the Workers' Compensation Fund as of June 30, 2023, which exceeds the amount necessary to fund the District's actuarially determined liability.

The following Table A-17 sets forth the actuary's recommended minimum funding levels for workers' compensation set forth in the actuarial report as of December 31, 2020, December 31, 2021 and the most recent actuarial report covering the period as of December 31, 2022.

Pollution Legal Liability Policy. The District purchased a pollution legal liability (“PLL”) policy through Allied World National Assurance Company with coverage of \$10.0 million per incident and \$10.0 million in aggregate, effective May 1, 2023 to May 1, 2026.

Owner-Controlled Insurance Program. The District has arranged for its construction projects to be insured under its owner-controlled insurance program (“OCIP”). An OCIP is a single insurance program that insures the District, the District Board, all enrolled contractors, and enrolled subcontractors, and other designated parties for work performed at project sites. The District pays the insurance premiums for the OCIP coverages and requires each eligible bidder to exclude from its bid price the cost of insurance coverage. The exclusion of the cost of insurance premiums from each bid is intended to result in lower overall bids for projects, which would in turn lower the contract award amount and general obligation bond and other funds spent. In addition, the District may be able to pay a lower overall insurance cost than a single contractor because of the economies of scale gained by the purchase of an OCIP.

Litigation Regarding Insurance Providers. In September 2015, the District filed a lawsuit entitled *Los Angeles Unified School District v. ACE et al.* (the “Miramonte Coverage Action”), in Los Angeles County Superior Court seeking more than \$200 million in damages from twenty-seven of the District’s current and former insurance providers who failed to fund the defense and reimburse the District for settlement amounts paid by the District in connection with claims by hundreds of students and parents alleging that negligent hiring, supervision, and retention of former teachers Mark Berndt and Martin Springer at Miramonte Elementary School resulted in sexual abuse of the students. In April 2017, the District filed a second lawsuit in Los Angeles County Superior Court entitled *Los Angeles Unified School District vs. AIU Insurance Company, et. al.* (the “Telfair Coverage Action”), seeking more than \$40 million in damages from eight of the District’s current and former insurance providers in connection with the lawsuits filed against the District alleging that negligence of its employees in hiring, retaining, and supervising Paul Chapel resulted in sexual abuse of approximately twenty students at Telfair Elementary School. In August 2017, the District filed a third lawsuit in Los Angeles County Superior Court entitled *Los Angeles Unified School District v. Allied World et al.* (the “De La Torre Coverage Action”), seeking more than \$60 million in damages from seven of the District’s current and former insurance providers who failed to fund the defense and reimburse the District for settlement amounts paid by the District in connection with claims by over twenty students and their parents alleging that negligent hiring, supervision, and retention of former teacher Robert Pimentel at De La Torre Elementary School resulted in sexual abuse of the students. The District has not been reimbursed by any of the defendants for amounts expended in conjunction with resolving the underlying sexual abuse litigation described in this section. While no insurer agreed to pay any of the District’s defense costs before the coverage actions were filed, rulings obtained in the Miramonte Coverage Action have forced AIG to reimburse the District for over \$21 million in defense

costs. Further, the District has alleged that the insurance providers have not only breached their respective insurance obligations owed to the District in connection with underlying litigation, but also breached the implied covenant of good faith and fair dealing. The District and the insurers continue to discuss terms for a mediation of all three coverage cases. In 2021, following a bench trial, the court found that the insurer breached its duty to indemnify the District under one insurance policy at issue in the Miramonte Coverage Action for its settlements of the underlying claims. The District is considering its options with respect to additional motion practice and appellate review.

On November 4, 2020, the District filed two new lawsuits against its insurers, *LAUSD v. Starr Indemnity & Liability Co., et al.* and *LAUSD v. Ins. Co. of the State of Pennsylvania, et al.*, in which it is seeking more than \$25 million and \$8 million, respectively, in settlement reimbursements plus defense costs relating to underlying litigation involving the alleged abuse of multiple students at Franklin High School and Cahuenga High School. The District cannot predict the final outcome of or remedy imposed by any court with respect to these complaints or the amounts, if any, by which any of the insurance providers will reimburse the District for settlements and defense costs in the underlying litigation matters. In 2021, the District moved for summary adjudication to establish that the Insurance Company of State of Pennsylvania (an AIG Co.) had breached its duty to defend the District under a 2002-2003 insurance policy, which the court denied. The District is considering its options with respect to additional motion practice and appellate review.

On September 29, 2022, the District filed a new lawsuit against its insurers, *LAUSD v. Everest National Insurance Company, et al.*, in which it is seeking more than \$11 million in settlement reimbursements plus defense costs relating to underlying litigation involving the alleged abuse of multiple students at El Sereno Elementary School. One insurer has reimbursed some, but not all, of the District's defense costs in connection with the underlying litigation. The District cannot predict the final outcome of or remedy imposed by any court with respect to this complaint or the amount, if any, by which any of the insurance providers will reimburse the District for settlements and defense costs in the underlying litigation.

Wrongful Death Cases. In August 2020, the mother of a Normandie Avenue Elementary School student filed a lawsuit seeking unspecified damages in excess of \$1,000,000 against the District for the alleged wrongful death of her son on December 26, 2019, after he died from injuries sustained while at a District employee's home, during the employee's non-working hours and when school was out for winter break. The death was later ruled a homicide and the employee was subsequently criminally convicted. A jury trial in the matter commenced on July 31, 2023, in the Van Nuys Courthouse of the Los Angeles Superior Court and on August 10, 2023, the jury found the District 90% at fault and awarded plaintiff \$30 million. On October 17, 2023, the District brought a motion for a new trial which the Court denied. On November 8, 2023, the District filed its Notice of Appeal and will seek to overturn the verdict based on a number of grounds that the District believes to have strong merit. Should the District's appeal be unsuccessful, thus obligating the District to pay its share of the judgment (\$27 million), the District's expected share will be \$5 million (self-insured retention amount) and the balance of the judgment would be expected to be covered by the District's reinsurers through the Risk Management Authority. The District is expected to file and serve its opening brief with respect to the appeal by May 2024.

In September 2022, a Helen Bernstein High School student was found deceased in a school bathroom after normal school hours from a Fentanyl drug overdose. The deceased student's friend was found in the courtyard of the school and survived after a hospital stay. On December 12, 2022, the deceased student's mother filed a complaint in the Los Angeles Superior Court against the District, seeking unspecified damages for negligence and wrongful death. Trial is currently scheduled for June 10, 2024. On October 13, 2023, a complaint was filed on behalf of the deceased student's friend against the District in the Los Angeles Superior Court, seeking unspecified damages for negligence.

In April 2016, a Palms Middle School student experienced sudden cardiac arrest during physical education class and died. On July 21, 2017, the father of the student filed a complaint in the Los Angeles

Superior Court against the District, seeking unspecified damages for wrongful death. The case was tried to a jury in April 2023, resulting in a \$15 million verdict. On August 11, 2023, the District filed a Notice of Appeal, which is currently pending, and the District's opening brief will likely be filed by June 2024.

Catastrophic Injury Cases. In January 2020, a non-verbal special education student claims to have sustained injury on a District special education campus when he allegedly pulled a soccer goal post net, causing himself and the goal to fall, hitting him on the head. The student underwent emergency cervical spine surgery as a result of the incident, and his medical bills/costs known to date exceed \$1,000,000. On January 11, 2022, the court appointed conservator for the student filed a complaint in the Los Angeles Superior Court against the District, seeking unspecified damages. The matter is scheduled for trial on November 4, 2024.

