

BOARD OF EDUCATION OF THE CITY OF LOS ANGELES
Governing Board of the Los Angeles Unified School District

REGULAR MEETING ORDER OF BUSINESS

333 South Beaudry Avenue, Board Room

1:00 p.m., Tuesday, December 12, 2023

Roll Call

Pledge of Allegiance

Board President's Reports

Labor Partners

Independent Analysis Unit

Committee Chair Reports

- Greening Schools and Climate Resilience Committee
- Safety/School Climate Committee
- Committee of the Whole
- Procurement/Facilities Committee
- Curriculum and Instruction Committee

Consent Items

Items for action are assigned by the Board at the meeting to be adopted by a single vote. Any item may be pulled off of the consent calendar for further discussion by any Board Member at any time before action is taken.

Superintendent's Reports

General Public Comment (Approximately 4:00 P.M.)

Providing Public Comment

The Board of Education encourages public comment on the items for action on this Regular Board Meeting agenda and all other items related to the District. Any individual wishing to address the Board must register to speak using the Speaker Sign Up website: <https://boardmeeting.lausd.net/speakers>, and indicate whether comments will be provided over the phone or in person. Registration will open 24 hours before the meeting. Each action item will allow for ten (10) speakers, except those items for which a Public Hearing will be held will allow for 15 speakers, and 20 speakers may sign up for general Public Comment.

Each speaker will be allowed a single opportunity to provide comments to the Board, with the exception of public hearings, and shall be given two minutes for their remarks. **Speakers signed up to speak on an agenda item must constrain their remarks specifically to the item or items on the agenda or may be ruled out of order.**

Public comment can be made in-person or by telephone, and members of the public must sign up on-line for either method, as described above. Members of the public can only make remote public comment by calling 1-888-475-4499 (Toll Free) and entering the Meeting ID: **879 7060 8197**.

Speakers addressing items not on the agenda will be heard at approximately 4:00 p.m. Speakers commenting on items on the consent calendar will be heard prior to the Board's consideration of the items, and speakers on items not on the consent calendar will be heard when the item is before the Board.

Speakers who do not register online to provide comments may use the following alternative methods to provide comments to Board Members:

- Email all Board Members at boardmembers@lausd.net;
- Mail comments via US Mail to 333 S. Beaudry Ave., Los Angeles, CA 90017; and
- Leave a voicemail message at 213-443-4472, or fax 213-241-8953. Communications received by 5 p.m. the day before the meeting will be distributed to all Board Members.

Speakers who have registered to provide public comments over the phone need to follow these instructions:

1. Call 1-888-475-4499 (Toll Free) and enter Meeting ID: **879 7060 8197** at the beginning of the meeting.
2. Press #, and then # again when prompted for the Participant ID.
3. Remain on hold until it is your turn to speak.
4. Call in from the same phone number entered on the Speaker Sign Up website. If you call from a private or blocked phone number, we will be unable to identify you.
5. When you receive the signal that your phone has been removed from hold and or unmuted, please press *6 (Star 6) to be brought into the meeting.

Please contact the Board Secretariat at 213-241-7002 if you have any questions.

The Office of the Inspector General would like to remind you that they investigate the misuse of LAUSD funds and resources as well as retaliation for reporting any misconduct. Anyone can make a report via the OIG hotline on their website (<https://www.lausd.org/oig>), by telephone at 213-241-7778, or by emailing inspector.general@lausd.net. Reports are confidential and you can remain anonymous if you wish.

Attending the Meeting

Please note there are three ways members of the public may watch or listen this Regular Board Meeting: (1) online ([Granicus stream](#) or [join the zoom webinar](#)) (2) by telephone by calling 1-888-475-4499 (Toll Free) and entering the Meeting ID: **879 7060 8197**, or (3) in person.

New Business for Action

1. Board of Education Report No. 106 – 23/24
Procurement Services Division
(Approval of Procurement Actions) Recommends approval of the contract actions taken by the Procurement Services Division within delegated authority as listed in Attachment “A” including the approval of award of Professional Service Contracts not exceeding \$250,000: New Contracts; Purchase Orders; Goods and General Services: Purchase Orders; District Card Transactions; Rental of Facilities; Travel/Conference Attendance; General Stores Distribution Center; and Book/Instructional Material Purchase Orders; and approve Professional Service Contracts (exceeding \$250,000): New Contracts; and Amendment; and Goods and General Services Contracts (exceeding \$250,000): New Contract; as listed in Attachment “B.”

(Approval of the Proposed Material Revision for New Horizons Charter Academy) Recommends approval of the material revision of the charter for New Horizons Charter Academy (“Charter School”), to relocate to a private site. The proposed facility is located at 14701 Friar Street, Van Nuys, CA 91411, in Board District 3 and Region North.

Board Member Resolution for Initial Announcement

26. Mr. Schmerelson - Remembering and Honoring the Significance of Lunar New Year (Res-017-23/24) (For Action January 23, 2024)

Whereas, California Assembly Bill 2596, codified in law in the Code of Civil Procedure in September 2022, recognizes the Lunar New Year, as the date corresponding with the second new moon following the winter solstice, or the third new moon following the winter solstice should an intercalary month intervene, as a state holiday;

Whereas, The Los Angeles Unified School District has a significant Asian American student population;

Whereas, The Lunar New Year is one of the most important holidays celebrated across Asian countries as well as the Asian diaspora;

Whereas, The Lunar New year is one of the most important holidays in China, Vietnam, South Korea, and other Asian countries, and one of the most widely celebrated among Asian Americans;

Whereas, The Lunar New Year is based on the lunar calendar and marks the arrival of spring;

Whereas, The Lunar New Year celebrates a chance to leave behind the troubles of the past year and invites prosperity and good luck moving forward;

Whereas, The state has already recognized this day as a state holiday acknowledges the diversity and cultural significance Asian Americans bring to California and demonstrates an understanding of the importance of wanting to see one’s own experience reflected in state holidays;

Whereas, Recognition by the state has much significance to a community that has traditionally and historically been overlooked;

Whereas, The state’s commemoration of Lunar New Year was meaningful, especially amid the wave of hatred and violence toward Asian Americans that has escalated since the pandemic began;

Whereas, The District has been at the forefront of encouraging and promoting a curriculum relating to diversity and equity in order to empower future generations;

Whereas, The concern for human rights is a major element in the History-Social Science Framework for California Public Schools, Kindergarten through 12th grade;

Whereas, The District is committed to confronting difficult subjects, including the Asian American Pacific Islander Hate, in inclusive ways that ensure all students are respected and has strong nondiscrimination and anti-bullying policies to that end; and

Whereas, The Governing Board of the Los Angeles Unified School District has adopted other diverse cultural holidays recognized by our families, in school calendars set to go into effect in the 2022-2023 school year; now, therefore, be it

Resolved, That the Governing Board of the Los Angeles Unified School District hereby commemorates the date corresponding with the second new moon following the winter solstice, or the third new moon following the winter solstice should an intercalary month intervene, as the “Lunar New year”; and, be it finally

Resolved, That the Board encourages all schools to incorporate lessons on the Lunar New Year in instruction, and that relevant and appropriate instructional resources be made available to all P-12 educators to utilize in schools to ensure that the Asian American Pacific Islander history and culture are appropriately and meaningfully shared with students, staff, and families.

27. Dr. McKenna - Commemorating the Life and Legacy of Dr. Martin Luther King, Jr. and the National Day of Service (Res-018-23/24) (For Action January 23, 2024)

Whereas, The Reverend Dr. Martin Luther King, Jr. devoted his life to the struggle for justice and equality;

Whereas, Dr. Martin Luther King, Jr. was universally recognized as a proponent of nonviolence in the pursuit of freedom and justice in the United States;

Whereas, Dr. Martin Luther King, Jr. was awarded the Nobel Prize for Peace in 1964 in recognition of his outstanding leadership in pursuit of that goal;

Whereas, In May 1964, Dr. Martin Luther King, Jr. addressed nearly 15,000 Angelenos at the Los Angeles Memorial Coliseum on the issues of race relations and human dignity;

Whereas, Today’s social, political and economic landscape reiterates the need for Dr. Martin Luther King, Jr.’s philosophies and message of nonviolence;

Whereas, Dr. Martin Luther King, Jr. Day has been recognized as a national holiday since 1984 and became a National Day of Service in 1994 by the passage of the King Holiday and Service Act by the US Congress;

Whereas, The Dr. Martin Luther King, Jr. National Day of Service is a part of United We Serve, a national call to service initiative established by President Obama;

Whereas, Dr. Martin Luther King, Jr. firmly believed that the pursuit of justice, equality, and a new sense of dignity for millions of Black people, and opens, for all Americans a new era of progress and hope;

Whereas, The Dr. Martin Luther King, Jr. National Day of Service, calls for Americans from all walks of life to work together to provide solutions to the most pressing national and local

problems; and

Whereas, Our students, parents, and staff will benefit from all projects and programs that increase participation in acts of community service; now, therefore, be it

Resolved, That the Governing Board of the Los Angeles Unified School District recognizes the third Monday in January as a day of service in honor of Dr. Martin Luther King, Jr. and his principle of justice for all;

Resolved further, That on Monday, January 15, 2024, we encourage all students, parents, teachers, and staff to observe this MLK National Day of Service by engaging in volunteer activities to help our community become a better world; and be it finally

Resolved, That schools provide students and parents with suggestions of appropriate instructional and community activities that can be conducted during and following the MLK National Day of Service on January 15, 2024.

Resolutions Requested by the Superintendent

28. Appointment of Alternate Member to School Construction Bond Citizens' Oversight Committee (Sup Res-003-23/24)

Resolved, That the Governing Board of the Los Angeles Unified School District ratifies the appointment of Ms. Santa Ramirez, representing the Los Angeles Tenth District of the California Congress of Parents, Teachers and Students, Inc. (10th District PTSA), as an alternate member to the School Construction Bond Oversight Committee for a two-year term commencing immediately. Ms. Ramirez is not an employee, official, vendor, contractor, or consultant of the District.

Correspondence and Petitions

29. Report of Correspondence (ROC-005-23/24)

Notice of Public Hearings taking place at the January 23, 2024 Regular Board Meeting (005-23/24)

30. Resolution to Make Certain Determinations and Findings pursuant to Government Code Section 4217.10 et seq. and for authorization to enter into Energy Service Contracts with Ameresco, Inc. for solar Photovoltaic System Pilot Projects at Five School Sites.

Resolution to Make Certain Determinations and Findings pursuant to Government Code Section 4217.10 et seq. and for authorization to enter into Energy Service Contracts with Centrica Business Solutions Services, Inc. for Solar Photovoltaic System Pilot Projects at Nine School Sites.

New Business for Action continued

31. Board of Education Report No. 024-23/24
Office of the Chief Business Officer
(Capital Plan Certificates of Participation Projects) Recommends approval of eight Capital Plan Certificates of Participation projects, to be undertaken at one or more sites for a combined estimated budget of \$406.5 million.

Adjournment

Please note that the Board of Education may consider at this meeting any item referred from a Board Meeting 5 calendar days prior to this meeting (Education Code 54954.2(b)(3)). The Board of Education may also refer any item on this Order of Business for the consideration of a committee or meeting of the Board of Education.

Requests for disability related modifications or accommodations shall be made 24 hours prior to the meeting to the Board Secretariat in person or by calling (213) 241-7002.

If you or your organization is seeking to influence an agreement, policy, site selection or any other LAUSD decision, registration may be required under the District's Lobbying Disclosure Code. Please visit <http://ethics.lausd.net/> to determine if you need to register or call (213) 241-3330.

Materials related to an item on this Order of Business distributed to the Board of Education are available for public inspection at the Security Desk on the first floor of the Administrative Headquarters, and at:
<https://www.lausd.org/boe#calendar73805/20231230/event/69355>

Items circulated after the initial distribution of materials are available for inspection at the Security Desk.

NEW BUSINESS

TAB 1

Board of Education Report

File #: Rep-106-23/24, **Version:** 1

Approval of Procurement Actions

December 12, 2023

Procurement Services Division

Action Proposed:

Ratify the contract actions taken by the Procurement Services Division within delegated authority as listed in Attachment “A” including the approval of award of Professional Service Contracts not exceeding \$250,000: New Contracts; Purchase Orders; Goods and General Services: Purchase Orders; District Card Transactions; Rental of Facilities; Travel/Conference Attendance; General Stores Distribution Center; and Book/Instructional Material Purchase Orders; and approve Professional Service Contracts (exceeding \$250,000): New Contracts; and Amendment; and Goods and General Services Contracts (exceeding \$250,000): New Contract; as listed in Attachment “B.”

Background:

Procurement Services staff prepares monthly reports for contract actions necessary for the execution of the projects approved by the Board for the educational and operational requirements of the District in accordance with Board delegated authority to the Superintendent.

Expected Outcomes:

Approval of these items will allow the goods and services provided by these contracts furnishing the equipment, supplies, or services to the Los Angeles Unified School District that support Board policies and goals.

Board Options and Consequences:

The Board can approve all actions presented, or postpone selected actions pending receipt of additional information. Non-ratification of actions awarded under delegated authority in Attachment “A” will result in immediate unavailability of products or discontinuance of services, or both. While non-ratification may be legally defensible, it would likely result in costly litigation over discontinued payments or if the District attempts to reclaim payments made to a vendor. District costs will likely increase as fewer vendors compete for future procurements. Postponement of actions presented for approval in Attachment “B” will delay contract award or delivery dates.

Policy Implications:

This action does not change District policy and conforms to *California Education Code section 17604* that permits the Board of Education to delegate authority for Procurement Services (Board Report 444-17/18), which the Board exercised on May 8, 2018.

Budget Impact:

The contract actions presented are within the budget authority previously approved by the Board. Ratification of contracts awarded under delegation of authority and within their Board approved budget listed in Attachment “A” includes:

File #: Rep-106-23/24, Version: 1

- Award of Professional Service Contracts not exceeding \$250,000: New Contracts; Purchase Orders; and
- Goods and General Services Contracts not exceeding \$250,000: Procurement Transactions - Purchase Orders; Rental of Facilities; Travel/Conference Attendance; District Card Transactions; General Stores Distribution Center; and Book/Instructional Material Purchase Orders.

Request for Approval of Procurement Actions not under delegated authority listed in Attachment “B” includes:

- Professional Service Contracts (exceeding \$250,000): New Contracts; Contract Amendment; and
- Goods and General Services Contracts (exceeding \$250,000): New Contract.

Student Impact:

Not applicable.

Equity Impact:

See attached for applicable items.

Issues and Analysis:

There are no policy implications on these agreements. The Business and Government Services Team, Office of the General Counsel, has reviewed and approved the agreements as to form, except where “authorization to negotiate and execute” is sought.

ATTACHMENT A

APPROVAL OF PROCUREMENT CONTRACTS: RATIFICATION OF DELEGATED AUTHORITY**A. PROFESSIONAL SERVICES CONTRACTS ALREADY AWARDED****NEW CONTRACTS/AMENDMENTS/ASSIGNMENTS NOT EXCEEDING \$250,000****Item A**

<u>REGION WEST</u>			\$310,068
<u>CONTRACTOR</u>	<u>IDENTIFICATION NO.</u>	<u>SOURCE OF FUNDS</u>	<u>AMOUNT</u>
Ni Hao Chinese, LLC	4400011589	Donations (100%)	\$122,148

Ratification of competed contract to provide Mandarin Chinese and Spanish tutors in support of the Mandarin Chinese and Spanish Immersion programs at Broadway Elementary School.

An Informal Request for Proposals (IRFP) process, conducted by the Procurement Services Division, was used to procure the services. One proposal was received out of three solicitations. The proposal received was reviewed, met the criteria, and deemed qualified. The evaluation committee was comprised of school administrative staff. Factors used to score the proposal were professional and technical experience, qualifications, Small Business Enterprise (SBE) participation, and price. The vendor was selected because they met the criteria outlined in the Scope of Work. The vendor has been working with the District since 2017.

The tutors will serve all Mandarin and Spanish Immersion Program students during the instructional day. The tutors will also facilitate outdoor games as cultural teaching during recess periods on the playground.

The tutors will support students' language learning by tutoring students in small group instruction based on classroom teachers' directions. The tutors will provide students with additional opportunities for language modeling, speaking, reading, and writing in the specified language. The materials used will be determined by the classroom teachers and will be aligned with the LAUSD Mandarin and Spanish curriculums.

All 526 students will benefit from the tutoring services. The services will be evaluated based on the tutors' punctuality and attendance, their ability to follow the classroom teachers' instruction, their professionalism and interaction with students, staff, and parents and, their responsibility in completing their tasks.

Dual language education and the utilization of target language tutors aligns with the Strategic Plan Pillar No.1: Academic Excellence. It addresses the following priorities under Pillar No. 1: High-Quality Instruction – The utilization of the target language tutors provides students immediate feedback in their output of the target language in speaking, reading, and writing. It also provides students with language models in the listen domain and increases students' opportunities to practice using the languages. Enriching Experiences: The utilization of the target

ATTACHMENT A**APPROVAL OF PROCUREMENT CONTRACTS: RATIFICATION OF DELEGATED AUTHORITY**

language tutors provides enhanced enrichment to students' target language learning. The tutors collaborate with classroom teachers and provide additional creative learning opportunities to what the classroom teachers provide.

College and Career Readiness: Foreign language is one of the requirements in A to G. Given the strong support from our teachers and tutors, students leaving Broadway and our language pathway (Mark Twain MS and Venice HS) will be ready to take higher levels of Mandarin and Spanish classes. This preparation also gives them the advantages in the job force.

The utilization of target language tutors is also aligned with Pillar No. 4: Operational Effectiveness and Priority 4 - District of Choice. In the last 13 years, Broadway has been a school that reverses enrollment trend. We effectively recruit students from neighboring school districts as well as the LAUSD residents who might have attended charter and private schools. This is due to the enriching learning environment that we provide our students' including having the target language tutor support in our target language classrooms. This is part of how Broadway strives to make LAUSD a District of Choice to families.

Contract Term: 08/14/23 through 12/19/23

Contract Value: \$122,148

Requester:

Rachelle Garmon, Principal
Broadway Elementary School
Region West

Ni Hao Chinese, LLC	4400011630	Donations (100%)	\$187,920

Ratification of competed contract to provide Mandarin Chinese tutors in support of the Mandarin Chinese Immersion program at Braddock Elementary School.

An Informal Request for Proposals (IRFP) process, conducted by the Procurement Services Division, was used to procure the services. One proposal was received out of five solicitations. The proposal received was reviewed, met the criteria, and deemed qualified. The evaluation committee was comprised of school administrative staff. Factors used to score the proposal were professional and technical experience, qualifications, Small Business Enterprise (SBE) participation and price. The vendor was selected because they met the criteria outlined in the Scope of Work. The vendor has been working with the District since 2017.

The Mandarin tutors will serve all Mandarin Immersion Program students during the instructional day. The tutors will also facilitate Mandarin outdoor games as cultural teaching during recess periods on the playground.

The tutors will support Braddock students' language learning by tutoring students in small group instruction based on classroom teachers' directions. The tutors will provide students with additional opportunities for language modeling, speaking, reading, and writing in the specified language. The materials used will be determined by the classroom teachers and will be aligned with the LAUSD Mandarin curriculum.

Six tutors will provide services for over 250 students enrolled in the Mandarin Immersion Program. The services will be evaluated based on the tutors' punctuality and attendance, their ability to follow the classroom teachers' instruction, their professionalism and interaction with students, staff, and parents and, their responsibility in completing their tasks.

Dual language education and the utilization of target language tutors aligns with the Strategic Plan Pillar No. 1: Academic Excellence and Pillar No. 4: Operational Effectiveness. It addresses the following priorities under Pillar 1: High Quality Instruction: The utilization of target language tutors provides students immediate feedback in their output of the target language in speaking, reading, and writing. It also provides students with language models in the listening domain and increases students' opportunities to practice using the languages. Enriching Experiences: The utilization of the target language tutors provides enhanced enrichment to students' target language

APPROVAL OF PROCUREMENT CONTRACTS: RATIFICATION OF DELEGATED AUTHORITY**A. PROFESSIONAL SERVICES CONTRACTS ALREADY AWARDED****NEW CONTRACTS/AMENDMENTS/ASSIGNMENTS NOT EXCEEDING \$250,000****Item C****INFORMATION TECHNOLOGY SERVICES****\$498,664**

<u>CONTRACTOR</u>	<u>IDENTIFICATION NO.</u>	<u>SOURCE OF FUNDS</u>	<u>AMOUNT</u>
California Creative Solutions, dba CCS Learning Academy; Sarder. Inc., dba Netcom Learning; Nextec Inc.	4400011970 4400011971 4400011972	Unrestricted General Funds (100%)	\$250,000

Ratification competed bench of three (3) contracts to provide IT technical training services. The contractors will provide Information Technology Services (ITS) staff with access to training courses and exam opportunities to obtain various IT-related certifications, including but not limited to, Information Technology Infrastructure Library (ITIL 4) and Certified Information System Security Professional (CISSP) certifications. The technical training services will allow ITS staff to keep pace with changes in technology, gain the necessary skills, and increase their knowledge base. The authority to increase or decrease the amounts of these contracts will be limited to the aggregate amount of \$250,000.

An Informal Request for Proposals (IRFP) process, conducted by ITS, was used to procure the services. Eight proposals were received and seven were deemed qualified. The evaluation committee consisted of three ITS staff. Proposals were evaluated on experience, past performance and qualifications of firm, training approach and training plan, Small Business Enterprise (SBE) participation, and price. The evaluation committee set the bar for the bench at 85 points and above. Thus, the three highest scoring vendors were selected for the bench.

Since 2019, California Creative Solutions, dba CCS Learning Academy has had three previous contracts with the District. There are no previous District contracts with Sarder Inc., dba Netcom Learning or Nextec Inc. Netcom Learning had contracts with Clark County School District, Fountain Valley School District and Saddleback Valley Unified School District. Nextect has done business with Loudoun County Public Schools in Virginia.

These services support the District's Strategic Plan Pillar No. 5, Investing in Staff. Specifically, under priority No. 5B - Professional Learning, approval of the services would provide competency-based, rigorous, and relevant professional learning to District IT staff.

Contract Term: 09/25/23 through 09/24/25

Aggregate Value For Three (3) Contracts: \$250,000

ATTACHMENT A

APPROVAL OF PROCUREMENT CONTRACTS: RATIFICATION OF DELEGATED AUTHORITY**Requester:**

Soheil Katal, Chief Information Officer
Information Technology Services

Equity Impact:

Component	Score	Score Rationale
Recognition	1	The bench is to provide Information Technology (IT) Technical Training Services for ITS staff. It does not recognize historical inequities for students.
Resource Prioritization	1	IT Technical Training Services will provide ITS staff with training courses and exam opportunities to obtain various IT-related certifications, including but not limited to, Information Technology Infrastructure Library (ITIL 4) and Certified Information System Security Professional (CISSP) certifications. It does not prioritize resources based on student need.
Results	1	The technical training services will allow ITS staff to keep pace with changes in technology, gain the necessary skills, and increase their knowledge base. It will not result in closing opportunity gaps since it does not relate to closing achievement gaps for students.

<u>CONTRACTOR</u>	<u>IDENTIFICATION NO.</u>	<u>SOURCE OF FUNDS</u>	<u>AMOUNT</u>
MGT of America Consulting, LLC	4400011190 (RFP 2000002772)	Cybersecurity Funds (100%)	\$248,664

Ratification of formally competed contract to provide an IT recruitment, retention and classification study to help attract and retain highly trained and experienced technical personnel for Information Technology Services (ITS).

The District has experienced a recent trend of ITS employees resigning to accept comparable positions in other agencies that are higher paying, and/or retiring or planning to retire in the near future. This departure of talent has caused a greater need and a higher sense of urgency for a proactive and creative approach to employee recruitment and retention. The study will help ITS in assessing its overall structure, assess its business needs, and make determinations for organizational alignment, industry standards and best practices as it relates to its existing job classifications, compensation, career paths, and succession planning.

The proposed contract supports Phase 2 of a multi-phase approach and is consistent with the plan of action previously presented and approved by the Board of Education on June 21, 2022 ([Board Report No. 407-21-22](#)). Under Phase 2, an organizational resource planning study is expected to be conducted by a technology industry professional agency which is paramount in rectifying the ongoing and anticipated future challenges concerning the knowledge drain and recruitment and retention for IT classifications.

The procurement was conducted by the Procurement Services Division via a Request for Proposal (RFP) in which three proposals were received and deemed qualified. The Source Selection Committee was comprised of three subject matter experts from ITS. The recommended contractor was the highest scored proposer based on the following factors: qualifications and experience of the firm and resources; technical evaluation/project approach; price proposal; Small Business Enterprise (SBE) participation; and Work-Based Learning Partnership (WBLP) Plan. The recommended contractor has been doing business with the District since 2022.

The requested action supports the District's Pillar No. 5 – Investing in Staff. Under Priority 5A, it is stated that there is a great need to “effectively recruit and retain a highly qualified, diverse workforce committed to serving all students”. The IT recruitment and classification study will address the stated priority and meets all the identified strategies in Pillar No. 5.

APPROVAL OF PROCUREMENT CONTRACTS: RATIFICATION OF DELEGATED AUTHORITY

Contract Term: 07/17/23 through 06/30/24

Contract Value: \$248,664

Requester:

Soheil Katal, Chief Information Officer
Information Technology Services

Equity Impact:

Component	Score	Score Rationale
Recognition	1	The services provided do not recognize historical inequities. The agreement will provide an IT recruitment and classification study that will be comprehensive and inclusive of all job classifications and salary schedules within the District's Information Technology Services (ITS).
Resource Prioritization	1	The services provided do not prioritize resources based on student need. The agreement will execute an IT study to assist ITS in accessing its overall structure, access its business needs, and make determinations for organizational alignment, industry standards, and best practice.
Results	1	The services are unlikely to result in closed opportunity gaps and/or closing achievement gaps for students. The IT study will help determine the appropriate course of action as it relates to existing job classifications, compensation, career paths, succession planning, etc.

APPROVAL OF PROCUREMENT CONTRACTS: RATIFICATION OF DELEGATED AUTHORITY**A. PROFESSIONAL SERVICES CONTRACTS ALREADY AWARDED****NEW CONTRACTS/AMENDMENTS/ASSIGNMENTS NOT EXCEEDING \$250,000****Item E**

<u>INFORMATION TECHNOLOGY SERVICES/ PERSONNEL COMMISSION</u>			\$250,000
<u>CONTRACTOR</u>	<u>IDENTIFICATION NO.</u>	<u>SOURCE OF FUNDS</u>	<u>AMOUNT</u>
22nd Century Technologies, Inc.;	4400011710	Cybersecurity	\$250,000
The Little Group Ltd. Co., dba	4400011711	Funds	
Exclusive Network Enterprises (SBE)	(RFP 2000002851)	(100%)	

Ratification of formally competed bench of two contracts to provide technical recruitment services. The authority to increase or decrease the amounts of these contracts will be limited to the aggregate amount of \$250,000.

These services will help market, recruit, and select, through the District's recruitment process, highly qualified candidates for hard to recruit positions within Information Technology Services (ITS). ITS will be able to leverage professional connections, industry affiliations and/or proprietary databases to provide highly qualified candidates to apply for technology positions.

Recent events such as the pandemic and LAUSD cyberattack have highlighted a greater need and a higher sense of urgency for a proactive and creative approach to employee recruitment. Especially for hard to fill Information Technology subject-areas i.e., cybersecurity. Hiring industry specific experts to help identify and recruit candidates is essential to find the best potential hires for the District.

The procurement was conducted by the Procurement Services Division via a Request for Proposal (RFP) in which 21 proposals were received of which 13 were deemed qualified. The Source Selection Committee was composed of subject matter experts from personnel, human resources and ITS. Proposals were evaluated on experience and qualifications of firm and personnel, project approach, Small Business Enterprise (SBE) participation; Work-Based Learning Partnership (WBLP) Plan; and price. The two selected bench vendors were the highest scored proposers.

22nd Century Technologies has two current bench contracts with the District while The Little Group has had a bench contract since 2022.

The requested action supports the District's Pillar No. 5 of the Strategic Plan - Investing in Staff. Under Priority 5A, it is stated that there is a great need to "effectively recruit and retain a highly qualified, diverse workforce committed to serving all students". This technical recruitment services bench will assist in recruiting highly qualified candidates for the District.

APPROVAL OF PROCUREMENT CONTRACTS: RATIFICATION OF DELEGATED AUTHORITY**B. PROFESSIONAL SERVICES CONTRACTS ALREADY AWARDED****NEW REVENUE CONTRACTS/AMENDMENTS/ASSIGNMENTS
NOT EXCEEDING <\$500,000>****Item F****LOS ANGELES SCHOOL POLICE DEPARTMENT** **<\$300,000>**

<u>CONTRACTOR</u>	<u>IDENTIFICATION NO.</u>	<u>SOURCE OF FUNDS</u>	<u>AMOUNT</u>
California State University, Northridge (CSUN)	4400012106	Revenue	<\$300,000>

Ratification of revenue contract for the Los Angeles School Police Department (LASPD) to provide traffic control and police assistance services to the California State University Northridge Department of Police Services (CSUNDPS) to patrol the school perimeter and parking lots and for events such as demonstrations, marches, rallies, parties, concerts, and graduations. LAUSD's Northridge Academy high school is located on CSUN's campus.

LASPD has assisted CSUN with augmenting their patrol shifts due to shortages since April 2017. CSUN chose LASPD due to our education-based/ school setting expertise. This contract does not have an impact on our regular LASPD Deployment. CSUN usually uses LASPD resources only on weekends, with two officers per shift.

This contract coincides with Strategic Plan Pillar No. 3C under Engagement and Collaboration, Leading for Impact. The priority is to lead and leverage the District's role as an impactful, key member of local, state, national, and global communities. This contract employs the strategy of growing and leveraging partnerships with institutes of higher education.

CSUN is a longtime partner of LAUSD. They have had two previous contracts with the District for these services.

**Existing Vendors: Anda's Wellness (SBE); Bear Hug Therapy (SBE); Boys & Girls Club Carson; Coast 2 Coast Coaching, dba Elevo; Kids 4 College; Kidtech; YMCA- LA

Approval to execute seven (7) formally competed contracts to be added to the existing bench of seven (7) contracts** via "refresh" and to increase capacity to develop and implement structured and organized programs of physical activity for grades TK through 8 before, during, and after school. The authority to increase or decrease the amounts of these contracts will be limited to the aggregate contract value of \$25,000,000.

The services are critical for providing a healthy and safe environment for students. The services are to be provided districtwide. Social-emotional skills will enable students to learn and positively contribute to the broader community. Approximately, 354,092 TK through 8th grade students will benefit from the services.

Nine proposals were received for the RFP solicitation and seven were deemed qualified. The source selection committee consisted of subject matter experts from different departments within the Division of Instruction, including Beyond the Bell, Health Department, and Social Emotional Learning. Factors used to evaluate proposals were vendor and personnel experience and qualifications, program elements, Small Business Enterprise (SBE) participation, Work Based Learning Partnership (WBLP) plan, and cost. The vendors were chosen based off the top highest scores.

ATTACHMENT B

REQUEST FOR APPROVAL OF PROCUREMENT CONTRACTS NOT UNDER DELEGATED AUTHORITY

After School Interscholastic Sports Academy, dba ASISA has been providing services to the District since 2014, Convenient Fun Fitness has been providing services to the District since 2016, Got Game Sports has been providing services to the District since 2014, Harmony Project has been providing services to the District since 2013, Playworks Education Energized has been providing services to the District since 2013, Providence Little Company of Mary Foundation has been providing services to the District since 2015, and Woodcraft Rangers has been providing services to the District since 2013.

This proposed contract action provides the means for professionals to provide and promote child well-being through structured and organized programs of physical activity for grades TK through 8. Pillar No. 2 will be supported by this action.

Contract Term: 12/13/23 through 09/27/27, includes three (3) one-year renewal options

Initial Authorized Value: \$5,000,000

*Additional Authorized Value \$20,000,000

Aggregate Five-Year Value For Fourteen (14) Contracts: \$25,000,000

Requester:

Justin Lauer, Director
Middle School Instruction
Division of Instruction

Equity Impact:

Component	Score	Score Rationale
Recognition	1	Does not explicitly recognize historical inequities.
Resource Prioritization	3	Schools will elect to participate/prioritize resources based on student need.
Results	3	Participating schools will have the opportunity to implement a program that will develop specific SEL skills which will result in closing the gap in SEL skills between student groups and, as research shows, increased SEL understanding which likely help to result in closed opportunity gaps and/or closing achievement gaps with participating students.

ATTACHMENT B

REQUEST FOR APPROVAL OF PROCUREMENT CONTRACTS NOT UNDER DELEGATED AUTHORITY

B. APPROVAL OF GOODS AND GENERAL SERVICES CONTRACTS

Authority to award contracts for furnishing equipment, supplies and general services. The total amount is only an estimate since the expenditures made against contracts are based upon purchases and/or approved invoices.

NEW CONTRACTS/ AMENDMENTS/AUTHORIZATION TO INCREASE CONTRACT CAPACITY EXCEEDING \$250,000

Item I

<u>DIVISION OF SCHOOL OPERATIONS/ INFORMATION TECHNOLOGY SERVICES</u>			\$1,923,750
<u>CONTRACTOR</u>	<u>IDENTIFICATION NO.</u>	<u>SOURCE OF FUNDS</u>	<u>AMOUNT</u>
Carahsoft Technology Corporation	4400012250 (IFB 2000003162)	General Funds (100%)	\$1,923,750

Approval of formally competed contract procured through an Invitation for Bid (IFB) process to provide hosting, maintenance, and enhancements to the three current Kokomo cloud-based products; SaaS Incident System Tracking Accountability Report (iSTAR), Artificial Intelligence Dashboard, and LA School Anonymous Reporting (LASAR) applications.

The Cloud-based iSTAR system is the core Incident Management system that reports and escalates medical emergencies or incidents, involving students and/or employees near District schools and other sites. School sites and District staff can report incidents immediately via the website or through mobile devices. Artificial Intelligence Dashboard is an analytic component to the iSTAR system that reflects the incident information. LASAR is a mobile app that allows for anonymous reporting by members of the public to LA School Police. It is a critical component that streamlines the incident reporting process that better ensures student and employee safety throughout the District.

This contract was procured through an IFB process because no components of product needed to be negotiated. Two qualified bids were received. The contract is only for the renewal of the maintenance and license access of the software itself. The evaluation committee consisted of staff from the Division of School Operations and Information Technology Services. The winning bidder is the lowest, responsive, and responsible bidder. The awarded vendor has provided reliable, low-cost services to the District for the last 12 years.

The requested action supports the District's Strategic Plan Pillar No. 2, Joy and Wellness, 2A: Welcoming Learning Environments. The current Cloud-based iSTAR system documents and escalates incidents involving students and employees occurring on or near District schools and other sites. The system improves the incident workflow handling to ensure student safety and safe schools that foster academic achievement.

ATTACHMENT B

REQUEST FOR APPROVAL OF PROCUREMENT CONTRACTS NOT UNDER DELEGATED AUTHORITY

Contract Term: 01/01/24 through 12/31/28, includes two (2) one-year renewal options.

Board of Education Report

File #: Rep-059-23/24, **Version:** 1

Approval of Facilities Contracts Actions

December 12, 2023

Procurement Services Division - Facilities Contracts

Action Proposed:

Ratify the Procurement Services Division (PSD) contract actions taken by Facilities Contracts under delegated authority as listed in Attachment “A” including: award of advertised construction contracts; award of job order contracts; award of job order contract amendments; approval of change orders; completion of contracts; award of informal contracts; award of architectural and engineering contracts; extra services/amendments for architectural and engineering contracts and approve the proposed contracts listed in Attachment B including hydraulic lift replacement services contract; family housing study and advisory services contract; HVAC maintenance and repair services task order contracts, and architectural services contract bench capacity increase amendment.

Background:

Facilities Contracts staff prepares monthly reports for contract actions necessary for the execution of projects approved by the Board and contained in the FSD Strategic Execution Plan (SEP), and for the maintenance and operation of District facilities in accordance with District policies and Board-delegated authority. As described in the November 12, 2013, Board Report #048-13/14 Informative, detailed information is provided on the Facilities Services website.

Expected Outcomes:

Approval of these items will allow services provided by these contracts to proceed in support of FSD projects, District policies and goals, and the Board-approved FSD-SEP.

Board Options and Consequences:

The Board can approve all actions presented or postpone selected actions pending receipt of additional information. Non-ratification of actions awarded under delegated authority in Attachment “A” will result in the immediate discontinuance of services. While non-ratification may be legally defensible, it will likely result in costly litigation over discontinued payments or if the District attempts to reclaim payments made to a vendor. District costs will likely increase as fewer contractors compete for future procurements.

Policy Implications:

This action does not change District policy and conforms to California Education Code section 17604 that permits the Board of Education to delegate authority for Facilities Contracts (Board Report #444-17/18), which the Board exercised on May 08, 2018.

Budget Impact:

The contract actions presented are within the budget authority previously approved by the Board. Unless indicated otherwise, all contract actions are Bond funded.

File #: Rep-059-23/24, **Version:** 1

Student Impact:

The contract actions will help ensure that the students are provided with safe and healthy environments, and up-to-date facilities that promote learning.

Equity Impact:

Not Applicable.

Issues and Analysis:

There are no policy implications on these agreements.

RATIFICATION OF CONTRACTS AWARDED UNDER DELEGATED AUTHORITY

AWARD OF ADVERTISED CONSTRUCTION CONTRACTS

Item A

<u>CONTRACTOR</u>	<u>IDENTIFICATION NO.</u>	<u>DESCRIPTION</u>	<u>SOURCE OF FUNDS</u>	<u>AMOUNT</u>
Pars Arvin Construction, Inc. (SBE)	2310034 / 4400012220	<u>Verdugo Hills HS</u> New Science Labs Board Member: <u>Kelly Gonez</u>	<i>Bond Funds</i> (100%)	\$10,683,000

Ratification of formally competed best value contract selected from three (3) bids received to provide a new science classroom building as authorized on February 19, 2019 ([Board Report No. 237-18/19](#)) and November 16, 2021 ([Board Report No. 029-21/22](#)).

The project will demolish the outdated Craft Building #1 to enable the construction of a new 5,000 square feet science classroom building consisting of two science laboratory classrooms, support spaces, specialized furniture and equipment to support chemistry and other physical science programs, enhanced information technology network convergence system, fire alarm system, relocation and upgrade of an existing athletic field light pole, upgrades to landscape, hardscape, parking, site improvements including path of travel, and accessibility upgrades to support the school's Science Technology Engineering Math and Multimedia Magnet. The school offers a variety of high caliber science programs which operate in facilities that are inadequate, particularly for hands-on chemistry experiments. Pillar 4 is supported by this action.

Contractor has worked with the District since 2003.

Contract Term: 10/23/23 through completion

Contract Value: \$10,683,000

Requester:

Greg Garcia, Director
Project Execution
Facilities Services Division

RATIFICATION OF CONTRACTS AWARDED UNDER DELEGATED AUTHORITY

AWARD OF ADVERTISED CONSTRUCTION CONTRACTS

Item B

<u>CONTRACTOR</u>	<u>IDENTIFICATION NO.</u>	<u>DESCRIPTION</u>	<u>SOURCE OF FUNDS</u>	<u>AMOUNT</u>
S.J. Amoroso Construction Co., LLC	2310046 / 4400012201	<u>Delevan Drive ES</u> Classroom Replacement Project Board Member: <u>Jackie Goldberg</u>	<i>Bond Funds</i> (100%)	\$49,097,000

Ratification of formally competed best value contract selected from two (2) bids received to provide classroom replacement as authorized on November 14, 2017 ([Board Report No. 189-17/18](#)) and November 16, 2021 ([Board Report No. 029-21/22](#)).

The classroom replacement project removes aging relocatable buildings and a food service hot shack and constructs a new classroom/food services building. The school had 15 classrooms located in 9 relocatable buildings with 4 of the classrooms in 2 DOH portables that did not comply with State standards. Included in the project are 15 new classrooms and support spaces; new food services facilities; new accessibility upgrades including ramps between the lower, middle and upper levels of the campus and accessible access to the garden; new drop-off and pick-up area; infrastructure to support the new facilities including an enhanced information technology network convergence system; upgrades to landscape, hardscape, parking, and playground areas within project-related development areas; installation of interim housing to support the school site during construction; exterior painting of administration, multipurpose room, and kindergarten buildings, arcades, and storage shed to match the new campus theme; and site work, path of travel, and other required ADA improvements. Pillar 4 is supported by this action.

The contractor has worked with the District since 1990.

Board of Education Report

File #: Rep-123-23/24, **Version:** 1

Define and Approve 12 Board District Priority and Region Priority Projects and Amend the Facilities Services Division Strategic Execution Plan to Incorporate Therein

December 12, 2023

Facilities Services Division

Action Proposed:

Define and approve 12 Board District Priority (BDP) and Region Priority (RP) projects, as listed on Exhibit A, and amend the Facilities Services Division (Facilities) Strategic Execution Plan (SEP) to incorporate therein. The total combined budget for these proposed projects is \$1,038,998.

Authorize the Chief Procurement Officer and/or the Chief Facilities Executive and/or their designee(s) to execute all instruments necessary, as legally permissible, to implement the proposed projects, including budget modifications and the purchase of equipment and materials.

Background:

Projects are developed at the discretion of the Board Districts and/or Regions based upon an identified need. These projects are developed with support from Facilities Services Division staff and input from school administrators.

Project scopes, schedules, and budgets may vary depending on site conditions and needs. All projects must be capital in nature and adhere to bond language and laws.

Bond Oversight Committee Recommendations:

This item was considered by the School Construction Bond Citizens' Oversight Committee (BOC) at its meeting on November 30, 2023. Staff has concluded that this proposed Facilities SEP amendment is in alignment with BOC recommendations and will facilitate Los Angeles Unified's ability to successfully implement the Facilities SEP.

Expected Outcomes:

Execution of these proposed projects will help improve the learning environment for students, teachers, and staff.

Board Options and Consequences:

Adoption of the proposed action will allow staff to execute the projects listed on Exhibit A. Failure to approve this proposed action will delay the projects and ultimately the anticipated benefit to the school and its students.

Policy Implications:

The requested actions are consistent with the Board-Prioritized Facilities Programs for BDP and RP projects and the District's commitment to address unmet school facilities needs and provide students with a safe and healthy learning environment. The proposed action advances Los Angeles Unified's 2022-2026 Strategic Plan Pillar 4 Operational Effectiveness Modernizing Infrastructure by providing capital improvements at schools.

Budget Impact:

The total combined budget for the 12 proposed projects is \$1,038,998. One project is funded by Bond Program funds earmarked specifically for RP projects. Eleven projects are funded by Bond Program funds earmarked specifically for BDP projects.

Each project budget was prepared based on the current information known and assumptions about the proposed project scope, site conditions, and market conditions. Individual project budgets will be reviewed throughout the planning, design, and construction phases as new information becomes known or unforeseen conditions arise and will be adjusted accordingly to enable the successful completion of each proposed project.

Student Impact:

The proposed projects will upgrade, modernize, and/or improve school facilities to enhance the safety and educational quality of the learning environment to benefit approximately 7,810 students.

Equity Impact:

Board Districts and Regions consider a number of factors, including equity, when identifying the need for BDP and RP projects.

Issues and Analysis:

This report includes a number of time-sensitive, small to medium-sized projects that have been deemed critical by Board Districts and/or Regions and school administrators.

RESOLUTION 2023-45

BOARD REPORT NO. 123-23/24

RECOMMENDING BOARD APPROVAL TO DEFINE AND APPROVE 12 BOARD DISTRICT PRIORITY AND REGION PRIORITY PROJECTS AND AMEND THE FACILITIES SERVICES DIVISION STRATEGIC EXECUTION PLAN TO INCORPORATE THEREIN

WHEREAS, District Staff proposes the Board of Education define and approve 12 Board District Priority and Region Priority Projects (as listed on Exhibit A of Board Report No. 123-23/24), amend the Facilities Services Division (Facilities) Strategic Execution Plan (SEP) to incorporate therein, and authorize the Chief Procurement Officer and/or the Chief Facilities Executive and/or their designee(s), to make any purchases associated with these proposed projects. The total combined budget for these proposed projects is \$1,038,998; and

WHEREAS, Projects are developed at the discretion of the Board Districts and/or Regions based upon an identified need with support from Facilities staff and input from school administrators; and

WHEREAS, District Staff has determined the proposed projects are consistent with the District's commitment to address unmet school facilities needs and provide students with a safe and healthy learning environment; and

WHEREAS, Funding for the 12 projects will come from Board District Priority Funds and Region Priority Funds; and

WHEREAS, District Staff has stated that the Office of General Counsel has concluded that expenditures of the intended bond funds for these projects are legally permissible under State and Federal law including with respect to applicable federal tax-exempt bond requirements; and

RESOLUTION 2023-45

RECOMMENDING BOARD APPROVAL TO DEFINE AND APPROVE 12 BOARD DISTRICT PRIORITY AND REGION PRIORITY PROJECTS AND AMEND THE FACILITIES SERVICES DIVISION STRATEGIC EXECUTION PLAN TO INCORPORATE THEREIN

WHEREAS, District Staff has concluded this proposed Facilities SEP amendment will facilitate Los Angeles Unified's ability to successfully complete the Facilities SEP.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The School Construction Bond Citizens' Oversight Committee recommends the Board of Education define and approve 12 Board District Priority and Region Priority Projects, with a combined budget of \$1,038,998, and amend the Facilities SEP to incorporate therein, as described in Board Report No. 123-23/24, a copy of which is attached hereto in the form it was presented to the BOC and is incorporated herein by reference.
2. This resolution shall be transmitted to the Los Angeles Unified School District Board of Education and posted on the Oversight Committee's website.
3. The District is directed to track the above recommendation and to report on the adoption, rejection, or pending status of the recommendations as provided in section 6.2 of the Charter and Memorandum of Understanding between the Oversight Committee and the District.

Board of Education Report

File #: Rep-124-23/24, **Version:** 1

Define and Approve the Middleton Street Elementary School Cooling Tower Replacement Project and Amend the Facilities Services Division Strategic Execution Plan to Incorporate Therein

December 12, 2023

Facilities Services Division

Action Proposed:

Define and approve the Middleton Street Elementary School Cooling Tower Replacement Project (Project) and amend the Facilities Services Division (Facilities) Strategic Execution Plan (SEP) to incorporate therein. The total budget for the proposed Project is \$1,834,544.

Authorize the Chief Procurement Officer and/or the Chief Facilities Executive and/or their designee(s) to execute all instruments necessary, as legally permissible, to implement the proposed Project, including budget modifications and the purchase of equipment and materials.

Background:

Priorities for the expenditure of capital funding are evaluated to ensure the District's most pressing priorities are being addressed. More than 70 percent of Los Angeles Unified School District (Los Angeles Unified or District) school buildings were built more than 50 years ago, and more than \$50 billion of unfunded school facilities needs have been identified District-wide, and these needs grow every year. As the District's capital needs far exceed available funding, the most pressing unfunded critical needs will continue to be addressed based on an evaluation of known facilities conditions and needs at schools. Projects developed under this category of need, Critical Replacements and Upgrades of School Building/Site Systems and Components, will replace failing building systems that create safety concerns and are disruptive to school operations. Systems in the worst condition, especially those that pose a safety hazard and/or will negatively impact school operations and other building systems if not addressed, will be addressed first.

The proposed Project aligns with these priorities. The proposed Project will replace the cooling tower and water treatment unit at the Administration Building and provide new joists to support the new tower. Construction is anticipated to begin in the first quarter of 2024 and be completed in the fourth quarter of 2024.

Bond Oversight Committee Recommendations:

This item was considered by the School Construction Bond Citizens' Oversight Committee (BOC) at its meeting on November 30, 2023. Staff has concluded that this proposed Facilities SEP amendment is in alignment with BOC recommendations and will facilitate Los Angeles Unified's ability to successfully implement the Facilities SEP.

Expected Outcomes:

Staff anticipates that the Board of Education will adopt the proposed amendment to the Facilities SEP to define and approve the proposed Project to address critical replacement and upgrade needs. Approval will authorize staff to proceed with the implementation of the proposed Project to improve student health, safety, and educational quality.

Board Options and Consequences:

Adoption of the proposed action will authorize staff to proceed with the expenditure of Bond Program funds to undertake the proposed Project in accordance with the provisions set forth in Los Angeles Unified local bond measures K, R, Y, Q, and RR. If the proposed action is not approved, Bond Program funds will not be expended, and critical replacement and upgrade needs will remain unaddressed.

Policy Implications:

The proposal is consistent with Los Angeles Unified's long-term goal to address unmet school facilities needs and significantly improve the conditions of aging and deteriorating school facilities as described in Los Angeles Unified local bond measures. The proposed action advances Los Angeles Unified's 2022-2026 Strategic Plan, Pillar 4 Operational Effectiveness, Modernizing Infrastructure by providing critical replacements and upgrades at schools.

Budget Impact:

The Project budget is \$1,834,544 and will be funded with Bond Program funds earmarked specifically for critical replacements and upgrades of school building/site systems and components.

The Project budget was prepared based on the current information known and assumptions about the proposed Project scope, site conditions, and market conditions. The Project budget will be reviewed throughout the planning, design, and construction phases as new information becomes known or unforeseen conditions arise and will be adjusted accordingly to enable the successful completion of the proposed Project.

Student Impact:

Approval of the proposed Project enables the District to continue ongoing efforts to undertake facilities improvements that help ensure the approximately 630 students attending Middleton Street Elementary School (Board District 5, Region East) are provided with a safe school environment that promotes teaching and learning.

Equity Impact:

Building components/systems in the worst condition, especially those that pose a safety hazard and/or will negatively impact school operations and other building systems if not addressed, will be addressed first.

Issues and Analysis:

It may be necessary to undertake feasibility studies, site analysis, scoping, and/or due diligence activities on the proposed Project prior to initiating design. As necessary, the Office of Environmental Health and Safety (OEHS) will evaluate the proposed Project in accordance with the California Environmental Quality Act (CEQA) to ensure compliance. If, through the planning and design process, it is determined the proposed Project scope will not sufficiently address the critical needs identified, the Project scope, schedule, and budget will be revised accordingly.

Board of Education Report

File #: Rep-125-23/24, **Version:** 1

Define and Approve Two Student and Family Resource Center Projects and Amend the Facilities Services Division Strategic Execution Plan to Incorporate Therein

December 12, 2023

Facilities Services Division and Division of School Operations

Action Proposed:

Define and approve two Student and Family Resource Center (Centers) Projects at Bethune Middle School and Susan Miller Dorsey High School (Dorsey High School) (Projects) as described in Exhibit A and amend the Facilities Services Division (Facilities) Strategic Execution Plan (SEP) to incorporate therein. The total combined budget for the two proposed Projects is \$3,329,743.

Authorize the Chief Procurement Officer and/or the Chief Facilities Executive and/or their designee(s) to execute all instruments necessary, as legally permissible, to implement the Projects including budget modifications and the purchase of equipment and materials.

Background:

On August 24, 2021, the Board of Education (Board) adopted an update to the School Upgrade Program (SUP) to integrate Measure RR funding and priorities into its operational framework. The updated SUP framework and the Measure RR Implementation Plan help guide the identification of sites and development of project proposals, which meet the goals of and priorities for Measure RR.

Funding has been prioritized within the SUP to construct new and/or expand school-based wellness centers. The new Student and Family Resource Center Projects fall under the SUP category of need for School Upgrades and Reconfigurations to Support Wellness, Health, Athletics, Learning, and Efficiency (WHALE).

Student Health and Human Services (SHHS) and Facilities Services Division assessed areas with a high need for health and well-being services and met with school administrators to determine which campuses have space in existing buildings to accommodate a Student and Family Resource Center. Bethune Middle School and Dorsey High School were determined to have a high need for health and well-being services and have feasible site conditions for operating Student and Family Resource Centers. Both schools have a high percentage of students who live below the poverty line and a high percentage of chronic absenteeism. Additionally, both schools have underutilized classroom space that can accommodate the new centers, which will be located at the perimeter of the campus, allowing for a separate and secured entrance for families and the community.

The Student and Family Resource Centers will be operated by Los Angeles Unified School District SHHS. The Centers will be equipped to deliver a comprehensive set of services to promote the health and well-being of students and families. The catalog of services varies among Centers based on the needs of each community and resources available, and may include the following: attendance counseling, individual or group mental health counseling, mental telehealth counseling, health insurance enrollment assistance, case management, direct access to basic needs (e.g., school supplies, hygiene, laundry, nutrition), and general student, parent, and community resources.

The proposed Projects are located in Board District 1 (Dr. George J. McKenna) and Board District 7 (Tanya Ortiz Franklin).

Bond Oversight Committee Recommendations:

This item was considered by the School Construction Bond Citizens' Oversight Committee (BOC) at its meeting on November 30, 2023. Staff has concluded that this proposed Facilities SEP amendment is in alignment with BOC recommendations and will facilitate the successful implementation of the Facilities SEP.

Expected Outcomes:

Define and approve the proposed Projects and amend the Facilities SEP to incorporate therein. Approval will authorize staff to proceed with the implementation of the proposed Projects and expenditure of Bond Program funds.

The Student and Family Resource Centers, once completed, will provide upgraded facilities equipped to deliver a comprehensive set of services to promote the health and well-being of students, families, and community members.

Board Options and Consequences:

Approval will allow staff to further develop, design, and construct the Student and Family Resource Center facilities as described in Exhibit A (attached).

If staff's proposal is not approved, the proposed Projects will not commence, and the students and communities of each school will not be provided with the opportunity to benefit from the services provided at the Student and Family Resource Centers.

Policy Implications:

The proposal does not impact Los Angeles Unified policy. The proposed action advances Los Angeles Unified's 2022-2026 Strategic Plan Pillar 2 Joy and Wellness by investing in and operating modern healthcare facilities that support the health and well-being of students, families, and community members.

Budget Impact:

The combined project budget for the two proposed Student and Family Resource Center Projects is \$3,329,743. The proposed Projects will be funded with Bond Program funds earmarked for school upgrades and reconfigurations to support wellness, health, athletics, learning, and efficiency.

The project budgets were prepared based on the current information known, and assumptions about each proposed Project's scope, site conditions, and market conditions. The project budgets will be reviewed throughout the planning, design, and construction phases as new information becomes known or unforeseen conditions arise and will be adjusted accordingly to enable the successful completion of the proposed Projects.

Student Impact:

The proposed Projects, once completed, will provide Student and Family Resource Centers that provide health and well-being resources for approximately 1,670 students and their families.

Equity Impact:

Prospective school sites in areas of high need for health and well-being services and have adequate space in existing buildings on the school's campus to accommodate the Student and Family Resource Center were

File #: Rep-125-23/24, **Version:** 1

identified.

Issues and Analysis:

Staff will implement all opportunities to minimize construction impacts on school operations and the surrounding neighborhoods. The proposed Projects include site work and upgrades at two existing buildings at Bethune Middle School and one existing building at Dorsey High School.

The Office of Environmental Health and Safety (OEHS) will evaluate the proposed Projects in accordance with the California Environmental Quality Act (CEQA).

Exhibit A

Scope, Budget, and Schedule for Two Student and Family Resource Center Projects

1. Bethune Middle School – Student and Family Resource Center Project

Region South, Board District 7 (Tanya Ortiz Franklin)

The project includes, but is not limited to:

- Minor interior upgrades at the existing “E” Building and Shop Building #2 including new paint, signage, graphics, furniture, and technology. New exterior doors with vision windows will be provided for the mental telehealth counseling rooms.
- Site improvements:
 - Utility connections to support mobile laundry truck
 - Security fencing and gates
 - Intercom Access phone
- Improvements to ensure compliance with local, state, and federal requirements including from the Americans with Disabilities Act (ADA), Division of the State Architect (DSA), California Environmental Quality Act (CEQA), and Department of Toxic Substances Control (DTSC).

Project Budget: \$1,496,017

Project Schedule: Construction is anticipated to begin in Q4-2024 and be completed in Q1-2025.

2. Dorsey High School – Student and Family Resource Center Project

Region South, Board District 1 (Dr. George J. McKenna)

The project includes, but is not limited to:

- Minor interior upgrades at the existing “L” Building (Science Building #2) including new paint, signage, graphics, furniture, and technology. Minor demolition of built-in cabinets and installation of new flooring at select locations.
- Site improvements:
 - Utility connections to support mobile laundry truck
 - Security fencing and gates
 - Intercom Access phone
- Improvements to ensure compliance with local, state, and federal requirements including from the ADA, DSA, CEQA, and DTSC.

Project Budget: \$1,833,726

Project Schedule: Construction is anticipated to begin in Q4-2024 and be completed in Q1-2025.

RESOLUTION 2023-41**BOARD REPORT 125-23/24****RECOMMENDING BOARD APPROVAL TO DEFINE AND APPROVE TWO STUDENT AND FAMILY RESOURCE CENTER PROJECTS AND AMEND THE FACILITIES SERVICES DIVISION STRATEGIC EXECUTION PLAN TO INCORPORATE THEREIN**

WHEREAS, Los Angeles Unified School District (Los Angeles Unified) Staff proposes that the Board of Education (Board) define and approve two Student and Family Resource Center (Center) Projects at Bethune Middle School and Dorsey High School (Projects), amend the Facilities Services Division (Facilities) Strategic Execution Plan (SEP) to incorporate therein, as described in Board Report No. 125-23/24 and request that the Board authorize the Chief Procurement Officer and/or the Chief Facilities Executive and/or their designee(s) to execute all instruments necessary to implement the proposed Projects; and

WHEREAS, Funding has been prioritized within the SUP to construct new and/or expand school-based wellness centers; and

WHEREAS, The new Student and Family Resource Center Projects fall under the SUP category of need for School Upgrades and Reconfigurations to Support Wellness, Health, Athletics, Learning, and Efficiency (WHALE); and

WHEREAS, Student Health and Human Services (SHHS) and Facilities Services Division assessed areas with a high need for health and well-being services and met with school administrators to determine which campuses have space in existing buildings to accommodate a Student and Family Resource Center; and

WHEREAS, Bethune Middle School and Dorsey High School were determined to have a high need for health and well-being services (such as a high percentage of students who live below the poverty line and a high percentage of chronic absenteeism) and have feasible site conditions for operating Student and Family Resource Centers as both schools have underutilized classroom space that can accommodate the new centers which will be located at the perimeter of the campus, allowing for a separate and secured entrance for families and the community; and

RESOLUTION 2023-41**RECOMMENDING BOARD APPROVAL TO DEFINE AND APPROVE TWO STUDENT AND FAMILY RESOURCE CENTER PROJECTS AND AMEND THE FACILITIES SERVICES DIVISION STRATEGIC EXECUTION PLAN TO INCORPORATE THEREIN**

WHEREAS, The Student and Family Resource Centers will be operated by LAUSD SHHS; and

WHEREAS, The Centers will be equipped to deliver a comprehensive set of services to promote the health and well-being of students and families. The catalog of services varies among Centers based on the needs of each community and resources available, and may include the following: attendance counseling, individual or group mental health counseling, mental telehealth counseling, health insurance enrollment assistance, case management, direct access to basic needs (e.g., school supplies, hygiene, laundry, nutrition), and general student, parent, and community resources; and

WHEREAS, The combined project budget for the two Student and Family Resource Center Projects is \$3,329,743 and will be funded with Bond Program funds earmarked for school upgrades and reconfigurations to support wellness, health, athletics, learning, and efficiency; and

WHEREAS, District Staff has stated that the Office of General Counsel has concluded that expenditures of the intended bond funds for these projects are legally permissible under State and Federal law including with respect to applicable federal tax-exempt bond requirements; and

WHEREAS, Los Angeles Unified Staff has concluded that this proposed Facilities SEP amendment will facilitate Los Angeles Unified's ability to successfully implement the Facilities SEP.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The School Construction Bond Citizens' Oversight Committee (BOC) recommends that the Board define and approve two Student and Family Resource Center Projects at Bethune Middle School and Dorsey High School, and amend the Facilities SEP, accordingly, as described in Board Report No. 125-23/24, a copy of which is attached hereto in the form it was presented to the BOC and is incorporated herein by reference.
2. This resolution shall be transmitted to the Los Angeles Unified Board and posted on the BOC's website.
3. Los Angeles Unified is directed to track the above recommendation and to report on the adoption, rejection, or pending status of the recommendations as provided in section 6.2 of the Charter and Memorandum of Understanding between the BOC and Los Angeles Unified.

