**Approval of the Proposed Material Revision for Alliance College-Ready Middle Academy 4
January 14, 2025
Charter Schools Division**

Action Proposed:

Approve the material revision of the charter for Alliance College-Ready Middle Academy 4 (“Charter School”), to add an additional site within the community, as defined in the LAUSD Policy and Procedures for Charter Schools. The proposed additional site is located at 9701 S. Main Street, Los Angeles, CA 90003 in Board District 7 and Region South. The recommendation for approval is based on the information set forth in the attached Staff Assessment and Recommendation Report.

Background:

Alliance College-Ready Middle Academy 4 is a 6-8 school currently serving 488 students on a private facility at 9719 S. Main Street, Los Angeles, CA, 90003 in Board District 7 and Region South. Alliance College-Ready Middle Academy 4 was approved by the LAUSD Board of Education on April 14, 2009. On September 25, 2018, the charter school was renewed for another five-year term to serve up to 450 students in grades 6-8.

On September 17, 2024, the Charter Schools Division commenced processing of Alliance College-Ready Middle Academy 4’s complete material revision. Alliance College-Ready Middle Academy 4 seeks to revise its current charter, which expires June 30, 2027.

Based on a comprehensive review of the material revision application and supporting documentation, staff has determined that the charter school has met the standards and criteria set forth in Education Code section 47605 (see Ed. Code, §47607(b)) and therefore recommends approval of the material revision of the charter.

Expected Outcomes:

Charter School is expected to operate its school in a manner consistent with Board action, policies and requirements, and local, state, and federal law including ordinances, statutes, and regulations as well as with the terms and conditions set forth in Charter School’s petition. The measurable pupil outcomes and method by which pupil progress toward outcomes will be measured are set forth in the charter petition.

Board Options and Consequences:

“Yes” - If the Board adopts the recommendation of approval of the material revision of the charter, Charter School would continue to operate as a charter school, as amended, for the remainder of the charter term.

“No” - If the Board does not adopt the recommendation of approval of the material revision of the charter, and instead takes specific action to deny the proposed material revision of the charter, Charter School would continue to operate under the terms of its current charter consistently with the Board’s action and direction.

Policy Implications:

All provisions in the FSDRL shall be consistent with and be governed by all applicable legal and District policy requirements. To the extent any inconsistency may exist between any provision contained in the FSDRL and any applicable legal and District policy requirement, those applicable legal and District policy requirements shall control and the FSDRL shall be updated accordingly.

Budget Impact:

State income and various other income sources to the District are reduced when current District students enroll at a charter school, and comparable or offsetting expenditure reduction may not occur in such cases. Under Education Code section 47604(d), a chartering authority that grants a charter to a charter school to be operated as or by a nonprofit public benefit corporation is not liable for the debts or obligations of the charter school or for claims arising from the performance of acts, errors, or omissions by the charter school, if the chartering authority has complied with all oversight responsibilities required by law including, but not limited to, those required by Education Code section 47604.32 and Education Code section 47605(m). As the chartering authority, the District will continue to monitor and evaluate the charter school's fiscal condition and operations, and management of public funds, including review of all legally required fiscal reports, and the annual update of the charter school's LCAP. (Ed. Code, §§ 47604.32, 47604.33, 47606.5.) Any significant modifications to the charter school's charter or operations that raise financial implications would require a material revision prior to implementation. Charter schools are expected to secure and maintain all insurance coverage consistent with applicable legal, District and charter requirements.

Charter School has selected to join the LAUSD Special Education Local Planning Area (SELPA) Option 3. Charter School's fair share contribution to special education will be 10% of the charter school's AB 602 (rate includes Base, Cost-of-Living Adjustment (COLA), and Growth/Decline reduced by the amount withheld for Program Specialist/Regionalized Services) and Federal IDEA revenues. This amount will be paid from Charter School's Local Control Funding Formula ("LCFF") funds or other unrestricted revenue sources and will be allocated to support the existing District-wide administration of special education supports and services. The amount withheld by the District from the Program Specialist/Regionalized Services in fiscal year will continue to be withheld and adjusted annually for COLA. An additional 10% of special education revenues will be retained by the District and allocated as directed by the Advisory Board and members of the LAUSD SELPA Option 3, with the leadership of the Director, Charter Operated Programs. These funds will be used to support the personnel for the members of the LAUSD SELPA Option 3; build management and operating procedures to create an infrastructure to support schools in meeting the needs of students with mild to severe disabilities; and, to create and implement new programs that serve students in charter schools. If Charter School does not spend their allocation of special education funds during a fiscal year of the charter petition period, the allocation of special education funds to Charter School for the next fiscal year will be reduced in an amount equal to the unspent special education funds of the previous fiscal year.

In addition to the payments required under this option, Charter School may request specific special education related services from the District through fee-for-service arrangements that will reflect the calculated cost of the requested services and will be contingent on the District's available resources.

Any change in the Option election that occurs during Charter School's charter term shall be mutually agreed upon and addressed in a Memorandum of Understanding (MOU) between the charter school and the District. The new Option election shall be effective on July 1 of the next school year with the corresponding fair share contribution.

Student Impact:

As stated in the LAUSD Policy and Procedures for Charter Schools, “[W]hen the LAUSD Board authorizes and oversees a charter school, it establishes a relationship to advance its vision and mission and to accelerate gains in academic achievement and accountability for all of its students and public schools,” (Policy, p.3). Based on a comprehensive review and assessment of Charter School’s request for material revision of the charter and its record of performance, staff has determined that Charter School has met the requirements for approval of the material revision.

Equity Impact:

Not applicable

Issues and Analysis:

If all applicable pending issues, including but not limited to special education requirements, special education local planning area (SELPA) requirements, governance, fiscal and facilities matters, are not resolved at the time of the Board meeting, the item may be pulled from the agenda as consistent with the Charter Schools Act and the LAUSD Policy and Procedures for Charter Schools.

STAFF ASSESSMENT

I. ACTION PROPOSED

Staff recommends approval of the proposed material revision of the charter for Alliance College-Ready Middle Academy 4 (“ACRMA4” or “Charter School”), a 6-8 middle school located in Board District 7 and Region South, to add an additional site within the community, as defined in the *LAUSD Policy and Procedures for Charter Schools*. The proposed additional site is located at 9701 S. Main Street, Los Angeles, CA 90003 in Board District 7 and Region South.

Alliance College-Ready Public Schools, the California nonprofit public benefit corporation that holds the charter under the ultimate direction of the board of directors, seeks the proposed additional site to make more outdoor space available to students and to construct a facility to house additional classrooms and a multipurpose space.

II. STANDARDS AND CRITERIA FOR MATERIAL REVISIONS

Material revisions are governed by the same standards and criteria that apply to new petitions (See Ed. Code, §§47605 and 47607). If the material revision contains a request to expand to one or more additional sites, or to add grade levels, staff must also determine whether the charter school is demonstrably unlikely to serve the interests of the entire community in which the school is proposing to locate. (See Ed. Code, § 47605(c)(7); Ed. Code, § 47607(a)(3) and (4)), and whether LAUSD is positioned to absorb the fiscal impact of the charter school expansion. (See Ed. Code, § 47605(c)(8); Ed. Code § 47607(a)(3) and (4).) Based on a comprehensive

review of the material revision application, staff has determined that the charter school has met the standards and criteria for approval [described in Education Code section 47605] or were determined not to be a basis for denial of the material revision application. Staff analysis includes the following:

- Does the petition, as revised, include a sound educational program, a reasonably comprehensive description of the 15 elements required for petitions, an affirmation of each of the conditions described in Education Code section 47605(e), and are petitioners likely to successfully implement the program set forth in the petition?

