Ms. Griego, Ms. Ortiz Franklin, Dr. Rivas - Strengthening and Expanding Community-Based Safety Programs in Time of Heightened Immigration Enforcement (Res-025-25/26) (For Action December 16, 2025)

Whereas, In October 2025, the Los Angeles County Board of Supervisors declared state of emergency through a “Proclamation of Local Emergency for Federal Immigration Actions” in order to provide those most impacted with resources including economic relief, eviction protections, and other assistance; and in December 2024, LA City Council unanimously adopted an ordinance in to prohibit the use of city resources, personnel, property and data for federal immigration enforcement;

Whereas, Since the beginning of 2025, in Los Angeles and across the region, communities have witnessed heightened attacks on our most vulnerable communities, including Black, LGBTQ+, and immigrants, as a result of policies and rhetoric enacted by the federal administration;

Whereas, As a result of those heightened attacks, Los Angeles Unified School District students and family members have been targeted, arrested, detained, and deported to their home countries within a matter of days;

Whereas, Communities are experiencing a widespread fear of U.S. Immigration and Customs Enforcement (ICE) raids, detentions, and deportations near and around our schools consequently creating chaos and economic uncertainty as a result of family separations, job loss, housing destabilization, and movement across the region;

Whereas, Recent immigration enforcement efforts have created fear, sorrow, and anxiety in our communities negatively impacting the mental health of young people. According to the 2025 BlueSky Youth Mental Health Survey, over 81 percent of youth respondents expressed concern with discrimination against immigrants;

Whereas, Particular communities across the greater Los Angeles region are being racially profiled and targeted. The map “Areas of Focus for Immigration Activity” produced by the Coalition for Humane Immigrant Rights (CHIRLA) highlighted the communities of the San Fernando Valley (Pacoima and North Hills), South LA (Jefferson Park and Westmont), Southeast LA (Norwalk, Bellflower, Downey, South Gate) as the communities with the highest immigration enforcement activity between June 6 and July 20, 2025;

Whereas, The Governing Board of the Los Angeles Unified School District has reaffirmed its commitment to making Los Angeles Unified School District a sanctuary district through resolutions “Reaffirmation of Los Angeles Unified School District Schools as Safe Zones for Families Threatened by Immigration Enforcement” (Res-093- 16/17), and “Reaffirm that Los Angeles Unified School District Will Be a Sanctuary District and Safe Zone for Families Threatened by Immigration Enforcement” (Res-034-24/25);

Whereas, In July of 2025, the Board unanimously approved the resolution “Upholding Our Constitutional Rights and Standing with Immigrant Communities” (Res-086-24/25) which condemns the militarization of immigrant communities, including any uninvited deployment of federal agents, National Guard personnel, in our schools and communities without local request and transparent civilian oversight;

Whereas, The District has responded by expanding the We Are One campaign, which includes Know Your Rights trainings, emergency preparedness plans, strengthening partnerships with community organizations and service providers, establishing and implementing protocols for when ICE attempts to enter our campuses, and other mental, financial and legal supports for impacted students and families;

Whereas, Community members, organizations and labor partners in the greater Los Angeles area have organized rapid response and mutual aid networks; organized and led Know Your Rights trainings for community members, students, and educators; documented ICE raids that have provided the basis for lawsuits against the federal administration; demonstrated a commitment to keeping our students safe by being present at schools during the first week of school; and communicating with board members and other District leaders to offer support;

Whereas, Through the unanimously approved “Community-Based Safety Analysis and Expansion” (Res-023-22/23) resolution, the District committed to implementing a holistic vision of school safety that called for a Community-Based Safety Pilot at Black Student Achievement Plan (BSAP) schools incorporating safe passages, peacebuilding, and community development; and a Landscape Analysis Report produced by the Independent Analysis Unit to inform the expansion of community-based safety programs across the District;

Whereas, Community-Based Safety programs, when implemented with fidelity, create inclusive, supportive, and safe learning environments for Black, undocumented, LGBTQ+ students without criminalizing or harming students;

Whereas, The District allocated \$125 million in base funding and an additional \$50 million in one-time funding in the 2025-26 budget towards BSAP, which included funding to maintain and expand community-based safety program at BSAP schools;

Whereas, The District currently has over 170 active community-based safety programs, which include; more than 75 safe passage programs, approximately 60 peace building programs, and nearly 40 community development programs across BSAP schools; and

Whereas, The District has recently executed separate Memorandum of Understandings (MOU) with the Los County Office of Violence Prevention and the City of Los Angeles’s Gang Reduction and Youth Development Program (GRYD), leading to the initiation of a pilot safe passage program at Sotomayor Arts and Sciences Magnet, Bernstein High School and Virgil Middle School; now, therefore be it
