Board of Education Report

File #: Rep-141-24/25, Version: 1
In Control: Facilities Contract Actions

Agenda Date: 2/11/2025

Approval of Facilities Contracts Actions
Procurement Services Division - Facilities Contracts

Brief Description:

(Approval of Facilities Contract Actions) Recommends the ratification of the Procurement Services Division contract actions taken by Facilities Contracts under delegated authority as listed in Attachment “A” including award of advertised construction contracts; approval of change orders; completion of contracts; award of informal contracts; award of architectural and engineering contracts; extra services/amendments for architectural and engineering contracts and approved proposed contracts listed in Attachment B including roofing, waterproofing and Geotechnical engineering services.

Action Proposed:

Ratify the Procurement Services Division (PSD) contract actions taken by Facilities Contracts under delegated authority as listed in Attachment “A” including: award of advertised construction contracts; award of job order contract amendments; approval of change orders; completion of contracts; award of informal contracts; award of architectural and engineering contracts; award of professional services amendment; extra services/amendments for architectural and engineering contracts and approve the proposed contract listed in Attachment B including roofing and waterproofing task order contracts and geotechnical engineering services task order contracts.

Background:

Facilities Contracts staff prepares monthly reports for contract actions necessary for the execution of projects approved by the Board and contained in the FSD Strategic Execution Plan (SEP), and for the maintenance and operation of District facilities in accordance with District policies and Board-delegated authority. As described in the November 12, 2013, Board Report #048-13/14 Informative, detailed information is provided on the Facilities Services website.

Expected Outcomes:

Approval of these items will allow services provided by these contracts to proceed in support of FSD projects, District policies and goals, and the Board-approved FSD-SEP.

Board Options and Consequences:

The Board can approve all actions presented or postpone selected actions pending receipt of additional information. Non-ratification of actions awarded under delegated authority in Attachment “A” will result in the immediate discontinuance of services. While non-ratification may be legally defensible, it will likely result in costly litigation over discontinued payments or if the District attempts to reclaim payments made to a vendor. District costs will likely increase as fewer contractors compete for future procurements.

Policy Implications:

This action does not change District policy and conforms to California Education Code section 17604 that permits the Board of Education to delegate authority for Facilities Contracts (Board Report #444-17/18), which the Board exercised on May 8, 2018.

Budget Impact:

The contract actions presented are within the budget authority previously approved by the Board. Unless indicated otherwise, all contract actions are Bond funded.

Student Impact:

The contract actions will help ensure that the students are provided with safe and healthy environments, and up-to-date facilities that promote learning.

Equity Impact:

Not Applicable.

Issues and Analysis:

There are no policy implications on these agreements.

Langdon Wilson International	2420039/ C7563	<u>Parthenia Academy of Arts and Technology Accessibility Enhancement Project</u> Board Member: <u>Scott M. Schmerelson</u>	12/03/24 – closeout	\$437,415 Bond Funds (100%)

Ratification of design contract to provide architectural and engineering services procured via RFQ R-24025, for site investigation/preliminary planning, construction document, bid/proposal and award, and construction and closeout phases for the Accessibility Enhancement Project as authorized on June 4, 2024 ([Board Report No. 304-23/24](#)).

The project site spans 6.33 acres and is comprised of one traditional K-5 elementary program and one dual language program. The building area is approximately 40,872 square feet and includes six single-story permanent buildings, one multistory permanent building and 14 relocatable buildings. The permanent buildings were constructed between 1957 and 1970. As of the 2023-2024 Electronic Capacity Assessment Review (E-CAR), the school serves 440 students and 58 have been identified as having a disability.

The site has been assigned a Category Two accessibility level. To meet the criteria for Category Two, various upgrades to seven buildings are required including corrections, installation, or replacement of: nine restrooms, three drinking fountains, 17 paths of travel, two concrete ramps, one nurse's exam room, two assembly seating areas, one parking area, one new stage lift, one passenger loading area, and other accessibility upgrades such as door hardware, playground components/matting, railings, and any other required improvements or mitigations to ensure compliance with local, state and/or federal facilities requirements.

The contractor has worked with the District since 2020.

These services support operational effectiveness and the modernization of infrastructure (Pillar 4 of the Strategic Plan).

Alliance to Save Energy (ASE)	2380003.02	EmPowered Program Capacity Increase	06/05/23 – 06/30/25	\$38,769* LADWP Funds (100%)

Ratification of amendment to increase capacity of a competed contract to expand Alliance to Save Energy's (ASE) EmPowered Program into more schools ([click here to view list of schools](#)).

The EmPowered Program provides an opportunity to integrate energy efficiency and sustainability concepts into the Science, Technology, Engineering, Arts and Mathematics (STEAM) curriculum. The program provides students with activity-based, hands-on education and technical training combined with leadership experience to prepare them for higher education and the workforce.

Approximately 130 schools expressed interest in participating in the program. Only schools within LADWP's territory were eligible to participate, as the program is funded by LADWP for schools in their service territory. The following criteria was considered when selecting the 65 participating schools:

- Location within a LADWP Disadvantaged Communities, identified via CalEnviroScreen
- Distribution across regions
- Distribution across Board Districts

The program will be front funded by District funds and reimbursed 100% by Los Angeles Department of Water and Power (LADWP) in accordance with the terms of the 2021 LADWP-LAUDS Memorandum of Understanding. These services support Pillar 1 of the Strategic Plan, Academic Excellence.

Pillar 4 of the Strategic Plan is supported by this action.