These criteria have been determined not to be bases for denial.

- Does the petition contain a declaration of whether or not the charter school shall be deemed the exclusive public employer of the employees of the charter school?

This requirement has been determined not to be a basis for denial.

- Is the proposed charter school demonstrably likely to serve the interests of the entire community in which the school is proposing to locate? (Ed. Code, § 47605(c)(7).)

Not applicable.

- Is the school district positioned to absorb the fiscal impact of the proposed charter school? (Ed. Code, § 47605(c)(8).)

Not applicable.

m. Additional Information

As noted above, ACRMA4 has three (3) academic benchmarks in its current term. Please note that although the benchmarks in the current term reference similar schools, California no longer uses any form of similar school rankings for assessment or accountability.

Benchmark 1: The school will demonstrate at least one performance level growth per academic year, as reported on the California School Dashboard, for "English Learners" in English Language Arts (ELA) as measured by CAASPP (SBAC) Assessment at a level equal to or greater than the Resident and Similar Schools Medians, with the goal of achieving and maintaining the "Green" performance level or higher by the end of the charter term.

Benchmark 1 was met based on the available data for each year. Performance Level (color) was only issued by the state in two years of the current term (2022-2023 and 2023-2024), thus, change in Performance Level can only be assessed in 2023-2024. The charter school's English Learner student group's Performance Level increased from Red to Yellow between 2022-2023 and 2023-

2024. As of the writing of this report, the Resident Schools Median (RSM) data set for 2023-2024 is not available. However, the school's English Learner students' ELA performance was higher than the English Learner RSM for the two years for which data are available (2021-2022 and 2022-2023). The table below includes detailed data relating to this benchmark:

Alliance College-Ready Middle Academy 4 ELA – English Learner Student Group					
	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024
Performance Level (color)	Not available	Not available	Low*	Red	Yellow
Status (DFS)	Not available	Not available	-64.8	-77.5	-58.5
RSM	Not available	Not available	-107.1	-123.8	Not available
Benchmark Status	Not available	Not available	Met	Met	Met

* Due to the COVID-19 pandemic, the 2022 Dashboard only displayed one year of data (also known as Status). Status Levels are reported based on the 2021-2022 school year data using one of five Status Levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures.

Benchmark 2: The school will demonstrate at least one performance level growth per academic year, as reported on the California School Dashboard, for “English Learners” in Math as measured by CAASPP (SBAC) Assessment at a level equal to or greater than the Resident and Similar Schools Medians, with the goal of achieving and maintaining the “Green” performance level or higher by the end of the charter term.

Benchmark 2 was met for two of the three years for which data are available, based on the available data for each year. Performance Level (color) was only issued by the state in two years of the current term (2022-2023 and 2023-2024), thus, change in Performance Level can only be assessed in 2023-2024. The charter school's English Learner student group's Performance Level was Orange in both 2022-2023 and 2023-2024, and thus did not increase. As of the writing of this report, the RSM data set for 2023-2024 is not available. However, the school's English Learner students' Math performance was higher than the English Learner RSM for the two years for which data are available (2021-2022 and 2022-2023). The table below includes detailed data relating to this benchmark:

Alliance College-Ready Middle Academy 4 Math – English Learner Student Group					
	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024

* Due to the COVID-19 pandemic, the 2022 Dashboard only displayed one year of data (also known as Status). Status Levels are reported based on the 2021-2022 school year data using one of five Status Levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures.

Benchmark 3: The school will demonstrate at least one performance level growth per academic year, as reported on the California School Dashboard, for “Students with Disabilities” in Math as measured by CAASPP (SBAC) Assessment at a level equal to or greater than the Resident and Similar Schools Medians, with the goal of achieving and maintaining the “Green” performance level or higher by the end of the charter term.

Benchmark 3 was met for one of the three years for which data are available, based on the available data for each year. Performance Level (color) was only issued by the state in two years of the current term (2022-2023 and 2023-2024), thus, change in Performance Level can only be assessed in 2023-2024. The charter school’s Students with Disabilities student group’s Performance Level was Orange in both 2022-2023 and 2023-2024, and thus did not increase. As of the writing of this report, the RSM data set for 2023-2024 is not available RSM. The school’s Students with Disabilities’ performance was lower than the Students with Disabilities RSM in 2021-2022 and higher than the Students with Disabilities RSM in 2022-2023, which are the two years for which data are available. The table below includes detailed data relating to this benchmark:

Alliance College-Ready Middle Academy 4 Math – Students with Disabilities Student Group					
	2019-2020	2020-2021	2021-2022	2022-2023	2023-2024

Benchmark Status	Not available	Not available	Not Met	Met	Not Met

* Due to the COVID-19 pandemic, the 2022 Dashboard only displayed one year of data (also known as Status). Status Levels are reported based on the 2021-2022 school year data using one of five Status Levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures.

V. ANNUAL PERFORMANCE-BASED OVERSIGHT VISIT RESULTS

In accordance with Education Code section 47604.32, the District’s Charter Schools Division (CSD) conducts at least one school site visit each year where the CSD evaluates charter school performance in the following four categories: Governance; Student Achievement and Educational Performance; Organizational Management, Programs, and Operations; and Fiscal Operations. Charter schools are rated in each category based on information and evidence gathered at the time of the annual performance-based oversight visit following a four-point rubric: (4) *Accomplished*, (3) *Proficient*, (2) *Developing*, and (1) *Unsatisfactory*. Please see below for Alliance College-Ready Middle Academy 4’s outcomes on its annual oversight evaluation reports for the last two years.

a. Governance

Oversight Ratings/Concerns	
2022-2023	<i>Accomplished</i>
2023-2024	<i>Proficient</i>
Concerns	No unresolved issues pending

b. Student Achievement and Educational Performance

Oversight Ratings/Concerns	
2022-2023	<i>Developing</i>
2023-2024	<i>Developing</i>
Concerns	The rating of Developing in 2022-2023 and 2023-2024 were due to a majority of reported indicators that were rated at a “2” or “1.”

c. Organizational Management, Programs, and Operations

Oversight Ratings/Concerns	
2022-2023	<i>Developing</i>
2023-2024	<i>Proficient</i>
Concerns	The rating of Developing in 2022-2023 was a result of Alliance College-Ready Public Schools’ failure to conduct child abuse-mandated reporter training for two non-school-based staff members within the requisite timelines pursuant to applicable law

d. Fiscal Operations

Oversight Ratings/Concerns	
2022-2023	<i>Proficient</i>
2023-2024	<i>Proficient</i>
Concerns	No unresolved issues pending

VI. FISCAL MANAGEMENT AND PERFORMANCE

a. Fiscal Condition

Alliance College Ready Middle Academy 4’s fiscal condition has been positive since 2019-2020 fiscal year.