In February 2017, a Marvin Avenue Elementary School student claims to have fallen and struck her head at the school. On November 22, 2017, the mother of the student filed a complaint in the Los Angeles Superior Court against the District, seeking unspecified damages for traumatic brain injury. Plaintiff alleges the District failed to provide the requisite medical care and failed to contact emergency medical personnel in a timely manner. Trial is currently scheduled for August 26, 2024.

COVID-19 Distance Learning Lawsuits. On September 24, 2020, a class action lawsuit was filed on behalf of nine named plaintiffs in Los Angeles County Superior Court asserting that the District's instructional plan in response to the COVID-19 pandemic denied plaintiffs' children their basic education rights under the California Constitution. The complaint alleges that the District's distance learning approach was inadequate in that it allegedly reduced instructional and professional development time, eliminated student assessments, failed to provide adequate access to technology, and failed to reengage students who did not participate in online learning in the spring of 2020 after the closure of school facilities due to the COVID-19 pandemic. The operative first amended complaint asserts various causes of action for injunctive and declaratory relief, including claims for alleged violations of statutory and Constitutional rights and claims of discrimination and disparate treatment. On April 9, 2021, the District's motion to strike certain allegations in the complaint with respect to individualized education program services was granted, but its demurrer to the first amended complaint was overruled. After plaintiffs filed a second amended complaint, the District filed another demurrer. On August 16, 2021, the Court sustained the District's demurrer with leave to amend. The Court further struck plaintiffs' claims seeking retrospective injunctive relief on a class wide basis. Plaintiffs were given 20 days to file an amended complaint. In September 2021, the Court dismissed the action in its entirety, with prejudice, and entered judgment in favor of the defendants, including the District. Plaintiffs subsequently filed a notice of appeal with the Court of Appeal of California, Second Appellate District. On September 19, 2023, the California Court of Appeal issued its decision reversing in part the September 2021 order dismissing the lawsuit. The Court of Appeal found that dismissal of the case and denial of class certification was premature, permitting the plaintiffs to move forward on three of their eight causes of action, but sustaining the dismissal of the remaining claims in favor of the District. The matter has now been remanded back to the trial court to proceed. The District will defend the case and also determine any potential settlement options.

COVID-19 Employee Vaccinations Lawsuit. Since the Fall of 2021, the District has been named in at least twenty-nine different lawsuits challenging the District's previous COVID-19 vaccination mandate, filed by current and former employees and job applicants, asserting various causes of action for wrongful termination, employment discrimination, and violations of Constitutional rights, among other theories of recovery. As of December 2023, four of the twenty-nine cases had settled. While certain of the lawsuits have been filed on behalf of a single named plaintiff, others are filed on behalf of groups of plaintiffs ranging from 6 to 167. The earliest filed of such actions, *Health Freedom Defense Fund v. Carvalho, et al.*, is presently on appeal before the Ninth Circuit Court of Appeals, following the U.S. District Court for the Central District of California's grant of the District's motion for judgment on the pleadings in September 2022. Oral arguments were heard on September 14, 2023, and the District is awaiting a ruling by the Ninth Circuit Court of Appeals.

In general, the District believes it has strong defenses to these employee vaccination mandate lawsuits, and anticipates that most will result in defense verdicts. Nevertheless, given the inherent uncertainty of litigation and the different factual scenarios presented in each of them, the District faces potential exposure to claims for damages, including lost wages, a claim in at least one case for emotional distress damages, claims for punitive damages, and perhaps most significantly, exposure to potential awards of prevailing party attorneys' fees, which in some employment cases, can reach seven figures. The damages sought in these lawsuits vary significantly, particularly depending on the number of plaintiffs involved, the causes of action asserted, and remedies sought. As such, the District cannot predict the total damages that might be recovered in the event that it does not prevail in one or more of the lawsuits.

COVID-19 Student Vaccination Lawsuit. On October 13, 2021, two non-profit organizations purporting to represent groups of parents of children attending District schools filed a petition for writ of mandate and request for immediate stay with respect to the District's COVID-19 vaccination requirements for students. The petition alleges that the District lacked the authority to mandate students to be vaccinated for COVID-19, and seeks writs and orders vacating and setting aside the District's mandate, and enjoining the enforcement thereof. On April 15, 2022, the Superior Court heard and granted the District's demurrer to several of the claims in the plaintiffs' first amended complaint, but permitted the plaintiffs to provide additional pleading of facts to support their complaint. The District subsequently filed a demurrer in response to the plaintiffs' second amended complaint. In light of the July 5, 2022, Superior Court order in a similar student vaccination lawsuit that invalidated the mandate as preempted by State law, which was issued after the District's demurrer in this case, plaintiffs' counsel filed a motion for summary adjudication citing the July 5, 2022 order. Thereafter, the District filed an additional demurrer and motion to dismiss the matter as moot. The Court granted the demurrer and dismissed the case as moot. Plaintiffs chose not to appeal the matter and final judgment is pending. In response, plaintiffs' counsel filed a motion for attorneys' fees which the District opposed. The Court denied the motion concluding that plaintiffs failed to show that their lawsuit was a factor causing the District to delay implementation of its former student vaccine policy. Plaintiffs are still within their deadlines to file an appeal of the attorneys' fees issue. The District will respond accordingly in the event plaintiffs appeal the denial of the motion.

Sexual Misconduct Cases. The District is occasionally subject to claims relating to the sexual misconduct of District personnel and other students. There are currently threatened and pending claims against the District brought on behalf of minor students as a result of alleged sexual misconduct by District personnel. The District is in various stages of litigation relating to such pending claims and cannot predict the outcome and effects of such claims or provide any assurances that such claims will not be successful. The damages requested by the plaintiffs in the various pending sexual misconduct cases are substantial, but vary significantly, in multiple instances there are demands for several million dollars. However, the District cannot predict any final award of damages or settlement amounts. The District also cannot predict the damages sought by any threatened litigation.

Miramonte. In the Miramonte sexual abuse litigation, involving Mark Berndt (who in 2013 pleaded no contest to 23 felony counts of lewd acts on children and was sentenced to 25 years in prison), in which there have previously been approximately \$185 million in settlements with 176 students, there are multiple active cases remaining with 46 plaintiffs. The earliest trial date is scheduled May 20, 2024, but that trial and most of the cases are expected to be resolved based on a recent tentative settlement reached at mediation with a group of 40 plaintiffs.

Assembly Bill 218 and Related Claims. Pursuant to Assembly Bill 218 ("AB 218"), which became effective on January 1, 2020, certain changes were made to the claim prerequisites and the applicable statute of limitations periods for claims of childhood sexual assault, including claims against public entities like the District. AB 218 has impacted the District's liability exposure because it (1) extended the statute of limitations periods for claims of childhood sexual assault, (2) did away altogether with the Tort Claims Act's presentation requirements for claims involving childhood sexual assault under which many claims were found to be late, and (3) revived certain claims for which applicable statute of limitations periods have

otherwise already expired (if brought within three years of January 1, 2020). Pursuant to AB 218, a plaintiff now has twenty-two years from the age of majority or five years after the plaintiff discovered or reasonably should have discovered psychological injury or illness occurring after the age of majority caused by the alleged childhood sexual assault to bring an action, with certain actions being barred from commencement after the plaintiff's fortieth birthday. With respect to claims that otherwise would have been barred as of January 1, 2020, AB 218 revived such claims for a period of three years, which period expired on December 31, 2022.