Board of Education Report

File #: Rep-128-23/24, **Version:** 1

Define and Approve Three Accessibility Enhancement Projects and Amend the Facilities Services Division Strategic Execution Plan to Incorporate Therein

December 12, 2023

Facilities Services Division and Division of Special Education

Action Proposed:

Define and approve three Accessibility Enhancement Projects at Halldale Elementary School, Strathern Elementary School, and Utah Street Elementary School (Utah Span School) (Projects), as described in Exhibit A, to support the implementation of the Board of Education (Board) approved Self-Evaluation and Transition Plan (Transition Plan) under the Americans with Disabilities Act (ADA) and amend the Facilities Services Division (Facilities) Strategic Execution Plan (SEP) to incorporate therein. The total combined budget for the three proposed Projects is \$32,100,420.

Authorize the Chief Procurement Officer and/or the Chief Facilities Executive and/or their designee(s) to execute all instruments necessary, as legally permissible, to implement the proposed Projects including budget modifications.

Background:

On October 10, 2017, the Board approved the Transition Plan under the ADA to further Los Angeles Unified efforts to comply with ADA Title II program accessibility requirements. The Transition Plan outlined Los Angeles Unified's proposed approach to providing program accessibility, which considers the characteristics of Los Angeles Unified, student population, variety of educational programs, as well as the existing level of accessibility. The Transition Plan established a specific approach and goals for achieving program accessibility within eight years through facility modifications and operational means.

Under the Transition Plan, each school is assigned to one of three levels of accessibility (Category One, Two, or Three) based on assessments of more than two dozen criteria, including school programs, matriculation options, feeder pattern, geographic location, known (or anticipated/matriculating) population of students with disabilities or parents/guardians with disabilities, type of instructional model, and public input. The assigned category reflects the level of accessibility the site needs to meet. Schools that do not yet meet the criteria for their assigned category will undergo accessibility improvements and are prioritized for project development based on the criteria mentioned above. The three categories of accessibility are as follows:

- Category One: These are “key” schools and will have the highest level of access, generally in accordance with applicable physical accessibility standards. Category 1A will provide “full accessibility” for the schools that were built to new construction standards, while Category 1B will provide “high accessibility” for schools that have been altered with some limited exceptions.
- Category Two: These will be “program-accessible” schools. The core spaces and features of these schools would be made accessible; in addition, program accessibility would be provided to all programs and activities at the school.

- Category Three: These schools will have “core access,” which means that the core spaces (certain common spaces) would be made accessible, to ensure a basic level of access to the building. These include, for example, parking, the main entrance and main office, assembly areas, and some restrooms.

The three school sites for which an Accessibility Enhancement Project is being proposed do not yet meet their assigned category/level of accessibility and thus require facilities improvements. The scope, schedule, and budget for each proposed Project reflects the existing known conditions at each school site and the improvements necessary to meet each schools’ assigned category of accessibility. The conditions of significance include acreage, topography, building square footage, existence of multi-story buildings, age of buildings, as well as the number of schools, programs, features, and activities at a school site.

Bond Oversight Committee Recommendations:

This item was considered by the School Construction Bond Citizens’ Oversight Committee (BOC) at its meeting on November 30, 2023. Staff has concluded that this proposed Facilities SEP amendment is in alignment with BOC recommendations and will facilitate Los Angeles Unified’s ability to successfully complete the Facilities SEP.

Expected Outcomes:

Define and approve three Accessibility Enhancement Projects, as described in Exhibit A, and adopt the proposed amendment to the Facilities SEP to incorporate therein. Approval will authorize staff to proceed with the implementation of the proposed Projects.

Board Options and Consequences:

Adoption of the proposed action will authorize staff to proceed with the expenditure of Bond Program funds to immediately begin designing the proposed Projects at three school sites.

If the Board does not approve the proposal, staff will be unable to initiate the three proposed Accessibility Enhancement Projects, which are necessary to achieve program accessibility as outlined in the Transition Plan, which is required for compliance with Section 504 of the Rehabilitation Act and the ADA.

Policy Implications:

The proposal furthers implementation of the Transition Plan. As outlined in the Transition Plan, at Category One, Two and Three schools, an appropriate number of classrooms will be identified to serve as accessible learning spaces, some of which may require facility improvements to meet the criteria for their assigned accessibility category.

Any potential future room changes by Administrators or Principals will be reviewed by the Division of Special Education, the ADA Compliance Administrator, and the Facilities Services Division to ensure that new accessibility problems are not created as a result of the classroom moves. This will be done in close coordination with school staff to ensure disruptions are minimized.

Budget Impact:

The total combined budget, as currently estimated, for the three proposed Projects is \$32,100,420. The proposed Projects will be funded with Bond Program funds earmarked specifically for ADA Transition Plan Implementation.

File #: Rep-128-23/24, **Version:** 1

Each project budget was prepared based on the current information known, and assumptions about the proposed project scope, site conditions, and market conditions. Individual project budgets will be reviewed throughout the planning, design, and construction phases as new information becomes known or unforeseen conditions arise and will be adjusted accordingly to enable the successful completion of each proposed Project.

Student Impact:

The three proposed Projects will remove barriers to program accessibility for students, staff and qualified members of the community and ensure that all have an equal opportunity to access programs and activities at each campus.

Equity Impact:

Facilities works to coordinate Los Angeles Unified efforts under the ADA to ensure programs are accessible by students, staff, parents, and community members with disabilities.

Issues and Analysis:

Both Title II of the ADA and Section 504 of the Rehabilitation Act of 1973 impose broad-reaching prohibitions against discrimination on the basis of disability. As to facilities, a key requirement for both the ADA and Section 504 is program accessibility: programs, benefits, services, and activities provided by public entities must be accessible to people with disabilities. This means that a qualified individual with a disability is not to be discriminated against because the entity's facilities are inaccessible; however, this does not necessarily mean that all facilities must be accessible. While both laws do require that newly constructed and altered facilities meet stringent accessibility requirements, they do not require that all existing facilities meet those standards, so long as the programs and services provided in those facilities are made accessible to people with disabilities. A program or service can be made accessible by relocating it, providing it in a different manner, or utilizing some other strategy to ensure that people with disabilities have an equal opportunity to benefit from the entity's programs and activities. These proposed Projects are in alignment with Los Angeles Unified's implementation of the Board-approved Transition Plan.

The Office of Environmental Health and Safety (OEHS) will evaluate the proposed Projects in accordance with the California Environmental Quality Act (CEQA).

LOS ANGELES UNIFIED SCHOOL DISTRICT

Board of Education Report

Exhibit A

Define and Approve Three Accessibility Enhancement Projects

1. Halldale Elementary School Accessibility Enhancement Project

Region South, Board District 7 (Tanya Ortiz Franklin)

Project Background and Scope: The Halldale Elementary School site spans 6.69 acres and is comprised of one traditional Universal Transitional Kindergarten (UTK)-5 elementary program. The building area is approximately 44,769 square feet and includes four single-story permanent buildings, and 10 relocatable buildings. The permanent buildings were constructed between 1947 and 1997. As of the 2023-2024 Electronic Capacity Assessment Review (E-CAR), the school served approximately 445 students and currently 100 students have been identified as having a disability.

The site has been assigned a Category Two accessibility level. In order to meet the criteria for Category Two, various upgrades to 10 buildings are required, including: correction, installation, or replacement of, one permanent wheelchair lift, 10 restroom upgrades, four concrete ramps, one arcade, three assembly seating area upgrades, six metal ramps, eight drinking fountain upgrades, 12 path of travel upgrades, one parking lot upgrade, one changing room with toilet, other accessibility upgrades such as door hardware, playground components/matting, railings, and any other required improvements or mitigations to ensure programmatic access and compliance with local, state and/or federal facilities requirements.

Project Budget: \$12,188,327

Project Schedule: Construction is anticipated to begin in Q3-2026 and be completed in Q1-2028.

2. Strathern Elementary School Accessibility Enhancement Project

Region North, Board District 6 (Kelly Gonez)

Project Background and Scope: The Strathern Elementary School site spans 6.39 acres and is comprised of one traditional UTK-5 elementary school program. The building area is approximately 45,148 square feet and includes 19 single-story permanent buildings, one multi-story permanent building, and eight relocatable buildings. The permanent buildings were constructed between 1948 and 1990. As of the 2023-2024 E-CAR, the school served approximately 470 students and currently 78 students have been identified as having a disability.

The site has been assigned a Category Three accessibility level. In order to meet the criteria for Category Three, various upgrades to 13 buildings are required, including: correction, installation, or replacement of nine restroom upgrades, four assembly seating area upgrades, one changing room, four drinking fountain upgrades, 20 path of travel upgrades, other accessibility upgrades such as door hardware, playground components/matting, railings, and any other required improvements or mitigations to ensure programmatic access and compliance with local, state and/or federal facilities requirements.

Project Budget: \$6,259,886

Project Schedule: Construction is anticipated to begin in Q3-2026 and be completed in Q1-2028.

LOS ANGELES UNIFIED SCHOOL DISTRICT

Board of Education Report

Exhibit A

Define and Approve Three Accessibility Enhancement Projects

3. Utah Span School Accessibility Enhancement Project

Region East, Board District 2 (Rocio Rivas)

Project Background and Scope: The Utah Span School site spans 5.15 acres and is comprised of one traditional UTK-8 span school program. The building area is approximately 76,800 square feet and includes three single-story permanent buildings, four multi-story permanent buildings and one relocatable building. The permanent buildings were constructed between 1937 and 1970. As of the 2023-2024 E-CAR, the school served approximately 350 students and currently 118 students have been identified as having a disability.

The site has been assigned a Category Two accessibility level. In order to meet the criteria for Category Two, various upgrades to seven buildings are required, including: correction, installation, or replacement of one new elevator, one permanent wheelchair lift, 11 restroom upgrades, one concrete ramp, six drinking fountain upgrades, one parking lot upgrade, 16 path of travel upgrades, three assembly seating area upgrades, other accessibility upgrades such as door hardware, playground components/matting, railings, and any other required improvements or mitigations to ensure programmatic access and compliance with local, state and/or federal facilities requirements.

Project Budget: \$13,652,207

Project Schedule: Construction is anticipated to begin in Q3-2026 and be completed in Q1-2028.

RESOLUTION 2023-42

BOARD REPORT 128-23/124

**RECOMMENDING BOARD APPROVAL TO DEFINE AND APPROVE THREE
ACCESSIBILITY ENHANCEMENT PROJECTS, AND AMEND THE FACILITIES SERVICES
DIVISION STRATEGIC EXECUTION PLAN TO INCORPORATE THEREIN**

WHEREAS, Los Angeles Unified School District (District) Staff proposes that the Board of Education (Board) define and approve three Accessibility Enhancement Projects at Halldale Elementary School, Strathern Elementary School, Utah Span School (Projects), to support the implementation of the Board approved Self-Evaluation and Transition Plan (Transition Plan) under the Americans with Disabilities Act (ADA), and amend the Facilities Services Division (Facilities) Strategic Execution Plan (SEP) accordingly; and

WHEREAS, District Staff also requests that the Board authorize the Chief Procurement Officer and/or the Chief Facilities Executive and/or their designee(s) to execute all instruments necessary, as legally permissible, to implement the proposed Projects including budget modifications and the purchase of equipment and materials; and

WHEREAS, Under the Transition Plan, each school is assigned to one of three levels of accessibility (Category One, Two, or Three) based on assessments of more than two dozen criteria, including school programs, matriculation options, feeder pattern, geographic location, known (or anticipated/matriculating) population of students with disabilities or parents/guardians with disabilities, type of instructional model, and public input. The assigned category reflects the level of accessibility the site needs to meet. Schools that do not yet meet the criteria for their assigned category will undergo accessibility improvements and are prioritized for project development based on the criteria mentioned above. The three categories of accessibility are as follows:

- Category One: These are “key” schools and will have the highest level of access, generally in accordance with applicable physical accessibility standards. Category 1A will provide “full

RESOLUTION 2023-42**RECOMMENDING BOARD APPROVAL TO DEFINE AND APPROVE THREE ACCESSIBILITY ENHANCEMENT PROJECTS AND AMEND THE FACILITIES SERVICES DIVISION STRATEGIC EXECUTION PLAN TO INCORPORATE THEREIN**

accessibility” for the schools that were built to new construction standards, while Category 1B will provide “high accessibility” for schools that have been altered with some limited exceptions; and

- Category Two: These will be “program-accessible” schools. The core spaces and features of these schools would be made accessible; in addition, program accessibility would be provided to all programs and activities at the school; and
- Category Three: These schools will have “core access,” which means that the core spaces (certain common spaces) would be made accessible, to ensure a basic level of access to the building. These include, for example, parking, the main entrance and main office, assembly areas, and some restrooms; and

WHEREAS, The three school sites for which an Accessibility Enhancement Project is being proposed do not yet meet their assigned category/level of accessibility and thus require facilities improvements. The scope, schedule, and budget for each proposed Project reflects the existing known conditions at each school site and the improvements necessary to meet each schools’ assigned category of accessibility. The conditions of significance include acreage, topography, building square footage, existence of multi-story buildings, age of buildings, as well as the number of schools, programs, features and activities at a school site; and

WHEREAS, The total combined budget, as currently estimated, for the three proposed Projects is \$32,100,420 and will be funded by Bond Program funds embarked specifically for ADA Transition Plan Implementation; and

WHEREAS, Construction of the three Accessibility Enhancement Projects are anticipated to begin in the third quarter of 2026 and be completed in the first quarter of 2028; and

WHEREAS, District Staff has stated that the Office of General Counsel has concluded that expenditures of the intended bond funds for these projects are legally permissible under State and Federal law including with respect to applicable federal tax-exempt bond requirements; and

WHEREAS, District Staff has determined that the proposed Projects are necessary to improve student health, safety, and educational quality; and

WHEREAS, District Staff has concluded that this proposed Facilities SEP amendment will facilitate Los Angeles Unified’s ability to successfully complete the Facilities SEP.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The School Construction Bond Citizens' Oversight Committee recommends that the Board define and approve three Accessibility Enhancement Projects to support the implementation of the Transition Plan, and amend the Facilities SEP, accordingly, as described in Board Report No. 128-23/24, a copy of which is attached hereto in the form it was presented to the BOC and is incorporated herein by reference.

RESOLUTION 2023-42

RECOMMENDING BOARD APPROVAL TO DEFINE AND APPROVE THREE ACCESSIBILITY ENHANCEMENT PROJECTS AND AMEND THE FACILITIES SERVICES DIVISION STRATEGIC EXECUTION PLAN TO INCORPORATE THEREIN

2. This resolution shall be transmitted to the Los Angeles Unified School District Board of Education and posted on the Oversight Committee's website.
3. Los Angeles Unified is directed to track the above recommendation and to report on the adoption, rejection, or pending status of the recommendations as provided in section 6.2 of the Charter and Memorandum of Understanding between the Oversight Committee and the District

Define and Approve Three Athletic Facilities Upgrade Projects and Amend the Facilities Services Division Strategic Execution Plan to Incorporate Therein

December 12, 2023

Facilities Services Division

Action Proposed:

Approve the definition of three projects to upgrade athletic facilities at Manual Arts High School, San Fernando High School and Valley Oaks Center for Enriched Studies (VOCES) (Projects) as described in Exhibit A and amend the Facilities Services Division (Facilities) Strategic Execution Plan (SEP) to incorporate therein. The total combined budget for the proposed Projects is \$23,203,675.

Authorize the Chief Procurement Officer and/or the Chief Facilities Executive and/or their designee(s) to execute all instruments necessary, as legally permissible, to implement the proposed Projects including budget modifications and the purchase of equipment and materials.

Background:

On August 24, 2021, the Board of Education (Board) adopted an update to the School Upgrade Program (SUP) to integrate Measure RR funding and priorities into its operational framework. The updated SUP framework and the Measure RR Implementation Plan help guide the identification of sites and development of project proposals.

Pursuant to Board Resolution, Modernization, Upgrade and Development of High School Athletic Facilities, funding has been prioritized within the SUP to modernize, upgrade, or develop new high school athletic facilities in each Board District. Projects to upgrade high school athletic facilities within each Board District fall under the SUP category of need for School Upgrades and Reconfigurations to Support Wellness, Health, Athletics, Learning, and Efficiency (WHALE). Funds are targeted for each Board District based on each Board District's proportionate share of high school enrollment and number of sports teams. Proposed projects are identified by Board offices in consultation with stakeholders and developed by Facilities staff.

The proposed athletic facilities upgrades will support each school's physical education program, athletic programs, and allow schools to practice for and/or host athletic events, which contributes to student athletic achievement, school pride, and a positive school culture.

The proposed Projects are located in Board District 1 (Dr. George McKenna) and Board District 6 (Kelly Gonez).

Bond Oversight Committee Recommendations:

This item was considered by the School Construction Bond Citizens' Oversight Committee (BOC) at its meeting on November 30, 2023. Staff has concluded that this proposed Facilities SEP amendment is in alignment with BOC recommendations and will facilitate the successful implementation of the Facilities SEP.

Expected Outcomes:

Define and approve the proposed Projects and amend the Facilities SEP to incorporate therein. Approval will authorize staff to proceed with the implementation of the proposed Projects and expenditure of Bond Program funds.

The upgraded athletic facilities, once completed, will provide modern high-performance athletic facilities that support physical education programs, student athletic achievement, and athletic programs. The proposed Projects will also decrease demands for repair and maintenance, alleviate the burden on custodial staff, and benefit the local economy by creating tax revenue and new jobs.

Board Options and Consequences:

Approval will allow staff to further develop, design, and construct the athletic facilities upgrades.

If staff's proposal is not approved, the proposed improvements will not commence, and the schools will continue to operate without upgraded athletic facilities and/or continue to use athletic facilities that are deteriorating and do not comply with current standards.

Policy Implications:

The proposal does not impact Los Angeles Unified policy. The proposal supports the implementation of the Modernization, Upgrade and Development of High School Athletic Facilities Board Resolution. The proposal is consistent with the District's long-term goal to address unmet school facilities needs and significantly improve the conditions of aging and deteriorating school facilities as described in the District's local bond measures K, R, Y, Q, and RR. The proposed action advances Los Angeles Unified's 2022-2026 Strategic Plan Pillar 4 Operational Effectiveness Modernizing Infrastructure by upgrading athletic facilities at schools.

Budget Impact:

The combined project budget for the three proposed athletic facilities upgrade Projects is \$23,203,675. The proposed Projects will be funded with Bond Program funds earmarked for school upgrades and reconfigurations to support wellness, health, athletics, learning, and efficiency, and more specifically from the amounts allocated for upgrades to athletic facilities in Board District 1 and Board District 6.

The project budgets were prepared based on the current information known, and assumptions about each proposed Project's scope, site conditions, and market conditions. The project budgets will be reviewed throughout the planning, design, and construction phases as new information becomes known or unforeseen conditions arise and will be adjusted accordingly to enable the successful completion of the proposed Projects.

Student Impact:

The proposed Projects, once completed, will provide new and improved athletic facilities that support physical education programs, student athletic achievement and athletic programs to benefit approximately 3,030 students. The athletic facilities upgrades will also allow schools to practice and/or host games and other school community events, which builds school pride and enhances opportunities to create a positive school culture.

Equity Impact:

Funds are allocated for each Board District based on each Board District's proportionate share of high school enrollment and number of sports teams.

Issues and Analysis:

Staff will implement all opportunities to minimize construction impacts on school operations and existing

File #: Rep-130-23/24, **Version:** 1

athletic programs. As necessary, the temporary use of local parks, neighboring school athletic facilities, and other opportunities will be utilized to reduce impacts to the existing athletic programs at each school.

The Office of Environmental Health and Safety (OEHS) will evaluate the proposed Projects in accordance with the California Environmental Quality Act (CEQA).

**Exhibit A
Scope, Budget, and Schedule for Three Athletic Facilities Upgrade Projects**

3. Valley Oaks Center for Enriched Studies (VOCES) – Multipurpose Athletic Field Upgrades

Region North, Board District 6 (Kelly Gonez)

The project includes, but is not limited to:

- The design and construction of new football field lighting, goal posts and scoreboard.
- Installation of new 5-tier portable bleachers.
- Grading, drainage improvements, amending top-soil and re-seeding the natural turf on the existing multipurpose athletic field, and repairing the existing irrigation system.
- Demolition and removal of existing football goal posts and handball courts.
- Associated landscape, hardscape, and infrastructure improvements.
- Requirements from the ADA, DSA, CEQA, DTSC, or other improvements to ensure compliance with local, state, and federal regulations.

Project Budget: \$7,515,769

Project Schedule: Construction is anticipated to begin in Q2-2026 and be completed in Q4-2027.

RESOLUTION 2023-43

BOARD REPORT 130-23/24

RECOMMENDING BOARD APPROVAL TO DEFINE AND APPROVE THREE ATHLETIC FACILITIES UPGRADE PROJECTS AND AMEND THE FACILITIES SERVICES DIVISION STRATEGIC EXECUTION PLAN TO INCORPORATE THEREIN

WHEREAS, Los Angeles Unified School District (Los Angeles Unified) Staff proposes that the Board of Education (Board) define and approve three projects to upgrade athletic facilities at Manual Arts High School, San Fernando High School, and Valley Oaks Center for Enriched Studies (VOCES) (Projects), and amend the Facilities Services Division (Facilities) Strategic Execution Plan (SEP) to incorporate therein, as described in Board Report No. 130-23/24; and

WHEREAS, Los Angeles Unified Staff also requests that the Board authorize the Chief Procurement Officer and/or the Chief Facilities Executive and/or their designee(s) to execute all instruments necessary to implement the proposed Projects; and

WHEREAS, Pursuant to Board Resolution, Modernization, Upgrade and Development of High School Athletic Facilities funding has been prioritized within the School Upgrade Program (SUP) to modernize, upgrade, or develop new high school athletic facilities in each Board District. Projects to upgrade high school athletic facilities will be undertaken within each Board District with funding earmarked for school upgrades and reconfigurations to support wellness, health, athletics, learning, and efficiency and more specifically upgrading athletic facilities. Funds are allocated for each Board District based on each Board District's proportionate share of high school enrollment and number of sports teams. Proposed projects are identified by Board offices in consultation with stakeholders and developed by Facilities staff; and

WHEREAS, The proposed upgrades will provide new and improved athletic facilities that support each school's physical education program, student athletic achievement and athletic programs. The athletic facilities upgrades will also allow schools to practice for and/or host games and other school community events, which builds school pride and enhances opportunities to create a positive school culture; and

RECOMMENDING BOARD APPROVAL TO DEFINE AND APPROVE THREE ATHLETIC FACILITIES UPGRADE PROJECTS AND AMEND THE FACILITIES SERVICES DIVISION STRATEGIC EXECUTION PLAN TO INCORPORATE THEREIN

WHEREAS, The combined project budget for the three proposed athletic facilities upgrade Projects is \$23,203,675. The proposed Projects will be funded with Bond Program funds earmarked for school upgrades and reconfigurations to support wellness, health, athletics, learning, and efficiency, and more specifically from the amounts allocated for upgrades to athletic facilities in Board Districts 1 and 6; and

WHEREAS, District Staff has stated that the Office of General Counsel has concluded that expenditures of the intended bond funds for these projects are legally permissible under State and Federal law including with respect to applicable federal tax-exempt bond requirements; and

WHEREAS, Los Angeles Unified Staff has concluded that this proposed Facilities SEP amendment will facilitate Los Angeles Unified's ability to successfully implement the Facilities SEP.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The School Construction Bond Citizens' Oversight Committee (BOC) recommends that the Board define and approve three projects to upgrade athletic facilities at Manual Arts High School, San Fernando High School, and Valley Oaks Center for Enriched Studies (VOCES), and amend the Facilities SEP, accordingly, as described in Board Report No. 130-23/24, a copy of which is attached hereto in the form it was presented to the BOC and is incorporated herein by reference.
2. This resolution shall be transmitted to the Los Angeles Unified Board and posted on the BOC's website.
3. Los Angeles Unified is directed to track the above recommendation and to report on the adoption, rejection, or pending status of the recommendations as provided in section 6.2 of the Charter and Memorandum of Understanding between the BOC and Los Angeles Unified.

Adoption of Resolution to Authorize Los Angeles Unified School District Representatives Performance for State Allocation Board (SAB) Administered Programs

December 12, 2023

Facilities Services Division

Action Proposed:

Adopt the attached Board of Education (Board) Resolution (Exhibit A) to authorize Los Angeles Unified School District (District) personnel to perform all necessary functions related to State Allocation Board administered programs, including the administration of necessary grant-related activities, and the execution of all instruments necessary, as legally permissible, to implement the requirements of the grant awards.

Background:

The State Allocation Board (SAB) is responsible for determining the allocation of state resources used for the new construction and modernization of public-school facilities. The voter-approved general obligation bond funds and other designated state funds that make up the state resources managed by the SAB, are allocated into SAB-Administered Programs to which school districts can apply for funding. Facilities Services Division has applied for grants through the various SAB-Administered Programs and has been awarded approximately \$5.45 billion so far, thus allowing the District to build new schools, modernize existing campuses, and provide learning environments that will help students achieve educational goals.

The SAB is supported by the Office of Public School Construction (OPSC) who is responsible for the administration of state funding for eligible facility projects and who operates under the Department of General Services (DGS). It is OPSC's responsibility to verify that all school districts who apply for state funding meet the specific criteria of the funding programs, facilitate the application process, and ensure that all awarded funds are allocated per state law and the regulations implemented and the actions taken by the SAB.

To ensure school districts are aware of the commitments necessitated by receiving funds from an SAB-Administered Program, OPSC is now requiring the adoption of a resolution by a school district's governing body that authorizes named District personnel to sign documents and agreements and submit documents via OPSC Online that are associated with SAB-Administered Programs. This requirement now requires the updating and readopting of the resolution every time there is a change in authorized named personnel.

Expected Outcomes:

Adopt the Resolution to authorize staff to perform all necessary functions related to SAB-Administered Programs, including the execution of all necessary instruments for the purposes of the administration and compliance of the grant awards.

Board Options and Consequences:

Approval of this action will allow staff to proceed with the necessary administrative and project activities related to SAB-Administered Programs.

File #: Rep-133-23/24, **Version:** 1

If the proposed action is not approved, staff will not be able to proceed with applying for funds through SAB-Administered Programs, forgoing any available grant funds through these programs, and would also not be able to submit documentation needed to remain compliant with existing grant and reporting requirements.

Policy Implications:

Staff's proposal advances Pillar 4 Operational Effectiveness of the 2022-26 Strategic Plan and fulfills OPSC's requirements for SAB-Administered Programs.

Budget Impact:

No budget impact.

Student Impact:

Approval of this action allows the District to apply for and be in compliance with grants that are awarded to create and improve District facilities, thus improving students' access to a safe and healthy learning environment.

Equity Impact:

The grants awarded through SAB-Administered Programs support the District's Bond Program which is focused on improving equity between newer and older schools so that all students have an equal opportunity for success.

Issues and Analysis:

No issues.

LOS ANGELES UNIFIED SCHOOL DISTRICT
Board of Education Report
Exhibit A

**RESOLUTION OF THE BOARD OF EDUCATION OF THE CITY OF LOS ANGELES
AUTHORIZING LOS ANGELES UNIFIED SCHOOL DISTRICT REPRESENTATIVES
FOR STATE ALLOCATION BOARD (SAB) ADMINISTERED PROGRAMS**

WHEREAS, Education Code established multiple programs to be administered by the Department of General Services (DGS) as staff to the State Allocation Board (SAB); and

WHEREAS, the Los Angeles Unified School District (LAUSD or District) intends to file applications for eligibility determination, file applications for funding, and/or certify information under one or more SAB-Administered Program(s); and

WHEREAS, the SAB and DGS require a school district's Board of Education to authorize specific individuals to sign and submit information on behalf of a school district; and

WHEREAS, the LAUSD understands that the signing and submittal of forms on behalf of the District commits the District to comply with program requirements.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE CITY OF LOS ANGELES AS FOLLOWS:

- A. That the LAUSD Board of Education authorizes the individuals identified below to sign all documents and papers physically and electronically, as well as submit documents via OPSC Online that are associated with SAB-Administered Programs. These documents include but are not limited to applications for funding, eligibility determination forms, expenditure reports, grant agreements, and any other instrument necessary for application and compliance with SAB-Administered Programs and regulations:
 - 1. Krisztina Tokes, Chief Facilities Executive
 - 2. Alix O'Brien, Deputy Chief Facilities Executive
 - 3. (VACANT), Director of Facilities Program Support Services
 - 4. Chris Alejo, Deputy Director of Facilities Program Support Services
 - 5. Karen Lee, Interim Director of Facilities Legislation, Grants and Funding
 - 6. (VACANT), Deputy Director of Facilities Legislation, Grants and Funding

Authorization to Negotiate and Enter into Agreements with Three Organizations for the Construction of Greening Projects on a Portion of Four School Sites

December 12, 2023

Facilities Services Division

Action Proposed:

Authorize the Chief Facilities Executive and/or their designee to negotiate and enter into development and maintenance agreements, and any other reasonable instruments deemed necessary, with three nonprofit organizations for the construction of greening projects, as more particularly described on Exhibit A, on a portion of four school sites, as follows:

- The Trust for Public Land (TPL) for the construction of a greening project at 107th Street Elementary School (107th St. ES);
- TreePeople, Inc. (TPI) for the construction of a greening project at Wilmington STEAM Magnet Middle School (Wilmington STEAM Magnet MS), and for the construction of a greening project at Middleton Street Elementary School (Middleton ES); and
- The Los Angeles Neighborhood Land Trust (LANLT) for the construction of a greening project at 52nd Street Elementary School (52nd St. ES).

The projects are anticipated to provide each school with improvements such as permeable play areas and/or outdoor classrooms, native landscaping, shade trees, and improved site drainage and storm water runoff (project details included in Exhibit A).

Background:

The State of California, via several different agencies and departments (State), has established various programs to add green spaces and trees to communities to increase health and climate benefits, reduce greenhouse gas emissions, mitigate extreme heat, and provide enhanced learning environments in school communities (Greening Programs).

The four greening projects are collaborations between the Los Angeles Unified School District (Los Angeles Unified or District) and third-party organizations that applied directly to the State and were awarded design and construction funding to develop projects at District schools. The three partner organizations proposing to construct greening projects on a portion of four Los Angeles Unified school sites (Project Proposers) are the official grantees of the Greening Program funding and are required to submit supporting documentation to demonstrate their ability to carry out the greening projects. For projects developed on property not owned by the Project Proposers, the State requires agreements with the property owner giving the Project Proposers legal access and permission to construct and maintain the project on the property. The State will not disperse any grant funds prior to the execution and subsequent submittal of such agreements.

The greening projects will be constructed by the Project Proposers and will be solely funded by the State with potential matching funds from the Project Proposers. The improvements will be owned by Los Angeles Unified upon completion of construction.

Exhibit A includes the proposed greening projects for each of the four schools including Board District, Region, Project Proposers, project descriptions, grantors, their corresponding grant program funding amounts, anticipated construction start and finish dates, and maintenance obligations.

Expected Outcomes:

Adoption of the proposed action will enable staff to execute the development and maintenance agreements with the Project Proposers and subsequently enable the State to disburse funding to the Project Proposers for the greening projects.

Board Options and Consequences:

Adoption will permit Los Angeles Unified to negotiate and execute development and maintenance agreements and any other reasonable instruments to allow the Project Proposers to proceed with the design and construction of the greening projects.

If not adopted, the Project Proposers will be unable to secure the Greening Program funding from the State. Furthermore, students, staff, and the community will not benefit from the greening improvements that are proposed to be undertaken.

Policy Implications:

The proposed action advances Pillar 2 Joy and Wellness Welcoming Learning Environments of the Los Angeles Unified 2022-2026 Strategic Plan by constructing greening projects at District schools. Additionally, it supports several Los Angeles Unified Board Resolutions including the Creating New School Gardens and Campus and Community-Shared Green Spaces to Provide Outdoor Learning Opportunities and Create Sustainable and Healthy Environments Resolution, the Expand Sustainable Schoolyards and Environmental Initiatives and Curriculum Resolution, as well as the Green Schools for All: Equitable Funding and Expansion of Green Spaces across District Campuses Resolution.

Budget Impact:

The activities associated with negotiating and executing development and maintenance agreements with the Project Proposers require staff time from the Facilities Services Division and the Office of the General Counsel. Los Angeles Unified funding is not needed to implement the proposed greening projects. The Project Proposers will fully fund the greening projects including, but not limited to, the planning, design, review, testing, inspection, construction, and ancillary costs required by Los Angeles Unified, with the Grant Program funding awarded to them by the State. Any potential cost increases associated with the greening projects are the sole responsibility of the Project Proposers. If the Project Proposers are unable to fund the greening projects as scoped, a value engineering approach will be implemented to ensure the completion of the projects.

Los Angeles Unified will be responsible for maintaining the areas upgraded by the greening projects in accordance with its annual Maintenance and Operations (M&O) budget, standards, and specifications. Los Angeles Unified will not be obligated to increase its annual M&O budget to provide additional maintenance for the greening projects at the four schools. The greening projects will be added to the District's existing inventory and maintained with, and to the degree permitted by, funding and resources available to Los Angeles Unified at any particular time. Maintenance of the greening projects will not cause an additional impact to Los Angeles Unified's General Fund.

Student Impact:

The greening projects, once complete, will provide the students attending the four schools with various improvements that help promote learning and may include removal of asphalt, additional green space, shade, outdoor learning environments, native plants, and shade trees.

Equity Impact:

Schools are selected by Project Proposers with emphasis and priority given to projects that are located within and benefit disadvantaged communities and those communities facing the most significant threat from extreme heat.

Issues and Analysis:

Staff has reached an agreement with the Project Proposers on the material terms of the development and maintenance agreements for the design, construction, and maintenance of the greening projects. The material terms of the development and maintenance agreements are as follow:

1. The greening projects require compliance with all laws, rules, regulations, and standards for public school construction, the cost of which will be borne solely by the Project Proposers, including, but not limited to:
 - a. The Field Act and all other applicable Division of the State Architect (DSA) requirements, such as accessible path-of-travel to comply with the Americans with Disabilities Act (ADA).
 - b. Requirements, including improvements that arise from the Department of Toxic Substance Control (DTSC) and California Environmental Quality Act (CEQA) review, which shall be conducted under the oversight of the Los Angeles Unified's Office of Environmental Health and Safety (OEHS).
 - c. Los Angeles Unified facilities standards, design standards, and technical specifications for construction, as well as compliance with all design review and approval processes. Specifically, the greening projects shall not infringe upon or reduce outdoor physical education areas and/or teaching stations, impact fire life and safety and emergency areas, or conflict with the campus master plan.
 - d. The architect, construction manager, general contractor, or multiple prime contractors, engineers, consultants, and professionals retained for the greening project shall be licensed, as applicable, and in good standing and authorized to do business in the State of California. In addition, the general contractor must be on Los Angeles Unified's Safety Prequalified list.
 - e. The greening projects shall satisfy Los Angeles Unified requirements with regard to construction on a school site, including, but not limited to, the payment of prevailing wages (unless the Project Proposers can provide an exemption from the Department of Industrial Relations with regard to the payment of prevailing wages) and a performance bond in an amount no less than one hundred percent (100%) of the construction cost of the greening projects, and the use of Los Angeles Unified Inspectors certified by DSA. The cost for the Inspectors will be paid by the Project Proposer.
2. The State stipulates that all projects constructed with Grant Program funding shall be maintained

and operated for various periods as noted in Exhibit A. With regard to the maintenance of the greening projects, the Project Proposers and Los Angeles Unified acknowledge that:

- a. The greening projects will be designed in such a way to, among other things, minimize the M&O burden thereof on Los Angeles Unified, reduce any adverse impact to the school, and provide future flexibility to Los Angeles Unified and the schools.
 - b. All planting material will be drought tolerant and/or as low maintenance as possible to maximize tree and shrub survivability and the Project Proposers may be required to replace planting material (shrubbery and similar materials but not fields and decomposed granite material, if any) for the first six months and trees for up to one year after installation, at Project Proposer's sole cost.
 - c. Other than the Project Proposer's obligation to replace planting material, Los Angeles Unified will maintain the greening project areas in accordance with (and to the degree permitted by) its annual M&O budget, and standards and specifications at the time (as they may change during the required term of the Grant Program). Los Angeles Unified shall not be obligated to increase its annual M&O budget to account for the addition of the greening projects in the inventory of sites/areas serviced. The greening projects will be added to the District's existing inventory and maintained with, and to the degree permitted by, funding and resources available to Los Angeles Unified at any particular time.
 - d. The Project Proposers will continue to work with Los Angeles Unified, and in particular the school principal, and other third parties to identify additional opportunities to support the greening projects.
 - e. The Project Proposers shall indemnify, defend and hold harmless Los Angeles Unified from and against any claims, damages, costs, expenses or other liability of any kind (particularly the liability to repay the State for all or a portion of the Grant Program funding) arising from any claim or finding by the State (or any agency or instrumentality thereof, including, without limitation, any state or local court) that the Project Proposers have failed to comply with any term or condition of the Grant Program.
3. Upon completion of the greening projects, the improvements will be owned by Los Angeles Unified.
 4. If, upon completion of the greening projects, the Project Proposers request to make the greening project areas of the schools available for public use, staff will present a separate proposal to the Board for approval.

Resolution of Intention to Dedicate an Easement, Associated with the Proposed Alley Vacation at Maxine Waters Employment Preparation Center

December 12, 2023

Facilities Services Division

Action Proposed:

Authorize: (1) the dedication of an easement to the City of Los Angeles (“City”) by adopting a Resolution of Intention to Dedicate an Easement, Exhibit E, with a vote of at least two-thirds of its members; (2) the City to reserve an easement from the alley vacation for the County of Los Angeles (“County”) to access their existing utility lines in the proposed alley vacation; and (3) the Chief Facilities Executive and/or her designee(s) to execute reasonable agreements associated with the dedication of a new curb ramp easement and vacation of existing alley and street easements.

The easement is at the Maxine Waters Employment Preparation Center and is described herein and is on file and available for public examination in the Board Secretariat's Office, 333 South Beaudry Avenue, 24th Floor, Los Angeles, California 90017.

Property:	Portion of Maxine Waters Employment Preparation Center (See Exhibits A and B) 10925 South Central Avenue Los Angeles, CA 90059
Purpose:	Dedication of Street Easements
Grantee:	The City of Los Angeles
Consideration:	None
Date of Public Hearing:	January 23, 2024
Easement to be Dedicated:	A 15-foot by 15-foot corner cut curb ramp easement at the southwest corner of East 108th Street and South Central Avenue. Please see Exhibit B.

Background:

The New Multipurpose and Auto Shop Buildings Project at Maxine Waters Employment Preparation Center (“Project”), was approved on March 25, 2004. The Project included the vacation of a 10-foot-wide T-shaped alley located south of 108th Street and between Central Avenue and Clovis Street. This alley was closed in 2005 and incorporated as part of the school site. The Project was completed in the Fall of 2009.

The conditions to vacate a street are determined by the City after submittal of an application and will expire with the passage of time. The 2006 application to vacate the alley and the applications submitted thereafter were partially completed.

On February 6, 2018, staff submitted a new application to vacate the alley and an existing 2-foot-wide street widening easement along Central Avenue. Due to the City changing its street standard, Los Angeles Unified has the opportunity to regain the unrestricted use of the 2-foot-wide area. The proposed vacation will eliminate the

street widening easement. Please see Exhibit D.

The new curb ramp easement is required to fulfill a condition of the new vacation application. The proposed easement is needed because the City's street standards have changed and is necessary to ensure public use and the City's access to maintain and repair the curb ramp.

The vacation areas currently are subject to existing street and alley easements. Upon completion of the vacation process, the City will vacate their existing street and alley easements by recording a Resolution to Vacate. However, in lieu of requiring Los Angeles Unified to relocate an existing County of Los Angeles ("County") storm drain and sewer line in the former T-shaped alley (see Exhibit D), which will result in significant cost to Los Angeles Unified, the City will reserve an easement for the County over the entire length of the T-shaped alley. This easement reservation is needed to ensure the County of Los Angeles will have access to maintain and repair the storm drain and sewer lines that serve the school and surrounding properties.

California Education Code sections 17556 through 17561 specify that a Notice of Adoption of Resolution of Intention to Dedicate an Easement include a time not less than 10 days after adoption of the Resolution to hold a public hearing by the Board. The adopted Resolution must be posted in three public places within Los Angeles Unified's boundaries no less than 10 days before the date of the public hearing and be published no less than five days before the hearing in a newspaper of general circulation within Los Angeles Unified's boundaries. The Los Angeles Daily Journal will be used for this purpose.

Maxine Waters Employment Preparation Center is an adult and career education skill center in South Los Angeles, located in Region South and Board District 7 (Tanya Ortiz Franklin), and serves approximately 6,780 adult students.

Expected Outcomes:

Adopt the Resolution of Intention to Dedicate an Easement at Maxine Waters Employment Preparation Center. Furthermore, staff anticipates the Board will authorize: (1) the reservation of an easement from the proposed vacation area for the County of Los Angeles; and (2) the Chief Facilities Executive, and/or its designee(s) to execute agreements associated with the proposed vacation.

Board Options and Consequences:

If approved, the Chief Facilities Executive and/or its designee(s) will sign the agreements necessary to complete the City's conditions for the proposed vacation and provide the authority and access needed to repair and maintain the new public curb ramp and existing storm drain and sewer lines.

If the Board does not adopt the Resolution of Intention to Dedicate an Easement at Maxine Waters Employment Preparation Center, Los Angeles Unified will not be able to fulfill the City's requirements for the proposed vacation request. Potentially, this could cause Los Angeles Unified to incur the cost to relocate the existing storm drain and sewer from the school site.

Policy Implications:

The proposed action advances Pillar 4 Operational Effectiveness Modernizing Infrastructure of the Los Angeles Unified 2022-2026 Strategic Plan by dedicating easements associated with school construction projects.

Budget Impact:

All costs associated with the Resolution of Intention to Dedicate an Easement at Maxine Waters Employment Preparation Center are included in the Project budget and funded from Bond Program funds.

Student Impact:

The dedication of an easement at Maxine Waters Employment Preparation Center will ensure the students and the community will have safe public right-of-way access near the campus. The proposed vacation will enable Los Angeles Unified to consolidate adjoining properties at Maxine Waters Employment Preparation Center.

Equity Impact:

As part of the school construction process of obtaining a permit from the City of Los Angeles Department of Building and Safety, applicants are required to have the Bureau of Engineering review and approve plans prior to a permit being issued.

Issues and Analysis:

None.

EXHIBIT E**NOTICE OF ADOPTION OF RESOLUTION OF INTENTION TO DEDICATE AN EASEMENT, ASSOCIATED WITH THE PROPOSED ALLEY VACATION AT MAXINE WATERS EMPLOYMENT PREPARATION CENTER**

At the December 12, 2023, meeting of the Board of Education (“Board”) of the Los Angeles Unified School District (“Los Angeles Unified”), the following resolution was adopted by at least a two-thirds vote of all its members:

RESOLVED: That the Board, in pursuance of the provisions of Sections 17556 through 17561, inclusive, of the Education Code of the State of California, does hereby declare its intention to irrevocably offer to dedicate an easement at Maxine Waters Employment Preparation Center to the City of Los Angeles, a municipal corporation, (hereinafter called Grantee) over all that certain real property situated in the County of Los Angeles, State of California, legally described on Exhibit A and also shown on Exhibit B attached hereto.

The proposed easement dedication to the Grantee will help complete the requirements of the proposed street and alley vacation request. The easement dedication will be in the form of an Owner’s Dedication deed for the street easement, as legally described in Exhibit A and also shown on Exhibit B attached hereto.

The Grantee shall be responsible for damage caused intentionally or by any negligent act or omission of the respective grantee, its agent or employees while exercising the rights granted respectively herein.

BE IT FURTHER RESOLVED: That a public meeting of this Board be held in the Los Angeles Unified Board Room, 333 South Beaudry Avenue, 1st Floor, Los Angeles, 90017, the regular place of meeting of this Board, at or about 1:00 p.m., at the Regular Board Meeting to be scheduled for January 23, 2024, for a public hearing upon the question of such dedication.

BE IT FURTHER RESOLVED: That it is the intention of the Board at the time and place fixed for such public hearing or meeting, unless a petition protesting against the proposed dedication, signed by at least ten percent of the qualified electors of Los Angeles Unified, as shown by the affidavit of one of the petitioners, be filed with this Board, to order the dedication and adopt a resolution authorizing the execution and delivery of the dedication of an easement to City of Los Angeles for public use.

Notice of the adoption of this resolution and of the time and place of holding said meeting shall be given by posting copies of this resolution, signed by the members of this Board or a majority thereof, in three public places in this Los Angeles Unified of Los Angeles County, not less than ten (10) days before the date of said meeting and by publishing a copy of this resolution once not less than five days before the date of said meeting in a newspaper of general circulation published in the Los Angeles Unified of Los Angeles County.

EXHIBIT E

IN WITNESS of the passage of the foregoing Resolution as prescribed by law, we, the Members of said Board, present and voting thereon, have hereunto set our hands the 12th day of December 2023.

 Members of the Board of Education of the
 City of Los Angeles

ACKNOWLEDGMENT

STATE OF CALIFORNIA

COUNTY OF LOS ANGELES

I, _____, _____, for the Board of Education of the City of Los Angeles, California, hereby certify the foregoing to be a full, true, and correct copy of Resolution of Intention to Dedicate an Easement at Maxine Waters Employment Preparation Center.

Resolution of Intention to Dedicate Easements, Associated with the Proposed Street and Alley Vacation for Olympic Primary Center
December 12, 2023
Facilities Services Division

Action Proposed:

Authorize: (1) the dedication of two easements to the City of Los Angeles (“City”) by adopting a Resolution of Intention to Dedicate Easements, Exhibit F, with a vote of at least two-thirds of its members; and (2) the Chief Facilities Executive and/or her designee(s) to execute reasonable agreements associated with these easements and vacation of the alley.

These easements are at the Olympic Primary Center and are described herein and are on file and available for public examination in the Board Secretariat’s Office, 333 South Beaudry Avenue, 24th Floor, Los Angeles, California 90017.

Property: Portions of Olympic Primary Center
(See Exhibits A through E)
950 South Albany Street
Los Angeles, CA 90015

Purpose: Dedication of Street Easements

Grantee: The City of Los Angeles

Consideration: None

Date of Public Hearing: January 23, 2024

Easements to be Dedicated:

- i. A one (1) foot wide easement to be added onto a previously dedicated easement for future street widening on Albany Street. Please see Exhibit B.
- ii. A three (3) foot wide easement to be added onto a previously dedicated easement for future street widening on West Olympic Boulevard. Please see Exhibit D.

Background:

Olympic Primary Center, formerly known as Belmont New Primary Center No. 11 (“Project”), was approved on October 23, 2001. The Project included the vacation of an alley located between Albany and Blaine Streets at Olympic Boulevard. Please see Exhibit E. This alley was closed in 2003 and incorporated as part of the school site. The Project was completed in the Fall of 2005.

As part of the vacation of the alley, on October 22, 2002, the Board of Education (“Board”) authorized the dedication of the following to the City:

- 2-foot-wide easement along Olympic Boulevard (Note: the subject of the proposed easement described in (ii) above.)

- 4-foot-wide easement along Albany Street (Note, the subject of the proposed easement described in (i) above.)
- 18-foot-wide easement along Blaine Street (Note, the subject of a reduction in size per the 2019 application to vacate the alley.)
- 15 x 15-foot corner cut easement at the northeast corner of Olympic Boulevard /Albany Street.
- 15 x 15-foot corner cut easement at the northeast corner of Olympic Boulevard /Blaine Street.
- A hammerhead easement in the alley between Albany Street and Blaine Street.

The conditions to vacate a street are determined by the City after submittal of the application and will expire with the passage of time. The 2002 application to vacate the alley and the applications submitted thereafter were partially completed.

On February 11, 2019, staff submitted a new application to vacate the alley and a portion of the previously dedicated 18-foot-wide easement along Blaine Street. Due to the City changing its street standards, Los Angeles Unified has the opportunity to regain the unrestricted use of a 14-foot-wide area that will reduce the 18-foot-wide easement along Blaine Street to a four (4) foot wide easement along Blaine Street. Please see Exhibit E.

The two (2) new easements and the vacation of 14-feet of the existing 18-foot-wide easement along Blaine Street are required because the City's street standards have changed and are necessary to ensure public use and the City's access to maintain and repair the street.

California Education Code sections 17556 through 17561 specify that a Notice of Adoption of Resolution of Intention to Dedicate Easements include a time not less than 10 days after adoption of the Resolution to hold a public hearing by the Board. The adopted Resolution must be posted in three public places within Los Angeles Unified's boundaries no less than 10 days before the date of the public hearing and be published no less than five days before the hearing in a newspaper of general circulation within Los Angeles Unified's boundaries. The Los Angeles Daily Journal will be used for this purpose.

Olympic Primary Center is located within the boundaries of Region East, and Board District 2 (Dr. Rocio Rivas), and serves approximately 150 students.

Expected Outcomes:

Adopt the Resolution of Intention to Dedicate Easements at Olympic Primary Center, and authorize the Chief Facilities Executive, and/or her designee(s) to execute agreements and other reasonable instruments associated with the proposed vacation.

Board Options and Consequences:

If approved, the Chief Facilities Executive and/or her designee(s) will execute agreements and other reasonable instruments to proceed with the steps necessary to dedicate these easements to the City and complete the proposed vacation requirements. After dedication of the future street easements, the City will be able to construct, maintain and repair the public streets adjacent to the school to meet the current street standards.

If the Board does not adopt the Resolution of Intention to Dedicate Easements at Olympic Primary Center, Los Angeles Unified will not be able to fulfill the City's requirements for the street vacation request. Potentially, Los Angeles Unified could be required to prepare a subdivision map to consolidate the school site.

File #: Rep-142-23/24, **Version:** 1

Policy Implications:

The proposed action advances Pillar 4 Operational Effectiveness Modernizing Infrastructure of the Los Angeles Unified 2022-2026 Strategic Plan by dedicating easements associated with school construction projects.

Budget Impact:

All costs associated with the Resolution of Intention to Dedicate Easements at Olympic Primary Center are included in the Project budget and funded from Bond Program funds.

Student Impact:

The dedication of easements at Olympic Primary Center will ensure the students and the community will have safe public right-of-way access near the campus. The vacation will enable Los Angeles Unified to consolidate adjoining properties at Olympic Primary Center.

Equity Impact:

As part of the school construction process of obtaining a permit from the City of Los Angeles Department of Building and Safety, applicants are required to have the Bureau of Engineering review and approve plans prior to a permit being issued.

Issues and Analysis:

None.

EXHIBIT F**NOTICE OF ADOPTION OF RESOLUTION OF INTENTION TO DEDICATE EASEMENTS,
ASSOCIATED WITH THE PROPOSED STREET AND ALLEY VACATION AT OLYMPIC
PRIMARY CENTER**

At the December 12, 2023, meeting of the Board of Education (“Board”) of the Los Angeles Unified School District (“Los Angeles Unified”), the following resolution was adopted by at least a two-thirds vote of all its members:

RESOLVED: That the Board, in pursuance of the provisions of Sections 17556 through 17561, inclusive, of the Education Code of the State of California, does hereby declare its intention to irrevocably offer to dedicate easements at Olympic Primary Center to the City of Los Angeles, a municipal corporation, (hereinafter called Grantee) over all that certain real property situated in the County of Los Angeles, State of California, legally described on Exhibits A and C and also shown on Exhibits B and D attached hereto.

The proposed dedication of easements to the Grantee will help complete the requirements of the pending street vacation request. The dedication of easements will be in the form of an Owner’s Dedication deed for the street easements, as legally described in Exhibits A and C and also shown on Exhibits B and D attached hereto.

The Grantee shall be responsible for damage caused intentionally or by any negligent act or omission of the respective grantee, its agent or employees while exercising the rights granted respectively herein.

BE IT FURTHER RESOLVED: That a public meeting of this Board be held in the Los Angeles Unified Board Room, 333 South Beaudry Avenue, 1st Floor, Los Angeles, 90017, the regular place of meeting of this Board, at or about 1:00 p.m., at the Regular Board Meeting to be scheduled for January 23, 2024, for a public hearing upon the question of such dedication.

BE IT FURTHER RESOLVED: That it is the intention of the Board at the time and place fixed for such public hearing or meeting, unless a petition protesting against the proposed dedication, signed by at least ten percent of the qualified electors of Los Angeles Unified, as shown by the affidavit of one of the petitioners, be filed with this Board, to order the dedication and adopt a resolution authorizing the execution and delivery of the dedication of easements to City of Los Angeles for public use.

Notice of the adoption of this resolution and of the time and place of holding said meeting shall be given by posting copies of this resolution, signed by the members of this Board or a majority thereof, in three public places in this Los Angeles Unified of Los Angeles County, not less than ten (10) days before the date of said meeting and by publishing a copy of this resolution once not less than five days before the date of said meeting in a newspaper of general circulation published in the Los Angeles Unified of Los Angeles County.

EXHIBIT F

IN WITNESS of the passage of the foregoing Resolution as prescribed by law, we, the Members of said Board, present and voting thereon, have hereunto set our hands the 12th day of December 2023.

 Members of the Board of Education of the
 City of Los Angeles

Certification of the Final Subsequent Program Environmental Impact Report, Adoption of Findings of Fact, Statement of Overriding Considerations, and Standard Conditions of Approval for the School Upgrade Program

December 12, 2023

Office of Environmental Health & Safety

Action Proposed:

Review and make a determination on the proposed Resolution (attached) to certify the Final Subsequent Program Environmental Impact Report (Subsequent Program EIR), adopt the Findings of Fact, Statement of Overriding Considerations, and Standard Conditions of Approval for the Final Subsequent Program EIR for the School Upgrade Program (SUP or proposed program) prepared in compliance with the California Environmental Quality Act (CEQA) (Public Resources Code §21000 et seq.) and State CEQA Guidelines (California Code of Regulations, Title 14, Division 6, Chapter 3 §15000 et seq.).

Background:

In 2020, voters in Los Angeles County passed Measure RR as a funding mechanism to help address the significant and unfunded needs of Los Angeles public school facilities. Measure RR is aimed at continuing the funding for improvement of facilities and technology, upgrade of existing facilities, as well as increased safety measures. Measure RR proceeds may also be used when necessary to complete projects initiated with funds from Measure K, R, Y, and/or Q as long as the project appears on the Measure RR Bond Project List, as authorized by voters.

Projects designed to achieve the objectives of Measure RR will be incorporated into the SUP based on a prioritization methodology adopted through the solicitation of input from stakeholders to help inform priorities, scoping and project development.

Under Measure RR and in conjunction with other, ongoing LA Unified Facilities programs, the District is proposing to upgrade, modernize, and replace aging and deteriorating District school facilities; update technology; and address District school facilities inequities in order to provide students with physically and environmentally safe, secure, and updated school facilities that support 21st century learning at hundreds of neighborhood schools District-wide. Not every project will be undertaken at every campus, and some campuses may not undergo any of the repairs, upgrades, or modernization. Each category of project will be carried out at schools found to have the greatest need, as determined by the Strategic Execution Plan adopted by the Board.

The use of a program-level EIR provides LAUSD, as Lead Agency under CEQA, to consider broad policy alternatives and program-wide conditions of approval and gives LAUSD greater flexibility to address project-specific and cumulative impacts on a comprehensive basis.

Program EIR

On November 10, 2015, the LAUSD Board of Education certified the SUP Program EIR. LAUSD's SUP Program EIR met the criteria for a Program EIR under CEQA Guidelines Section 15168 (a)(4) as one "prepared

on a series of actions that can be characterized as one large project and are related...[a]s individual activities carried out under the same authorizing statutory or regulatory authority and having generally similar environmental effects which can be mitigated in similar ways.” CEQA Guidelines Section 15168 states that a Program EIR is an EIR which may be prepared on a series of actions that can be characterized as one large project and are related either geographically; as logical parts in the chain of contemplated actions; in connection with the issuance of rules, regulations, plans or other general criteria to govern the conduct of a continuing program; or as individual activities carried out under the same authorizing statutory or regulatory authority and having generally similar environmental effects which can be mitigated in similar ways.

The SUP Program EIR provided the framework for evaluating environmental impacts related to ongoing facility upgrade projects and enabled LAUSD to streamline future environmental compliance and reduced the need for repetitive environmental studies. The Program EIR served as the framework and baseline for CEQA analyses of later projects through a process known as “tiering” (CEQA Guidelines Sections 15152(a) and 15385). The projects that were evaluated under the SUP Program EIR were able to focus the later EIRs and negative declarations on narrower projects; incorporate by reference the general discussions from the Program EIR; and concentrate the later EIR or negative declaration solely on the issues specific to the later project.

Consistent with CEQA, if changes to a project or its circumstances occur, or new information becomes available after certification of an EIR, the lead agency shall prepare a subsequent EIR if required under [14 CCR Section 15162(a)]. Given the expansion of the types of projects that will be evaluated under the Subsequent Program EIR; the District determined that a Subsequent EIR was necessary because:

- Considerable changes to the CEQA Guidelines and Statute have been enacted since the SUP Program EIR was certified in 2015 (e.g., Assembly Bill 52, Appendix G issue area updates, vehicle miles traveled [VMT] analyses, etc.).
- The District has implemented new procedures, conditions, and practices since the SUP Program EIR was certified.
- The Subsequent Program EIR will reference the SUP Program EIR and incorporate ‘lessons learned’ and new information obtained from review of projects under the SUP Program EIR.
- The Subsequent EIR will be given the same notice and public review as the certified SUP Program EIR, as required under CEQA Guidelines Section 15072 or Section 15087.

The intent of the Subsequent Program EIR is to provide sufficient information on the potential environmental impacts of the proposed SUP to allow the LAUSD Board of Education to make an informed decision regarding approval of the project, and if approved, to streamline future CEQA compliance.