	2019-2020 (Audited Actuals)	2020-2021 (Audited Actuals)	2021-2022 (Audited Actuals)	2022-2023 (Audited Actuals)	2023-2024 (Unaudited Actuals)
Net Assets	\$4,498,198	\$5,553,948	\$5,984,934	\$6,625,908	\$6,340,487
Net Income/Loss	(\$37,508) ¹	\$1,052,311	\$430,986	\$640,974	(\$285,421) ³

Prior Year Adjustment(s)	\$0	\$0	\$0	\$0	\$918
Norm Enrollment ⁴	452	457	464	463	466

¹ According to Alliance College-Ready Public Schools (ACRPS), the reported net loss of (\$37,508) for Fiscal Year 2019-2020 was primarily attributed to some deficit spending to meet operational needs. Per ACRPS, the transfers out of (\$990) represented the school’s return to the State of unused

Proposition 39 funds that were part of green energy project funds that were not expended on the funded projects.

² The inbound money transfer of \$3,439 during Fiscal Year 2020-2021 represented an adjustment for the remaining child nutrition fund balances held by the closed schools of Alliance Baxter College-Ready High and Alliance College-Ready Middle Academy 5 which were transferred to the remaining ACRPS schools.

³ According to ACRPS, the projected net loss of (\$285,421) for Fiscal Year 2023-2024 was the transition from substantial one-time COVID-related support to sustainable operations under recurring funding, and the implementation of a math pilot program.

⁴ The Norm Enrollment reported by Alliance College Ready Middle Academy 4 for Fiscal Year 2024-2025 is 488. CSD staff will continue to monitor Alliance College Ready Middle Academy 4's enrollment in accordance with established procedures, and will take appropriate actions to ensure Charter School's alignment with the approved capacity.

b. 2022-2023 Independent Audit Report

Audit Opinion: Unmodified/Unqualified

Material Weaknesses: None Reported

Deficiencies/Findings: None Reported

Lack of a Going Concern: None Reported

c. Other Significant Fiscal Information

The 3-year budget and cash flow projections submitted with the material revision reflect positive net assets and a net loss for Fiscal Year 2024-2025 due to the transition from substantial one-time COVID-related support to sustainable operations under recurring funding, and the implementation of a math pilot program. ACRMA4's submitted budget and cash flow projections account for costs associated with the proposed facility. Despite these expenditures, the school projects positive net operating results, positive net assets, and cash reserve levels above the recommended 5% minimum for the remaining years of the current charter term (Fiscal Years 2025-2026 and 2026-2027).

The financial condition of the charter operator is summarized in the table below.

Academic Performance - English Language Arts

This report shows the performance levels for a single state indicator, English Language Arts, for all student groups. It also shows how the current year (status, DFS) compares to prior years (change) for each state indicator. Status and change each have five possible levels, which are displayed with the data for each indicator. A single asterisk (*) and a single dash (-) shows that the student group has fewer than 11 students and is not reported for privacy reasons. For student groups with 11-29 students or do not have at least 30 students with scores in the current and prior year, status and change are reported, and no performance level (color) will be reported. A double dash "--" means that data is not currently available. Note: Charter Schools are treated as schools (not LEAs) when it comes to reporting Foster Youth and Homeless student groups. Charter schools will need at least 30 or more Foster Youth, or 30 or more Homeless students, to receive a status level for each student group.

Participation Rate Report below displays the percent of students tested by content area. The Every Student Succeeds Act requires districts and schools to test at least 95 percent of all students and student groups in English language arts and mathematics. It also requires states to factor the participation rate into the Academic Indicator. For any local educational agency (LEA), school, or student group with less than 95 percent of students tested, the ESSA requires a penalty to be applied to the Academic Indicator. To meet this federal requirement, California assigns the Lowest Obtainable Scale Score (LOSS) to each student needed to bring the participation rate of the school, district, and/or student group to 95 percent. The LOSS assigned to each of these students who did not test will be used in calculating the Distance from Standard (DFS).

English Learner Progress Indicator (ELPI)

This report shows the percentage of current English learner (EL) students making progress towards English language proficiency at their school. The English Learner Progress Indicator (ELPI) relies on the results of the Summative English Language Proficiency Assessment (ELPAC), including Summative Alternate ELPAC results, to determine EL student progress. For the EL students taking the Summative ELPAC, those who increase an ELPI level or maintain ELPAC Level 4 are counted as making progress towards English language proficiency. ELPI Change measures the rate at which schools are improving their ability to move their EL students towards English language proficiency. It is the difference between the prior year Status and the current year Status. A single asterisk (*) and a single dash (-) shows that the student group has fewer than 11 students and is not reported for privacy reasons. For student groups with 11-29 students or do not have at least 30 students with scores in the current and prior year, status and change are reported, and no performance level (color) will be reported. Districts and schools that do not meet the 95 percent participation rate on the Summative ELPAC and Summative Alternative ELPAC and have at least 30 EL students enrolled during the testing window (February 1 to May 31) will receive a modified ELPI rate on the California School Dashboard (Dashboard). For each district and school that does not meet the 95 percent target, the minimum number of students needed to reach a participation rate of at least 95 percent is determined. The resulting number of students will be counted as not making progress in the current ELPI Status calculation.

Chronic Absenteeism

This report shows the percentage of students in Kindergarten through grade eight who were absent 10 percent or more of the school year. For most state indicators, the desired outcome is to have a high percentage of performance in the current year. However, chronic absenteeism has a reverse goal of having the lowest percentage of students chronically absent in the current year. Current and prior year data is compared to see whether a school made improvement (i.e., had a lower rate of Chronic Absenteeism in 2023 than it did in 2022) or did worse (i.e., had a higher rate in 2023). Taken together, current year data and its comparison with prior year data will give a performance level (color). A single asterisk (*) and a single dash (-) shows that the student group has fewer than 11 students and is not reported for privacy reasons. For student groups with 11-29 students or do not have at least 30 students with scores in the current and prior year, status and change are reported, and no performance level (color) will be reported. A double dash "--" means that data is not currently available.

Suspension Rate Indicator

This report shows the number of students who have an aggregate suspension of at least one full day. A student is counted as suspended in the suspension rate only once regardless of multiple suspensions or multiple days of suspension. For most state indicators, the desired outcome is a high percentage of performance in the current year and an increase from the prior year. However, for the Suspension Rate indicator, the desired outcome is a low rate in the current year and a decline from the prior year. Current and prior year data is compared to see whether a school made improvement (i.e., had a lower rate of suspension in 2022-23 than it did in 2021-22) or did worse (i.e., had a higher rate in 2022-23 than in 2021-22). Taken together, current year data and its comparison with prior year data will give a performance level (color). A single asterisk (*) and a single dash (-) shows that the student group has fewer than 11 students and is not reported for privacy reasons. For student groups with 11-29 students or do not have at least 30 students with scores in the current and prior year, status and change are reported, and no performance level (color) will be reported. A double dash "--" means that data is not currently available.