The District is currently defending approximately 156 lawsuits (totaling 247 claimants) arising from AB 218, relating to allegations of misconduct by former employees. Since the District is in the middle of litigation on many of the pending AB 218 lawsuits, the District cannot fully predict the extent of its liability in such cases, whether the claimants will prevail, and if so, how a final court decision or settlement agreement with respect to each such lawsuit may affect the financial status, policies or operations of the District, as the nature of the court's remedy and the responses thereto are unknown at the present time. Nonetheless, the District currently estimates its liability for the existing claims arising from AB 218 will likely exceed \$250 million. It should be noted that these cases include a significant number of claimants in the Miramonte sexual abuse litigation matters described above. While the District has set aside an amount in its liability self-insurance fund to pay existing claims arising under AB 218 as well as other, unrelated claims based on an independent third-party actuarial estimate, the District's total liability arising from existing AB 218 claims could exceed the actuarial estimate and the amount available in its liability self-insurance fund. Further, the District may finance or refinance certain judgments arising from AB 218 claims. While the District may be able to access insurance coverage for a portion of some of the AB 218 claims, the District is not currently able to determine what amount of the total liability may be covered by prior insurance policies or existing insurance policies for excess coverage. The District has identified certain gaps in insurance coverage prior to 1992 for which it is actively investigating the availability of policies that may provide coverage for AB 218 claims. Additionally, under AB 218, individuals who were over the age of 26 and under 40 on December 31, 2022, will still be able to timely file a lawsuit until they turn 40, and the District is unable to estimate the potential liability associated with this group of potential claimants.

Within the District, the treatment of child abuse and related reporting has evolved significantly over the past several decades. Prior to 1981, District employees did not have child abuse and neglect reporting obligations under California law, and there was limited, if any, training provided to District employees. Since 1981, California law mandates District employees to report suspected child abuse or neglect. The District's policies on such reporting have evolved and improved since then consistent with changes to California law. The District currently maintains (a) policies regarding child abuse and neglect reporting, sexual harassment (student-to-student, adult-to-student, and student-to-adult), social media for employees and associated persons, responsible use of technology, and ethics, (b) a code of conduct with students, and (c) protocols and procedures for reporting and investigating allegations of employee misconduct. The District also offers a variety of online and in-person training courses and resources to District employees. Currently, all District employees are subject to background checks prior to employment and are required to complete yearly child abuse training. For further reference, certain of the District's policies, protocols, training materials are made available online at the District's website. The District regularly reviews its policies, procedures and protocols with respect to these topics and updates them periodically to address evolving circumstances.

Litigation Regarding September 2022 Cyberattack. Four separate lawsuits have been filed against the District relating to the 2022 cyberattack on the District. The first three cases have been deemed related, with the matter of *M.M., et al. v. Los Angeles Unified School District*, Case No. 22STCV37822, serving as the lead case. The three lawsuits, filed on behalf of named individuals and purported classes of individuals whose personal information was allegedly posted to the dark web as a result of the cyberattack, have been deemed complex, and plaintiffs' counsel filed a consolidated complaint against the District and Defendant Infosys, Ltd. Therein, on February 13, 2024. The District filed its demurrer in response to the consolidated complaint on March 22, 2024, which is set to be heard on May 9, 2024. A separate limited jurisdiction

lawsuit related to the 2022 cyberattack filed in October 2023 has been settled and is expected to be dismissed shortly. For more information related to the cyberattack, see “DISTRICT GENERAL INFORMATION – Cybersecurity.”

Charter School Co-Location Policy Litigation. On April 2, 2024, the California Charter Schools Association (“CCSA”), on behalf of itself, member charter schools and students they serve, filed a civil action in Los Angeles County Superior Court, challenging the District Board’s September 26, 2023, adoption of the resolution titled, “Creating a Charter Schools Co-Location Policy to Mitigate Impacts Caused by Proposition 39” (“Charter School Co-Location Resolution”) and March 19, 2024 approval of the “Proposition 39 Charter Schools Co-Location Policy” (“Charter School Co-Location Policy”). In a Verified Petition for Writ of Mandate and Complaint for Declaratory Relief (“CCSA Petition”), CCSA asserts two writ causes of action and a declaratory relief cause of action. The CCSA Petition claims that, among other things, by adopting the Charter School Co-Location Policy, the District has violated its mandatory and non-discretionary duty to comply with the California Education Code. The CCSA Petition also seeks a preliminary injunction prohibiting the District from implementing the Charter School Co-Location Resolution and the Charter School Co-Location Policy until the merits of the lawsuit have been determined. The CCSA Petition also alleges that the District has failed to comply with the California Public Records Act by refusing to make records available in response to CCSA’s request seeking documents related to the District’s Proposition 39 compliance and the development/passage of the Charter School Co-Location Resolution and the Charter School Co-Location Policy. The CCSA Petition seeks, among other things, a writ of mandate that sets aside the Charter School Co-Location Resolution and the Charter School Co-Location Policy, and rescinds all Board policies, administrative regulations and internal directives or guidance documents that restrict the availability of District facilities to charter schools for any reasons not expressly authorized by state law. Additionally, the CCSA Petition seeks a writ of mandate that commands the District to comply with the California Public Records Act by promptly providing to CCSA all of the records requested in its request. Further, the CCSA Petition seeks a declaratory judgment stating that the Charter School Co-Location Resolution and the Charter School Co-Location Policy do not comply with Proposition 39 and are unnecessary, unenforceable and void. The CCSA Petition also seeks a preliminary injunction commanding the District to not enforce the Charter School Co-Location Resolution and the Charter School Co-Location Policy. Lastly, the CCSA Petition seeks recovery of CCSA’s attorneys’ fees and costs. As it has recently been filed, the District is evaluating its options for responding to the CCSA Petition.

District Debt

General Obligation Bonds. From July 1997 through March 2003, the District issued the entire amount of \$2,400,000,000 general obligation bonds authorized pursuant to Proposition BB approved by voters on April 8, 1997 (the “Proposition BB Authorization”). From May 2003 to May 2010, the District issued the entire amount of \$3,350,000,000 general obligation bonds pursuant to Measure K approved by voters on November 5, 2002 (the “Measure K Authorization”). From September 2004 through October 2021, the District issued the entire amount of \$3,870,000,000 general obligation bonds pursuant to Measure R approved by voters on March 2, 2004 (the “Measure R Authorization”). From February 2006 through October 2021, the District issued the entire amount of \$3,985,000,000 general obligation bonds pursuant to Measure Y approved by voters on November 8, 2005 (the “Measure Y Authorization”).

A \$7,000,000,000 general obligation bond authorization was approved by voters on November 4, 2008 (the “Measure Q Authorization”). The District has issued \$4,275,955,000 of aggregate principal amount of Measure Q general obligation bonds, leaving \$2,724,045,000 aggregate principal amount available under the Measure Q Authorization. A \$7,000,000,000 general obligation bond authorization was approved by the voters on November 3, 2020 (the “Measure RR Authorization”). The District has issued \$1,025,000,000 aggregate principal amount of Measure RR general obligation bonds, leaving \$5,975,000,000 aggregate principal amount available under the Measure RR Authorization.

Under the District's general obligation bond program, approximately 23,900 new school construction, rehabilitation, modernization and replacement projects, which are intended to upgrade facilities and improve the learning environment for students, have been completed. In addition, 896 projects valued at approximately \$7.5 billion are currently underway, including 607 projects valued at nearly \$2.8 billion in pre-construction, and 289 projects valued at nearly \$4.7 billion under construction.

