OPERATIONAL IMPACT:

Space Impact: ☒ Yes ☐ No If yes, please describe

The resolution calls for appropriate spaces to be identified throughout the District, including external partners, to showcase our students' artistic talents. While schools have space available to host displays and performances for students' artistic talents, the Arts Education Branch will work collaboratively with Arts Community Network bench partners and Facilities Division to identify additional spaces available throughout Los Angeles.

Policy Impact:

The passage and implementation of the LAUSD Art Appreciation and Celebration Week will result in greater opportunities for students to showcase their artistic talents. With the passage of State Proposition

28, this resolution will serve as a showcase of the District's commitment to implement a robust arts education program for all students. This resolution will have an increased impact if moved to the week of April 22-26, 2024, enabling the LAUSD Arts Festival on Saturday, April 27, 2024, to serve as the culmination.

Student Impact:

Upon implementing the resolution, we anticipate a greater number of students showcasing artistic talents through the visual and performing arts.