Enrollment Report

This report displays CALPADS K-12 enrollment number and percentages of select student groups. Annual enrollment consists of the number of students primarily enrolled on Census Day (the first Wednesday in October). This information was submitted by local educational agencies (LEAs) and charter schools to the California Department of Education (CDE) as part of the annual Fall 1 data submission in the California Longitudinal Pupil Achievement Data System (CALPADS). These data were reviewed and certified in CALPADS as being accurate by authorized district or school personnel. In order to certify data in CALPADS, authorized district or charter school personnel are required to review the accuracy of all data associated with the applicable CALPADS submission. The California Department of Education collects some data on GATE programs through the California Longitudinal Pupil Achievement Data System (CALPADS); however, this information is submitted by LEAs on a voluntary basis and it wouldn't necessarily be accurate as per CDE. This reports shows a two year comparison of the number of English Learners (ELs) on Census Day, the number of students reclassified since the prior Census Day, and the reclassification rate for each specified year. The reclassification rate, displayed in percentage, is calculated by dividing the number reclassified by the number of prior year ELs.

Students with Disabilities Report

This report displays the K-12 enrollment and the number of K-12 students with disabilities total, by incidence category, and by eligibility as reported on the Census Day (First Wednesday in October) CALPADS Fall 1 Certified Student Profile List Report (Report 8.1) submitted by LEAs (Local Education Agencies). LEAs are required to "certify" specified data during submission windows. The CDE uses certified data for state and federal reporting and to develop accountability metrics. Once data are certified by an LEA following the close of the Amendment Window, they are "frozen" and cannot be amended. Note: Students with disabilities counts and percentages in this report may be higher or lower for some schools when comparing this report counts with 2021-22 Enrollment by Student Group counts posted in DataQuest by the CDE due to the accuracy of all data associated with the applicable CALPADS submission. CALPADS certification is a two-step process with Level-2 certification reserved for the district superintendents, charter school administrators, or their designees. High incidence eligibilities are indicated by an asterisk (*). **MATERIAL REVISION TO CHARTER OF
ALLIANCE COLLEGE-READY MIDDLE ACADEMY 4**

This Material Revision to the Charter of Alliance College-Ready Middle Academy 4 (“Material Revision”) is made between the Los Angeles Unified School District (“District” or “LAUSD”), a California public school district, and Alliance College-Ready Public Schools (“ACRPS”), a California non-profit public benefit corporation, operating a California public charter school known as Alliance College-Ready Middle Academy 4 (“Charter School” and/or “ACRMA4”). District and ACRPS are also referred to individually as “Party,” and collectively as “Parties.”

This Material Revision is to be read in conjunction with and shall expressly revise the charter of ACRMA4 which was originally authorized by the LAUSD Board of Education (“Board of Education”) on **April 14, 2009**, and last renewed on September 25, 2018 for a five-year term, from 2019 to 2024 (“Charter”) and was set to expire on June 30, 2024. However, Education Code section 47607.4 provides that all charter schools whose term expires on or between January 1, 2022, and June 30, 2025, inclusive, shall have their term extended by two years, and all charter schools whose term expires on or between January 1, 2024, and June 30, 2027, inclusive, shall have their term extended by one additional year. Thus, by operation of law, the charter term for Charter School expires on **June 30, 2027**.

The effective date of this Material Revision is the date of approval by the Board of Education and shall be implemented starting in the 2025-26 academic school year. This Material Revision is based upon the following factual recitals:

RECITALS

A. **WHEREAS**, the approval of charter schools is governed by the Charter Schools Act of 1992, as subsequently amended, Education Code sections 47600 et seq;

B. **WHEREAS**, as set forth in Education Code section 47607, material revisions of charters are governed by the standards and criteria described in Section 47605, and shall include, but not be limited to, a reasonably comprehensive description of any new requirement of charter schools enacted into law after the charter was originally granted or last renewed;

C. **WHEREAS**, the District’s Charter Schools Division (“CSD”) must determine whether the Charter, as materially revised, would be reasonably comprehensive, educationally sound, and demonstrably likely to be successfully implemented;

D. **WHEREAS**, a material revision includes, but is not necessarily limited to, any change that would significantly alter a charter school's mission, vision, educational philosophy, educational program, governance, or organizational structure;

E. **WHEREAS**, as set forth in the Charter, ACRMA4 is currently approved to serve 450 students in grades 6-8, and has been operating from a private facility located at 9719 South Main Street, Los Angeles, CA 90003;

F. **WHEREAS**, the Charter School’s governing board convened a meeting on September 11, 2024 during which it approved a Board Resolution IV-M (“Resolution”) proposing to materially revise the Charter to reflect an additional private site for the Charter School located at 9701 South Main Street, Los Angeles, CA 90003, (“Expansion Space”). The Resolution is attached herewith as **Attachment A** and part of this Material Revision;

G. **WHEREAS**, in the correspondence submitted to the District on or about September 5, 2024 (“September 2024 Correspondence”) in support of this Material Revision, “On July 19, 2019, Alliance purchased property abutting the Charter School’s 9719 South Main location, at 9701 South Main Street, Los Angeles, CA 90003, title to which is held by Alliance, and which real property is designated as Assessor’s Parcel Number 6053-014-014....The Expansion Space will house four additional classrooms, a multipurpose space, and broader outdoor space. Alliance is on track to receive building permits from the City of Los Angeles Department of Building and Safety in 2024 and expects any necessary construction to be completed in time for the second semester of the 2025-26 school year. The September 2024 Correspondence and “copy of the agreement for the purchase of the Expansion Space” are attached, collectively, herewith as **Attachment B** and part of this Material Revision;

H. **WHEREAS**, charter schools occupying non-LAUSD facilities must, prior to use, provide the CSD with a current Certificate of Occupancy or equivalent document issued by the applicable permitting agency allowing the charter school to use and occupy the site as a charter school for its intended purpose (i.e., applicable grade levels). Charter schools are responsible for ensuring compliance with all applicable building codes, standards, and regulations adopted by the city and/or county agencies with jurisdiction to enforce building and safety standards for the school site, as well as federal and state accessibility requirements, and all other applicable fire, health, and structural safety and access requirements;

I. **WHEREAS**, the District considers a charter school’s expansion to one or more additional sites as constituting a material revision pursuant to California law and *LAUSD Policy and Procedures for Charter Schools* (“LAUSD Policy”); and

J. **WHEREAS**, the Parties agree to materially revise the Charter to reflect the changes above, LAUSD Policy and applicable state and federal laws;

NOW, THEREFORE, in consideration of the following terms and conditions, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

MATERIAL REVISION

1. The Parties incorporate the above Recitals as if fully restated in this Material Revision.
2. **Charter School location:** The Charter shall be revised to reflect that the locations for the Charter School are as follows:
 - 9719 South Main Street, Los Angeles, CA 90003, and

RE: Request for Material Revision of Alliance College-Ready Middle Academy 4 Charter Petition

Dear Director Cole-Gutiérrez:

On behalf of Alliance College-Ready Public Schools (“Alliance”), which operates Alliance College-Ready Middle Academy 4 (“ACRMA 4” or the “Charter School”), I am writing to respectfully submit a request a material revision to the ACRMA 4 charter petition to include use of a nearby facility for student instructional purposes. A draft Board Resolution authorizing submission of the material revision is included as Attachment A.