Pursuant to Section 1(b)(3) of Article XIII A of the State Constitution, Chapters 1 and 1.5 of Part 10 of Division 1 of Title 1 of the State Education Code, as amended, and other applicable law (collectively, the "Act"), the District Board has appointed the LAUSD School Construction Bond Citizens' Oversight Committee (the "Citizens' Bond Oversight Committee"). The Citizens' Bond Oversight Committee is composed of 15 members representing numerous community groups and operates to inform the public concerning the spending of Measure K, Measure R, Measure Y, Measure Q, and Measure RR Authorization bond funds authorized by the Act. The Citizens' Bond Oversight Committee regularly reviews the potential bond projects and budgets and provides non-binding advice to the District Board on how to allocate and reallocate scarce bond proceeds in order to ensure the completion of viable projects and to avoid non-completion of projects once commenced. The Citizens' Bond Oversight Committee also informs the public concerning the spending of funds attributable to the Proposition BB Authorization, although Proposition BB was approved under statutes other than the Act. The Citizens' Bond Oversight Committee meets monthly in order to review all matters including, among other things, changes in budget, scope and schedules that relate to the District's general obligation bonds and the projects proposed to be funded therefrom. In addition, the Citizens' Bond Oversight Committee makes recommendations to the District Board regarding such matters. See "CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS – Proposition 39" herein. The District's Office of the Inspector General conducts audits on a selected number of the construction management firms on an annual basis to ensure that funds from the School Upgrade Program (SUP) and other legacy bond programs are spent in compliance with the Act and the District's policies relating thereto. The District's outside auditor, Simpson & Simpson, currently prepares the required bond audits regarding the expenditures of general obligation bond proceeds.

The members of the District's Citizens' Bond Oversight Committee and the community groups represented by such members are set forth in Table A-19 below.

Lease Obligations and Certificates of Participation. As of March 1, 2024, the District has outstanding lease obligations in the form of COPs in the aggregate principal amount of approximately \$471.6 million. The District estimates that the aggregate payment of principal and interest evidenced by COPs will be approximately \$658.1 million until the final maturity thereof. The District's lease obligations are not subject to acceleration in the event of a default thereof. The following Table A-26 sets forth the District's existing lease obligations paid from the District General Fund with respect to its outstanding COPs as of March 1, 2024. Limitations Related to Receipt of Federal Subsidy Payments. On March 1, 2013, then-President Barack Obama signed an executive order (the “Sequestration Executive Order”) to reduce budgetary authority in certain accounts subject to sequester in accordance with the Budget Control Act of 2011 (the “Budget Control Act”) and the American Taxpayer Relief Act of 2012 (the “Taxpayer Relief Act”). Pursuant to the Sequestration Executive Order, budget authority for all accounts in the domestic mandatory spending category including, among others, accounts for the payments to issuers of “Direct Pay Bonds,” which includes the District’s outstanding Series KRY Bonds (2009) (Federally Taxable Build America Bonds) (the “Series KRY Bonds (2009)”) and Series RY Bonds (2010) (Federally Taxable Build America Bonds) (the “Series RY Bonds (2010)”) and Series J (Qualified School Construction Bonds) (the “Series J Bonds”), are subject to sequestration. Direct Pay Bonds are issued as taxable bonds and provide credits to the District from the federal government pursuant to Section 54AA(d) and 54AA(g) of the Code.

Pursuant to the Bipartisan Budget Act of 2013, enacted in December 2013, the District’s Direct Pay Bonds are subject to the full amount of sequestration budget cuts. The federal subsidy for the Direct Pay Bonds for the federal fiscal year ended September 30, 2023, was reduced by 5.7%, and the U.S. Treasury Department has announced a decrease in subsidy amounts by 5.7% through federal fiscal year ending 2031. During the federal fiscal year ended September 30, 2023, the sequester resulted in a reduction in the aggregate amount of approximately \$4.2 million with respect to the refundable credits for the Series KRY Bonds (2009), Series RY Bonds (2010) and Series J Bonds. See “PLAN OF REFUNDING” in the

forepart of this Official Statement for a discussion of the refunding of all or a portion of the Series KRY Bonds (2009) and the Series RY Bonds (2010).

Congress can terminate, extend or otherwise modify reductions in federal subsidy payments on Direct Pay Bonds due to sequestration at any time. Furthermore, due to recent federal legislation, it was reported that the Congressional pay-as-you-go or PAYGO budget rule and scorecard could increase the overall sequestration percentage from the current level of 5.7% (under the Budget Control Act) to 100%. The Consolidated Appropriations Act of 2023, enacted in December 2022, prevented the PAYGO sequestration provisions from being triggered in January 2023 and delaying PAYGO sequestration until January 2025, absent further legislation. Accordingly, the District cannot predict what action, if any, that Congress may take with respect to the federal subsidy and its impact on the District's Direct Pay Bonds in future federal fiscal years. However, the District's Series KRY Bonds (2009), Series RY Bonds (2010), and Series J Bonds are payable from and secured by *ad valorem* property taxes which are to be assessed in amounts sufficient to pay principal of and interest on the Series KRY Bonds (2009), Series RY Bonds (2010), and Series J Bonds when due. The County has levied and will continue to levy *ad valorem* property taxes in an amount sufficient to pay principal of and interest on the Series KRY Bonds (2009), Series RY Bonds (2010), and Series J Bonds when due regardless of the amount of federal subsidy.

Future Financings

General Obligation Bonds. The District may not issue general obligation bonds without voter approval and may not issue general obligation bonds in an amount greater than its bonding capacity. The District may not issue general obligation bonds under the Measure Q Authorization, or the Measure RR Authorization, as applicable, if the tax rate levied to meet the debt service requirements under the related Authorization for general obligation bonds is projected to exceed \$60 per year per \$100,000 of taxable property in accordance with Article XIII A of the State Constitution. See "CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS – Article XIII A of the State Constitution" and "– Proposition 39" herein.

Pursuant to the Education Code, the District's bonding capacity for general obligation bonds may not exceed 2.5% of taxable property valuation in the District as shown by the last equalized assessment roll of the County. The taxable property valuation in the District for fiscal year 2023-24 is approximately \$929.98 billion, which results in a total current bonding capacity of approximately \$23.25 billion. The District's available capacity for the issuance of new general obligation bonds is approximately \$12.53 billion (taking into account current outstanding debt before the issuance of the [Refunding] Bonds). The fiscal year 2023-24 assessed valuation of property within the District's boundaries of approximately \$929.98 billion reflects an increase of 5.96% from fiscal year 2022-23. See "SECURITY AND SOURCE OF PAYMENT FOR THE [REFUNDING] BONDS – Assessed Valuation of Property Within the District" in the forepart of this Official Statement and "CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS – Article XIII A of the State Constitution" herein.

The District has \$2,724,045,000 authorized and unissued general obligation bond authorization remaining under the Measure Q Authorization. The District has \$5,975,000,000 authorized and unissued general obligation bond authorization remaining under the Measure RR Authorization. The District may issue additional general obligation bonds or general obligation refunding bonds in the future depending upon project needs and market conditions, and may, if authorized by the District Board, issue approximately \$1 billion of additional general obligation bonds in the fall of 2024.

As provided in the text of each of the ballots of Proposition BB, Measure K, Measure R, Measure Y, Measure Q, and Measure RR the District Board does not guarantee that the respective bonds authorized and issued under the Proposition BB, Measure K, Measure R, Measure Y, Measure Q, and

Measure RR Authorizations will provide sufficient funds to allow completion of all potential projects listed in connection with said measures.

Lease Financings. The District may finance capital projects through the execution and delivery of certificates of participation or other obligations secured by general fund lease payments from time to time. In particular, the District may utilize lease financing, from time to time, to fund projects that are not eligible to be funded with general obligation bond proceeds, that are not authorized to be funded under existing general obligation bond measures, or for which there is not sufficient general obligation bond authorization to fund. Although the breadth of projects of such types is much larger, the District has identified projects of such types in the estimated amount of \$682 million that it may consider to lease finance in 2025-26 through 2027-28. See also “– District Financial Policies and Related Practices – Debt Management Policy” herein.

