Approval of Procurement Actions

May 9, 2023

Procurement Services Division

Action Proposed:

Ratify the contract actions taken by the Procurement Services Division within delegated authority as listed in Attachment “A” including the approval of award of Professional Service Contracts not exceeding \$250,000: New Contracts; Contract Amendment; Low Value - Purchase Orders; Goods and General Services Contracts: Purchase Orders; Low Value - Purchase Orders; District Card Transactions; Rental of Facilities; Travel/Conference Attendance; General Stores Distribution Center; and Book/Instructional Material Purchase Orders; and approve Professional Service Contracts (exceeding \$250,000): New Contracts; and Goods and General Services Contracts (exceeding \$250,000): New Contracts; and Piggyback Contracts as listed in Attachment “B.”

Background:

Procurement Services staff prepares monthly reports for contract actions necessary for the execution of the projects approved by the Board for the educational and operational requirements of the District in accordance with Board delegated authority to the Superintendent.

Expected Outcomes:

Approval of these items will allow the goods and services provided by these contracts furnishing the equipment, supplies, or services to the Los Angeles Unified School District that support Board policies and goals.

Board Options and Consequences:

The Board can approve all actions presented, or postpone selected actions pending receipt of additional information. Non-ratification of actions awarded under delegated authority in Attachment “A” will result in immediate unavailability of products or discontinuance of services, or both. While non-ratification may be legally defensible, it would likely result in costly litigation over discontinued payments or if the District attempts to reclaim payments made to a vendor. District costs will likely increase as fewer vendors compete for future procurements. Postponement of actions presented for approval in Attachment “B” will delay contract award or delivery dates.

Policy Implications:

This action does not change District policy and conforms to *California Education Code section 17604* that permits the Board of Education to delegate authority for Procurement Services (Board Report 444-17/18), which the Board exercised on May 8, 2018.

Budget Impact:

The contract actions presented are within the budget authority previously approved by the Board. Ratification of contracts awarded under delegation of authority and within their Board approved budget listed in Attachment

“A” includes:

- Award of Professional Service Contracts not exceeding \$250,000: New Contracts; Contract Amendment; Low - Value Purchase Orders; and
- Goods and General Services Contracts not exceeding \$250,000: Procurement Transactions - Purchase Orders; Low Value - Purchase Orders; Rental of Facilities; Travel/Conference Attendance; District Card Transactions; General Stores Distribution Center; and Book/Instructional Material Purchase Orders.

Request for Approval of Procurement Actions not under delegated authority listed in Attachment “B” includes:

- Professional Service Contracts (exceeding \$250,000): New Contracts; and
- Goods and General Services Contracts (exceeding \$250,000): New Contracts; and Piggyback Contracts.

Student Impact:

Not applicable.

Equity Impact:

See attached for applicable items.

Issues and Analysis:

There are no policy implications on these agreements. The Business and Government Services Team, Office of the General Counsel, has reviewed and approved the agreements as to form.

<u>REGION WEST</u>			\$190,944
<u>CONTRACTOR</u>	<u>IDENTIFICATION NO.</u>	<u>SOURCE OF FUNDS</u>	<u>AMOUNT</u>
Ni Hao Chinese, LLC	4400011015	Donations (100%)	\$190,944

Ratification of informally competed contract of single proposal received to provide Mandarin Chinese and Spanish tutors in support of the Mandarin Chinese and Spanish Immersion programs at Broadway Elementary School.

In the target language classrooms, the classroom teachers were the only target language role models for our students. There was insufficient language models and target speaking personnel in the classrooms to provide practice and feedback to the students in target languages. The Ni Hao Chinese tutors increased the opportunities for students to practice and receive feedback in target languages. Students benefit from having smaller group settings, receiving immediate feedback and additional opportunities to hear native-level language models and to interact in the language.

This contract aligns with the Strategic Plan as follows:

- Pillar 1, Academic Excellence: High quality instruction and eliminating opportunity gaps.
- Pillar 4, Operational Effectiveness: District of Choice. Because of the language immersion programs, Broadway ES has reversed the enrollment trend. Broadway effectively recruits students from neighboring school districts, as well as the LAUSD residents who might have attended charter and private schools.

Ni Hao Chinese was chosen because they provide both Mandarin and Spanish tutoring services and they work with our students daily, in either six-hour or four-hour shifts.

<u>CONTRACTOR</u>	<u>IDENTIFICATION NO.</u>	<u>SOURCE OF FUNDS</u>	<u>AMOUNT</u>
UNITE-LA	4400009943-3	CDE Community Schools Partnership Grant (100%)	\$40,000*

Ratification of amendment to extend term and increase capacity of a single-source, named-in-grant, provider contract to help convene meetings with steering committee or nonprofit agencies, establish contracts with potential funders, and facilitate weekly collaboration check-in meetings.