The nature and scope of the change associated with this material revision is to include an appendix to the charter titled “School Facilities,” which describes an additional space purchased by Alliance abutting the Charter School’s existing location to be utilized by the Charter School. Starting with the 2025-26 school year, and pending the approval of the Los Angeles Unified School District (“LAUSD” or the “District”), ACRMA 4 plans to utilize this additional space for classroom instruction, a multipurpose room, and outdoor space.

All ACRMA 4 students, grades 6-8, currently attend school in the facilities located at 9719 South Main Street, Los Angeles, CA 90003. On July 19, 2019, Alliance purchased property abutting the Charter School’s 9719 South Main location, at 9701 South Main Street, Los Angeles, CA 90003, title to which is held by Alliance, and which real property is designated as Assessor’s Parcel Number 6053-014-014 (the “Expansion Space”). The Expansion Space will house four additional classrooms, a multipurpose space, and broader outdoor space. Alliance is on track to receive building permits from the City of Los Angeles Department of Building and Safety in 2024 and expects any necessary construction to be completed in time for the second semester of the 2025-26 school year.

On May 29, 2024, the District emailed Alliance regarding the Charter School’s use of the Expansion Space. While ACRMA 4’s planned use of the Expansion Space does not materially change its operations, the District has determined that it will require the Charter School to

request a material revision in order for the District to authorize its use of this space. Although it does not appear that this space triggers the statutory requirements to require a material revision, the Alliance Governing Board nevertheless desires to conform to the District's requirements.

The requested change is educationally sound. ACRMA 4 has operated successfully for almost ten full school years and its students have earned Color Ratings in Math and English Language Arts on the 2023 California School Dashboard that are equal or superior to neighboring Middle Schools. In addition, on the 2023 California School Dashboard, students at ACRMA 4 have earned DFS scores in Math that are greater than neighboring Middle Schools and comparable to LAUSD as a whole. They also earned DFS scores in English Language Arts that are greater than both neighboring Middle Schools and LAUSD as a whole. We believe the performance of the students at ACRMA4 is an indication of the value that this school brings to its community. The Expansion Space will allow the school to continue to live up to the goals of its charter petition to create a safe, nurturing space for students that supports their academic needs in order to ensure their success in high school and college. The Charter School's address will not change, and the Charter School is not seeking an increase in its charter enrollment capacity.. A copy of the agreement for the purchase of the Expansion Space is attached as Attachment B.

The **clear identification and description of each addition and change to the charter petition** will consist of the following:

- Page 161: Additional Provisions
 - "For a description of all facilities utilized by the Charter School, please see Appendix A ("School Facilities")."
 - Appendix A will be attached to include a description of the additional spaces utilized by the Charter School.

Alliance looks forward to working with LAUSD to efficiently and timely process this request. Should you have any questions, please do not hesitate to contact me at twilson@laalliance.org

Sincerely,

Tiffany Wilson

**Federal, State and District Required Language for Independent Charter School
Petitions (New and Renewal) and Material Revisions**

Dear Applicants:

On the following pages, you will find the “Federal, State, and District Required Language” (“FSDRL”) that must be included in a comprehensive independent charter school petition.*

Please follow the instructions below:

- ☐ Check the Charter Schools Division website (<http://charterschools.lausd.net>) to ensure that this document is the current version of the FSDRL, as it may be changed from time to time.
- ☐ Provide the “Assurances, Affirmations, and Declarations” page (the first two pages of the FSDRL) at the beginning of the petition, immediately after the table of contents.
- ☐ Place the FSDRL for each Element at the beginning of the Element under the Element heading. Use the Element headings provided in the FSDRL, including the statutory language for each Element.
- ☐ Highlight all FSDRL in gray, as shown here, to facilitate easy identification of the FSDRL within the petition. Do not highlight any other text in gray.
- ☐ On the “Assurances, Affirmations, and Declarations” page, replace “[Charter School]” with the name of the proposed charter school and replace “[short form of school name]” with an appropriate identifier.
- ☐ Do not add, delete, or change any provision of the FSDRL other than the instruction above.
- ☐ **Ensure that all other provisions in the charter petition do not duplicate and are otherwise consistent with the provisions of the FSDRL.**

***NOTE: Public School Choice (PSC) charter schools seeking renewal must include in their renewal petitions the PSC-specific version of the FSDRL. Other charter schools, such as conversion independent and non-classroom based charter schools, may be required to include context-specific FSDRL as well.**

Assurances, Affirmations, and Declarations

[Charter School] (also referred to herein as “[short form of school name]” and “Charter School”) shall:

- Be nonsectarian in its programs, admission policies, employment practices, and all other operations. (California Education Code (hereinafter “Ed. Code”) § 47605(e)(1).)
- Not charge tuition. (Ed. Code § 47605(e)(1).)
- Not discriminate against any pupil on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in section 422.55 of the Penal Code, including immigration status. (Ed. Code § 47605(e)(1); Ed. Code § 220.)
- Except as provided in Education Code section 47605(e)(2), admission to a charter school shall not be determined according to the place of residence of the pupil, or of his or her parent or legal guardian, within this state, except that an existing public school converting partially or entirely to a charter school under this part shall adopt and maintain a policy giving admission preference to pupils who reside within the former attendance area of that school. (Ed. Code § 47605(e)(1).)
- Admit all pupils who wish to attend Charter School. (Ed. Code § 47605(e)(2)(A).)
- Except for existing pupils of Charter School, determine attendance by a public random drawing if the number of pupils who wish to attend Charter School exceeds Charter School’s capacity. Preference shall be extended to pupils currently attending Charter School and pupils who reside in the Los Angeles Unified School District (also referred to herein as “LAUSD” and “District”). Preferences shall not result in limiting enrollment access for pupils with disabilities, academically low-achieving pupils, English learners, neglected or delinquent pupils, homeless pupils, or pupils who are economically disadvantaged, as determined by eligibility for any free or reduced-price meal program, foster youth, or pupils based on nationality, race, ethnicity, or sexual orientation, and shall not require mandatory parental volunteer hours as a criterion for admission or continued enrollment. (Ed. Code § 47605(e)(2)(B).)
- Charter school shall not encourage a pupil currently attending the Charter School to disenroll from the Charter School or transfer to another school for any reason, including, but not limited to, academic performance of the pupil or because the pupil exhibits any of the characteristics described in Education Code section 47605(e)(2)(B)(iii). (Ed. Code § 47605(e)(4).)
- If a pupil is expelled or leaves Charter School without graduating or completing the school year for any reason, Charter School shall notify the superintendent of the school district of the pupil’s last known address within 30 days, and shall, upon request, provide that school district with a copy of the cumulative record of the pupil, including a transcript of grades or report card, and health information. (Ed. Code § 47605(e)(3).)

- Meet all statewide standards and conduct the pupil assessments required pursuant to Education Code sections 60605 and 60851 and any other statewide standards authorized in statute or pupil assessments applicable to pupils in non-charter public schools. (Ed. Code § 47605(d)(1).)
- Consult, on a regular basis, with Charter School's parents, legal guardians, and teachers regarding the school's educational programs. (Ed. Code § 47605(d)(2).)