AB 218 Claims. See “DISTRICT FINANCIAL INFORMATION – Risk Management and Litigation – *Sexual Misconduct Cases* – Assembly Bill 218 and Related Claims,” for a discussion of the lawsuits arising from AB 218 and the possibility that the District may finance or refinance certain judgments arising from AB 218 claims.

Tax and Revenue Anticipation Notes. The District did not issue tax and revenue anticipation notes in fiscal year 2022-23 and does not expect to issue tax and revenue anticipation notes in fiscal year 2023-24. However, the District may issue tax and revenue anticipation notes in future fiscal years depending on State and federal funding.

CALIFORNIA CONSTITUTIONAL AND STATUTORY PROVISIONS RELATING TO *AD VALOREM* PROPERTY TAXES, DISTRICT REVENUES AND APPROPRIATIONS

Constitutionally Required Funding of Education

The State Constitution requires that from all State revenues there shall first be set apart the moneys to be applied by the State for the support of the public school system and public institutions of higher education. California school districts receive a significant portion of their funding from State appropriations. As a result, decreases as well as increases in State revenues can significantly affect appropriations made by the State Legislature to school districts.

Article XIII A of the State Constitution

On June 6, 1978, California voters approved Proposition 13 (“Proposition 13”), which added Article XIII A to the State Constitution (“Article XIII A”). On June 3, 1986, California voters approved Proposition 46 (“Proposition 46”) which amended Article XIII A to permit local governments and school districts to increase the *ad valorem* property tax rate above 1% if two-thirds of those voting in a local election approve the issuance of such bonds and the proceeds of such bonds are used to acquire or improve real property. See “SECURITY AND SOURCE OF PAYMENT FOR THE [REFUNDING] BONDS – California Constitutional and Statutory Provisions Relating to *Ad Valorem* Property Taxes – *Article XIII A of the California Constitution*” in the forepart of this Official Statement.

The provisions of Article XIII A were subsequently modified pursuant to Proposition 39, which was approved by California voters on November 7, 2000. See “– Proposition 39” below. Article XIII A defines full cash value to mean “the county assessor’s valuation of real property as shown on the 1975-76 tax bill under “full cash value,” or thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment.” The full cash value may be adjusted annually to reflect inflation at a rate not to exceed 2% per year, or a reduction in the consumer price index or comparable local data at a rate not to exceed 2% per year or reduced in the event of declining property value caused by substantial damage, destruction or other factors including a general economic

downturn. Subsequent amendments further limit the amount of any *ad valorem* tax on real property to 1% of the full cash value except that additional taxes may be levied to pay debt service on bonded indebtedness approved by the requisite percentage of voters voting on the proposition.

Legislation Implementing Article XIII A

Legislation has been enacted and amended a number of times since 1978 to implement Article XIII A. Under current law, local agencies are no longer permitted to levy directly any *ad valorem* property tax (except to pay voter-approved indebtedness). The 1% *ad valorem* property tax is automatically levied by the County and distributed according to a formula among taxing agencies. The formula apportions the tax roughly in proportion to the relative shares of taxes levied prior to 1989.

Increases of assessed valuation resulting from reappraisals of property due to new construction, change in ownership or from the up to 2% annual inflationary adjustment of the 1% tax base are allocated among the various jurisdictions in the “taxing area” based upon their respective “situation.” Any such allocation made to a local agency continues as part of its allocation in future years. Separate *ad valorem* property taxes to pay voter approved indebtedness such as general obligation bonds are levied by the County on behalf of the local agencies. Article XIII A effectively prohibits the levying of any other *ad valorem* property tax above the Proposition 13 limit except for taxes to support such indebtedness.

The full cash value of taxable property under Article XIII A represents the maximum taxable value for property. Accordingly, the fair market value for a given property may not be the equivalent of the full cash value under Article XIII A. During periods in which the real estate market within the District evidences an upward trend, the fair market value for a given property, which has not been reappraised due to a change in ownership, may exceed the full cash value of such property. During periods in which the real estate market demonstrates a downward trend, the fair market value of a given property may be less than the full cash value of such property and the property owner may apply for a “decline in value” reassessment pursuant to Proposition 8. Reassessments pursuant to Proposition 8, if approved by the Office of the County Assessor, lower valuations of properties (where no change in ownership has occurred) if the current value of such property is lower than the full cash value of record of the property. See “SECURITY AND SOURCE OF PAYMENT FOR THE [REFUNDING] BONDS – Assessed Valuation of Property Within the District” in the forepart of this Official Statement. The value of a property reassessed as a result of a decline in value may change, but in no case may its full cash value exceed its fair market value. When and if the fair market value of a property which has received a downward reassessment pursuant to Proposition 8 increases above its Proposition 13 factored base year value, the Office of the County Assessor will enroll such property at its Proposition 13 factored base year value.

Article XIII B of the State Constitution

An initiative to amend the State Constitution entitled “Limitation of Government Appropriations” was approved on September 6, 1979 thereby adding Article XIII B to the State Constitution (“Article XIII B”). In June 1990, Article XIII B was amended by the voters through their approval of Proposition 111. Under Article XIII B, the State and each local governmental entity have an annual “appropriations limit” and are not permitted to spend certain moneys that are called “appropriations subject to limitation” (consisting of tax revenues, State subventions and certain other funds) in an amount higher than the appropriations limit. Article XIII B does not affect the appropriations of moneys that are excluded from the definition of “appropriations subject to limitation,” including debt service on indebtedness existing or authorized as of January 1, 1979, or bonded indebtedness subsequently approved by the voters. In general terms, the appropriations limit is to be based on certain 1978-79 expenditures and is to be adjusted annually to reflect changes in costs of living and changes in population, and adjusted where applicable for transfer of financial responsibility of providing services to or from another unit of government. Among other provisions of Article XIII B, if these entities’ revenues in any year exceed the amounts permitted to be spent, the excess would have to be returned by revising tax rates or fee schedules over the subsequent two years.

However, in the event that a school district's revenues exceed its spending limit, the district may, in any fiscal year, increase its appropriations limit to equal its spending by borrowing appropriations limit from the State, provided the State has sufficient excess appropriations limit in such year. See "STATE FUNDING OF SCHOOL DISTRICTS" herein.

The 2023-24 State Budget projects that the State will be below its appropriations limit (also referred to as the Gann Limit) for fiscal year 2023-24.

The District Board adopted the annual appropriation limit for both fiscal year 2022-23 and fiscal year 2023-24 of approximately \$3.9 billion. The limitation applies only to proceeds of taxes and therefore does not apply to service fees and charges, investment earnings on non-proceeds of taxes, fines, and revenue from the sale of property and taxes received from the State and federal governments that are tied to special programs.

Article XIIC and Article XIID of the State Constitution

On November 5, 1996, the voters of the State of California approved Proposition 218, popularly known as the "Right to Vote on Taxes Act." Proposition 218 added to the California Constitution Articles XIIC and XIID (respectively, "Article XIIC" and "Article XIID"), which contain a number of provisions affecting the ability of local agencies, including school districts, to levy and collect both existing and future taxes, assessments, fees and charges.