This Subsequent Program EIR has been prepared in accordance with requirements of the:

- California Environmental Quality Act (CEQA) of 1970, as amended (PRC, Section 21000 et seq.)
- State Guidelines for the Implementation of the CEQA of 1970 (CEQA Guidelines), as amended (California Code of Regulations [CCR], Title 14, Sections 15000 et seq.)

The overall purpose of this Subsequent Program EIR is to inform the Lead Agency, responsible agencies, decision makers, and the general public of the potential environmental effects from implementation of the SUP. This Subsequent Program EIR addresses the potential environmental effects of the SUP, including effects that may be significant and adverse, and evaluates alternatives to the SUP.

The Notice of Preparation of a Draft Subsequent Program EIR was circulated for a 30-day public review period (January 3, 2023 to February 2, 2023). Because of the large reach of the proposed program, LAUSD did not prepare an Initial Study (IS) to reduce the scope of the Subsequent Program EIR; the Subsequent Program EIR includes an analysis of all 20 CEQA topics and one additional LAUSD topic (pedestrian safety). The Subsequent Program EIR is required to identify any potentially significant adverse impacts and recommend mitigation that would reduce the impacts to less than insignificant.

The Subsequent Program EIR was prepared and circulated for a 45-day public review period (July 5, 2023 to August 19, 2023). The analysis documented in the Final Subsequent Program EIR found that the proposed program would result in possible significant and unavoidable impacts associated with air quality (construction), cultural resources (historical), noise (stadium, construction), and traffic.

The proposed action by the Board is to adopt the attached Resolution, which adopts the Subsequent Program EIR as required by CEQA.

Bond Program

The District's bond program has been operating under the framework of the School Upgrade Program (SUP) since January 2014, when the program's focus shifted from constructing new facilities to address decades of overcrowding, to addressing aging existing school facilities. Projects developed under the SUP framework are upgrading, modernizing, and replacing aging and deteriorating school facilities, updating technology, and addressing facilities inequities.

Expected Outcomes:

Staff proposes that the Board review and make a determination on the attached Resolution to certify the Final Subsequent Program EIR, adopt the Findings of Fact, Statement of Overriding Considerations, and Standard Conditions of Approval for the Final Subsequent Program EIR pursuant to CEQA and State CEQA Guidelines. This action is required for the Board to consider approving the proposed Project.

Board Options and Consequences:

A “Yes” vote to certify the Subsequent Program EIR, adopt the Findings of Fact, Statement of Overriding Considerations, and LAUSD Standard Conditions of Approval for the SUP would enable OEHS to proceed with tiering future project-specific CEQA reviews off of the Subsequent Program EIR and streamlining the CEQA process for future site-specific projects.

A vote of “No” to certify the Subsequent Program EIR, adopt the Findings of Fact, Statement of Overriding Considerations, and LAUSD Standard Conditions of Approval for the SUP would not enable OEHS to proceed with tiering future project-specific CEQA reviews off of the Subsequent Program EIR and prevent streamlining the CEQA process for future site-specific projects.

Policy Implications:

This action does not change District policy. This action helps facilitate the Facilities Services Division Strategic Execution Plan and supports the goals and objectives of the School Upgrade Program.

Budget Impact:

This action does not have a budget impact.

Student Impact:

This action does not have a student impact. This action helps facilitate the Facilities Services Division Strategic

Execution Plan and supports the goals and objectives of the School Upgrade Program.

Equity Impact Table:

Component	Score	Score Rationale
Recognition	3	The overall purpose of this Subsequent Program EIR is to inform the Lead Agency, responsible agencies, decision makers, and the general public of the potential environmental effects from implementation of the SUP. This Subsequent Program EIR addresses the potential environmental effects of the SUP, including effects that may be significant and adverse, and evaluates alternatives to the SUP.
Resource Prioritization	3	The Subsequent Program EIR addresses potential effects of the SUP. The SUP's framework focuses on upgrading, modernizing, and replacing aging and deteriorating school facilities, updating technology, and addressing facilities inequities.
Results	4	The overall purpose of this Subsequent Program EIR is to inform the Lead Agency, responsible agencies, decision makers, and the general public of the potential environmental effects from implementation of the SUP. It is a districtwide program-level EIR, resulting in an equitable environmental analysis.
TOTAL	10	

Issues and Analysis:

The analysis documented in the Final Subsequent Program EIR found that the proposed program would result in possible significant and unavoidable impacts associated with air quality (construction), cultural resources (historical), noise (increase in ambient noise levels, construction), and traffic. These are program-wide and are not associated with site-specific project impacts.

The District is the “Lead Agency” as defined in the State CEQA Guidelines §§15050-15053, and the Board shall review and consider the Subsequent Program EIR and its supporting documents and comments.

LOS ANGELES UNIFIED SCHOOL DISTRICT Board of Education Report

RESOLUTION OF THE LOS ANGELES UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION CERTIFICATION OF THE FINAL SUBSEQUENT PROGRAM ENVIRONMENTAL IMPACT REPORT, ADOPTION OF FINDINGS OF FACT, STATEMENT OF OVERRIDING CONSIDERATIONS, AND STANDARD CONDITIONS OF APPROVAL FOR THE SCHOOL UPGRADE PROGRAM

Whereas, the District's bond program has been operating under the framework of the School Upgrade Program (SUP) since January 2014, when the program's focus shifted from constructing new facilities to address decades of overcrowding, to addressing aging existing school facilities. Projects developed under the SUP framework are upgrading, modernizing, and replacing aging and deteriorating school facilities, updating technology, and addressing facilities inequities; and

Whereas, in 2020, voters in Los Angeles County passed Measure RR as a funding mechanism to help address the significant and unfunded needs of Los Angeles public school facilities. Measure RR is aimed at continuing the funding for improvement of facilities and technology, upgrade of existing facilities, as well as increased safety measures. Measure RR proceeds may also be used when necessary to complete projects initiated with funds from Measure K, R, Y, and/or Q as long as the project appears on the Measure RR Bond Project List, as authorized by voters; and

Whereas, projects designed to achieve the objectives of Measure RR will be incorporated into the SUP based on a prioritization methodology adopted through the solicitation of input from stakeholders to help inform priorities, scoping and project development; and

Whereas, under Measure RR and in conjunction with other, ongoing LA Unified Facilities programs, the District is proposing to upgrade, modernize, and replace aging and deteriorating District school facilities; update technology; and address District school facilities inequities in order to provide students with physically and environmentally safe, secure, and updated school facilities that support 21st century learning at hundreds of neighborhood schools District-wide. Not every project will be undertaken at every campus, and some campuses may not undergo any of the repairs, upgrades, or modernization. Each category of project will be carried out at schools found to have the greatest need, as determined by the Strategic Execution Plan adopted by the Board; and

Whereas, the use of a program-level Environmental Impact Report (EIR) provides LAUSD, as Lead Agency, under CEQA, to consider broad policy alternatives and program-wide conditions of approval and gives LAUSD greater flexibility to address project-specific and cumulative impacts on a comprehensive basis; and

Whereas, on November 10, 2015, the LAUSD Board of Education certified the SUP Program EIR.¹ LAUSD's SUP Program EIR met the criteria for a Program EIR under CEQA Guidelines Section 15168 (a)(4) as one "prepared on a series of actions that can be characterized as one large project and are

¹ Program EIR for the School Upgrade Program. Report. 2015. <http://achieve.lausd.net/ceqa>.

related...[a]s individual activities carried out under the same authorizing statutory or regulatory authority and having generally similar environmental effects which can be mitigated in similar ways.” CEQA Guidelines Section 15168 states that a Program EIR is an EIR which may be prepared on a series of actions that can be characterized as one large project and are related either geographically; as logical parts in the chain of contemplated actions; in connection with the issuance of rules, regulations, plans or other general criteria to govern the conduct of a continuing program; or as individual activities carried out under the same authorizing statutory or regulatory authority and having generally similar environmental effects which can be mitigated in similar ways; and

Whereas, the SUP Program EIR provided the framework for evaluating environmental impacts related to ongoing facility upgrade projects and enabled LAUSD to streamline future environmental compliance and reduced the need for repetitive environmental studies. The Program EIR served as the framework and baseline for CEQA analyses of later projects through a process known as “tiering” (CEQA Guidelines Sections 15152(a) and 15385). The projects that were evaluated under the SUP Program EIR were able to focus the later EIRs and negative declarations on narrower projects; incorporate by reference the general discussions from the Program EIR; and concentrate the later EIR or negative declaration solely on the issues specific to the later project; and

Whereas, consistent with CEQA, if changes to a project or its circumstances occur, or new information becomes available after certification of an EIR, the lead agency shall prepare a subsequent EIR if required under [14 CCR Section 15162(a)]. Given the expansion of the types of projects that will be evaluated under the Subsequent Program EIR;² the District determined that a Subsequent EIR was necessary because:

- Considerable changes to the CEQA Guidelines and Statute have been enacted since the SUP Program EIR was certified in 2015 (e.g., Assembly Bill 52, Appendix G issue area updates, vehicle miles traveled [VMT] analyses, etc.).
- The District has implemented new procedures, conditions, and practices since the SUP Program EIR was certified.
- The Subsequent Program EIR will reference the SUP Program EIR and incorporate ‘lessons learned’ and new information obtained from review of projects under the SUP Program EIR.

The Subsequent EIR will be given the same notice and public review as the certified SUP Program EIR, as required under CEQA Guidelines Section 15072 or Section 15087; and

Whereas, the intent of the Subsequent Program EIR is to provide sufficient information on the potential environmental impacts of the proposed SUP to allow the LAUSD Board of Education to make an informed decision regarding approval of the project, and if approved, to streamline future CEQA compliance; and

Whereas, this Subsequent Program EIR has been prepared in accordance with requirements of the:

- California Environmental Quality Act (CEQA) of 1970, as amended (PRC, Section 21000 et seq.)
- State Guidelines for the Implementation of the CEQA of 1970 (CEQA Guidelines), as amended (California Code of Regulations [CCR], Title 14, Sections 15000 et seq.); and

Whereas, the overall purpose of this Subsequent Program EIR is to inform the Lead Agency, responsible agencies, decision makers, and the general public of the potential environmental effects from

² 14 CCR Section 15162(a)

implementation of the SUP. This Subsequent Program EIR addresses the potential environmental effects of the SUP, including effects that may be significant and adverse, and evaluates alternatives to the SUP; and

Whereas, the Notice of Preparation of a Draft Subsequent Program EIR was circulated for a 30-day public review period (January 3, 2023 to February 2, 2023). Because of the large reach of the proposed program, LAUSD did not prepare an Initial Study (IS) to reduce the scope of the Subsequent Program EIR; the Subsequent Program EIR includes an analysis of all 20 CEQA topics and one additional LAUSD topic (pedestrian safety).³ The Subsequent Program EIR is required to identify any potentially significant adverse impacts and recommend mitigation that would reduce the impacts to less than insignificant; and

Whereas, the Subsequent Program EIR was prepared and circulated for a 45-day public review period (July 5, 2023 to August 19, 2023). The analysis documented in the Final Subsequent Program EIR found that the proposed program would result in possible significant and unavoidable impacts associated with air quality (construction), cultural resources (historical), noise (stadium, construction), and traffic; and now therefore be it.

Resolved, that the Board finds that:

The Project may not have an adverse effect on fish and wildlife, as referenced in §711.2 of the Fish and Game Code; and

The presumption of adverse effect set forth in California Code of Regulations, Title 14, §753.5(d) does not apply; and be it

Resolved further, that the Board hereby:

1. Finds that Subsequent Program EIR was completed in compliance with CEQA and State CEQA Guidelines, as amended; and
2. Finds that the Subsequent Program EIR reflects the District's independent judgment and analysis; and
3. Finds that the Board reviewed and considered the information in the Subsequent Program EIR before making a decision to approve the Project; and
4. Certifies the Subsequent Program EIR; and
5. Adopts the Findings of Fact; and
6. Adopts the Statement of Overriding Considerations; and
7. Adopts the Standard Conditions of Approval for the School Upgrade Program; and be it

Resolved further, that the Board specifies that the record of proceedings on which the Board's decision is based is located at the Los Angeles Unified School District, Office of Environmental Health and Safety, 333 South Beaudry Avenue, 21st Floor, Los Angeles, California, and the custodian of the record of proceedings is the Office of Environmental Health and Safety.

³ 14 CCR Section 15060(d).

PASSED, APPROVED AND ADOPTED this 12th day of December 2023, by the following vote:

LOS ANGELES UNIFIED SCHOOL DISTRICT Board of Education Report

FINAL SUBSEQUENT PROGRAM ENVIRONMENTAL IMPACT REPORT FOR THE SCHOOL UPGRADE PROGRAM FINDINGS OF FACT

I. INTRODUCTION

The California Environmental Quality Act (CEQA) requires that a number of written findings be made by the lead agency in connection with certification of an environmental impact report (EIR) prior to approval of the project pursuant to Sections 15091 and 15093 of the CEQA Guidelines and Section 21081 of the Public Resources Code. This document provides the findings required by CEQA.

A. Project Summary

The proposed School Upgrade Program (SUP) covers schools within the entire Los Angeles Unified School District (District or LAUSD). The District covers 710 square miles and encompasses most of the city of Los Angeles, along with all or portions of 25 cities and unincorporated areas of Los Angeles County. The SUP is the continuation of the District's bond program to build, modernize, and repair school facilities to improve student health, safety, and educational quality. The SUP does not have specific phases; it is an ongoing program that will continue well into the future. The Final Subsequent Program Environmental Impact Report (SPEIR) was prepared according to CEQA 14 CCR Section 15162(a) due to substantial changes in the goals and funding for the SUP from what was evaluated in the 2015 PEIR, and the implementation of Measure RR within the LAUSD SUP.

The SUP identifies overarching goals and principles, funding sources, and specific categories of need and spending targets. The purpose of the SUP is to reflect the intent, goals, and objectives of the FSD programs: Capital Improvement Program, Charter School Facilities Upgrades & Expansions Program, New School Construction Program, Repair & Modernization Program, and Joint Use/Innovation Fund. Because of the extensive number of individual projects anticipated under the SUP, they have been grouped into four categories based on the amount and type of construction and on location of the project.

- New Construction on New Property (adjacent to existing campus)
- New Construction on Existing Campus
- Modernization, Repair, Replacement, Upgrade, Remodel, Renovation, and Installation
- Operational and Other Campus Changes

SUP-related projects would include, but are not limited to, the following:

- Construction on an existing campus and/or property acquisition adjacent to an existing campus for a new classroom building, library/media center, performing arts, gymnasium, administration offices, stadium, athletic fields, restrooms, drop-off zones, parking, etc.
- Installation of temporary structures.
- Safety, Earthquake, Emergency, Fire-Prevention (upgrade fire/life safety systems; replace pipes and plumbing system, air conditioning and ventilation filtration systems, etc.).

- Lead, Asbestos, and Other Code Compliance.
- Special Education Career Transition Centers (renovate existing facilities).
- Library Upgrades (improvement and equipment for libraries and media centers).
- School Repair and Expansion (provision of furnishings and equipment, reopening closed schools, exterior repair and paint, repair and replace lockers, etc.).
- Computer and Communications (modernize classrooms, upgrades to telecommunications and video-teleconferencing systems, new hardware, and software, etc.).
- Sustainable Schools (improve energy efficiency, water efficiency, and renewable energy).
- Adult and Career Education (provide facilities necessary for career training).
- Early Childhood Education (renovate, repair, and/or create early education centers).
- Food Service (replace equipment, upgrade secondary school cafeterias, replace refrigeration systems, etc.).
- Temporary Classrooms (replace, upgrade, or relocate portable classrooms).

B. Project Objectives

The following objectives have been established for the SUP and will aid decision makers in their review of the project and associated environmental impacts:

- Repair aging schools and improve student safety.
- Upgrade schools to modern technology and educational needs.
- Create capacity to attract, retain, and graduate more students through a comprehensive portfolio of small, high-quality pre-K through adult schools.
- Promote healthier environment through green technology.

C. Environmental Review Process

In conformance with CEQA and the State CEQA Guidelines, the District conducted an extensive environmental review of the proposed project.

- The District determined that a SPEIR would be required for the proposed project and issued a Notice of Preparation (NOP) on January 3, 2023 (an Initial Study was not prepared). The public review period started on January 3, 2023 and concluded on February 2, 2023.
- The Draft SPEIR analyzed all 20 CEQA Guidelines Appendix G topics plus one additional LAUSD topic, Pedestrian Safety. Comments on the NOP were addressed in the SPEIR (see Table 2-1, *NOP Comment Summary*, in Chapter 2 of the Draft SPEIR).
- The Draft SPEIR was made available for a 45-day public review period that started on July 5, 2023 and concluded on August 19, 2023.
- The District prepared a Final SPEIR that contains comments on the Draft SPEIR, responses to those comments, and revisions to the Draft SPEIR. The Draft SPEIR is considered part of the Final SPEIR.

D. Record of Proceedings

For purposes of CEQA and these Findings, the Record of Proceedings for the proposed project consists of the following documents and other evidence, at a minimum:

- The NOP and all other public notices issued by the District in conjunction with the proposed project.
- The Final SPEIR (includes the Draft SPEIR) for the proposed project.
- All written comments submitted by public agencies or members of the public during the public review comment period on the Draft SPEIR.
- All responses to written comments submitted during the public review comment periods on the Draft SPEIR.
- All documents, studies, SPEIRs, or other materials incorporated by reference in the Final SPEIR.
- The Resolutions adopted by the District in connection with the proposed project.
- Matters of common knowledge to the District, including but not limited to federal, state, and local laws and regulations.
- Any documents expressly cited in these Findings.
- Any other relevant materials required to be in the record of proceedings by Public Resources Code Section 21167.6(e).

E. Custodian and Location of Records

The documents and other materials that constitute the administrative record for the District's actions related to the project are at the LAUSD Office of Environmental Health and Safety (OEHS), 333 South Beaudry Avenue, 21st Floor, Los Angeles, California 90017. OEHS is the custodian of the administrative record for the project. Copies of these documents, which constitute the record of proceedings, are and at all relevant times have been and will be available upon request at the offices of OEHS. This information is provided in compliance with Public Resources Code Section 21081.6(a)(2) and Guidelines Section 15091(e).

II. CEQA FINDINGS OVERVIEW

The District, as lead agency, is required under CEQA to make written findings concerning each alternative and each significant environmental impact identified in the Final EIR. Specifically, Guidelines Section 15091 states:

- (a) No public agency shall approve or carry out a project for which an EIR has been certified which identifies one or more significant environmental effects of the project unless the public agency makes one or more written findings for each of those significant effects, accompanied by a brief explanation of the rationale for each finding. The possible findings are:

1. Changes or alterations have been required in, or incorporated into, the project which avoid or substantially lessen the significant environmental effect as identified in the Final EIR.
 2. Such changes or alterations are within the responsibility and jurisdiction of another public agency and not the agency making the finding. Such changes have been adopted by such other agency or can and should be adopted by such other agency.
 3. Specific economic, legal, social, technological, or other considerations, including provision of employment opportunities for highly trained workers, make infeasible the mitigation measures or project alternatives identified in the Final EIR.
- (b) The findings required by subsection (a) shall be supported by substantial evidence in the record.
- (c) The finding in subdivision (a)(2) shall not be made if the agency making the finding has concurrent jurisdiction with another agency to deal with identified feasible mitigation measures or alternatives. The finding in subsection (a)(3) shall describe the specific reasons for rejecting identified mitigation measures and project alternatives.
- (d) When making the findings required in subdivision (a)(1), the agency shall also adopt a program for reporting on or monitoring the changes which it has either required in the project or made a condition of approval to avoid or substantially lessen significant environmental effects. These measures must be fully enforceable through permit conditions, agreements, or other measures.
- (e) The public agency shall specify the location and custodian of the documents or other material which constitute the record of the proceedings upon which its decision is based.
- (f) A statement made pursuant to Section 15093 does not substitute for the findings required by this section.

The “changes or alterations” referred to in Section 15091(a)(1) may include a wide variety of measures or actions as set forth in Guidelines Section 15370, including:

- (a) Avoiding the impact altogether by not taking a certain action or parts of an action.
- (b) Minimizing impacts by limiting the degree or magnitude of the action and its implementation.
- (c) Rectifying the impact by repairing, rehabilitating, or restoring the impacted environment.

- (d) Reducing or eliminating the impact over time by preservation and maintenance operations during the life of the action.
- (e) Compensating for the impact by replacing or providing substitute resources or environments.

III. ENVIRONMENTAL ISSUES THAT WERE DETERMINED TO BE LESS THAN SIGNIFICANT

The EIR analyzed all 20 CEQA Guidelines Appendix G topics plus one additional LAUSD topic, Pedestrian Safety. The following are impacts of the proposed project determined to be less than significant as detailed in Chapter 5 of the EIR.

- Aesthetics
- Agriculture and Forestry Resources
- Biological Resources
- Energy
- Geology and Soils
- Greenhouse Gas Emissions
- Hazards and Hazardous Materials
- Hydrology and Water Quality
- Land Use and Planning
- Mineral Resources
- Pedestrian Safety
- Population and Housing
- Public Services
- Recreation
- Tribal Cultural Resources
- Utilities and Service Systems
- Wildfire

IV. FINDINGS ON POTENTIALLY SIGNIFICANT IMPACTS

Even with incorporation of LAUSD Standard Conditions of Approval (see Chapter 4 and Appendix E of the Final SPEIR), existing federal, state, and local laws and regulations, some potentially significant impacts may occur. These potentially significant impacts may not be reduced to a less than significant level because currently no feasible measures or alternatives have been identified. Analysis for future site-specific SUP-related projects may identify project design features or measures that will reduce impacts.

Air Quality

- **Impact 5.3-2 Regional Construction emissions. Construction activities may generate short-term emissions that exceed of the South Coast Air Quality Management District's regional significance thresholds and cumulatively contribute to the South Coast Air Basin nonattainment designations.**

Finding 1 – The District hereby makes Finding 1 that LAUSD Standard Conditions of Approval are required and incorporated into the SUP and all future SUP-related site-specific projects which substantially lessen significant environmental effects as discussed in the Final SPEIR. However, significant construction-related criteria air pollutant emissions air quality impacts may still occur for some site-specific projects; Impact 5.3-2 would remain significant and unavoidable. In order to approve the proposed project, a Statement of Overriding Considerations is required.

Facts in Support of Finding

Compliance with SCAQMD rules and implementation of LAUSD SC-AQ-2, SC-AQ-3, and SC-AQ-4 would reduce construction-related criteria air pollutant emissions. However, these measures may not reduce construction-related emissions to below the SCAQMD regional construction significance thresholds for some SUP-related projects such as construction or demolition of large buildings and/or grading and excavation of large lots. Additionally, in accordance with the SCAQMD methodology, emissions that exceed the regional significance thresholds would cumulatively contribute to the nonattainment designations of the South Coast Air Basin (SoCAB). The SoCAB is designated nonattainment for O₃ and particulate matter (PM₁₀ and PM_{2.5}). Thus, a large project may cumulatively contribute to the nonattainment designations. No additional measures have been identified that would further reduce criteria air pollutant emissions beyond the LAUSD Standard Conditions that are already incorporated into the SUP, and no feasible measures would guarantee a less than significant impact for all SUP-related projects. Therefore, Impact 5.3-2 is considered potentially significant and unavoidable.

- **Impact 5.3-4 Local Construction Emissions. Site-specific SUP projects may generate short-term emissions that exceed South Coast Air Quality Management District's localized significance thresholds and expose sensitive receptors to substantial pollutant concentrations.**

Finding 1 – The District hereby makes Finding 1 that LAUSD Standard Conditions of Approval are required and incorporated into the SUP and all future site-specific projects which substantially lessen significant environmental effects as discussed in the Final SPEIR. However, significant construction-related localized air quality impacts may still occur for some site-specific projects; Impact 5.3-4 would remain significant and unavoidable. In order to approve the proposed project, a Statement of Overriding Considerations is required.

Facts in Support of Finding

A localized significance threshold (LST) analysis is based on the emissions generated at a construction site and the distance to the nearest sensitive receptor. LST analysis can only be conducted at a site-specific project-level; quantification of LSTs is not applicable for a program-level project with hundreds of sites. Future site-specific school projects of varying types could be built in proximity to existing sensitive receptors. Compliance with SCAQMD regulations and implementation of LAUSD SC-AQ-2, SC-AQ-3, and SC-AQ-4 would reduce localized air pollutant emissions from construction equipment exhaust and fugitive dust particulate matter emissions. Certain projects have the potential to expose sensitive receptors to substantial concentrations of criteria air pollutant emissions even with incorporation of LAUSD Standard Conditions. No additional measures have been identified that would further reduce localized construction emissions beyond the LAUSD Standard Conditions that are already incorporated into the SUP, and no feasible measures would guarantee a less than significant impact for all SUP-related projects. Therefore, Impact 5.3-4 is considered potentially significant and unavoidable.

Cultural Resources

- **Impact 5.5-1 Historical Resources.** SUP-related projects may cause a substantial adverse change in the significance of historical resources.

Finding 1 – The District hereby makes Finding 1 that LAUSD Standard Conditions of Approval are required and incorporated into the SUP and all future site-specific projects which substantially lessen significant environmental effects as discussed in the Final SPEIR. However, significant historic resource impacts may still occur for some site-specific projects; Impact 5.5-1 would remain significant and unavoidable. In order to approve the proposed project, a Statement of Overriding Considerations is required.

Facts in Support of Finding

The SUP may result in demolition or destruction of historical resources; relocation, conversion, rehabilitation, or alteration of historical resources that substantially impairs the significance of the resources; and/or changes to the immediate surroundings of a historical resource that materially impairs the significance of the resource.

When a historical resource is identified, LAUSD must consider: (1) whether the proposed project would result in potentially significant impacts on the historical resources, and (2) if so, whether project design alternations or other feasible measures or alternatives would avoid or substantially reduce the impacts. Each project that may impact an historic resource will include implementation of LAUSD SC-CUL-1 through SC-CUL-11 that reduce impacts caused by the relocation, conversion, rehabilitation, alteration, damage, or demolition of a historical resource. No additional measures have been identified that would further reduce impacts to a historic resource beyond the LAUSD Standard Conditions that are already incorporated into the SUP, and no feasible measures would guarantee a less than significant impact for all SUP-related projects at historic schools. Therefore, Impact 5.5-1 is considered potentially significant and unavoidable.

Noise

- **Impact 5.13-1 Local Noise Ordinance.** SUP implementation may result in exposure of persons to or generation of noise levels in excess of standards established in the local general plan or noise ordinance.

Finding 1 – The District hereby makes Finding 1 that LAUSD Standard Conditions of Approval are required and incorporated into the SUP and all future site-specific projects which substantially lessen significant environmental effects as discussed in the Final SPEIR. However, significant operational noise impacts may still occur for some site-specific projects; Impact 5.13-1 would remain significant and unavoidable. In order to approve the proposed project, a Statement of Overriding Considerations is required.

Facts in Support of Finding

Construction activities associated with the SUP could cause substantial short-term noise from the use of stationary and mobile construction equipment. Some project types such as new athletic fields (sports

events), playgrounds, parking lots, or even the installation of lights on athletic fields (new nighttime events) would have the potential to cause a significant noise increase.

Implementation of LAUSD SC-N-4 would include buffer zones, berms, sound barriers, or building orientation improvements between playgrounds and adjacent residential uses, or other special design features to reduce noise levels at nearby noise-sensitive land uses to no more than 3 dBA CNEL. There are some measures that can be incorporated into a stadium project, such as enclosing the foot wells or installing a solid back to the bleachers and installing block walls; however, there is no guarantee that these measures would reduce noise to less than significant levels. Future SUP-related projects, such as stadiums, stadium lights, and playfields would have a noise assessment conducted to determine impacts to the surrounding community. In the worst-case scenario, a 5 dBA reduction at an adjacent residential property may still exceed the 70 dBA L_{max} standard. While the level of noise at the residents could exceed either the daytime or nighttime standards, school-related noise is typically exempt under the jurisdictional municipal codes and in this respect does not represent a significant impact. This does not, however, exempt this noise from a significance determination under CEQA. Therefore, school operation and/or stadium noise impacts are considered potentially significant. No additional measures have been identified that would further reduce localized construction emissions beyond the LAUSD Standard Conditions that are already incorporated into the SUP, and no feasible measures would guarantee a less than significant impact for all SUP-related projects. Therefore, Impact 5.13-1 is considered potentially significant and unavoidable.

■ **Impact 5.13-2 Construction Vibration. SUP-related project construction activities may result in generation of excessive ground borne vibration.**

Finding 1 – The District hereby makes Finding 1 that LAUSD Standard Conditions of Approval are required and incorporated into the SUP and all future site-specific projects which substantially lessen significant environmental effects as discussed in the Final SPEIR. However, significant construction vibration impacts may still occur for some site-specific projects; Impact 5.13-2 would remain significant and unavoidable. In order to approve the proposed project, a Statement of Overriding Considerations is required.

Facts in Support of Finding

Most of the SUP-related site-specific project would have little or no effect on surrounding buildings or people. However, some demolition and/or construction activities within 25 feet of a historic building or where pile driving activities are within 150 feet of a structure may cause vibration annoyance and/or architectural damage. Implementation of LAUSD SC-N-5, SC-N-6, SC-N-7, and SC-N-8 would reduce construction-related vibration impacts, but for some projects these LAUSD Standard Conditions may not be enough to avoid the impact. For these types of projects, a detailed vibration assessment would be provided by an acoustical engineer to analyze potential vibration impacts and to determine feasible alternatives to reduce or eliminate potential risk of annoyance and architectural damage. It is anticipated that for some large projects adjacent to residences or a building with fragile wall treatment or an older historic building, no feasible measures would be available that would further reduce possible vibration impacts beyond the LAUSD Standard Conditions that are already incorporated into the SUP. There may be no feasible mitigation measures that would guarantee a less than significant impact for all SUP-related projects. Therefore, Impact 5.13-2 is considered significant and unavoidable.

Transportation and Traffic

- **Impact 5.17-2 Traffic. SUP-related trip generation may result in designated road and/or highways exceeding county congestion management agency standards.**

Finding 1 – The District hereby makes Finding 1 that LAUSD Standard Conditions of Approval are required and incorporated into the SUP and all future site-specific projects which substantially lessen significant environmental effects as discussed in the Final SPEIR. However, significant Congestion Management Program (CMP) roadway impacts may still occur for some site-specific projects; Impact 5.17-2 would remain significant and unavoidable. In order to approve the proposed project, a Statement of Overriding Considerations is required.

Facts in Support of Finding

SUP-related project trip generation may result in designated road and/or highways exceeding county congestion management agency standards.

Traffic impacts may occur for some projects, such as those that significantly increase students on a campus or construct a large stadium. Implementation of LAUSD SC-T-1, SC-T-2, SC-T-3, and SC-AQ-5 would encourage ride sharing to reduce reliance on private auto trips; require specific analysis methods to evaluate traffic impacts and implement adequate traffic control devices; and provide adequate site access. Possible mitigation- measures to offset vehicular impacts to the CMP system could include intersection and roadway widening and restriping and turn restrictions. However, it may be infeasible to implement other measures to reduce potential impacts on CMP roadways from all future projects. Therefore, Impact 5.17-2 is considered potentially significant and unavoidable.

LOS ANGELES UNIFIED SCHOOL DISTRICT Board of Education Report

FINAL SUBSEQUENT PROGRAM ENVIRONMENTAL IMPACT REPORT FOR THE SCHOOL UPGRADE PROGRAM STATEMENT OF OVERRIDING CONSIDERATIONS

I. INTRODUCTION

The Los Angeles Unified School District (District or LAUSD) is the lead agency under the California Environmental Quality Act (CEQA) and is responsible for preparation, review, and certification of the Final Subsequent Program Environmental Impact Report (SPEIR) for the School Upgrade Program (SUP) project. As the lead agency, the District is also responsible for determining the potential environmental impacts of the proposed program, which of those impacts are significant, and which can be reduced or eliminated through implementation of Standard Conditions of Approval and mitigation measures. CEQA then requires the lead agency to balance the benefits of the SUP against its significant unavoidable adverse environmental impacts in determining whether or not to approve the Program. In making this determination, the District complies with CEQA Guidelines Section 15093, which provides:

CEQA requires the decision-making agency to balance, as applicable, the economic, legal, social, technological, or other benefits, including region-wide or statewide environmental benefits, of a proposed project against its unavoidable environmental risks when determining whether to approve the project. If the specific economic, legal, social, technological, or other benefits, including region-wide or statewide environmental benefits, of a proposed project outweigh the unavoidable adverse environmental effects, the adverse environmental effects may be considered “acceptable.”

When the lead agency approves a project which will result in the occurrence of significant effects which are identified in the final EIR but are not avoided or substantially lessened, the agency shall state in writing the specific reasons to support its action based on the final EIR and/or other information in the record. The statement of overriding considerations shall be supported by substantial evidence in the record.

If an agency makes a statement of overriding considerations, the statement should be included in the record of the project approval and should be mentioned in the notice of determination. This statement does not substitute for, and shall be in addition to, findings required pursuant to Section 15091.

In addition, Public Resources Code, Section 21081(b), requires that where a public agency finds that specific economic, legal, social, technological, or other considerations, including considerations for the provision of employment opportunities for highly trained workers, make infeasible the mitigation measures or alternatives identified in an EIR and thereby leave significant unavoidable effects, the public

agency must also find that overriding economic, legal, social, technological, or other benefits of the project outweigh the significant effects of the project.

Pursuant to Public Resources Code Section 21081(b) and the State CEQA Guidelines Section 15093, the District has balanced the benefits of the SUP against the following significant unavoidable adverse environmental impacts and has adopted Standard Conditions of Approval and considered all feasible measures with respect to these impacts. The District has examined alternatives to the SUP, none of which both meets the project objectives and is environmentally preferable to the proposed project.

II. SIGNIFICANT UNAVOIDABLE ADVERSE ENVIRONMENTAL IMPACTS

Although most potential impacts have been substantially reduced or avoided, as described in the Final SPEIR, there remain some environmental impacts for which feasible mitigation is not currently available. Standard Conditions of Approval were adopted by the District; however, even with implementation of standard conditions, the District finds that some future SUP-related site-specific project impacts may not be reduced to less than significant. The Final SPEIR identified the following significant unavoidable adverse impacts of the SUP.

Air Quality

- **Impact 5.3-2 Construction activities may generate short-term emissions that exceed of the South Coast Air Quality Management District's regional significance thresholds and cumulatively contribute to the South Coast Air Basin nonattainment designations.**

Compliance with SCAQMD regulations and LAUSD Standard Conditions would reduce criteria air pollutant emissions from construction-related activities. However, short-term emissions generated from future individual projects could still exceed the SCAQMD regional significance threshold criteria.

No additional measures have been identified that would further reduce criteria air pollutant emissions beyond the LAUSD Standard Conditions that are already incorporated into the SUP, and no feasible measures would guarantee a less than significant impact for all SUP-related projects. Therefore, Impact 5.3-2 is considered potentially significant and unavoidable.

- **Impact 5.3-4 Local Construction Emissions.** Site-specific SUP projects may generate short-term emissions that exceed South Coast Air Quality Management District's localized significance thresholds and expose sensitive receptors to substantial pollutant concentrations.

Compliance with SCAQMD regulations and LAUSD Standard Conditions would reduce criteria air pollutant emissions from construction-related activities. However, short-term onsite emissions generated from future individual projects could still exceed the SCAQMD localized significance threshold criteria, even after this reduction. No additional measures have been identified that would further reduce localized short-term construction emissions beyond the LAUSD Standard Conditions that are already incorporated

into the SUP, and no feasible measures would guarantee a less than significant impact for all SUP-related projects. Therefore, Impact 5.3-4 is considered potentially significant and unavoidable.

Cultural Resources

- **Impact 5.5-1 Historical Resources.** SUP-related projects may cause a substantial adverse change in the significance of historical resources.

Each project that may impact a historic resource will include implementation of SC-CUL-1 through SC-CUL-11 to reduce impacts from relocation, conversion, rehabilitation, alteration, damage, or demolition of a historic resource. LAUSD Standard Conditions would reduce historic resource impacts to the extent feasible; however, no mechanism for the full mitigation has been established. Even with the LAUSD Standard Conditions, impacts associated with the demolition or damage to a historic resource may be significant. Therefore, Impact 5.5-1 is considered potentially significant and unavoidable.

Noise

- **Impact 5.13-1 Local Noise Ordinance.** SUP implementation may result in exposure of persons to or generation of noise levels in excess of standards established in the local general plan or noise ordinance.

Construction activities associated with the SUP could cause substantial short-term noise from the use of stationary and mobile construction equipment. Incorporation of SC-N-4, SC-N-8, and SC-N-9 would reduce noise impacts during construction by limiting the construction schedule, implementing feasible noise attenuation measures, and providing advance notice to nearby noise receptors. Although compliance with local regulations and incorporation of the LAUSD Standard Conditions into each individual project would reduce noise levels at nearby sensitive receptors, construction noise may still result in a substantial increase over the ambient noise or exceed local noise standards for some SUP-related projects. Therefore, Impact 5.13-1 is considered potentially significant and unavoidable.

- **Impact 5.13-2 Construction Vibration.** SUP-related project construction activities may result in generation of excessive ground borne vibration.

Demolition and construction for activities within 25 feet of a historic building or where pile driving activities are within 150 feet of a structure and may cause vibration annoyance and/or architectural damage. For these types of projects, a detailed vibration assessment would be provided by an acoustical engineer to analyze potential vibration impacts to nearby structures and to determine feasible alternatives to eliminate potential risk of annoyance and architectural damage. Implementation of LAUSD SC-N-4, SC-N-5, SC-N-6, and SC-N-7 would reduce construction-related vibration impacts, but for some projects, these LAUSD Standard Conditions may not be enough to avoid the impact. No additional measures are available to reduce impacts. Therefore, Impact 5.13-2 is considered potentially significant and unavoidable.

Transportation and Traffic

- **Impact 5.17-2 Traffic.** SUP-related trip generation may result in designated road and/or highways exceeding county congestion management agency standards.

VMT impacts may occur for some large-scale projects, such as major administrative centers or athletic facilities, associated with the SUP. Implementation of mitigation measures would further evaluate the significance of potential VMT impacts and, if necessary, identify Transportation Demand Management (TDM) measures to reduce VMT impacts. Possible TDM measures could include priced workplace parking, transit subsidies, voluntary travel behavior change programs, commute trip reduction programs, shared mobility programs, and improved bicycle/pedestrian infrastructure. Most SUP projects are expected to have a less than significant VMT impact; however, it may be infeasible to implement TDM measures that would fully mitigate VMT impacts for large-scale projects that are expected to attract people from a broader area. Therefore, Impact 5.17-2 would remain significant and unavoidable.

III. OVERRIDING CONSIDERATIONS

Almost half of the District's buildings were constructed at least 50 years ago, nearly 800 of the buildings were constructed more than 75 years ago, and 14 percent of newly constructed schools are at least 10 years old. The School Upgrade Program (SUP) was created to develop projects that modernize, build, and upgrade school facilities to improve student health, safety, and educational quality. To date, over 20,000 repair and modernization projects have been funded by the SUP and completed by Facilities Services Division, and additional projects valued at approximately \$5.8 billion are underway. Implementation of the projects under the SUP target project categories identified and gathered from engagement with local leadership and will allow further improvements to prioritized projects including increased Americans with Disabilities Act (ADA) accessibility, gymnasium air conditioning, technology infrastructure and systems, new and expanded wellness centers, as well as other pressing school facilities needs related to safety, compliance, and instructional requirements. The collaborative effort sought to identify the types of facilities and technology improvements that would be most important to school communities at all schools as well as at each grade level.

The following describes the benefits of the SUP that outweigh its potential significant unavoidable adverse environmental impacts.

1. Repair aging schools and improve student safety.

The projects proposed under the SUP will upgrade schools to ensure student and staff safety.

- Safety, Earthquake, Emergency, Fire-Prevention
 - Renovate and replace school buildings to ensure current earthquake safety standards are met.
 - Installation, repair, and upgrades to fire alarm, fire-suppression, and other fire/life safety systems and equipment and other fire/life safety projects.
 - ADA improvements to accommodate disabled students.
 - Asbestos hazard removal program.
 - Replace pipes and plumbing systems in schools to remove lead and improve water quality.
 - Install and upgrade air conditioning and ventilation filtration systems to improve air quality at schools.

- Installation of security alarms, security systems, security cameras, and other intrusion/security system projects.
 - Emergency-communications upgrades for classrooms to ensure immediate access to 911 system Networking, voice communications, and security-measure installations and upgrades at Skills Centers, Occupational Centers, Opportunity Schools, and Learning Centers.
- **Lead and Asbestos and Other Code-Compliance**
- Lead and asbestos abatement in classrooms, hallways, cafeterias, gymnasiums, auditoriums, libraries, offices, and other school buildings and grounds.
 - Repairs and improvements designed to achieve compliance with state and local building codes.

2. Upgrades schools to modern technology and educational needs.

Despite the significant investments in schools to address overcrowding and disrepair, the District still faces the need to make up for decades of facilities neglect. The projects proposed under the SUP will upgrade building systems.

- **School Repair and Expansion**
- Systematic program to prioritize District repair projects in an effort to achieve a satisfactory District-wide condition for facilities, using the “Facilities Condition Index” to evaluate and quantify the facility repair requirements.
 - Provide missing and upgrade deficient school buildings (core facilities) such as restrooms, auditoriums, gymnasiums, libraries, playgrounds, multi-purpose rooms, administrative spaces, and parking, leveraging bond funds with State, non-profit, business, private, and industrial matching funds.
 - Provide furnishing and equipment for new and existing facilities.
 - Re-New Our Schools – campus-wide renovations, upgrades, and creation of smaller schools, including magnets, to create a portfolio of small learning environments.
 - Reopening closed schools for use as school facilities.
 - Upgrades and repairs to plumbing, lighting, and electrical systems.
 - Upgrades and repairs to heating, ventilation, and air conditioning systems.
 - Interior repair, remodeling, painting, and renovations.
 - Paving, striping, and equipping athletic fields, playgrounds, play equipment, fencing, and other site-improvement projects.
 - Repair and replacement of building systems such as flooring, windows, and roofing.
 - Provide new and repair and replace existing playground equipment, including matting.
 - Classroom remodeling and other modernizations and renovations.
 - Exterior repair, painting, remodeling, and renovations.
 - Repair and replacement of lockers.

- Structural and architectural modifications and renovations to convert large schools into small schools, magnets, and small learning communities.

3. Create capacity to attract, retain, and graduate more students through a comprehensive portfolio of small high quality pre-K through adult schools.

Projects proposed under the SUP will repair and modernize existing schools, replace bungalows with permanent classrooms, expand early-education facilities, and provide sufficient core facilities at hundreds of schools. These projects will also help the District satisfy court-mandated compliance under the Williams Settlement.

Projects proposed under the SUP will enable the District to construct classroom seats needed to enact the Quality Education Investment Act (QEIA) class size reductions, and facilities for special education students under the Chanda Smith Consent Decree (1996) and Modified Consent Decree (2004).

- Special Education Career Transition Centers
 - Renovate existing facilities to provide Career Transition Centers for severely disabled students to teach them living and career skills.
- Library Upgrades
 - Improvements and new equipment for libraries and media centers, including inventory control and security equipment.
- School Repair and Expansion
 - Provide adequate specialized labs necessary to teach the courses students need to meet A-G requirements and gain eligibility for admission to UC/CSU colleges.
- Computer and Communications
 - Provide schools with modernized classrooms to leverage new instructional models and virtual learning communities.
 - Complete build-out of Local Area Networks in schools, install converged data communication network, and increase bandwidth to schools to provide access to high quality instructional content.
 - Build or acquire an energy-efficient data center for critical business, safety, and instructional systems and implement smart IT asset management infrastructure.
 - Installation of, and upgrades to, telecommunications and video-teleconferencing facilities and systems.
 - Installation of, and upgrades to, public-address systems, emergency radio communications systems, and other communications facilities.
 - Hardware and software for information-technology applications.
- Adult and Career Education

- Projects to ensure that schools have the facilities necessary to provide career training for students who will not be attending college.
- Early Childhood Education
 - Projects to renovate, repair, and create early education centers in elementary schools to close the achievement gap for all children by providing additional seats for preschool children.
- School Buses
 - Replace existing, aging diesel buses with modern vehicles meeting California's strict air-emissions standards and reducing operating costs.
- Food Service
 - Replace existing equipment deemed beyond economical repair and upgrade outdated facilities, outdated plumbing, exhaust hoods and fire suppression systems to meet current fire, mechanical and health codes and resolve Department of Public Health violations.
 - Upgrade secondary school cafeterias by modernizing serving lines, equipment configuration, serving, and seating areas.
 - Provide the ability to keep hot food hot and cold food cold at the point of service.
 - Increase through-put of students and correlating increase in seating requirements.
 - Replace aging beyond economic repair refrigeration systems with energy-efficient systems.
- Temporary-classroom replacement and upgrade
 - Replacement of temporary portable classrooms.
 - Structural upgrades of portable classrooms and other projects to replace or structurally upgrade projects where replacement is uneconomical, impractical, or infeasible.
 - Provision and relocation of portable classrooms.

4. Promote healthier environment through green technology.

With the adoption of Los Angeles City Board of Education Resolution (Res-002-22/23)¹, the District is committed to a long-term effort to ensure all school facilities have adequate nature-based, climate-appropriate green spaces where students recreate, play, and spend time. These projects will also help the District satisfy court-mandated compliance under the Williams Settlement. Under the major modernizations, upgrades, and reconfigurations category, the Measure RR implementation plan targets funds to upgrade approximately 2,300 classrooms at 50 schools and create outdoor learning environments. Projects proposed under the SUP will enable the District to construct classroom seats needed to enact the Quality Education Investment Act (QEIA) class size reductions, and facilities for special education students under the Chanda Smith Consent Decree (1996) and Modified Consent Decree (2004).

■ Sustainable Schools

¹ Los Angeles City Board of Education Resolution: Green Schools for All: Equitable Funding and Expansion of Green Spaces across District Campuses (Res-002-22/23). September 27, 2022.

- Sustainable environment enhancement developments for schools (SEEDS) projects, and urban greening partnerships.
- Improve energy efficiency, water efficiency, and renewable energy at schools, including installation of energy efficiency projects and renewable energy projects, such as solar and wind arrays, to contribute toward compliance with the California Global Warming Solutions Act of 2006.
- Installation of low-flow restroom fixtures and smart irrigation controllers in schools and other water efficiency projects.

IV. CONCLUSION

For the foregoing reasons, implementation of the SUP and the associated actions will create physically safe schools, sound, and efficient school building systems, and will align school facilities with instructional requirements and the District's vision at schools throughout the 710-square-mile Los Angeles Unified School District.

The District finds that the program's benefits outweigh the potential significant unavoidable adverse environmental impacts, and those impacts, therefore, are considered acceptable in light of the program's benefits. The District finds that each of the benefits described above is an overriding consideration, independent of the other benefits, that warrants approval of the SUP.

Donations of Money to the District and Associated Student Body

December 12, 2023

Accounting and Disbursements Division

Action Proposed:

1. Approve the donation of money (District): It is recommended that the donations be accepted; that appreciation is expressed to the donors for their contribution by way of this report; the funds totaling \$183,275.00 be deposited; and the Controller be authorized to draw checks for the purposes indicated on the donation:

Date: 10/05/2023
Donor: Playa Vista Education Group
Donation: \$52,418.00
For use at: Playa Vista Elementary School
Purpose: To provide funding for two Teacher's Assistant positions

Date: 10/19/2023
Donor: Dahlia Heights PTA
Donation: \$130,857.00
For use at: Dahlia Heights Elementary School
Purpose: To provide funding for classroom coverage, six Teacher Assistants and
Psychiatric Social Worker for School Mental Health

2. Approve the donation of money (Associated Student Body): It is recommended that the donations be accepted; that appreciation is expressed to the donor for their contribution by way of this report; the funds in the amount of \$30,265.22 be deposited to the school's Student Body account; and the Principal be authorized to draw a check for the purpose indicated on the donation:

Date: 11/6/2023
Donor: California Community Foundation
Donation: \$30,265.22
For use at: Verdugo Senior High
Purpose: To provide scholarships for graduating seniors

Background:

The District receives donations from any individuals, foundations or organizations who desire to support its educational programs. Information such as donor name, amount or value, school or office receiving the donations and the purpose of the donation are presented in the board report for approval.

Expected Outcomes:

The Board shall be approving donations received.

File #: Rep-126-23/24, **Version:** 1

Board Options and Consequences:

A “Yes” vote approves the donations of money made to the District and Associated Student Body.

A “No” vote would cause the non-acceptance of cash donations made to the District and Associated Student Body.

Policy Implications:

This Board report does not change any school policy.

Budget Impact:

This Board report approves financial transactions but does not change the budget authority.

Student Impact:

This Board report highlights donations made to the District, which support its educational programs.

Equity Impact:

Not applicable. A routine transaction.

Issues and Analysis:

The Board shall be approving routine District financial transactions.

Report of Cash Disbursements
Report of Corporate Credit Card Charges
Request to Reissue Expired Warrants
December 12, 2023
Accounting and Disbursements Division

Action Proposed:

1. Ratify cash disbursements totaling \$885,003,467.36 which were made against funds of the District from October 1, 2023, through October 31, 2023. These disbursements are within approved budgeted appropriations and were made in accordance with established Board policies.

a. "A" Warrants (Payroll) total of \$27,301,642.50

Warrant Numbers:

3172185 - 3191723

b. Direct deposit payroll (Automated Clearing House -ACH) total of \$287,276,894.49

c. "B" Warrants (Accounts Payable) total of \$122,506,730.09

Warrant Numbers:

21239193 - 21239367	21271904 - 21272064
21241521 - 21241675	21274193 - 21274340
21246899 - 21247095	21276464 - 21276592
21249503 - 21249654	21278666 - 21278898
21252219 - 21252358	21281087 - 21281306
21256321 - 21259918	21285637 - 21285767
21262768 - 21262922	21287904 - 21288055
21265303 - 21265409	21290434 - 21290565
21267433 - 21267558	21292357 - 21292586
21269487 - 21269619	21294913 - 21295053

d. Accounts Payable ACH payments total of \$447,918,200.28.

2. Approved requests to reissue expired warrants that were not cashed within the prescribed period totaling \$9,578.60.

<u>Warrant Number</u>	<u>Date</u>	<u>Payee</u>	<u>Amount</u>
2158973	December 31, 2018	Epifanio Campos	\$3,791.86
2150311	December 12, 2018	Epifanio Campos	\$7.81
1813559	June 12, 2017	Epifanio Campos	\$286.26

<u>Number</u>	<u>Date</u>	<u>Payee</u>	<u>Amount</u>
1752886	March 10, 2017	Epifanio Campos	\$303.57
1732861	February 10, 2017	Epifanio Campos	\$380.33
1697060	December 12, 2016	Epifanio Campos	\$21.60
1636882	September 12, 2016	Epifanio Campos	\$85.86
1609608	July 12, 2016	Epifanio Campos	\$73.98
1590190	June 10, 2016	Epifanio Campos	\$6.48
1549366	April 12, 2016	Epifanio Campos	\$46.58
1119903	June 12, 2014	Epifanio Campos	\$38.64
9575267	June 11, 2012	Epifanio Campos	\$242.47
9315705	June 30, 2011	Epifanio Campos	\$3,646.64
1787629	May 8, 2017	Kimberly Lopez	\$317.67
1834255	July 7, 2017	Kimberly Lopez	\$216.18
1935124	January 8, 2018	Kimberly Lopez	\$46.44
2355764	December 12, 2019	Veronica Ferrufino	\$66.23

3. Approve Corporate Card Charges: In order to allow flexibility for timely payments of expenses related to official District business, charges have been made from the Superintendent's and Executive Office of the Board's American Express Corporate Card in accordance with established District policies and procedures. It is recommended that the Board approve charges made against funds of the District totaling \$10,042.62 for the quarter ended September 30, 2023.

Background:

This is a recurring monthly Board report for the Board to approve warrants or checks issued by the District for payroll and non-salary obligations that occur as part of school business.

Expected Outcomes:

The Board shall be approving routine District financial transactions.

Board Options and Consequences:

A "Yes" vote:

1. Ratifies the previously disbursed payments.
2. Approves the reissuance of expired warrants.
3. Approves the charges made to the corporate credit cards.

A "No" vote would cause the cancellation of previously issued payments and decline to reissue expired warrants.

Policy Implications:

This Board report does not change any school policy.

Budget Impact:

This Board report approves financial transactions but does not change the budget authority.

File #: Rep-127-23/24, **Version:** 1

Student Impact:

This Board report includes routine financial transactions, which support student achievement.

Equity Impact:

Not applicable. A routine transaction.

Issues and Analysis:

The Board shall be approving routine District financial transactions.

Board of Education Report

File #: Rep-129-23/24, **Version:** 1

Application for Instructional Time Penalty Waiver
December 12, 2023
Office of the Chief Business Officer

Action Proposed:

Approval to submit an Instructional Time Penalty Waiver request to the State Board of Education (SBE) as a result of the 3-day work stoppage in fiscal year 2022-23.

Background:

Los Angeles Unified is statutorily required to offer 180 instructional days in a school year in all K-12 schools per Education Code 46208. In addition, each grade span must also meet minimum annual instructional minutes per Education Code 46207. Non-compliance with the instructional day and minutes requirements subjects the District to a significant fiscal penalty.

In the 2022-23 school year, all K-12 District schools were closed for three instructional days (March 21, 22, and 23) due to work stoppage, thereby reducing the instructional day offering to 177 days only. The three closure days also resulted in a shortfall in annual instructional minutes for the 9-12 grade span. The combined fiscal penalties for these two non-compliance issues is \$111.85M.

The District has the option to either pay the penalty or apply for the Instructional Time Penalty Waiver. In order for the SBE to consider the waiver application, the District is required to increase instructional days and minutes for two consecutive school years (i.e., 2023-24 and 2024-25), which the District has complied with through the Board-adopted calendars for 2023-24 and 2024-25, as well as the revised policy bulletin (BUL-6144.2, dated June 26, 2023) that specified the increased daily and annual instructional minutes.

Board approval is required to proceed with the waiver application.

Expected Outcomes:

Approval to submit the Instructional Time Penalty Waiver request to SBE as per Education Code Section 46206. The SBE requires approval from the Board of Education (Board) of the local education agency for the waiver application.

Board Options and Consequences:

Should the Board vote to approve, Los Angeles Unified will submit the Instructional Time Penalty Waiver application to the SBE. If the Board does not approve the action proposed, Los Angeles Unified will not submit the waiver application and will be assessed penalties by the State for non-compliance with required Instructional Days and Instructional Minutes.

Policy Implications:

No Policy Implications.

Budget Impact:

If the Board does not approve the submission of the waiver application, then the District will pay the penalty of \$111.85M due to instructional time loss in fiscal year 2022-23. If the Board approves the submission of the waiver application, and the SBE reviews and approves the waiver application, the District will not pay the penalty of \$111.85M due to instructional time loss in fiscal year 2022-23.

Student Impact:

Compliance with the Education Code ensures that Los Angeles Unified shall continue to operate and serve its student population responsibly.

TAB 16

Board of Education Report

File #: Rep-131-23/24, **Version:** 1

Capital Facilities Fund (Developer/Impact Fees) Annual Report for 2022-23

December 12, 2023

Office of the Chief Business Officer

Action Proposed:

Adopt the attached resolution regarding the Capital Facilities Fund Annual Report in accordance with Government Code Sections 66000 et seq.

Background:

Education Code Section 17620 allows school districts to assess fees on residential and commercial construction within their respective boundaries when a reasonable relationship exists between the need for new or reconstructed school facilities and resident, commercial and industrial development. These fees are paid by property owners and developers to school districts to mitigate the impact created by new development within a school district's boundaries on the school facilities.

Developer fee revenues may be used only for the (a) construction and reconstruction of school facilities, (b) costs associated with conducting any study, finding, needs analysis or determination required as part of the process to adopt the developer fee, (c) costs for administering the fee, and (d) costs associated with conducting the meeting(s) required for levying a fee. Education Code section 17620 clarifies that the "construction or reconstruction of school facilities" does not encompass: (a) regular maintenance or routine repair of school buildings and facilities, (b) the inspection, sampling, analysis, encapsulation, or removal of asbestos-containing materials except where incidental to school facilities construction or reconstruction, or (c) or deferred maintenance.

Per the District's policy on the use of Developer Fee proceeds, which was confirmed and clarified on December 8, 2020 (Board Report No. 187-20/21), once the costs related to administering the developer fee and fulfilling the required analysis and reporting duties have been subtracted, the adjusted net developer fee revenue will be allocated to permissible projects that have been approved by the Board of Education (Board), and incorporated into the Facilities Services Division (Facilities) Strategic Execution Plan (SEP). Attachment C lists the expenditures in 2022-23 for the construction and reconstruction of school facilities expenditures on permissible projects.

Per Government Code section 66000 et seq., a school district that collects developer fees is obliged to provide an annual financial report of fees collected, including starting and ending balances, collected fee amounts, and interest earned. This report must be submitted within 180 days after the conclusion of each fiscal year (refer to attachments B and C).

Expected Outcomes:

The District shall be in compliance with Government Code Sections 66000 et seq.

Board Options and Consequences:

If the Board does not adopt the resolutions regarding the annual report, the District shall be out of compliance with the requirements of Government Code Sections 66000 et seq. This may negatively impact the District's ability to assess developer/impact fees or require the refunding of unspent developer fee proceeds.

Policy Implications:

In accordance with the Developer Fee Policy, the Chief Business Officer is presenting the annual report of the Capital Facilities Fund's beginning and ending balances, fees collected, interest and other income received, expenditures by project and refunds made for fiscal year 2022-23.

Budget Impact:

None

Student Impact:

Developer Fees assessed upon new residential, commercial or industrial development projects located within District boundaries are used to provide funds for construction and reconstruction of school facilities to accommodate students generated from new development projects.

Equity Impact:

Not applicable

Issues and Analysis:

Private developments, whether residential or commercial, can take years or even decades to be constructed, and the specific time that a future development will be built cannot be precisely predicted. As such, projecting with good accuracy future developer fee revenue and when the impact will be realized is difficult. Additionally, when private developments are cancelled, the fees previously paid must be returned. Because of this, the receipt of developer fee revenue does not result in the identification of new projects, and net revenues are allocated to the Facilities SEP after received, for use on permissible construction and reconstruction projects.

Eligible projects may include, but are not limited to, additions to existing schools, classroom replacements, comprehensive/major modernizations, seismic modernizations, and new schools when there is enough development activity occurring in a single area.