Charter School hereby declares that Charter School, operated as or by its nonprofit public benefit corporation, is and shall be the exclusive public school employer of Charter School's employees for the purposes of the Educational Employment Relations Act (EERA), Chapter 10.7 (commencing with Section 3540) of Division 4 of Title I of the Government Code. Charter School shall comply with all provisions of the EERA and shall act independently from LAUSD for collective bargaining purposes. In accordance with the EERA, employees may join and be represented by an organization of their choice for collective bargaining purposes.

NOTE: This Charter contains specific "Federal, State and District Required Language" (FSDRL), including the *Assurances, Affirmations, and Declarations* section above. The FSDRL should be highlighted in gray within each Charter element or section. The final section of the Charter provides a consolidated addendum of the FSDRL. This intentional redundancy facilitates efficient charter petition review while ensuring ready access to the FSDRL for any given section of the Charter. To the extent that any inconsistency may exist between any provision contained within the body of the Charter and the FSDRL contained in the addendum, the provisions of the FSDRL addendum shall control.

Element 1 – The Educational Program

"The educational program of the charter school, designed, among other things, to identify those whom the charter school is attempting to educate, what it means to be an "educated person" in the 21st century, and how learning best occurs. The goals identified in that program shall include the objective of enabling pupils to become self-motivated, competent, and lifelong learners." (Ed. Code § 47605(c)(5)(A)(i).)

"The annual goals for the charter school for all pupils and for each subgroup of pupils identified pursuant to Section 52052, to be achieved in the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served, and specific annual actions to achieve those goals. A charter petition may identify additional school priorities, the goals for the school priorities, and the specific annual actions to achieve those goals." (Ed. Code § 47605(c)(5)(A)(ii).)

"If the proposed charter school will serve high school pupils, a description of the manner in which the charter school will inform parents about the transferability of courses to other public high schools and the eligibility of courses to meet college entrance requirements. Courses offered by the charter school that are accredited by the Western Association of Schools and Colleges may be considered transferable and courses approved by the University of California or the California State University as creditable under the "A" to "G" admissions criteria may be considered to meet college entrance requirements." (Ed. Code § 47605(c)(5)(A)(iii).)

LOCAL CONTROL FUNDING FORMULA (LCFF) AND LOCAL CONTROL AND ACCOUNTABILITY PLAN (LCAP)

In accordance with Education Code sections 47604.33 and 47606.5, Charter School shall annually update its goals and annual actions to achieve those goals identified in the charter pursuant to Education Code section 47605(c)(5)(A)(ii), using the Local Control and Accountability Plan template adopted by the State Board of Education, as it may be changed from time to time. Charter School shall comply with all requirements of Education Code section 47606.5, including but not limited to the requirement that Charter School “shall consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the local control and accountability plan and annual update to the local control and accountability plan.” (Ed. Code § 47606.5(d).)

Instructional plans for English Learners must be (1) based on

sound educational theory; (2) adequately supported with trained teachers and appropriate materials and resources; and (3) periodically evaluated to make sure the program is successful and modified when the program is not successful.

On an annual basis, upon request, Charter School shall submit a certification to the LAUSD Charter Schools Division (CSD) that certifies that Charter School has adopted and is implementing either the LAUSD Master Plan for English Learners and Standard English Learners *or* Charter School's own English Learner (EL) Master Plan. If Charter School chooses to implement its own EL Master Plan, the plan shall provide a detailed description of Charter School's EL program, and shall address the following:

Special Education Program

Charter School shall ensure that no student otherwise eligible to enroll in Charter School shall be denied, directly or indirectly, admission due to a disability or to Charter School's inability to provide necessary services. Charter School acknowledges that policies and procedures are in place

to ensure the recruitment, enrollment, service, and retention of students with disabilities at LAUSD-authorized charter schools, including Charter School.

Prior to LAUSD Board of Education approval of an initial Charter petition, and if a renewing Charter School intends to operate as a “school of the district” for special education services, Charter School shall execute a Memorandum of Understanding (“MOU”) by and between LAUSD and Charter School regarding the provision and funding of special education services consistent with applicable state law and the LAUSD Special Education Local Plan Area (“SELPA”) Local Plan for Special Education and shall be considered a “public school of the District” for purposes of Special Education pursuant to Education Code section 47641(b). However, Charter School reserves the right to make written verifiable assurances that it may become an independent local educational agency (LEA) and join a SELPA pursuant to Education Code section 47641(a) either on its own or with a grouping of charter school LEAs as a consortium following the requirements of Education Code section 56195.3(b). In this instance, Charter School will execute a MOU with LAUSD on provisions of special education as a member of a non-LAUSD SELPA.

SELPA Reorganization

The Los Angeles Unified School District is approved to operate as a single-District SELPA under the provisions of Education Code section 56195.1(a). As a single-District SELPA, the District has created two charter school sections (District-operated Programs and Charter-operated Programs) under the administration of one single Administrative Unit pursuant to a reorganization plan approved by the Board of Education on January 4, 2011 (149/10-11). Full implementation of the reorganized LAUSD SELPA commenced in the 2013-2014 school year requiring all District-authorized charter schools to elect one of the three options available under the LAUSD SELPA. Prior to an option election, all District-authorized charter schools were required to participate as a school of the District under the District-Operated Programs Unit. Prior to the beginning of the 2013-2014 school year, all District-authorized charter schools, other than those that had previously executed an Option 3 Memorandum of Understanding (“MOU”), were required to execute a new MOU setting forth the LAUSD SELPA option election for the remainder of the charter petition term. The Charter-operated Program schools do not have LEA status for the purposes of special education but will function in a similar role in that each charter school will be responsible for all special education requirements, including but not limited to services, placement, due process, related services, special education classes, and special education supports. Charter schools that have elected to participate in a District-operated programs option may apply for membership in the Charter-operated Program section of the SELPA. Charter schools accepted for participation in the Charter-operated Programs section receive support from a Special Education Director for the Charter-operated Programs.

Use of District’s Special Education Policies and Procedures and Data Systems

All charter schools approved by the LAUSD Board of Education are bound by and must adhere to the terms, conditions and requirements of orders imposed upon the District pertaining to special education. All charter schools are required to use the District’s Special Education Policies and Procedures Manual and Welligent, the District-wide web-based software system used for online Individualized Education Programs (“IEPs”) and tracking of related services provided to students during the course of their education.

All charter schools are required to interface with My Integrated Student Information System (MiSiS) via a web based Application Programming Interface (API). MiSiS is a suite of applications which is designed to capture all student data. .

**Element 2 – Measurable Pupil Outcomes and
Element 3 – Method by which Pupil Progress Toward Outcomes will be
Measured**

“The measurable pupil outcomes identified for use by the charter school. “Pupil outcomes,” for purposes of this part, means the extent to which all pupils of the school demonstrate that they have attained the skills, knowledge, and attitudes specified as goals in the school’s educational program. Pupil outcomes shall include outcomes that address increases in pupil academic achievement both schoolwide and for all pupil subgroups served by the charter school, as that term is defined in subdivision (a) of Section 52052. The pupil outcomes shall align with the state priorities, as described in subdivision (d) of Section 52060, that apply for the grade levels served by the charter school.” (Ed. Code § 47605(c)(5)(B).)

