Board of Education Report

File #: Rep-041-24/25, Version: 1

Approval of Facilities Contracts Actions

October 22, 2024

Procurement Services Division - Facilities Contracts

Action Proposed:

Ratify the Procurement Services Division (PSD) contract actions taken by Facilities Contracts under delegated authority as listed in Attachment “A” including: award of advertised construction contracts; award of job order contracts; award of job order contract amendments; approval of change orders; completion of contracts; award of informal contracts; award of architectural and engineering contracts; award of professional services contracts; award of professional services amendment; extra services/amendments for architectural and engineering contracts and approve the proposed contract listed in Attachment B including capacity increase for compressed natural gas contract.

Background:

Facilities Contracts staff prepares monthly reports for contract actions necessary for the execution of projects approved by the Board and contained in the FSD Strategic Execution Plan (SEP), and for the maintenance and operation of District facilities in accordance with District policies and Board-delegated authority. As described in the November 12, 2013, Board Report #048-13/14 Informative, detailed information is provided on the Facilities Services website.

Expected Outcomes:

Approval of these items will allow services provided by these contracts to proceed in support of FSD projects, District policies and goals, and the Board-approved FSD-SEP.

Board Options and Consequences:

The Board can approve all actions presented or postpone selected actions pending receipt of additional information. Non-ratification of actions awarded under delegated authority in Attachment “A” will result in the immediate discontinuance of services. While non-ratification may be legally defensible, it will likely result in costly litigation over discontinued payments or if the District attempts to reclaim payments made to a vendor. District costs will likely increase as fewer contractors compete for future procurements.

Policy Implications:

This action does not change District policy and conforms to California Education Code section 17604 that permits the Board of Education to delegate authority for Facilities Contracts (Board Report #444-17/18), which the Board exercised on May 8, 2018.

Budget Impact:

The contract actions presented are within the budget authority previously approved by the Board. Unless indicated otherwise, all contract actions are Bond funded.

File #: Rep-041-24/25, Version: 1

Student Impact:

The contract actions will help ensure that the students are provided with safe and healthy environments, and up-to-date facilities that promote learning.

Equity Impact:

Not Applicable.

Issues and Analysis:

There are no policy implications on these agreements.

RATIFICATION OF CONTRACTS AWARDED UNDER DELEGATED AUTHORITY

AWARD OF ADVERTISED CONSTRUCTION CONTRACTS

Item A

<u>CONTRACTOR</u>	<u>IDENTIFICATION NO.</u>	<u>DESCRIPTION</u>	<u>CONTRACT TERM</u>	<u>AMOUNT</u>
Danny Letner, Inc., dba Letner Roofing Company	2410079 / C2727	<u>Cowan Avenue ES</u> Roofing Replacement Project Board Member: <u>Nick Melvoin</u>	09/12/24 – Completion	\$1,750,000 Bond Funds (100%)

Ratification of formally competed contract selected from four (4) bids received to deliver a roofing replacement project at Cowan Avenue Elementary School as authorized on November 15, 2022 ([Board Report No. 072-22/23](#)).

The project will provide approximately 49,200 square feet of new roofing at 17 buildings, including the installation of new gutters and downspouts and painting of affected areas. Pillar 4 of the Strategic Plan is supported by this action.

The contractor has worked with the District since 1990.

Requester:

Greg Garcia, Interim Director of Facilities Maintenance & Operations
Facilities Services Division

HMC Group dba HMC Architects	2420046/ C2723	<u>Lincoln HS</u> Comprehensive Modernization Project Seismic Mitigation Program Board Member: <u>Dr. Rocío Rivas</u>	07/24/24 – closeout	\$67,788 Bond Funds (100%)

Ratification of an architectural and engineering contract procured via RFQ R-13019 to develop the analysis necessary to submit for a funding application to the Division of the State Architect (DSA) as part of the California Office of Public School Construction (OPSC) School Facility Program grant application process, under the Seismic Mitigation Program (SMP).

The Lincoln HS Comprehensive Modernization Project (Project) includes extensive campus-wide modernization, including the demolition of the Shop Building as authorized on January 12, 2021 ([Board of Education No. 204-20/21](#)). The Shop Building has been deemed eligible for reimbursement funding under the State's SMP by DSA. HMC Architects will prepare the analysis and documentation necessary to further pursue the SMP funding.

The contractor has worked with the District since 2003.

These services provide operational effectiveness and modernize infrastructure. Pillar 4 of the Strategic Plan is supported by this action.

---------------	--

Extra services are for design work that is not covered under the original Agreement. July and August Extra Services are listed at the following link: [BOE 041 Extra Services](#)

These services provide operational effectiveness and modernize infrastructure. Pillar 4 of the Strategic Plan is supported by this action.

**ATTACHMENT B
APPROVAL OF CONTRACTS NOT UNDER DELEGATED AUTHORITY**

A. APPROVAL OF CONTRACT CAPACITY INCREASE

\$3,000,000*

Item O

<u>CONTRACTOR</u>	<u>IDENTIFICATION NO.</u>	<u>CONTRACT TERM</u>	<u>AMOUNT</u>
Trillium USA Company, LLC	1680029	07/01/16 – 06/30/26, including one (1) five-year renewal option	\$3,000,000 General Funds 100%

Authorization to increase capacity of a formally competed contract by \$3,000,0000, to provide Compressed Natural Gas (CNG), service and maintenance at the District Gardena Bus Garage selected via RFP R-15080.

Approval of this request is critical for continuity of CNG fueling for the District's CNG buses along with ongoing maintenance and support of the equipment used for CNG fueling through the contract expiration date of June 30, 2026. As the pricing of CNG fuel is tied to a national fuel index, commodity prices have increased dramatically since the original capacity request in 2016. The need for additional capacity represents the District's need for CNG fuel to service schools with transportation and additional services through the term of the contract.

Pillar 4 of the Strategic Plan is supported by this action.

Original Value	\$4,800,000
*Additional Requested Value	\$3,000,000

NOT-TO-EXCEED AMOUNT
\$7,800,000 (100% General Funds)

Requester:

Daniel Kang, Director
Transportation Services Division