RESOLUTION OF THE BOARD OF EDUCATION OF THE LOS ANGELES UNIFIED SCHOOL DISTRICT ADOPTING THE ANNUAL ACCOUNTING REPORT

WHEREAS, pursuant to its authority under Education Code Sections 17620 et seq. and Government Code Sections 65995 et seq., the District has assessed residential developer fees and commercial/industrial developer fees on construction and reconstruction projects within its boundaries; and

WHEREAS, the District has placed all fees it has received from such assessments in a separate non-co-mingled capital facilities fund (hereinafter the “Capital Facilities Fund”) established for such purposes pursuant to Government Code Section 66000 et seq; and

WHEREAS, the District has made available to the public within one hundred and eighty (180) days after the last day of its fiscal year, an Annual Capital Facilities Fund Accounting Report (hereinafter “Annual Report”) which describes the type of Capital Facilities Fund into which developer fees were placed, the amount of the fee, the beginning and ending balances of this Fund, the amount of fees collected and interest earned, the identification of expenditures made by project; and

WHEREAS, the Annual Report has determined that in fiscal year 2022-23, no refunds were made due to unexpended developer fee revenues; and

WHEREAS, the District has, at least 15 days prior to the Board of Education meeting, made the Annual Report available to the public by making it available at the Board Secretariat’s Office, the Controller’s Office, and the Developer Fee Program Office; and

WHEREAS, the District has not received any written requests from interested parties for a mailed notice of this meeting; therefore be it

RESOLVED, that the Board adopts the Capital Facilities Fund Annual Report which is attached as Attachment B.

ADOPTED this ____ day of _____ 2023

Jackie Goldberg, President

ATTEST:

Michael McLean, Executive Officer of the Board

ATTACHMENT B
Description of the Fund and Financial Information
LOS ANGELES UNIFIED SCHOOL DISTRICT
CAPITAL FACILITIES ACCOUNT FUND
2022-23 ANNUAL REPORT

I. DESCRIPTION OF FUND

The Capital Facilities Fund is used to account for resources received from developer fees assessed upon residential and commercial/industrial construction or reconstruction projects located within the boundaries of Los Angeles Unified School District (the “District”) in order to provide funds to help relieve overcrowded conditions at District schools.

The rates assessed for Fiscal Year 2022-23 are as follows:

Type	Rate Per Assessable Square Foot		Period in Force
	FY2021-22	FY2022-23 ¹	
Level 1 Residential	\$4.08	\$4.79	7/1/2022-06/30/2023
Level 1 Commercial/Industrial	\$0.66	\$0.78	7/1/2022-06/30/2023
Self-Storage	\$0.32	\$0.24	7/1/2022-06/30/2023
Parking Structures	\$0.44	\$0.34	7/1/2022-06/30/2023

¹The new rates were effective on July 9, 2022.

Board of Education Report

File #: Rep-140-23/24, **Version:** 1

2023-24 First Interim Report and Multi-Year Projections

December 12, 2023

Office of the Chief Business Officer

Action Proposed:

Approve the 2023-24 First Interim Financial Report, which contains a “positive” certification (enclosed herewith as “Attachment A”). In addition, approve to submit the First Interim Report to the Los Angeles County Superintendent of Schools (CSS).

Background:

Under Education Code Sections 35035(i), 42130, and 42131, District staff must prepare and submit interim financial reports to the governing board at intervals throughout the fiscal year. As part of the interim financial reports, the Board certifies to the County Superintendent of Schools, the State Controller, and the State Superintendent of Public Instruction whether the District is able to meet its financial obligations for the remainder of the current fiscal year and the next two fiscal years, using one of three certification scenarios:

- A *positive* certification indicates that based on current projections, the district *will* meet its financial obligations for the current fiscal year and two subsequent years.
- A *qualified* certification indicates that the district *may not* be able to meet its financial obligations for the current or two subsequent fiscal years.
- A *negative* certification indicates that the district *will not* be able to meet its financial obligations for the current or subsequent fiscal year.

Expected Outcomes:

Upon adoption by the Board, the District files the First Interim Report with the Los Angeles County Superintendent of Schools (CSS) to be in compliance with Education Code requirements.

Board Options and Consequences:

The Board may accept the staff’s determination of a positive condition or approve the report with a modification of the revenue and expenditure projections.

CSS shall review the District’s certification. It has the authority and responsibility to change the certification if it determines that the District’s certification was not appropriate.

In the event the District’s certification is other than positive at the first interim period, it must submit a proposal to the CSS that addresses the District’s fiscal conditions (“fiscal recovery plan”). In addition, it may not, in that fiscal year or the next fiscal year, issue non-voter approved debt unless the County Superintendent determines that the District shall probably make repayment of such debt issuance. CSS may also impose various restrictions on districts that fail to deal with financial issues raised in interim reports. Finally, rating agencies may consider interim reports when evaluating or revising credit ratings.

File #: Rep-140-23/24, **Version:** 1

Policy Implications:

Approval and submission of the District's 2023-24 First Interim Financial Report shall comply with Education Code and Los Angeles County Office of Education (LACOE) requirements.

Budget Impact:

This report maintains reserves at the required statutory level.

Student Impact:

Compliance with Education Code ensures that the District shall continue to operate and serve its student population.

Equity Impact:

Component	Score	Score Rationale
Recognition	3	District budgeting ranges from “not recognizing historical inequities” to “actively recognizing and specifying historical inequities”. While some allocations of resources are district-wide, some investments such as Student Equity Need Index recognizes historical inequities.
Resource Prioritization	3	Resource prioritization varies from a district-wide perspective to a targeted student population based on student need and its impact on student achievement.
Results	3	Resources are allocated to the extent that it would support student needs, address priorities of achieving the District Strategic Plan

LOS ANGELES UNIFIED SCHOOL DISTRICT

**FIRST INTERIM
FINANCIAL REPORT**

Fiscal Year 2023-24

2023-24 FIRST INTERIM FINANCIAL REPORT AND MULTI-YEAR PROJECTIONS

This section provides an overview of LA Unified’s 2023-24 First Interim Financial Report and multi-year projections. As required under Education Code Sections 35035(i), 42130, and 42131, this report shall be submitted to the Los Angeles County Office of Education (LACOE) on or before December 15, 2023. The Board is requested to certify LA Unified’s financial condition as “Positive¹,” meaning that LA Unified is projected to meet its financial obligations in Fiscal Year 2023-24 and in the two subsequent fiscal years.

The First Interim Financial Report is a comparison between projected actual revenues and expenditures and the Current Modified Budget as of October 31, 2023. The Current Modified Budget includes changes since the Revised Budget in August, including changes from the 2022-23 Unaudited Actuals.

Highlights

- The First Interim Report projects a General Fund (unassigned/unappropriated) ending balance of \$574.0 million in 2023-24, and this is factored to balance future years. This ending balance is \$446.8 million higher than reported at Revised Budget in August, and \$396.2 million higher than the budget as of October 31, 2023². (See Appendix I, Tables 1 to 4, for variances between Budget and First Interim).
- For 2023-24, LA Unified is expected to meet its financial commitments and its 5% General Fund ending balance requirement which includes the 2% Reserve for Economic Uncertainties as set forth in LA Unified’s Budget and Finance Policy.
- As of First Interim, the multi-year changes in expenditures and revenues resulted in a cumulative ending balance of \$63.2 million by the end of 2025-26. This is an increase from the \$22.6 million reported at Revised Budget in August. (See Appendix II for the details of changes in 2024-25 and 2025-26 Unrestricted General Fund).

Reserve Levels

LA Unified’s statutory reserve requirement for economic uncertainty is 2% of total expenditures and other financing uses. LA Unified’s projected expenditures exceed annual revenues. Unassigned Ending balances are shown in the following chart.

¹ A *positive* certification indicates that based on current projections, the district *will* meet its financial obligations for the current fiscal year and two subsequent years.

A *qualified* certification indicates that the district *may not* be able to meet its financial obligations for the current or two subsequent fiscal years.

A *negative* certification indicates that the district *will not* be able to meet its financial obligations for the current or subsequent fiscal year.

² Final Budget released in June 2023 adjusted to incorporate the Enacted State Budget, the results of Unaudited Actuals, and other changes.

FISCAL OUTLOOK

LA Unified continues to be challenged with deficit spending wherein expenditures are greater than projected revenues. The projected deficits in FY 2024-25 and 2025-26 are \$1,785.1 million and \$766.2 million, respectively. When calculated as a percent of the LA Unified's Unrestricted General Fund projected expenditures and other financing uses, these deficits equal to 24.64% and 12.56% in FY 2024-25 and FY 2025-26, respectively. LA Unified's practice of using one-time/non-recurring resources for ongoing expenses does not comply with prevailing best practices and has drawn comments from LACOE.

The fiscal outlook is uncertain, and we consider government agencies on projection assumptions for fiscal and policy guidance. A May 2023 report from the Legislative Analyst's Office (LAO) projects a state budget shortfall larger than the administration's projections reaching a difference of \$10 billion by 2026-27 due to variances in revenue and spending estimates. The much-anticipated LAO's Fiscal Outlook annually released in November which provides a preview of the 2024-25 State Budget is postponed to December due to California's 2022 tax filing extension of the first deferred deadline of October 2023 to November 2023. A tax collection shortfall from the administration's projections as of October 2023 tax receipts and the additional one-month extension could potentially impact the overall State Budget and Proposition 98. Ahead of its Fiscal Outlook report, LAO is estimating the statutory COLA for 2024-25 to be about 1 percent which is significantly down from the 3.94 percent estimated for 2024-25 at the 2023-24 Enacted State Budget. The Governor is required to submit a balanced budget proposal to the Legislature for

2024-25 by January 10, 2024. At that time, the proposal shall provide details on the State's spending plan including Proposition 98.

APPENDIX I

2023-24 UNRESTRICTED AND RESTRICTED GENERAL FUND

Table 1 Summary of 2023-24 General Fund Revenue (in millions)						
	Unrestricted			Restricted		
	First Interim	Modified Budget	Variance 1P vs Budget	First Interim	Modified Budget	Variance 1P vs Budget
LCFF Sources	\$ 6,706.0	\$ 6,706.0	\$ -	\$ 28.3	\$ 28.3	\$ -
Federal Revenues	1.8	1.9	(0.1)	1,574.9	1,780.9	(206.0)
Other State Revenues	123.8	123.5	0.3	1,557.9	1,631.3	(73.4)
Other Local Revenues	299.9	340.0	(40.1)	39.2	35.5	3.7
Total Revenues	\$ 7,131.5	\$ 7,171.4	\$ (39.9)	\$3,200.3	\$ 3,476.0	\$ (275.7)

Revenues – The First Interim revenue projections for the General Fund (Unrestricted) are lower than the Modified Budget by a net amount of \$39.9 million primarily due to lower projected interest income of \$17.1 million and higher unrealized loss of \$31.1 million, offset by higher projected revenues of \$8.1 million (e.g. Medi-Cal administrative activities and election reimbursements).

General Fund (Restricted) revenues are projected to be lower compared to the Modified Budget by \$275.7 million. Federal revenues are comprised primarily of grants, which recognize revenue based on expenditures incurred. The net decrease is primarily attributed to lower projected spending in Title I (\$113.1 million), Title II (\$17.9 million), Title III (\$8.3 million), Title IV (\$16.2 million), and a total of \$120.2 million from other grants such as 21st Century, GEAR-UP, After School Education and Safety (ASES), and Special Education IDEA.

Table 2
Summary of 2023-24 General Fund Expenditures
(in millions)

	Unrestricted			Restricted		
	First Interim	Modified Budget	Variance 1P vs. Budget	First Interim	Modified Budget	Variance 1P vs. Budget
Certificated Salaries	\$ 2,356.8	\$ 2,821.4	\$ (464.6)	\$ 1,511.3	\$ 1,211.9	\$ 299.4
Classified Salaries	751.8	894.4	(142.6)	643.7	603.9	39.8
Employee Benefits	1,603.2	1,676.7	(73.5)	1,284.1	1,276.3	7.8
Books & Supplies	547.0	569.6	(22.6)	324.6	1,621.0	(1,296.4)
Services & Operating Expenses	681.7	600.1	81.6	640.8	807.9	(167.1)
Capital Outlay	46.8	40.0	6.8	87.2	100.4	(13.2)
Other Outgo	8.9	16.0	(7.1)	1.0	-	1.0
Total Expenditures	\$ 5,996.2	\$ 6,618.2	\$ (622.0)	\$4,492.7	\$5,621.4	\$ (1,128.7)

Expenditures³ - the First Interim General Fund (Unrestricted) expenditure projection is lower than the Modified Budget by a net amount of \$622.0 million, primarily due to the following:

- Lower expenditures in school programs: Targeted Student Population (\$202.4 million) primarily due to vacancies and maximization of one-time COVID funding, as allowed, Charter School Categorical Block Grant (\$19.0 million), and other programs (\$93.3 million). These programs carry over, which means that the net unspent portion of these accounts is placed in committed and assigned fund balances to pay for program expenditures in future years.
- Lower program expenditures for nurses, teachers, instructional aides, and bus drivers due to vacancies and to maximize the use of one-time COVID funding, as allowed (\$258.8 million).

General Fund (Restricted) expenditures are projected to be lower by a net amount of \$1,128.7 million compared to the Modified Budget. This includes carryover of categorical programs that is recognized when expenditures are incurred.

³ Projections of expenditures are primarily based on analysis using current and historical trends with comparison to the budget as of specific periods of time. This includes validation with program staff for projection of future trends and estimates.

Table 3
Summary of 2023-24 General Fund Other Financing Sources/Uses/Indirect Cost
(in millions)

	Unrestricted			Restricted		
	First Interim	Modified Budget	Variance 1P vs. Budget	First Interim	Modified Budget	Variance 1P vs. Budget
Indirect Cost	\$ 120.4	\$ 150.1	\$ (29.7)	\$ (100.8)	\$ (128.7)	\$ 27.9
Transfers In	30.0	30.0	-	2.9	2.9	-
Other Sources	1.2		1.2	-	-	-
	151.6	180.1	(28.5)	(97.9)	(125.8)	27.9
Transfer Out	(25.0)	(25.0)	-	-	-	-
Contribution	(1,393.1)	(1,533.7)	140.6	1,393.1	1,533.7	(140.6)
	(1,418.1)	(1,558.7)	140.6	1,393.1	1,533.7	(140.6)
Net	\$(1,266.5)	\$ (1,378.6)	\$ 112.1	\$1,295.2	\$ 1,407.9	\$ (112.7)

Net Contributions/Transfers ⁴

Indirect costs recovery in Unrestricted decreased due to lower expenditures projected in restricted programs and other special revenue funds.

Contribution from GF Unrestricted to support GF Restricted programs is lower by \$140.6 million compared to the Modified Budget. This is a result of charging qualified expenditures (e.g. salary increases) to one-time COVID funds instead of charging to the respective program. In addition, there is a lower GF Unrestricted contribution to Routine Restricted Maintenance Account (RRMA) of \$13.3 million based on lower projected spending.

Cash flow – The ending cash balance as of June 30, 2024, is projected to be approximately \$5.7 billion.

⁴ Contributions represent amounts contributed within the General Fund when expenditures incurred for a given restricted resource (e.g., Special Ed program) exceed the amount available for expenditure. Transfers are inflows/outflows of moneys between funds (e.g., Child Development Fund) for various purposes including support for program activities.

Table 4
Summary of 2023-24 General Fund Ending Balance
(in millions)

	Unrestricted			Restricted		
	First Interim	Modified Budget	Variance 1P vs. Budget	First Interim	Modified Budget	Variance 1P vs. Budget
Nonspendable	\$ 47.9	\$ 47.9	\$ -	\$ 0.1	\$ -	\$ 0.1
Restricted	-	-	-	1,846.1	1,103.8	742.3
Committed	2,460.4	2,244.4	216.0	-	-	-
Assigned	417.7	337.7	80.0	-	-	-
Unassigned-Reserve for Economic Uncertainties	244.9	244.9	-	-	-	-
Unassigned/Unappropriated	576.1	177.7	398.4	(2.2)	-	(2.2)
Ending Balance	\$ 3,747.0	\$ 3,052.6	\$ 694.4	\$ 1,844.0	\$ 1,103.8	\$ 740.2

General Fund Ending Balances – The summary of changes as discussed above resulted in a net increase in the unrestricted and restricted ending balances compared to budget by \$694.4 million and \$740.2 million, respectively. The unrestricted ending balance is composed of non-spendable, committed, assigned and unassigned/unappropriated categories, and shall be used to balance future fiscal years.

- Committed Ending Balance: funds are subject to internal policies and constraints. These policies are self-imposed by LA Unified’s highest level of decision-making authority. Projected contributions to the Other Post-Employment Benefits (OPEB) Trust are part of this committed balance.
- Assigned Ending Balance: carryover funds that are intended to be used for a specific purpose.
- Unassigned/Unappropriated Ending Balance: The First Interim unassigned/unappropriated ending balance is \$396.2 million higher than the Modified Budget for 2023-24 fiscal year. This results in an increase of the beginning balance for the 2024-25 fiscal year.

Restricted ending balance represents unspent balance from legally restricted funding sources.

- This is comprised of primarily state grants such as Learning Recovery Emergency Block Grant, Arts, Music, and Instructional Materials (AMIM) Discretionary Block Grant, Extended Learning Opportunities Program, Educator Effectiveness Block Grant, and Literacy Coaches and Reading Specialist Grant.

APPENDIX II

2024-25 AND 2025-26 UNASSIGNED GENERAL FUND MULTI-YEAR BUDGET PROJECTIONS

The chart below shows the net changes in unassigned General Fund balance by comparing First Interim with Revised Budget in August. This considers cumulative projected increases and decreases in revenues and expenditures across the three fiscal years:

Amounts in Millions	2023-24	2024-25	2025-26
Unassigned Ending Balance at Revised Budget (August)	\$127.2	\$110.6	\$22.6
Net Changes from Revised Budget to First Interim	\$446.8	\$373.0	\$40.6
Revised Unassigned Ending Balance at First Interim (October)	\$574.0	\$483.6	\$63.2

The 2023-24 Unassigned Ending Balance has been factored into the 2024-25 and 2025-26 multi-year projections. The estimated unassigned ending balance by the end of 2025-26 is \$63.2 million. The net changes from Revised Budget to First Interim are due to the following:

- Lower 2023-24 norm day enrollment than initially projected, which resulted in decreased funded ADA in subsequent years. LCFF revenue decreased by \$9.7 million in 2024-25 and \$10.1 million in 2025-26. Beginning in 2022-23, LCFF revenue for LA Unified is mostly based on the average of the three prior years' ADA.
- Inclusion of salary increases for Teamsters, Associated Administrators of Los Angeles (AALA) Certificated, and District-Represented employees
- Higher health and welfare costs due to the 2024-2025 Health Benefits Agreement
- Increased liability self-insurance expenditures based on the latest actuarial report
- Higher indirect cost rates based on the 2022-2023 Unaudited Actuals report
- No projected support to Cafeteria Fund due to higher reimbursement rates and higher average daily participation
- Additional expenditures that are planned to be transferred to the Learning Recovery Emergency Block Grant and AMIM Discretionary Block Grant
- Updates to contributions for RRMA and Reserve for Economic Uncertainties to meet statutory requirements

Assigned Ending Balances

Appendix III shows assigned ending balances by program. School site carryovers, which include the General Fund School Allocation and School Site Programs, account for an approximate 3-year average of 65% of LA Unified's assigned ending balances. Some of the estimated carryovers also have corresponding matching revenues, such as donations, filming, civic centers' permits, class fees, and other fee for service programs.

Committed Ending Balances

Appendix IV shows committed ending balances by programs. Supplemental and Concentration Funds or Targeted Student Population (TSP) account for an approximate three-year average of 50% of the District's committed ending balances. The remaining committed ending balances are for OPEB, Labor Agreements, and Compensation.

NOTICE OF CRITERIA AND STANDARDS REVIEW. This interim report was based upon and reviewed using the state-adopted Criteria and Standards. (Pursuant to Education Code (EC) sections 33129 and 42130)

Signed: _____
District Superintendent or Designee

Date: _____

NOTICE OF INTERIM REVIEW. All action shall be taken on this report during a regular or authorized special meeting of the governing board.

To the County Superintendent of Schools:

This interim report and certification of financial condition are hereby filed by the governing board of the school district. (Pursuant to EC Section 42131)

Meeting Date: _____

Signed: _____
President of the Governing Board

CERTIFICATION OF FINANCIAL CONDITION

☒ X

POSITIVE CERTIFICATION

As President of the Governing Board of this school district, I certify that based upon current projections this district will meet its financial obligations for the current fiscal year and subsequent two fiscal years.

☐

QUALIFIED CERTIFICATION

As President of the Governing Board of this school district, I certify that based upon current projections this district may not meet its financial obligations for the current fiscal year or two subsequent fiscal years.

☐

NEGATIVE CERTIFICATION

As President of the Governing Board of this school district, I certify that based upon current projections this district will be unable to meet its financial obligations for the remainder of the current fiscal year or for the subsequent fiscal year.

Contact person for additional information on the interim report:

Name: V. Luis Buendia

Telephone: 213-241-2737

Title: Deputy Chief Business Officer

E-mail: luis.buendia@lausd.net

Criteria and Standards Review Summary

The following summary is automatically completed based on data provided in the Criteria and Standards Review form (Form 01CSI). Criteria and standards that are "Not Met," and supplemental information and additional fiscal indicators that are "Yes," may indicate areas of potential concern, which could affect the interim report certification, and should be carefully reviewed.

CRITERIA AND STANDARDS			Met	Not Met
1	Average Daily Attendance	Funded ADA for any of the current or two subsequent fiscal years has not changed by more than two percent since budget adoption.	X	
CRITERIA AND STANDARDS (continued)			Met	Not Met
2	Enrollment	Projected enrollment for any of the current or two subsequent fiscal years has not changed by more than two percent since budget adoption.	X	
3	ADA to Enrollment	Projected second period (P-2) ADA to enrollment ratio for the current and two subsequent fiscal years is consistent with historical ratios.	X	
4	Local Control Funding Formula (LCFF) Revenue	Projected LCFF revenue for any of the current or two subsequent fiscal years has not changed by more than two percent since budget adoption.	X	
5	Salaries and Benefits	Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures has not changed by more than the standard for the current and two subsequent fiscal years.		X
6a	Other Revenues	Projected operating revenues (federal, other state, other local) for the current and two subsequent fiscal years have not changed by more than five percent since budget adoption.		X
6b	Other Expenditures	Projected operating expenditures (books and supplies, services and other expenditures) for the current and two subsequent fiscal years have not changed by more than five percent since budget adoption.		X
7	Ongoing and Major Maintenance Account	If applicable, changes occurring since budget adoption meet the required contribution to the ongoing and major maintenance account (i.e., restricted maintenance account).	X	
8	Deficit Spending	Unrestricted deficit spending, if any, has not exceeded the standard in any of the current or two subsequent fiscal years.		X
9a	Fund Balance	Projected general fund balance will be positive at the end of the current and two subsequent fiscal years.	X	
9b	Cash Balance	Projected general fund cash balance will be positive at the end of the current fiscal year.	X	
10	Reserves	Available reserves (e.g., reserve for economic uncertainties, unassigned/unappropriated amounts) meet minimum requirements for the current and two subsequent fiscal years.	X	
SUPPLEMENTAL INFORMATION			No	Yes
S1	Contingent Liabilities	Have any known or contingent liabilities (e.g., financial or program audits, litigation, state compliance reviews) occurred since budget adoption that may impact the budget?	X	

First Interim
DISTRICT CERTIFICATION OF INTERIM REPORT
For the Fiscal Year 2023-24

S2	Using One-time Revenues to Fund Ongoing Expenditures	Are there ongoing general fund expenditures funded with one-time revenues that have changed since budget adoption by more than five percent?		X
S3	Temporary Interfund Borrowings	Are there projected temporary borrowings between funds?	X	
S4	Contingent Revenues	Are any projected revenues for any of the current or two subsequent fiscal years contingent on reauthorization by the local government, special legislation, or other definitive act (e.g., parcel taxes, forest reserves)?	X	
S5	Contributions	Have contributions from unrestricted to restricted resources, or transfers to or from the general fund to cover operating deficits, changed since budget adoption by more than \$20,000 and more than 5% for any of the current or two subsequent fiscal years?		X
SUPPLEMENTAL INFORMATION (continued)			No	Yes
S6	Long-term Commitments	Does the district have long-term (multiyear) commitments or debt agreements?		X
		• If yes, have annual payments for the current or two subsequent fiscal years increased over prior year's (2022-23) annual payment?		X
		• If yes, will funding sources used to pay long-term commitments decrease or expire prior to the end of the commitment period, or are they one-time sources?	X	
S7a	Postemployment Benefits Other than Pensions	Does the district provide postemployment benefits other than pensions (OPEB)?		X
		• If yes, have there been changes since budget adoption in OPEB liabilities?	X	
S7b	Other Self-insurance Benefits	Does the district operate any self-insurance programs (e.g., workers' compensation)?		X
		• If yes, have there been changes since budget adoption in self-insurance liabilities?		X
S8	Status of Labor Agreements	As of first interim projections, are salary and benefit negotiations still unsettled for:		
		• Certificated? (Section S8A, Line 1b)	X	
		• Classified? (Section S8B, Line 1b)		X
S8	Labor Agreement Budget Revisions	Management/supervisor/confidential? (Section S8C, Line 1b)	X	
		For negotiations settled since budget adoption, per Government Code Section 3547.5(c), are budget revisions still needed to meet the costs of the collective bargaining agreement(s) for:		
		• Certificated? (Section S8A, Line 3)	X	
S8		• Classified? (Section S8B, Line 3)	X	
S9	Status of Other Funds	Are any funds other than the general fund projected to have a negative fund balance at the end of the current fiscal year?	X	
ADDITIONAL FISCAL INDICATORS			No	Yes
A1	Negative Cash Flow	Do cash flow projections show that the district will end the current fiscal year with a negative cash balance in the general fund?	X	
A2	Independent Position Control	Is personnel position control independent from the payroll system?		X
A3	Declining Enrollment	Is enrollment decreasing in both the prior and current fiscal years?		X
A4	New Charter Schools Impacting District Enrollment	Are any new charter schools operating in district boundaries that are impacting the district's enrollment, either in the prior or current fiscal year?		X
A5	Salary Increases Exceed COLA	Has the district entered into a bargaining agreement where any of the current or subsequent fiscal years of the agreement would result in salary increases that are expected to exceed the projected state funded cost-of-living adjustment?		X
A6	Uncapped Health Benefits	Does the district provide uncapped (100% employer paid) health benefits for current or retired employees?		X
A7	Independent Financial System	Is the district's financial system independent from the county office system?		X
A8	Fiscal Distress Reports	Does the district have any reports that indicate fiscal distress? If yes, provide copies to the COE, pursuant to EC 42127.6(a).	X	
A9	Change of CBO or Superintendent	Have there been personnel changes in the superintendent or chief business official (CBO) positions within the last 12 months?	X

FIRST INTERIM FINANCIAL REPORT
2023-24**

Comments on Significant Differences between Budget and Projections

Revenues, Expenditures, and Other Financing Sources/Uses

Revenues

- A-1 The Federal Revenue is lower by \$206.2 million primarily due to the projected lower spending in grants such as: Title I, \$113.1 million (to be spent in the summer of FY 2024); Title II, \$17.9 million; Title III, \$8.3 million; Title IV, \$16.2 million; Other NCLB/ESSA (Every Student Succeeds Act), \$3.9 million; Gear Up, \$7.2 million; 21st Century, \$8.9 million; and Special Ed IDEA Entitlements, \$24.9 million.
- A-2 The \$73.1 million projected lower Other State Revenue is mainly due to lower projected spending in grants such as: Career Technical Education Incentive Grant, \$4.6 million; After School Education and Safety, \$41.4 million; and Universal Prekindergarten Grant, \$22.7 million.
- A-3 The projected lower Other Local Revenue of \$36.3 million is primarily due to lower projected interest revenue of \$17.1 million and higher unrealized loss of \$31.1 million for the District's cash deposited in the Los Angeles County Treasury Pool, offset by higher projected revenues of \$11.9 million (e.g. Medi-Cal administrative activities, LEA Billing Option, and election reimbursements).

Expenditures

- B-1 The lower expenditures in Certificated Salaries is primarily due to salary savings from various vacant positions across the District.
- B-2 The decrease in Classified Salaries is primarily due to salary savings from various vacant positions across the District.
- B-3 The lower expenditure projection in Employee Benefits is primarily due to lower projections for salary and wages due to various vacant positions across the District.
- B-4 The decrease in Books and Supplies is mainly due to projected underspending in materials and supplies in COVID-19 related resources and specially funded programs. The net unspent portion of these accounts will carry over into the next fiscal year to pay future obligations.
- B-5 The projected under-spending in Services and Other Operating Expenditures is primarily due to lower projected spending in ELOP (Expanded Learning Opportunities

Program) and specially funded programs, partially offset by higher spending in unrestricted programs and RRMA (Routine Restrictive. Maintenance Account). The net unspent portion of these accounts will carry over into the next fiscal year to pay future obligations.

- B-6 Capital Outlay is projected to be lower due to decreased spending for equipment replacement and buildings and improvements of buildings.
- B-7 Other Outgo is projected to be lower due to lower debt service.
- B-8 Transfers of Indirect Costs are projected to be lower due to lower spending in other funds.

Other Financing Sources/Uses

- D-1 Transfers Out are projected at budget.

Fiscal Year 2023-24**

TAX AND REVENUE ANTICIPATION NOTES (TRANs)

The District does not plan to issue 2023-24 TRANs.

EXPENDITURES

CERTIFICATED AND CLASSIFIED SALARIES

Projections of expenditures are primarily based on analysis using current and historical trends with comparison to the budget as of specific periods of time. This includes validation with program staff for projection of future trends and estimates.

EMPLOYEE BENEFITS

Health and welfare benefit costs are not expected to increase by more than 10 percent compared to the prior year.

Employee statutory benefit rates are as follows:

STRS	19.100%	
PERS	26.680%	Safety PERS Members 53.680%
OASDI	6.200%	
MEDICARE	1.450%	
SUI	0.050%	
Workers' Comp.	2.410%	
PARS	3.750%	

RESTRICTED MAINTENANCE ACCOUNT (RMA) CONTRIBUTIONS

The contribution amount for the current fiscal year is projected to be \$317.6 million to fund the projected expenditures of \$317.6 million.

CERTIFICATES OF PARTICIPATION (COPs)

Certificates of Participation were issued in the current fiscal year with the proceeds recorded in the Special Reserve Fund. Related costs of issuance are projected to be \$2.8 million in General Fund, Object Code 5800. Interfund transfers to Capital Services Fund for COPs debt service payments is projected to be \$25.0 million in General Fund, Object Code 7619.

RESERVE FOR ECONOMIC UNCERTAINTIES

The District is maintaining the reserve of at least two percent (2%) of the District's total expenditures, transfers out and other uses.

PROJECTED CHANGES IN ENDING FUND BALANCES

It is projected that the General Fund will end the fiscal year with a fund balance of \$5,591.0 million including audit adjustments of \$7.6 million and restatements of \$4.2 million, which is \$128.3 million lower than the audited actual ending balance for 2022-23.

**ASSUMPTIONS USED
GENERAL FUND CASH FLOW PROJECTIONS
FIRST INTERIM
FY2023-24**

BALANCES	The balances do not include amounts held in the Payroll Agency Fund.
RECEIPTS	Revenues and other receipts are primarily based on FY2023-24 Actuals as of October 2023 and then projected forward based on scheduled release of apportionments and property taxes, as well as, expected receipts from various categorical programs.
DISBURSEMENTS	Disbursements are projected based on Actuals from July 2023 to October 2023 and then projected forward.
SALARIES & BENEFITS	Totals consist of current year-to-date Actuals as of October 2023 and projected salaries and benefits for the rest of FY2023-24.
SERVICES, SUPPLIES & EQUIPMENT	Projected totals are based on FY2023-24 Actuals as of October 2023 and projected amounts for the rest of the year. This category also includes Capital Outlay.
INTERFUND TRANSFERS IN & OUT	Totals are based primarily on currently available FY2023-24 data. Inter-fund Transfers In and Out include payments of receivables and payables between the General Fund and all other district funds; transfers to the Capital Services Fund for debt repayment; and transfers of contributions to the Self-Insurance Funds, and Child Development Fund.

Description	Object Codes	Projected Year Totals (Form 011) (A)	% Change (Cols. C-A/A) (B)	2024-25 Projection (C)	% Change (Cols. E-C/C) (D)	2025-26 Projection (E)
(Enter projections for subsequent years 1 and 2 in Columns C and E; current year - Column A - is extracted)

3. Components of Ending Fund Balance (Form 011)						
a. Nonspendable	9710-9719	47,981,991.19		47,981,991.00		47,981,991.00
b. Restricted	9740	1,846,118,537.86		1,772,538,883.64		634,140,126.64
c. Committed						
1. Stabilization Arrangements	9750	0.00		0.00		0.00
2. Other Commitments	9760	2,460,359,458.11		902,179,691.00		558,002,104.00
d. Assigned	9780	417,675,017.00		306,084,175.00		306,084,175.00
e. Unassigned/Unappropriated						
1. Reserve for Economic Uncertainties	9789	244,900,000.00		222,170,000.00		220,450,000.00
2. Unassigned/Unappropriated	9790	573,959,713.30		483,561,746.82		63,210,865.82

Description	Object Codes	Projected Year Totals (Form 011) (A)	% Change (Cols. C-A/A) (B)	2024-25 Projection (C)	% Change (Cols. E-C/C) (D)	2025-26 Projection (E)
f. Total Components of Ending Fund Balance (Line D3f must agree with line D2)		5,590,994,717.46		3,734,516,487.46		1,829,869,262.46
E. AVAILABLE RESERVES (Unrestricted except as noted)						
1. General Fund						
a. Stabilization Arrangements	9750	0.00		0.00		0.00
b. Reserve for Economic Uncertainties	9789	244,900,000.00		222,170,000.00		220,450,000.00
c. Unassigned/Unappropriated	9790	576,147,888.52		483,561,746.82		63,210,865.82
d. Negative Restricted Ending Balances (Negative resources 2000-9999)	979Z	(2,188,175.22)		0.00		0.00
2. Special Reserve Fund - Noncapital Outlay (Fund 17)						
a. Stabilization Arrangements	9750	0.00		0.00		0.00
b. Reserve for Economic Uncertainties	9789	0.00		0.00		0.00
c. Unassigned/Unappropriated	9790	0.00		0.00		0.00
3. Total Available Reserves - by Amount (Sum lines E1 thru E2c)		818,859,713.30		705,731,746.82		283,660,865.82
4. Total Available Reserves - by Percent (Line E3 divided by Line F3c)		7.80%		6.36%		2.57%
F. RECOMMENDED RESERVES						
1. Special Education Pass-through Exclusions For districts that serve as the administrative unit (AU) of a special education local plan area (SELPA): a. Do you choose to exclude from the reserve calculation the pass-through funds distributed to SELPA members? b. If you are the SELPA AU and are excluding special education pass-through funds: 1. Enter the name(s) of the SELPA(s):	No					
2. Special education pass-through funds (Column A: Fund 10, resources 3300-3499, 6500-6540 and 6546 objects 7211-7213 and 7221-7223; enter projections for subsequent years 1 and 2 in Columns C and E)		0.00		0.00		0.00
2. District ADA Used to determine the reserve standard percentage level on line F3d (Col. A: Form AI, Estimated P-2 ADA column, Lines A4 and C4; enter projections)		372,409.78		363,545.81		353,699.07
3. Calculating the Reserves						
a. Expenditures and Other Financing Uses (Line B11)		10,494,182,278.02		11,103,173,244.00		11,017,346,316.00
b. Plus: Special Education Pass-through Funds (Line F1b2, if Line F1a is No)		0.00		0.00		0.00
c. Total Expenditures and Other Financing Uses (Line F3a plus line F3b)		10,494,182,278.02		11,103,173,244.00		11,017,346,316.00
d. Reserve Standard Percentage Level (Refer to Form 01CSI, Criterion 10 for calculation details)		2%		2%		2%
e. Reserve Standard - By Percent (Line F3c times F3d)		209,883,645.56		222,063,464.88		220,346,926.32
f. Reserve Standard - By Amount (Refer to Form 01CSI, Criterion 10 for calculation details)		0.00		0.00		0.00
g. Reserve Standard (Greater of Line F3e or F3f)		209,883,645.56		222,063,464.88		220,346,926.32
h. Available Reserves (Line E3) Meet Reserve Standard (Line F3g)		YES		YES		YES

Description	Object Codes	Projected Year Totals (Form 011) (A)	% Change (Cols. C-A/A) (B)	2024-25 Projection (C)	% Change (Cols. E-C/C) (D)	2025-26 Projection (E)

See attached						

First Interim 2023-24

GENERAL FUND
ASSUMPTIONS FOR MULTI-YEAR PROJECTIONS
Fiscal Years 2024-25 and 2025-26

Major Revenue Assumptions

	<u>2024-25</u>	<u>2025-26</u>
1. Projected Norm Enrollment		
Non-charter schools	365,810	355,828
Locally-funded charter schools	36,624	35,666
Total	<u>402,434</u>	<u>391,494</u>
2. Estimated Funded Average Daily Attendance		
Non-charter schools (includes County Program students)*	349,182.86	334,668.13
Locally-funded charter schools	33,127.76	32,263.39
Total	<u>382,310.62</u>	<u>366,931.52</u>
<i>*funded ADA is largely based on the computed average ADA of 3 prior years</i>		
3. Funded COLA (2023-24 Proposed State Budget)		
LCFF	3.94%	3.29%
Special Education (AB602)	3.94%	3.29%
4. Adjusted Base Grant Rates Per ADA (includes COLA and K-3 and 9-12 Grade Span Adjustments)		
Grades TK/K-3	\$11,382	\$11,757
Grades 4-6	\$10,466	\$10,810
Grades 7-8	\$10,775	\$11,129
Grades 9-12	\$12,812	\$13,234
5. Unduplicated student count percentage to enrollment (3-year rolling average) per LCFF calculation		
Non-charter schools (includes County Program students)	86.09%	86.00%
Locally-funded charter schools (total)	46.95%	47.08%
6. LCFF Revenue (in millions)		
Non-charter schools	\$6,099.8	\$6,045.8
Locally-funded charter schools	434.4	\$436.1
Total	<u>\$6,534.2</u>	<u>\$6,481.9</u>
7. Education Protection Act (in millions)		
Non-charter schools	\$1,269.4	\$1,269.4
Locally-funded charter schools	\$75.6	\$75.6
Total	<u>\$1,345.0</u>	<u>\$1,345.0</u>

First Interim 2023-24

**GENERAL FUND
ASSUMPTIONS FOR MULTI-YEAR PROJECTIONS
Fiscal Years 2024-25 and 2025-26**

<u>Major Revenue Assumptions (continued)</u>	<u>2024-25</u>	<u>2025-26</u>
8. California State Lottery – Rates Per ADA		
Unrestricted	\$177.00	\$177.00
Restricted	\$72.00	\$72.00
9. Mandate Block Grant		
Non-charter schools – K-8	\$39.30	\$40.59
Non-charter schools – 9-12	\$75.71	\$78.20
Locally-funded charter schools – K-8	\$20.63	\$21.31
Locally-funded charter schools – 9-12	\$57.34	\$59.23
10. Other Federal Revenues reflect funding for Elementary and Secondary School Emergency Relief (ESSER) III from the American Rescue Plan Act of \$2.4 million and Expanded Learning Opportunities (ELO) Grant of \$7.0 million in FY2024-25 only.		
11. Other State Revenues include funding for Expanded Learning Opportunities Program of \$472.0 million, Home-to-School Reimbursement Funding of \$31.3 million, Proposition 28 (Arts and Music in Schools) of \$76.7 million, and LCFF Equity Multiplier of \$26.9 million in FY2024-25 and FY2025-26.		
12. Transfer from the Community Redevelopment Agency Fund of \$30 million in FY2024-25 and FY2025-26 to fund the Ongoing and Major Maintenance Account.		

Major Expenditure Assumptions for 2024-25

1. **Certificated Salaries** were estimated using the prior year level as the base and adjusted for known changes as shown below:

<u>Certificated Salaries</u>	<u>Amounts (in millions)</u>
School Staff and Resources	\$385.4
Bargaining Agreements	201.7
Step and Column Salary Adjustment	6.9
Federal, State, and Local Grants	1.6
COVID-19	(481.8)
Total 2024-25 Known Changes	\$113.8

First Interim 2023-24

GENERAL FUND
ASSUMPTIONS FOR MULTI-YEAR PROJECTIONS
Fiscal Years 2024-25 and 2025-26

Major Expenditure Assumptions for 2024-25 (continued)

2. **Classified Salaries** were estimated using the prior year level as the base and adjusted for known changes as shown below:

<u>Classified Salaries</u>	Amounts (in millions)
Bargaining Agreements	\$92.7
School Staff and Resources	66.5
Federal, State, and Local Grants	(0.1)
COVID-19	(130.8)
Total 2024-25 Known Changes	\$28.3

3. Apart from Health and Medical costs, **Employee Benefits** are based on salary estimates and appropriate rates for retirement, workers' compensation, and unemployment. Employer contribution rate to CalSTRS is 19.10%, which is the same as the prior year. Employer contribution rate to CalPERS is 27.7%, an increase of 1.02% from prior year. Workers' Compensation rate is 1.74%, a decrease of 0.67% from prior year. Unemployment insurance rate of 0.05%, which is the same as the prior year. Funding for Employee Health and Medical Benefits is at the Per Participant rate pursuant to the 2024-2025 Health Benefits Agreement. OPEB Trust contribution of \$33.4 million for 2024-25.
4. **Other Expenses (4000-6000)** were estimated using the prior year level as the base and adjusted for known changes as shown below:
- Inflation on cost of supplies and materials based on a 3.03% California CPI for 2024-25. Utilities are projected to increase by 1.33%.
 - Increase in distribution of direct-funded charter schools' share of the Special Education AB602 and Federal IDEA of \$0.2 million.
 - Decrease in COVID-19 expenditures of \$88.4 million, mostly in ESSER III, as COVID-19 funds are depleted.
 - Spending of various carryover of \$447.6 million
 - Exclusion of various 2023-24 non-COVID-19 onetime expenditures, mostly spending of Kitchen Infrastructure and Training Funds of \$53.6 million and spending of carryover of \$17.3 million.

First Interim 2023-24

GENERAL FUND
ASSUMPTIONS FOR MULTI-YEAR PROJECTIONS
Fiscal Years 2024-25 and 2025-26

Major Expenditure Assumptions for 2024-25 (continued)

5. **Ongoing and Major Maintenance Account** set-aside is 3% of total General Fund Expenditures and Other Financing Uses, excluding CalSTRS State on Behalf and COVID-19 expenditures in ESSER III.
6. **Reserve for Economic Uncertainties** at \$222.2 million is 2% of total General Fund Expenditures and Other Financing Uses.
7. **Indirect Cost Rate** is at 5.95%.
8. **Undesignated Balance** of \$483.6 million is a result of using projected ending balances from 2023-24.

Major Expenditure Assumptions for 2025-26

1. **Certificated Salaries** were estimated using the prior year level as the base and adjusted for known changes as shown below:

<u>Certificated Salaries</u>	Amounts (in millions)
Bargaining Agreements	\$8.4
Step and Column Salary Adjustment	6.9
Federal, State, and Local Grants	(1.4)
COVID-19	(2.0)
School Staff and Resources	(42.9)
Total 2025-26 Known Changes	<u>\$(31.0)</u>

2. **Classified Salaries** were estimated using the prior year level as the base and adjusted for known changes as shown below:

<u>Classified Salaries</u>	Amounts (in millions)
Bargaining Agreements	\$1.8
Federal, State, and Local Grants	(0.4)
School Staff and Resources	(68.0)
Total 2025-26 Known Changes	<u>\$(66.6)</u>

First Interim 2023-24

**GENERAL FUND
ASSUMPTIONS FOR MULTI-YEAR PROJECTIONS
Fiscal Years 2024-25 and 2025-26**

Major Expenditure Assumptions for 2025-26 (continued)

3. Apart from Health and Medical costs, **Employee Benefits** are based on salary estimates and appropriate rates for retirement, workers' compensation, and unemployment. Employer contribution rate to CalSTRS is 19.10%, which is the same as the prior year. Employer contribution rate to CalPERS is 28.30%, an increase of 0.60% from the prior year. Workers' Compensation rate of 1.76%, which is an increase of 0.02% from prior year. Unemployment Insurance rate of 0.05%, which is the same as the prior year. Funding for Employee Health and Medical Benefits is at the Per Participant rate pursuant to the 2024-2025 Health Benefits Agreement. OPEB Trust contribution of \$33.4 million for 2025-26.
4. **Other Expenses (4000-6000)** were estimated using the prior year level as the base and adjusted for known changes as shown below:
 - a. Inflation on cost of supplies and materials based on a 2.64% California CPI for 2025-26. Utilities are projected to increase by 3.00%.
 - b. Includes additional distribution of direct-funded charter schools' share of the Special Education AB602 and Federal IDEA of \$2.1 million.
 - c. Expenditures of \$62.9 million related to capital plan projects.
 - d. Exclusion of various 2024-25 onetime expenditures, mostly from spending of carryover of \$147.6 million and cybersecurity of \$40 million.
5. **Ongoing and Major Maintenance Account** set-aside is 3% of total General Fund Expenditures and Other Financing Uses, excluding CalSTRS State on Behalf.
6. **Reserve for Economic Uncertainties** at \$220.5 million is 2% of total General Fund Expenditures and Other Financing Uses.
7. **Indirect Cost Rate** is at 5.23%.
8. **Undesignated Balance** of \$63.2 million is a result of using projected ending balances from 2024-25.

Provide methodology and assumptions used to estimate ADA, enrollment, revenues, expenditures, reserves and fund balance, and multiyear commitments (including cost-of-living adjustments).

Deviations from the standards must be explained and may affect the interim certification.

CRITERIA AND STANDARDS

1. CRITERION: Average Daily Attendance

STANDARD: Funded average daily attendance (ADA) for any of the current fiscal year or two subsequent fiscal years has not changed by more than two percent since budget adoption.

District's ADA Standard Percentage Range: -2.0% to +2.0%

1A. Calculating the District's ADA Variances

DATA ENTRY: Budget Adoption data that exist for the current year will be extracted; otherwise, enter data into the first column for all fiscal years. First Interim Projected Year Totals data that exist for the current year will be extracted; otherwise, enter data for all fiscal years. Enter district regular ADA and charter school ADA corresponding to financial data reported in the General Fund, only, for all fiscal years.

Estimated Funded ADA

Fiscal Year		Budget Adoption	First Interim	Percent Change	Status
		Budget (Form 01CS, Item 1A)	Projected Year Totals (Form AI, Lines A4 and C4)		
Current Year (2023-24)	District Regular	375,536.86	375,561.54		
	Charter School	34,020.45	34,658.02		
	Total ADA	409,557.31	410,219.56	.2%	Met
1st Subsequent Year (2024-25)	District Regular	349,868.68	348,815.98		
	Charter School	33,127.76	33,127.76		
	Total ADA	382,996.44	381,943.74	(.3%)	Met
2nd Subsequent Year (2025-26)	District Regular	335,354.20	334,301.25		
	Charter School	32,263.39	32,263.39		
	Total ADA	367,617.59	366,564.64	(.3%)	Met

1B. Comparison of District ADA to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD MET - Funded ADA has not changed since budget adoption by more than two percent in any of the current year or two subsequent fiscal years.

Explanation:
(required if NOT met)

2. CRITERION: Enrollment

STANDARD: Projected enrollment for any of the current fiscal year or two subsequent fiscal years has not changed by more than two percent since budget adoption

District's Enrollment Standard Percentage Range: -2.0% to +2.0%

2A. Calculating the District's Enrollment Variances

DATA ENTRY: Budget Adoption data that exist will be extracted; otherwise, enter data into the first column for all fiscal years. Enter data in the second column for all fiscal years. Enter district regular enrollment and charter school enrollment corresponding to financial data reported in the General Fund, only, for all fiscal years.

Enrollment				
Fiscal Year	Budget Adoption		First Interim	Status
	(Form 01CS, Item 3B)		CBEDS/Projected	
Current Year (2023-24)				
District Regular	378,027.00	375,836.00		
Charter School	37,613.00	38,322.00		
Total Enrollment	415,640.00	414,158.00	(.4%)	Met
1st Subsequent Year (2024-25)				
District Regular	367,573.00	367,573.00		
Charter School	36,624.00	36,624.00		
Total Enrollment	404,197.00	404,197.00	0.0%	Met
2nd Subsequent Year (2025-26)				
District Regular	357,535.00	357,535.00		
Charter School	35,666.00	35,666.00		
Total Enrollment	393,201.00	393,201.00	0.0%	Met

2B. Comparison of District Enrollment to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD MET - Enrollment projections have not changed since budget adoption by more than two percent for the current year and two subsequent fiscal years.

Explanation:
(required if NOT met)

Enrollment for 2023-24 through 2025-26 is actual/projected norm day enrollment plus actual/projected nonpublic schools' enrollment.

3. CRITERION: ADA to Enrollment

STANDARD: Projected second period (P-2) average daily attendance (ADA) to enrollment ratio for any of the current fiscal year or two subsequent fiscal years has not increased from the historical average ratio from the three prior fiscal years by more than one half of one percent (0.5%).

3A. Calculating the District's ADA to Enrollment Standard

DATA ENTRY: Unaudited Actuals data that exist will be extracted into the P-2 ADA column for the First Prior Year; otherwise, enter First Prior Year data. P-2 ADA for the second and third prior years are preloaded. Budget Adoption data that exist will be extracted into the Enrollment column; otherwise, enter Enrollment data for all fiscal years. Data should reflect district regular and charter school ADA/enrollment corresponding to financial data reported in the General Fund, only, for all fiscal years.

Fiscal Year	P-2 ADA Unaudited Actuals (Form A, Lines A4 and C4)	Enrollment CBEDS Actual (Form 01CS, Item 2A)	Historical Ratio of ADA to Enrollment
Third Prior Year (2020-21)			
District Regular	414,036	414,862	
Charter School	40,979	41,190	
Total ADA/Enrollment	455,015	456,052	99.8%
Second Prior Year (2021-22)			
District Regular	343,359	393,168	
Charter School	35,242	38,370	
Total ADA/Enrollment	378,601	431,538	87.7%
First Prior Year (2022-23)			
District Regular	347,653	385,698	
Charter School	35,523	38,395	
Total ADA/Enrollment	383,176	424,093	90.4%
Historical Average Ratio:			92.6%
District's ADA to Enrollment Standard (historical average ratio plus 0.5%):			93.1%

3B. Calculating the District's Projected Ratio of ADA to Enrollment

DATA ENTRY: Estimated P-2 ADA will be extracted into the first column for the Current Year; enter data in the first column for the subsequent fiscal years. Data should reflect district regular and charter school ADA/enrollment corresponding to financial data reported in the General Fund, only, for all fiscal years. All other data are extracted.

Fiscal Year	Estimated P-2 ADA (Form AI, Lines A4 and C4)	Enrollment CBEDS/Projected (Criterion 2, Item 2A)	Ratio of ADA to Enrollment	Status
Current Year (2023-24)				
District Regular	337,752	375,836		
Charter School	34,658	38,322		
Total ADA/Enrollment	372,410	414,158	89.9%	Met
1st Subsequent Year (2024-25)				
District Regular	330,418	367,573		
Charter School	33,128	36,624		
Total ADA/Enrollment	363,546	404,197	89.9%	Met
2nd Subsequent Year (2025-26)				
District Regular	321,436	357,535		
Charter School	32,263	35,666		
Total ADA/Enrollment	353,699	393,201	90.0%	Met

3C. Comparison of District ADA to Enrollment Ratio to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD MET - Projected P-2 ADA to enrollment ratio has not exceeded the standard for the current year and two subsequent fiscal years.

Explanation:
(required if NOT met)

4. CRITERION: LCFF Revenue

STANDARD: Projected LCFF revenue for any of the current fiscal year or two subsequent fiscal years has not changed by more than two percent since budget adoption.

District's LCFF Revenue Standard Percentage Range: -2.0% to +2.0%

4A. Calculating the District's Projected Change in LCFF Revenue

DATA ENTRY: Budget Adoption data that exist will be extracted; otherwise, enter data into the first column. In the First Interim column, Current Year data are extracted; enter data for the two subsequent years.

LCFF Revenue				
(Fund 01, Objects 8011, 8012, 8020-8089)				
Fiscal Year	Budget Adoption	First Interim	Percent Change	Status
	(Form 01CS, Item 4B)	Projected Year Totals		
Current Year (2023-24)	7,110,826,119.00	7,101,403,433.00	(.1%)	Met
1st Subsequent Year (2024-25)	6,969,463,268.00	6,948,613,847.00	(.3%)	Met
2nd Subsequent Year (2025-26)	6,929,600,263.00	6,908,047,813.00	(.3%)	Met

4B. Comparison of District LCFF Revenue to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD MET - LCFF revenue has not changed since budget adoption by more than two percent for the current year and two subsequent fiscal years.

Explanation:
(required if NOT met)

5. CRITERION: Salaries and Benefits

STANDARD: Projected ratio of total unrestricted salaries and benefits to total unrestricted general fund expenditures for any of the current fiscal year or two subsequent fiscal years has not changed from the historical average ratio from the three prior fiscal years by more than the greater of three percent or the district's required reserves percentage.

5A. Calculating the District's Historical Average Ratio of Unrestricted Salaries and Benefits to Total Unrestricted General Fund Expenditures

DATA ENTRY: Unaudited Actuals data that exist for the First Prior Year will be extracted; otherwise, enter data for the First Prior Year. Unaudited Actuals data for the second and third prior years are preloaded.

Fiscal Year	Unaudited Actuals - Unrestricted (Resources 0000-1999)		Ratio of Unrestricted Salaries and Benefits to Total Unrestricted Expenditures
	Salaries and Benefits (Form 01, Objects 1000- 3999)	Total Expenditures (Form 01, Objects 1000- 7499)	
Third Prior Year (2020-21)	3,905,284,827.36	4,468,268,264.93	87.4%
Second Prior Year (2021-22)	3,854,664,113.02	4,873,882,020.55	79.1%
First Prior Year (2022-23)	4,013,325,243.11	4,757,760,685.96	84.4%
	Historical Average Ratio:		83.6%

	Current Year (2023-24)	1st Subsequent Year (2024-25)	2nd Subsequent Year (2025-26)
District's Reserve Standard Percentage (Criterion 10B, Line 4)	2%	2%	2%
District's Salaries and Benefits Standard (historical average ratio, plus/minus the greater of 3% or the district's reserve standard percentage):	80.6% to 86.6%	80.6% to 86.6%	80.6% to 86.6%

5B. Calculating the District's Projected Ratio of Unrestricted Salaries and Benefits to Total Unrestricted General Fund Expenditures

DATA ENTRY: If Form MYPI exists, Projected Year Totals data for the two subsequent years will be extracted; if not, enter Projected Year Totals data. Projected Year Totals data for Current Year are extracted.

Fiscal Year	Projected Year Totals - Unrestricted (Resources 0000-1999)		Ratio of Unrestricted Salaries and Benefits to Total Unrestricted Expenditures	Status
	Salaries and Benefits (Form 011, Objects 1000- 3999)	Total Expenditures (Form 011, Objects 1000- 7499)		
	(Form MYPI, Lines B1-B3)	(Form MYPI, Lines B1-B8, B10)		
Current Year (2023-24)	4,711,789,830.00	5,875,632,168.06	80.2%	Not Met
1st Subsequent Year (2024-25)	5,601,091,732.00	7,193,487,504.00	77.9%	Not Met
2nd Subsequent Year (2025-26)	4,598,990,976.00	6,050,913,260.00	76.0%	Not Met

5C. Comparison of District Salaries and Benefits Ratio to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD NOT MET - Projected ratio of unrestricted salary and benefit costs to total unrestricted expenditures has changed by more than the standard in any of the current year or two subsequent fiscal years. Provide reasons why the change(s) exceed the standard and a description of the methods and assumptions used in projecting salaries and benefits.

Explanation:
(required if NOT met)

The ratio for FY24 is slightly lower than the historical average due to transfers of salary increases, assistant principal salaries and nurse salaries to COVID resources. 2024-25 and 2025-26 includes projected spending of carry over that are temporarily placed in objects 4000-4999 until proper objects of expenditures are determined.

6. CRITERION: Other Revenues and Expenditures

STANDARD: Projected operating revenues (including federal, other state and other local) or expenditures (including books and supplies, and services and other operating), for any of the current fiscal year or two subsequent fiscal years, have not changed by more than five percent since budget adoption. Changes that exceed five percent in any major object category must be explained.

District's Other Revenues and Expenditures Standard Percentage Range:	-5.0% to +5.0%
District's Other Revenues and Expenditures Explanation Percentage Range:	-5.0% to +5.0%

6A. Calculating the District's Change by Major Object Category and Comparison to the Explanation Percentage Range

DATA ENTRY: Budget Adoption data that exist will be extracted; otherwise, enter data into the first column. First Interim data for the Current Year are extracted. If First Interim Form MYPI exists, data for the two subsequent years will be extracted; if not, enter data for the two subsequent years into the second column. Explanations must be entered for each category if the percent change for any year exceeds the district's explanation percentage range.

Object Range / Fiscal Year	Budget Adoption Budget (Form 01CS, Item 6B)	First Interim Projected Year Totals (Fund 01) (Form MYPI)	Percent Change	Change Is Outside Explanation Range
----------------------------	---	---	----------------	--

Federal Revenue (Fund 01, Objects 8100-8299) (Form MYPI, Line A2)

Current Year (2023-24)	1,840,519,025.00	1,576,675,380.00	-14.3%	Yes
1st Subsequent Year (2024-25)	864,467,962.00	692,398,432.00	-19.9%	Yes
2nd Subsequent Year (2025-26)	799,270,130.00	657,249,732.00	-17.8%	Yes

Explanation:

(required if Yes)

The variance between Budget Adoption and First Interim for fiscal years 2023-24 through 2025-26 is consistently due to adjustments on multi-year grants which are budgeted in their entirety but earned only to the extent of estimated expenditures. In addition, the variance in 2023-24 and 2024-25 is also due to the change in the multi-year spending of ESSER III.

Other State Revenue (Fund 01, Objects 8300-8599) (Form MYPI, Line A3)

Current Year (2023-24)	1,678,012,331.00	1,681,722,792.96	.2%	No
1st Subsequent Year (2024-25)	1,643,861,470.00	1,638,479,166.00	-.3%	No
2nd Subsequent Year (2025-26)	1,638,760,437.00	1,636,935,864.00	-.1%	No

Explanation:

(required if Yes)

Other Local Revenue (Fund 01, Objects 8600-8799) (Form MYPI, Line A4)

Current Year (2023-24)	274,202,892.00	339,151,396.02	23.7%	Yes
1st Subsequent Year (2024-25)	262,494,515.00	323,310,475.00	23.2%	Yes
2nd Subsequent Year (2025-26)	250,607,376.00	278,305,621.00	11.1%	Yes

Explanation:

(required if Yes)

The change since Budget Adoption for 2023-24 through 2025-26 is mostly due to the increase in interest income due to higher projected interest rate and average cash balance at First Interim.

Books and Supplies (Fund 01, Objects 4000-4999) (Form MYPI, Line B4)

Current Year (2023-24)	1,893,114,946.36	871,591,757.96	-54.0%	Yes
1st Subsequent Year (2024-25)	938,731,606.00	1,228,745,243.00	30.9%	Yes
2nd Subsequent Year (2025-26)	948,029,570.00	1,024,395,819.00	8.1%	Yes

Explanation:

(required if Yes)

2023-24 projections are lower mainly due to lower projected COVID-19 and ELOP related expenditures in the 4000 objects. The increase in 2024-25 and 2025-26 are mostly the result of projected spending of carryover that are temporarily placed in objects 4000-4999 until proper objects of expenditures are determined.