“The method by which pupil progress in meeting those pupil outcomes is to be measured. To the extent practicable, the method for measuring pupil outcomes for state priorities shall be consistent with the way information is reported on a school accountability report card.” (Ed. 9. Charter School shall provide to the responsible person(s) designated by the governing board of Charter School to conduct all closure-related activities a list of students in each grade level and, for each student, a list of classes completed and the student's district of residence.

Financial Close-Out

After receiving notification of closure, the California Department of Education (CDE) will notify Charter School and the authorizing entity of any liabilities Charter School owes the state, which may include overpayment of apportionments, unpaid revolving fund loans or grants, and/or similar liabilities. The CDE may ask the county office of education to conduct an audit of the charter school if it has reason to believe that the school received state funding for which it was not eligible.

Charter School shall ensure completion of an independent final audit within six months after the closure of Charter School that includes:

1. An accounting of all financial assets. These may include cash and accounts receivable and an inventory of property, equipment, and other items of material value.

2. An accounting of all liabilities. These may include accounts payable or reduction in apportionments due to loans, unpaid staff compensation, audit findings, or other investigations.
3. An assessment of the disposition of any restricted funds received by or due to Charter School.

This audit may serve as Charter School's annual audit if it meets all of the requirements of the annual audit.

Charter School shall pay for the financial closeout audit of Charter School. This audit will be conducted by a neutral, independent licensed CPA who will employ generally accepted accounting principles. Any liability or debt incurred by Charter School will be the responsibility of Charter School and not LAUSD. Charter School understands and acknowledges that Charter School will cover the outstanding debts or liabilities of Charter School. Any unused monies at the time of the audit will be returned to the appropriate funding source. Charter School understands and acknowledges that only unrestricted funds will be used to pay creditors. Any unused AB 602 funds will be returned to the District SELPA or the SELPA in which Charter School participates, and other categorical funds will be returned to the source of funds.

Charter School shall ensure the completion and filing of any annual reports required. These reports include but are not necessarily limited to:

1. Preliminary budgets
2. Interim financial reports
3. Second interim financial reports
4. Final unaudited reports

These reports must be submitted to the CDE and the authorizing entity in the form required. These reports should be submitted as soon as possible after the Closure Action, but no later than the required deadline for reporting for the fiscal year.

For apportionment of categorical programs, the CDE will count the prior year average daily attendance (ADA) or enrollment data of the closed Charter School with the data of the authorizing entity. This practice will occur in the first year after the closure and will continue until CDE data collection processes reflect ADA or enrollment adjustments for all affected LEAs due to the charter closure.

Disposition of Liabilities and Assets

The closeout audit must identify the disposition of all liabilities of Charter School. Charter School closure procedures must also ensure appropriate disposal, in accordance with the District Required Language provisions in Element 11 of this Charter, Charter School's governing board bylaws, fiscal procedures, and any other applicable laws and regulations, of any net assets remaining after all liabilities of Charter School have been paid or otherwise addressed. Such disposal includes, but is not limited to:

1. Charter School, at its cost and expense, shall return to the District any and all property, furniture, equipment, supplies, and other assets provided to Charter School by or on behalf of the District. The District discloses that the California Education Code sets forth the requirements for the disposition of the District's personal property and Charter School shall bear responsibility and liability for any disposition in violation of statutory requirements.
2. The return of any donated materials and property in accordance with any terms and conditions set when the donations were accepted.
3. The return of any grant and restricted categorical funds to their sources according to the terms of the grant or state and federal law.
4. The submission of final expenditure reports for any entitlement grants and the filing of Final Expenditure Reports and Final Performance Reports, as appropriate.

If Charter School is operated as or by a nonprofit corporation, and if the corporation does not have any functions other than operation of Charter School, the corporation shall be dissolved according to its bylaws.

Charter School shall retain sufficient staff, as deemed appropriate by the Charter School governing board to complete all necessary tasks and procedures required to close the school and transfer records in accordance with these closure procedures.

Charter School's governing board shall adopt a plan for wind-up of Charter School and, if necessary, the corporation, in accordance with the requirements of the Corporations Code.

Charter School shall provide LAUSD within fourteen (14) calendar days of the Closure Action with written notice of any outstanding payments due to staff and the time frame and method by which Charter School will make the payments.

Prior to final close-out, Charter School shall complete all actions required by applicable law, including but not limited to the following:

- a. File all final federal, state, and local employer payroll tax returns and issue final W-2s and Form 1099s by the statutory deadlines.
- b. Make final federal tax payments (employee taxes, etc.)
- c. Complete and submit all required federal and state filings and notices to the State of California, the Internal Revenue Service, and the Department of the Treasury, including but not limited to final tax returns and forms (e.g., Form 990 and related Schedules).

This Element 15 shall survive the revocation, expiration, termination, cancellation of this Charter, or any other act or event that would end Charter School's authorization to operate as a charter school or cause Charter School to cease operation. Charter School agrees that, due to the nature of the property and activities that are the subject of this Charter, the District and public shall suffer irreparable harm should Charter School breach any obligation under this Element 15. The District therefore reserves the right to seek equitable relief to enforce any right arising under this Element 15 or any provision of this Element 15 or to prevent or cure any breach of any obligation

undertaken, without in any way prejudicing any other legal remedy available to the District. Such legal relief shall include, without limitation, the seeking of a temporary or permanent injunction, restraining order, or order for specific performance, and may be sought in any appropriate court.

Additional Provisions

FACILITIES

Charter School shall comply with all geographic and site limitations and related requirements set forth in Education Code sections 47605.1, 47602(a), and 47605(a).

District-Owned Facilities

If Charter School is using District facilities as of the date of the submission of this charter petition or takes occupancy of District facilities prior to the approval of this charter petition, Charter School shall execute an agreement provided by the District for the use of the District facilities as a condition of the approval of the charter petition. If at any time after the approval of this charter petition Charter School will occupy and use any District facilities, Charter School shall execute an agreement provided by the District for the use of the District facilities prior to occupancy and commencing use. Charter School shall implement and otherwise comply with the terms of any and all applicable facilities use agreements between Charter School and the District.

The circumstances of Charter School's occupancy of District facilities may change over time such as, but not limited to, enrollment, programs, and the conditions of facilities, and the District has a vested interest in having an agreement that is appropriate for the situation.

For a Sole Occupant Agreement or any other use agreement that is not a Proposition 39 Single Year Co-location Use Agreement or a lease issued through the Notice of Intent and bid process, the term may be co-terminous with the approved Charter, as permitted by law. Charter School and the District shall negotiate any modifications of the agreement with the goal of such amendment or new agreement being considered by the LAUSD Board of Education with the renewal of the charter petition. If Charter School and the District cannot execute an agreement in time for such to be considered by the Board of Education with the renewal of the charter petition, the approval of the renewal of the charter petition shall be conditioned upon Charter School and the District executing an amendment to the existing use agreement or a new agreement no later than May 1st or within nine (9) months of the date of the Board of Education's approval of the renewal of the charter petition. During such time period Charter School shall be permitted to remain in occupancy of the District facilities under the terms and conditions of the immediately preceding, executed use agreement; provided, that if Charter School and the District cannot agree upon and execute an amendment or new use agreement by said deadline, Charter School shall vacate the District facilities on or before June 30th of said school year.

