Renaming of Hesby Oaks Leadership Charter

Division of School Operations

Brief Description:

(Approval of the renaming of Hesby Oaks Leadership Charter) Recommends approval of renaming the school to Hesby Oaks Leadership Academy.

Action Proposed:

Approve the renaming of Hesby Oaks Leadership Charter to Hesby Oaks Leadership Academy consistent with BUL-5549.2 (Naming/ Renaming Schools, Buildings, and Fields). The school is located in Board District 4, Region North.

Background:

In the Fall of 2024, the community of Reseda raised concerns with the current name of the school: Hesby Oaks Leadership Charter. School administrators and staff began to communicate with stakeholders about the possible formation of a renaming committee made up of students, staff, and teachers. In the Fall of 2024, the renaming committee began to have formal meetings and generated feedback and ideas for school names from different stakeholders.

The school community proposed a name change would avoid confusion of being considered as an independent charter school. New families have shared the word “charter” in the school’s name automatically causes families to assume that Hesby Oaks Leadership Charter is not part of the LAUSD district. This confusion has led families away from the school thinking that the school is not aligned with the guidelines and policies of the school district.

The renaming committee proposed 2 school names for the community to vote on: Hesby Oaks Leadership Charter (keep as is) or Hesby Oaks Leadership Academy.

The school community realizes that changing the school’s name will support with attracting new families. The school will continue to successfully operate as a welcoming environment.

Expected Outcomes:

The school and community voted to change the name Hesby Oaks Charter to Hesby Oaks Leadership Academy. With the adoption of this report by the Los Angeles Unified Board of Education, Hesby Oaks Leadership Academy will become the new name of the school.

Board Options and Consequences:

If a “Yes” vote is rendered by the Board of Education, the name will change to Hesby Oaks Leadership Academy.

Policy Implications:

None.

Budget Impact:

There is no known budget impact at this time as signage changes are not required. Dropping Charter from the school’s name will not require any new signage, therefore there are no fiscal impacts associated with this board report.

Student Impact:

Renaming the school to Hesby Oaks Leadership Academy would have a positive community impact. It was also the most voted name by the parent and student stakeholder group. Stakeholders strongly believe that this will encourage new families to enroll and eliminate the confusion of assuming the school is part of a charter organization.

Equity Impact:

Not applicable.