Services and Other Operating Expenditures (Fund 01, Objects 5000-5999) (Form MYPI, Line B5)

Current Year (2023-24)	1,718,465,104.08	1,322,519,376.00	-23.0%	Yes
1st Subsequent Year (2024-25)	1,426,070,064.00	1,286,264,853.00	-9.8%	Yes
2nd Subsequent Year (2025-26)	1,503,063,620.00	1,389,966,960.00	-7.5%	Yes

Explanation:

(required if Yes)

2023-24 projections are lower mainly due to lower projected ELOP related expenditures in the 5000 objects. The decrease in 2024-25 and 2025-26 are mostly the result of projected spending of ELOP based on 2023-24 trend. The adopted budget temporarily placed ELOP spending in objects 5000-5999 but 2023-24 spending are mostly in salaries and benefits.

6B. Calculating the District's Change in Total Operating Revenues and Expenditures

DATA ENTRY: All data are extracted or calculated.

Object Range / Fiscal Year	Budget Adoption Budget	First Interim Projected Year Totals	Percent Change	Status
Total Federal, Other State, and Other Local Revenue (Section 6A)				
Current Year (2023-24)	3,792,734,248.00	3,597,549,568.98	-5.1%	Not Met
1st Subsequent Year (2024-25)	2,770,823,947.00	2,654,188,073.00	-4.2%	Met
2nd Subsequent Year (2025-26)	2,688,637,943.00	2,572,491,217.00	-4.3%	Met
Total Books and Supplies, and Services and Other Operating Expenditures (Section 6A)				
Current Year (2023-24)	3,611,580,050.44	2,194,111,133.96	-39.2%	Not Met
1st Subsequent Year (2024-25)	2,364,801,670.00	2,515,010,096.00	6.4%	Not Met
2nd Subsequent Year (2025-26)	2,451,093,190.00	2,414,362,779.00	-1.5%	Met

6C. Comparison of District Total Operating Revenues and Expenditures to the Standard Percentage Range

DATA ENTRY: Explanations are linked from Section 6A if the status in Section 6B is Not Met; no entry is allowed below.

- 1a. STANDARD NOT MET - One or more projected operating revenue have changed since budget adoption by more than the standard in one or more of the current year or two subsequent fiscal years. Reasons for the projected change, descriptions of the methods and assumptions used in the projections, and what changes, if any, will be made to bring the projected operating revenues within the standard must be entered in Section 6A above and will also display in the explanation box below.

Explanation:

Federal Revenue
(linked from 6A
if NOT met)

The variance between Budget Adoption and First Interim for fiscal years 2023-24 through 2025-26 is consistently due to adjustments on multi-year grants which are budgeted in their entirety but earned only to the extent of estimated expenditures. In addition, the variance in 2023-24 and 2024-25 is also due to the change in the multi-year spending of ESSER III.

Explanation:

Other State Revenue
(linked from 6A
if NOT met)

Explanation:

Other Local Revenue
(linked from 6A
if NOT met)

The change since Budget Adoption for 2023-24 through 2025-26 is mostly due to the increase in interest income due to higher projected interest rate and average cash balance at First Interim.

- 1b. STANDARD NOT MET - One or more total operating expenditures have changed since budget adoption by more than the standard in one or more of the current year or two subsequent fiscal years. Reasons for the projected change, descriptions of the methods and assumptions used in the projections, and what changes, if any, will be made to bring the projected operating revenues within the standard must be entered in Section 6A above and will also display in the explanation box below.

Explanation:

Books and Supplies
(linked from 6A
if NOT met)

2023-24 projections are lower mainly due to lower projected COVID-19 and ELOP related expenditures in the 4000 objects. The increase in 2024-25 and 2025-26 are mostly the result of projected spending of carryover that are temporarily placed in objects 4000-4999 until proper objects of expenditures are determined.

Explanation:

Services and Other Exps
(linked from 6A
if NOT met)

2023-24 projections are lower mainly due to lower projected ELOP related expenditures in the 5000 objects. The decrease in 2024-25 and 2025-26 are mostly the result of projected spending of ELOP based on 2023-24 trend. The adopted budget temporarily placed ELOP spending in objects 5000-5999 but 2023-24 spending are mostly in salaries and benefits.

7. CRITERION: Facilities Maintenance

STANDARD: Identify changes that have occurred since budget adoption in the projected contributions for facilities maintenance funding as required pursuant to Education Code Section 17070.75, or in how the district is providing adequately to preserve the functionality of its facilities for their normal life in accordance with Education Code sections 52060(d)(1) and 17002(d)(1).

Determining the District's Compliance with the Contribution Requirement for EC Section 17070.75 - Ongoing and Major Maintenance/Restricted Maintenance Account (OMMA/RMA)

NOTE: EC Section 17070.75 requires the district to deposit into the account a minimum amount equal to or greater than three percent of the total general fund expenditures and other financing uses for that fiscal year. Statute exclude the following resource codes from the total general fund expenditures calculation: 3212, 3213, 3214, 3216, 3218, 3219, 3225, 3226, 3227, 3228, 5316, 5632, 5633, 5634, 7027, and 7690.

DATA ENTRY: Enter the Required Minimum Contribution if Budget data does not exist. Budget data that exist will be extracted; otherwise, enter budget data into lines 1, if applicable, and 2. All other data are extracted.

		First Interim Contribution	
		Projected Year Totals	
		(Fund 01, Resource 8150,	
		Objects 8900-8999)	Status
Required Minimum	Contribution		
1.	OMMA/RMA Contribution	310,450,333.45	Met
2.	Budget Adoption Contribution (information only) (Form 01CS, Criterion 7)	310,551,000.00	

If status is not met, enter an X in the box that best describes why the minimum required contribution was not made:

☐	Not applicable (district does not participate in the Leroy F. Greene School Facilities Act of 1998)
☐	Exempt (due to district's small size [EC Section 17070.75 (b)(2)(E)])
☐	Other (explanation must be provided)

Explanation:

(required if NOT met
and Other is marked)

--

8. CRITERION: Deficit Spending

STANDARD: Unrestricted deficit spending (total unrestricted expenditures and other financing uses is greater than total unrestricted revenues and other financing sources) as a percentage of total unrestricted expenditures and other financing uses, has not exceeded one-third of the district's available reserves¹ as a percentage of total expenditures and other financing uses² in any of the current fiscal year or two subsequent fiscal years.

¹Available reserves are the unrestricted amounts in the Stabilization Arrangements, Reserve for Economic Uncertainties, and Unassigned/Unappropriated accounts in the General Fund and the Special Reserve Fund for Other Than Capital Outlay Projects. Available reserves will be reduced by any negative ending balances in restricted resources in the General Fund.

²A school district that is the Administrative Unit of a Special Education Local Plan Area (SELPA) may exclude from its expenditures the distribution of funds to its participating members.

8A. Calculating the District's Deficit Spending Standard Percentage Levels

DATA ENTRY: All data are extracted or calculated.

	Current Year (2023-24)	1st Subsequent Year (2024-25)	2nd Subsequent Year (2025-26)
District's Available Reserve Percentages (Criterion 10C, Line 9)	7.8%	6.4%	2.6%
District's Deficit Spending Standard Percentage Levels (one-third of available reserve percentage):	2.6%	2.1%	.9%

8B. Calculating the District's Deficit Spending Percentages

DATA ENTRY: Current Year data are extracted. If Form MYPI exists, data for the two subsequent years will be extracted; if not, enter data for the two subsequent years into the first and second columns.

Fiscal Year	Projected Year Totals			
	Net Change in	Total Unrestricted	Deficit Spending Level (If Net Change in Unrestricted Fund Balance is negative, else N/A)	Status
	Unrestricted Fund Balance	Expenditures		
	(Form 011, Section E)	and Other Financing Uses (Form 011, Objects 1000- 7999)		
	(Form MYPI, Line C)	(Form MYPI, Line B11)		
Current Year (2023-24)	(131,038,999.75)	5,900,657,896.06	2.2%	Met
1st Subsequent Year (2024-25)	(1,785,086,751.00)	7,243,667,668.00	24.6%	Not Met
2nd Subsequent Year (2025-26)	(766,248,468.00)	6,101,083,439.00	12.6%	Not Met

8C. Comparison of District Deficit Spending to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD NOT MET - Unrestricted deficit spending has exceeded the standard percentage level in any of the current year or two subsequent fiscal years. Provide reasons for the deficit spending, a description of the methods and assumptions used in balancing the unrestricted budget, and what changes will be made to ensure that the budget deficits are eliminated or are balanced within the standard.

Explanation:
(required if NOT met)

The deficit spending in 2024-25 and 2025-26 are a combination of decreasing revenues due to lower enrollment and higher expenditures mostly as a result of bargaining agreements. The multi-year budget remains balanced with the use of ending balances.

9. CRITERION: Fund and Cash Balances

A. FUND BALANCE STANDARD: Projected general fund balance will be positive at the end of the current fiscal year and two subsequent fiscal years.

9A-1. Determining if the District's General Fund Ending Balance is Positive

DATA ENTRY: Current Year data are extracted. If Form MYPI exists, data for the two subsequent years will be extracted; if not, enter data for the two subsequent years.

Fiscal Year	Ending Fund Balance	
	General Fund	
	Projected Year Totals	
	(Form 011, Line F2) (Form MYPI, Line D2)	Status
Current Year (2023-24)	5,590,994,717.46	Met
1st Subsequent Year (2024-25)	3,734,516,487.46	Met
2nd Subsequent Year (2025-26)	1,829,869,262.46	Met

9A-2. Comparison of the District's Ending Fund Balance to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD MET - Projected general fund ending balance is positive for the current fiscal year and two subsequent fiscal years.

Explanation:
(required if NOT met)

B. CASH BALANCE STANDARD: Projected general fund cash balance will be positive at the end of the current fiscal year.

9B-1. Determining if the District's Ending Cash Balance is Positive

DATA ENTRY: If Form CASH exists, data will be extracted; if not, data must be entered below.

Fiscal Year	Ending Cash Balance	
	General Fund	
	(Form CASH, Line F, June Column)	
		Status
Current Year (2023-24)	5,725,940,615.16	Met

9B-2. Comparison of the District's Ending Cash Balance to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD MET - Projected general fund cash balance will be positive at the end of the current fiscal year.

Explanation:
(required if NOT met)

10. CRITERION: Reserves

STANDARD: Available reserves¹ for any of the current fiscal year or two subsequent fiscal years are not less than the following percentages or amounts² as applied to total expenditures and other financing uses³:

DATA ENTRY: Current Year data are extracted. If Form MYPI exists, 1st and 2nd Subsequent Year data will be extracted. If not, enter district regular ADA and charter school ADA corresponding to financial data reported in the General Fund, only, for the two subsequent years.

Percentage Level	District ADA
5% or \$80,000 (greater of)	0 to 300
4% or \$80,000 (greater of)	301 to 1,000
3%	1,001 to 30,000
2%	30,001 to 400,000
1%	400,001 and over

¹ Available reserves are the unrestricted amounts in the Stabilization Arrangements, Reserve for Economic Uncertainties, and Unassigned/Unappropriated accounts in the General Fund and Special Reserve Fund for Other Than Capital Outlay Projects. Available reserves will be reduced by any negative ending balances in restricted resources in the General Fund.

² Dollar amounts to be adjusted annually by the prior year statutory cost-of-living adjustment (Education Code Section 42238), rounded to the nearest thousand.

³ A school district that is the Administrative Unit (AU) of a Special Education Local Plan Area (SELPA) may exclude from its expenditures the distribution of funds to its participating members.

	Current Year (2023-24)	1st Subsequent Year (2024-25)	2nd Subsequent Year (2025-26)
District Estimated P-2 ADA (Current Year, Form AI, Lines A4 and C4. Subsequent Years, Form MYPI, Line F2, if available.)	372,409.78	363,545.81	353,699.07
District's Reserve Standard Percentage Level:	2%	2%	2%

10A. Calculating the District's Special Education Pass-through Exclusions (only for districts that serve as the AU of a SELPA)

DATA ENTRY: For SELPA AUs, if Form MYPI exists, all data will be extracted including the Yes/No button selection. If not, click the appropriate Yes or No button for item 1 and, if Yes, enter data for item 2a and for the two subsequent years in item 2b; Current Year data are extracted.

For districts that serve as the AU of a SELPA (Form MYPI, Lines F1a, F1b1, and F1b2):

1. Do you choose to exclude from the reserve calculation the pass-through funds distributed to SELPA members?

No

2. If you are the SELPA AU and are excluding special education pass-through funds:

a. Enter the name(s) of the SELPA(s):

b. Special Education Pass-through Funds

(Fund 10, resources 3300-3499, 6500-6540 and 6546,
objects 7211-7213 and 7221-7223)

Current Year Projected Year Totals (2023-24)	1st Subsequent Year (2024-25)	2nd Subsequent Year (2025-26)
0.00	0.00	0.00

10B. Calculating the District's Reserve Standard

DATA ENTRY: If Form MYPI exists, all data will be extracted or calculated. If not, enter data for line 1 for the two subsequent years; Current Year data are extracted.

	Current Year Projected Year Totals (2023-24)	1st Subsequent Year (2024-25)	2nd Subsequent Year (2025-26)
1. Expenditures and Other Financing Uses (Form 011, objects 1000-7999) (Form MYPI, Line B11)	10,494,182,278.02	11,103,173,244.00	11,017,346,316.00
2. Plus: Special Education Pass-through (Criterion 10A, Line 2b, if Criterion 10A, Line 1 is No)	0.00	0.00	0.00
3. Total Expenditures and Other Financing Uses (Line B1 plus Line B2)	10,494,182,278.02	11,103,173,244.00	11,017,346,316.00

- 4. Reserve Standard Percentage Level
- 5. Reserve Standard - by Percent
(Line B3 times Line B4)
- 6. Reserve Standard - by Amount
(\$80,000 for districts with 0 to 1,000 ADA, else 0)
- 7. **District's Reserve Standard**
(Greater of Line B5 or Line B6)

2%	2%	2%
209,883,645.56	222,063,464.88	220,346,926.32
0.00	0.00	0.00
209,883,645.56	222,063,464.88	220,346,926.32

10C. Calculating the District's Available Reserve Amount

DATA ENTRY: All data are extracted from fund data and Form MYPI. If Form MYPI does not exist, enter data for the two subsequent years.

		Current Year

Status:		Met	Met	Met

10D. Comparison of District Reserve Amount to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD MET - Available reserves have met the standard for the current year and two subsequent fiscal years.

Explanation:
(required if NOT met)

The positive reserves are a result of using ending balances to balance the multi-year budget.

SUPPLEMENTAL INFORMATION

DATA ENTRY: Click the appropriate Yes or No button for items S1 through S4. Enter an explanation for each Yes answer.

S1. Contingent Liabilities

- 1a. Does your district have any known or contingent liabilities (e.g., financial or program audits, litigation, state compliance reviews) that have occurred since budget adoption that may impact the budget?

No

- 1b. If Yes, identify the liabilities and how they may impact the budget:

S2. Use of One-time Revenues for Ongoing Expenditures

- 1a. Does your district have ongoing general fund expenditures funded with one-time revenues that have changed since budget adoption by more than five percent?

Yes

- 1b. If Yes, identify the expenditures and explain how the one-time resources will be replaced to continue funding the ongoing expenditures in the following fiscal years:

Salary increases funded with onetime resources in 2025-26 will be covered by the unrestricted and restricted General Fund in the following fiscal years.

S3. Temporary Interfund Borrowings

- 1a. Does your district have projected temporary borrowings between funds?
(Refer to Education Code Section 42603)

No

- 1b. If Yes, identify the interfund borrowings:

S4. Contingent Revenues

- 1a. Does your district have projected revenues for the current fiscal year or either of the two subsequent fiscal years contingent on reauthorization by the local government, special legislation, or other definitive act (e.g., parcel taxes, forest reserves)?

No

- 1b. If Yes, identify any of these revenues that are dedicated for ongoing expenses and explain how the revenues will be replaced or expenditures reduced:

S5. Contributions

Identify projected contributions from unrestricted resources in the general fund to restricted resources in the general fund for the current fiscal year and two subsequent fiscal years. Provide an explanation if contributions have changed by more than \$20,000 and more than five percent since budget adoption.

Identify projected transfers to or from the general fund to cover operating deficits in either the general fund or any other fund for the current fiscal year and two subsequent fiscal years. Provide an explanation if transfers have changed by more than \$20,000 and more than five percent since budget adoption.

Identify capital project cost overruns that have occurred since budget adoption that may impact the general fund budget.

District's Contributions and Transfers Standard:

-5.0% to +5.0% or -\$20,000
to +\$20,000

S5A. Identification of the District's Projected Contributions, Transfers, and Capital Projects that may Impact the General Fund

DATA ENTRY: Budget Adoption data that exist will be extracted; otherwise, enter data into the first column. For Contributions, the First Interim's Current Year data will be extracted. Enter First Interim Contributions for the 1st and 2nd Subsequent Years. For Transfers In and Transfers Out, the First Interim's Current Year data will be extracted. If Form MYPI exists, the data will be extracted into the First Interim column for the 1st and 2nd Subsequent Years. If Form MYPI does not exist, enter data for 1st and 2nd Subsequent Years. Click on the appropriate button for Item 1d; all other data will be calculated.

Description / Fiscal Year	Budget Adoption (Form 01CS, Item S5A)	First Interim Projected Year Totals	Percent Change	Amount of Change	Status
1a. Contributions, Unrestricted General Fund (Fund 01, Resources 0000-1999, Object 8980)					
Current Year (2023-24)	(1,425,854,525.00)	(1,393,075,131.79)	-2.3%	(32,779,393.21)	Met
1st Subsequent Year (2024-25)	(1,416,771,178.00)	(1,523,267,182.00)	7.5%	106,496,004.00	Not Met
2nd Subsequent Year (2025-26)	(1,422,056,639.00)	(1,548,026,252.00)	8.9%	125,969,613.00	Not Met
1b. Transfers In, General Fund *					
Current Year (2023-24)	30,000,000.00	32,864,613.00	9.5%	2,864,613.00	Not Met
1st Subsequent Year (2024-25)	30,000,000.00	30,000,000.00	0.0%	0.00	Met
2nd Subsequent Year (2025-26)	30,000,000.00	30,000,000.00	0.0%	0.00	Met
1c. Transfers Out, General Fund *					
Current Year (2023-24)	27,191,617.00	25,025,728.00	-8.0%	(2,165,889.00)	Not Met
1st Subsequent Year (2024-25)	78,138,324.00	50,180,164.00	-35.8%	(27,958,160.00)	Not Met
2nd Subsequent Year (2025-26)	176,229,324.00	50,170,179.00	-71.5%	(126,059,145.00)	Not Met

1d. Capital Project Cost Overruns

Have capital project cost overruns occurred since budget adoption that may impact the general fund operational budget?

No

* Include transfers used to cover operating deficits in either the general fund or any other fund.

S5B. Status of the District's Projected Contributions, Transfers, and Capital Projects

DATA ENTRY: Enter an explanation if Not Met for items 1a-1c or if Yes for Item 1d.

- 1a. NOT MET - The projected contributions from the unrestricted general fund to restricted general fund programs have changed since budget adoption by more than the standard for any of the current year or subsequent two fiscal years. Identify restricted programs and contribution amount for each program and whether contributions are ongoing or one-time in nature. Explain the district's plan, with timeframes, for reducing or eliminating the contribution.

Explanation:

(required if NOT met)

The contribution increases in 2024-25 and 2025-26 are mainly a result of higher contribution to Special Education as a result of salary and health benefit agreements. The salary increases were reflected as unrestricted set-asides at budget adoption but are now mostly reflected in the various resources

- 1b. NOT MET - The projected transfers in to the general fund have changed since budget adoption by more than the standard for any of the current year or subsequent two fiscal years. Identify the amounts transferred, by fund, and whether transfers are ongoing or one-time in nature. If ongoing, explain the district's plan, with timeframes, for reducing or eliminating the transfers.

Explanation:

The change in 2023-24 is primarily due to the cost of issuance of COPs.

- 1c. NOT MET - The projected transfers out of the general fund have changed since budget adoption by more than the standard for any of the current year or subsequent two fiscal years. Identify the amounts transferred, by fund, and whether transfers are ongoing or one-time in nature. If ongoing, explain the district's plan, with timeframes, for reducing or eliminating the transfers.

Explanation:
(required if NOT met)

For FY 2023-24, the original budget included an interfund transfer out to support Child Development Fund, but it is no longer needed or budgeted at first interim. The lower projected transfers out in 2024-25 and 2025-26 are due to reduced subsidy to Cafeteria and Child Development Fund.

- 1d. NO - There have been no capital project cost overruns occurring since budget adoption that may impact the general fund operational budget.

Project Information:
(required if YES)

S6. Long-term Commitments

Identify all existing and new multiyear commitments¹ and their annual required payment for the current fiscal year and two subsequent fiscal years. Explain how any increase in annual payments will be funded. Also, explain how any decrease to funding sources used to pay long-term commitments will be replaced.

¹ Include multiyear commitments, multiyear debt agreements, and new programs or contracts that result in long-term obligations.

S6A. Identification of the District's Long-term Commitments

DATA ENTRY: If Budget Adoption data exist (Form 01CSI, Item S6A), long-term commitment data will be extracted and it will only be necessary to click the appropriate button for Item 1b. Extracted data may be overwritten to update long-term commitment data in Item 2, as applicable. If no Budget Adoption data exist, click the appropriate buttons for items 1a and 1b, and enter all other data, as applicable.

1. a. Does your district have long-term (multiyear) commitments?

(If No, skip items 1b and 2 and sections S6B and S6C)

Yes

- b. If Yes to Item 1a, have new long-term (multiyear) commitments been incurred since budget adoption?

Yes

2. If Yes to Item 1a, list (or update) all new and existing multiyear commitments and required annual debt service amounts. Do not include long-term commitments for postemployment benefits other than pensions (OPEB); OPEB is disclosed in Item S7A.

Type of Commitment	# of Years	SACS Fund and Object Codes Used For:		Principal Balance
	Remaining	Funding Sources (Revenues)	Debt Service (Expenditures)	as of July 1, 2023-24
Capital Leases	60	Various Funds	Fund 01 - Objects 7438 & 7439	53,486,479

Los Angeles Unified Los Angeles County		First Interim General Fund School District Criteria and Standards Review	19 64733 0000000 Form 01CSI E81HR4389S(2023-24)	
Total Annual Payments:	1,316,522,433	1,241,716,644	1,219,411,766	1,478,576,477
Has total annual payment increased over prior year (2022-23)?		No	No	Yes

S6B. Comparison of the District's Annual Payments to Prior Year Annual Payment

DATA ENTRY: Enter an explanation if Yes.

- 1a. Yes - Annual payments for long-term commitments have increased in one or more of the current or two subsequent fiscal years. Explain how the increase in annual payments will be funded.

Explanation:
(Required if Yes
to increase in total
annual payments)

The increase in general obligation bond payments will be funded by the tax levy. The increase in retirement bonus payments will be funded by general fund unrestricted revenues.

S6C. Identification of Decreases to Funding Sources Used to Pay Long-term Commitments

DATA ENTRY: Click the appropriate Yes or No button in Item 1; if Yes, an explanation is required in Item 2.

1. Will funding sources used to pay long-term commitments decrease or expire prior to the end of the commitment period, or are they one-time sources?

No

2. No - Funding sources will not decrease or expire prior to the end of the commitment period, and one-time funds are not being used for long-term commitment.

Explanation:
(Required if Yes)

S7. Unfunded Liabilities

Identify any changes in estimates for unfunded liabilities since budget adoption, and indicate whether the changes are the result of a new actuarial valuation.

S7A. Identification of the District's Estimated Unfunded Liability for Postemployment Benefits Other Than Pensions (OPEB)

DATA ENTRY: Click the appropriate button(s) for items 1a-1c, as applicable. Budget Adoption data that exist (Form 01CS, Item S7A) will be extracted; otherwise, enter Budget Adoption and First Interim data in items 2-4.

1 a. Does your district provide postemployment benefits other than pensions (OPEB)? (If No, skip items 1b-4)

Yes

b. If Yes to Item 1a, have there been changes since budget adoption in OPEB liabilities?

No

c. If Yes to Item 1a, have there been changes since budget adoption in OPEB contributions?

Yes

2 OPEB Liabilities

a. Total OPEB liability

b. OPEB plan(s) fiduciary net position (if applicable)

c. Total/Net OPEB liability (Line 2a minus Line 2b)

Budget Adoption

(Form 01CS, Item S7A)

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since budget adoption, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.

S8A. Cost Analysis of District's Labor Agreements - Certificated (Non-management) Employees

DATA ENTRY: Click the appropriate Yes or No button for "Status of Certificated Labor Agreements as of the Previous Reporting Period." There are no extractions in this section.

Status of Certificated Labor Agreements as of the Previous Reporting Period

Were all certificated labor negotiations settled as of budget adoption?

No

If Yes, complete number of FTEs, then skip to section S8B.

If No, continue with section S8A.

S9. Status of Other Funds

Analyze the status of other funds that may have negative fund balances at the end of the current fiscal year. If any other fund has a projected negative fund balance, prepare an interim report and multiyear projection for that fund. Explain plans for how and when the negative fund balance will be addressed.

S9A. Identification of Other Funds with Negative Ending Fund Balances

DATA ENTRY: Click the appropriate button in Item 1. If Yes, enter data in Item 2 and provide the reports referenced in Item 1.

1.

Are any funds other than the general fund projected to have a negative fund balance at the end of the current fiscal year?

No

If Yes, prepare and submit to the reviewing agency a report of revenues, expenditures, and changes in fund balance (e.g., an interim fund report) and a multiyear projection report for each fund.

2.

If Yes, identify each fund, by name and number, that is projected to have a negative ending fund balance for the current fiscal year. Provide reasons for the negative balance(s) and explain the plan for how and when the problem(s) will be corrected.

ADDITIONAL FISCAL INDICATORS

The following fiscal indicators are designed to provide additional data for reviewing agencies. A "Yes" answer to any single indicator does not necessarily suggest a cause for concern, but may alert the reviewing agency to the need for additional review. DATA ENTRY: Click the appropriate Yes or No button for items A2 through A9; Item A1 is automatically completed based on data from Criterion 9.

A1. Do cash flow projections show that the district will end the current fiscal year with a negative cash balance in the general fund? (Data from Criterion 9B-1, Cash Balance, are used to determine Yes or No)

No

A2. Is the system of personnel position control independent from the payroll system?

Yes

A3. Is enrollment decreasing in both the prior and current fiscal years?

Yes

A4. Are new charter schools operating in district boundaries that impact the district's enrollment, either in the prior or current fiscal year?

Yes

A5. Has the district entered into a bargaining agreement where any of the current or subsequent fiscal years of the agreement would result in salary increases that are expected to exceed the projected state funded cost-of-living adjustment?

Yes

A6. Does the district provide uncapped (100% employer paid) health benefits for current or retired employees?

Yes

A7. Is the district's financial system independent of the county office system?

Yes

A8. Does the district have any reports that indicate fiscal distress pursuant to Education Code Section 42127.6(a)? (If Yes, provide copies to the county office of education.)

No

A9. Have there been personnel changes in the superintendent or chief business official positions within the last 12 months?

No

When providing comments for additional fiscal indicators, please include the item number applicable to each comment.

Approval of Routine Personnel Actions

December 12, 2023

Human Resources Division

Action Proposed:

Approve 4,021 routine personnel actions (including, but not limited to elections, promotions, transfers, leaves, terminations, separations, permits and approval of senior management contracts) according to the following breakdown:

Classified: 2,440
Certificated: 1,459
Unclassified: 122

It is proposed that the following routine personnel actions (including, but not limited to elections, promotions, transfers, leaves, terminations, separations, permits and senior management contracts) be approved.

SAP transaction numbers: 3461147 to 3716092

ROUTINE PERSONNEL ACTIONS

*Other actions include absences, conversion codes from legacy, change of pay, and change of work schedule and benefits.

Background:

This report is presented at each Board Meeting for approval of routine personnel actions.

Expected Outcomes:

Not applicable

Board Options and Consequences:

Specifically in regard to disciplinary action, a no vote may nullify the disciplinary action due to legal time constraints. A “No” vote impacts the timeliness of processing personnel actions for classified and certificated employees regarding their assignment, salary/rate, transfer, and new appointment and may be in conflict with procedural rights and benefits afforded them under applicable Education Code provisions, Personnel Commission Rules, District Policy, and respective Collective Bargaining Agreements (UTLA, AALA, Teamsters, Los Angeles School Police Sergeants and Lieutenants Association). Employees have procedural rights that are based on their status (permanent or probationary) associated with the specific personnel action being submitted and the respective rights available to them in accordance with the above. Additionally, based on Personnel Commission Rules, permanent classified employees have rights to appeals.

Policy Implications:

Not applicable

Budget Impact:

Cost Neutral

Student Impact:

Not applicable

Equity Impact:

Not applicable

Issues and Analysis:

All actions affecting classified personnel and apprentice personnel reported herein are in accordance with Section 45123-45125, 45135, and 45240-45318 of the Education Code and with the Rules of the Personnel Commission.

Summary

Temporary and Substitute employees are often needed for short periods of time to assume responsibilities for regular employees when they are unavailable; they are not intended to replace regular employees for an extended period of time. Positions for several classifications, such as Education Aides and Instructional Aides, are typically filled by restricted status employees.

ROUTINE PERSONNEL ACTIONS

The Human Resources Division reports 304 certificated new hires during the time period covered by this report and a summary list of hires appears below. The 304 certificated new hires serve at schools and programs throughout the District and are comprised of both former employees selected from rehire lists and newly employed certificated employees. Substitute teachers continue to be hired to ensure increased coverage capacity for teacher absences.

Adult Education Teacher, Acad Instruc	1
Adult Education Teacher, P-P CT	1
Adult Education Teacher, Day-to-Day Substitute	6
Counselor, Pupil Services & Attendance	6
Counselor, Secondary School	6
Early Childhood Ed Teacher	7

Provisional Internship Permits

December 12, 2023

Human Resources Division

Action Proposed:

Approve request for 20 teachers to be employed under the Provisional Internship Permit pursuant to Title 5 California Code of Regulations, Section 80021.1.

Background:

The Provisional Internship Permit became effective on July 1, 2005 in anticipation of the phasing out of the former authorizing document. The Provisional Internship Permit is valid for one year and may not be renewed. During the first year of employment, the Provisional Intern teacher must meet all requirements for entrance into an accredited intern program.

The Los Angeles County Office of Education grants authority to the District to employ potential Provisional Interns on a Temporary County Certificate until such time that the Board of Education approves their employment under the Provisional Internship Permit. Commission on Teacher Credentialing (CTC) regulations require that the request to employ Provisional Interns be approved by the Board and submitted to the CTC within three months of the teachers beginning their assignment.

The CTC requires that the governing board be presented with a list of teachers to be employed under the Provisional Internship Permit (Attachment A). Additionally, the CTC requires that the approval of these Permits be an action item on the agenda and not part of the consent agenda.

Expected Outcomes:

The approval of Provisional Internship Permits will enable the District to continue to staff teacher vacancies in shortage subject fields with individuals committed to completing the requirements to enter into an intern program and subsequently earn a full credential.

Board Options and Consequences:

Approval of Provisional Internship Permits will afford the District the opportunity to hire new special education, multiple subject, mathematics, art, social science, biological science, chemistry and English teachers who will be required to follow a prescribed and rigorous pathway that results in the earning of both full state and federal teacher certification.

If the Provisional Internship Permits are not approved, and a full-time teacher cannot be hired, classroom vacancies would be staffed by a series of individuals in possession of only Emergency 30-Day Substitute Teaching Permits. Day-to-day substitutes are not required to be enrolled in a teacher education program, and may only remain in a special education classroom for a maximum of twenty days, after which time they are deemed by the State as inappropriately assigned.

File #: Rep-117-23/24, **Version:** 1

Policy Implications:

This action does not change District policy.

Budget Impact:

There is no impact on the District's budget.

Student Impact:

The goal of Human Resources Division is to insure that there is an appropriately authorized teacher in every classroom. In areas of high need such as special education, multiple subject, mathematics, art, social science, biological science, chemistry and English where there might be a teacher shortage, the District may approve the use of Provisional Internship Permits, which authorize a teacher candidate to step into the classroom as the teacher of record while they take the necessary steps to enroll in a credential program.

Approval of Non-Routine Personnel Action

December 12, 2023

Human Resources Division

Action Proposed:

Approve Classified employee demotion from Plant Manager II to Building and Grounds Worker.

Background:

This report is presented at this Board Meeting for approval of a non-routine personnel action.

Expected Outcomes:

Not applicable

Board Options and Consequences:

Specifically in regard to disciplinary action:

A “No” vote may nullify the disciplinary action due to legal time constraints.

A “Yes” vote impacts the timeliness of processing personnel actions for classified and certificated employees regarding their assignment, salary/rate, transfer, and new appointment and may be in conflict with procedural rights and benefits afforded them under applicable Education Code provisions, Personnel Commission Rules, District Policy, and respective Collective Bargaining Agreements (UTLA, AALA, Teamsters, Los Angeles School Police Association, Service Employees International Union, Local 99, California School Employees Association, Los Angeles/Orange Counties Building and Construction Trades Council, Los Angeles School Police Sergeants and Lieutenants Association). Employees have procedural rights that are based on their status (permanent or probationary) associated with the specific personnel action being submitted and the respective rights available to them in accordance with the above. Additionally, based on Personnel Commission Rules, permanent classified employees have rights to appeals.

Policy Implications:

Not applicable

Budget Impact:

No budget impact

Student Impact:

Not applicable

Equity Impact:

Not applicable

File #: Rep-145-23/24, **Version:** 1

Issues and Analysis:

All actions affecting classified personnel and apprentice personnel reported herein are in accordance with Section 45123-45125, 45135, and 45240-45318 of the Education Code and with the Rules of the Personnel Commission.

Strengthening Career Technical Education Act (Perkins V) Grant

December 12, 2023

CTE- Career Development Branch/Division of Instruction

Action Proposed:

Ratification for Strengthening Career Technical Education Act (Perkins V) grant 2023-24 for \$8,215,619.00.

Background:

This annual federal reimbursement grant provides LAUSD with funds to strengthen and enhance the Career Technical Education (CTE) program. Per the California Department of Education (CDE), students in CTE pathways have higher attendance rates, lower dropout rates, and increased post-secondary enrollment rates.

The schools receiving the grant, applied for the grant and were selected based on their application responses and evidence of meeting the essential elements of high-quality [1)student-centered delivery of services, 2) equity, access, 3)leadership at all levels, 4)high-quality integrated curriculum and instruction, 5)skilled instruction and educational leadership, 6)career exploration and student support, (7)appropriate use of data and continuous improvement, 8)cross-system alignment, 9)intentional recruitment and marketing, 10)sustained investments and funding through mutual agreements, and 11) strong partnerships with industry] CTE programs.

Grant funds will support CTE teachers from 141 schools in professional development targeting special populations including emergent bilingual students, special needs students, and economically disadvantaged students.

The grant funds are used to purchase equipment and materials for CTE pathways to ensure pathways have industry-standard equipment.

Expected Outcomes:

- Increase the number of students:
 - Acquiring technical and career-ready skills through growing CTE pathways
 - Earning industry-recognized certifications to gain employability skills
 - Earning post-secondary credits in their career pathway
 - Completing CTE pathways and transitioning to post-secondary institutions to advance their skills for careers of their choice
 - Experiencing a continuum of work-based opportunities
- Provide pathways with industry-standard equipment and materials

Board Options and Consequences:

If ratified, CTE students will have access to the allowable purchases made by the District with the Perkins V grant for 2023-24.

File #: Rep-109-23/24, **Version:** 1

Policy Implications:

None

Budget Impact:

None. (There are no match requirements for this grant.)

Student Impact:

- Provide career exploration and guidance opportunities for students
- Provide pathway alignment with community colleges
- Increase CTE courses with dual enrollment
- Access to a continuum of work-based learning activities
- Increase attainment of industry-specific technical skills, certifications, credentials, and training

Equity Impact:

Component	Score	Score Rationale
Recognition	3	Perkins V affirmatively recognizes historical inequities. The plan urges the LEAs to utilize the grant funds to promote equity and access by eliminating institutional barriers and achievement gaps for all students to realize their educational and career goals.
Resource Prioritization	3	Perkins V prioritizes resources based on student needs. Grant funds are available for specialized equipment or instructional materials and for CTE teachers' professional development to build educator capacity in addressing the achievement gaps in underserved populations.
Results	3	Perkins V is likely to close opportunity gaps by providing industry-standard equipment and instructional materials for all students to explore careers and increase their career readiness skills.

Essential Elements of a High-Quality College and Career Pathway

To realize the *Guiding Policy Principles*, California recognizes the importance of creating the following student focused essential elements of a high-quality college and career pathway:

- A. **Student-Centered Delivery of Services** for all K–14+ college and career pathways incorporates the removal of institutional or systemic barriers that impede the progress of students in achieving their education and career goals. This includes a renewed commitment to offer an engaging learning experience and support the diversity of individual student needs while accommodating their multiple entry points as they progress along a continuum of education and training, or advance in a sector-specific occupation or industry.
- B. Student **Equity** goes beyond the reduction of institutional barriers to create an environment of being fair, impartial and free from racism, bias, or favoritism, promote educational and employment attainment, and to eliminate the achievement gap for all students including, but not limited to, English language learners and students with disabilities in the K–14+ college and career pathway system.
- C. **Access** denotes a broader vision of equity ensuring that all students are provided ample opportunities to attain the necessary skills, education and training required to maximize their individual goals including a collective awareness of all the supports that are available to students both inside and out of class. Access also facilitates the elimination of the achievement gap by providing information on how to access programs, services, and rigorous course work for all California students regardless of region, gender, socio-economic status, special needs, and/or English proficiency. Access also includes creating pathways with demonstrable careers for students.
- D. **Leadership at All Levels** is required to achieve greater integration across systems and programs to ensure that the contexts for an engaging learning experience can occur and programs connect, so all students can reach across systems easily and succeed with their desired outcomes including employment, and employers have the workforce needed to thrive.
- E. **High-Quality, Integrated Curriculum and Instruction** informed by labor market information, student interest, technology, industry standards, and real-world engagement through relevant work-based learning opportunities is essential to prepare students. Rigorous and aligned programs should be supported to guide students through relevant course sequences (i.e., both in-person and online) and work-based learning opportunities leading to a mastery of standards, high school graduation, and transition to postsecondary education, training, apprenticeship, and/or employment, as appropriate. Courses and programs may be designed to use cross-system strategies like dual enrollment and/or dual credit with community colleges and universities or other articulations to create a seamless student experience, and avoid unnecessary repeating of courses or other inefficient practices to facilitate “on-time” postsecondary graduation, where appropriate. Stackable badging and credentials can ensure frequency of assessment and a value-added outcome.
- F. **Skilled Instruction and Educational Leadership, informed by Professional Learning**, is the cornerstone of the public education system in California. The educational experience is only as strong as the capacity and investment made in faculty, educational leaders, and the other key field talent to provide in-class, online, or work-based learning opportunities as well as developing an awareness of student support services. California encourages the culture of innovation and entrepreneurialism in program instruction and design that leads to student success.

Essential Elements of a High-Quality College and Career Pathway

- G. The strong presence of **Career Exploration and Student Supports** is an essential component for establishing a learning plan for all K–14+ students. This includes identifying appropriate foundational courses (i.e., using competency-based learning) and information about jobs, determining student progression in a single pathway or along multiple pathways or sequences of learning, or making available in-class and online course offerings and work-based learning opportunities. To complement their learning plan, students should also have access to comprehensive counseling, individualized supports along their journey (including, but not limited to, for students who are part-time, face barriers to learning, need academic or cultural supports, transportation, child care, or financial aid), or opportunities through student leadership development organizations to achieve their individual goals and aspirations, through a variety of transitions, in an ever-changing workforce.
- H. **Appropriate Use of Data and Continuous Improvement** should continue to drive CTE through relevant accountability that is outcomes-based, is supported both vertically and horizontally across systems, and ensures equity and access for all students. Continuous improvement ensures students can access the best pathways possible. Focusing on students' and employers' needs will allow for identification of capacity building, refinement of programs, and elimination of inefficiencies to meet the existing and emerging needs of regional economies. Through intentional sharing of specific data elements that are actionable across systems will help to showcase student attainment, including mastery of standards, and be informed by industry needs to achieve relevant system outcomes. Responsible data use is to inform practice and improve programs, not to track students.
- I. Opportunities for strategic and intentional **Cross-System Alignment** should be informed by the ongoing analysis of student data, and alignment of data definitions across systems to provide, for example, deliberate sector-based programs, deployment of technical field assistance using a regional distribution, or evidence-based practices and processes to optimize pathway success and upward mobility opportunities for all participants.
- J. **Intentional Recruitment and Marketing (Promotion, Outreach, and Communication)** should reflect an understanding of students' and employers' needs, be consistent in its messaging to stakeholders across all segments, and use tools and reports as a platform to display the added value of high quality K–14+ college and career pathway programs.
- K. **Sustained Investments and Funding through Mutual Agreements** must be present to encourage regional alliances along with industry sector strategies, especially with a focus on current and/or emerging high-skill, high-wage, and/or high-demand occupations. This includes but is not limited to Kindergarten through grades twelve (K–12) Education, Adult Education, Higher Education, Labor, Economic Development Councils, Chambers of Commerce, Workforce Development Boards, career advisory boards, and regional industry alliances aligned by sector that lead to an industry-recognized credential or certificate, postsecondary training, apprenticeship, and/or employment.
- L. **Strong Partnerships with Industry** and appropriate employers must be developed to inform and improve CTE program design, instruction and work-based learning activities; as well as, ensure that career pathway programs in all grade levels, organizations and apprenticeship programs continue to meet the workforce demands.

Recommended Adoption of Textbooks for Advanced Placement English Language & Composition and Advanced Placement English Literature & Composition

December 12, 2023

Division of Instruction

Action Proposed:

Approve the adoption of:

- *Ideas in Argument Building Skills and Understanding* by Bedford, Freeman & Worth High School Publishers for use in Advanced Placement English Language & Composition; and
- *Ideas in Literature Building Skills and Understanding* by Bedford, Freeman & Worth Publishers for use in Advanced Placement English Literature & Composition.

Authorize the Chief Procurement Officer to negotiate textbook-purchase agreements. The Procurement Services Division and Library & Textbook Support will present the proposed final agreements, including terms and conditions with updated purchase volume estimates, to the Board of Education (Board) for approval, likely in Spring 2024.

Background:

Unlike the state adoption process for Grades K-8, California Education Code §60400 requires a Board-approved process for adoption that includes a legal compliance review. Library & Textbook Support thoroughly sought submissions from various publishers for the Advanced Placement English Language & Composition and Advanced Placement English Literature & Composition courses.

Library & Textbook Support coordinated the formation of the evaluation committees by requesting UTLA and LAUSD Regions to identify 16 committee members (eight UTLA selected and eight LAUSD - two selected from each region), whose primary objective was to evaluate the textbooks submitted by publishers in both print and electronic formats. The list of potential committee members from UTLA and the Regions, were vetted by Library & Textbook Support to confirm content area expertise. The committees consisted of the following, five teachers on the AP English Literature & Composition Adoption Committee & five teachers on the AP English Language & Composition Adoption Committee. These committees aimed to discern and recommend textbooks that best align with the specific learning requirements of LAUSD students. To accomplish this, the committees employed a rigorous evaluation instrument rooted in the guidelines outlined by the California Department of Education ELA/ELD Framework and the comprehensive criteria established by the College Board Course Framework & Course Description.

Our current Advanced Placement English Language & Composition and Advanced Placement English Literature & Composition textbooks were adopted in the Fall of 2017, with copyright dates of 2013 and 2014. Since then, the College Board has revised and updated the Advanced Placement courses and exams.

In October 2023, the Textbook Adoption committees convened after a comprehensive review and evaluation of

File #: Rep-115-23/24, Version: 1

the materials throughout the summer, resulting in the recommendation of adopting Ideas in Argument Building Skills and Understanding by Bedford, Freeman & Worth High School Publishers for use in Advanced Placement English Language & Composition and Ideas in Literature Building Skills and Understanding by Bedford, Freeman & Worth Publishers for use in Advanced Placement English Literature & Composition. The committee members, using the California Department of Education's guidance, engaged in thorough deliberations regarding these materials. The criteria encompassed an evaluation of their alignment with the College Board course framework & course description, program organization, assessment, universal access, and instructional planning, including teacher support.

Expected Outcomes:

Board adoption of the instructional materials recommended for use in the District will provide our students with up-to-date information and reflect the course revision. This ensures that students learn the most relevant and accurate content for their exams. Students will be better prepared to excel on the Advanced Placement exams. The recommended textbooks include resources and support for teachers, which can support effective instruction.

Board Options and Consequences:

If the Board does not adopt the recommended instructional materials, students will continue to use the currently adopted instructional materials.

Policy Implications:

The policy of targeting state funding to implement adoptions is consistent with the content and cycles of the curriculum framework adopted by the State Board of Education.

Budget Impact:

Textbook funds have been identified from the General Funds Unrestricted Account to cover the adoption of these recommended materials. Once negotiations are complete, the textbook-purchase agreements, including all terms and conditions, will be presented to the Board for approval.

Student Impact:

Updated Advanced Placement textbooks are designed to align with the most current Advanced Placement curriculum and exam format, ensuring our students are prepared for the Advanced Placement exams which takes place every Spring. The availability of these Advanced Placement textbooks underscores our commitment to equitable access to superior educational resources, regardless of students' individual circumstances or available resources.

Equity Impact:

Component	Score	Score Rationale
Recognition	3	Although the Advanced Placement textbooks are published for a national level, not California specific, the publishers have improved at providing authentic voices in addressing historical inequities. Supplementing textbooks with culturally relevant and responsive materials developed by the District and partners can also increase the recognition of specific historical inequities that need to be reversed.

File #: Rep-115-23/24, **Version:** 1

Component	Score	Score Rationale
Resource Prioritization	1	The proposed textbooks will be issued to every AP English Language & English Literature student regardless of need. In order to meet Williams Sufficiency requirements, all students regardless of need are entitled to a textbook appropriate for their course. These textbooks comply with CA Education Code requirements.
Results	3	Providing all students with access to quality Advanced Placement textbooks ensures that they have access to the same high-level educational resources, regardless of their school's location or funding. The recommended books have the content and the resources to close achievement gaps when implemented in concert with culturally responsive pedagogy.

Approval of the City of West Hollywood Education Compact

December 12, 2023

Office of Government Relations

Action Proposed:

Authorize the Education Compact with the City of West Hollywood. As part of the 2022-2026 Strategic Plan for the Los Angeles Unified School District, new education compacts are to be established between the District and local governmental entities. Education Compacts with the municipal governments are intended to align resources and implement innovative programs to equip our students with the tools they need to be Ready for the World.

Background:

Through these Education Compacts, each city and the District will collaborate to meet the educational needs of youth and families in the respective city through the end of the District's Strategic Plan (June 2026). The city and the District may choose to revisit the Compact after June 2026 to renew their shared commitments to students and families.

The commitments outlined in the Education Compact are not legally binding nor do they mandate budgetary expenditures on behalf of the Parties. They represent a shared philosophical goal of improving the educational opportunities and enriching the lives of children and families attending District sites living within the city.

The Office of Government Relations (OGR) will continue discussions with other municipalities to finalize Education Compacts that can be brought forth for Board approval at a future meeting.

Expected Outcomes:

The approved Education Compacts will result in a coherent agenda that OGR, Region Offices and the respective District Divisions will promote and advance by strengthening collaboration with each municipality to deliver on the commitments outlined in the shared vision.

Board Options and Consequences:

Approval will allow OGR, Region Offices and the respective District Divisions to proceed in a timely manner to deliver on the commitments outlined in the shared vision. Delay in approval will delay the opportunity to strengthen these partnerships

Policy Implications:

The Education Compacts are in alignment with the district's 2022-26 Strategic Plan.

Budget Impact:

No budgetary expenditures are outlined in the Education Compacts.

File #: Rep-136-23/24, **Version:** 1

Student Impact:

The Education Compact supports students and families through strengthening partnerships between the city and the District. Such partnership ensures a coherent and joint effort to support student success.

Equity Impact:

Component	Score	Score Rationale
Recognition	3	The Education Compacts may establish partnerships between the District and the City of Los Angeles as well as the smaller and less representative cities and communities that also serve our student population. While approximately around 21% of Los Angeles Unified students attend schools outside of the City of Los Angeles, it is equally important for the District to continue to pursue collaborative efforts with the other cities and unincorporated communities represented by the Los Angeles County Board of Supervisors.
Resource Prioritization	3	Pursuing these partnerships would mean that our programs and initiatives are also being replicated in other communities outside the City of Los Angeles, ultimately broadening opportunities and services to students and families in a more equitable way.
Results	2	The Education Compacts represent a shared philosophical goal of improving the educational opportunities and enriching the lives of children and families attending District sites within respective cities and unincorporated communities, however the commitments are not legally binding, nor do they mandate financial obligations.

**EDUCATION COMPACT BETWEEN
THE LOS ANGELES UNIFIED SCHOOL DISTRICT
AND THE CITY OF WEST HOLLYWOOD**

As part of the 2022-2026 Strategic Plan for the Los Angeles Unified School District (“District” or “Los Angeles Unified”), new education compacts are to be established between the District and local governmental entities. Education Compacts with the municipal governments in the West region are intended to align resources and implement innovative programs to equip our students with the tools they need to be ready for the world.

As a member of the West region, the City of West Hollywood (“City”), is served by the District and accounts for a student enrollment of 1,925 (Los Angeles Unified SY 23-24 Enrollment). The City of West Hollywood has 35,678 residents (2020 US Census) and expands a total area of 1.9 square miles. Students who live in the City of West Hollywood attend these and other schools: West Hollywood Elementary School, Rosewood Elementary School, Melrose Magnet Elementary School, Gardner Street Elementary School, and Bancroft Middle School, Laurel Span School and Fairfax High School. The District and the City may each be referred to, individually, herein as a “Party” or, collectively, as “the Parties.”

Through this Education Compact (“Compact”), the City and the District will collaborate to meet the educational needs of youth and families in the City through the end of the District’s Strategic Plan (June 2026). The City and the District may choose to revisit the Compact after June 2026 to renew their shared commitments to students and families of the City of West Hollywood.

The commitments outlined are not legally binding, nor do they mandate budgetary expenditures on behalf of the Parties. They represent a shared philosophical goal of improving educational opportunities and enriching the lives of children and families attending District sites or living within the City. The Parties recognize there may be financial expenditures associated with one or all the following aspects, however any financial expenditure shall not be made unless the responsible Party’s governing board has authorized the expenditure through its budgetary process and shall be voluntary in nature.

The Compact between the District and the City will undertake efforts that would be enriched, expedited, or enhanced through collaborative efforts in the following areas:

1. Communications and Ongoing Engagement
2. Enrollment and Positive Attendance
3. Crossing Guards and Other Traffic Safety Improvements
4. Safe and Positive School Climate
5. Student Health and Medical Services
6. Parent and Family Engagement
7. Academics and Expanded Learning
8. Connectivity
9. Facilities
10. Transportation
11. Other

Communications and Ongoing Engagement

- The City and the District will work jointly to feature information on the City's website that connects to up-to-date details posted on Los Angeles Unified websites about schools and districtwide initiatives. The District will also work with the City to share updates about City events, news, and City-led programs with Los Angeles Unified students, families, and staff. Concerted efforts will be made to share information, as appropriate, via social media and other communication channels.
- The City and District will promote educational initiatives to local businesses and chambers of commerce to encourage volunteering, mentorship and other opportunities to support local students and education.
- The City will continue to convene the **West Hollywood Children's Roundtable**, which meets regularly throughout the school year. Participants include school principals, educators, non-profit organizations, parents, and others focused on the needs of children and families in West Hollywood. The Children's Roundtable has been meeting for more than 25 years and offers a place for information sharing, in-service trainings, interactive presentations, and other special programming available to school-age children and their families.

Enrollment and Positive Attendance

- The City will support the District in student recruitment campaigns for District-operated schools in the City.
- The City and District will collaborate on programs, annual attendance campaigns, and other events that support school attendance to ensure all school-aged youth are enrolled in District-operated schools.

Crossing Guards and Other Traffic Safety Improvements

- The City will continue to support safe passages for students and families at West Hollywood and Rosewood elementary schools by funding and managing a contract totaling \$86,461 for crossing guard services at both campuses.
- The District will support the City's efforts to manage the contract for crossing guard services by providing information and facilitating opportunities for school community engagement as part of the City's annual evaluation of the crossing guard program.
- The District will provide additional support and training for the Traffic Safety Valet programs at elementary school sites experiencing traffic safety needs by reviewing traffic and pedestrian incident data and identifying schools in need of outreach. The District will also promote the Traffic Safety Valet program by distributing flyers when visiting elementary schools, during our safe school inspections, and meetings with principals.
- The District will work with the City to address traffic concerns related to school drop-off and pick-up, including exploring additional opportunities to reduce traffic congestion and enhance pedestrian safety.
- The District will provide additional support by sharing Reference Guide, 4492.2, School Traffic Safety, with school administrators, which details the guidelines for requesting traffic surveys, speed limit signs, pavement markings, crossing guards, and other assistance to resolve traffic safety issues. Los Angeles Unified Office of Environmental Health and Safety (OEHS) will liaise between the City and school administrators and make requests on behalf of schools.

Safe and Positive School Climate

- The District will continue to facilitate School Safety Collaborative meetings between City personnel, the District and other partners to discuss various issues impacting the school community, including but not limited to, updates on school construction and operational projects, school safety, safe passages to and from school, educational and community events, and opportunities to collaborate on seeking community partner, city and school collaborations.
- The District/Los Angeles School Police Department and City will identify a Law Enforcement Liaison officer from each of the respective law enforcement departments to ensure coordinated approach on issues related to youth, crime prevention and other relevant safety and area school consistent with Section 32281 (f)(1) of the California Education Code.
- The District/Los Angeles School Police Department and City will explore the possibility of entering into data-sharing agreements to assess the status of school crimes, if any, with a goal of helping to prevent crimes and improve coordination consistent with Section 32282 (a)(1) of the California Education Code.

Student Health and Medical Services

- The District, in partnership with the City, will explore the feasibility of bringing additional student health and mental health services and entities to provide whole child and school community services.

Parent and Family Engagement

- The District will develop specialized classes/workshops that address the needs of families in the West Hollywood community through the Family Academy. The City will promote these classes and workshops to these families and community members at large.
- The District will develop a training program for City personnel on the District's Parent Portal/District App and School Volunteer Program procedures.

Academics and Expanded Learning Programs

- The District will work jointly with the City to promote the District's various academic and enrichment programs to students and families in the West Hollywood community, including the tutoring program, summer programming, Beyond the Bell and Expanded Learning Opportunities Programs.
- The District will work with the City to support programs that will assist students in bridging academic voids that may exist due to digital inequities, pandemic effects, or other outside effects that would negatively impact the learning environment.
- The District will offer the Cultural Arts Passport to students in the West Hollywood community.
- The City will continue to contract with a garden specialist who conducts outdoor educational gardening programs with students at the District's West Hollywood area schools. The garden specialist teaches students about sowing seeds, growing plants, and the importance of good nutrition. Through hands-on experiential gardening activities, students learn to create, establish, and maintain their school garden throughout the year.

Connectivity

- The District's Information Technology Services (ITS) commits to continuing to provide connectivity to students and families with an identified unmet need through All Families Connected or other affordable and free options to ensure all families have access to reliable high-speed internet.
- The District will explore expanding Digital Divide partnerships into the City and the County of Los Angeles to explore ways to support connectivity infrastructure, expand affordable broadband and implement data sharing agreements to address the digital deserts.

Facilities

- The District and City will continue to collaborate to provide access to and use of District and City facilities for community meetings and events, and cultural and historic programs, among other facility use needs that benefit students and families. This may include exploring a partnership to open West Hollywood Elementary School as a Community School Park to provide recreational opportunities for students and families.
- The City recently directed \$85,768.72 to West Hollywood Elementary School to cover the costs of repainting the school's playground with solar reflective paint. This investment aligns with the City's Climate Action Plan and its ongoing commitment to supporting our local schools.
- The District's over twenty-year construction program will continue to rely heavily on its commitment to meaningful engagement by bringing timely and accurate information to all stakeholders (students, parents, teachers/administrators, key stakeholders, local municipalities and elected officials) and collecting feedback that guides the District's decision-making.
- As part of an existing Request for Expressions of Interest, the District is committed to assessing and identifying the possibilities, opportunities, and interest that may exist to better utilize its land to bring greater benefit to its employees, families, and the District itself. This includes examining the potential development of workforce/affordable housing at nine District-owned properties, including the parcel of land located at 1049 N. Fairfax Avenue, West Hollywood, CA 90046. The District may solicit support from the City in an expeditious review of any projects that move forward on the site as part of the District's housing initiative.
- The City, as part of its annual **Martin Luther King, Jr. Day of Service**, will provide funding, volunteers and in-kind donations to support campus beautification and other enhancements at West Hollywood Elementary School. This event brings together City stakeholders and school faculty/staff and parents together in a common effort to support this local school. This partnership began in 2012 and has been the City's annual commemoration of MLK day since 2014. Over that time, approximately 1,220 community volunteers have participated, and the City has provided more than \$58,000 of in-kind support, plus staffing resources. These efforts have included funding the design and installation of two large murals and collaborating on MLK Day of Service in-classroom learning and an art contest.

Transportation

- The City will continue to offer its School Bus Trip program, available to schools in and around West Hollywood, that supports enriching student activities by covering 100% of the cost of school buses for field trips.
- The District will work jointly with the City to promote City-funded transit services that are available to Los Angeles Unified students and families who live in and around West Hollywood.
- The City will support the District in promoting the District's free Metro passes from the Metro GoPass Program for students, by promoting it at community events, newsletters, and on the City's website if the pilot program is continued.

Other

- The City will offer its **Grants in the Schools** program, which alleviates some of the budgetary constraints faced by local public schools by providing small grants to preschool through high school for such things as educational materials, cultural and arts programming, field trips, and professional development. This program operates annually, and schools can apply for grants of up to \$3,000.
- The City, recognizing the importance of education to our community, will continue to support local students interested in pursuing their education beyond high school. The **West Hollywood Youth Scholarship Program** awards \$2,000 to graduating high school students who are West Hollywood residents and have completed 150 hours of community service.
- The District will examine how to strengthen the collection of developer fees for all new residential, commercial, and industrial construction projects within the school district boundaries, including opportunities for increased collaboration with the City in support of these efforts to collect and transmit developer fees for construction projects in the City.

APPENDIX

All Families Connected

All Families Connected is a program to help ensure every student has reliable access to high-speed internet at home as well as at school. Made possible in large part by one-time federal funding, the program is helping provide students with the access they need at home to complete assignments, interact with peers, track their progress, and more. Thousands of families are eligible for this service at no cost to them. There are no income requirements. All that is necessary is for a family to inform the District that there are unmet needs in the home and to request support.