According to the "Title and Summary" of Proposition 218 prepared by the California Attorney General, Proposition 218 limits "the authority of local governments to impose taxes and property-related assessments, fees and charges." Among other things, Article XIIC establishes that every tax is either a "general tax" (imposed for general governmental purposes) or a "special tax" (imposed for specific purposes), prohibits special purpose government agencies such as school districts from levying general taxes, and prohibits any local agency from imposing, extending or increasing any special tax beyond its maximum authorized rate without a two-thirds percent vote; and also provides that the initiative power will not be limited in matters of reducing or repealing local taxes, assessments, fees and charges. Article XIIC further provides that no tax may be assessed on property other than *ad valorem* property taxes imposed in accordance with Articles XIII and XIII A of the California Constitution and special taxes approved by a two-thirds percent vote under Article XIII A, Section 4.

On November 2, 2010, Proposition 26 was approved by State voters, which amended Article XIIC to expand the definition of "tax" to include "any levy, charge, or exaction of any kind imposed by a local government" except the following: (1) a charge imposed for a specific benefit conferred or privilege granted directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of conferring the benefit or granting the privilege; (2) a charge imposed for a specific government service or product provided directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the local government of providing the service or product; (3) a charge imposed for the reasonable regulatory costs to a local government for issuing licenses and permits, performing investigations, inspections, and audits, enforcing agricultural marketing orders, and the administrative enforcement and adjudication thereof; (4) a charge imposed for entrance to or use of local government property, or the purchase, rental, or lease of local government property; (5) a fine, penalty, or other monetary charge imposed by the judicial branch of government or a local government, as a result of a violation of law; (6) a charge imposed as a condition of property development; and (7) assessments and property-related fees imposed in accordance with the provisions of Article XIID. Proposition 26 provides that the local government bears the burden of proving by a preponderance of the evidence that a levy, charge, or other exaction is not a tax, that the amount is no more than necessary to cover the reasonable costs of the governmental activity, and that the manner in which those costs are allocated to a payor bear a fair or reasonable relationship to the payor's burdens on, or benefits received from, the governmental activity.

Article XIID deals with assessments and property-related fees and charges. Article XIID explicitly provides that nothing in Article XIIC or XIID shall be construed to affect existing laws relating to the imposition of fees or charges as a condition of property development; however, it is not clear whether the initiative power is therefore unavailable to repeal or reduce developer and mitigation fees imposed by the District. Proposition 218 does not affect the *ad valorem* property taxes to be levied to pay debt service on the [Refunding] Bonds.

Proposition 98

On November 8, 1988, State voters approved Proposition 98, a combined initiative, constitutional amendment and statute called the “Classroom Instructional Improvement and Accountability Act” (the “Accountability Act”). The Accountability Act changed State funding of public education below the university level, and the operation of the State’s Appropriations Limit, primarily by guaranteeing State funding for K-12 school districts and community college districts (collectively, “K-14 districts”).

Under Proposition 98 (as modified by Proposition 111, which was enacted on June 5, 1990), K-14 districts are guaranteed the greater of (i) in general, a fixed percent of the State general fund’s revenues (“Test 1”), (ii) the amount appropriated to K-14 districts in the prior year, adjusted for changes in the cost of living (measured as in Article XIIB by reference to State per capita personal income) and enrollment (“Test 2”), or (iii) a third test, which would replace Test 2 in any year when the percentage growth in per capita State general fund revenues from the prior year plus 0.05% is less than the percentage growth in State per capita personal income (“Test 3”). Under Test 3, schools would receive the amount appropriated in the prior year adjusted for changes in enrollment and per capita State general fund revenues, plus an additional small adjustment factor. If Test 3 is used in any year, the difference between Test 3 and Test 2 would become a “credit” to schools which would be the basis of payments in future years when per capita State general fund revenue growth exceeds per capita personal income growth. Legislation adopted prior to the end of fiscal year 1988-89 that implemented Proposition 98, determined the K-14 districts’ funding guarantee under Test 1 to be 40.3% of the State general fund tax revenues, based on 1986-87 appropriations. However, that percentage has been adjusted to 34.559% to account for a subsequent redirection of local property taxes whereby a greater proportion of education funding now comes from local property taxes.

Proposition 98 permits the State Legislature, by a two-thirds vote of both houses of the State Legislature and with the Governor’s concurrence, to suspend the K-14 districts’ minimum funding formula for a one-year period. In the fall of 1989, the State Legislature and the Governor utilized this provision to avoid having 40.3% of revenues generated by a special supplemental sales tax enacted for earthquake relief go to K-14 districts. In the fall of 2004, the State Legislature and the Governor agreed to suspend the K-14 districts’ minimum funding formula set forth pursuant to Proposition 98 in order to address a projected shortfall during fiscal year 2004-05. Proposition 98 also contains provisions transferring certain State tax revenues in excess of the Article XIIB limit to K-14 districts.

The 2023-24 State Budget projects the Proposition 98 guarantee to fall under Test 1 for fiscal years 2021-22, 2022-23, and 2023-24, resulting in funding estimates of \$110.6 billion in fiscal year 2021-22, \$107.4 billion in fiscal year 2022-23, and \$108.3 billion in fiscal year 2023-24. For more information on the Proposition 98 funding under the 2023-24 State Budget, see “STATE FUNDING OF SCHOOL DISTRICTS – State Budget Act –2023-24 State Budget” herein.

Proposition 39

Proposition 39, which was approved by California voters in November 2000 (“Proposition 39”), provides an alternative method for passage of school facilities bond measures by lowering the constitutional voting requirement from two-thirds to 55% of voters and allows property taxes to exceed the current 1% limit in order to repay such bonds. The lower 55% vote requirement would apply only to bond issues to be used for construction, rehabilitation, or equipping of school facilities or the acquisition of real property for

school facilities. The State Legislature enacted additional legislation which placed certain limitations on this lowered threshold, requiring that (i) two-thirds of the governing board of a school district approve placing a bond issue on the ballot, (ii) the bond proposal be included on the ballot of a Statewide or primary election, a regularly scheduled local election, or a Statewide special election (rather than a school district election held at any time during the year), (iii) the tax rate levied as a result of any single election not exceed \$25 for a community college district, \$60 for a unified school district, or \$30 for an elementary school or high school district per \$100,000 of taxable property value, and (iv) the governing board of the school district appoint a citizen's oversight committee to inform the public concerning the spending of the bond proceeds. In addition, the school board of the applicable district is required to perform an annual, independent financial and performance audit until all bond funds have been spent to ensure that the funds have been used only for the projects listed in the measure. The District's Measure K, Measure R, Measure Y, Measure Q, and Measure RR bond programs were authorized pursuant to Proposition 39. See "DISTRICT FINANCIAL INFORMATION – District Debt – *General Obligation Bonds*" herein. The District is in full compliance with all Proposition 39 requirements.

Proposition 1A

Proposition 1A, which was approved by California voters in November 2004 ("Proposition 1A"), provides that the State may not reduce any local sales tax rate, limit existing local government authority to levy a sales tax rate or change the allocation of local sales tax revenues, subject to certain exceptions. Proposition 1A generally prohibits the State from shifting to schools or community colleges any share of property tax revenues allocated to local governments for any fiscal year, as set forth under the laws in effect as of November 3, 2004. Any change in the allocation of property tax revenues among local governments within a county must be approved by two-thirds of both houses of the Legislature. Proposition 1A provided, however, that beginning in fiscal year 2008-09, the State could shift to schools and community colleges up to 8% of local government property tax revenues, which amount must be repaid, with interest, within three years, if the Governor proclaims that the shift is needed due to a severe state financial hardship, the shift is approved by two-thirds of both houses of the State Legislature and certain other conditions are met. The State may also approve voluntary exchanges of local sales tax and property tax revenues among local governments within a county. Proposition 1A also provides that if the State reduces the vehicle license fee rate below 0.65% of vehicle value, the State must provide local governments with equal replacement revenues. Further, Proposition 1A requires the State, beginning July 1, 2005, to suspend State mandates affecting cities, counties and special districts, excepting mandates relating to employee rights, schools or community colleges, in any year that the State does not fully reimburse local governments for their costs to comply with such mandates. The State's ability to initiate future exchanges and shifts of funds will be limited by Proposition 22. See "– Proposition 22" below.