Charter School acknowledges and agrees that occupancy and use of District facilities shall be in compliance with applicable laws and District policies for the operation and maintenance of District facilities and furnishings and equipment. Charter School shall comply with all District health, safety, and emergency procedures and requirements and shall be subject to inspection by the District's Facilities Services Division, OEHS, and other District offices in the same manner as

other LAUSD campuses. All District facilities (i.e., schools) will remain subject to those laws applicable to public schools.

In the event of an emergency, all District facilities (i.e., schools) are available for use by the American Red Cross and public agencies as emergency locations, which may disrupt or prevent Charter School from conducting its educational programs. If Charter School will share the use of District facilities with other District user groups, Charter School agrees that it will participate in and observe all District safety policies (e.g., emergency chain of information and participation in safety drills).

The use agreements provided by the District for District facilities shall contain terms and conditions addressing issues such as, but not limited to, the following:

- Use: Charter School will be restricted to using the District facilities for the operation of a public school providing educational instruction to public school students consistent with the terms of the Charter and incidental related uses. Separate and apart from its right as authorizer to observe and inspect any part of the charter school at any time pursuant to Education Code 47607(a)(1), the District shall have and reserves the right to inspect District facilities upon reasonable notice to Charter School.
- Furnishings and Equipment: The District shall retain ownership of any furnishings and equipment, including technology, (“F&E”) that it provides to Charter School for use. Charter School, at its sole cost and expense, shall provide maintenance and other services for the good and safe operation of the F&E.
- Leasing; Licensing: Use of the District facilities by any person or entity other than Charter School shall be administered by the District. The parties may agree to an alternative arrangement in the use agreement.
- Programs, Services, and Activities Outside Instructional Program; Third Party Vendors:
 - (i) Any program, service, or activity provided outside the instructional program shall be subject to the terms and provisions of the use agreement, and, additionally, may require a license, permit, or additional agreement issued by the District. The term “instructional program” is defined, per Education Code section 47612 and 5 CCR section 11960, as those required educational activities that generate funding based on “average daily attendance” and includes those extracurricular programs, services, and/or activities that students are required to participate in and do not require the payment of any consideration or fee.
 - (ii) Any program, service, or activity requiring the payment of any consideration or fee or provided by a third party vendor (defined as any person or entity other than Charter School), whether paid or volunteer and regardless of whether such may be within the instructional program, shall be subject to the terms and provisions of the use agreement and such third party vendor shall be required to obtain a license, permit, or additional agreement from the District.

- Minimum Payments or Charges to be Paid to District Arising from the Facilities:
 - (i) Pro Rata Share: The District shall collect, and Charter School shall pay a Pro Rata Share for facilities costs as provided in the Charter Schools Act of 1992 and its regulations. The parties may agree to an alternative arrangement regarding facilities costs in the use agreement; and
 - (ii) Taxes; Assessments: Generally, Charter School shall pay any assessment or fee imposed upon or levied on the LAUSD facilities that it is occupying or Charter School's legal or equitable interest created by the use agreement.
- Maintenance & Operations Services: In the event the District agrees to allow Charter School to perform any of the operation and maintenance services, the District shall have the right to inspect the District facilities, and the costs incurred in such inspection shall be paid by Charter School.
 - (i) Co-Location: If Charter School is co-locating or sharing the District facilities with another user, the District shall provide the operations and maintenance services for the District facilities and Charter School shall pay the Pro Rata Share. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such in the use agreement.
 - (ii) Sole Occupant: If Charter School is a sole occupant of District facilities, the District shall allow Charter School, at its sole cost and expense, to provide some operations and maintenance services for the District facilities in accordance with applicable laws and LAUSD's policies on operations and maintenance services for facilities and F&E. NOTWITHSTANDING THE FOREGOING, the District shall provide all services for regulatory inspections which as the owner of the real property it is required to submit, and deferred maintenance, and Charter School shall pay LAUSD for the cost and expense of providing those services. The parties may agree to an alternative arrangement regarding performance of the operations and maintenance services and payment for such services in the use agreement.
- Real Property Insurance: Prior to occupancy, Charter School shall satisfy requirements to participate in LAUSD's property insurance or, if Charter School is the sole occupant of LAUSD facilities, obtain and maintain separate property insurance for the LAUSD facilities. Charter School shall **not** have the option of obtaining and maintaining separate property insurance for the LAUSD facility IF Charter School is co-locating or sharing the LAUSD facility with another user.

Non-District-Owned Facilities

Occupancy and Use of the Site: Prior to occupancy or use of any school site or facility, Charter School shall provide the CSD with a current Certificate of Occupancy or equivalent document issued by the applicable permitting agency that allows Charter School to use and occupy the site as a charter school. Charter School shall not exceed the operating capacity of the site and shall operate within any limitations or requirements provided by the Certificate of Occupancy and any applicable permit. Charter School may not open or operate without providing a copy of an

appropriate Certificate of Occupancy to the CSD. If Charter School intends to move or expand to another facility during the term of this Charter, Charter School shall adhere to any and all District policies and procedures regarding charter material revision and non-material amendment. Prior to occupancy or use of any such additional or changed school site, Charter School shall provide an appropriate Certificate of Occupancy to the CSD for such facility. Notwithstanding any language to the contrary in this Charter, the interpretation, application, and enforcement of this provision are not subject to the Dispute Resolution Process outlined in Element 14.

Facility Compliance: Prior to occupancy or use of any non-District-owned school site and/or facility, Charter School shall ensure that the site and/or facility complies with all applicable building codes, standards and regulations adopted by the city and/or county agencies responsible for building and safety standards for the city in which Charter School is to be located, federal and state accessibility requirements (including the Americans with Disabilities Act (ADA) and Section 504), and all other applicable fire, health, and structural safety and access requirements. This requirement shall also apply to the construction, reconstruction, alteration of or addition to the facility. Charter School shall resolve in a timely manner any and all corrective actions, orders to comply, and notices issued by any authorized building and safety agency. Charter School cannot exempt itself from applicable building and zoning codes, ordinances, and ADA/Section 504 requirements. Charter School shall maintain on file readily accessible records that document facilities compliance and shall promptly provide such documentation to the CSD upon request.

Pest Management: Charter School shall comply with the Healthy Schools Act, Education Code section 17608, which details pest management requirements for schools.

Asbestos Management: Charter School shall comply with the asbestos requirement as cited in the Asbestos Hazard Emergency Response Act (AHERA), 40 C.F.R. part 763. AHERA requires that any building leased or acquired that is to be used as a school or administrative building shall maintain an asbestos management plan.

Charter School shall secure and maintain, at a minimum, insurance as set forth below with insurance companies acceptable to the District [A.M. Best A-, VII or better] or the equivalent provided through a California Joint Powers Authority self-insurance program to protect Charter School from claims which may arise from its operations.
