Teamsters Local 572 (Teamsters) 2024-2027 Memorandum of Understanding

Office of Labor Relations

Brief Description:

(Teamsters Local 572 (Teamsters) 2024-2027 Memorandum of Understanding) Recommends Adoption of the 2024-2027 Memorandum of Understanding (Attachment A) with Teamsters Local 572 (Teamsters) for employees in Unit S (Teamsters) within 220 classifications (Attachment B); and approval of comparable treatment compensation for confidential District represented classifications similar to Unit S (detailed in Attachment C).

Action Proposed:

- 1) Adoption of the 2024-2027 Memorandum of Understanding (Attachment A) with Teamsters Local 572 (Teamsters) for employees in Unit S (Teamsters) within 220 classifications (Attachment B); and
- 2) Approval of comparable treatment compensation for confidential classifications similar to Unit S (detailed in Attachment C).

Background:

Pursuant to Government Code Section 3547, Teamsters' initial proposal was presented to the public Regular Meeting of the Board of Education (Board). The public had an opportunity to be informed about these proposals and to express themselves to the Board. Since that time, representatives for the parties have met and negotiated as required by law. The parties reached tentative agreement on January 27, 2026.

Expected Outcomes:

Adoption of the Memorandum of Understanding (MOU) with Teamsters and approval of comparable treatment compensation for confidential District represented classifications similar to Unit S.

Board Options and Consequences:

If the Board adopts this MOU, the 2024-2027 Successor Agreement with Teamsters, which is a joint recommendation of the bargaining parties, will be implemented. The agreement impacts the 220 Teamsters classifications (Attachment B), and approximately 3,410 Full-Time Equivalent (FTEs) Teamsters positions.

Additionally, if the Board approved comparable treatment compensation for Confidential District employees similar to those represented by Teamsters, compensation will be adjusted for nine (9) unrepresented confidential classifications that are comparable to Teamsters (Attachment D).

If the Board does not adopt this MOU, the attached 2024-2027 Successor Agreement with Teamsters will not be implemented. Moreover, the parties would resume negotiations for a successor agreement.

Policy Implications:

This Memorandum of Understanding amends the provisions of the 2023-2024 Successor Agreement between the District and Teamsters and therefore becomes policy upon adoption by the Board and has been ratified by the Teamsters membership. The agreement is pending AB 1200.

Budget Impact:

The budget impact for this agreement is detailed in the attached AB 1200 Report.

Student Impact:

This Agreement will assist the District in attaining its goals for students by providing competitive compensation to attract and retain the highest quality employees. It also incentivizes employees to attain higher levels of competency and certification to better serve our students.

Equity Impact:

Component	Score	Score Rationale
Recognition	1	Compensation changes are applied to all Teamsters classifications, without consideration of SENI index, student population or historical inequities.
Resource Prioritization	2	Increased compensation may incentivize employees to serve as leaders. Students need talented school and District leaders to improve outcomes.
Results	2	Higher compensation will help attract and retain talented staff with the experience, education, and desire necessary to address opportunity and/or achievement gaps.
TOTAL	5

In the case of leave due to a serious health condition of the employee, the District reserves the right as allowed by law, to require, at its own expense, that the employee obtain the opinion of a second or even third health care provider designated by the District but not employed on a regular basis by the District. The second health care provider, if required, shall be selected by the District. The third health care provider, if necessary, shall be jointly approved by the District and the employee and this provider's opinion shall be binding. If the employee's leave has already begun during this medical review process, the employee will be considered to have taken ~~Family Care and Medical Leave~~ FMLA and/or CFRA leave, pending the result of the examinations by the second and, if necessary, third health care provider.

If additional leave beyond that provided in the certification is required, the employee must submit a new certification by the relevant health care provider.

6. Will this agreement create or increase deficit financing in the current year or subsequent years?

"Deficit Financing" is defined to exist when a fund's expenditures and other financing uses exceed its revenues and

Deficit Reduction Plan (as necessary):

At adopted final budget, The deficit of \$1.6B in the Unassigned/Unappropriated in FY2027-28 was addressed through the adoption of the 2025–2026 Fiscal Stabilization Plan, as outlined in Board Report 384-24/25 on June 17, 2025, which was reviewed and approved by Los Angeles County Office of Education (LACOE). At first interim, the fiscal stabilization plan was updated to \$1.4M of which \$604M has been implemented. The remaining \$830M is reflected under "Other Adjustments".

7. Were "Other Adjustments" amounts entered in the multiyear projections (pages 5a and 5b) for 1st and 2nd Subsequent FY?

"Other Adjustments" could indicate that a budget reduction plan was/is being developed to address the deficit spending and to rebuild reserves. Any amount shown below must have an explanation. If additional space is needed, attach a separate sheet or use Page 9a.

Assumptions and Explanations (enter or attach documentation)

The assumptions upon which this certification is made are as follows:

1. This certification is based on the FY2025-2026 First Interim which was presented to LAUSD Board of Education on December 16, 2025 and approved by LACOE on January 15, 2026, which includes the District's current and multi-year projections.
2. The fiscal impact to all funds is \$53.57M in FY 2025-26, \$50.13M in FY 2026-27 and \$53.31M in FY2027-28. Adjustments in each fund are necessary to accommodate additional costs.
3. At adopted final budget, The deficit of \$1.6B in the Unassigned/Unappropriated in FY2027-28 was addressed through the adoption of the 2025–2026 Fiscal Stabilization Plan, as outlined in Board Report 384-24/25 on June 17, 2025 , which was reviewed and approved by Los Angeles County Office of Education (LACOE). At first interim, the fiscal stabilization plan was updated to \$1.4M of which \$604M has been implemented. The remaining \$830M is reflected under “Other Adjustments”.

Concerns regarding affordability of agreement in subsequent years (if any):

We believe this AB 1200 represents projections that are fair and accurate based on information that is known.