This is how it works: Parents/guardians can log on to lausd.org/connect and answer a few questions about computing device and internet connectivity needs. For those whose needs are not being met, our teams check in with contracted service providers to determine services available. The provider then reaches out to eligible families to assist with establishing service, and the District covers all costs.

Families may go to: lausd.org/connect for more information or to sign up for service.

Cultural Arts Passport

The Los Angeles Unified Cultural Arts Passport is a program to provide students access to the Arts. In partnership with Southern California's finest cultural organizations and venues, the Cultural Arts Passport program ensures equal access to arts, culture and environmental experiences for every child. The Cultural Arts Passport is partially supported through generous monetary and in-kind donations from the community. Founding partners who generously support the initiative include The Broad Foundation, Creative Arts Agency, the Fender Play Foundation and other cultural institutions.

Digital Divide Partnerships

The District has existing partnerships around infrastructure to create a city-wide or community infrastructure for wireless connectivity. One example of this has been a partnership with the Los Angeles City Lighting Bureau, which focused on extending the network from District schools to city light poles. Furthermore, the District has also developed partnerships with LTE/5G and fixed broadband such as Verizon, AT&T and Spectrum to allow piggyback on our contracts with very affordable pricing for other governmental entities. Lastly, the District has partnerships with multiple entities on data sharing to help and identify hotspots and digital deserts around Los Angeles County, given that the District is the only entity with access to valuable datasets relating to family usage and service providers' capacity.

Everyone Mentors LA

Everyone Mentors LA is a new mentoring initiative by Los Angeles Unified that will invest in the lives of historically underserved students to ensure every student graduates Ready for the World. The new initiative will match students contending with declining grades, chronic absenteeism, a need for socio-emotional support and other challenges that have inhibited their academic success with a mentor from the Los Angeles community. More information on this program can be found at lausd.org/everyonementors.

Family Academy

The Los Angeles Unified Family Academy is designed to leverage families' assets to be empowered as they support their child from the early primary years to college and career success. This effort complements family knowledge by connecting them to actionable learning focused on their child's development, as well as opportunities to accelerate their own careers and quality of livelihood. Families may expand and share prior knowledge with other parent leaders by attending learning segments offered by the Family Academy course catalog, which offers webinar and regional segments hosted in-person. The course catalog is available at lausd.org/familyacademy

A second path to learning with the Family Academy is through four family courses which are geared for the following family audiences: youngest learners, multilingual learners, twice exceptional, and Black and African-American students. The curriculum is organized as a 7-class course experience where families engage in a culturally relevant curriculum, in a cohort learning environment, define family engagement, and develop their action plan to stay engaged in their child's education. Course registration information is available at lausd.org/familyacademy.

Families may also contact the Los Angeles Unified Family Hotline for more information: 213-443-1300.

Traffic Safety Valet Program

The Los Angeles Unified Safety Valet program is designed to help improve student safety and provide more fluid movement of vehicular traffic around schools during the morning drop off. A Valet directs drivers through a queue of traffic cones where volunteers assist students to safely exit the car. This eliminates the need for parents to exit their vehicles and for students to cross busy intersections.

2024 Advocacy Agenda

December 12, 2023

Office of Government Relations

Action Proposed:

Authorize the Office of Government Relations (OGR), on behalf of Los Angeles Unified, to sponsor legislation and proactively advocate for policies and funding proposals at the local, state and federal levels that are consistent with the District's 2022-26 Strategic Plan.

Background:

Each year OGR presents to the Board proposed advocacy priorities for the upcoming year. This includes securing authors for legislation, advocating for changes/inclusion in budget and funding proposals, and taking positions on related bills, regulatory changes, and policy issues as presented on the attached documents. Given the unprecedented challenges the District has faced in recent years, it will be important to build in flexibility to authorize the Office of Government Relations to pursue the necessary advocacy on other policy and funding priorities as new issues arise in 2024.

Expected Outcomes:

The approved policy and funding priorities will result in a coherent advocacy agenda that the Office of Government Relations will promote and advance by building local, state, and federal coalitions with a diverse set of education partners.

Board Options and Consequences:

Approval will allow OGR staff to proceed in a timely manner to secure authors for District-sponsored legislation and pursue advocacy at the various levels of government. Delay in approval will negatively impact the OGR's staff ability to secure authors for District-sponsored legislation prior to the legislative deadlines for the introduction of bills.

Policy Implications:

The legislative proposals and advocacy priorities support existing Board policies and are in alignment with the District's 2022-26 Strategic Plan.

Budget Impact:

Costs of the advocacy efforts are borne by Office of Government Relations within the existing general fund budget.

Student Impact:

The advocacy agenda supports students and their academic achievement either directly or indirectly through legislation, funding and policies. Advocacy on behalf of the Los Angeles Unified community is critical to the success of students, teachers and administrators, and the advancement of our schools.

Los Angeles Unified School District

2024 ADVOCACY AGENDA

ADVOCACY PRIORITIES

The Los Angeles Unified School District's (Los Angeles Unified) legislative and funding priorities call for policies that make schools safe, welcoming, and equitable places for learning. The 2024 Advocacy Agenda is aligned to Los Angeles Unified's 2022-26 Strategic Plan and the District's Advocacy Guiding Principles and Priorities. In addition to the issues identified below, the Office of Government Relations supports and advocates for legislative proposals and initiatives that are consistent with the Strategic Plan and will pursue necessary policies and funding in 2024 as new issues arise.

LOCAL

The Office of Government Relations, in collaboration with other District departments, will explore opportunities for partnerships with local municipalities serving District schools to address the following:

- Strengthen intergovernmental collaboration to expand the District's enrollment campaign efforts and support school-aged children who are not enrolled or attending school, including disadvantaged populations such as homeless, foster and newcomer students.
- Support efforts to combat the synthetic opioid crisis.
- Increase low- to no-cost transportation opportunities for students through a continued partnership with LA Metro's GoPass Fareless Pass and other local transit agencies.
- Increase crossing guard funding and support outreach efforts to ensure the timely hiring of these positions.
- Strengthen partnership with Los Angeles County to unify mental health funding and staffing to provide consistent services for schools and communities in high-need areas.
- Increase resources to support a positive school climate and safe routes to and from schools.
- Support efforts aimed at the relocation or closure of the Atlas facility site in Watts, and explore funding opportunities for site clean-up.
- Expand joint-use facilities agreements and programming for students through continued partnerships with regional Recreation and Parks departments.
- Establish municipal education compacts with local governments.

STATE

The Office of Government Relations will pursue the following statewide legislation and budget priorities:

Sponsored Legislation

- Make Kindergarten a mandatory grade level to close opportunity gaps amongst the youngest learners.
- Base funding for local education agencies on total student enrollment, rather than average daily attendance.
- Authorize local educational agencies to permit students to carry naloxone on campus with their parent or guardian's permission.

- Codify flexibilities for students attending schools with alternative “block” schedules to meet the physical education (PE) minute requirements.
- Extend authorization to operate single gender schools at Los Angeles Unified.
- Pursue permanent authorization for the Office of the Inspector General, which supports the District’s operational effectiveness.
- Pursue inflationary adjustments to statutory cost limits for small dollar school construction and maintenance projects.

State Budget Priorities

- Advocate for increased ongoing investments through the Local Control Funding Formula.
- Support maximum flexibility of new one-time or ongoing Proposition 98 funding.
- Continue to advocate for flexibilities in the Expanded Learning Opportunities Program to better serve all students.
- Advocate for flexibility and relief from penalties during universal transitional kindergarten expansion.
- Support investments in school facilities construction, modernization, and greening projects.
- Maintain and expand funding for special education services.
- Pursue other technical clarifications and flexibilities as necessary.

FEDERAL

The Office of Government Relations will continue to advocate for the following issues at the federal level:

- Additional funding to increase access to high-quality preschool programs for all 3- and 4-year olds, including support for increased reimbursement rates, teacher preparation programs, and facilities renovations.
- Passage of the bipartisan IDEA Full Funding Act to increase spending for special education to the full 40 percent financial commitment.
- Increase connectivity funding to provide students and teachers access to devices and internet services for off-campus use and support changes to the E-Rate program to use funds to strengthen IT security infrastructure.
- Increase appropriations for Title I, Title II, Title III, English Language Acquisition Grants, Title IV, Magnet Schools Assistance grants and other education funding programs.
- Funding to address substance abuse and recovery support services for students.
- Protection and support of immigrant students and families, including support for permanent legal protections and a pathway to citizenship for undocumented youth.
- Flexibilities for school nutrition programs to enable continued free, nutritious meals for all children.
- Adoption of a school construction bill to increase financial support for school facilities and greening projects.
- Funding to address educator shortages, improve training and supports for school staff, and increased educator diversity.
- Funding to meet the mental health needs of our students, school staff, and teachers by increasing the number of school-based counselors, psychologists, social workers, and other health professionals.

Distrito Escolar Unificado de Los Ángeles

AGENDA PARA LA PROMOCIÓN DE INICIATIVAS EN 2024

PRIORIDADES DE PROMOCIÓN

Las prioridades legislativas y de financiamiento del Distrito Escolar Unificado de Los Ángeles (Distrito Unificado de Los Ángeles) requieren políticas que hagan que las escuelas sean lugares seguros, acogedores y equitativos para el aprendizaje. La Agenda para la Promoción de Iniciativas en 2024 se alineó al Plan Estratégico 2022-26 del Distrito Escolar Unificado de Los Ángeles y los Principios Rectores y Prioridades para la Promoción de Iniciativas del Distrito. Además de los asuntos que se identifican a continuación, la Oficina de Relaciones Gubernamentales apoya y aboga por propuestas e iniciativas de ley que sean coherentes con el Plan Estratégico y promoverá las políticas y el financiamiento necesarios en 2024 a medida que vayan surgiendo nuevos asuntos.

LOCAL

La Oficina de Relaciones Gubernamentales, en colaboración con otros departamentos del Distrito, explorará las oportunidades de asociarse con los municipios locales que prestan servicios a las escuelas del Distrito a fin de abordar lo siguiente:

- Fortalecer la colaboración intergubernamental para ampliar los esfuerzos de la campaña de inscripción del Distrito, y apoyar a los niños en edad escolar que no estén inscritos o que no estén asistiendo a la escuela, incluidas las poblaciones desfavorecidas como los estudiantes sin hogar, los estudiantes en adopción temporal y los recién llegados.
- Apoyar los esfuerzos para combatir la crisis de opioides sintéticos.
- Aumentar las oportunidades de transporte de bajo costo o sin costo para los estudiantes a través de una asociación continua con GoPass Fareless Pass de LA Metro y otras agencias de transporte locales.
- Aumentar la financiación de los guardias de cruce y apoyar la labor de divulgación para garantizar la contratación oportuna de estos puestos.
- Fortalecer la asociación con el condado de Los Ángeles para unificar los fondos y la dotación de personal de salud mental con el objetivo de brindar servicios consistentes a las escuelas y comunidades en áreas de alta necesidad.
- Aumentar los recursos para apoyar un clima escolar positivo y las rutas seguras de ida y de regreso a las escuelas.
- Apoyar los esfuerzos dirigidos a la reubicación o el cierre de las instalaciones de Atlas en Watts, y explorar oportunidades de financiamiento para la limpieza del sitio.
- Ampliar los acuerdos de instalaciones de uso conjunto y la programación para los estudiantes a través de asociaciones continuas con los departamentos regionales de Recreación y Parques.
- Establecer acuerdos educativos municipales con los gobiernos locales.

ESTADO

La Oficina de Relaciones Gubernamentales promoverá las siguientes prioridades legislativas y presupuestarias a nivel estatal:

Legislación patrocinada

- Hacer que el Kindergarten sea un nivel de grado obligatorio para cerrar las brechas de oportunidades entre los estudiantes más jóvenes.
- Basar los fondos para las agencias locales de educación en el total de estudiantes matriculados, en lugar del promedio de la asistencia diaria.
- Autorizar que las agencias locales de educación permitan que los estudiantes lleven naloxona al plantel escolar, con el permiso de sus padres o tutores.

- Codificar flexibilidades para los estudiantes que asisten a escuelas con horarios alternativos de "bloques" a fin de que puedan cumplir con los minutos requeridos de Educación Física (PE).
- Extender la autorización para operar escuelas de un solo género en el Distrito Escolar Unificado de Los Ángeles.
- Promover la autorización permanente de la Oficina del Inspector General, que apoya la eficacia operativa del Distrito.
- Promover los ajustes inflacionarios a los límites legales de los costos para los proyectos de construcción y mantenimiento de escuelas pequeñas.

Prioridades del presupuesto estatal

- Promover el aumento de las inversiones continuas a través de la Fórmula de Financiamiento de Control Local.
- Apoyar la máxima flexibilidad de los nuevos fondos de la Proposición 98 financiados una sola vez o continuamente.
- Continuar abogando por tener flexibilidad en el Programa de Ampliación de Oportunidades de Aprendizaje a fin de brindar un mejor servicio a todos los estudiantes.
- Abogar por la flexibilidad y la exención de las sanciones durante la expansión del Kindergarten Universal de Transición.
- Apoyar las inversiones en proyectos de construcción, modernización y ecologización de instalaciones escolares.
- Mantener y ampliar los fondos para los servicios de educación especial.
- Promover otras aclaraciones técnicas y flexibilidades según sea necesario.

FEDERAL

La Oficina de Relaciones Gubernamentales continuará abogando por los siguientes temas a nivel federal:

- Fondos adicionales para aumentar el acceso a programas preescolares de alta calidad para todos los niños de 3 y 4 años, incluido el apoyo para aumentar las tasas de reembolso, los programas de preparación de maestros y la renovación de instalaciones.
- Aprobación de la Ley bipartidista de Financiamiento Completo de IDEA para aumentar al 40 por ciento el compromiso económico total para gastos de educación especial.
- Aumentar los fondos de conectividad para proporcionar a los estudiantes y maestros acceso a dispositivos y servicios de Internet para uso fuera del plantel escolar, y apoyar los cambios en el programa E-Rate para usar los fondos con el fin de fortalecer la infraestructura de seguridad de la Tecnología de la Información (IT, por sus siglas en inglés).
- Aumentar las asignaciones para el Título I, el Título II, el Título III, las Subvenciones para la Adquisición del Idioma Inglés, el Título IV, las subvenciones de Asistencia para Escuelas Magnet y otros programas de financiación de la educación.
- Fondos para abordar el abuso de sustancias y los servicios de apoyo para la recuperación de los estudiantes.
- Protección y apoyo a los estudiantes y las familias inmigrantes, incluido el apoyo de las protecciones legales permanentes y un camino hacia la ciudadanía para los jóvenes indocumentados.
- Flexibilidades para los programas de nutrición escolar que permitan la continuidad de las comidas nutritivas y gratuitas para todos los niños.
- Adopción de un proyecto de ley de construcción de escuelas para aumentar el apoyo financiero a las instalaciones escolares y proyectos ecológicos.
- Fondos para abordar la escasez de educadores, mejorar la capacitación y el apoyo para el personal escolar, y aumentar la diversidad de los educadores.
- Fondos para satisfacer las necesidades de salud mental de nuestros estudiantes, personal escolar y maestros mediante el aumento del número de consejeros, psicólogos, trabajadores sociales y otros profesionales de la salud en las escuelas.

Office of Government Relations 2023-24 Policy and Guiding Principles

As the second largest school district in the nation, the Los Angeles Unified School District (Los Angeles Unified) serves a diverse community of more than 500,000 students in pre-kindergarten through Adult Education. Los Angeles Unified families speak 98 languages in their households. Over 86 percent of our students are identified as low-income, English Learner, and/or in the foster care system. These students demonstrate extraordinary resilience and persistence, constantly striving to overcome the challenges they face. Supporting the academic achievement and social-emotional well-being of students, and closing educational equity gaps, requires strong partnerships with federal, state, and local governments.

The Office of Government Relations (OGR) informs the Board and the Superintendent of legislative developments and opportunities and responds to advocacy priorities identified by the Board, the Superintendent and District staff. These policy and guiding principles frame the advocacy and engagement that OGR undertakes on behalf of Los Angeles Unified. The following principles outline areas that guide OGR's work when evaluating legislation or funding proposals introduced by governmental entities, particularly the California Legislature.

GUIDING PRINCIPLES

Los Angeles Unified's principles are guided by the Pillars of our 2022-26 Strategic Plan, as well as a focus on equity, fiscal responsibility, and local control.

Academic Excellence

Students' academic achievement is essential to forming a meaningful path to college and career. A culture of academic achievement and high expectations spurs student curiosity and engagement and prepares students to participate in civil society and democracy. As the echoes of COVID-19 pandemic resound, the State must continue to advance efforts to address learning loss and chronic absenteeism. In alignment with our Strategic Plan, we will support efforts that allow us to improve student performance and graduation rates, so that all students graduate ready for the world.

Joy and Wellness

Student health and wellbeing is at the core of everything we do as a district. All policies we sponsor or support must serve our students' ability to learn, grow, and thrive in a safe environment that helps them achieve their greatest potential as scholars and citizens. As part of this effort, we will support policies that are consistent with the principles of educational equity and that prioritize access to limited resources in areas of highest need.

Engagement and Collaboration

Building trust among internal and external community partners is a critical step in supporting the needs of students. Los Angeles Unified stands committed to strengthening communication with

parents and outside partners on the District's advocacy efforts, and to solicit support on advocacy priorities where coalition efforts are warranted.

Operational Effectiveness and Investing in Staff

As the second largest employer in Los Angeles County and second largest public education system in the country, Los Angeles Unified is committed to ensuring the organizational sustainability of the school district by supporting an educator and staff pipeline of highly qualified and diverse personnel. We will advocate for administrative flexibilities that allow the District to prioritize positions that support services for the whole child.

Fiscal Responsibility

Recognizing that California has a requirement to present a balanced budget, we will holistically consider how requests for increased state or federal funding for certain programs may impact other District advocacy priorities. We believe that it is important that the State fund any new mandates or requirements that it places on school districts. As a large and diverse district, we value flexibility in funding and protecting the principles of the Local Control Funding Formula. We will continue to advocate for sustainable, ongoing funding that allows the District to invest in our students, staff, and families over the long term.

Local Control

Los Angeles Unified is a unique district within California and the United States. Our student body is four times larger than the next largest district in the State and offers services "in-house" that in most districts are supported by the County Office of Education. We recognize and respect that each district serves a unique population and faces unique challenges. For that reason, we value local control and local discretion to provide services and administer programs according to local student needs wherever possible.

AREAS OF FOCUS

Adequacy of Funding

Serving students requires investing in a full and fair funding strategy that includes investments in preschool through Adult Education. The Legislature should consider that costs, such as health insurance and housing, are rising far above the rate of inflation, meaning an annual cost-of-living-adjustment (COLA) is often insufficient. We will continue to advocate for California to join most states in funding schools based on student enrollment, rather than attendance, which more accurately reflects the fixed costs of serving students. Further, the state legislature should prioritize the reimbursements of costly mandated activities that result in less discretionary funding for school sites and the classroom. The State must also continue its commitment to adequately reimburse local educational agencies for the closure of schools due to emergencies including, but not limited to, natural disasters.

Adult Education

Adult Education provides learning opportunities and employment training to adults and out-of-school teens to prepare them for post-secondary studies, careers, and civic participation. To expand and improve services to effectively meet the needs of adult learners, we will

support state policies that provide flexibility to meet changing workforce needs and increase community access to adult education programs and services.

Charter Schools

We support legislative efforts that support all authorizers in the state to advance strong oversight, particularly in the areas of academic achievement, governance, and fiscal transparency, as well as accountability for charter school operations, and equity and access for all students. As the largest authorizer in the State, we believe charter authorizers across the state need to receive ongoing levels of support to implement effective oversight.

Curriculum and Instruction

Robust instructional supports are essential contributors to student success. We will advocate for state support of curriculum and instructional practices by ensuring that sufficient resources are available to effectively implement new and existing curriculum requirements and practices. The State should promote the development of robust curriculum frameworks and additions integrated into existing frameworks, while remaining mindful of the impact that new curriculum requirements have on graduation rates, student enrichment opportunities, and the ability of local school boards to design a curriculum that meets local needs and preferences. In addition, the COVID-19 pandemic created new ways of working and learning. We support efforts to maintain and expand access to online tutoring, coursework, and other digital resources.

Before and After School Care

With the creation of the Expanded Learning Opportunities Program, school districts can better support working families and expand learning opportunities for students, including access to arts, music, sports, enrichment activities, and field trips that would be otherwise out of reach for many families. We are committed to continuing to strengthen before- and after-school program coherence, quality, developmental appropriateness, and accessibility. We will advocate for increased, dedicated support for before- and after-school programming, as well as additional flexibilities that will allow us to best serve our diverse student body.

Data-Driven Practices

Academic achievement and post-secondary success can be achieved most readily when targeted instruction and intervention are guided by real-time, multiple-measure data, both qualitative and quantitative, across transitions from pre-kindergarten to elementary; elementary to middle; middle to high school; and high school to college or career. The State should invest in and support local education agencies' ability to monitor effectiveness and guide technical assistance. We believe that the State should hold schools accountable for metrics that are actionable and should avoid penalizing districts or creating the perception of poor performance for activities or outcomes out of their control. When the State identifies schools to receive additional assistance, the State should also provide timely and transparent policies for how schools will exit this identification for support.

Digital Equity and Safety

Access to high-speed and reliable internet has proven to be a necessity—not a luxury—allowing students, families, and businesses to access valuable information online to continue instruction, stay socially connected, and complete daily work. The digital divide is especially harmful to public education in low-income communities and communities of color which are disproportionately

impacted, leaving the highest-need families disconnected. The State recently adopted a Digital Equity Bill of Rights and must go further to ensure that these principles are translated into action by supporting affordable, reliable, high-speed broadband, and by building out middle-mile and last-mile infrastructure to underserved areas. We also recognize that technologies can negatively affect student health, safety, and wellness. Both State and Federal governments must enhance social media safety and protect students from social media-related dangers including cyberbullying, hate speech, sexual harassment, and propaganda. We are attentive to both the opportunities and challenges inherent to the rise of Generative Artificial Intelligence (AI) and with the understanding it will bring both, will be a voice for students as any state guidelines, policies or regulations are developed.

Early Childhood Education

High-quality pre-kindergarten and transitional kindergarten programs improve a child's social-emotional development and lead to stronger mathematics and literacy skills. Los Angeles Unified is committed to providing every student with a quality education and believes in laying the foundation early to prepare children for kindergarten and beyond. We will support policies that expand access to high-quality early learning for children ages 0-5, including, but not limited to, increased subsidized childcare slots, and greater supports to increase the quality and preparation of the workforce. The State must ensure that new or more stringent program requirements are funded before those requirements are implemented, and that districts are provided sufficient time and resources to implement any new requirements such as smaller class size ratios and increased teacher qualifications.

English Learners and Language Acquisition

Throughout Los Angeles Unified, over 94,000 English Learners are learning to speak English proficiently. Sixty percent of our students live in a home where a language other than English is spoken. English Learners include both newcomer students who immigrate from other countries as well as students born in the US to families who speak languages other than English. We will support policies that allow our English Learners to acquire English fluency and reclassify as English proficient while maintaining their home language and graduating college- and career-ready with the California Seal of Biliteracy. We will seek to expand dual language education programming and offer world language classes that reflect the diversity of our district, and to provide multilingual pathways for all students to become bilingual and biliterate.

Federal Policies

With the support of our federal advocates, we will continue to monitor and advocate through the annual appropriations cycle for increased funding of Titles I-IV formula programs; federal grant programs such as the Magnet Schools Assistance (MSA) grant; and 21st Century program funds for after-school programs. In addition, we will actively advocate for full funding of the Individuals with Disabilities Education Act (IDEA); passage of federal legislation to fund schools' physical and digital infrastructure, including school greening projects; the repeal of the Government Pension Offset/Windfall Elimination Provision and increased funding to state and local education agencies under the McKinney-Vento Homeless Assistance Act. We will support a permanent solution for undocumented youth and Temporary Protected Status (TPS) beneficiaries, the end of immigration policies that impact learning and family stability, and common-sense gun reform. In

addition to these priorities, we will support federal legislation that is consistent with other policies and principles outlined in this document, as appropriate.

Post-Secondary Attainment and Success

Los Angeles Unified is committed to preparing all students for postsecondary success by supporting state policies that enable us to align innovative resources equitably and effectively in support of student needs. College readiness curriculum, providing access to the financial aid application process, and concurrent enrollment at secondary school sites builds students' identity as college and career ready. We will support policies that remove barriers to college access for all students, especially those from underrepresented communities.

School Facilities

With over 1,300 schools serving pre-kindergarten through Adult Education, Los Angeles Unified's aging and deteriorated school facilities require ongoing investments to provide safe, healthy, and functional places to learn for all students. We are still making up for decades of unmet capital needs, while new requirements and priorities emerge, and the backlog of unaddressed conditions continues to grow. Our capital needs far exceed the funding available. We are committed to pursuing and supporting changes to state law that will maximize funding, address barriers to timely project execution, ensure efficient use of resources, and promote the District's climate goals including the transition to renewable energy. We support statewide investments in school facilities construction, modernization, and greening projects, and will pursue actions that enable us to upgrade our solar power system to achieve 100 percent clean renewable energy by 2030.

School Personnel Pipeline

With the ongoing need to create a pipeline of credentialed math and science teachers, nurses, psychiatric social workers, librarians, and other classified positions, we will continue to advocate for programs that expand career ladders, both pre-service and in-service, and draw highly effective candidates into the field of education. These efforts include funding for teacher preparation programs, higher education collaboratives between districts and institutions of higher education, and research practice partnerships.

Special Education

Special education is significantly underfunded in California and across the nation. The share of District's General Fund contribution directed to special education is more than double the State or federal share. We believe the State and federal governments need to increase their investment levels to enhance equitable special education funding for pre-kindergarten students with disabilities and students with moderate-to-severe disabilities. We will continue to support federal funding efforts to match the initial principles of the IDEA to fund special education at the appropriate level. Finally, we will support the principles of inclusiveness and inclusive terminology.

State Mandates

The passage of state legislation often results in new, unfunded mandates that local educational agencies pay out of the existing state funding received through the Local Control Funding Formula. With the passage of new legislation, the state legislature should prioritize the reimbursements of costly mandated activities that result in less discretionary funding for school sites and the classroom. The State must meet its obligations to reimburse school districts for prior mandate

claims and should develop a clear and public process for the funding of future state-mandated activities – either through the constitutional claim process, or inclusion in the K-12 Mandate Block Grant Program. For example, while we will endeavor to meet and exceed the state requirement that all new school buses purchased be electric beginning 2035, we will continue to engage the State to fund costs accompanying the associated new mandate.

Student Safety

Student safety is the Los Angeles Unified School District’s number one priority. The District takes a strong position against bullying, hazing, or any behavior that infringes on the safety or well-being of students, employees, or any other persons within the District’s jurisdiction or interferes with learning or the ability to teach. We will collaborate with local authorities, such as the City of Los Angeles and the County of Los Angeles, to support safe passage to and from school for students, staff, and families. We will advocate for full funding for crossing guards and traffic calming measures that reduce pedestrian-related incidents. As our nation faces an unprecedented threat to our youth in synthetic opioid overdose risk, we will support efforts at all levels of government to address this crisis. We will also advocate for new avenues to curtail the pervasive epidemic of gun violence through new legislative requirements, including, but not limited to, strengthening gun violence restraining orders, gun storage laws and, restrictions of the sale of firearms, and increased safety measures.

Supporting the Whole Child

Supporting the whole child is grounded on the principle that each student’s potential for success is positively influenced by an environment that fosters the health, mental health, safety, engagement, support, and academic enrichment of that student. Students learn best when we recognize that academic achievement is not limited to experiences in the classroom. Accordingly, we will continue to advocate for whole-child well-being, including, but not limited to, expanding services for the health and wellness of students through Medi-Cal and other funding mechanisms. We will continue expanding our network of medical, mental, and behavioral health services through internal and external providers. We will continue to expand access to sustainable funding for provision of school meals that meet federal and state nutritional standards and support measures that contribute access to affordable housing for students, families, and school employees.

Board of Education Report

File #: Rep-092-23/24, **Version:** 1

Approval of the Proposed Material Revision for New Horizons Charter Academy

December 12, 2023

Charter Schools Division

Action Proposed:

Approve the material revision of the charter for New Horizons Charter Academy (“Charter School”), to relocate to a private site. The proposed facility is located at 14701 Friar Street, Van Nuys, CA 91411, in Board District 3 and Region North. The recommendation for approval is based on the information set forth in the attached Staff Assessment and Recommendation Report.

Background:

New Horizons Charter Academy is a TK-8 school serving 197 students currently on the campus of Fair Avenue ES, as a co-location through Proposition 39, in North Hollywood at 6501 Fair Avenue, North Hollywood, CA 91601 in Board District 6 and Region North. New Horizons Charter Academy was approved by the LAUSD Board of Education on April 16, 2013. On November 7, 2017, the charter school was renewed for another five-year term to serve 300 students in grades TK-8.

On September 26, 2023, the Charter Schools Division commenced processing of New Horizons Charter Academy’s complete material revision. New Horizons Charter Academy seeks to revise its current charter, which expires June 30, 2026. Effective July 1, 2021, pursuant to Education Code section 47607.4, all charter schools whose term expires on or between January 1, 2022, and June 30, 2025, inclusive, shall have their term extended by two years, and all charter schools whose term expires on or between January 1, 2024, and June 30, 2027, inclusive, shall have their term extended by one additional year. Thus, by operation of law, the charter term for New Horizons Charter Academy expires June 30, 2026.

Based on a comprehensive review of the material revision application and supporting documentation, staff has determined that the charter school has met the standards and criteria set forth in Education Code section 47605 and therefore recommends approval of the material revision of the charter.

Expected Outcomes:

Charter School is expected to operate its school in a manner consistent with Board action, policies and requirements, and local, state, and federal law including ordinances, statutes, and regulations as well as with the terms and conditions set forth in Charter School’s petition. The measurable pupil outcomes and method by which pupil progress toward outcomes will be measured are set forth in the charter petition.

Board Options and Consequences:

“Yes” - If the Board adopts the recommendation of approval of the material revision of the charter, Charter School would continue to operate as a charter school, under the terms of the amended charter, commencing in the 2024-2025 school year..

“No” - If the Board does not adopt the recommendation of approval of the material revision of the charter, and instead takes specific action to deny the proposed material revision of the charter, Charter School would continue to operate under the terms of its current charter consistently with the Board’s action and direction.

Policy Implications:

There are no policy implications at this time.

Budget Impact:

State income and various other income sources to the District are reduced when current District students enroll at a charter school, and comparable or offsetting expenditure reduction may not occur in such cases. Under Education Code section 47604(d), a chartering authority that grants a charter to a charter school to be operated as or by a nonprofit public benefit corporation is not liable for the debts or obligations of the charter school or for claims arising from the performance of acts, errors, or omissions by the charter school if the chartering authority has complied with all oversight responsibilities required by law including, but not limited to, those required by Education Code section 47604.32 and Education Code section 47605(m). As the chartering authority, the District will continue to monitor and evaluate the charter school’s fiscal condition and operations, and management of public funds, including review of all legally required fiscal reports, and the annual update of the charter school’s LCAP. (Ed. Code, §§ 47604.32, 47604.33, 47606.5). Any significant modifications to the charter school’s charter or operations that raise financial implications would require a material revision prior to implementation. Petition approval is also contingent upon adequate liability insurance coverage.

Charter School has selected to join the LAUSD Special Education Local Planning Area (SELPA) Option 3. Charter School’s fair share contribution to special education will be 10% of the charter school’s AB 602 (rate includes Base, Cost-of-Living Adjustment (COLA), and Growth/Decline reduced by the amount withheld for Program Specialist/Regionalized Services) and Federal IDEA revenues. This amount will be paid from Charter School’s Local Control Funding Formula (“LCFF”) funds or other unrestricted revenue sources and will be allocated to support the existing District-wide administration of special education supports and services. The amount withheld by the District from the Program Specialist/Regionalized Services in fiscal year will continue to be withheld and adjusted annually for COLA. An additional 10% of special education revenues will be retained by the District and allocated as directed by the Advisory Board and members of the LAUSD SELPA Option 3, with the leadership of the Director, Charter Operated Programs. These funds will be used to support the personnel for the members of the LAUSD SELPA Option 3; build management and operating procedures to create an infrastructure to support schools in meeting the needs of students with mild to severe disabilities; and, to create and implement new programs that serve students in charter schools. If Charter School does not spend their allocation of special education funds during a fiscal year of the charter petition period, the allocation of special education funds to Charter School for the next fiscal year will be reduced in an amount equal to the unspent special education funds of the previous fiscal year.

In addition to the payments required under this option, Charter School may request specific special education related services from the District through fee-for-service arrangements that will reflect the calculated cost of the requested services and will be contingent on the District’s available resources.

Any change in the Option election that occurs during Charter School’s charter term shall be mutually agreed upon and addressed in an MOU between the charter school and the District. The new Option election shall be effective on July 1 of the next school year with the corresponding fair share contribution.

Staff’s fiscal impact analysis is calculated based on multiple sourced assumptions (as reflected below) to provide a projection of New Horizons Charter Academy’s potential fiscal impact on existing District schools in

the proposed community.

Given the various factors described below, New Horizons' material revision request is not likely to have a significant fiscal impact on the 38 existing District and charter schools. These factors include: New Horizons Charter Academy's proposed move is within an approximate four-mile radius from its current community, which partially overlaps with the proposed community; the school reports that its current student population comprises students who live within the attendance boundaries of over 40 different LAUSD resident schools, including over 30 students residing in the Van Nuys/Valley Glen community in which the proposed site is located; and the charter school anticipates that most of its current students in TK-7 would move with the school. Under these circumstances, the budget assumptions and the community fiscal impact analysis described below are for illustrative purposes only.

Based on New Horizons Charter Academy's projected enrollment (262 and 275 students for Fiscal Years 2024-2025 and 2025-2026, respectively), the estimated total revenue loss, collectively, for the District's schools could be \$7,921,820 over the period of New Horizons Charter Academy's remaining charter term. Additionally, the aggregate fiscal impact on District and charter schools in the proposed community could be \$8,331,619 for the corresponding school years. Because District revenue is associated with ADA rather than enrollment (See 5 C.C.R. § 402), the estimated District revenue loss is not directly proportionally associated with the number of students who would attend the charter school. Additionally, as a result of lower enrollment to the District schools, any loss of revenue may be offset by possible reductions in expenditures for the District's services and programs.

As noted above, the budget assumptions and the community fiscal impact analysis are for illustrative purposes only based on New Horizons Charter Academy's current student population and residents, and the overlapping community sectors described above. Under these circumstances, New Horizons Charter Academy's material revision request is deemed to have a limited to partial fiscal impact.

Currently, there are five (5) other LAUSD-authorized independent charter schools within the proposed community serving one or more of the same grade levels (Grades TK-8) as New Horizons Charter Academy.

Student Impact:

As stated in the *LAUSD Policy and Procedures for Charter Schools*, "[W]hen the LAUSD Board authorizes and oversees a charter school, it establishes a relationship to advance its vision and mission and to accelerate gains in academic achievement and accountability for *all* of its students and public schools," (*Policy*, p.3). Based on a comprehensive review and assessment of Charter School's request for material revision of the charter and its record of performance, staff has determined that Charter School has met the requirements for approval of the material revision.

Equity Impact:

Not applicable

Issues and Analysis:

If all applicable pending issues, including but not limited to special education requirements, special education local planning area (SELPA) requirements, governance, fiscal and facilities matters, are not resolved at the time of the Board meeting, the item may be pulled from the agenda as consistent with Education Code sections 47605 and 47607 and the *LAUSD Policy and Procedures for Charter Schools*.

STAFF ASSESSMENT AND RECOMMENDATION REPORT

REQUEST FOR MATERIAL REVISION OF CHARTER

Board of Education Report 092-23/24

December 12, 2023

School Name:	New Horizons Charter Academy		
Type of Charter School:	Start-Up Independent Charter School		
Charter Operator	Dharma Educational Institute		
Location Code:	2263		
Type of Site(s):	Proposition 39 Co-Location		
Site Address(es):	6501 Fair Avenue, North Hollywood, CA 91601 (Fair Avenue ES Campus)		
Board District(s):	6	Region(s):	North
Grade Levels Served:	TK-8	Current Enrollment:	195
Grade Levels Authorized in Current Charter:	TK-8	Approved Enrollment in Current Charter:	300
CONSIDERATION:	Material Revision to Relocate School to a New Facility		
CDE PERFORMANCE LEVEL: (PER CDE'S 2020 CLASSIFICATION)	Middle Performing		
STAFF RECOMMENDATION:	Approval		

STAFF ASSESSMENT

I. ACTION PROPOSED

Staff recommends approval of the proposed material revision of the charter for New Horizons Charter Academy ("New Horizons" or "Charter School"), a TK-8 span school located in Board District 6 and Region North, to move from its current Proposition 39 co-location to a new facility, which is a private site. The proposed facility is located at 14701 Friar Street, Van Nuys, CA 91411, in Board District 3 and Region North.

Dharma Educational Institute, the California nonprofit public benefit corporation that holds the charter under the ultimate direction of the board of directors, seeks the proposed relocation to a larger private site. Charter School proposes to begin operations at the private site in the 2024-2025 school year.

II. CRITERIA FOR MATERIAL REVISIONS

Material revisions are governed by the same standards and criteria that apply to new petitions (See Ed. Code, §§47605 and 47607.) If the material revision contains a request to expand to one or more additional sites, or to add grade levels, staff must also determine whether the charter school is demonstrably unlikely to serve the interests of the entire community in which the school is proposing to locate. (See Ed. Code, § 47605(c)(7); Ed. Code, § 47607(a)(3) and (4)), and whether LAUSD is positioned to absorb the fiscal impact of the charter school expansion. (See Ed. Code, § 47605(c)(8); Ed. Code § 47607(a)(3) and (4).) Based on a comprehensive review of the material revision application, staff has determined that the material revision application has met the standards and

criteria for approval [described in Education Code section 47605] or were determined not to be a basis for denial of the material revision application. Staff analysis includes the following:

- Does the petition, as revised, include a sound educational program, a reasonably comprehensive description of the 15 elements required for petitions, an affirmation of each of the conditions described in Education Code section 47605(e), and are petitioners demonstrably likely to successfully implement the program set forth in the petition?
These criteria have been determined not to be bases for denial.
- Does the petition contain a declaration of whether or not the charter school shall be deemed the exclusive public employer of the employees of the charter school?
This requirement has been determined not to be a basis for denial.
- Is the proposed charter school demonstrably likely to serve the interests of the entire community in which the school is proposing to locate? (Ed. Code, § 47605(c)(7).)
This criterion has been determined not to be a basis for denial.
- Is the school district positioned to absorb the fiscal impact of the proposed charter school? (Ed. Code, § 47605(c)(8).)
This criterion has been determined not to be a basis for denial.

III. GENERAL SCHOOL INFORMATION

A. Charter Details

	New Horizons Charter Academy
Initial Authorization:	On April 16, 2013, New Horizons Charter Academy was authorized by the LAUSD Board of Education to serve 293 students in grades K-8.
Most Recent Renewal	The charter was renewed on November 7, 2017, for a five-year term (July 1, 2018 - June 30, 2023) to serve up to 300 students in grades TK-8. Effective July 1, 2021, pursuant to Education Code section 47607.4, all charter schools whose terms expire on or between January 1, 2022, and June 30, 2025, inclusive, shall have their terms extended by two years, and all charter schools whose terms expire on or between January 1, 2024, and June 30, 2027, inclusive, shall have their terms extended by one additional year. Thus, by operation of law, the charter term for New Horizons expires June 30, 2026.
Approved Material Revisions of Current Charter:	None
Board Benchmarks in Current Charter Term:	On November 7, 2017, as part of the school's most recent renewal, the LAUSD Board of Education issued the following academic benchmark to New Horizons: <i>The school shall provide an update to the Charter Schools Division</i>

	New Horizons Charter Academy
	<i>no later than December 1 of each year of the charter term (after CAASPP (SBAC) scores have been released by the CDE).</i> <i>Demonstrate at least one performance level growth per academic year, as reported on the California School Dashboard, for numerically significant subgroups in Math, as measured by the CAASPP (SBAC) Assessment at a rate equal to or greater than the Resident and Similar Schools median, with the goal of achieving and maintaining the “Green” performance level or higher.</i> New Horizons has provided the required annual written updates on its progress toward the academic benchmark in Math. Additionally, due to the current unavailability of Change Level data and performance levels (colors) on the California School Dashboard, Charter School’s progress toward achieving this academic performance benchmark cannot be determined at the present time. Staff will assess further as applicable data are available.
Material Revision Application:	The processing of the New Horizons complete material revision application commenced on September 26, 2023. Pursuant to the <i>LAUSD Policy and Procedures for Charter Schools</i> , the 120-day timeline (for presenting the material revision once processing commences) runs through January 23, 2024.
Master Plan for English Learners and Standard English Learners:	New Horizons implements the LAUSD Master Plan for English Learners and Standard English Learners.
Special Education SELPA	New Horizons participates in LAUSD Special Education Local Plan Area (SELPA) Option 3.

B. Charter School Operator

New Horizons is operated by Dharma Educational Institute, a California nonprofit public benefit corporation; the organization does not operate any other LAUSD-authorized charter school.

IV. STUDENT ACHIEVEMENT AND EDUCATIONAL PERFORMANCE

a. Summary

New Horizons has been identified by the state as a Middle performing charter school. Please see discussion of the charter school’s record of academic performance below. Updated CDE performance levels from the state are not available at this time.

Please see the attached *New Horizons Charter Academy Data Set*.

b. Measurements of Academic Performance on the California School Dashboard

Due to the COVID-19 pandemic, the 2022 Dashboard only displays the most current year of data (also known as Status). Performance levels are reported based on the 2021-2022 school year data using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with

the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High).

New Horizons Charter Academy							
Year	ELA	Math	EL Progress Indicator *	College / Career Indicator	Chronic Absent.	Graduation Rate	Suspension Rate
2022	Low	Low	Low	N/A	Very High	No Performance Level	High

Data Sources: California School Dashboard Research data files 2022 <https://www.cde.ca.gov/ds/sd/sd/>

c. English Language Arts Academic Indicator

In 2022 in ELA, the charter school's Distance from Standard (DFS) was lower than the state for All Students and lower than the state for three of the school's four numerically significant student groups.

	ENGLISH LANGUAGE ARTS INDICATOR	Participation Rate	New Horizons Charter Academy		State		Charter vs. State DFS
			Level	DFS	Level	DFS	
2022	All Students	Met	Low	-35.1	Low	-12.2	Lower
	English Learners	Met	Low	-68.3	Low	-61.2	Lower
	Latino	Met	Low	-45.6	Low	-38.6	Lower
	Socioeconomically Disadvantaged	Met	Low	-36.4	Low	-41.4	Higher
	White	Met	Low	-6.7	High	21.9	Lower

Data Source: California School Dashboard Research data files 2022

d. Math Academic Indicator

In 2022 in Math, the charter school's Distance from Standard (DFS) was lower than the state for All Students and higher than the state for three of the school's four numerically significant student groups.

	MATH INDICATOR	Participation Rate	New Horizons Charter Academy		State		Charter vs. State DFS
			Level	DFS	Level	DFS	
2022	All Students	Met	Low	-67.4	Low	-51.7	Lower
	English Learners	Met	Low	-88.5	Low	-92.0	Higher
	Latino	Met	Low	-87.8	Low	-83.4	Lower
	Socioeconomically Disadvantaged	Met	Low	-69.6	Low	-84.0	Higher
	White	Met	Medium	-11.5	Medium	-13.4	Higher

Data Source: California School Dashboard Research data files 2022

e. English Learner Progress Academic Indicator

In 2022 on the ELPI, the charter school's performance level (Low) was lower than the state's performance level.

2022	English Learner Progress Indicator	ELPAC Participation Rate	New Horizons Charter Academy		State		Charter vs. State EL Progress
			Level	EL Progress	Level	EL Progress	
	English Learners	Not Met	Low	44.8%	Medium	50.3%	Lower

Data Source: California School Dashboard Research data files 2022

f. College/Career Academic Indicator

Not applicable

g. Chronic Absenteeism Indicator

In 2022 on the Chronic Absenteeism Indicator, the charter school's rate of chronic absenteeism was higher than the state for All Students and for all four of the school's numerically significant student groups.

h. Graduation Indicator [HS only]

Not applicable

i. Suspension Rate Indicator

In 2022 on the Suspension Rate Indicator, the charter school's percentage of students suspended at least once was the same as the state for All Students and lower than the state for all four of the school's numerically significant student groups.

j. Dashboard Local Indicators

Staff also considered the Local Indicators (e.g., Basic: Teachers, Instructional Materials, Facilities; Implementation of Academic Standards; Parent and Family Engagement; Local Climate Survey; Access to a Broad Course of Study), which have all been reported by the state as "Not Met." School leadership indicated that Charter School has had technical issues with receiving notices, accessing, and submitting self-reflection reports related to the Local Indicators part of the California School Dashboard. Charter School has put new redundancies and supports in place to improve its monitoring of the school's compliance with the Local Indicators requirements, including a system for ensuring timely notice is received and reports are accepted by the state's online system.

k. Reclassification Rates

In 2020-2021, the New Horizons reclassification rate of 0.0% was lower than the state's rate of 6.9%. In 2019-2020, the New Horizons reclassification rate of 8.0% was lower than the state's rate of 13.8%. Recent reclassification rates from the state are not available at this time.

l. Internal Assessment Data

The charter school provided data for Reading from a *Student Growth Summary Report* by "MAP Growth by NWEA, Grades K-12" (MAP Growth) for 2022-2023 (Fall to Spring administration). Map Growth is an adopted academic progress indicator approved by the California State Board of Education (SBE) to be on the verified data list.

As a reference, Every Student Succeeds Act (ESSA) requires that all schools and student groups meet the 95 percent participation requirement for English language/arts/literacy (ELA) and Math. It is important to note the *Student Growth Summary Report* from MAP Growth does not provide a participation rate on the report. However, for context, in 2022-2023, the charter school had a norm enrollment of 258 students. The submitted MAP Growth reports indicate that the school had 212 growth events (number of students with valid growth test events for both terms) in ELA. The approximate participation rate was 82% in ELA, and Math had a similar rate.

For Reading, the *Student Growth Summary Report* provided indicates that grades 1, 2, 7, and 8 met the required Conditional Growth Index (CGI)¹ to demonstrate one year's growth within a CGI range of -0.2 to 0.2.

All Students By Grade Level	CGI (distance from 0)	One Year's Progress
Kindergarten	-1.31	Not Met
1 st Grade	+0.52	Met
2 nd Grade	+0.81	Met
3 rd Grade	-2.55	Not Met
4 th Grade	-2.36	Not Met
5 th Grade	-7.09	Not Met
6 th Grade	-1.38	Not Met
7 th Grade	+1.47	Met
8 th Grade	+0.28	Met

Data Source: NWEA MAP reports provided by New Horizons Charter Academy

For Math, the *Student Growth Summary Report* provided indicates that grades 2, 6, and 8 met the required Conditional Growth Index (CGI)² to demonstrate one year's growth within a CGI range of -0.2 to 0.2.

All Students By Grade Level	CGI (distance from 0)	One Year's Progress
Kindergarten	-1.94	Not Met
1 st Grade	-0.70	Not Met
2 nd Grade	+0.09	Met
3 rd Grade	-2.40	Not Met
4 th Grade	-1.22	Not Met
5 th Grade	-2.53	Not Met
6 th Grade	+1.46	Met
7 th Grade	-1.18	Not Met
8 th Grade	+1.38	Met

Data Source: NWEA MAP reports provided by New Horizons Charter Academy

Please see the attached *NWEA MAP 2022-2023 Growth Reports*.

m. Additional Information

None

¹ NWEA's CGI indicates how many standard deviation units above or below the growth norm. A CGI of zero means a student showed gains that were equivalent to the growth norms. A positive CGI means a student's growth was above the norm, while a negative CGI means a student's growth was below the norm.

² NWEA's CGI indicates how many standard deviation units above or below the growth norm. A CGI of zero means a student showed gains that were equivalent to the growth norms. A positive CGI means a student's growth was above the norm, while a negative CGI means a student's growth was below the norm.

V. ANNUAL PERFORMANCE-BASED OVERSIGHT VISIT RESULTS

In accordance with Education Code section 47604.32, the District's Charter Schools Division (CSD) conducts at least one school site visit each year where the CSD evaluates charter school performance in the following four categories: Governance; Student Achievement and Educational Performance; Organizational Management, Programs, and Operations; and Fiscal Operations. Charter schools are rated in each category based on information and evidence gathered at the time of the annual performance-based oversight visit following a four-point rubric: (4) *Accomplished*, (3) *Proficient*, (2) *Developing*, and (1) *Unsatisfactory*. Please see below for New Horizons Charter Academy's outcomes on its annual oversight evaluation reports for the last two years.

a. Governance

Oversight Ratings/Concerns	
2021-2022	<i>Proficient</i>
2022-2023	<i>Proficient</i>
Concerns	No unresolved issues pending

b. Student Achievement and Educational Performance

Oversight Ratings/Concerns	
2021-2022	<i>No Rating*</i>
2022-2023	<i>Developing</i>
Concerns	As noted in IV. Student Achievement and Educational Performance above, Charter School underperformed the state's "All Students" averages on the ELA, Math, ELPI, and Chronic Absenteeism indicators.

**Due to the COVID-19 pandemic, state law suspended the reporting of state indicators on the 2021 Dashboard.*

c. Organizational Management, Programs, and Operations

Oversight Ratings/Concerns	
2021-2022	<i>Proficient</i>
2022-2023	<i>Proficient</i>
Concerns	No unresolved issues pending

d. Fiscal Operations

Oversight Ratings/Concerns	
2021-2022	<i>Accomplished</i>
2022-2023	<i>Accomplished</i>
Concerns	No significant concerns noted. The CSD noted that the school's internal controls and processes were generally in place and implemented in practice.

e. Additional Information

None

VI. FISCAL MANAGEMENT AND PERFORMANCEa. Fiscal Condition

New Horizons' fiscal condition is positive and has been upward trending since the 2019-2020 fiscal year.

	2019-2020 (Audited Actuals)	2020-2021 (Audited Actuals)	2021-2022 (Audited Actuals)	2022-2023 (Unaudited Actuals)	2023-2024 (Preliminary Budget)
Net Assets	\$497,218	\$1,477,579	\$1,851,628	\$2,410,900	\$3,057,500
Net Income/Loss	\$4,668	\$980,361	\$374,049	\$559,272	\$646,600
Transfers In/Out	\$0	\$0	\$0	\$0	\$0
Prior Year Adjustment(s)	\$0	\$0	\$0	\$0	\$0

b. 2021-2022 Independent Audit Report

Audit Opinion: Unmodified/Unqualified

Material Weaknesses: None Reported

Deficiencies/Findings: None Reported

Lack of a Going Concern: None Reported

c. Other Significant Fiscal Information

New Horizons has entered into a settlement agreement with LAUSD regarding Proposition 39 over-allocated space reimbursement and is current on its payment plan. Per the LAUSD Charter Schools Accounting Unit's record, as of the writing of this report, New Horizons owes \$157,220 in Proposition 39 over-allocated space reimbursement fees to LAUSD. The CSD will continue to monitor this matter through oversight.

New Horizons' submitted budget and cash flow projections include the lease payments, and construction and buildout costs pertaining to its proposed facility. New Horizons projects positive net operational results and net assets, and cash reserve levels above the recommended 5% for the remaining years in the current charter term.

VII. COMMUNITY IMPACT ANALYSIS

Staff's analysis evaluated whether the proposed move from Charter School's current location to a private site is demonstrably unlikely to serve the interests of the entire community. (See Ed. Code, § 47605(c)(7); see also the *LAUSD Policy and Procedures for Charter Schools*, pgs. 45-49.) Accordingly, the District's analysis considered the potential fiscal impact of the proposed move on the new community; the extent to which the proposed move would substantially undermine existing services and academic offerings or programmatic offerings in the new community; and whether the school would duplicate a program currently being offered in reasonable proximity to the proposed new location.

Per the *LAUSD Policy and Procedures for Charter Schools*, a “community” includes families and individuals who reside, work, and/or are served in the identified geographical area, and all public schools (District and charter) serving similar grade levels as the charter school. The identified geographical area encompasses both the LAUSD Community of Schools in which the proposed site is located and neighborhoods within a three-mile radius from the specific location identified in the charter school’s material revision application. Data provided by the Office of Master Planning and Demographics (MPD), indicates that the community in this instance includes 38 LAUSD public schools (33 District schools (including 4 affiliated charter schools) and 5 independent charter schools) currently serving at least one of the same grade levels as Charter School.

1. *Fiscal Impact on the Existing District and Charter Schools in the Proposed Community*

Staff’s fiscal impact analysis is calculated based on multiple sourced assumptions³ to provide a projection of New Horizons’ potential fiscal impact, collectively, to existing District and charter schools in the proposed target community. Given the various factors described below, New Horizons’ material revision request is not likely to have a significant fiscal impact on the 38 existing District and charter schools. These factors include: New Horizons’ proposed move is within an approximate four-mile radius from its current community, which partially overlaps with the proposed community; the school reports that its current student population comprises students who live within the attendance boundaries of over 40 different LAUSD resident schools, including over 30 students residing in the Van Nuys/Valley Glen community in which the proposed site is located; and the charter school anticipates that most of its current students in TK-7 would move with the school. Under these circumstances, the budget assumptions and the community fiscal impact analysis described below are for illustrative purposes only.

Based on New Horizons’ projected enrollment (262 and 275 students for Fiscal Years 2024-2025 and 2025-2026),⁴ the estimated total revenue loss, collectively, for the District’s schools could be \$7,921,820 over the period of New Horizons’ remaining charter term. Additionally, the aggregate fiscal impact on District and charter schools in the proposed community could be \$8,331,619 for the corresponding school years. Because District revenue is associated with ADA rather than enrollment (See 5 C.C.R § 402), the estimated District revenue loss is not directly proportionally associated with the number of students who would attend the charter school. Additionally, as a result of lower enrollment to the District schools, any loss of revenue may be offset by possible reductions in expenditures for the District’s services and programs.

Further, and using the same assumptions and the most current District Norm tables (staffing ratios by grade spans), it is also projected that correlative District staff impacts will result based on New Horizons’ projected enrollment. For example, the projected staff impact, collectively, for the District schools within the proposed target community could be seven (7) teachers for Fiscal Years 2024-2025 and 2025-2026, respectively.

³ Staff’s assumptions and analysis utilized in the Fiscal Impact section are primarily based on the following sources: (1) Percentage of students that attend District schools (approximately 95%) and charter schools (approximately 5%) in the proposed community; (2) Average enrollment realization ratio (as a percentage of the aggregate Norm Enrollment over the aggregate petition enrollment rollout) for the charter schools in the proposed community in the three most recent years, which is approximately 65% from Fiscal Years 2020-2021 through 2022-2023. Please see attached *New Horizons Charter Academy Schools within the Community List with Enrollment Data*; (3) Per Pupil Revenue Rate, which is \$25,690 in the 2023-2024 academic school year based on LAUSD’s “Final Budget 2023-24” ([Link](#)); and (4) District school attendance rate of approximately 93% representing the 3-year cumulative average ADA from 2020-2021 through 2022-2023 based on LAUSD’s “Final Budget 2023-24” ([Link](#)).

⁴ Fiscal Year 2024-2025 is the school year for New Horizons’ proposed move. Fiscal Year 2025-2026 is Charter School’s renewal year.

As noted above, the budget assumptions and the community fiscal impact analysis are for illustrative purposes only based on New Horizons' current student population and residents, and the overlapping community sectors described above. Under these circumstances, New Horizons' material revision request is deemed to have a limited to partial fiscal impact.

2. *Duplication of Programs*

As part of the analysis to determine if the charter school is demonstrably unlikely to serve the interests of the entire community in which the school is proposing to locate, staff compared the programs offered by Charter School with those programs provided by the existing schools in the community to determine whether and to what extent they would be duplicative or substantially undermine existing programs and services. Based on review of Charter School's submitted Community Impact Assessment, publicly available information, and input from LAUSD Region North, although many of the programs offered by New Horizons would duplicate some existing programmatic offerings in the area, it does not appear that the relocation of New Horizons would substantially undermine existing services or programs at other schools in the community.

Staff's analysis indicates that New Horizons does not offer a distinctive comprehensive program, such as International Baccalaureate, a School for Advanced Studies, a dual language program, or a GATE program, that would put it in direct competition with the District schools that offer these programs in the area. Charter School's educational program offers a variety of familiar programmatic elements, components, and practices, such as project-based learning and use of technology to provide personalized learning supports, most of which can be found in many other District schools in the area. New Horizons nonetheless offers its own blend of these elements in a small TK-8 span school setting. Only one other District school within the identified community, Hesby Oaks, a District-affiliated charter school, offers this configuration. One LAUSD-authorized independent charter school, Ivy Bound Academy of Math, Science, and Technology Charter Middle, provides a 5-8 program, but not a full TK-8 span model.

To evaluate whether the existing schools in the community have sufficient capacity to serve the programmatic needs of the community's students, staff's analysis included a review of the enrollment trends of the existing District and charter schools in the proposed community. This review indicates that the existing programs have sufficient capacity within reasonable proximity to the proposed Friar Street site to which Charter School intends to re-locate.

3. *Enrollment Trends of the Existing District and Charter Schools in the Proposed Community*

Staff's review of the 2022-2023 Norm Enrollment data provided by MPD and the District Attendance and Enrollment Unit reveals that 38 of the 38 existing District and charter schools were under-enrolled in comparison to their current capacity. Moreover, the 2022-2023 enrollment data show that the majority of schools were under-enrolled within the community in which Charter School proposes to locate by an average of 107 students; 34 schools under-enrolled by 24 students or more represent 89% of the under-enrolled schools.⁵ Enrollment data

⁵ As a way to assess the materiality of the under-enrollment, Staff reviews the extent to which the latest Norm Enrollment data reflects a majority of the existing schools are under-enrolled compared to their capacity at a level equal to or greater than the number required to staff a class according to applicable District Norm tables (in this case, 24:1 in grades K-3 ([Link to District Elementary Schools Staffing Ratios for 2023-24](#)), and 27:1 in 4, 5, and 6 ([Link to District Elementary Schools Staffing Ratios for 2023-24](#))). If a majority of schools fall within this

from Fiscal Years 2020-2021 and 2021-2022 indicate similar under-enrollment trends in the proposed community. Specifically, the enrollment data reflects that a majority of the schools within the community were under-enrolled for both school years. The schools that were under-enrolled by 24 students or more represented 92% and 79% of the under-enrolled schools for Fiscal Years 2020-2021 and 2021-2022, respectively.

New Horizons did not meet its Fiscal Year 2022-2023 projected enrollment of 300 students per its enrollment roll-out plan included in the school's latest renewal petition representing a shortfall of 42 students (or 14%). Based on staff's review of New Horizons' budget submitted with its material revision request, the charter school projects student enrollment of 197, 262, and 275 for the remaining three years through the end of the current charter term (i.e., Fiscal Years 2023-2024, 2024-2025, and 2025-2026), respectively. New Horizons indicated that it expects to meet the projected enrollment based on various factors, including their matriculation trends in the past, recruitment efforts, well-established blended-learning model, etc.