The District is building an infrastructure to support the CS Initiative and cannot yet do this work without a co-convenor. The plan for evaluating the success of this service includes documenting the establishment of and regular meetings held by the Community Schools Steering Committee, documented growth in the number of City of Los Angeles partnerships with designated Community Schools, and on-time expansion of the CS Initiative following Board Resolution RES-30-20/21.

Our department received additional grant funding through the California Community Schools Partnership Grant (2021-25610-64733-00). This grant is a five (5) year grant. We are currently in the process of running a new Request for Proposal (RFP), which will go to the Board of Education for approval in September 2023, to contract with a vendor to continue to provide the services for the new grant. Amendment No. 3 is needed so that there is continuity of services through September 30, 2023.

This contract works with the Steering Committee, which deals with all four Community School Pillars. The Community Schools Pillars align with the Strategic Plan Pillars and Priorities as follows:

Community Schools Pillars	Strategic Plan Pillars	Priorities
Expanded/Enhanced Learning	Pillar 1: Academic Excellence	Enriching Experiences
Integrated Support Services	Pillar 2: Joy and Wellness	Whole-Child Well-Being
Active Family and Comm. Engagement	Pillar 3: Engagement and Collaboration	Strong Relation

Recognition	3 Affirmatively recognizes historical inequities	This contract affirmatively recognizes historical inequities by supporting work at the 34 designated Community Schools selected based on a rubric recognizing historical inequities.
Resource Prioritization	4 Somewhat prioritizes resources based on student need	This contract effectively prioritizes resources based on student need as, all Community Schools, are selected with prioritization upon high needs schools in underserved communities.
Results	3 Likely to result in closed opportunity gaps and/or closing achievement gaps	The contractor's support of L.A. Unified's Community Schools effort is likely to result in closing the achievement gap as the vendor utilizes evidence-based strategies that will help drive the District's Community Schools initiative. Based on national data Community Schools have greater achievement gains than non-community schools.

<u>SPECIAL EDUCATION, EQUITY AND SPECIALIZED PROGRAMS</u>			\$174,300
<u>CONTRACTOR</u>	<u>IDENTIFICATION NO.</u>	<u>SOURCE OF FUNDS</u>	<u>AMOUNT</u>
QBS, LLC	4400011185	Individuals with Disabilities Education Act (IDEA) (100%)	\$174,300

Ratification of best value informally competed contract, selected from six proposals, to provide training through a training-of-trainers model where approximately 30-60 staff will be certified by the vendor to support the district with providing training to school site staff, SELPA staff and non-school based staff that work with students that may have the potential of engaging in challenging behavior. Vendor will provide certificates of completion and will maintain a database of training sections completed by participants. Trainers will be “re-certified” as trainers on year 2 and 3 of the contract by completing “re-certification” training and by maintaining a minimum annual training hours (based on vendor requirements).

QBS trains organizations that support individuals who may exhibit behavioral challenges. Through Safety-Care®, they provide evidence-based incident prevention and management training to help staff provide humane, person-centered interventions that replace challenging behavior with safer and more collaborative behavior.

This training improves safety for staff and the individuals they support while reducing the frequency and severity of dangerous incidents. Safety-Care teaches staff a wide range of verbal and physical prevention strategies (what to be aware of, how to approach a person, how to stand, how to sit, what to say, how to say it, how to support other staff, etc.).

The services are critical because per California Education Code Chapter 5.5 Sections 56520-56525 there are many regulations regarding students with disabilities, behavioral emergency and emergency interventions. Through these trainings we are ensuring that staff are trained and informed of mandates related to this Ed Code. Teachers of children with special needs require training and guidance. Per Cal. Ed. Code §56521.1 (a) Emergency interventions may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individuals with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior.

The training and its purpose aligns to the Strategic Plan and all of the pillars.

Pillar 1C, Eliminating Opportunity Gaps: Act upon early-warning indicators to ensure all students remain

on track; Pillar 2A, Welcoming Learning Environments: Support and build capacity of all campus staff to implement affirming, welcoming, and trauma-informed practices; Pillar 3A, Strong Relationships: Expand community schools to identify and build on community assets and relationships; Pillar 4A, Data-Driven Decision-Making: Build capacity of District staff and school teams to use data to drive improvement. Establish common feedback systems for professional development to inform decision making; Pillar 5A, Diverse Workforce: Create new pathways for staff to become proficient or certified in specialized classifications and areas of need; Pillar 5B, Professional Learning: Build capacity of employees on practices of diversity, equity, and inclusion and develop systems to constantly assess, reflect on, and refine these practices.

