Ms. Goldberg - Resolution to Endorse the Campaign for a Healthy and Safe California and Protect the LAUSD Community from the Health Impacts of Oil Wells (Res-038-23/24) (Noticed June 18, 2024)

Whereas, Research shows that living within half a mile of an oil well increases the risk of asthma, high-risk pregnancies, respiratory illnesses, and cancer;

Whereas, There are thousands of active and inactive oil wells within the boundaries of Los Angeles Unified School District, and hundreds more in nearby communities that are within a half mile of District boundaries, and these wells are located near schools in every Board district;

Whereas, The California State Legislature passed SB1137 in 2022 to initiate health and safety setback regulations, which prohibit new or modified oil and gas wells within 3,200 feet of schools, daycare centers, parks, healthcare facilities, businesses, and homes; and

Whereas, Oil and corporate interests financed a \$20 million petition campaign to block immediate implementation of SB 1137, placing a referendum to overturn SB 1137 on the California General Election November 2024 ballot; now, therefore, be it

Resolved, That the Governing Board of the Los Angeles Unified School District endorse the Campaign for a Safe and Healthy California to keep SB1137 health and safety setback legislation, joining public health leaders, environmental justice groups, community and faith leaders, and youth to stand up to Big Oil and make sure that no Californians have to endure health hazards from living just steps away from dangerous oil wells; and, be it finally

Resolved, That the District will publish accurate and unbiased information about ballot initiatives on the November 2024 ballot, including regarding the well-funded attack SB 1137.