As noted above, New Horizons is a span school, with a current enrollment of approximately 200 students. New Horizons indicated that it anticipates that most of its current students in TK-7 would move with the school to the proposed community. New Horizons projects 275 student enrollment for Fiscal Year 2025-2026 (the charter school's renewal year), which is less than the approved enrollment capacity of 300 students per its operative charter. Assuming that New Horizons reaches 300 students in Fiscal Year 2025-2026 and that 100% of the projected increase of approximately 100 students will come from the existing District and charter schools, Charter School's material revision request is not likely to have a significant undermining impact to the 38 existing District and charter schools, as 100 students represents less than 1% of the 3-year average enrollment of approximately 23,000 students for these 38 schools (per the Nom Enrollment data for Fiscal Years from 2020-2021 through 2022-2023).

Please see attached *New Horizons Charter Academy Schools within the Community List with Enrollment Data*.

4. Additional Considerations

a. Community Engagement

Staff's review of the materials submitted by New Horizons revealed that, pursuant to the *LAUSD Policy and Procedures for Charter Schools*, the charter school conducted community outreach efforts with parents, District and charter school leaders, LAUSD Region and Community of Schools leaders, LAUSD Board of Education member offices, elected representatives, neighborhood council(s), and community-based organizations. The documentation provided shows that Charter School's outreach included sharing information on social media, sending emails, holding a public Town Hall meeting at the proposed site with presentation materials in English and Spanish, and physically delivering and posting information and flyers in English and Spanish. New Horizons also reported that it made Armenian translation available as well.

The charter school provided documentation of stakeholders' responses consisting of emails from three District schools, one existing independent charter school, and one elected representative within the community. Based on the submitted documentation, including the

category, Staff deems there to be prevalent under-enrollment in the community. Among other considerations, this analysis may help determine if a proposed new charter school or a material revision request has a substantially undermining impact to the existing District and charter schools.

charter school's summary of responses, the responses are generally supportive of, or neutral toward, Charter School's proposed move to the community.

Overall, New Horizons' community engagement has been reasonable in scope, based on the information and materials provided by Charter School.

b. Academic Performance

Staff reviewed the record of performance of the existing Schools within the Community (SWC) on the applicable 2022 California School Dashboard indicators for All Students and for each numerically significant student group served in comparison to state averages as well as New Horizons' performance. Please see *New Horizons Charter Academy Schools within the Community Data Set* and *New Horizons Charter Academy Schools within the Community Student Group Data Set*.

Comparison of SWC Schoolwide Performance to State and Charter School Averages:

Comparison of the SWC's All Students medians⁶ to the state averages and New Horizons' performance on the applicable 2022 California Schools Dashboard indicators showed that the All Students median for the SWC underperformed the state average on 3 of the 5 applicable indicators (ELA, Math, and Chronic Absenteeism) and outperformed New Horizons on 4 of the 5 applicable indicators (Math, ELPI, Chronic Absenteeism, and Suspension).

CA Dashboard Indicator	2022 New Horizons Charter Academy	2022 SWC All Students Median	2022 State Average
ELA	-35.1 DFS	-40.0 DFS	-12.2 DFS
Math	-67.4 DFS	-61.2 DFS	-51.7 DFS
ELPI	44.8%	54.1%	50.3%
Chronic Absenteeism	42.5%	35.3%	30.0%
Suspension	3.1%	0.1%	3.1%

Comparison of SWC Student Groups to State and Charter School Averages:

Comparison of the SWC's numerically significant student groups' medians to the state and Charter School's averages on the four applicable 2022 California Schools Dashboard indicators⁷ indicated that a majority of the SWC's numerically significant student groups outperformed the state average on 2 of the 4 applicable indicators (Math and Suspension) and outperformed the Charter School's average on 3 of the 4 applicable indicators (Math, Chronic Absenteeism, and Suspension).

⁶ For each applicable California Schools Dashboard indicator, the SWC Median is calculated by utilizing published data on the current California School Dashboard for all the schools within the community. While an individual school's value for a particular indicator is a percentage or an average calculated using all the school's applicable students' data, overall percentages and averages for all students attending schools within the community are not calculated as student-level data are not released publicly, for privacy reasons. Therefore, SWC Medians are compared to state percentages and averages.

⁷ ELPI is not included in this analysis, as it applies to only one student group and is already considered in the schoolwide analysis.

Schools within Community Medians	ELA			Math			Chronic Absenteeism			Suspension		
Student Group	New Horizons	SWC Median	State Average	New Horizons	SWC Median	State Average	New Horizons	SWC Median	State Average	New Horizons	SWC Median	State Average
English Learner	-68.3	-62.6	-61.2	-88.5	-80.5	-92.0	36.4%	36.9%	33.6%	1.0%	0.0%	3.2%
Latino	-45.6	-49.4	-38.6	-87.8	-70.6	-83.4	43.5%	38.2%	35.8%	2.2%	0.1%	3.3%
Socioeconomically Disadvantaged	-36.4	-43.8	-41.4	-69.6	-64.8	-84.0	44.9	37.9%	37.4%	2.8%	0.2%	4.0%
Students with Disabilities	--	-105.3	-97.3	--	-125.4	-130.8	--	43.6%	39.6%	--	0.0%	5.4%
White	-6.7	-12.9	21.9	-11.5	-29.3	-13.4	32.8	29.5%	21.9%	0.0%	0.0%	2.6%

-- Number of students counted for this indicator were <30, therefore total # of student groups comparisons varied by indicator

c. Facilities Plan

Staff has reviewed the facilities plan and documentation provided by petitioners as part of its material revision application and determined it to be reasonable and appropriate pursuant to *LAUSD Policy and Procedures for Charter Schools*. The proposed site at 14701 Friar Street is located in the Van Nuys/Valley Glen Community of Schools (CoS), which is the CoS immediately to the west of its current North Hollywood/Valley Village CoS location. The Certificate of Occupancy for the property indicates that the two-story school addition to the original church/school building has a maximum occupancy of 730, with a total site occupancy of 1,200. New Horizons reports that it has already taken significant steps to advance its facility plan, including execution of a conditional lease and collaboration with an experienced project management group, architects, LA City Planning, and the LA Department of Building and Safety, to devise a tenant improvement plan to refurbish the property and bring the facility up to current standards. Charter School has established a sequential facility improvement schedule that provides a six-month timeline for completing the priority improvements necessary to open in August 2024. Charter School has included in its submitted budget a reasonable plan, with supporting documentation, for funding the anticipated cost of approximately \$4.6 million to complete the full tenant improvement plan.

As noted previously, New Horizons intends to move from its existing Proposition 39 co-location at the end of the 2023-2024 school year, should the material revision be approved. However, as part of its contingency planning, New Horizons has indicated its intent to submit a request for use of District facilities in the 2024-2025 school year via Proposition 39. As noted above, New Horizons is current on its Proposition 39 over-allocated space reimbursement payments.

Community Impact Analysis Conclusion

Taken as a whole, and balancing various factors, staff assesses that New Horizons Charter Academy is demonstrably likely to serve the interests of the entire community in which it proposes to locate.

VIII. DISTRICT-LEVEL FISCAL IMPACT

A petition may be denied if the district is not positioned to absorb the fiscal impact of the charter school under the following criteria: 1) the district is under the authority of a state trustee or administrator; 2) the district is in negative certification; or 3) the district is in qualified certification and the county superintendent and FCMAT certify that approval of the charter school would result in the district having a negative certification. Thus, considering these factors, the LAUSD is positioned to absorb the fiscal impact of the proposed new charter school.

New Horizons Charter Academy

Academic Performance - English Language Arts

This report shows the performance levels for a single state indicator, English Language Arts, for all student groups. It shows the current year, Status level. Status levels range from Very High, High, Medium, Low, and Very Low for all state measures based on the 2021-22 school year data. A single (*) and a single dash (-) shows that the student group has fewer than 11 students, for that reason the Status and Status level are not reported for privacy reasons. For student groups with 11-29 students, the Status is reported but the Status level is not reported. A double dash (-) means that data is not currently available. Note: Charter Schools are treated as schools (not LEAs) when it comes to reporting Foster Youth and Homeless student groups. Charter schools will need at least 30 or more Foster Youth, or 30 or more Homeless students, to receive a status level for each student group.

Participation Rate Report below displays the percent of students tested by content area. The Every Student Succeeds Act requires districts and schools to test at least 95 percent of all students and student groups in English language arts and mathematics. It also requires states to factor the participation rate into the Academic Indicator. For any local educational agency (LEA), school, or student group with less than 95 percent of students tested, the ESSA requires a penalty to be applied to the Academic Indicator. To meet this federal requirement, beginning with the 2022 Dashboard, California will assign the Lowest Obtainable Scale Score (LOSS) to each student needed to bring the participation rate of the school, district, and/or student group to 95 percent. The LOSS assigned to each of these students who did not test will be used in calculating the Distance from Standard (DFS).

English Language Arts Indicator Participation Rate By Student Group														
	All Students	American Indian or Alaska Native	Asian	Black or African American	English Learner	Filipino	Foster Youth	Homeless	Latino	Hawaiian or Pacific Island	Socioeconomically Disadvantaged	Students with Disabilities	Two or More Races	White
Percent of students tested in 2022 **	98%		100%	100%	97%	100%	100%		99%		99%	93%		95%
Participation Rate Met 2022 *	Yes		Yes	Yes	Yes	Yes	Yes		Yes		Yes	No		Yes

* Note: An asterisk (*) indicates that the student group consists of less than 11 students, the minimum size for reporting.

** Whole number rounding is used for the participation rate.

New Horizons Charter Academy

English Learner Progress Indicator (ELPI)

This report shows the percentage of current EL students making progress towards English language proficiency or maintaining the highest level. ELs take the ELPAC annually to measure their progress towards English language proficiency. The ELPAC has four performance levels. The four ELPAC performance levels are divided into six ELPI levels to determine whether ELs made progress toward English language proficiency. Due to the restrictions imposed by Assembly Bill 130, California is required to only report current year data (or Status) for the 2022 Dashboard. Results will fall into one of five Status levels, ranging from "Very High" to "Very Low." An asterisk (*) and a single dash (-) shows that the student group has fewer than 11 students, for that reason the Status and Status level are not reported for privacy reasons. For student groups with 11-29 students, the Status is reported but the Status level is not reported. A double dash (--) means that data is not currently available.

Data collected by the California Department of Education (CDE) through the California Longitudinal Pupil Achievement Data System (CALPADS), California School Dashboard, and testing vendor. Aggregate data files are provided by the CDE – Data Reporting Office at <http://www.cde.ca.gov/ds/sd/sd/filesenr.asp> and California School Dashboard System of Support <https://www.cde.ca.gov/ta/ac/cm/>. Please note: There may be slight differences with some of the information in this report and with what is displayed in Dataquest and CA Dashboard due to changes in file modifications such as Date Modified, Date Posted, other data updates by the testing vendor and updates in CALPADS.

English Learner Progress Indicator - CA School Dashboard Indicator										
RG	BD	Location Code	School	Student Group	Number of English Learner Students	School 2022 Percentage of English Learners making progress towards English proficiency	School 2022 Status Level	State 2022 Percentage of English Learners making progress towards English proficiency	State 2022 Status Level	School to State ELPI Comparison
N	6	2263	New Horizons Charter Academy	English Learner	67	44.8 %	Low	50.3 %	Medium	Lower

Note: LEAs and schools that did not test at least 95 percent of their English learner population on the English Language Proficiency Assessments for California (ELPAC) are assigned a "Low" Status, unless they have a "Very Low" Status. Number of English Learners: '0 to 10' = Fewer than 11 EL students have an overall PL on ELPAC SA in both prior and current years (Status rate and level are suppressed) '11 to 29' = Number of EL students with overall PL on ELPAC SA in both prior and current years is 11 thru 29 (Status rate and level are reported but are not used for accountability) '30 and Up' = At least 30 EL students have an overall PL on ELPAC SA in both prior and current years (status rate and level are reported and will be used for accountability)

ELPAC Participation
School tested less than 95% of EL Students
Yes
Note: Schools that did not test at least 95 % of their English learner population on the ELPAC are assigned a "Low" Status, unless they have a "Very Low" Status.

* Note: An asterisk (*) indicates that the student group consists of less than 11 students, the minimum size for reporting.

2022 Student English Language Acquisition Results		
The percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.		
School		
New Horizons Charter Academy		State
ELs Who Progressed at Least One ELPI Level	38.8%	47.5%
ELs Who Maintained ELPI Level 4	6.0%	2.8%
ELs Who Maintained ELPI Level 1, 2L, 2H, 3L, 3H	17.9%	31.4%
ELs Who Decreased at Least One ELPI Level	37.3%	18.3%

Chronic Absenteeism

This report displays the percentage of students in Kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled. Due to the restrictions imposed by Assembly Bill 130, California is required to only report current year data (or Status) for the 2022 Dashboard. Results will fall into one of five Status levels, ranging from "Very High" to "Very Low." Note: The Status levels are reversed for the Chronic Absenteeism Indicator in comparison to other state measures, and the goal is to have a low rate of student absence. An asterisk (*) and a single dash (-) shows that the student group has fewer than 11 students, for that reason the Status and Status level are not reported for privacy reasons. For student groups with 11-29 students, the Status is reported but the Status level is not reported. A double dash (--) means that data is not currently available.

New Horizons Charter Academy
Suspension Rate Indicator

Suspension Rate: The percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once. Due to the restrictions imposed by Assembly Bill 130, California is required to report current year data (or Status) only for the 2022 Dashboard. Results will fall into one of five Status levels, ranging from "Very High" to "Very Low." Note: The Status levels are reversed for the Suspension Rate Indicator in comparison to other state measures, and the goal is to have a low rate of student suspension. An asterisk (*) and a single dash (-) shows that the student group has fewer than 11 students, for that reason the Status and Status level are not reported for privacy reasons. For student groups with 11-29 students, the Status is reported but the Status level is not reported. A double dash (--) means that data is not currently available.

**New Horizons Charter Academy
Enrollment Report**

This report displays CALPADS K-12 enrollment number and percentages of select student groups. Annual enrollment consists of the number of students primarily enrolled on Census Day (the first Wednesday in October). This information was submitted by local educational agencies (LEAs) and charter schools to the California Department of Education (CDE) as part of the annual Fall 1 data submission in the California Longitudinal Pupil Achievement Data System (CALPADS). These data were reviewed and certified in CALPADS as being accurate by authorized district or school personnel. In order to certify data in CALPADS, authorized district or charter school personnel are required to review the accuracy of all data associated with the applicable CALPADS submission. The California Department of Education collects some data on GATE programs through the California Longitudinal Pupil Achievement Data System (CALPADS); however, this information is submitted by LEAs on a voluntary basis and it wouldn't necessarily be accurate as per CDE. Source: Data collected by the California Department of Education (CDE) through the California Longitudinal Pupil Achievement Data System (CALPADS), California School Dashboard, and testing vendor. Aggregate data files are provided by the CDE – Data Reporting Office at <http://www.cde.ca.gov/ds/sd/filesenr.asp> and California School Dashboard System of Support <https://www.cde.ca.gov/ta/ac/cm/>. Please note: There may be slight differences with some of the information in this report and with what is displayed in Dataquest and CA Dashboard due to changes in file modifications such as Date Modified, Date Posted, other data updates by the testing vendor and updates in CALPADS.

RECLASSIFICATION RATES**

This reports shows a two year comparison of the number of English Learners (ELs) on Census Day, the number of students reclassified since the prior Census Day, and the reclassification rate for each specified year. The reclassification rate, displayed in percentage, is calculated by dividing the number reclassified by the number of prior year ELs.

Students with Disabilities Report**

This report displays the K-12 enrollment and the number of K-12 students with disabilities total, by incidence category, and by eligibility as reported on the Census Day (First Wednesday in October) CALPADS Fall 1 Certified Student Profile List Report (Report 8.1) submitted by LEAs (Local Education Agencies). LEAs are required to "certify" specified data during submission windows. The CDE uses certified data for state and federal reporting and to develop accountability metrics. Once data are certified by an LEA following the close of the Amendment Window, they are "frozen" and cannot be amended. Note: Students with disabilities counts and percentages in this report may be higher or lower for some schools when comparing this report counts with 2021-22 Enrollment by Student Group counts posted in DataQuest by the CDE due to the accuracy of all data associated with the applicable CALPADS submission. CALPADS certification is a two-step process with Level-2 certification reserved for the district superintendents, charter school administrators, or their designees. High incidence eligibilities are indicated by an asterisk (*). Source: Data collected by the California Department of Education (CDE) through the California Longitudinal Pupil Achievement Data System (CALPADS), California School Dashboard, and testing vendor. Aggregate data files are provided by the CDE - Data Reporting Office at <http://www.cde.ca.gov/ds/sd/filesenr.asp> and California School Dashboard System of Support <https://www.cde.ca.gov/ta/ac/cml/>. Please note: There may be slight differences with some of the information in this report and what is displayed in Dataquest and CA Dashboard due to changes in file modifications such as Date Modified, Date Posted, other data updates by the testing vendor and updates in CALPADS.

New Horizons Charter Academy
Academic Performance - English Language Arts

This report shows the performance levels for a single state indicator, English Language Arts, for all student groups. It shows the current year, Status level. Status levels range from Very High, High, Medium, Low, and Very Low for all state measures based on the 2021-22 school year data. An asterisk (*) shows that the student group has fewer than 11 students, for that reason the status and status level are not reported for privacy reasons. For student groups with 11-29 students, the status is reported but the status level is not reported. A double dash (--) means that data is not currently available. Note: Charter Schools are treated as schools (not LEAs) when it comes to reporting Foster Youth and Homeless student groups. Charter schools will need at least 30 or more Foster Youth, or 30 or more Homeless students, to receive a status level for each student group. Source: Data collected by the California Department of Education (CDE) through the California Longitudinal Pupil Achievement Data System (CALPADS), California School Dashboard, and testing vendor. Aggregate data files are provided by the CDE – Data Reporting Office at <http://www.cde.ca.gov/ds/sd/sd/filesenr.asp> and California School Dashboard System of Support <https://www.cde.ca.gov/ta/ac/cm/>. Please note: There may be slight differences with some of the information in this report and with what is displayed in Dataquest and CA Dashboard due to changes in file modifications such as Date Modified, Date Posted, other data updates by the testing vendor and updates in CALPADS.

**New Horizons Charter Academy
English Learner Progress Indicator**

292

This Reports shows the percentage of current EL students making progress towards English language proficiency or maintaining the highest level. ELs take the ELPAC exam to measure progress towards English language proficiency. The ELPAC has 4 levels. The 4 ELPAC levels were divided into 6 ELPI levels to determine whether ELs made progress toward English language proficiency. English Learner Progress with the transition to a new assessment, the 2018 Dashboard is unable to report a performance level (color) for this measure. However, the percent of students performing at each level on the new assessment is reported. Status Level: 1 = Very Low, 2 = Low, 3 = Medium, 4 = High, 5 = Very High, 0 = No Data **Source: Data collected by the California Department of Education (CDE) through the California Longitudinal Pupil Achievement Data System (CALPADS), California School Dashboard, and testing vendor. Aggregate data files are provided by the CDE – Data Reporting Office at <http://www.cde.ca.gov/ds/sd/sd/filesenr.asp> and California School Dashboard System of Support <https://www.cde.ca.gov/ta/ac/cm/>. New Horizons Charter Academy Suspension Rate Indicator

296

Suspension Rate: The percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once. Color: 1 = Red, 2 = Orange, 3 = Yellow, 4 = Green, 5 = Blue, 0 = No Color. Change Level: 1 = Declined Significantly, 2 = Declined, 3 = Maintained, 4 = Increased, 5 = Increased Significantly, 0 = No Data. An "--" means that data is not currently available. **Source: Data collected by the California Department of Education (CDE) through the California Longitudinal Pupil Achievement Data System (CALPADS), California School Dashboard, and testing vendor. Aggregate data files are provided by the CDE – Data Reporting Office at <http://www.cde.ca.gov/ds/sd/sd/filesenr.asp> and California School Dashboard System of Support <https://www.cde.ca.gov/ta/ac/cm/>. Please note: There may be slight differences with some of the information in this report and with what is displayed in Dataquest and CA Dashboard due to changes in file modifications such as Date Modified, Date Posted, other data updates by the testing vendor and updates in CALPADS.**

ATTACHMENT C
MATERIAL REVISION TO CHARTER OF
NEW HORIZONS CHARTER ACADEMY

This Material Revision to the Charter of New Horizons Charter Academy (“Material Revision”) is made between the Los Angeles Unified School District (“District” or “LAUSD”), a California public school district, and Dharma Educational Institute (“DEI”), a California non-profit public benefit corporation, operating a California public charter school known as New Horizons Charter Academy (“Charter School” and/or “NHCA”). District and DEI are also referred to individually as “Party,” and collectively as “Parties.”

This Material Revision is to be read in conjunction with and shall expressly revise the charter of NHCA which was originally authorized by the LAUSD Board of Education (“Board of Education”) on **April 16, 2013** and last renewed on November 7, 2017, for a five-year term, from 2018 to 2023 (“Charter”) and was set to expire on June 30, 2023. However, Education Code section 47607.4 extended the terms of all charter schools whose terms expire on or between January 1, 2022, and June 30, 2025, inclusive, by two years, and all charter schools whose terms expires on or before January 2024, and June 30, 2027, inclusive, shall have their term extended by one additional year. Thus, by operation of law, the charter term for Charter School expires on **June 30, 2026**.

The effective date of this Material Revision is the date of approval by the Board of Education and shall be implemented starting in the 2024-2025 academic school year. This Material Revision is based upon the following factual recitals:

RECITALS

A. **WHEREAS**, the approval of charter schools is governed by the Charter Schools Act of 1992, as subsequently amended, Education Code sections 47600 et seq;

B. **WHEREAS**, as set forth in Education Code section 47607, material revisions of charters are governed by the standards and criteria described in Section 47605, and shall include, but not be limited to, a reasonably comprehensive description of any new requirement of charter schools enacted into law after the charter was originally granted or last renewed;

C. **WHEREAS**, the District’s Charter Schools Division (“CSD”) must determine whether the Charter, as materially revised, would be reasonably comprehensive, educationally sound, and demonstrably likely to be successfully implemented;

D. **WHEREAS**, a material revision includes, but is not necessarily limited to, any change that would significantly alter a charter school’s mission, vision, educational philosophy, educational program, governance, or organizational structure;

E. **WHEREAS**, pursuant to applicable California law (Ed. Code, §§ 47605 and 47607) and *LAUSD Policy and Procedures for Charter Schools* (“LAUSD Policy”), if a charter

school intends to move outside of the community¹, the charter school shall request, and must have received, approval of a material revision to its charter before occupying the facility;

F. **WHEREAS**, charter schools occupying non-LAUSD facilities must, prior to use, provide the CSD with a current Certificate of Occupancy or equivalent document issued by the applicable permitting agency allowing the charter school to use and occupy the site as a charter school for its intended purpose (i.e., applicable grade levels). Charter schools are responsible for ensuring compliance with all applicable building codes, standards, and regulations adopted by the city and/or county agencies with jurisdiction to enforce building and safety standards for the school site, as well as federal and state accessibility requirements, and all other applicable fire, health, and structural safety and access requirements;

G. **WHEREAS**, as memorialized in the Charter, NHCA is approved to serve 300 students in grades TK-8 and had been operating on 2 separate sites/locations: a private facility (non-District property) at 5955 Lankershim Blvd, North Hollywood CA 91606 (“Lankershim site”) for its TK-4th grades students; and another site at Fair Ave Elementary where the Charter School currently co-located on District property at 6501 Fair Ave, North Hollywood, CA 91606 (“Fair Avenue site”), pursuant to Education Code section 47614 (“Proposition 39”), for its 5th-8th grades students;

H. **WHEREAS**, in the correspondence submitted to the District on or about September 15, 2023 (“September 2023 Correspondence”) in support of this Material Revision, the Charter School explained that “for the 2023-2024 school year, NHCA entered into an Alternative Agreement with LAUSD for Proposition 39 classroom space, with additional classrooms for our TK-4 students.” The Charter School has since moved the students from the Lankershim site to the Fair Avenue site in August 2023. The September 2023 Correspondence is attached herewith as **Attachment A** and part of this Material Revision;

I. **WHEREAS**, the Charter School’s governing board convened a meeting on May 23, 2023 and adopted resolution #000008 (“Resolution”) setting forth that “NHCA has found a suitable new building where students can attend school, once the building has met city planning requirements, and the Board approved a lease for 14701 Friar Street [(“Friar Street site”)]in Van Nuys”, and that “the Friar Street site will be available for student enrollment in July 2024.” The Resolution is attached herewith as **Attachment B** and part of this Material Revision;

J. **WHEREAS**, DEI entered into a 30-year Lease Agreement with Friar Equity Partners LLC (“Lease Agreement”), for the Friar Street site. The Lease Agreement, which was fully executed on April 21, 2023, is attached herewith as **Attachment C** and part of this Material Revision;

K. **WHEREAS**, the Charter School’s governing board proposed, in the Resolution, to materially revise the Charter “to move [the Charter School] from [Proposition] 39 site to

¹ A “community” includes families and individuals who reside, work, and/or are served in the identified geographical area, and all public schools (District and charter), serving similar grade levels as the charter school (inclusive of the proposed additional grade levels being requested, if applicable). The identified geographical area will be based on LAUSD Community of Schools and neighborhoods within a three-mile radius from the location identified by the charter school’s material revision application.

private facility for 2024-2025 school year.” The “private facility,” which is the Friar Street site, is outside of the target community currently authorized/approved in the Charter;

L. **WHEREAS**, in the September 2023 Correspondence, the Charter School stated that: “Moving to the Friar Street [site] will give NHCA sufficient space for our own dedicated library, STEAM lab and more, along with sufficient space for special education and other intervention services.”

M. **WHEREAS**, the District considers a change in location/address from the Fair Avenue site to the Friar Street site to constitute a material revision;

N. **WHEREAS**, the Parties agree to materially revise the Charter to reflect the changes above, LAUSD Policy and applicable state and federal laws; and

NOW, THEREFORE, in consideration of the following terms and conditions, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

MATERIAL REVISION

1. The Parties incorporate the above Recitals as if fully restated in this Material Revision.
2. **Charter School’s Location**: The Charter shall be revised to reflect that, *effective in the 2024-2025 academic school year*, the location, contact address, and corresponding information for the Charter School are as follows:

14701 Friar Street, Van Nuys, CA 91411
This location is in LAUSD Board District: 3
This location is in LAUSD Local District: North

3. **Element 1: Educational Program**: The third sentence in the paragraph on page 84 of the Charter which states that: “Mailing lists are used to invite prospective families to both our Lankershim Campus and Fair Ave. Co-Location campus” shall be deleted and replaced with the following:

“Mailing lists are used to invite prospective families to our Friar Street campus.”

4. **Budget**: All prior budgets and cash flow projections submitted for the Charter School shall be replaced by the Charter School’s revised budget(s), financial and cash flow projections incorporated and attached herewith as **Attachment D** and incorporated by reference and part of this Material Revision.

5. **Updated District Required Language**: The Charter shall be revised to update and incorporate the Board of Education approved “Federal, State, and District Required Language for Independent Charter School Petitions (New and Renewal) and Material Revisions updated August 11, 2020”, attached herewith as **Attachment E** and incorporated by reference as part of this Material Revision.

6. The Charter School warrants that it is operated by a non-profit corporation in good standing in the State of California.

7. All other provisions set forth in the Charter shall remain in effect and enforceable.

8. The Parties agree that should any of the provisions of this Material Revision be judicially determined to be invalid or unenforceable, the remaining provisions shall continue in full force and effect.

9. The Parties agree to cooperate fully in the execution of any and all documents and/or additional actions necessary to give full force and effect to the terms, provisions, and intent of this Material Revision.

10. The individuals signing this Material Revision warrant that they are authorized to do so, and further, that they are authorized to make the promises in this Material Revision on behalf of the respective Parties.

IN WITNESS WHEREOF, the Parties hereto have caused this Material Revision to be duly executed and delivered in their respective names by their authorized representatives as of the date set forth below.

Instructions for Completing this Community Impact Assessment Template for Material Revision Requests

Per the Material Revision and the Facilities sections of the *LAUSD Policy and Procedures for Charter Schools*, a Community Impact Assessment is required when a charter school seeks:

1. Expansion to one or more additional sites (if outside the community, as defined in the *LAUSD Policy and Procedures for Charter Schools*)
2. Change in location/address outside the community (as defined in the *LAUSD Policy and Procedures for Charter Schools*)
3. Expansion of additional grade levels served

Please review the instructions and template carefully to complete the Community Impact Assessment (as part of the Material Revision application for consideration by the LAUSD Board of Education).

“To assist in the determination whether the charter school requesting an expansion or change in location/address is demonstrably likely or unlikely to serve the interests of the entire community in which the school proposes to locate or expand, the charter school must submit a Community Impact Assessment as part of its material revision request. The Community Impact Assessment will be based on analysis of publicly available information and data (e.g., LAUSD OpenData, LAUSD Unified Enrollment program data, official data from the California Department of Education’s website, etc.) and on evidence of community engagement and outreach. The charter school shall clearly cite and provide sources for all data and information used to inform assertions in their Community Impact Assessment” (*LAUSD Policy and Procedures for Charter Schools*).

Please note that “**community**” and “**identified geographical area**” are defined as follows in the *LAUSD Policy and Procedures for Charter Schools*:

“For purposes of this Policy and Procedures, a ‘community’ includes families and individuals who reside, work, and/or are served in the identified geographical area, and all public schools (District and charter), serving similar grade levels as the charter school (inclusive of the proposed additional grade levels being requested, if applicable). The identified geographical area will be based on LAUSD Community of Schools and neighborhoods within a three-mile radius from the location identified by the charter school's material revision application. Thus, petitioners will consider the existing District and charter schools operating within the Community of Schools and three-mile radius.”

Please ensure that the terms used in the narrative response sections below are consistent with the definitions above and other applicable sections of the *LAUSD Policy and Procedures for Charter Schools*.

Prior to beginning work on the Community Impact Assessment, please contact the Charter Schools Division for a list of Schools within the Community (i.e., the District and charter schools serving any of the same grade levels proposed to be served by the charter school within the identified geographical area).

Prior to submission of the Community Impact Assessment as part of the Material Revision, please contact your assigned Charter Schools Division administrator to establish a Dropbox folder for your submission. Please create a folder titled “Community Impact Assessment” and include this completed template in the top level of the folder. Within this folder, create separate subfolders to store evidence corresponding to each section of the Community Impact Assessment and title each subfolder accordingly (e.g., “Section 1 Evidence”, “Section 2 Evidence”, etc.). Please ensure that all pieces of evidence included in each subfolder are clearly labeled with a unique file name.

In all sections below, there are spaces to include narrative responses to questions, as well as a separate area to list all evidence supporting the assertions in the narrative responses.

In the **Evidence** table for each section below, list each source of evidence on a separate row with a corresponding number in the “Citation” column. Each row should include the following:

- **File Name:** The name of the file as it appears in the evidence folder submitted to Dropbox.
- **Link*** (optional): A URL link to the file’s Dropbox location (hyperlinks or shortened links are preferred).
- **Description of Evidence:** A brief description of the evidence.

*Please note that some sources of evidence (e.g., CA School Dashboard data) may be updated by a third party. For this reason, a link to a time-stamped copy of the data (e.g., print out, screen shot, etc.) is preferable to a URL address of the original source.

Within the narrative response(s) of each section below, please clearly cite the specific evidence supporting each statement asserted by the petitioner using the number(s) from the “Citation” column in the Evidence table. If a statement is supported by more than one piece of evidence listed in the Evidence table, include all citation numbers, separated by commas. If a piece of evidence supports statement in multiple sections, please list the evidence in only one section’s Evidence table and refer to that citation number in each Narrative response as appropriate.

For example:

[Statement asserted by the petitioner] (1.2). *[Statement asserted by the petitioner]* (1.1, 2.6, and 5.3).

Types of evidence that may be provided as part of the Community Impact Assessment include, but are not limited to, emails and other correspondence, CA Dashboard reports, demographic data, maps, multilingual notices/flyers, presentation materials, meeting agendas, sign-in sheets, survey results, etc.

If there are more than 10 pieces of evidence for a particular section, please insert additional rows in the Evidence table for that section and number the citation number accordingly (e.g., 1.11, 1.12, 1.13, etc.).

Note: This document is subject to change. Prior to submission, please check the [CSD website](#) to ensure you are using the most current version of the template.

For additional reference, please review the *LAUSD Policy and Procedures for Charter Schools*.

COMMUNITY IMPACT ASSESSMENT TEMPLATE (Material Revision Request)

GENERAL INFORMATION	
Name of Charter School	New Horizons Charter Academy
Current location (street address, city, and zip code)	6501 Fair Avenue, North Hollywood, CA 91601
Current LAUSD Community of Schools	North Hollywood/Valley Village
Current LAUSD Board District	6
Current LAUSD Region (formerly Local District)	Northwest
Current Grade Levels Authorized to Serve per Approved Charter	TK-8
Current Enrollment Capacity Authorized per Approved Charter (Enrollment capacity is defined as the total number of students who may be enrolled in Charter School regardless of student residency.)	300
Indicate Requested Material Revision	☐ Expansion to one or more additional sites outside the community as defined by <i>LAUSD Policy and Procedures for Charter Schools</i> ☒ Change in location/address outside the community as defined by <i>LAUSD Policy and Procedures for Charter Schools</i> ¹ ☐ Expansion of additional grade levels served

¹ We respectfully disagree that relocating our ten year old public charter school from a Prop 39 co-location to a private facility warrants a Community Impact Assessment. (LAUSD Policy, p. 43.) At the same time that the Board of LAUSD is considering ways to minimize or even eliminate Prop 39 co-locations across the District, it is still requiring existing charter schools to complete this time- and resource-intensive CIA, inhibiting the process and increasing the costs to us of moving out of District property. Further, the law is clear that a material revision is only required when a charter school adds an additional facility. NHCA is moving from one facility to another, not adding a facility.

SECTION 1: IDENTIFICATION of the COMMUNITY for the PROPOSED MATERIAL REVISION
NARRATIVE
a. In the space below, identify and describe the community in which the proposed additional site or new site (for a move) will be located, or the proposed expansion of additional grade levels served will occur.
Starting with the 2024-25 school year, and pending the approval of LAUSD, New Horizons Charter Academy ("NHCA" or "Charter School") plans to change locations from the current Prop 39 co-location at Fair Avenue Elementary School ("Fair Avenue" or "Prop 39 site") to a private facility at 14701 Friar Street, Van Nuys, CA 91411 ("Friar Street") (1.1). The new site is approximately four miles from NHCA's current Prop 39 site in North Hollywood, CA 91601. (1.2) NHCA is proposing this location as a solution to Prop 39 challenges and believes this could be beneficial for both the Charter School and the Los Angeles Unified School District ("LAUSD" or "District"). Prior to 2023-24, NHCA operated two campuses, with approximately 159 students (grades 5-8) at the Prop 39 site and approximately 97 students (TK-4) at a private facility that was approximately one mile away on Lankershim Boulevard in North Hollywood. Our lease at Lankershim ended in July 2023, and for the 2023-24 school year, NHCA's TK-4th grade students have joined their older peers at the Fair Avenue Prop 39 site with the allocation of additional space from LAUSD. (1.2) While we are thrilled to have all of our students in grades TK-8 on a single campus for the first time – our 11th year in operations -- the conditions are not ideal. For the 2023-24 school year, NHCA entered into an Alternative Agreement with LAUSD for Prop. 39 classroom space, with additional classrooms for our TK-4 students. In order to meet the needs of our educational program, NHCA requested one additional exclusive use space that was available at Fair Ave ES. In exchange for granting us this single additional classroom, NHCA had to relinquish our shared-use of access to the Science Lab, Computer Lab, Parent Center, Faculty Lounge and Library. All of these shared-use areas were relinquished just to get one additional room, which is necessary to operate and provide for our special education program needs (pull-out services for RSP, Speech, OT and Counseling). Moving to the Friar Street location will give NHCA sufficient space for our own dedicated library, STEAM lab and more, along with sufficient space for special education and other intervention services. The Friar Street facility will enable NHCA to serve our students in a manner comparable to district facilities. NHCA has noted additional challenges arising from its co-location allocations to meet the needs of school operations and student programs below: 1) The one administrative space allocated is severely crowded to maintain both school office operations. Currently the office is shared by our pupil services clerk, Assistant Principal, Dean of Discipline and Executive Director/Principal. There is no space for our Office Manager, HR Manager, Enrollment clerk/registrar, Parent Coordinator, Operations Coordinator. This is the reason that NHCA leases a satellite business

office. It is not an efficient office arrangement to receive parents, students and deal with administrative duties. When a confidential meeting needs to occur, including student discipline and discussions about student mental health issues, conflict mediation and restorative justice meetings, this cannot happen in the office space allocated.

- 2) Special Education Program needs - NHCA has students who have direct pull-out services for RSP, Speech, OT and DIS Counseling. It is very difficult to have these services delivered with only 2 special education classrooms allocated to Charter. Prior to this school year, when we had just 5th-8th graders on the Fair Ave ES campus, we were allocated two classrooms for special education. For the 2023-24 school year, NHCA has added almost 100 TK-4th grade students to Fair Ave. ES co-location, thus adding several more students with special needs, and have received the same two classroom allocations. NHCA needs a minimum of three classrooms for special education, especially in light of our very limited office space.
- 3) Similarly, based on learning loss from COVID remote instruction and the 35% EL population, the need for both English Language Arts intervention and Math intervention is very difficult to accomplish based on number of classrooms allocated for entire TK-8th grade school.
- 4) Outdoor play area - NHCA has had multiple challenges arranging its schedule with Fair Ave. ES administrators for shared use of outside playground space for recess and physical education needs. NHCA enrolls middle school students, who participate in more required minutes of Physical Education than elementary students; we have had challenges sharing the outside blacktop space between the Fair Ave ES and NHCA use. Additionally, there are times when NHCA students cannot use some areas of blacktop for basketball, volleyball, handball and kickball courts because Fair Ave ES does not want students in those areas.
- 5) Covered eating area - In past this has not been an issue, however this year the new Fair Ave ES interim Principal has dictated that both covered patio areas are unavailable to NHCA students for the entire 30-minute lunch period, even though in the past we had no issues with this. NHCA had to move its lunch start time and adjust our bell schedules to accommodate this new challenge with the exterior shared space.

The new Friar Street campus has available capacity to accommodate our entire TK-8 school at full enrollment of 300 students. (1.3) The Friar Street site is permitted for use as a school and has served as both a private church-operated school as well as more recently hosting charter schools on the campus, including Valley International Prep, an LAUSD-authorized charter school.

The Friar Street site is located within the Van Nuys/Valley Glen Community of Schools, near the intersection of Victory Boulevard and Van Nuys Boulevard, and two blocks south from Van Nuys High School. The surrounding area is both commercial and residential, with small apartment buildings, multi-family housing and single-family homes in the blocks surrounding the campus, and a variety of retail stores, fast-food and other merchants along the main boulevards. According to the Los Angeles Times' Mapping L.A. site, Van Nuys had a population of approximately 110,747 people in 2008, in an 8.99 square mile area. (1.4). Van Nuys is 60.5% Latino, 23.1% White, 6.4% Asian and 6.0% Black. (Ibid.) Only 15.3% of adults over 25 hold a four-year college degree, while 43.7% have less than a high school diploma. (Ibid.) Almost half (49.8%) of Van Nuys' residents are foreign-born, predominantly from Mexico and El Salvador. (Ibid.) The average income is \$41,134 (2008 dollars), which ranks Van Nuys among the very lowest average income rates across greater Los Angeles: 223rd

out of 265 neighborhoods tracked by the Mapping L.A. project.

The neighboring Valley Glen community is smaller at just 4.8 square miles, with a 2008 population of 62,846, according to Mapping L.A. (1.5) Valley Glen is 45.2% Latino and 39.5% White, with 5.4% Asian and 3.9% Black. (Ibid.) Average income is slightly higher than Van Nuys at \$46,175 (in 2008 dollars), with Valley Glen ranking 208th out of 265 neighborhoods in Los Angeles. (1.6) Educational attainment is also slightly higher, with 21.3% of Valley Glen's residents over 25 having a four-year college degree, and 33.3% with less than a high school diploma. Like Van Nuys, almost half (49.0%) of Valley Glen's residents are foreign-born, predominantly from Mexico and Armenia. (1.5).

Currently, 34 of our students reside in the Van Nuys/Valley Glen community, which we note is rather similar to our current community of North Hollywood. North Hollywood has a similar racial/ethnic make-up, with 57.7% Latino, 27.0% White, 5.7% Asian and 5.6% Black; average income is \$42,791 (in 2008 dollars); 18.5% have a four-year degree and 39.8% did not complete high school; and finally, almost half (46.6%) are foreign-born, primarily from Mexico and El Salvador. (1.7) In other words, based on our ten-plus years of experience in serving the adjacent, and very similar neighborhood, we are confident in our ability to meet the needs of the students who reside in the community surrounding our new school site.

We do anticipate that the overwhelming majority of our currently enrolled students, other than matriculating 8th graders, will make the move with us and continue to be enrolled at NHCA. While we will admit new students in grades 1-8, our focus is on newly eligible young students entering grades TK/K. With just 25 spots open for TK/K for 2024-25, we anticipate that NHCA's impact on the surrounding community will be quite minimal. Moreover, NHCA currently draws enrollment from 44 different LAUSD-operated "resident" schools our students would otherwise attend, thus the impact to any single school in the District is nominal. We already have begun conducting outreach in the community immediately surrounding the school site, as detailed throughout this CIA, including distributing flyers and introducing NHCA to several preschools, day care centers, Head Start and other community service programs in the neighborhood.

LAUSD policy does not (and should not) require a rigorous, resource-intensive community impact assessment, with the voluminous data compilation associated with that effort, in a situation like this. Not surprisingly, the results indicate that this will have an overall positive "impact" on the community, if it has any impact at all.

b. In consideration of the existing District and charter schools operating within the Community of Schools and three-mile radius, please describe pertinent information identified regarding the community for the proposed material revision.

LAUSD provided NHCA with a list of schools "operating within the Community of Schools and three-mile radius," including all of the elementary, middle and span (TK-8) schools within the Van Nuys/Valley Glen and Panorama City Communities of Schools, as well as some schools within the Monroe, Reseda and Sun Valley Communities of Schools. (1.8) Specifically, the target area includes:

Van Nuys/Valley Glen Community of Schools (1.9)

Van Nuys Complex:

Cardenas ES
 Chandler ES
 Columbus Ave ES
 Hazeltine Ave ES
 Kester Ave ES (and Kester Avenue Magnet)
 Sherman Oaks ES Charter
 Sylvan Park ES (and School for Advanced Studies)
 Van Nuys ES
 Van Nuys MS

Grant Complex:

Coldwater Canyon ES
 Erwin ES (and School for Advanced Studies)
 James Madison MS (Madison Computer Science & Engineering Design Magnet; Medical, Math and Science Magnet; and School for Advanced Studies)
 John B Monlux ES (and MST Magnet School)
 Kittridge St ES (and School for Advanced Studies)
 Riverside Drive Charter School (and School for Advanced Studies)
 Louis Armstrong Middle School (and Performing Arts Magnet; and Social and Gender Equity Magnet)

Panorama City Community of Schools (1.10)

Burton ES
 Noble ES (and School for Advanced Studies)
 Michelle Obama ES
 Ranchito ES (and School for Advanced Studies)
 Robert Fulton College Prep (6-12) (Communication Arts and Music Magnet; and School for Advanced Studies)
 Valerio ES
 Vista MS (and Sports Medicine/College Prep Magnet; Gifted S.T.E.A.M. Magnet; Social Justice/Law & Government Magnet)

Monroe Community of Schools (1.11)

Chase ES
 Cohasset ES
 Panorama City ES

Reseda Community of Schools (1.12)

Bassett Street ES (and Basset Media Arts and Technology Magnet)
 Gault Street ES (and School for Advanced Studies)
 Mulholland MS (and Mulholland Magnet, and School for Advanced Studies)
 Hesby Oaks Leadership Center (K-8)
 Lake Balboa College Preparatory Magnet (K-12)

Sun Valley Community of Schools (1.13)

Saticoy ES (and School for Advanced Studies)

Independent Charter Schools (1.8)

Ararat Charter School

Girls Athletic Leadership School

High Tech LA Middle School

Ivy Bound Academy for Math, Sci, Tech

Valley Charter MS

SECTION 2: FACILITIES PLAN	
COMPLETE THIS SECTION FOR ADDITIONAL SITE(S) OUTSIDE THE COMMUNITY OR CHANGE IN LOCATION OUTSIDE THE COMMUNITY (MOVE) REQUESTS. FOR REQUESTS TO SERVE ADDITIONAL GRADE LEVELS, PROCEED TO SECTION 3: COMMUNITY ENGAGEMENT	
Anticipated Timeline to Operate (i.e., provide public education to students) on the Proposed Additional Site or New Location	30-year lease with an option to purchase the property, starting with the 2024-25 school year.
Proposed Location (street address, city, and zip code)	14701 Friar Street, Van Nuys, CA 91411
LAUSD Community of Schools of the Proposed Location	Van Nuys/Valley Village
LAUSD Board District of the Proposed Location	3
LAUSD Region of the Proposed Location	West
Current Enrollment Capacity Authorized per Approved Charter (Enrollment capacity is defined as the total number of students who may be enrolled in Charter School regardless of student residency.)	300
Request to Change Currently Authorized Enrollment Capacity	☒ No ☐ Yes If "Yes", indicate proposed Enrollment Capacity:
NARRATIVE	
a. In the space below, briefly describe the facilities plan for the proposed additional site or new site (for a move) including, but not limited to, the steps the charter school has taken to research and/or secure facilities within the proposed community, and how the facilities plan serves the interests of the entire community.	
Like many charter schools in urban Los Angeles, NHCA has found that securing a suitable and long-term facility for our school has been one of our biggest operational challenges. Our entire school community has long desired a true "home" for NHCA, and we are delighted to have finally found one. Starting in May, 2017, NHCA retained three different private brokers to aggressively look for a new site for NHCA. The owner/landlord from NHCA's private site located at 5955 Lankershim	

Blvd, North Hollywood indicated they would not renew NHCA's lease beyond the second term of the private site lease, expiring at the end of June, 2023. Additionally, there have been many limitations and challenges associated with NHCA's Prop39 co-location allocation and arrangements, even before we moved our TK-4th graders to the Fair Ave ES campus. NHCA secured several private brokers to identify potential locations in the North Hollywood, Van Nuys, Valley Village community we serve. The Charter School has been in multiple negotiations with several locations over the years and yet until now, we were unable to secure an appropriate deal for our school.

The Friar Street location represents an ideal fit in terms of both size and positioning for our dynamic school community. NHCA has already taken significant steps to advance our plans, including collaboration with experienced architects (2.1) and a school facilities project management firm, as well as initiating the conformance desk review with LA City Planning and the LA Department of Building and Safety.

The project team already have designed plans for tenant improvements to the existing two-story educational building that are in substantial conformance with all previous city approvals. Importantly, NHCA's plans do not involve any significant alterations to the site or floor plans and the educational building will have minor upgrades to the site, systems and finishes. Exterior and Interior improvements will be made to bring the building up to current standards, focusing on ADA compliance, fire life safety, Title 24 energy requirements and other applicable codes as required by the city of Los Angeles Department of Building and Safety.

To ensure a seamless execution of this project, NHCA has engaged the expertise of Educational Facilities Group (EFG) a school facilities project management group, responsible for overseeing the entire project. EFG is actively coordinating with LA City Planning, the LA Department of Building and Safety, architects, and the construction team and will facilitate the timely completion of minor tenant improvements once NHCA's move is approved by LAUSD. (2.3 Tenant Improvement Budget). During recent discussions, both the LA City Planning department and the LA Department of Building and Safety indicated that, given the historical use of the site as school, the previous approvals of the construction and use of the educational building, the absence of any significant changes to the educational building and the alignment of our intended use with the property's previous school usage, there is a consensus that the existing Zoning Administrator approvals can be utilized and that a Conditional Use Permit (CUP) is not necessary.

NHCA is enthusiastic about securing LAUSD's consent for this relocation, which will allow us to move beyond the conditional lease term and commence tenant improvements, estimated to take six months for completion. Additionally, once LAUSD approves the move, we are ready to conduct an extensive outreach campaign within the surrounding neighborhood (beyond what has been completed to date in order to comply with this CIA) to ensure full community awareness of NHCA's new location and to provide everyone with an opportunity to attend.

NHCA's proposed move to a private facility will serve the interests of the entire community in various ways. First and foremost, it will alleviate Prop 39 pressure on the District by moving approximately 245 students from a Prop 39 co-location to a private facility. The LAUSD Board has recently discussed the challenges of Prop 39 co-locations and may adopt a more stringent policy in that regard. Second, NHCA will be investing approximately \$4.6M in revitalizing a long-abandoned property situated in this densely populated community. This revitalization endeavor promises an array of advantages for the local residents, ranging from

improved infrastructure to enhanced amenities and increased overall livability. Beyond the potential for property value appreciation, this investment contributes to a safer and more vibrant community, while elevating the overall quality of life in the area. Third, NHCA draws enrollment from a broad swath of the San Fernando Valley. The 245 students we currently have enrolled represent 44 different “resident” LAUSD schools across the San Fernando Valley. (2.2) With students coming to NHCA from a large variety of District “resident” schools, no single LAUSD school will see any measurable impact on their school community as a result of NHCA’s move to Van Nuys.

b. Provide a specific description, with supporting documentation, of each identified public or private site’s ability to accommodate the charter school’s enrollment projection.

The Friar Street property includes a two-story, 22,277 square foot school building and approximately 44,946 square feet of land. The site has ample space for our TK-8 program, including at full enrollment of 300 students. The occupancy of the school building is 1,200 people – four times the enrollment of our school and more than sufficient to accommodate faculty/staff, and even parents and community members for school events. (1.3) NHCA’s tenant improvements of the existing building will result in a facility with 14 classrooms (which each can accommodate as many as 35 students, though our planned class sizes will remain 20-30 students), a multipurpose room, five administrative offices, a conference room, a scullery, a computer lab, a STEM lab, a library, a 4,500 square foot paved outdoor play area with a covered patio, tether ball and wall ball court (in addition to existing play structures at the site), a new accessible chair lift, and an automatic fire sprinkler system. (2.3) The site’s current multipurpose room will be modernized and will serve both educational and athletic purposes, as well as providing an indoor space for students to enjoy meals.

PRIVATE SITES	
Is the charter school planning to utilize a private site (i.e., non-District site) for the proposed additional site or new site (for a move)?	☒ Yes ☐ No
If the charter school checked "Yes," please proceed to the next question in this section. If the charter school checked "No," please skip to the "DISTRICT SCHOOL SITE (Prop. 39)" table below.	
Has the charter school identified (e.g., has a current site, researched a site, leased a site, etc.) any specific potential private sites within the target community?	☒ Yes ☐ No
If the charter school checked "Yes," please complete the remainder of the table below for each potential private site. If the charter school checked "No," please skip to the "DISTRICT SCHOOL SITE (Prop. 39)" table below. If the charter school has identified more than two potential private sites, please copy and re-number the table below, as needed, for each additional site.	
Potential Private Site #1	
In the space below, please describe the specific steps the charter school has taken/is taking to research and secure this site. Please ensure the response includes the anticipated timeline to operate (i.e., provide public education to students) on the proposed site.	

A lease has been signed, contingent on various conditions being met, including LAUSD approval. Students will occupy the site starting August 2024 for the 2024-25 school year.

Tenant Improvement plans are completed and are being reviewed by the city of Los Angeles. It is anticipated that the Building and Safety department will review the plans and be ready to issue a construction permit in December 2023, and that construction will take approximately 6 months to complete. This will allow for move in to the site to take place in July 2024 and students will occupy the site in August 2024.

In the space below, please include a specific description, with supporting documentation, of this identified site's ability to accommodate the charter school's enrollment projection in its first year of operation at the proposed site and each subsequent year for the term of the charter, at this proposed site. Please also describe the extent to which the site is approved for the specific use in accordance with requirements of applicable building authorities, applicable laws, and expectations set forth in Section "I" (Facilities) of the *LAUSD Policy and Procedures for Charter Schools*.

As noted above, the site has a current occupancy of 1,200, per city records. NHCA's enrollment capacity, in accordance with the terms of its charter authorized by LAUSD, is 300 students, and at full enrollment we will have approximately 35 faculty and staff members.

The Friar Street site originally was designed as a school and it has operated as a school – including a public charter school – for many years. NHCA is reutilizing the existing site and two-story educational building primarily in its current configuration. The site plan and floor plans will remain the same as they are now. The tenant improvements to the building are to bring the building up to current applicable codes as well as modernize the finishes. The exterior site work will improve outdoor spaces while meeting ADA and other applicable requirements. The site has a long history of city approvals of the educational building, which include:

1. Permit #1958VN23031 (2.4) – Permit for addition of an educational building which states the existing and proposed use as “educational facilities and church.” This permit includes a site plan depicting the “educational addition” which is the two-story educational building where the proposed Project would continue to operate.
2. Letter of Determination for ZA-17750 (1966) (2.5): This Zoning Administrator (ZA) determination acknowledges the previous and historical use of the school facilities and provides conditions specifically for the four classrooms on the ground floor, to be operated as a nursery school for younger children. The Project would comply with these conditions by utilizing these classrooms for the youngest students.
3. Permit #1966VN96301 (2.6): This permit and site plan correspond to the ZA-17750 approval, as it is stamped with the case number. As ZA-17750 is the prevailing CUP entitlement, the proposed project would maintain substantial conformance to this site plan. The proposed project does not include an increase in number of classrooms, capacity, or changes in the use of each space within the building which means that the improvements are considered minor and are in ‘substantial conformance’ with previous city approvals and actions.

4. Email discussion with Mayela Villa of the City of Los Angeles DSC Counter (2.7). We conducted a meeting with her and provided her these documents to review. Based on the email feedback she provided, she and her supervisor suggested that this project may be permitted with just a building permit if the existing approvals and conditions were complied with. City staff will complete a substantial conformance review of the tenant improvement plans and will provide final confirmation in the coming weeks.

Refer to the current Certificate of Occupancy (COO), or equivalent document issued by the applicable jurisdictional authority, for the private site to provide the information requested in the rows below. Please ensure that a copy of the COO (or equivalent) is included in the Section 2 Evidence folder and listed in the Section 2 Evidence Table above.

Address: 14701 Friar Street, Van Nuys, CA 91411

Maximum Occupancy: 1,200

Approved Use(s): School Building

Issuing Authority (e.g., "City of Los Angeles"): City of Los Angeles

Does the site require* any construction-related activities or other facilities improvements to prepare the site for use as described in the petition (including, but not limited to, the site's ability to accommodate the school's enrollment roll out plan)?

☒ Yes x
☐ No

*Please refer to "Charter Schools Facilities Requirements" on p. 71 of the *LAUSD Policy and Procedures for Charter Schools* for applicable requirements.

If any construction-related activities or other facilities improvements to the site are necessary to comply with applicable law, please provide a brief description (e.g., scope, itemized construction-related activities, and estimated cost) of these construction-related activities or other facilities improvements in the space below.

As noted above, Exterior and Interior improvements will be made to bring the building up to current standards, focusing on ADA compliance, fire life safety, Title 24 energy requirements and other applicable codes as required by the city of Los Angeles Department of Building and Safety, Los Angeles City Fire and other applicable city departments. ADA improvements include exterior grading, a new elevator or HC lift and accessible ramp(s); fire life safety upgrades include a monitored fire alarm system and fire sprinklers; new or retrofitted doors and windows to meet accessibility requirements as well as Title 24 provisions; new lights and wall outlets; new HVAC system; upgraded plumbing fixtures; and other improvements as required by the city of Los Angeles. Landscaping will be provided throughout. Additionally the site will receive cosmetic improvements including new finishes and fixtures such as new flooring, paint, windows, doors, and bathroom accessories, as required. (2.3)

All work will be done to current applicable codes through the city of Los Angeles Department of Building and Safety.

The projected cost of the tenant improvements is approximately \$4.6M, which NHCA plans to finance via a construction loan/line of credit. The budget attached to this CIA includes specific details about the financing costs and repayment terms, built in the budget for the coming years.

Please provide the requested information in the rows below, consistent with the description above.

Projected maximum occupancy of the site as the result of the above-described planned construction-related activities or other facilities improvements: The site is authorized to house 1,200 individuals.

Projected Cost: Approximately \$4,600,000

Projected Schedule (start date / completion date): We anticipate that the Building and Safety department will review the plans and be ready to issue a construction permit in December 2023. Construction will take approximately six months to complete. Based on the Charter School Division's posted calendar of timelines for Material Revisions, by submitting this Material Revision request and CIA in mid-September, we would be scheduled for an LAUSD Board vote January 23, 2024. ***Since this Material Revision is an administrative decision that does not require LAUSD Board authorization, we respectfully request that CSD staff help us expedite this request so that we can commence construction as soon as the construction permit is issued.*** With construction complete in June or July 2024, our staff will move in and students will commence their first day of school at the new location on August 19, 2024.

Potential Private Site #2

In the space below, please describe the specific steps the charter school has taken/is taking to research and secure this site. Please ensure the response includes the anticipated timeline to operate (i.e., provide public education to students) on the proposed site.

Not applicable.

In the space below, please include a specific description, with supporting documentation, of this identified site's ability to accommodate the charter school's enrollment in its first year of operation and each subsequent year for the term of the charter, at this proposed site. Please also describe the extent to which the site is approved for the specific use in accordance with requirements of applicable building authorities, applicable laws, and expectations set forth in Section "I" (Facilities) of the *LAUSD Policy and Procedures for Charter Schools*.

Refer to the current Certificate of Occupancy (COO), or equivalent document issued by the applicable jurisdictional authority, for the private site to provide the information requested in the rows below. Please ensure that a copy of the COO (or equivalent) is included in the Section 2 Evidence folder and listed in the Section 2 Evidence Table above.

Projected Cost: Click or tap here to enter text.	
Projected Schedule (start date / completion date): Click or tap here to enter text.	

DISTRICT SCHOOL SITE (Prop. 39)

Does the charter school intend to submit a request for use of District facilities pursuant to Education Code § 47614 (Prop. 39) for this proposed additional site or change of location (for a move)?

☐ Yes
☒ No

Per the *LAUSD Policy and Procedures for Charter Schools*, a petitioner's stated intention to use District facilities pursuant to Proposition 39, by itself, will not be deemed against the entire community's interest, but the petitioner shall include, in its facilities plan, detailed information and analysis regarding the specific District school site(s) where the petitioner wishes to locate.

Facts related to District facilities (e.g., sale of property, increases in enrollment, etc.) are subject to change.

Proposition 39 facilities are determined on an annual basis through a separate annual process, pursuant to applicable law and regulation. As such, petitioners should not make assertions that may be inconsistent with that regulatory process and requirements.

NOTE: Completion and submission of this section *does not* constitute a facilities request under California Education Code § 47614 and its implementing regulations.