Anthony Aguilar, Chief of Special Education, Equity and Specialized Programs

Equity Impact:

Component	Score	Score Rationale
Recognition	3 Affirmatively recognizes historical inequities	The trainings emphasize developing plans and plans of action before emergency situations arise. It also emphasizes and trains on required documentation of emergency interventions used. Lastly it ensures that all staff that are trained understand federal, state guidelines and district policy related to behavioral emergencies.
Resource Prioritization	4 Effectively prioritizes resources based on student need	By selecting out of classroom and out of school-based staff to go through the training of trainers, we eliminate the need to pull school staff from school sites and their classrooms. These out of classroom/school support staff can then train throughout the school year and are available as a resource to school teams year-round which does not take away from direct support providers that are needed at their school sites.
Results	4 Extremely likely to result in closed opportunity gaps and/or closing achievement gaps	This contract is essential to ensure that we have trained staff that can further train more staff in strategies to support students and keeping them in school while maintaining a safe environment for all. By training staff in prevention strategies that can be utilized before a behavior escalates and in intervention strategies, we ensure that staff have tools to use when responding to a behavioral emergency and effectively and safely deescalate a situation. Additionally, staff will have the skills needed to support all students in very difficult situations.

<u>CONTRACTOR</u>	<u>IDENTIFICATION NO.</u>	<u>SOURCE OF FUNDS</u>	<u>AMOUNT</u>
City of Los Angeles	4400011395	Revenue	<\$163,680>

Ratification of a revenue contract with the City of Los Angeles, Economic and Workforce Development Department (EWDD) to provide supplemental funding to support education and training services.

The Division of Adult and Career Education (DACE) works closely with the City of Los Angeles, Economic and Workforce Development Department (EWDD) through collaborative partnerships tied to Workforce Innovation and Opportunity Act (WIOA) activities. This revenue contract provides supplemental funding to assist LAUSD in hiring WIOA Navigators who are co-located at DACE schools and Work Source Centers (WSCs). WIOA Navigators are LAUSD certificated staff who connect clients from WSCs to DACE education and training services. This contract provides support for adults in targeted training in relevant, high demand fields, and assist adults obtain sustainable wage employment.

This contract aligns with the Strategic Plan as follows:

- Pillar 1: Academic Excellence: Navigators guide adult students to targeted, high quality instruction, and help to reduce opportunity gaps on an ongoing basis.
- Pillar 2: Joy and Wellness: As Navigators work and engage with adults to launch them on desired instructional pathways, Navigators create a supportive environment and constantly monitor and encourage outstanding attendance and program completion.
- Pillar 3: Engagement and Collaboration: The Navigators lead the charge in disseminating information to the Los Angeles community about adult education and continually build and expand partnerships and engage those partners to connect adults to adult education options which lead to employment or continued post-secondary instruction.
- Pillar 4: Operational Effectiveness: The Navigator team interacts with City of Los Angeles WorkSource Centers in an ongoing way to obtain the most current data on employment demand and to thereby support and counsel Adult Education students on educational pathways which will lead to sustainable wage employment and personal satisfaction in high demand fields.

Marginalized adult students who have high barriers to education and career advancement will benefit from the career navigation services.

Curriculum Associates, LLC	4400011011 (RFP 2000002670)	General Funds (100%)	\$20,182,130

Authorization to negotiate and execute formally competed contract, selected from four proposals, to provide computer adaptive reading and mathematics assessment platform for LAUSD schools that has a high level of validity and reliability, and provides an engaging format and a variety of question types aligned to standards. The use of the computer adaptive platform will enable schools across the system, elementary through secondary, to use literacy and math data to plan and differentiate instruction to meet the needs of all students. Use of the assessment results will provide educators with actionable data for planning instruction and monitoring progress towards Board goals in literacy and numeracy ([additional information about the assessment platform](#))

All TK through 12th grade students, approximately 448,174, will directly benefit from the computer adaptive platform, and services will be available to all District operated and partner operated schools (e.g. Partnership for LA Schools), with the exception of independent charters, beginning in the 2023-24 School Year. Initial training for teachers and administrators will launch the Summer of 2023 with makeup training, follow-up sessions and ongoing coaching and support throughout the 2023-2024 school year. This platform will require the use of the LAUSD Single Sign-On for students and employees to ensure it meets all the data security requirements. This assessment platform will replace Renaissance STAR Reading and Math for secondary students, DIBELS for 3rd – 5th/6th elementary students and Edulastic for Elementary Math Assessments. Since the Curriculum Associates’ assessment includes standards aligned questions and a variety of response types similar to SBAC, the IABS will no longer be required in 2023-2024.