Proposition 22

Proposition 22, which was approved by California voters in November 2010, prohibits the State, even during a period of severe fiscal hardship, from delaying the distribution of tax revenues for transportation, redevelopment, or local government projects and services and prohibits fuel tax revenues from being loaned for cash-flow or budget balancing purposes to the State general fund or any other State fund. Due to the prohibition with respect to State's ability to take, reallocate, and borrow money raised by local governments for local purposes, Proposition 22 supersedes certain provisions of Proposition 1A of 2004. See "– Proposition 1A" herein. In addition, Proposition 22 generally eliminated the State's authority to temporarily shift property taxes from cities, counties, and special districts to schools, temporarily increased school and community college district's share of property tax revenues, prohibited the State from borrowing or redirecting redevelopment property tax revenues or requiring increased pass-through payments thereof, and prohibited the State from reallocating vehicle license fee revenues to pay for State-imposed mandates. In addition, Proposition 22 requires a two-thirds vote of each house of the State Legislature and a public hearing process to be conducted in order to change the amount of fuel excise tax revenues shared with cities and counties. The LAO stated that Proposition 22 would prohibit the State from

enacting new laws that require redevelopment agencies to shift funds to schools or other agencies. However, the California Supreme Court, in *California Redevelopment Association v. Matosantos*, held that the dissolution provisions set forth in Assembly Bill No. 26 of the First Extraordinary Session (2011) were constitutional and permitted the State to allocate revenues that would have been directed to the redevelopment agencies to make pass-through payments (*i.e.*, payments that such entities would have received under prior law) to local agencies and to successor agencies for retirement of the debts and certain administrative costs of the redevelopment agencies.

Proposition 22 prohibits the State from borrowing sales taxes or excise taxes on motor vehicle fuels or changing the allocations of those taxes among local government except pursuant to specified procedures involving public notices and hearings. In addition, Proposition 22 requires that the State apply the formula setting forth the allocation of State fuel tax revenues to local agencies revert to the formula in effect on June 30, 2009. The LAO stated that Proposition 22 would require the State to adopt alternative actions to address its fiscal and policy objectives, particularly with respect to short-term cash flow needs. The District does not believe that the adoption of Proposition 22 will have a significant impact on their respective revenues and expenditures.

Proposition 30

Proposition 30, which was approved by voters in the State in November 2012 (“Proposition 30”) authorized the State to temporarily increase the maximum marginal personal income tax rates for individuals, heads of households and joint filers above 9.3% by creating three additional tax brackets of 10.3%, 11.3% and 12.3%. The tax increases set forth in Proposition 30 were in effect from tax year 2012 to tax year 2018. In addition, Proposition 30 temporarily increased the State’s sales and use tax rate by 0.25% from 2013 to 2016.

Pursuant to Proposition 30, the State included revenues from the temporary tax increases in the general fund calculation of the Proposition 98 minimum guarantee for education spending. The State deposited a portion of the new general fund revenues into an Education Protection Account established to support funding for schools and community colleges. The remainder of the new general fund revenues was available to help the State balance its budget through fiscal year 2017-18. However, the allocation of such revenues to particular programs was subject to the discretion of the Governor and the State Legislature.

In addition, Proposition 30 amended the State Constitution to address certain provisions relating to the realignment of State program responsibilities to local governments. Proposition 30 required the State to continue to provide tax revenues that were redirected in calendar year 2011 (or equivalent funds) to local governments to pay for transferred program responsibilities. Further, Proposition 30 permanently excluded sales tax revenues that are redirected to local governments from the calculation of the Proposition 98 minimum guarantee for schools and community colleges.

The Proposition 30 sales and use tax increases expired at the end of the 2016 tax year. Under Proposition 30, the personal income tax increases were set to expire at the end of the 2018 tax year. However, the voters approved on November 8, 2016 the California Tax Extension to Fund Education and Healthcare Initiative (“Proposition 55”), which extended by twelve years the temporary personal income tax increases on incomes over \$250,000 that was first enacted by Proposition 30. Revenues from the tax increase will be allocated to school districts and community colleges in the State.

Proposition 2

General. Proposition 2, which included certain constitutional amendments to the State Rainy Day Fund and, upon its approval, triggered the implementation of certain provisions which could limit the amount of reserves that may be maintained by a school district, was approved by the voters in the November 2014 election.

State Rainy Day Fund. The Proposition 2 constitutional amendments related to the State Rainy Day Fund (i) require deposits into the State Rainy Day Fund whenever capital gains revenues rise to more than 8% of general fund tax revenues; (ii) set the maximum size of the State Rainy Day Fund at 10% of general fund revenues; (iii) for the next 15 years, require half of each year's deposit to be used for supplemental payments to pay down the budgetary debts or other long-term liabilities and, thereafter, require at least half of each year's deposit to be saved and the remainder used for supplemental debt payments or savings; (iv) allow the withdrawal of funds only for a disaster or if spending remains at or below the highest level of spending from the past three years; (v) require the State to provide a multiyear budget forecast; and (vi) create a Proposition 98 reserve (defined herein as the "Proposition 98 Rainy Day Fund") to set aside funds in good years to minimize future cuts and smooth school spending. The State may deposit amounts into such account only after it has paid all amounts owing to school districts relating to the Proposition 98 maintenance factor for fiscal years prior to fiscal year 2014-15. The State, in addition, may not transfer funds to the Proposition 98 Rainy Day Fund unless the State is in a Test 1 year under Proposition 98 or in any year in which a maintenance factor is created. For more information on limitations on school district reserves and the District's commitment of funds in fiscal years 2022-23 and 2023-24, see "STATE FUNDING OF SCHOOL DISTRICTS – Limitations on School District Reserves."

SB 858. Senate Bill 858 ("SB 858") became effective upon the passage of Proposition 2. SB 858 includes provisions which could limit the amount of reserves that may be maintained by a school district in certain circumstances. Under SB 858, in any fiscal year immediately following a fiscal year in which the State has made a transfer into the Proposition 98 Rainy Day Fund, any adopted or revised budget by a school district would need to contain a combined unassigned and assigned ending fund balance that (a) for school districts with an ADA of less than 400,000, is not more than two times the amount of the reserve for economic uncertainties mandated by the Education Code, or (b) for school districts with an ADA that is more than 400,000, is not more than three times the amount of the reserve for economic uncertainties mandated by the Education Code. In certain cases, the county superintendent of schools may grant a school district a waiver from this limitation on reserves for up to two consecutive years within a three-year period if there are certain extraordinary fiscal circumstances.

SB 751. Senate Bill 751 ("SB 751"), enacted on October 11, 2017, alters the reserve requirements imposed by SB 858. Under SB 751, in a fiscal year immediately after a fiscal year in which the amount of moneys in the Proposition 98 Rainy Day Fund is equal to or exceeds 3% of the combined total general fund revenues appropriated for school districts and allocated local proceeds of taxes for that fiscal year, a school district budget that is adopted or revised cannot have an assigned or unassigned ending fund balance that exceeds 10% of those funds. SB 751 excludes from the requirements of those provisions basic aid school districts (also known as community funded districts) and small school districts having fewer than 2,501 units of average daily attendance.