**SECTION 3:
EVIDENCE of COMMUNITY ENGAGEMENT**

NARRATIVE

a. In the space below, describe and provide documented evidence of transparent, inclusive, and active community engagement activities and outreach specific to the proposed action (i.e., addition of a site, move, or expansion of grade levels served) within the target community (i.e., the community, as defined in the *LAUSD Policy and Procedures for Charter Schools*, that the charter school proposes to serve) in which the proposed additional site or new site (for a move) seeks to locate or the proposed expansion of additional grade levels served will occur, including, but not limited to, engagement with the following stakeholder groups:

- ☐ Parents in the community
- ☐ Existing public schools (as indicated on the list of Schools within the Community provided by the CSD)
- ☐ Neighborhood councils
- ☐ Community-based organizations
- ☐ Elected representatives
- ☐ LAUSD Region(s) and Community of Schools leadership
- ☐ LAUSD Board of Education members

With the move of current, existing students from the Prop 39 site to Friar Street, we do not agree that the level of community outreach required by LAUSD policy applies in this case. As noted above, the 245 students we currently have enrolled represent 44 different “resident” LAUSD schools across the San Fernando Valley. (2.2). As a successful charter school in operation for ten years now, the broader San Fernando Valley community is aware of NHCA.

Nevertheless, in an effort to be expedient and meet District staff requests, we notified our own parent community as well as the broader community surrounding the school about a Town Hall event we were able to host at the new Friar Street location, thanks to the cooperation of our property owner. While only three parents attended the Town Hall on September 6th, (3.1) we will host several additional events in the coming months once LAUSD approves the move. NHCA also contacted the Van Nuys Neighborhood Council (3.2) and also wrote to LAUSD Board Members Kelly Gonez and Scott Schmerelson (3.3, 3.4).

In addition to the above, NHCA also did the following:

Stakeholder Outreach:

Parents in the Community: NHCA is dedicated to conducting regular outreach to current and prospective families. In July 2023 we were thrilled to add our first Parent Coordinator to our staff, Yahjaira Arevalo. Ms. Arevalo will be leading NHCA's outreach efforts in the community, focusing on underserved students in the area, including students who are English Learners and students with disabilities.

For the purpose of this community impact assessment, the school engaged in the following activities to inform parents and community members of this plan through two bilingual written notices and a Town Hall informational meeting with translation services:

Specific Actions Taken to Inform Parents:

- Bilingual Social Media Post on Patch notifying parents in the community about the intended move. The post included contact information for school representatives, inviting community members to reach out with questions or comment. Additionally, the post included an invitation for the Town Hall informational meeting we held at the Friar Street site. (3.5)
- The Town Hall informational meeting was held on September 6, 2023. Translation services were available in Spanish and Armenian for the meeting. (3.6)
- Bilingual flyers about NHCA and the Town Hall were distributed to preschools, Head Starts and day care centers (listed below), laundromats, churches, and active streets. Virtually the post was also uploaded on the school website and emailed to stakeholders as detailed below. (3.7-3.9)

Existing Public Schools: Ms. Arevalo, our Parent Coordinator, sent an email communication to each of the public and charter schools serving grades TK-8 that were identified by LAUSD as being “within the Community of Schools and a three mile radius” from the Friar Street site (1.8), notifying them of the plan to move from our current Prop 39 co-location on the Fair Avenue Elementary School campus to a private facility in Van Nuys starting with the 2024-25 school year. (3.10, 3.11)

Local District Leadership: In addition to outreach to existing public and charter schools, Ms. Arevalo also emailed a similar communication to David Baca, Superintendent for Local District Northwest. (3.12)

Community of School Leadership: In addition, Ms. Arevalo also emailed a similar communication to Vicky Damonte, Administrator for the Van Nuys/Valley Glen Community of Schools. (3.13)

Elected Officials: NHCA also conducted significant outreach to several local elected officials to inform them of the town hall and seek support for NHCA’s facility move.:

Specific Action Taken to Inform Elected Officials:

- Ms. Arevalo sent an email to Imelda Padilla, Councilmember of Los Angeles City Council District 6, (3.__, 3.__) notifying her of the plan to move from our current Prop 39 co-location on the Fair Avenue Elementary School campus to a private facility in Van Nuys starting with the 2024-25 school year.
- Ms. Arevalo sent an email to Kathy Schreiner, Board President of the Van Nuys Neighborhood Council, (3.2) notifying her of the same plan.
- Ms. Arevalo sent an email to Kelly Gonez, Board Member of the LAUSD Board of Education and representing Board District 6, (3.3) notifying her of the same plan.
- Ms. Arevalo sent a similar email to Assemblymember Jesse Gabriel. (3.16)
- Ms. Arevalo sent a similar email to State Senator Caroline Menjivar. (3.17)

Community Based Organizations: Given that the openings in our school are predominantly in TK/K, we focused our outreach at this point on local preschools, Head Starts and day care centers in the surrounding area. We notified several agencies such as CCRC and Buonora that provide a variety of services to families, including child care placements for younger

children. NHCA distributed physical town hall flyers and information about NHCA to the following preschools and day care centers (3.18):

1. Head Start Preschool: 5944 Woodman Ave, Van Nuys, CA 91401
2. CCRC Sherwood: 7224 Woodley Ave, Van Nuys, CA 91406
3. CCRC Head Start Sepulveda: 15435 Rayen St, North Hills, CA 91343
4. Buonora Child Development Center: 19325 Sherman Way, Reseda, CA 91335
5. Van Nuys Civic Child Development: 14350 Sylvan St, Van Nuys, CA 91401
6. Church of the Valley Preschool: 6565 Vesper Ave. Van Nuys, CA 91411
7. Van Nuys Christian Preschool: 6260 Tyrone Ave, Van Nuys, CA 91401
8. Beginnings Learning Center: 6903 Tyrone Ave, Van Nuys, CA 91405
9. Apple School Early Childhood Educational Center: 14123 Victory Blvd, Van Nuys, CA 91401
10. Montessori House of Children: 6252 Woodman Ave, Van Nuys, CA 91401
11. ABC Little Schools: 11728 Moorpark Street Studio City, CA 91604/6447 Woodman Ave, Van Nuys, CA 91401
12. The Sherman Oaks Nursery School: 14435 Killion St, Sherman Oaks, CA 91401
13. Sherman Oaks Child Care: 14415 Magnolia Blvd. Los Angeles, CA 91423
14. Smile Learning Academy: 16930 Sherman Way, Van Nuys, CA 91406
15. Harmon Oaks Nursery School: 7028 Balboa Blvd, Lake Balboa, CA 91406
16. Happy Preschool Land: 5727 Vanowen St, Van Nuys, CA 91406
17. Sunflower Montessori: 15520 Sherman Way. Van Nuys, CA 91406
18. Hrashq Pre-School: 7220 Hazeltine Ave. Los Angeles, CA 91405
19. The Nurtury Preschool: 14401 Dickens St, Sherman Oaks, CA 91423
20. First Steps Family Daycare: 13811 Archwood St, Van Nuys, CA 91405

b. In the space below, describe how various communications media have been used to reach diverse constituencies. Please provide a record of outreach efforts specific to the proposed action and audiences reached (e.g., multilingual notices, materials, meeting agendas, sign-in sheets, survey results, etc.) in the Evidence Table below.

As detailed in the preceding section: information was shared on social media, at a public Town Hall, via emails, physically delivering and posting information and flyers. All information provided has been in both English and Spanish. NHCA also has Armenian translation available.

NHCA has dedicated and professional staff who translate all written communications and who are available for translation during events and conferences. The following specific bilingual outreach was conducted regarding this community impact assessment:

- Bilingual communication to NHCA families (3.) with notice of the Town Hall and opportunity to attend.
- Bilingual Social Media Post on Patch notifying parents in the community about NHCA's plan to move. Contact information was included in the notification inviting parents to reach out with questions or comments. (3.)
- Translation in Spanish and Armenian was available at the Town Hall at the Friar Street location. (3.)

c. In the space below, please provide a summary of the responses received from stakeholders. In the Evidence Table below, include publicly disclosable information/documentation of stakeholders' responses (to the extent possible) which will be shared with the LAUSD Board.

Responses were received from the following stakeholders:

- Senator Menjivar: The District Representative, Jasmin Hernandez, wrote: "We would like to know in which ways our office can be of support to your team or organization. Is there any opportunity to visit the North Hollywood campus and discuss?" (3.19)
- Chandler Elementary: "Thank you." (3.20)
- Girls Athletic Leadership School: "Received." (3.21)
- Sylvan Park: ""Welcome to our neighborhood... Looking forward to meeting you and working together to serve the Van Nuys community." (3.22)
- Van Nuys Middle: "Thank you for your email. Best wishes for a great 23-24 school year." (3.23)

**SECTION 4:
ASSESSMENT of DUPLICATION of PROGRAMS CURRENTLY OFFERED
BY EXISTING PUBLIC SCHOOLS IN THE COMMUNITY**

NARRATIVE

a. In the space below, please list and provide brief descriptions of all key programs offered by the charter school (inclusive of the proposed additional grade levels being requested, if applicable). For each program listed, please also include citations to the applicable page(s) in the charter wherein the program is described. For purposes of this section, a **“program” consists of systemized activities, services, and/or strategies implemented to meet identified education goal(s) for students with measurable outcomes that are regularly monitored.** If a program focuses on goals/benefits for a specific student group (e.g., English Learners, Students with Disabilities, etc.), please indicate this in the brief description of the program.

Here, LAUSD effectively asks us to chop up our already comprehensive 383-page charter petition in a way that is neither logical to the way we operate nor required by the state charter law. Our “program” is a carefully designed, integrated set of strategies and research-based “best practices” that are careful personalized and differentiated to meet each individual student’s needs. We use blended learning, integrating tech-based tool for personalization, along with project-based learning, co-teaching in an inclusive learning community with push-in and pull-out services and supports for individuals and groups of students (including integrated and designated ELD for English Learners). The following highlights some of our key strategies and practices, which, **collectively**, are not duplicated by any other school across LAUSD, to our knowledge.

Programs for Improving Student Learning:

Unique Set of Research-Based Curriculum Design and Implementation Practices

- New Horizons Charter Academy utilizes curricula with a proven track record and research base: (Pages 138-166, 151; for your convenience a copy of the charter petition is included in the Section 4 Evidence folder) Subjects include math, English language arts, designated and integrated English language development, science, social studies, visual and performing arts, physical education, and life skills. Curricular design also includes supplemental curricula that is used under NHCA’s blended learning model.
- Backwards Design: (Pages 138-140) New Horizons Charter Academy teachers plan units of study collaboratively with an emphasis on mastering the CA State Standards using the ‘backwards design’ guidelines described in *Understanding by Design*.
- State-of-the-art STEMLab program. Our STEMLab is complete with 17 independent learning modules for students in grades 4-8 (Drones, Computer building, Lasers, Structural Engineering, 3D-Printing, Robotics, Rockets, Flight Simulator, Video Production, Audio Production, Textiles, Culinary Arts). Students rotate three times weekly into the STEMLab, where they learn the theory of STEM behind each of the career modules at the same time they build a functional product in collaborative pairs. NHCA has been visited by multiple middle and high schools to observe the amazing learning, collaboration and production occurring in this lab.

Unique set of research-based and continuously refined pedagogies and instructional practices

- Learning Projects (Pages 110 – 111): Students' interests and previous knowledge are valued as teachers prompt students to engage in projects that require them to investigate, explore, test, refine, reflect and more.
- Differentiating Instruction to Meet the Needs of All Learners (Pages 139-140, 152): Teachers design innovative instructional strategies by differentiating the content, process, and products delivered to students in order to provide equal access for all learners (including English learners and students with special needs). NHCA makes intentional use of live data to drive real-time instructional decisions and empower students.
- Extended Instructional Opportunities (Pages 134 and 136): Students at NHCA have the opportunity to attend Saturday School, which is held twice a month, 9 am to 1 pm, after the end of the 1st Quarter. Each teacher holds tutoring for our Rtl-identified students twice weekly from 3:00 pm to 3:30 pm.

Increase Learning Opportunities for All, with Special Emphasis on Students with Special Needs

- Co-teaching Model & Inclusive Learning Community (Pages 112-113): Classes use a co-teaching model and all students benefit from instruction that is thoroughly planned by general and special education teachers in partnership. Co-teaching across grade levels includes active instruction delivered jointly along with joint planning and assessment.
- Blended Learning Rotational Instructional Design (Pages 150 - 151): The Blended Learning Model provides up to three daily student rotations for both Mathematics and English Language Arts, with additional weekly rotations for Science and Social Studies.
- Visual and Performing Arts Program (Pages 14, 160 - 161): A part-time visual arts specialist and part-time music specialist travels to all classrooms weekly, with lessons aligned to the California State Content Standards for the Visual and Performing Arts.
- Life Skills Curriculum (Page 161 - 163): New Horizons Charter Academy's Cloud9 Social-emotional curriculum incorporates a rigorous and developmentally appropriate program of values and character education to prepare students to thrive in high school, college and the world.
- Daily Clubs (Page 95): Daily clubs provide English learners, students with special needs and all of our students with more opportunities to showcase their strengths and to practice the skills they need to be successful in school. In our clubs program, students to self-select an area they are interested in and grow in that area. Our intention is that students find a club they are passionate about and be more engaged during the school day knowing that participation in the club is a reward for successfully completing the day.
- Special Education Staffing Model (Page 94): NHCA's Case Manager of Special Education Services directs the SpEd team which includes our Resource Teacher, Speech Therapist, Nurse, Occupational Therapist, Adapted PE instructor, and Behaviorist and Special Education. All provide integral support, training and collaboration with our classroom teachers, in addition to push-in and pull-out services for the students with special needs
- Designated and Integrated EL Program (Pages 183-184, 185-187, 191): Integrated ELD takes place in the general education classroom with SDAIE strategies and is led by the general education teacher. Designated ELD takes place during the morning

ELA block, delivered by the classroom teacher and reading intervention specialist.

- Response to Intervention and Student Success Team (Pages 198-200): NHCA meets the needs of students achieving below grade level students using the three-tiered Response to Intervention (RTI) model. For students with low Istation Reading and Math, DIBELS, NWEA MAP and SIPPS results, or for students who are not demonstrating adequate progress with classroom interventions, that student may be referred for a Student Success Team (SST) meeting. Two unique interventions are the Reading and Math Success classes where rotations in class are used to support students with the use of a distinct set of software programs *IStation Reading, Istation Math, Freckle and Wonders, BrainPOP, EPIC, DiscoverEducation, RevolutionK12, and Pearson Digits*.

Unique set of research-based academic and nonacademic accountability systems and practices

- Aligning Assessments to Desired Results (Pages 138-139): Teachers assess student mastery of standards-aligned content throughout the unit of study using a variety of methods, including both formative and summative assessments.
- Varied and Authentic Assessments (Pages 213-215; 229-233): NHCA outcome measurement process uses a variety of resources to ensure that assessment guides instruction and that major outcomes are met. The process consists of a series of assessment tools, including Entry-Level, Monitoring, and Summative assessments.
- Data Analysis and Reporting (Pages 215 - 235): NHCA regularly utilizes quarterly benchmark and weekly assessment data to make changes in the implementation of the educational program, professional development activities, and resource allocations. Data analysis and reporting process components include: a variety of assessments (from school designed, to publisher designed, to standardized, to observations); weekly mini and quarterly benchmarks review and analysis; incorporation of varied and authentic assessments; the data management system; disaggregation of data at the school, class, individual student, and subgroup levels. Teachers are provided time during the bell schedule to collaborate, as well as early dismissal sessions on Wednesdays to collaborate, review data, engage in targeted professional development and coaching.

Technology integration in core academic areas to improve student's level of understanding, and increase interest in learning (Pages 164 – 165)

- All the classrooms have Interactive and SMART boards (including SMART Notebook software) to provide instruction to reach students' multiple learning modalities, support struggling students at their level of performance, and challenge other pupils to advance to their next level of academic achievement
- All classrooms and all students have supervised access to the Internet, and state-of-the-art educational technology, such as SMART Boards, flat screen computers, Chromebooks and iPads.

Distinct Mix of School Culture and Discipline Design

School Climate and Discipline System (Pages 92, 297 - 302): NHCA bases its Discipline Foundation Policy on guiding principles outlined in our Mandala Words. The word "mandala" means circle. It represents wholeness, and can be seen as a model for the organizational structure of life reminding us of our relation to the infinite, the world that extends both beyond and within our bodies and minds. NHCA also

implements a three-tiered Restorative Justice model in conjunction with School-wide Positive Behavior Intervention and Support. The Restorative Justice Framework includes training in Dynamic Mindfulness for teachers and scholars to support development of emotional control, stress management and response to trauma.

Programmatic Focus on College Readiness and Awareness + College/University Partnerships

- College Readiness and Awareness (Pages 81 and 134): To ensure college graduation, we emphasize college readiness and awareness starting in kindergarten. Students along with their families visit local universities as early as kindergarten.
- California State University, Los Angeles and Northridge Partnerships (Page 13): Our staff, university, and community partners collaborate to offer monthly workshops to parents which include culturally responsive education, Response to Instruction and Intervention Program, health awareness and nutrition, behavior modification/management strategies and approaches to nurture and motivate students. California State University Los Angeles and Northridge faculty also meet with the NHCA parents to address topics and workshops relevant to student learning and parenting issues.

Programming to Increase Parent Participation and Student Supports:

- Parent Education Classes and Workshops (Page 13): Parent education classes are held at NHCA. Kindergarten teachers develop parent workshops focused on modeling effective strategies to build phonemic awareness, health and nutrition, and oral language development activities. Our school also involves parents in Language Arts-Math-Science Night.
- Regular Communication with and Supports for Parents (Pages 12-13): Includes parent orientation and conferences, progress reports and report cards, bi-annual student awards, parent newsletter, and on the website – homework assignments, upcoming tests, learning benchmarks NHCA offers parents after-school student supervision, homework support, sports, and other enrichment learning activities through the services of Youth Policy Institute and grant-writing opportunities.

Programming on Developing Quality Staff, Including Shared Responsibility in Enhancing School Model:

- "The College-Ready Promise" (TCRP) Teacher Observation Framework (Page 178): NHCA utilizes "The College-Ready Promise" (TCRP) Framework which provides an observation framework for teacher evaluations with rubrics that can be accessed with a tablet or laptop.
- Supporting Teachers' Pursuit of Professional Development (Pages 14-15): NHCA promotes and supports teachers' pursuit of academic research to enhance the effectiveness of the learning programs they are responsible to teach. NHCA teachers participate in local, state and national conferences, workshops and seminars, as resources allow.

b. If applicable, in the rows below, please provide a brief description of each of the key programs offered by the charter school (inclusive of the proposed additional grade levels being requested, if applicable) that the petitioners assert are **not** currently offered by the existing public schools in the community. Provide responses to all the questions for each key program listed. Ensure

that these program descriptions are consistent with the description of the instructional program in the charter petition and include applicable citations (i.e., reference to the specific pages describing the program in the school's charter).

(Add additional rows to the table below as needed)

NHCA RESPONSE TO 4.b. LAUSD's requests appear to exceed the intent and purpose of the state charter school law. If an existing, successful charter school wants to move *within the same district* to a new facility, it should not first be required to prove that it will not duplicate existing schools.

Thoroughly completing this request, as written, could take hundreds of hours to provide a complete response, especially because it is unclear where we would even gather this information, since it is not readily available.

Furthermore, this section of the CIA asks charter schools to isolate "programs" that do not operate in isolation. At NHCA, our strategies and approaches are integrated and do not operate in segregated silos. Our "program" is thoroughly detailed in our most recent charter petition, approved by the LAUSD Board, including details about how many students are served, the activities and/or services related to the program, the educational goals of the program and so on. This request is akin to asking a baker to identify all the nearby bakeries that also use flour, or sugar, assuming that if they do, they must be doing things in the exact same way as the first baker. NHCA has been serving the San Fernando Valley for 10 years now. CSD staff have been to the school and evaluated it favorably on an annual basis, and the charter has been renewed by the LAUSD Board.

Name of Program and brief description (Include applicable charter citation(s))	Please provide responses to all six questions below for <i>each</i> program
Program 1 Name: Brief description: Applicable charter citation(s):	Program 1 (Responses) 1. Which student groups does/will the program serve? How many students currently/will participate? 2. How is the program currently or proposed to be implemented? Describe the activities and/or services related to the program. 3. What is the educational goal(s) of the program? 4. How are the educational goal(s) of the program aligned to identified academic need(s) in the community? 5. What are the measurable expected outcomes of the program? 6. How and when is the program monitored/proposed to be monitored?
Name of Program and brief description	Please provide responses to

(Include applicable charter citation(s))	all six questions below for <i>each</i> program
Program 2 Name: Brief description: Applicable charter citation(s):	Program 2 (Responses) 1. Which student groups does/will the program serve? How many students currently/will participate? 2. How is the program currently or proposed to be implemented? Describe the activities and/or services related to the program. 3. What is the educational goal(s) of the program? 4. How are the educational goal(s) of the program aligned to identified academic need(s) in the community? 5. What are the measurable expected outcomes of the program? 6. How and when is the program monitored/proposed to be monitored?
Name of Program and brief description (Include applicable charter citation(s))	Please provide responses to all six questions below for <i>each</i> program
Program 3 Name: Brief description: Applicable charter citation(s):	Program 3 (Responses) 1. Which student groups does/will the program serve? How many students currently/will participate? 2. How is the program currently or proposed to be implemented? Describe the activities and/or services related to the program. 3. What is the educational goal(s) of the program? 4. How are the educational goal(s) of the program aligned to identified academic need(s) in the community? 5. What are the measurable expected outcomes of the program? 6. How and when is the program monitored/proposed to be monitored?
c. In the space below, discuss the extent to which the charter school's instructional program proposed to be implemented at the additional site, new site (for a move), or for the requested additional grades, would or would not duplicate the current programs offered by public schools (District and charter) operating (currently providing public education to students) within the target community which serve any of the same grade levels to be served by the charter school. As applicable, discuss and cite any research supporting your response.	

We are not aware of a single school within LAUSD that is duplicative of NHCA's comprehensive model, including the schools identified on LAUSD's list of schools for purposes of this CIA.

Based on publicly available information about each of the District's traditional and magnet schools (which is limited), and the charter schools in the surrounding area, none of these schools offers the same combination of blended learning; co-teaching; extra learning time; learning projects; technology integration; life skills curriculum; visual and musical arts and PE; discipline policy based on Mandala Words, restorative justice and PBIS; university partnerships; comprehensive parent education; and more, that is uniquely offered at NHCA in our small school environment with just 300 students max in grades TK-8.

To research the 38 surrounding schools LAUSD identified for this CIA, we looked at each school's website, School Mint, and their School Plans for Student Achievement. The availability of specific information about each school varied widely. Our research focused on the 5 schools that are within 1.0 miles of the NHCA new site, as well as the closest middle school. All are part of the Van Nuys/Valley Glen Community of Schools.

Cardenas ES: Emphasizes math, science, and technology; developing effective communication skills; and the ability to problem solve and provide community through inquiry- and project-based learning. The arts program includes dance, instrumental music, and visual arts. Students participate daily in the school's character program, with lessons on empathy, conscience, respect, self-control, tolerance, fairness and kindness. An Intervention Lab serves students from any grade who are reading below grade level. A Parent Center provides workshops for enrolled families and the community. The school also offers a preschool program, as well as after-school programming via LA's Best and Youth Services. (4.1, 4.2)

It does not appear that Cardenas ES offers blended learning or tech-integration throughout the school with SMART Boards, online learning and assessments, or the degree of differentiation and personalization in a data-driven environment that NHCA offers. It is unclear how they emphasize math, science and tech or whether they have something like our STEMLab, but they do not appear to offer the unique modules we have developed for our STEMLab program. They do not appear to offer extra learning time (Saturday school), the amount of teacher coaching, evaluation and professional development that we offer, parent education led by university partners, college visits starting in kindergarten, or much more. NHCA is not duplicative of Cardenas ES.

Columbus Ave ES: Columbus Avenue Elementary promotes a safe, respectful environment that fosters each child's maximum academic potential in order to become a successful member of the community and society. The administration organizes and delivers parent workshops and parent meetings on student formative data. The school's art program offers dance, music, and visual arts; their after-school programs provide extracurricular activities such as soccer, football, basketball, softball, dance, and the Science fair. (4.18, 4.19)

Columbus Ave ES does not appear to offer blended learning or tech-integration throughout the school with SMART Boards, online learning and assessments, STEMLab, or the degree of differentiation and personalization in a data-driven environment that NHCA offers, or project-based learning. They do not appear to offer extra learning time (Saturday school), the amount of teacher coaching, evaluation and professional development that we offer, parent education led by university partners, college visits starting in kindergarten, or much more. NHCA is not duplicative of Columbus ES.

Sylvan Park ES (School for Advanced Studies): Sylvan Park maintains high expectations for all students while providing rigorous, standards-based, and real-world learning experiences. The program emphasizes partnership with its families and community, e.g. providing parent workshops in Dynamic Indicators of Basic Early Literacy Skills (DIBELS), math, and phonological awareness. Among its staff are a full-time nurse and psychologist, two instructional coaches (ELA & math), and a part-time IT support position. Their art program includes theater arts and vocal music. Before- and after-school programming includes LA's Best; Ready, Set, Go!; and Youth Services. The school maintains a Parent and Family Center. (4.53, 4.54)

Again, Sylvan Park ES does not appear to offer blended learning or tech-integration throughout the school with SMART Boards, online learning and assessments, STEMLab or the degree of differentiation and personalization in a data-driven environment that NHCA offers, or project-based learning. They do not appear to offer extra learning time (Saturday school), the amount of teacher coaching, evaluation and professional development that we offer, parent education led by university partners, college visits starting in kindergarten, or much more. We also do not operate a separate, test-based admission program for our "gifted" students and instead have an integrated program where all students learn together, side by side, in a highly collaborative co-teaching model. NHCA is not duplicative of Sylvan Park ES.

Van Nuys ES: As a community school, Van Nuys Elementary strives to provide a learning environment where all children can learn and thrive and for our school to be the hub for the community where families access health, social-emotional, mental health, and enrichment support for students. Cognitively guided instruction is a key pedagogy at the school, where all staff are trained in how to facilitate math sense routines, purposeful questioning, and problem-solving skills in the classroom. Before- and after-school programming includes LA's Best; Ready, Set, Go!; and Youth Services. The school maintains a Parent and Family Center. Its art program includes theater arts and vocal music. (4.58, 4.59)

As with the other schools, Van Nuy ES does not appear to offer blended learning or tech-integration throughout the school with SMART Boards, online learning and assessments, STEMLab, or the degree of differentiation and personalization in a data-driven environment that NHCA offers, or project-based learning. They do not appear to offer extra learning time (Saturday school), the amount of teacher coaching, evaluation and professional development

that we offer, parent education led by university partners, college visits starting in kindergarten, or much more. NHCA is not duplicative of Van Nuys ES.

Van Nuys MS & S.T.E.A.M. Magnet: This school, focused on college and career readiness, is comprised of a home school and the S.T.E.A.M. Magnet school. At the magnet school, students participate in STEAM-related field trips, have opportunities to apply engineering to improve products, can join a buddy program that pairs 6th and 8th-graders, and the during homeroom period can participate in acceleration, remediation, test preparation, or enrichment based on their needs. The school also includes a “small learning community” of students that attend the Valley Environmental Academy (VEA), a School for Advanced Studies for identified gifted students, and designed for students who have a strong interest in science and the preservation of the planet. Additionally, the school hosts a parent organization and offers students after-school programs via YS Plus and Youth Services. Arts programming includes band, general art and music, mariachi, theater, strings, and wind percussion. (4.61 – 4.63)

While Van Nuys MS, and especially its SAS for gifted students and magnet program for STEAM, appears to offer some differentiation, yet students appear to be segregated by ability (i.e., the SAS program), while at NHCA our students all learn together in an inclusive classroom, with push-in and pull-out services and supports for individuals and small groups as needed. Like the nearby elementary schools, Van Nuys MS does not appear to offer blended learning or tech-integration throughout the school with SMART Boards, online learning and assessments, or the degree of differentiation and personalization in a data-driven environment that NHCA offers. It is unclear how the magnet program teaches STEAM other than field trips and engineering, or whether they have something like our STEMLab, but they do not appear to offer the unique modules we have developed for our STEMLab program. They do not appear to offer extra learning time (Saturday school), the amount of teacher coaching, evaluation and professional development that we offer, parent education led by university partners, college visits, or much more.

Beyond these five closest schools, LAUSD identified 33 additional public schools – traditional, magnet and charter – “that are within the Community of Schools and 3.0 miles” of the NHCA new site, as detailed above.

Out of the total 38 schools identified:

- 5 schools are independent charter schools (Ararat, Girls Athletic Leadership Academy, High Tech LA Middle, Ivy Bound, and Valley Charter Middle)
- 5 schools are LAUSD-affiliated charter schools (Armstrong Middle, Hesby Oaks Leadership, Riverside Drive, Sherman Oaks Elementary)
- 2 schools are whole-school magnets (Lake Balboa College Prep, Monlux)
- 6 schools have one or more magnets within the school (Armstrong Middle, Bassett Elementary, Kester Avenue Elementary, Madison Middle, Mulholland Middle, Vista Middle)
- 2 schools offer deaf/hearing impaired programs (Saticoy Elementary, Vista Middle)
- 11 schools offer School of Advanced Studies (SAS) programs for qualifying gifted/talented students (Erwin Elementary, Fulton College Prep, Gault Street, Kittridge

Street Elementary, Madison Middle, Mulholland Middle, Noble Avenue Elementary, Ranchito Avenue Elementary, Riverside Drive Charter, Saticoy Elementary, and Sylvan Park Elementary).

Among the 38 schools, based on their website content, School Mint, and/or School Plan for Student Achievement:

- 28 mention having before and/or after-school program(s), typically LA's Best and Beyond the Bell at LAUSD public schools, though a few schools also mention enriching after-school activities such as music and art
- 34 schools mention having music, visual art and/or other VAPA programs during the school day;
- 17 schools specifically mention offering coding, robotics or other computer/tech-related core programs or electives;
- 8 schools mention hands-on science curricula such as FOSS or Amplify Science;
- 2 schools mention utilizing CGI math strategies;
- 6 schools reference project-based learning in some aspect of their program;
- 20 schools mention differentiated learning and/or intervention support offered to students in need;
- 7 schools mention providing students with access to a school psychologist or counselor, offering art therapy, or other similar or related supports;
- 24 schools mention having a parent center and/or offering parent education workshops; and
- 1 school mentions having CTE pathways for its students.

Again, while these isolated components are similar to NHCA, none of these schools offer the same comprehensive model that NHCA offers. NHCA will be an important option for families in the Van Nuys/Valley Glen community, just as it has been an important option for families in the adjacent community these past ten years.

**SECTION 5:
CONSIDERATION of ACADEMIC PERFORMANCE**

NARRATIVE

a. In the space below, discuss the current academic performance levels (i.e., California School Dashboard outcomes) of existing public schools (District and charter) within the target community which serve any of the same grade levels (inclusive of the proposed additional grade levels, if applicable) served by the requesting charter school (as indicated on the list of Schools within the Community provided by the CSD).

The academic performance levels of the schools identified on the LAUSD list for purposes of this CIA are quite varied, as might be expected when looking at 38 different schools. As noted above, 11 schools offer Schools of Advanced Studies (SAS) programs (Erwin Elementary, Fulton College Prep, Gault Street, Kittridge Street Elementary, Madison Middle, Mulholland Middle, Noble Avenue Elementary, Ranchito Avenue Elementary, Riverside Drive Charter, Saticoy Elementary, and Sylvan Park Elementary). There are a total of eight schools that are whole-school magnets, or offer one or more magnet programs offered among these 38 schools. Both SAS and magnet programs require an admissions process (and in the case of SAS or gifted programs, academic qualifications for admissions).

Twenty-seven of the 38 schools rate “low” or “very low” in ELA and 29 of the 38 rate “low” or “very low” in Math. (Please refer to 5.1 for a summary data table based on the California Dashboard reports for all 38 schools.) Vista MS (-71.0 in ELA and -124.8 in math) and Fulton College Prep (-70.5 in ELA and -138.9 in math) both have “Very Low” status in both ELA and Math. (Ibid.) Conversely, six of the 38 schools rated “high” or “very high” in both ELA and Math: Chandler ES, Kester Ave ES (includes gifted magnet), Sherman Oaks ES (LAUSD-affiliated charter), Dixie Canyon ES (LAUSD-affiliated charter), Riverside Drive (SAS LAUSD-affiliated charter), and Hesby Oaks Leadership Center (LAUSD-affiliated charter). Louis Armstrong Middle (LAUSD-affiliated charter with two magnet programs) and High Tech LA Middle (independent charter) both achieved a “high” status level in ELA, but not Math. (Ibid.)

English Learner Progress Indicator (ELPI) results ranged from 36.6% making progress (Fulton College Prep) to 84.6% (GALS charter) – the state average in 2022 was 50.3%, with 18 of the 38 schools falling below the state average. (Ibid.) Among the 38 comparison schools, all but two schools have a “High” or “Very High” status for Chronic Absenteeism on the 2022 CA Dashboard reports, and 15 schools have Chronic Absenteeism rates higher than 40%. (Ibid.) Suspension rates range from zero to 3.8%; while almost all of the schools achieved a “Very Low” status, there were three “Low,” two were “Middle,” and one was “High.” (Ibid.)

b. In the space below, discuss the current academic performance levels (i.e., California School Dashboard outcomes) of the requesting charter school. Please ensure this discussion includes consideration of all applicable California School Dashboard indicators.

Like most schools, NHCA experienced pandemic learning loss. Our 2022 CAASPP scores for students in grades 3-8 were -35.1 DFS in ELA and -67.4 in Math. (5.1) While lower than state averages for 2022 (-12.2 in ELA and -57.7 in Math), NHCA's students still outperformed most of the schools on the LAUSD list. NHCA's ELA performance was higher than 20 of the 38 schools in the community, and NHCA's Math performance was higher than 14 of the schools, and within a few points of another six schools, thus effectively in the middle of the

pack for both ELA and Math. This is not surprising given the number of SAS/gifted and magnet programs in the community.

NHCA's ELPI rate of 44.8% in 2022 was slightly below state average (50.3%), yet higher than several of the schools in the community. NHCA has implemented extensive learning groups, intervention, tutoring, after-school academies, RtI practices and hired additional staff to support learning loss, particularly for EL and SWD populations. Like most of the area schools, and schools across the state, chronic absenteeism has been a challenge for us since the pandemic, and was 42.5% on the 2022 Dashboard. In 2022-23 we realized a small improvement to 37.3%. (Internal data.) We are working hard to dramatically lower this figure significantly to our pre-pandemic rates and lower. We note, however, that our chronic absenteeism rate was on par or lower than the rates of 15 of the schools in the community.

In 2021-22, our suspension rate was 3.1% -- a notable increase from our pre-pandemic suspension rate in 2019 of zero. In 2023-24 this rate decreased slightly to 2.9%. (Internal data.) We note that as a particularly small school with approximately 254 students, even one suspension represents a larger percentage than at many of our nearby schools that are significantly larger.

c. In the space below, discuss how the proposed action (additional site, new site (for a move), or additional grade levels) will meet the academic needs of students the charter school proposes to serve and support increased student achievement in the target community, informed by the analyses of academic performance noted in 5.a and 5.b above.

As we have explained above, finally having a campus that has plenty of room for all of our students – indoors and outdoors – that will support our highly differentiated and collaborative model is a dream we have had since our founding 10+ years ago.

**(OPTIONAL) SECTION 6:
ADDITIONAL INFORMATION**

The charter school may present additional information for consideration in the Community Impact Assessment, including but not limited to information pertaining to the needs and achievement of historically underserved students (e.g., Foster Youth, English Learners, Socioeconomically Disadvantaged students, etc.), and the proposed allocation of resources and/or investments to improve student outcomes. Petitioners are encouraged to cite and address the District's goals and/or priority areas.

NARRATIVE

In the space below, present any additional information for consideration in the Community Impact Assessment, consistent with the italicized language above.

Not applicable, especially since the community will not be impacted by our move from a District-owned facility to a private facility.

RESOLUTIONS

TAB 26

Board of Education Report

File #: Res-017-23/24, Version: 1

Mr. Schmerelson - Remembering and Honoring the Significance of Lunar New Year (Res-017-23/24) (For Action January 23, 2024)

Whereas, California Assembly Bill 2596, codified in law in the Code of Civil Procedure in September 2022, recognizes the Lunar New Year, as the date corresponding with the second new moon following the winter solstice, or the third new moon following the winter solstice should an intercalary month intervene, as a state holiday;

Whereas, The Los Angeles Unified School District has a significant Asian American student population;

Whereas, The Lunar New Year is one of the most important holidays celebrated across Asian countries as well as the Asian diaspora;

Whereas, The Lunar New year is one of the most important holidays in China, Vietnam, South Korea, and other Asian countries, and one of the most widely celebrated among Asian Americans;

Whereas, The Lunar New Year is based on the lunar calendar and marks the arrival of spring;

Whereas, The Lunar New Year celebrates a chance to leave behind the troubles of the past year and invites prosperity and good luck moving forward;

Whereas, The state has already recognized this day as a state holiday acknowledges the diversity and cultural significance Asian Americans bring to California and demonstrates an understanding of the importance of wanting to see one's own experience reflected in state holidays;

Whereas, Recognition by the state has much significance to a community that has traditionally and historically been overlooked;

Whereas, The state's commemoration of Lunar New Year was meaningful, especially amid the wave of hatred and violence toward Asian Americans that has escalated since the pandemic began;

Whereas, The District has been at the forefront of encouraging and promoting a curriculum relating to diversity and equity in order to empower future generations;

Whereas, The concern for human rights is a major element in the History-Social Science Framework for California Public Schools, Kindergarten through 12th grade;

Whereas, The District is committed to confronting difficult subjects, including the Asian American Pacific Islander Hate, in inclusive ways that ensure all students are respected and has strong nondiscrimination and anti-bullying policies to that end; and

Whereas, The Governing Board of the Los Angeles Unified School District has adopted other diverse cultural holidays recognized by our families, in school calendars set to go into effect in the 2022-2023 school year; now, therefore, be it

Resolved, That the Governing Board of the Los Angeles Unified School District hereby commemorates the date corresponding with the second new moon following the winter solstice, or the third new moon following the winter solstice should an intercalary month intervene, as the “Lunar New year”; and, be it finally

Resolved, That the Board encourages all schools to incorporate lessons on the Lunar New Year in instruction, and that relevant and appropriate instructional resources be made available to all P-12 educators to utilize in schools to ensure that the Asian American Pacific Islander history and culture are appropriately and meaningfully shared with students, staff, and families.

Dr. McKenna - Commemorating the Life and Legacy of Dr. Martin Luther King, Jr. and the National Day of Service (Res-018-23/24) (For Action January 23, 2024)

Whereas, The Reverend Dr. Martin Luther King, Jr. devoted his life to the struggle for justice and equality;

Whereas, Dr. Martin Luther King, Jr. was universally recognized as a proponent of nonviolence in the pursuit of freedom and justice in the United States;

Whereas, Dr. Martin Luther King, Jr. was awarded the Nobel Prize for Peace in 1964 in recognition of his outstanding leadership in pursuit of that goal;

Whereas, In May 1964, Dr. Martin Luther King, Jr. addressed nearly 15,000 Angelenos at the Los Angeles Memorial Coliseum on the issues of race relations and human dignity;

Whereas, Today's social, political and economic landscape reiterates the need for Dr. Martin Luther King, Jr.'s philosophies and message of nonviolence;

Whereas, Dr. Martin Luther King, Jr. Day has been recognized as a national holiday since 1984 and became a National Day of Service in 1994 by the passage of the King Holiday and Service Act by the US Congress;

Whereas, The Dr. Martin Luther King, Jr. National Day of Service is a part of United We Serve, a national call to service initiative established by President Obama;

Whereas, Dr. Martin Luther King, Jr. firmly believed that the pursuit of justice, equality, and a new sense of dignity for millions of Black people, and opens, for all Americans a new era of progress and hope;

Whereas, The Dr. Martin Luther King, Jr. National Day of Service, calls for Americans from all walks of life to work together to provide solutions to the most pressing national and local problems; and

Whereas, Our students, parents, and staff will benefit from all projects and programs that increase participation in acts of community service; now, therefore, be it

Resolved, That the Governing Board of the Los Angeles Unified School District recognizes the third Monday in January as a day of service in honor of Dr. Martin Luther King, Jr. and his principle of justice for all;

Resolved further, That on Monday, January 15, 2024, we encourage all students, parents, teachers, and staff to observe this MLK National Day of Service by engaging in volunteer activities to help our

File #: Res-018-23/24, **Version:** 1

community become a better world; and be it finally

Resolved, That schools provide students and parents with suggestions of appropriate instructional and community activities that can be conducted during and following the MLK National Day of Service on January 15, 2024.

Santa Ramirez Biography

I would like to introduce myself, my name is Santa Ramirez. I am a mother of three beautiful children. I joined the PTA to enhance my children's and other students' education in school. I have been in the PTA organization for about 20 years. I enjoy volunteering for our schools to improve our students' further education, so they can have the best opportunity to grow and advance to a university for their careers. My roles in PTA have been Treasurer at an elementary school and president and Historian at Highlands Council. At the Tenth District PTSA, I have been a Treasurer 2017-2019, Third V.P. Of Health and Education 2019-2021, Second V.P. Of Health 2021-2023, and now 5th V.P. Of Health.

I have been in several committees: Chairmanship of the Finance Committee 2017-2019. Chairmanship of the Nominating Committee 2019. Office Committee 2017-2019. Financial Oversight Committee 2017-2019. Reflections, Leadership Committee, Building and Operation Committee. I have been at my children's elementary school on the School Site Committee as a parent and a secretary. My family and I participate in our community through services such as Habitat for Humanity and toy drives. My concerns are advocating for our children and encouraging them to do their best to succeed in life. In the past, I worked as a certified nurse and a Bank Supervisor. In brief, I hope this gives you a short insight into my own experience.

Capital Plan Certificates of Participation Projects

December 12, 2023

Office of the Chief Business Officer

Action Proposed:

Approve eight Capital Plan Certificates of Participation (COPs) projects, to be undertaken at one or more sites, the scope schedule and budget of which is outlined in Attachment A. The combined estimated project budget is \$406.5 million.

Authorize the Superintendent and/or his designee(s) to execute all instruments necessary, as legally permissible, to implement the projects including budget modifications.

Background:

On June 13, 2023, the Board of Education (Board) authorized a resolution approving the execution and delivery of not-to-exceed \$500 million of Certificates of Participation (COPs) and the forms of the documents necessary for the Execution and delivery of the COPs (Board Report No. 300-22/23). In August 2023, the Office of the Chief Business Officer (CBO) sold COPs generating \$423.5 million to fund critical unmet needs of our school support facilities, as well as high-priority school facility needs for which sufficient bond funding is not currently available.

Under the leadership of the Chief Business Officer, a five-year capital plan covering fiscal years 2023-24 through 2027-2028 is being developed. The Capital Plan will include individual projects over \$1 million for which sufficient bond funds are not available and/or eligible.

The Capital Plan projects identified were proposed as priority projects from various divisions. All projects were reviewed by a steering committee comprised of various District senior executives using various criteria including health and safety, regulatory compliance, alignment to the Strategic Plan, and economic impact. This work resulted in the identification of priority projects with an approximate budget of \$1.2 billion, approximately \$1 billion of which was identified for COPs proceeds. Requests to authorize the sale of additional COPs are anticipated to be proposed to the Board in 2024, 2025 and 2027.

Based on the District's financial projections, most of the capital costs associated with these projects are intended to be paid for through COPs, including the COPs approved by the Board in June. The project budgets were prepared based on the current information known, and assumptions about the project scope, site conditions, and market conditions. The project budgets will be reviewed throughout the planning, design, and construction phases as new information becomes known or unforeseen conditions arise and will be adjusted accordingly to enable the successful completion of the proposed projects.

Expected Outcomes:

The Board will approve eight Capital Plan COPs projects, allowing the District to move forward with needed capital improvements.

Board Options and Consequences:

Upon Board approval of the initial capital plan projects, staff will be authorized to proceed with the expenditure of COP funds and all other activities necessary to implement the proposed projects. If the proposed action is not approved, the District will not move forward with the projects.

Policy Implications:

This does not impact existing policy.

Budget Impact:

The 2023-24 Budget included the annual debt service for the 2023 COPs and non-capital costs for the projects. In Fiscal Year 2024, the annual debt service cost is estimated at \$11.3 million, and from FY 2025-FY 2038 the estimated cost is \$33.4 million. The debt service will be paid out of the District's General Fund. Furthermore, some projects will require additional funding to fully complete and/or implement. Sources of funds may vary. These additional costs are estimated to be approximately \$780.5 million, with the majority of funds, approximately \$653 million, expected to be funded by future COPs issuances.

A portion of the scope of five projects was temporarily front funded with operational budget with the intent to reimburse with COP proceeds once approved for specific projects. With the Board's approval of the Capital Plan COPs projects, any prior expenditures will be transferred to the proposed projects. The projects that received some front funding are:

- Sun Valley Electric Buses and Generator Purchases Project: due to the high demand for electric school buses and to account for additional time needed to fulfill an order of 180 buses.
- Sun Valley Transportation Center Electrification Project: to help meet the District's electrification goals.
- Campus Safety Systems Improvement Projects at 291 Sites (Phase 1): due to a need to address student safety as quickly as possible at priority school sites.
- Cybersecurity Improvement Program: due to an urgent need to begin implementing cybersecurity enhancements throughout the District.

Student Impact:

Projects will improve the educational opportunities for students. The cybersecurity project will reduce risks associated with students' personal information and coursework. Similarly, the campus security project will provide a safer physical environment for students. Electrification of the school bus fleet will reduce the long-term operating costs and improve air quality.

Equity Impact:

Component	Score	Score Rationale
Recognition	2	Some of the projects are influenced by equity.
Resource Prioritization	4	Implementation of many of the projects will be conducted such that underserved populations will be a priority.
Results	3	Many of the projects, including electrification of the fleet, are expected to benefit those most impacted by historic health inequities.
TOTAL	9	

File #: Rep-024-23/24, **Version:** 1

Issues and Analysis:

Projects may be undertaken at multiple District sites and/or may include various phases. Exhibit A outlines the scope of work proposed to be undertaken within the initial COPs issuance of \$423.5 million. Six of the eight projects are anticipated to be completed in their entirety, and two projects include an additional phase(s) of scope requiring further funding. Additionally, the unallocated \$17 million remaining from the initial COPs issuance, may be proposed, at a future date, to be allocated to initiate a project to provide an electric transportation center to serve the Gardena region, once feasibility studies are complete.

Staff expects to return to the Board at a later date for authorization to sell additional COPs to fund projects at other District sites, additional project phases, and/or new Capital Plan COPs projects.

The eight initial capital plan projects, once approved by the Board of Education, will be incorporated into the 5-year capital plan currently in development.

Deputy Chief Business Officer, Finance

☒ Approved as to budget impact statement.

Exhibit A: Capital Plan COPs Projects: Scope, Schedule, and Budget

1. Sun Valley Transportation Center Electrification Project

Project Scope: The Sun Valley Transportation Center Electrification project consists of:

- *Charging Stations:* The installation of approximately 200 electric vehicle (EV) charging stations for school buses.
- *Solar and Battery Storage:* Provide a new solar array canopy with battery storage.
- *Bus Wash Building Replacement:* Replace the existing bus wash with a new prefabricated bus wash building.
- *Paving:* Provide new asphalt overlay throughout the site with new parking striping. Provide new asphalt paving in the areas of trenching for underground conduit.
- *Perimeter Barrier Wall:* Provide a new concrete perimeter barrier wall around the site with new security gates at the vehicle entry locations.
- *Site Lighting & Security:* Provide new site lighting poles and provide new lighting under the solar canopy. Provide new security cameras attached to the solar array canopy.
- *Landscape:* Provide a new landscape buffer on Sun Valley Magnet School property, adjacent to the new pre-cast concrete wall for noise reduction and improved aesthetics.
- *Temporary Bus Parking:* Provide temporary offsite bus parking for the duration of construction until the site is ready.

Project Budget: \$80,120,640

Project Schedule: Construction is anticipated to begin in Q4-2025 and is anticipated to be completed in Q4- 2026.

Exhibit A: Capital Plan COPs Projects: Scope, Schedule, and Budget

2. Sun Valley Electric Buses and Generator Purchases Project

Project Scope: Located at 11247 Sherman Way, in the community of Sun Valley, the Sun Valley Transportation Center is one of three LAUSD transportation centers located in the San Fernando Valley serving students in the surrounding communities. The buses currently residing there are equipped with internal combustion engines powered with CNG and propane fuels. The Sun Valley Transportation Center will be the first bus yard to have all its school buses transition to electric-powered.

The project will replace all 180 school buses based at Sun Valley Transportation Center with zero-emissions electric school buses (ESBs). The ESBs will be equipped with the latest safety features, including Wi-Fi and a Global Positioning System (GPS), and will have a capacity for 42 or 75 passengers (depending on the model) and an operating range of approximately 125 miles with a full charge. Studies have shown that electric buses are more fuel efficient and significantly reduce the cost of repairs and maintenance. This can result in overall savings of up to \$1.8 million per year. The new buses are anticipated to be delivered in 2025.

As part of the project, 25 propane-powered generators will be purchased to support ESB charging until the construction and installation of permanent charging infrastructure is completed (anticipated approximately two years after the delivery of the ESBs). The generator, situated on a trailer, can fully charge up to eight buses at one time in approximately six to eight hours. The chargers can be ordered and purchased, as needed, to coincide with the projected delivery of the ESBs in 2025. These chargers will also be part of the energy contingency plan, in the event there is a widespread power outage.

This project is critical to ensuring that the new ESBs will be delivered in time to replace CNG school buses with tanks expiring in April 2025. These buses must be removed from service per State and Federal regulations upon expiration. Sufficient lead time is needed for manufacturers to build the buses and for the California Highway Patrol (CHP) to inspect the buses which may take three months after the delivery of the buses.

Project Budget: \$88,700,000

Project Schedule: Purchases began in Q2-2023 and are anticipated to be completed in Q4-2025.

Exhibit A: Capital Plan COPs Projects: Scope, Schedule, and Budget

3. Enrollment Modernization Project

Project Scope: Includes creation of an efficient process for families to apply, register and enroll their children in District schools by eliminating many of the forms parents currently must submit, transitioning from a manual, paper-based process to an automated one. This initiative will be accomplished via multiple projects in coordination with various business owners and stakeholders. One of the projects under this initiative is:

- Configure online enrollment system to be mobile friendly.
- Implement changes identified in Board Resolution (Res-044-18/19) "Everyone Counts", which requests that additional ethnicities be added to District applications to further disaggregate data for Asian, Pacific Islander, and other ethnic groups.
- Enhancements to applications including, but not limited to, enrollment applications, MiSiS, SAP, Focus reports, data warehouse (IODS).
- Develop new reports and dashboards for internal use as needed.
- Develop new reports for external Federal and State reporting as needed.

Project Budget: \$2,000,000

Project Schedule: Implementation is anticipated to begin in Q1-2024 and be completed in Q4-2024.

Exhibit A: Capital Plan COPs Projects: Scope, Schedule, and Budget

4. Student Information Systems Upgrades Project

Project Scope: Includes updates to the District's student information system, including integration with the Bell Schedule, Household Hub (a system of record for parent information), and Early Education Student Information System. The scope may include, but is not limited to:

- *Household Hub Integration:* Integrate the household hub with all District applications that use parent information. This includes the Parent Portal, Early Ed Student Information System (EESIS), Unified Enrollment, Cafeteria Management Services (CMS), etc.

This project will also support non-application needs such as reducing mailings (e.g., a single magnet flier can be sent to a household with multiple District students), providing wrap-around services for families (e.g., chronic absenteeism, mental health, etc.), and data analysis.

Furthermore, the project will address creation of a common path for updating parent information and sharing the household hub information. Options for cleaning existing parent information and sharing the cleansed data across the applications will also be explored.

- *My Integrated Student Information System (MiSiS) with Bell Schedule:* Optimize the management of student schedules, school calendars, and improve overall school operations. By establishing a seamless connection between MiSiS and the Bell Schedule system, schools can enhance efficiency, accuracy, and communication related to student attendance, class timetables, and daily routines.
- *Early Education Student Information System Migration to MiSiS:* Integrate preschool student information and early information into MiSiS. This will eliminate achievement gaps before the third grade and provide instructional support by allowing educators to identify issues and provide educational interventions.

Project Budget: \$1,000,000

Project Schedule: Implementation is anticipated to begin in Q1-2024 and be completed in Q4-2024.

Exhibit A: Capital Plan COPs Projects: Scope, Schedule, and Budget

5. Student Support Applications Modernization Project

Project Scope: Technology refresh and additional functionality for the District's Student support applications, including, but not limited to the Academic Monitoring System, LAUSD Parent Portal/Mobile App upgrade, Special Education Data Management, Student Medical Services Management System, and Universal ID for students. The scope may include, but is not limited to:

- *Academic Monitoring System (AMS):* Provide ability to disaggregate student data such as Low-Income, Emergent Bilingual, Foster Youth, African American, and Students with Disabilities, and allow for real-time assessment and an instant collection of results.
- *LAUSD Parent Portal/Mobile App:* Provide additional functionality to enhance family engagement and communication around student progress and achievement. Leverage data analytics and artificial intelligence to analyze the student's progress and engage families and students with personalized recommendations and support.
- *Special Education Data Management:* Implement a web-based software system to be utilized Districtwide for the management and tracking of online Individualized Education Programs (IEPs), Individualized Family Services Plan (IFSP), Individual Service Plan (ISP), Section 504 Plans, Transition Services, RSP (Resource Program) Substitute, Due Process, Informal Dispute Resolution, State CALPADS reporting, District Validation Review, Extended School Year, Special Education Student Transportation, IEP Translation, and tracking of related services provided to students during the course of their education.
- *Student Medical Services Management System:* Implement a web-based system to be utilized Districtwide for the management and tracking of student treatment plan, protocols, medication management, immunization compliance, nursing services, health office visits, audiological evaluation, chronic conditions, health alerts, vision/audio/dental/ speech/sports physical screenings, and vital monitoring.
- *Universal ID for Students:* Provide a singular ID for students to access services such as transportation, food services, library, after school programs, and school events. This will streamline many of the processes that will greatly benefit students.

Project Budget: \$11,400,000

Project Schedule: Implementation is anticipated to begin in Q1-2024 and be completed in Q4-2024.

Exhibit A: Capital Plan COPs Projects: Scope, Schedule, and Budget

6. Student Data, Analytics, Reporting and Dashboards Project

Project Scope: Modernization of the District's student data, analytics, reporting, and dashboards systems. With a continued increase in the number of tools students use to learn, there has been a significant increase in the volume of data available to help measure and inform student growth and achievement. This project puts in place / modernizes tools to understand this data. The scope may include, but is not limited to, implementation of a Cloud-based, fully managed solution for student analytics. New features / functionalities include:

- Learning analytics
- Guide resources
- Supports for administrators, schools, staff, students, and parents
- Data drill-down by region, school, and student group level, and support the learning management needs
- Integration of curriculum, learning, student performance, student progress and related information
- Suitable metrics and measurements
- Notifications for exceptions
- Incorporation of suitable views in the current workbench and views provided to schools, including those for principals, teachers and counselors, and also aggregated views for Regions and offices, to effectively monitor and manage student progress, including English Learners, students with disabilities, students experiencing homelessness, foster youth and other focus groups

Project Budget: \$4,763,040

Project Schedule: Implementation is anticipated to begin in Q1-2024 and be completed in Q3-2024.

Exhibit A: Capital Plan COPs Projects: Scope, Schedule, and Budget

7. Campus Safety Systems Improvement Projects at 291 Sites (Phase 1)

Project Scope: Design and install new video camera and intrusion alarm systems for 291 school sites ([site list](#)). The scope may include, but is not limited to the design and installation of video camera systems for each individual campus, based on current design standards that are specified in technical design guidelines:

- Campus Perimeter
- Entrance (Main, Parking)
- Rear/Service Entrance/Delivery
- Exterior Doors
- Parking Structure
- Bus Loading/Unloading Zones
- Large Assembly Areas
- Stairwells
- Corridors
- Valuable Resources (Storage)
- Other site-specific critical areas

Each project will include approximately 20 camera locations at smaller schools and 30 camera locations at larger schools, with each consisting of three to four cameras, or a total of 60 to 120 cameras per school site. The “large and small” school designation will be determined by student enrollment, number of buildings, and campus layout.

The new system will include remote monitoring capabilities through LASPD’s Operations Center. In total, 719 sites have been identified for a project, and additional funding is anticipated to be included in future COP’s issuance.

<u>Project Budget (Proposed Phase 1):</u>	\$146,000,000
Project Budget (Unfunded Future Phase(s)):	<u>\$210,000,000</u>
Total Project Budget:	\$356,000,000

Project Schedule: Construction is anticipated to begin in Q1-2024 and be completed in Q1-2026.

Exhibit A: Capital Plan COPs Projects: Scope, Schedule, and Budget

8. Cybersecurity Improvement Program (Phase 1)

Project Scope: Delivery of Districtwide cybersecurity enhancements that address vulnerabilities identified in the 2021 Information Security Audit as well as recommendations from the Cybersecurity Task Force, which was convened in the wake of the September 2022 cyber-attack. The Cybersecurity Improvement Program includes augmentation of people, processes, and technology tools to identify and mitigate the risk of future cyber-attacks and disruption to District operations, requiring capital and reoccurring operational expenditures. The capitalizable scope may include, but is not limited to:

- *Enhancing Network Security Models, including Identity Management to Control Account Access and Manage Digital Identities:* Implement a centralized system to manage the lifecycle of user accounts required to access District applications, including access and authorization management. This effort will modernize the current decentralized systems for managing user account passwords and workflow-based authorizations.
- *Cloud Migration of Core Assets and Applications:* Migrate on-site core applications, including the District's enterprise resource planning tool (SAP), Student Information System (MiSiS), Special Education System (Welligent), Food Services, Transportation, and others, to the Cloud to achieve a better security posture, reduce down-time, and enhance systems' performance.
- *Redesign and Hardening of Network Architecture and Infrastructure:* Install and implement modern Data Center firewalls and segment critical applications to inspect and block potentially malicious traffic and insider threats.
- *Vulnerability Assessment and Threat Management for Protection and Detection:* Configure security tools for recurring enterprise-level scans of critical systems and applications to support identification, classification, prioritization, remediation, and mitigation of vulnerabilities.
- *Security Operations Center:* Centralize application and system security alerts that may be indicators of compromise, or malicious activities. Implementation of an Artificial Intelligence platform that supports a 24x7x365 security operations center to monitor security alerts and take action as deemed necessary.

The Cybersecurity Improvement Program will be executed in multiple phases, with the first phase focused on the highest priority actions to elevate the District's security posture per Audit and Task Force findings.

<u>Project Budget (Phase 1):</u>	\$ 72,500,000
Project Budget (Unfunded Future Phase(s)):	<u>\$124,259,500</u>
Total Capital Project Budget:	\$196,759,500

Project Schedule: Implementation began in Q2-2023 and is anticipated to be completed in Q4-2024.