The Curriculum and Associates computer adaptive assessment will provide impactful, rigorous, standards-based and culturally responsive test items for students to demonstrate learning and skills mastery. The vendor platform will also provide instructional resources to support teachers in analyzing and acting upon assessment data to guide instructional planning and personalized learning so that all students reach proficiency in literacy and numeracy. The District-wide use of this assessment platform supports Strategic Plan Pillars 1A, High Quality Instruction, and 1C, Eliminating Opportunity Gaps.

Government Financial Services Joint Powers Authority (GFSJPA)	4400011387 (RFP 2000002888)	General Funds (100%)	\$574,200

Approval of formally competed contract to install an Independent Oversight Consultant to provide professional services and expert advice to the School Construction Bond Citizens' Oversight Committee ("BOC") and assist in the BOC's review and oversight of the Los Angeles Unified School District ("LAUSD") capital Bond Program.

The District and the BOC entered into a Memorandum of Understanding (MOU) which provides the duties and obligations of both parties in supporting the mission and mandate of independent oversight. The MOU also requires the District to provide annual funding for an independent oversight consultant.

The services align with Strategic Plan pillars 1-4.

- Pillar 1: Academic Excellence
Priority 1B Enriching Experiences: Deliver well-rounded, inspiring educational and enrichment experiences to instill and maintain a love of learning.
- Pillar 2: Joy and Wellness
Priority 2A Welcoming Learning Environments: Design and sustain welcoming, safe, environmentally friendly, affirming, and inclusive learning environments.
- Pillar 3: Engagement and Collaboration
Priority 3B Accessible Information: Provide clear, consistent, and accessible information to the community.
Priority 3C Leading for Impact: Lead and leverage our role as an impactful, key member of local, state, national, and global communities.
- Pillar 4: Operational Effectiveness

Equity Impact:

Component	Score	Score Rationale
Recognition	4 Actively recognizes and specifies historical inequities to correct	The work of the Independent Oversight Consultant is in support of the Bond Oversight Committee. The priorities of the bond program drive the scope and work of the BOC and its consultant staff. Bond funded projects are prioritized to affirmatively recognize historical inequities and to prioritize projects based on metrics such as SENI, Greening Index, and location included in BOE policies. However, not all bond projects directly correct historical inequities; many are required for the safety of all schools and students at each campus.
Resource Prioritization	2 Somewhat prioritizes resources based on student need	As stated above, the bond program, and by extension the work of the BOC consultant, recommends bond resources as proposed by the District which primarily prioritizes resources based on student need. Other factors determining project priority include seismic building requirements and code, life-safety issues, ADA, failed building systems, etc.
Results	3 Likely to result in closed opportunity gaps and/or closing achievement gaps	The execution of bond projects is likely to result, in some cases, of closing achievement gaps by providing facilities and technology resources in support programs designed to close these gaps.

Student Transportation of America	4400011366 (IFB 2000002910)	General Funds (100%)	\$85,100,000

Formally competed capacity contract to provide pupil transportation services. Contract will provide 100 (25 passenger) used, propane buses with drivers on a regular and as-requested basis.

The pupil transportation services contract will supplement all routes that are not covered by LAUSD busing. Without this contract, Transportation Services Division will not be able to ensure optimal and timely attendance for LAUSD students who are not covered by standard District busing routes.

The pupil transportation services contract aligns with the Academic Excellence and Operational Effectiveness pillars of the LAUSD strategic plan. An active pupil transportation services contract will promote equity for LAUSD students by providing the means for retaining efficient student attendance, which is critical for academic excellence. The supplemental coverage for non-LAUSD busing routes also contributes to Transportation Services Division's operational effectiveness goals.

Liquidity Services Operations, LLC (GovDeals)	4400011364 (RFP 2000002768)	Revenue	<\$1,620,000>

Approval of formally competed revenue-generating contract to provide professional Auctioneering Services for the coordination, processing and auctioning of various school based equipment and furniture that is identified as surplus, obsolete, and unusable for the District's Surplus Property and Recycling Annex (SPRA).

With the expedited sales of property, it will maximize the SPRA's limited floor space necessary to meet both the current and future operational space allocation needs, thus avoiding an interruption in service. By promoting assets through marketing and outreach, the vendor supports the District's efforts to maximize the revenue from the sale of surplus items. It also diverts items from going to local landfills, reducing the District landfill imprint.

The services support Pillar 2 - Joy and Wellness by auctioning obsolete classroom assets, and Pillar 4 - Operational Effectiveness by Modernizing Infrastructure.