The District, which has an ADA between 30,001 and 400,000 students, is required to maintain a reserve for economic uncertainty in an amount equal to 2.00% of its general fund expenditures and other financing uses. The District's assigned and unassigned ending General Fund balance for fiscal year 2023-24 does not exceed 10% of the total General Fund expenditures and other financing uses. Thus, the District complies with the limitations on reserves. For more information on limitations on school district reserves and the District's commitment of funds in fiscal year 2023-24, see "STATE FUNDING OF SCHOOL DISTRICTS – Limitations on School District Reserves."

The [Refunding] Bonds are payable from *ad valorem* taxes to be levied within the District pursuant to the California Constitution and other State law. Accordingly, the District does not expect SB 858 or SB 751 to adversely affect its ability to pay the principal of and interest on the [Refunding] Bonds as and when due.

State School Facilities Bonds

General. The District applies for apportionments from State bond initiatives and historically has received funding from such State bond initiatives. No assurances can be given that the District will continue to apply for apportionments from current or future State bond initiatives or that the District will continue to receive funding from State bond initiatives for which it applies.

Proposition 47. The Class Size Reduction Kindergarten – University Public Education Facilities Bond Act of 2002 appeared on the November 5, 2002 ballot as Proposition 47 (“Proposition 47”) and was approved by State voters. Proposition 47 authorized the sale and issuance of \$13.05 billion in general obligation bonds by the State to fund construction and renovation of K-12 school facilities (\$11.4 billion) and higher education facilities (\$1.65 billion). Proposition 47 includes \$6.35 billion for acquisition of land and new construction of K-12 school facilities. Of this amount, \$2.9 billion is set aside to fund backlog projects for which school districts submitted applications to the State on or prior to February 1, 2002. The balance of \$3.45 billion would be used to fund projects for which school districts submitted applications to the State after February 1, 2002. To be eligible for bond proceeds under Proposition 47, K-12 school districts are required to pay 50% of the costs for land acquisition and new construction with local revenues. In addition, Proposition 47 provided that up to \$100 million of the \$3.45 billion would be allocated for charter school facilities. Proposition 47 provides up to \$3.3 billion for reconstruction or modernization of existing K-12 school facilities. Of this amount, \$1.9 billion will be set aside to fund backlog projects for which school districts submitted applications to the State on or prior to February 1, 2002 and the balance of \$1.4 billion would be used to fund projects for which school districts submitted applications to the State after February 1, 2002. K-12 school districts will be required to pay 40% of the costs for reconstruction or modernization with local revenues. Proposition 47 provides a total of \$1.7 billion to K-12 school districts which are considered critically overcrowded, specifically to schools that have a large number of pupils relative to the size of the school site. In addition, \$50 million will be available to fund joint-use projects. Proposition 47 also includes \$1.65 billion to construct new buildings and related infrastructure, alter existing buildings and purchase equipment for use in the State’s public higher education systems. As of March 1, 2024, the District has received approximately \$949.88 million in funds attributable to Proposition 47.

Proposition 55 (2004). The Kindergarten-University Public Education Facilities Bond Act of 2004 appeared on the March 2, 2004 ballot as Proposition 55 (“Proposition 55 (2004)”) and was approved by State voters. Proposition 55 (2004) authorizes the sale and issuance of \$12.3 billion in general obligation bonds by the State to fund construction and renovation of public K-12 school facilities (\$10 billion) and public higher education facilities (\$2.3 billion). Proposition 55 (2004) includes \$5.26 billion for the acquisition of land and construction of new school buildings. Under Proposition 55 (2004), a school district is required to provide a 50% matching share for new construction or a 60% matching share for modernization projects with local resources unless it qualifies for state hardship funding. Proposition 55 (2004) also allocates up to \$300 million of new construction funds for charter school facilities.

Proposition 55 (2004) makes \$2.25 billion available for the reconstruction or modernization of existing public school facilities. School districts would be required to pay 40% of project costs from local resources. Proposition 55 (2004) directs a total of \$2.44 billion to school districts with schools which are considered critically overcrowded. These funds would go to schools that have a large number of pupils relative to the size of the school site. Proposition 55 (2004) also makes a total of \$50 million available to fund joint-use projects. Proposition 55 (2004) includes \$2.3 billion to construct new buildings and related infrastructure, alter existing buildings and purchase equipment for use in these buildings for the State’s public higher education systems. The measure allocates \$690 million to the University of California and California State University and \$920 million to community colleges in the State. The Governor and the State Legislature select specific projects to be funded by the bond proceeds. As of March 1, 2024, the District has received approximately \$2.31 billion in funds attributable to Proposition 55 (2004).

Proposition 1D. The Kindergarten-University Public Education Facilities Bond Act of 2006 was approved by State voters at the November 7, 2006 ballot as Proposition 1D (“Proposition 1D”). Proposition 1D authorizes the sale and issuance of \$10.4 billion in general obligation bonds by the State to fund construction and renovation of public K-12 school facilities (\$7.3 billion) and public higher education facilities (\$3.1 billion). Proceeds of bonds issued by the State under Proposition 1D are required to be deposited in the 2006 State School Facilities Fund established in the State Treasury under the Greene Act and allocated by the State Allocation Board. Proposition 1D includes \$1.9 billion for land acquisition and construction of new school buildings. Under Proposition 1D, a school district is required to pay for 50% of costs with local resources unless it qualifies for state hardship funding. Proposition 1D also allocates \$500 million for charter school facilities.

Proposition 1D makes \$3.3 billion available for the reconstruction or modernization of existing public school facilities. Districts would be required to pay 40% of project costs from local resources. Proposition 1D directs a total of \$1.0 billion to school districts with schools that are considered critically overcrowded. These funds would go to schools that have a large number of pupils relative to the size of the school site. Proposition 1D also makes a total of \$29 million available to fund joint-use projects. Proposition 1D includes \$3.1 billion to construct new buildings and related infrastructure, alter existing buildings and purchase equipment for use in these buildings for the State’s public higher education systems. Pursuant to Proposition 1D, the Governor and the State Legislature select specific projects to be funded by the bond proceeds. As of March 1, 2024, the District has received approximately \$819.50 million in funds attributable to Proposition 1D.

Proposition 51. The Kindergarten Through Community College Public Education Facilities Bond Act of 2016 was approved by State voters at the November 8, 2016 ballot as Proposition 51 (“Proposition 51”). Proposition 51 authorizes the sale and issuance of \$9 billion in general obligation bonds by the State to fund new construction of school facilities (\$3 billion), school facilities for charter schools (\$500 million), modernization of school facilities (\$3 billion), facilities for career technical education programs (\$500 million), and acquisition, construction, renovation, and equipping of community college facilities (\$2 billion). Proceeds of bonds issued by the State for K-12 under Proposition 51 are required to be deposited in the 2016 State School Facilities Fund established in the State Treasury under the Greene Act and allocated by the State Allocation Board. As of March 1, 2024, the District has received approximately 397.31 million in funds attributable to Proposition 51.

Future Initiatives

The foregoing described amendments to the State Constitution and propositions were each adopted as measures that qualified for the ballot pursuant to the State’s initiative process. From time to time, other initiative measures could be adopted that further affect District revenues or the District’s ability to expend revenues.

REGIONAL ECONOMIC AND DEMOGRAPHIC INFORMATION

The District is located in the City of Los Angeles and portions of the County of Los Angeles. The following economic and demographic information pertains to the City of Los Angeles (the “City”) and the County of Los Angeles (the “County”). The historical data and results presented in the tables that follow may differ materially from future results as a result of economic or other factors.

The [Refunding] Bonds are general obligations of the District secured by and payable from *ad valorem* property taxes levied within the District. The [Refunding] Bonds are not general obligations of the City or the County.
